Aina: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Aina, Manon, Alma, and Maria with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone of what happened, and they were shocked when they found out the villains we went after were Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, Black Rainbow, Evil Vignette Valencia, and Gaia Everfree, who were brought back from the dead by Evil Midnight Sparkle to get revenge on me and Zarya for destroying them.

But, when Lincoln showed what we all did with Zarya tying up Black Rainbow condemning her to Eternal Servitude in The Masters of Evil and having the Hinon's Vengeance Curse on her, and destroying and sending Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, Evil Vignette Valencia, and Gaia Everfree to The Black Gates for good, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Kushina Hikatokage have a lot of catching up to do now that she's back in town.

Maria: I can't believe Evil Midnight Sparkle was the one who brought them back, well considering that she was also a member of The Midnight 13, it's no surprise.

Lincoln: Yeah, and so were The Evil Dazzlings, Daybreaker, Nightmare Moon, and Demon Shimmer, but we got rid of Nightmare Moon and Demon Shimmer when they came back, and we're going to face The Evil Dazzlings later on, along with Daybreaker.

William: Which'll culminate with the war against Evil Starlight Glimmer.

Nico: Yeah, we got ten more days left, and then, it's showtime.

Me: And we'll finally be rid of The Doomsday 23 for good, and end The Church of Necrom's final attempt at revenge on us.

Eli: Yeah.

Lincoln: Those demon goths went way too far bringing The Doomsday 23 back, and now, we're going to make sure their final revenge will be all for naught when the day finally comes.

---

After finally getting rid of Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, Black Rainbow, Solar Shimmer, Evil Vignette Valencia, and Gaia Everfree and this time for good, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Kushina Hikatokage saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Kushina Hikatokage: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Kushina, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Kushina Hikatokage: (Japanese Accent) That's incredible.

Nico: It sure is. So, Kushina, what's the story on why you hate Flip with a burning passion?

Kushina Hikatokage: (Japanese Accent) You're going to wish you guys had killed him when I tell you this story. One day, Lincoln and I were heading out to get some groceries at the grocery store and Lincoln had a shopping list his mom made, and I would be there to help him, since Leni, Luna, Laney, Lucy, Lana, and Lily were with their friends, and Lori, Lynn, Lola, Lisa, and Luan can never be trusted to do anything to help Lincoln and they still wanted to kill him, plus, they'd got grounded for the last time they tried to kill Lincoln. We'd gotten the groceries at the grocery store, but as we were about to leave the store and head for home, Lincoln caught the stench of someone who hadn't ever heard of a shower, and we saw who it was that never heard of a shower: it was Flip, Michigan's fat, ugly, smelly, mutant cheapskate, and he was out for revenge on Lincoln for ruining his scams and schemes to get rich and kill him, his family, friends, and J.D., and he was bellowing like a cow. But, we saw he wasn't alone, with him were Lori, Lynn, Lola, Lisa, and Luan, and Lincoln was pissed off when he saw them and with Flip no less. I saw his massive white angel wings spread out and a ball of rose red energy formed above his head and he fired six rose red energy blasts and one of them trapped Flip inside a rose red orb, but the other sisters dodged them. We attacked the five mean Loud Sisters, and when a drop of Lori's blood wound up on Lincoln and he tasted it, he saw into Lori's memory: he found out that Lori, Lynn, Lola, Lisa, and Luan broke out of their rooms, because of them hiring Flip, who busted out wanting revenge on Lincoln, his family, friends, and J.D. for ruining his scams, and Lori, Lynn, Lola, Lisa, and Luan paid a lot of money to kill Lincoln, his family, friends, and J.D.

We gasped in shock.

Nico: They did what?!

Me: Yeah, I was there the day that mutant broke out, but when Lincoln told me that Lori, Lynn, Lola, Lisa, and Luan paid Flip a lot of money to kill me, Lincoln, his family, and friends, that's crossing a big line.

Kushina Hikatokage: (Japanese Accent) Yep, and after we both roughed up, Lori, Lynn, Lola, Lisa, and Luan, Lincoln's massive white angel wings spread out and a ball of rose red energy formed above his head and he fired five rose red energy blasts and trapped them in five rose red orbs. We called the police and J.D. also had Flip hauled back to jail by throwing him inside a police wagon, and we then dragged Lori, Lynn, Lola, Lisa, and Luan back home, and we also told J.D. of what those five just did, and after we explained everything to Mr. and Mrs. Loud, the five mean sisters got grounded for nine weeks for what they did, not only for breaking their grounding but also for hiring Flip to kill Lincoln and everyone close to him for revenge.

We cheered for what Kushina and Lincoln did in stopping Flip, along with Lori, Lynn, Lola, Lisa, and Luan.

Nico: Whoa, so that's why you hate Flip with a burning passion. But, we can't blame you for that, we also hate Flip for trying to kill us all after his schemes to get rich and kill Lincoln and his friends and family and all of us have been foiled one after another.

Me: But, that moron's too stupid to realize that we're immortal and we can't die, but his greed has destroyed his sanity forever.

Kushina Hikatokage: (Japanese Accent) Stupid moron.

Eli: He sure is.

We got a shower afterwards, and then, Lincoln and his harem are heading off to meet Ryusei Tsurugi A.K.A Metalder and destroy Victorious Saint Coolgin.

Lincoln: This is going to be so awesome meeting Ryusei Tsurugi A.K.A. Metalder.

Kushina Hikatokage: (Japanese Accent) You said it, Lincoln, and we're going to destroy Victorious Saint Coolgin. That monster's been asking for it for a very long time.

Rudina Adalwulf: And Lincoln's also going to destroy The Neros Empire for good, this is so going to be awesome.

Just then, they saw Ryusei Tsurugi battling Victorious Saint Coolgin and he has an army of Shadow Light Fighters with him. Lincoln and his harem went to help and he fired powerful rainbow energy balls and elemental forces at Victorious Saint Coolgin and his army of Shadow Light Fighters, and the Shadow Light Fighters were destroyed.

Ryusei Tsurugi: Lincoln Loud of Team Loud Phoenix Storm?

Lincoln: That's right, we were planning on meeting you, but it looks like Victorious Saint Coolgin decided to speed that up.

Saya Takagi: In any case, we're here to help you take them down.

Ryusei Tsurugi: And you all came just in time.

Victorious Saint Coolgin: You will all die here in the name of The Neros Empire, Team Loud Phoenix Storm!

Lincoln: Not going to happen, Coolgin. Today, this shall be the end of The Neros Empire for good.

Saya Takagi: Yeah, you cold-blooded piece of crap.

Ryusei Tsurugi: Ikaru!

Ryusei Tsurugi transformed into Metalder.

Lincoln: So awesome.

Kushina Hikatokage: (Japanese Accent) You said it, Lincoln, just like on TV.

Lincoln: You said it, Kushina. Saya, you ready?

Saya Takagi: You bet, Linky.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and Saya Takagi transformed into her Super Angel Eternity Infinity form, and they went after Victorious Saint Coolgin, and they fired powerful blasts of rainbow energy, orange energy, laser blasts, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Victorious Saint Coolgin, and they exploded with incredible power as they hit him.

They also attacked him with their massive greatswords and Metalder attacked him with punches and kicks, and they left painful and nasty scars on them.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Let's end this monster for good.

Ryusei Tsurugi: Understood.

Saya Takagi, Lincoln, and Ryusei Tsurugi: METAL HEROES LEGACY MEGABLAST!

Saya Takagi, Lincoln, and Ryusei Tsurugi fired massive blasts of energy and elemental forces that took on the Metal Heroes from the Tokusatsu Metal Heroes shows, and they hit Victorious Saint Coolgin and they exploded with incredible power, killing him for good.

Victorious Saint Coolgin: No, impossible! God Neros, forgive me!

Victorious Saint Coolgin exploded, and he was dead, and he was given The Black Gates. Lincoln and Saya Takagi holster their massive greatswords on their backs and power down, and Ryusei changed back.

Ryusei Tsurugi: Thank you very much for what you did in helping me get rid of Victorious Saint Coolgin, Lincoln and Saya Takagi. But, this'll also mean The Neros Empire will also be on you as well.

Lincoln: There's no need to worry, Ryusei, we're going to take care of them, just like what happened with the Makuu Space Organization and Bioron Crime Syndicate yesterday.

Ryusei Tsurugi: I remembered Retsu and Naoto telling me about that. This should be interesting to see, and all of you also killed the Kamen Riders' most dangerous enemies as well.

Girl Jordan: Wow, you were keeping track of all of our adventures.

Ryusei Tsurugi: That's correct, Girl Jordan. And I think because of that explosion, Nico and J.D. are going to come here at once.

Just then, me and Nico arrived.

Lincoln: You really are good at keeping track of our adventures.

Me: Guys, we just saw a powerful explosion in Japan, are you all okay?

Lincoln: We're okay, J.D., and there's someone that's been wanting to meet you and Nico.

Nico: And who would… that be?

When we saw Ryusei Tsurugi, our eyes went wide with surprise and awe.

Nico: Oh, no way, Ryusei Tsurugi A.K.A Metalder from Choujinki Metalder?!

Ryusei Tsurugi: That's correct, Nico, and it's an honor to meet you and J.D. Knudson.

Me: We've heard so much about you. Wait, so that was one of your villains you, Lincoln, and his harem fought against?!

Lincoln: Not just any villain, J.D., it was Victorious Saint Coolgin, God Neros' second-in-command.

Nico: (Gasps) Oh man, that guy's one dangerous monster and God Neros' second-in-command.

Lincoln: He sure is, but we put a stop to him for good. Now, for the grand finale to put an end to The Neros Empire for good. NEROS EMPIRE GENOCIDE BLAST!

Lincoln fired a massive barrage of rainbow energy blasts, which hit every single member of The Neros Empire, including God Neros and their secret base: The Ghost Bank, and every last one of them have been obliterated and given The Black Gates for good.

Ryusei Tsurugi: Impressive work, Lincoln. And I have something for you to give to Orion.

Ryusei Tsurugi handed Lincoln The Metalder Ranger Key.

Lincoln: Orion is really going to be surprised when he gets this, he's already got the Gavan and Jiban Ranger Keys and we also got a surprise for you, Ryusei. How would you like to join Team Loud Phoenix Storm?

Ryusei Tsurugi: I would be honored.

We came back to the World Tree Estate, and Lincoln told everyone what happened, and they were all stunned with awe, and Lincoln gave Orion the Metalder Ranger Key, and Ryusei Tsurugi was now a member of the team.

Maria: This is really awesome, first you guys met Retsu Ichijouji A.K.A. Space Sheriff Gavan and you destroyed The Space Organization Makuu, then you met Naoto Tamura A.K.A. Mobile Cop Jiban and you destroyed the Crime Syndicate Bioron today, and now you met Ryusei Tsurugi A.K.A. Metalder and you destroyed The Neros Empire, so awesome!

Kushina Hikatokage: (Japanese Accent) It sure is, this is so awesome that Lincoln and his harem have been helping the Metal Heroes destroy their enemies, and in turn, they're being recruited into the team.

Lincoln: And I've also been giving Orion the Metal Hero Ranger Keys.

Orion: You said it, this is really awesome that you and your harem have been helping out the Metal Heroes, and as a result of recruiting them, you've also been given their Ranger Keys. Thanks, Lincoln.

Lincoln: You're welcome, Orion.

Nico: And guys, we also have this to say: give every last one of the Metal Heroes' villains hell and send every last one of them to The Black Gates.

Lincoln: (Smirks) You bet we will, Nico.

Kushina Hikatokage: (Japanese Accent) Yeah, they're not going to take over or destroy our world, not if we have anything to say about it.

---

At the mall we were doing some awesome shopping!

Me: Boy we made a great haul.

Qin: We sure did.

Celine Westova: Yeah this is the most ever.

Camie: I think it's cool.

Princess Cadance: Jak, you and Taranee are up for bonding time.

Jak: Awesome! Ready to have some fun sis?

Taranee: You bet I am.

Nico: Yeah! Huh?

We saw Nami and she was looking shocked.

Me: Nami? Nami are you all right?

Nami clutched her arm in rage and she then snapped and picked up a knife and stabbed herself in the arm on her tattoo.

Nami: (ENRAGED SCREAMING) ARLONG! ARLONG ARLONG ARLONG ARLONG ARLONG ARLONG ARLONG ARLONG ARLONG ARLONG!

Me: NAMI!

I grabbed her arm and made her drop the knife.

Me: Nami what the hell is the matter!?

Nico: Who is Arlong?

Me: I know Arlong. He was one of Luffy's enemies.

Nico: What do you know about him Luffy?

Luffy: You will not like him.

He went over his history.

---

Arlong the Saw (in Japanese: ノコギリのアーロン, Nokogiri no Āron) is a major antagonist in the anime and anime series One Piece. He is the captain of the the Arlong Pirates, and a former member of the Sun Pirates. He holds the honor of being the first major antagonist in the series.

He serves as the main antagonist of the East Blue Saga and the Arlong Park Arc, and as the overarching antagonist of the Fishman Island Arc. He is the archenemy of Nami.

He was voiced by Jūrōta Kosugi in Japanese and Chris Rager in English.

The Sawfish Fishman was once a member of the Sunny Pirates, of which Fisher Tiger was captain. But following Tigers death and the recruitment of Jinbei into the Shichibukai, the group split into pieces and Arlong formed his own "Arlong Pirates", before leaving the Grand Line for easier targets.

Arlong set up his domain on one of the larger islands in East Blue, with a number of smaller villages in the vicinity under his control. Arlong dismantled his original galleon and used the materials to build Arlong Park, an eight-story building that served as his headquarters. From Arlong Park, Arlong hoped to conquer all of East Blue using superior underwater tactics through maps drawn by Nami that charted underwater terrain.

Arlong prepares to shoot Bellemere. When Arlong and his crew (consisting of Hatchan, Chew, and Kuroobi), first arrived on the island that would someday become Arlong Park, the first village he encountered was Cocoyasi Village, the home of Nami. Arlong then proceeded to extort money out of the residents of Cocoyasi Village. Adults would have to pay one hundred-thousand, children would pay fifty-thousand or be executed by Arlong's men. Bellemere (Nami's adoptive mother) only had one hundred-thousand so she decided to pay for Nami and Nojiko and sacrifice herself. Arlong shot her in front of her children as an example of disobedience and then kidnapped Nami.

He forced Nami to become a part of his crew as a map maker, and told her that if she brought him one-hundred million beries he would free her village and everyone in it, including her adoptive sister Nojiko.

## Destruction of Arlong Park

Years later, when Nami was about to fulfill her end of the bargain using money she stole from Monkey D. Luffy, Arlong arranged to have a corrupt Marine captain confiscate the money from her so she would be forever under his control.

Luffy, who followed Nami after being robbed by her, saw Nami brutally stabbing Arlong's tattoo on her arm in desperation. Angered by the obvious suffering Arlong had wrought against her, Luffy stopped her from hurting herself and unquestioningly accepted her plea for help. A long and arduous battle ensued between Luffy, Arlong, and the elites of their crews. While Zoro, Sanji and Usopp were able to defeat their opponents, in their tired and injured states they were absolutely no match for Arlong, although they helped save Luffy from a pool of water, enabling him to challenge Arlong.

Arlong preparing to finish off Luffy. By the end of the fight, only Luffy and Arlong were left standing and Luffy was taking a beating from Arlong's high-speed diving attack Shark on Darts and his sword Kiribachi (Saw Shaped Sword/Saw Blade), which resembled a long steel saw with teeth shaped like a shark's. Luffy seemed to be on the verge of defeat until the battle moved into the top of Arlong Park, where Nami slavishly made her maps for Arlong as a child.

After feeling the turmoil and desperation that had seeped into the room over the years, Luffy became enraged and the tables turned dramatically. Arlong is defeated by Luffy. Using the full power of his attack Gomu Gomu no Ono/Gum Gum Battle-Axe, Luffy managed to send the full force of Arlong's attack: "Shark on Haguruma (Gear)/

Shark Tooth Drill" attack through to the bottom of Arlong Park, breaking Arlong's cartilaginous back and destroying the building in the process.

This did not, however, kill him: he is currently imprisoned in Impel Down along with his crew, although he may have escaped during the Impel Down Arc's mass breakout.

---

When he was done we were shocked!

Me: Oh man!

Qin: That's horrible!

Nami: What do you guys want?

Me: We want to help. I had no idea you had a bad history with Arlong.

Nami: (Crying) You don't know anything about this.

Me: You're right Nami. We don't.

Nami: You don't know whats been happening on that island over the past 8 years.

Me: No but Luffy told us about it.

Nami: This has nothing to do with you.

Me: Nami when it comes to our friends it has EVERYTHING to do with us.

Nami then broke down crying with blood dripping from her arm.

Maria: What brought this on?

Me: Buried hatred.

I looked at her arm and saw that her tattoo was Arlong's shark symbol.

Me: So that's it. Tortured past.

Nami: (Crying) Guys? Help me.

Nico: Oh man.

Me: Luffy I know you don't like killing people. But please at least make this one exception just this once.

I went in front of Nami.

Me: I will gladly help you Nami. (TAKES A DEEP BREATH) (SCREAMING AT THE TOP OF MY LUNGS) ARLONG I WILL KILL YOUR FUCKING FISHY HIDE FOR THIS!

Nico: Whoa man!

Luffy: Well, we could still make a clone of him after his death like we did with Lila Rossi

Me: That's true we can. But I'm not going to use the Black Gates on him. I'm going to banish him to the Warp. Vypra told me she has plans for him.

Luffy: Fair enough.

Me: Good.

Nico: Oh boy.

Me: I'm sorry about this Luffy but Nami needs our help.

Luffy: I understand.

Me: Good.

Nico: Jak, Taranee, you can still have your bonding time while we do this mini-mission for Nami.

Jak: Thanks.

Skywarp: Me, Thundercracker, and some of the guys will go with you.

Thundercracker: Something tells me that it's the right decision at the moment.

Nico: It sure is.

Eli: Arlong went through that door down there.

That was the door that lead to the basement.

Nico: Lets go. Varie get Nami's arm looked at.

Varie: Right.

Varie was healing her arm and we went to the door and went down to the basement.

Nico: Where is he?

Qin: Wait I see something.

She grabbed a drawer cabinet and pulled it back and then we saw a huge hole in the wall and it lead through a huge cave.

Me: We never noticed that.

Qin: Yeah.

Camie: Where does this lead?

Nico: Lets find out.

We got some flashlights.

Jak: Taranee, I'll never regret meeting you.

Taranee: Me neither Jak. That was so awesome.

Jak: It sure was and you learned so much about Eco.

Qin: We sure did. All of us did.

We went into the tunnel and we saw that it was a cave system.

Me: Wow. Look at this.

Nico: It's a cave that is right underneath the mall.

Laney: Incredible.

Camie: This cave is incredible.

Nico: Who's with this group right now?

Thundercracker: Me, Skywarp, Acid Storm, Blast Off, and Slipstream.

Nico: Wow.

Qin: Interesting.

Laney: Yeah.

Daring Do: Now, all of us have the power to use Eco as well.

Jak: You sure do.

Qin: Yep.

We went far underground into the cave.

Optimus Primal: This is odd. I'm picking up a huge Energon reading.

Me: There's energon here?

Optimus Primal: Yeah it's just up ahead.

Acid Storm: The minute we see Arlong, we send him to the Warp immediately.

Me: Agreed. But knowing a monster like him he's not going down without a fight.

Nico: Yep. I hope the Energon here in this cave isn't unstable.

We then saw a blue light in a room up ahead.

Me: That must be it.

We went into the cave room and then we saw a HUGE AND MASSIVE ROOM Filled with a massive amount of Raw Energon!

Me: Wow!

Nico: It's all raw Energon!

Varie: That means this entire cave is unstable.

Optimus Primal: It's incredible. We'll have to use our robot forms sparingly.

Daxter: Jak, I'll never regret meeting you. We've had a wild ride together.

Jak: We sure did. That was so awesome.

Nico: J.D. did you know this was here?

Me: No I sure didn't. And it's right underneath the mall. A mile and a half down.

Qin: Yeah.

Nico: This is amazing though.

Varie: Thank goodness we aren't affected by Energon Radiation.

Skywarp turned into vehicle mode.

Skywarp: You guys didn't say anything about vehicle mode.

Me: That's true. Optimus did say to use your robot forms sparingly in this situation.

Nico: But with Energon like this being highly unstable the slightest jostle and blast can blow this place to kingdom come.

Scorponok: Boy no kidding.

Terrorsaur: Yeah.

?: It's amazing how much energon is here J.D.

Me: (GASP) Caitlyn?

We saw CAITLYN LAURENCE BACK FROM THE DEAD!

Catherine Laurence: Sis! You're okay!

Me: Wait!

We saw ugly purple blotches on her and that can mean only one thing!

Me: The Aparoids brought her back!

Caitlyn Laurence: That's right. Join us J.D.

Me: I will not.

I put a force field around the energon to protect it from our blasts and I fired lightning and freed her from the Aparoids and I went over and picked her up.

Caitlyn Laurence: (Groans) J.D.?

Me: Caitlyn.

Caitlyn Laurence: J.D.!

She hugged me and I had tears come down my face.

Me: I'll never lose you again Caitlyn.

Nico: Thank goodness J.D.

Me: But I have a feeling the Aparoids are the least of our problems.

Nico: Yeah.

Daxter: Before you ask, no, I don't want to go back to how I was before. I like this form. It lets me fit in small places. (smirks) Plus, I'm handsome.

Jak: That's true.

Taranee: I think it's awesome.

Nico: You sure are capable of doing that Daxter.

Eli: Yep and I sense Arlong here. He's up ahead.

Me: I see him.

We looked and saw ARLONG!

Me: Arlong!

Arlong: So J.D. Knudson.

Me: You will pay for everything you did to Nami.

Nico: Yeah!

Skywarp and Mindwipe fired their vehicle mode weapons at Arlong.

They blasted his arms off.

I teleported.

Me: This is for Nami! (Holds hand out) HAKAI!

He then got banished to the Warp!

Cosmos: Now, let's get this Raw Energon to the Estate.

Me: Okay.

We went and got some equipment out and loaded up all the Energon.

Nico: There. That's the last of it.

Qin: This is gonna be enough Energon to power a lot of Cybertronian Devices.

Varie: Yeah.

Back at the estate we were getting ready.

Wolfgang: (to Fuzzy) (Australian Accent) FYI, we told Kaito and the others about your past. Hope you don't mind.

Fuzzy Lumpkins: It's all right but that's cool ya did.

Qin: Yep. So what's our mission?

Me: Well this time you guys will love it. We're going to the Vault Prison.

Qin: Ooh.

Nico: Yep. That is the toughest Maximum Security Prison ever. It's like Alcatraz on Steroids.

Qin: Wow.

Then Toyman, Artie Ziff, King Hiss, Mammoth, Vulkanus, Top, Ice Demon, Dayu, Doctor Octopus, and Chalmers appeared.

King Hiss: Can me, Toyman, Artie Ziff, Mammoth, Vulkanus, Top, Ice Demon, Dayu, Doctor Octopus, and Chalmers go with you guys?

Nico: Yes you guys sure can and no you aren't going to be locked up. We'll make sure that doesn't happen.

Qin: Good.

Tania: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. I'm hoping for something like this. A gene-slammer for a mermaid, fairy, angel and a Mega Meloetta.

Me: Wow! That's an interesting combination.

Qin: Yeah it sure is.

Laney: Yeah.

Toyman: Let's invite the Snow Creature as well.

Nico: Good idea. Lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Evil Midnight Sparkle, and she's absolutely furious that Creepy Apple, Crazy Gem, Fluttermad, Pinkie Dark, Solar Shimmer, Evil Vignette Valencia, and Gaia Everfree have been destroyed and Black Rainbow has been apprehended and sent to The Masters of Evil's prison, and now, she's coming here to kill us and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Evil Midnight Sparkle on the move?

Lincoln: You guessed it, Nico, and she's absolutely furious that Creepy Apple, Crazy Gem, Fluttermad, Pinkie Dark, Solar Shimmer, Evil Vignette Valencia, and Gaia Everfree have been destroyed and Black Rainbow has been apprehended and sent to The Masters of Evil's prison, and now, she's coming here to kill us and get her revenge.

We gasped.

Twilight Sparkle: We've already got Midnight Sparkle in The Masters of Evil, but we need to get rid of Evil Midnight Sparkle for good.

Lincoln: That's exactly what we're going to do, Twilight, and like we said yesterday, we've got a plan on how we're going to purge that darkness from Twilight Sparkle forever.

Mistmane: Indeed, and you're going to see how much Lincoln's learned from me about my healing spells.

Rarity: We're also curious as well, Mistmane.

Nico: Same here, this should be really interesting to see. Alright, gang, let's go, we got word from Mystery Inc that there's a mystery in the most insidious prison ever: The Vault.

Lincoln: A mystery in the most insidious prison ever?! We better get over there and give them a hand with solving this mystery, and Evil Midnight Sparkle, don't think you're getting away from this, you're going to answer for your crimes later on today.

We were off to the Vault!

* * *

We then arrived on a boat with Fred and the gang.

Me: Looks like we're in time for the fun.

Fred: You sure did and we're going to The Vault.

Me: We know.

Velma: The Vault is really cool.

Fred: I can tell them how it works.

He told us everything about The Vault.

Fred: The Vault is built on a remote island of jagged volcanic rock, surrounded by miles of freezing water where it's protected by 8 barbed wire watchtowers and sealed tight by a double gated barbed wire entrance. Inside the low lighting and narrow offset cell blocks, turned the vault into a labyrinth of corridors designed to confuse even the most devious of criminal minds. Most infamous and cunning among them: Stealin Stan. It's also surrounded by solid stone walls wrapped in barbed wire, miles of electrical fences also wrapped in barbed wire, six additional watchtowers naturally wrapped in barbed wire, bottomless pools of quicksand, slowsand, barbed wire sand, laser cannons, great white sharks, great white sharks wearing laser cannons, a creepy owl clock, an army of sentry robot drones and Post Apocalyptic Atomically Mutated Security Guards all wrapped in Barbed wire! (Panting)

Bomb Burst: Wait. I think Cap and the others know a prison that's also called the Vault as well.

Captain America: That's right. But that one is on Ryker's Island.

Fred: And it's the perfect place for Tuna Fish Sandwich Thieves!

Shaggy: Like I didn't take your sandwich!

Me: Fred, Shaggy may be hungry all the time but he doesn't eat your sandwiches!

Fred: LIAR!

Me: Don't make me hurt you!

Fred: Well, who else could it be?

Vulkanus: Maybe the mascots. They're always hungry for good. And Scooby. And Dukey. And let's not forget Cyborg.

Scooby: I'm not supposed to eat fish.

Cyborg: And I eat meat a lot but I don't even like Tuna Fish.

Dukey: And I don't eat fish either.

Fred: Evidence doesn't lie.

Me: That may be true but Shaggy is telling the truth.

Fred: He's lying.

Shaggy: I didn't.

Fred: Yes you did.

Shaggy: I didn't.

Fred: Yes you did.

Shaggy: I didn't.

Fred: Yes you did.

POW!

I punched Fred in the face and gave him a black eye.

Nico: Knock it off Fred!

Eli: Shaggy is telling the truth.

Me: We'll worry about your insignificant petty sandwich another day. Next time I'll honk your nose and pull it.

We arrived at THE VAULT!

Me: Here we are.

Fred: Yeah it's a beauty.

Me: WOW!

Icepick: You weren't kidding about the layout!

Nico: Escape is practically impossible.

Varie: It sure is.

Camie: Wow.

Ice Demon: Having known Shaggy and Scooby for a long time, they'll probably want to chicken out.

Maria: Ice Demon, considering Fred's still mad at Shaggy, him chickening out might be a good thing.

Me: Yeah but I've known Fred since I was younger and he has been known to have a brain like that of a toad. (To Slippy) No offense.

Slippy Toad: None taken.

Nico: Yeah.

We went into the prison.

Me: Wow.

Varie: What a prison.

Laney: Yeah.

Nuova Shenron: Why's this place being closed down again?

William: Probably because there's no room in the world for two prisons called the Vault.

Me: Well that and the fact that it has something to do with some corruption going on. I have a spy in here that's trying to prove that.

Nico: Really?

?: That's right.

Out came a woman and it was Makina, former guard of Deadman Wonderland.

Nico: Makina.

Me: Yep.

Makina: I found out that Stealin Stan is trying to prove his innocence. He sent numerous alibi letters trying to corroborate that and I found this.

She pulled out a photo of Stealin Stan at a water park and it was dated on October 28th, 1990 at 12:27 PM, the same time where the heist he was accused of took place.

Nico: Someone framed him.

Me: Yes.

Makina: That's right. The Warden has been blocking his mail from being sent out.

Me: That's right.

Doctor Octopus: How have you been, Makina?

Makina: Great. But the Warden is the real culprit behind all this. He is the one that framed Stealin Stan for that heist. I found this.

She pulled out a video.

Nico: What's the video for?

Makina: This is CCTV footage of Warden Boeman robbing the bank back in 1990 and he was disguised as Stealin Stan.

She pulled out a costume of Stealin Stan.

Me: I knew there was something fishy of that Warden here from Day 1.

Camie: Yeah.

Tae Kwon Crow: You got that from underneath his nose?

Makina: I sure did.

Me: Makina is just as good at sniffing out corruption as she is at doing her job as a prison guard.

Nico: Wow that is great.

Laney: Yep.

Chalmers: It won't be long before the Warden finds out though.

Makina: I found out that the Ghost of Stealin Stan is running around here too. But it turns out Stealin Stan was never a ghost at all to begin with.

Me: That really pisses me off. Stealin Stan spent 32 years in prison for a crime he didn't commit.

Nico: And it was all because of the Warden.

Me: Yeah. Well done Makina.

Makina: Thanks J.D.

Kerchak: Before we continue though, Eli still needs to confirm something.

Maria: And that is?

Kerchak: Who ate Fred's Sandwich?!

Eli: And that was Daphne Blake. She ate it because she was hungry.

Daphne Blake: It's true. I was hungry.

Me: Oh Daphne, I have always known you love Tuna Fish but I would have gladly given you plenty of mine and I would have made you one if you were hungry. Besides stealing a Tuna Fish sandwich is just as petty as one of the oldest known crimes in the book: Stealing Candy from A Baby. (To Stewie) No offense Stewie.

Stewie: None taken J.D.

Dayu: I was pretty sure it was the mascots!

Poromon: Yeah and I usually eat sushi and beer.

Poliwag: We eat apples.

Horsea: Yeah.

Me: Well yeah and the mascots drink beer too.

Makina: Pokemon and Digimon that drink beer?

Me: Don't fucking ask.

Skullgrin: Fred, I think an apology is in order!

Fred: Oh you're right. I'm sorry I accused you Shaggy.

Shaggy: Like apology accepted.

Me: Fred has always been like that guys. Why do you think it says this in the National Exaggerator?

I pulled out a paper for the National Exaggerator and it had Fred's picture on it from back in his Middle School Days.

Nico: (Reading) "Really Dumb Guy Believes In Ghosts."

Qin: Wow.

Me: Yep.

Fred: You still have that J.D.?

Me: What can I say Fred?

Top: You need to apologize too, Daphne.

Daphne: Why?!

Maria: You caused this whole thing to begin with!

Me: Hey hey hey hey hey hey hey hey. Guys stealing a sandwich is not that big of a deal. Besides she was hungry and I would have gladly given her one.

Daphne: No Maria is right. I'm sorry Freddy. I was just really hungry and your sandwich was looking really tasty.

Fred: Aw it's all right Daphne.

Emma Gale: Besides I think it's awesome that Fred and Daphne love each other.

Me: Here Daphne.

I gave Daphne an Ultimeatum.

Daphne: Thank you J.D.

Beastbox: Now, should we go after the Warden or Stealin Stan?

Nico: Stealin Stan first.

Makina: The real Stealin Stan is in D-Block.

Me: That's home to the worst of the worst.

Nico: Then lets get going.

Shaggy: (Cowardly Whimpering) Like go there? No way! We are not going down there! No way, no how, no chance!

Scooby Doo: And you can't make us!

Erica Haddock: No… (Grabs them and lifts them up) But I can.

Shaggy: Like your girlfriend is really crazy Nico!

Erica Haddock: I get that a lot. Now lets go you chickens!

We went to D Block.

We arrived.

Nico: Here we are guys. Oh and Shaggy, Crow Hogan is Erica's girlfriend not me.

Shaggy: Huh? Oh sorry. Let me rephrase that. Like Your girlfriend is really crazy Crow!

Nico: That's better.

Mammoth: (gives Shaggy some burgers) Here are some burgers, Shaggy. Figures you could use some after the day you've had.

Shaggy: Like oh boy! Thanks Mammoth.

Mammoth: You're welcome.

They ate them.

We arrived at Stealin Stan's cell.

Me: Stealin Stan.

Stealin Stan: Team Loud Phoenix Storm!? Wow.

Me: Sorry to come by like this. But we know you are innocent. There's a ghost here that looks like you.

Stanley Stan: Oh thank you guys. Now I can get out of here after so long.

Me: 32 years has not been kind on you.

Eli: Yeah.

We smelled sea water.

Makina: Sea water smell. He's close.

Ravage: Entrance time.

I got Stan out of his cell and broke his shackles.

Me: There.

We hid.

Then a figure came and it was THE GHOST OF STEALIN STAN!

Me: There he is.

Nico: Lets do it.

We went at him and then the spirits of the ghosts of prisoners from over the years appeared and swirled around him and then converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and then we came out.

Me: Okay you so-called ghost! Time for us to pulverize your sea water smelling butt!

Artie Ziff: We're gonna mess you up so bad!

Me: And we're going to give you the worst garbage bath ever!

Eli: Yeah!

Qin: Get ready to burn!

Eli: Taste this!

Eli fired a wave of Force Lightning and electrocuted the ghost.

Then Bonz, Robo Roxy, Multiple Man, Boomerang, Red X, Trumbipular, Lythos, Titanium Man, Girder, and U Foes appeared.

Nico: Bonz, Robo Roxy, Multiple Man, Boomerang, Red X, Trumbipular, Lythos, Titanium Man, Girder, and U Foes.

Bonz: Looks like you guys solved the mystery of the sandwich.

Nico: (laughs) We sure did!

Daphne: Can we not make a big deal out of it?

Robo Roxy: Sorry. Just saying.

Daphne: Oh.

Multiple Man: Now, you just need to solve THIS mystery.

Me: Yep.

Boomerang: (To Nico) (Australian Accent) Heard you took Voldemort out.

Nico: Yep.

Red X: Was it a big battle?

Me: It sure was. And it was epic.

Then Gekkor appeared again.

Me: Another round Gokkor?

Gekkor: Yep.

Me: Cool.

Gekkor: It's been a while since my last battle, huh?

Sarah (EENE): It sure has been a while.

Me: You're not kidding there.

Caitlyn Laurence: Yeah.

Red X: Whoa is that Caitlyn?

Me: Yep. The Aparoids brought her back.

Varie: Yeah.

Red X: We haven't seen people brought back by the Aparoids in a while.

Nico: Yeah.

We then got the battles underway.

Nick: Her name is Kushina Hikatokage and she is a really awesome and amazing fan of Tokusatsu.

Twilight Sparkle: She introduced Lincoln to that show.

Starshine Sparkle: And she hates Flip with an intense burning passion.

---

Kushina Hikatokage: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Kushina, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Kushina Hikatokage: (Japanese Accent) That's incredible.

Nico: It sure is. So, Kushina, what's the story on why you hate Flip with a burning passion?

Kushina Hikatokage: (Japanese Accent) You're going to wish you guys had killed him when I tell you this story. One day, Lincoln and I were heading out to get some groceries at the grocery store and Lincoln had a shopping list his mom made, and I would be there to help him, since Leni, Luna, Laney, Lucy, Lana, and Lily were with their friends, and Lori, Lynn, Lola, Lisa, and Luan can never be trusted to do anything to help Lincoln and they still wanted to kill him, plus, they'd got grounded for the last time they tried to kill Lincoln. We'd gotten the groceries at the grocery store, but as we were about to leave the store and head for home, Lincoln caught the stench of someone who hadn't ever heard of a shower, and we saw who it was that never heard of a shower: it was Flip, Michigan's fat, ugly, smelly, mutant cheapskate, and he was out for revenge on Lincoln for ruining his scams and schemes to get rich and kill him, his family, friends, and J.D., and he was bellowing like a cow. But, we saw he wasn't alone, with him were Lori, Lynn, Lola, Lisa, and Luan, and Lincoln was pissed off when he saw them and with Flip no less. I saw his massive white angel wings spread out and a ball of rose red energy formed above his head and he fired six rose red energy blasts and one of them trapped Flip inside a rose red orb, but the other sisters dodged them. We attacked the five mean Loud Sisters, and when a drop of Lori's blood wound up on Lincoln and he tasted it, he saw into Lori's memory: he found out that Lori, Lynn, Lola, Lisa, and Luan broke out of their rooms, because of them hiring Flip, who busted out wanting revenge on Lincoln, his family, friends, and J.D. for ruining his scams, and Lori, Lynn, Lola, Lisa, and Luan paid a lot of money to kill Lincoln, his family, friends, and J.D.

We gasped in shock.

Nico: They did what?!

Me: Yeah, I was there the day that mutant broke out, but when Lincoln told me that Lori, Lynn, Lola, Lisa, and Luan paid Flip a lot of money to kill me, Lincoln, his family, and friends, that's crossing a big line.

Kushina Hikatokage: (Japanese Accent) Yep, and after we both roughed up, Lori, Lynn, Lola, Lisa, and Luan, Lincoln's massive white angel wings spread out and a ball of rose red energy formed above his head and he fired five rose red energy blasts and trapped them in five rose red orbs. We called the police and J.D. also had Flip hauled back to jail by throwing him inside a police wagon, and we then dragged Lori, Lynn, Lola, Lisa, and Luan back home, and we also told J.D. of what those five just did, and after we explained everything to Mr. and Mrs. Loud, the five mean sisters got grounded for nine weeks for what they did, not only for breaking their grounding but also for hiring Flip to kill Lincoln and everyone close to him for revenge.

We cheered for what Kushina and Lincoln did in stopping Flip, along with Lori, Lynn, Lola, Lisa, and Luan.

Nico: Whoa, so that's why you hate Flip with a burning passion. But, we can't blame you for that, we also hate Flip for trying to kill us all after his schemes to get rich and kill Lincoln and his friends and family and all of us have been foiled one after another.

Me: But, that moron's too stupid to realize that we're immortal and we can't die, but his greed has destroyed his sanity forever.

Kushina Hikatokage: (Japanese Accent) Stupid moron.

Eli: He sure is.

FLASHBACK ENDS

Boomerang: Wow! That stupid moron just won't quit.

Nick: No he sure won't.

Spyro: I just wish Flip would die already.

Nikila: Yeah we all do.

Nakiya: That monster deserves worse than the Black Gates for his crimes.

Lincoln and his harem: SCOOBY DOO MONSTER FINAL SMASH: MONSTER BALLROOM BLITZ!

The Scooby Doo Monsters showed up and attacked the Ghost of Stealin Stan and danced him around in a ballroom!

The blasts all hit the monster and smashed him down and he was down and we slapped the cuffs on him.

Trumbipular: Too bad this prison has to close now.

Lythos: It would've been an excellent prison for us.

Titanium Man: But at least there's the other Vault prison.

Girder: That's true.

Me: Don't worry guys. Our money will keep this prison going and it will be under our jurisdiction.

Ironclad: And this ghost has been defeated.

X Ray: Now, let's see who he really is.

I went over and pulled off his mask and it was really WARDEN WAYNE BOWMAN!

All of us: WARDEN WAYNE BOWMAN!?

Me: Just as we suspected.

Eli: Yep.

Trumbipular: But why would the warden do it?

Me: That's easy. He wanted to make sure that Stealin Stan was behind bars for good in the Vault. And this video explains it.

I showed the video and revealed that Bowman dressed up like Stealin Stan and pulled off that huge heist to frame him. It was a crime he didn't commit and Bowman wanted all that money all for himself. He stole $325,233,333.00 from 5 banks and framed him. The motive: Robbery. He wanted to frame Stan for his crime so that Bowman can get away Scot Free.

Trumbipular: You sir are a heartless scumbag.

Stealin Stan: I spent 32 years in here for your crimes!

Fred: That's right! You are the one that belongs in a cell Bowman!

Shaggy: Like evidence doesn't lie!

Scooby Doo: Word!

Wayne Bowman: And I would have gotten away with it too if it weren't for you meddling kids!

Me: Well you did get away with it for 32 years but the long arm of the law has caught up to you after 32 years. And I know this line is used a lot but Tell it To the Judge! Get him outta here.

The cops took him away.

Me: Hope you enjoy spending the rest of your life in a prison cell, you lowlife.

Nico: Yeah, see you never! Awesome job, guys, but we're not done yet, there's still the matter of Evil Midnight Sparkle to deal with, and that dark midnight unicorn should be arriving… right now!

?: You will all pay for ruining my plans to get rid of you, Team Loud Phoenix Storm!

Twilight Sparkle: I knew there's no mistaking that voice from anywhere. You can come out now, Evil Midnight Sparkle.

A figure came straight at us and was about to blast us, but Lincoln fired a blast of magic, and it hits the figure, and we saw who it was: it was Evil Midnight Sparkle.

Me: Evil Midnight Sparkle, I should've known you'd be the next one to show up.

Nico: We've already got Midnight Sparkle in The Masters of Evil, but now, we're going to get rid of you for good.

Evil Midnight Sparkle: You have ruined my plan to finally destroy you all, Creepy Apple, Fluttermad, Crazy Gem, Pinkie Dark, Black Rainbow, Solar Shimmer, Evil Vignette Valencia, and Gaia Everfree all failed in their attempt to get revenge on you for destroying us two years ago! Now, I will kill you all and I will lay waste to all of Equestria!

Evil Midnight Sparkle was about to fire a blast of magic from her horn, but Yumi Yamaguchi formed a shield made of magic, which deflected the blast and it hits Evil Midnight Sparkle.

Evil Midnight Sparkle: Who do you even think you are to get in my way?!

Yumi Yamaguchi: (Japanese Accent) Someone who refuses to let you hurt my friends any longer. (Pale light gray spring green energy aura flares up) I am Yumi Yamaguchi, Champion of Mistmane, One of the Legendary Pillars of Equestria and Sorceress Unicorn of Beauty, and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Beauty.

This horrified Evil Midnight Sparkle badly.

Evil Midnight Sparkle: Impossible, The Champions of Harmony have returned?!

Suddenly, Yumi Yamaguchi's pale light spring green eyes turned neon pale light spring green, and she was surrounded by a pale light gray spring green energy aura with Alicorns, magic, and mists, she unholstered her massive Sword of The Champion of Harmony from her back, and as she approached Evil Midnight Sparkle, she left pale light gray spring green energy, Alicorns, magic, and mists with every step.

Yumi Yamaguchi: (Japanese Accent) Evil Midnight Sparkle, I will never forgive you for the crimes you committed against Equestria, you are nothing more than an evil manifestation of the darkness that plagued Twilight Sparkle and caused her nothing but pain, and now, you will be purged from Twilight Sparkle and you shall be given the ultimate punishment for your crimes: death.

Suddenly, Yumi Yamaguchi was surrounded by a massive vortex of pale light gray spring green energy with magic and mists surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a light mulberryish gray phoenix. Then, as the vortex faded, Yumi Yamaguchi emerged, but she was changed forever.

Yumi Yamaguchi has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY MAGICAL BEAUTY MIST FRIENDSHIP

ALICORN ANGEL OF DIVINE NATURE BEAUTY JUSTICE AND DIVINE MIST MAGIC BEAUTY!

We were amazed by Yumi Yamaguchi's Super Angel-Alicorn Eternity Infinity transformation, but when Evil Midnight Sparkle saw it, she went berserk with rage, and with a sadistic grin on her face, she fired a blast of dark magic from her horn to kill her, but Yumi blocked it with her gold Elemental Shield of Harmony, and she fired a powerful pale spring green energy blast with mists, magic, and Alicorns at Evil Midnight Sparkle and it exploded with incredible power as it hit her, but she's not out yet.

Nico: Wow, Yumi Yamaguchi's transformed, that's really amazing.

Me: Yep, and now, it's Mistmane's turn.

Ken Knudson: This'll be a good one.

Yumi Yamaguchi: (Divine Echoing Cosmic Voice of The Beautiful Mist Alicorn and Divine Mist Magic Love) **That's right, Ken.**

Mistmane: Yes, and now it's my turn.

Suddenly, Mistmane's pale light light grayish cerulean eyes turned neon pale light light grayish cerulean, and she was surrounded by a pale light gray spring green energy aura with Alicorns, magic, and mists, she unholstered her massive Sword of The Knights of The Friendship Table from her back, and as she approached Evil Midnight Sparkle, she left pale light gray spring green energy, Alicorns, magic, and mists with every step.

Mistmane has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY MAGICAL BEAUTY MIST FRIENDSHIP ALICORN ANGEL OF DIVINE NATURE BEAUTY JUSTICE AND DIVINE MIST MAGIC BEAUTY!

Rarity: My word, now Mistmane has transformed, truly amazing.

Nico: You said it, Rarity.

Me: Now, the fight to purge the darkness from Twilight Sparkle is about to begin.

Mistmane: (Divine Echoing Cosmic Voice of The Beautiful Mist Alicorn and Divine Mist Magic Love) **That's right, J.D. Lincoln, Yumi, shall we show this master of midnight magic what happens when she dares to use dark magic to harm and torment others?**

Lincoln: (Smiles) Of course, Mistmane.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Mistmane and Yumi Yamaguchi.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You've terrorized and tormented my future wife, Twilight Sparkle, for far too long, Evil Midnight Sparkle, now, we shall purge her of the very darkness that has tormented her.**

Yumi Yamaguchi, Mistmane, and Lincoln went after Evil Midnight Sparkle, who continued firing blasts of dark magic at them, but they've blocked and deflected them all, and they fired powerful blasts of rainbow energy, pale light spring green energy, green magic mists, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Evil Midnight Sparkle, and they exploded with incredible power as they hit her. Then, they attacked her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it burned her badly, and the wounds she suffered would never heal.

Then, Lincoln made a binding circle which bound Evil Midnight Sparkle to the ground, so she can't be able to escape. Then, Yumi

Yamaguchi, Mistmane, and Lincoln made a spring green mist of magic and they fired it and it surrounded Evil Midnight Sparkle, and its healing magic was purging her of her dark powers and it took the form of a dark purple orb, which was eventually purified, and it became light purple with Twilight Sparkle's cutie mark, and it went into Twilight Sparkle, and she gained a massive power boost, and Evil Midnight Sparkle felt her powers weakening as the very darkness that plagued Twilight Sparkle was purged for good.

That allowed Yumi Yamaguchi, Mistmane, and Lincoln to finish Evil Midnight Sparkle off by firing powerful energy beams and as they hit Evil Midnight Sparkle, and they exploded with incredible power, killing her for good. We cheered wildly for what Yumi Yamaguchi, Mistmane, and Lincoln did as they holstered their massive greatswords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Yumi Yamaguchi and Mistmane are permanent.

Then, as Evil Midnight Sparkle's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and Evil Midnight Sparkle's spirit as surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found him guilty of his crimes, and the energy images of The Mane 12 aimed their horns at Evil Midnight Sparkle and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Evil Midnight Sparkle.

Lincoln: Evil Midnight Sparkle, for the multitude of crimes you've committed against Equestria, along with the pain and suffering that you caused to Twilight Sparkle, you have been found guilty, and the punishment for your crimes is death.

This horrified Evil Midnight Sparkle as she soon saw her days of chaos and havoc are about to come to an end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL

JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Evil Midnight Sparkle's spirit, they exploded with incredible power and her evil spirit was condemned to The Black Gates, and he was fading away.

Evil Midnight Sparkle: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

Evil Midnight Sparkle's spirit was erased from existence by the spirits of all those she's hurt, and she'll never return to hurt anyone again. THE DARK MIDNIGHT MAGIC TERROR OF EVIL MIDNIGHT SPARKLE HAS FINALLY BEEN BROUGHT TO AN END!

Nico: Now, that's what I call one awesome magical battle.

Me: You said it, nice job, guys.

Lincoln: Thanks, J.D.

Nico: And not only did we solve the mystery of The Ghost of Stealin Stan in The Vault and put the culprit behind bars, and we got rid of Evil Midnight Sparkle.

Lincoln: Which means, the next member of The Doomsday 23 to take down and destroy tomorrow is The Sphinx.

Nico: That evil, power-hungry bad cat that Somnambula faced long ago.

Emily Gordan: Yes, and that'll be left to me, Flash Magnus, and

Lincoln.

Lincoln: That's right, Emily.

Flash Magnus: This is going to be so awesome taking down The Sphinx, but this time, we're going to send that power-hungry winged bad cat packing for good.

Rainbow Dash: This is going to be so awesome, and I can also guess Lincoln learned a lot from you, right, Flash Magnus?

Flash Magnus: You just have to wait until tomorrow to find out, Rainbow Dash.

Just then, Twilight Sparkle ran over to Lincoln, and she wrapped her arms around his thick muscular neck and Lincoln wrapped his abnormally massive and powerful muscular arms around Twilight Sparkle and hugged her.

Twilight Sparkle: (Smiles) Thank you, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Twilight.

Thunder Sparkle: Dad's freed Mom from the darkness that haunted her, wow.

Nico: Yeah, and now, she'll never be tormented again.

Me: Yep.

Stealin Stan: Thank you guys so much for clearing my name.

Me: It was our pleasure Stan. I can't believe that the Warden stole 32 years of your life.

Stealin Stan: Yeah no kidding. But now the real monster is going to prison.

Qin: Yep.

Laney: Well he will have all the time in the world to think about his crimes.

Me: As he is serving life in prison without parole.

Nico: Yep. But great job today guys. Lets head to Washington DC and tell everyone that Stealin Stan is innocent.

Me: Good idea. But Makina deserves some of the credit. She helped this case the most.

Nico: That's true.

Twilight Sparkle: (To the viewers) This was an awesome prison adventure. Hope you all liked it.

Nico: I know we all did.

We went to Washington DC and called a press conference and told everyone about Stan's innocence and how Wayne Bowman framed him for a crime he didn't commit and how he stole 32 years from him by Bowman. He was dropped of the charges and his record was cleaned and expunged. He was awarded $520,000,000,000.00 in damages. The Vault was placed into our jurisdiction and is now rebuilt and made better than ever. We put it on Lake Huron and we also made it into a prison museum too. Wayne Bowman was stripped of his title and was found guilty of armed robbery, theft, corruption, abuse of power, obstruction of justice and perverting the course of justice. He was sentenced to 4 life sentences with no possibility of parole plus 821 years and was ordered to pay $1,523,233,235,664.00 in damages and restitution. We enjoyed the rest of the day and went to sleep.

Nico: This treasure hunt is gonna be so awesome.

Qin: It always is fun.

Daring Do: And you guys are going to love the treasure we're trying to find too.

Laney: Awesome.

Devon: I have a feeling this is gonna be an awesome one.

Nico: Thanks for coming with me, Devon.

Devon: No problem Nico. This is gonna be so awesome.

Cheetor: Yeah it is! I think it will be so awesome to go on a great treasure hunt.

Laney: Yeah. By the way Nicole what is our quarry this time?

Nicole: You guys will love this one. We're going to find the mystical Emerald Book of Osiris. It's the legendary book that is said to give life to anything and even can revive the dying and cure all diseases they have.

Nico: Wow!

Laney: That sounds awesome!

Camie: Yeah! Boy that book sounds amazing.

Toru: It sure does.

Nico: Devon, I bet you were surprised to find out that Evox was Venjix all along.

Devon: I was.

Me: It's not just you Devon. MANY of us were shocked that Evox and Venjix were both one in the same.

Eli: Boy no kidding. That was intense!

Twilight Sparkle: Yeah what an incredible revelation.

Brittney: Yeah no kidding. And after all the shit he put Scott and the RPM Rangers through on their world, it's good we destroyed him.

Me: It sure is. But there is a strong possibility that he will return in the future. But we're going to give him the Black Gates next time.

Nico: One thing at a time. But yeah we definitely will.

Nico: Also, I heard you guys fought that other Robotron the other day.

Devon: Don't worry. It was nothing we couldn't handle.

Me: That was so awesome though.

Laney: Yeah it sure was.

I looked at Nami.

Me: Nami are you okay?

Nami: (Crying) J.D. I'm so sorry.

Me: What for?

She then hugged me and cried hard and I comforted her.

Me: It's all right Nami.

Her arm was really bandaged up from stabbing it all over.

I patted her back.

Maria: Now, we have 2 Vault prisons.

Nico: Boy we sure do. And that was an awesome mission yesterday.

Eli: I got a call from Daphne earlier around breakfast and she said that she has something really awesome to show us later today.

Nico: I have a feeling this is gonna be cool.

Me: It sure will be.

Nami: (Sniffles) J.D. I didn't mean to make you mad like that.

Me: It's not your fault Nami. You were upset about what went down with Arlong.

Qin: Yeah it was awful.

Varie: But you're lucky you didn't sever a major artery Nami.

Camie: Yeah.

May: And we also know who ate Fred's sandwich.

Nico: We sure do.

Me: And that was understandable. Besides I gave Daphne my burger. I was saving it for my lunch and I didn't really need it. I had a big bowl of cereal with pancakes and eggs for breakfast.

Nico: That's very thoughtful.

Me: Thanks.

Nico: I was pretty sure it was the mascots though.

Maria: So did I. But thank goodness it wasn't.

Eli: You know I can always tell who it is right away.

Sunset Shimmer: And you know that I would have done the same thing too because of my memory probing powers.

Nico: That's true. I forgot about that.

Me: But yeah. So Nicole where is the Emerald Book of Osiris said to be at?

Nicole: It's located in an underground temple in the Oasis of Ahm Shere.

Qin: Whoa! This is gonna be interesting.

Maria: I doubt we're the only ones after it though.

Me: I got that feeling too.

Nicole: We're here.

We arrived in the Oasis of Ahm Shere.

Camie: Wow! So this is the Oasis of Ahm Shere?

Nico: Yep.

Me: This is also the very same place where my Ancestor The Scorpion King made a pact with Anubis to save his life.

Qin: Yep.

Nico: I remember that.

Me: Yeah. That was an epic battle back then.

Qin: It sure was.

Laney: Yeah.

We flew down into the Oasis and it was a beautiful jungle.

Fluttershy: Oh wow. This jungle is amazing.

Nico: It sure is.

May: It's around here somewhere.

Nicole: It's just up ahead.

We then saw a HUGE EMERALD TEMPLE!

Nico: WOW!

Nicole: There it is guys. The Emerald Temple of Osiris.

Nico: Wow!

Eli: It's magnificent.

Laney: Yeah!

Rarity: Oh this is amazing!

Varie: Boy it sure is!

Nico: Let's watch out for traps.

We went into the temple and it was beautiful. It was a temple made entirely out of emerald and green diamond and malachite.

Qin: Wow! This is incredible.

Laney: It sure is.

Nico: Wow.

Nicole: Look here.

We saw a mural on the wall.

Nicole: Wow this is amazing.

Qin: What does this Mural say?

Me: Lets see. It says "5,000 years ago in the year 3,060 B.C., The Scorpion King led a vicious campaign to conquer the known world but was defeated and exiled into the desert of Ahm Shere. When he made a pact with the God of The Dead, Anubis, and created the Oasis of Ahm Shere, the great God of Life, Osiris could not stand the terrible atrocities brought forth by the malevolence of the evil deeds of the Scorpion King and made this emerald temple here in the Oasis of Ahm Shere where he made the brought forth the Emerald Book of Osiris, a mystical and magical book that can bring life to all and cure the dying and save those that are pure and good. Only one soul that is pure of heart can use the book."

Nico: Wow! That is amazing.

Cheetor: It sure is. It's hard to imagine that this evil version of J.D.'s ancestor was that dangerous.

Nico: Hard to say who gets it this time.

Me: But I think I do know a good candidate.

I looked at Fluttershy.

Fluttershy: Oh me?

Nico: Sure Fluttershy. You are the element of Kindness and you are one of the most pure of heart people we know. You have done so much good for all the animals and your friends and have done so much good for Equestria and us.

Qin: Yeah.

Fluttershy: Oh thank you everyone. I will try.

Nico: Give it a shot, Fluttershy.

Fluttershy: Okay.

We went to find the book and in a huge room overflowing with life and beauty of nature on an alter was a green emerald book.

Nicole: There it is. The Emerald Book of Osiris.

Daring Do: At long last.

Fluttershy: Here goes.

She went up to the book and then picked it up and then she was enveloped in a powerful bright light!

(ESCAFLOWNE FOX KIDS INTRO EXTENDED PLAYS)

The incredible amount of power coming from the book and Fluttershy was unbelievable! It was an amazing amount of energy. Suddenly, Fluttershy was surrounded by a massive vortex of green energy with leaves, flowers and plants surrounding the vortex, there are butterflies flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Fluttershy emerged, but she was changed forever. Fluttershy grew from 6'5" to 7'1" in height, she had the body of a goddess, she had neon green eyes and a green energy aura with forest animals, plants, and leaves surrounding her, she has an alicorn with leaves emblazoned on her forehead, she has on alicorn earrings with the Nature Kanji in its hooves on her ears, her golden Amulet of Life has green gems in the gold lightning bolts from her merged Thunderbird Necklace of Eternal Love and green crystals embedded in it because her Crystal Necklace of the Buddha merged with it, and in addition to the gold Thunderbird pendant, she now has an alicorn and they're holding the Nature Kanji. Suddenly, Fluttershy felt a sharp pain on her back, and then, massive yellow angel wings with pink tips on the yellow feathers, sprouted out from her back, Fluttershy has on her Ring of the Phoenix with large pink gem on her left ring finger and Yellow Lantern ring on her right ring finger.

Suddenly, Fluttershy's massive Sword of the Knights of The Friendship Table, Destroyer of The Armageddon 23, and Sword of Kindness began merging together, and when it emerged, it was transformed into the Nature Sword of Magical Kindness, it's a brand-new large sword with a 6'5" massive, wide, double-edged yellow blade with her cutie mark and leaves etched on the blade, large yellow angel wings for the crossguard, large light pink gem embedded in the rainguard, longer black handle, and large yellow alicorn heads with pink gems for eyes for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with light pink gems on her wrists, her Belt of Elemental Bravery with an alicorn for the belt buckle and pink gems for the eyes and a large green gem in its collar for the belt buckle on her waist, large green Spellbook of the Gods and the Universe and large pink Spellbook of the Elemental Gods on her left hip and Eater of Sins revolver holstered on her right hip. There's a pink kanji below the Alicorn that says, "Fluttershy, Xelnaga Alicorn Princess of Kindness and The Life Skylanders, Loving Mother of the Children of Lincoln Loud, Loving Future Wife of Lincoln Loud, Lover and giver of all creatures and animals great and small on Earth and in the Stars, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of The Doomsday 23, Defender of the land of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, and Master of Nature, Animals, and Plants."

Fluttershy had transformed into a SUPER ANGEL-ALICORN-XELNAGA INFINITY ANIMAL KINGDOM LIFE ALICORN ANGEL OF ETERNAL KINDNESS AND ETERNAL LOVE!

We were amazed by Fluttershy's awesome and beautiful Transformation!

Qin: WHOA!

Me: Wow! Fluttershy transformed!

Laney: Amazing!

Maria: How do you feel?

Fluttershy: (Divine Echoing Cosmic Voice of The Kindness Alicorn and Divine Love) **I feel incredible, Maria.**

Qin: Wow! You are the first of the Elements of Harmony to achieve the Xelnaga form.

Varie: This is amazing.

Camie: Yeah it sure is.

Eli: Wow.

Fluttershy: **Oh it sure is.**

Nico: I guess no one's coming for the book.

Me: Nope.

Eli: (Senses something) We got company.

Then we saw a figure come in and it was a black version of Shocksquatch!

Qin: Whoa! Another Shocksquatch!

Nico: This one is gonna be big.

Devon: Yeah it is.

Another Shocksquatch: (Speaking in Ukrainian) (In a Girls Voice) Чудово, що ви всі прийшли сюди раніше за мене. (Чудово, що ви всі прийшли сюди раніше за мене.)

Me: (Gasp) I know that voice. (Speaking in Ukrainian) Ксенія Заплюсвічка, приємно тебе знову бачити, але точно не очікувала побачити тебе такою. (Xenia Zapliuisvichka, it's good to see you again but I most definitely did not expect to see you like this.)

Another Shocksquatch: Я теж радий тебе бачити, Дж. Д. Після всього цього часу ти виглядаєш чудово. (It's good to see you too J.D. You are looking very great after all this time.)

Albedo turned into Negative Shocksquatch.

Negative Shocksquatch: What's your history with this girl, J.D.?

Me: Her name is Xenia Zapliuisvichka and she is from the Ukraine. She is a Catholic Girl that I know and I met when our school was having an International Food Festival. We had kids from all over the world come to our school and present foods from their countries and everyone loved it and thought it was all amazing. She made Ukrainian Red Borscht Soup.

Nico: Boy that is awesome.

Another Shocksquatch: Так, це були справді чудові страви з усього світу. (Yes those were really awesome dishes from all over the world too.)

Me: Так, вони були одними з найкращих за всю історію. І було неймовірно куштувати багато страв з різних куточків світу. Особливо, коли я і моя родина любимо подорожувати. (Yes they were some of the best ever. And it was awesome tasting many foods from different places all around the globe. Especially when me and my family love to travel.)

Nico: That is so cool.

Me: Oh Xenia doesn't speak English. I never got the chance to teach her unfortunately.

Nico: That sucks. We'll have to teach her later on.

Me: Що тобі обіцяв Шварц? (What did Swartz promise you?)

Another Shocksquatch: Він пообіцяв дати мені можливість говорити англійською і краще розуміти вас. Але я з першої хвилини знав, що він бреше. (He promised to give me the ability to speak in English and understand you better. But I knew that he was lying from minute one.)

Me: Ви знаєте, я можу легко навчити вас говорити англійською, і ми з радістю допоможемо вам у цьому. (You know I can easily teach you how to speak English and we can gladly help you out with that one.)

Kaito: (takes out Zyuranger gear) Sorry we have to do this.

Zocks: (takes out Jetman gear) If you're lucky, you might be able to knock out a few of us.

Me: Ксенія, мені шкода, що нам доводиться так боротися, але це єдиний спосіб позбутися цієї жахливої сили, яку дав тобі Шварц. (Xenia I'm sorry we have to fight like this but it's the only way to remove this terrible power that Swartz gave you.)

Another Shocksquatch: Я розумію, Джей Ді. Вдари мене найкращим ударом! (I understand J.D. Hit me with your best shot!)

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Kaito got a sword of Zyuranger and Zocks got a Jetman sword!

Cheetor: This is always going to be fun. Cheetor, MAXIMIZE!

He transformed!

Me: (Pulls out Muggshot's Ridewatch) Time for the Bulldog Bash! (Activates it)

(WHITE FLAG BY DIDO PLAYS)

Me: (SINGING DIVINELY AS MUSICAL NOTES AND FIRE SWIRLS AROUND ME)

I know you think that I shouldn't still love you

Or tell you that

But if I didn't say it, well, I'd still have felt it

Where's the sense in that?

I promise I'm not trying to make your life harder

Or return to where we were

But I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

I know I left too much mess and destruction

To come back again

And I caused nothing but trouble

I understand if you can't talk to me again

And if you live by the rules of "it's over"

Then I'm sure that that makes sense

But I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

And when we meet

Which I'm sure we will

All that was there

Will be there still

I'll let it pass

And hold my tongue

And you will think

That I've moved on

I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

I danced and fired waves of music and fired waves of fire too and smashed her down. Then Another Shocksquatch got up and fired waves of lightning and I deflected the blast back with my scythe!

Nico: WHOA! Powerful!

Me: Yep. Now for this one. (Activates Sir Raleigh's Ridewatch)

(HIJO DE LA LUNA BY SARAH BRIGHTMAN PLAYS)

Me: (SINGING IN SPANISH AS MOONLIGHT AND WATER SWIRLS AROUND ME)

Tonto el que no entienda.

Cuenta una leyenda

Que una hembra gitana

Conjuró a la luna

Hasta el amanecer.

Llorando pedía

Al llegar el día

Desposar un calé.

"Tendrás a tu hombre,

Piel morena, "

Desde el cielo

Habló la luna llena.

"Pero a cambio quiero

El hijo primero

Que le engendres a él.

Que quien su hijo inmola

Para no estar sola

Poco le iba a querer."

Luna quieres ser madre

Y no encuentras querer

Que te haga mujer.

Dime, luna de plata,

Qué pretendes hacer

Con un niño de piel.

A-ha-ha, a-ha-ha,

Hijo de la luna.

De padre canela

Nació un niño

Blanco como el lomo

De un armiño,

Con los ojos grises

En vez de aceituna -

Niño albino de luna.

"¡Maldita su estampa!

Este hijo es de un payo

Y yo no me lo callo."

Luna quieres ser madre

Y no encuentras querer

Que te haga mujer.

Dime, luna de plata,

Qué pretendes hacer

Con un niño de piel.

A-ha-ha, a-ha-ha,

Hijo de la luna.

Gitano al creerse deshonrado,

Se fue a su mujer,

Cuchillo en mano.

"¿De quien es el hijo?

Me has engañado fijo."

Y de muerte la hirió.

Luego se hizo al monte

Con el niño en brazos

Y allí le abandono.

Luna quieres ser madre

Y no encuentras querer

Que te haga mujer.

Dime, luna de plata,

Qué pretendes hacer

Con un niño de piel.

A-ha-ha, a-ha-ha,

Hijo de la luna.

Y en las noches

Que haya luna llena

Será porque el niño

Esté de buenas.

Y si el niño llora

Menguará la luna

Para hacerle una cuna.

Y si el niño llora

Menguará la luna

Para hacerle una cuna.

I danced and fired waves of water and moonlight and smashed her down.

Nico: YEAH!

Carol: Love that song!

Me: And to finish. (ACTIVATES MZ. RUBY'S RIDEWATCH)

(FIGLIO PERDUTO BY SARAH BRIGHTMAN PLAYS)

Me: (SINGING IN ITALIAN AS DARKNESS AND MOONS SWIRL AROUND ME)

Muri die vento

Notte è scesa

Padre e figlio sono insiem

Con un cavallo

Vanno avanti

In questa grande oscurità

Ma ad un tratto

Il bimbo trema

Dalla paura

Freddo si fa

Padre oh padre

Tu non hai visto

Re degli elfi

Eccolo la

Figlio perduto,

Vuoi far un gioco?

Gioia ti porto

Vieni con me

Padre oh padre

Hai già sentito

Cosa mi dice

E che vuol' far'?

Figlio perduto

Se tu non vieni

Io userò la forza che ho

Padre oh padre

Re degli elfi

Mi sta toccando

Male mi fa

E il bambino,

Con occhi chiusi

Lui non si muove

Perso è già

Figlio

Figlio perduto

Se tu non vieni

Io userò la mia forza

Padre oh padre

Re degli elfi

Mi sta toccando

Male mi fa

E il bambino,

Con occhi chiusi

Lui non si muove

Perso è già

Perso è già

I danced and fired waves of energy and darkness and smashed her down.

Sougo: (gets out Ex Aid Ridewatch) You're a Catholic, right?

Armor Time! (Retro video game-themed music) Level Up! Ex-Aid!

Geiz (gets out Cross Z Ridewatch): Does that mean you go to church a lot?

Armor Time! Wake up burning! Cross-Z!

Sougo got out Ex Aid Armor while Geiz got Cross Z Armor.

Me: Yes she is a very devoted Catholic. But she is not a Catholic Fanatic like some people that we knew thank goodness.

Nico: That's a relief.

Me: Yeah.

Lily: I got one. (Activate Angel Roidmude's Ridewatch)

(MISERE MEI AND BEAUTIFUL BY SARAH BRIGHTMAN PLAYS)

Lily: (DIVINE CHORUS AND SINGING DIVINELY AS LIGHT SWIRLED AROUND HER)

Amplius lava me ab iniquitate mea

Et a peccato meo munda me.

If you can depend

On certainty

Count it out and weigh it up again

You can be sure

You've reached the end

And still you don't feel

Do you know you're beautiful

Do you know you're beautiful

Do you know you're beautiful

You are, yes, you are, yes, you are

If you can ignore

What you've become

Take it out and see it die again

You can be here

So who's a friend

And still you don't feel

Do you know you're beautiful

Do you know you're beautiful

Do you know you're beautiful

You are, yes, you are, yes, you are

Yes, you are

Innermost thoughts

Will be understood

And you can have all you need

Do you know, do you know

Do you know you're beautiful

Do you know you're beautiful

Do you know you're beautiful

You are, yes, you are, yes, you are

Do you know you're beautiful

Do you know you're beautiful

Do you know you're beautiful

You are, yes, you are, yes, you are

Yes, you are

She floated into the air and spread wings of light and fired waves of light and smashed Another Shocksquatch down.

Nico: That was awesome Lily!

Me: Yeah it was!

Shinnosuke: Wow! That was great Lily.

Lily: Thanks.

Nico: (takes out Dark Spicer's Ridewatch) Here's your warning: Your ass is about to be kicked!

Nico activated it and got Alien Ξ's powers and fired waves of energy and smashed her all over.

Laney: I have one. (ACTIVATES LEAF MAN'S RIDEWATCH)

(PLACE IN THIS WORLD BY MICHAEL W SMITH PLAYS)

Laney: (SINGING DIVINELY AS LEAVES SWIRL AROUND HER)

The wind is moving

But I am standing still

A life of pages

Waiting to be filled

A heart that's hopeful

A head that's full of dreams

But this becoming

Is harder than it seems

Feels like

I'm looking for a reason

Roaming through the night to find

My place in this world

My place in this world

Not a lot to lean on

I need your light to help me find

My place in this world

My place in this world

If there are millions

Down on their knees

Among the many
Can you still hear me?
Hear me asking
Where do I belong?
Is there a vision
That I can call my own?
Show me
I'm looking for a reason
Roaming through the night to find
My place in this world
My place in this world
Not a lot to lean on
I need your light to help me find
My place in this world
My place in this world
Looking for a reason
Roaming through the night to find
My place in this world
My place in this world
Not a lot to lean on
I need your light to help me find
My place in this world

My place in this world

Looking for a reason

Roaming through the night to find

My place in this world

My place in this world

She fired leaves and smashed Another Shocksquatch down.

Me: That was awesome Laney!

Starlight Glimmer: I got one! (Activates Ghost Man's Ridewatch) Ready Lincoln?

Lincoln: You got it!

(THE PHANTOM OF THE OPERA BY SARAH BRIGHTMAN PLAYS)

Starlight Glimmer and Lincoln sang a duet.

Starlight Glimmer: (SINGING DIVINELY AS SKULLS AND BONES SWIRLED AROUND HER)

In sleep he sang to me

In dreams he came

That voice which calls to me

And speaks my name

And do I dream again?

For now I find

The Phantom of the Opera is there

Inside my mind

Lincoln: (SINGING DIVINELY AS LIGHTNING SWIRLS AROUND HIM)

Sing once again with me

Our strange duet

My power over you

Grows stronger yet

And though you turn from me

To glance behind

The Phantom of the Opera is there

Inside your mind

Starlight Glimmer:

Those who have seen your face

Draw back in fear

I am the mask you wear

Lincoln:

It's me they hear

Starlight and Lincoln:

Your/my spirit and your/my voice

In one combined

The Phantom of the Opera is there

Inside your/my mind

Chorus:

He's there

The Phantom of the Opera

Beware

The Phantom of the Opera

Lincoln:

In all your fantasies

You always knew

That man and mystery

Starlight Glimmer:

Were both in you

Starlight and Lincoln:

And in this labyrinth

Where night is blind

The Phantom of the Opera is there

Inside your/my mind

Lincoln:

Sing, my angel of music

Starlight Glimmer:

He's there, the Phantom of the Opera

Lincoln:

Sing

Sing for me!

Sing my angel of music!

Sing for me!

(BLOODCURDLING SCREAM)

They danced and fired waves of lightning and skulls and smashed Another Shocksquatch down.

Nico: OH YEAH!

Me: (SHIVERS) Every time I hear that scream at the end I always get shivers down my spine.

Devon: My turn!

Devon activated Whiplash's Ridewatch!

Through rain and wind and weather

Hell-bent for leather

Wishin' my gal was by my side.

All the things I'm missin'

Good vittles, love, and kissin'

Are waiting at the end of my ride.

Move 'em on, head 'em up

Head 'em up, move 'em on

Move 'em on, head 'em up

Rawhide (WHIP CRACK)

Cut 'em out, ride 'em in,

Just rope, and throw, and brand 'em

Soon we'll be living high and wide.

My heart's calculatin'

My true love will be waitin'

Be waiting at the end of my ride.

Move 'em on, head 'em up

Head 'em up, move 'em on

Move 'em on, head 'em up

He danced and lashed Another Shocksquatch all over with his whip and fired rock and cows and smashed her down.

Sougo charged at Another Shocksquatch.

He grabbed her and knocked her down with incredible strength!

Me: YEAH!

Maria: Let's keep it up! (ACTIVATES SHENDU'S RIDEWATCH)

(LIKE A PRAYER BY MADONNA PLAYS)

Maria: (SINGING DIVINELY AS FIRE SWIRLS AROUND HER)

Life is a mystery

Everyone must stand alone

I hear you call my name

And it feels like home

When you call my name it's like a little prayer

I'm down on my knees, I wanna take you there

In the midnight hour I can feel your power

Just like a prayer you know I'll take you there

I hear your voice

It's like an angel sighing

I have no choice, I hear your voice

Feels like flying

I close my eyes

Oh God I think I'm falling

Out of the sky, I close my eyes

Heaven help me

When you call my name it's like a little prayer

I'm down on my knees, I wanna take you there

In the midnight hour I can feel your power

Just like a prayer you know I'll take you there

Like a child

You whisper softly to me
You're in control just like a child
Now I'm dancing
It's like a dream
No end and no beginning
You're here with me it's like a dream
Let the choir sing
When you call my name it's like a little prayer
I'm down on my knees, I wanna take you there
In the midnight hour I can feel your power
Just like a prayer you know I'll take you there
When you call my name it's like a little prayer
I'm down on my knees, I wanna take you there
In the midnight hour I can feel your power
Just like a prayer you know I'll take you there
Life is a mystery
Everyone must stand alone
I hear you call my name
And it feels like home
Just like a prayer, your voice can take me there
Just like a muse to me, you are a mystery
Just like a dream, you are not what you seem

Just like a prayer, no choice your voice can take me there

Just like a prayer, I'll take you there

It's like a dream to me

Just like a prayer, I'll take you there

It's like a dream to me

Just like a prayer, I'll take you there

It's like a dream to me

Just like a prayer, I'll take you there

It's like a dream to me

Just like a prayer, your voice can take me there

Just like a muse to me, you are a mystery

Just like a dream, you are not what you seem

Just like a prayer, no choice your voice can take me there

Just like a prayer, your voice can take me there

Just like a muse to me, you are a mystery

Just like a dream, you are not what you seem

Just like a prayer, no choice your voice can take me there

Your voice can take me there

Like a prayer

Just like a prayer

Just like a prayer, your voice can take me there

Just like a prayer

Just like a prayer, your voice can take me there

She fired fireballs and they hit Another Shocksquatch and smashed her all over.

Eli spun around fast like a tornado and fired waves of wind and smashed Another Shocksquatch down with wind.

When Eli stopped he was dizzy as all get out!

Me: Whoa! That was moving so fast my head was spinning. But I love that song.

Another Shocksquatch fired a lightning blast at us.

I blocked the blast with my hands and deflected the blast back and smashed her down.

Qin: YEAH! I got one. This is for the awesome Davy Jones. (ACTIVATES CAPTAIN COLD'S RIDEWATCH)

(I CAN MAKE YOU HAPPY BY AUSTIN ROBERTS PLAYS)

Qin: (SINGING DIVINELY AS ICE SWIRLS AROUND HER)

I know a place where I am going

And the place where I am going's

Just around the bend

And you know

There's a lot that I can show you

And if you wanna go there I can get you in.

"Happy" is the secret word

And if you're happy it will get you through

And I love you, ya know it's true

And I can make ya happy if ya love me too.

(Instrumental)

The things that you see

You've only been dreaming

But I can make your dreams come true

Cause I love you, ya know it's true

And I can make ya happy if ya love me too.

I know a place where I am going

And the place where I am going's

Just around the bend

And you know

There's a lot that I can show you

And if you wanna go there I can get you in.

"Happy" is the secret word

And if you're happy it will get you through

And I love you, ya know it's true

And I can make ya happy if ya love me too.

She danced and fired waves of ice and smashed Another Shocksquatch down.

Nico: OH YEAH!

Maria: Love that one!

May: Let's keep going!

Brittney: You don't have to tell me twice! (ACTIVATES COUNT MARZO'S RIDEWATCH)

(OUR SOLEMN HOUR BY WITHIN TEMPTATION PLAYS)

Brittney: (SINGING DIVINELY AS DARKNESS SWIRLS AROUND HER)

Sanctus Espiritus redeem us from our solemn hour

Sanctus Espiritus insanity is all around us

Sanctus Espiritus! Sanctus Espiritus! Sanctus Espiritus!

In my darkest hours I could not foresee

That the tide could turn so fast to this degree

Can't believe my eyes

How can you be so blind?

Is the heart of stone, no empathy inside?

Time keeps on slipping away and we haven't learned

So in the end now what have we gained?

Sanctus Espiritus, redeem us from our solemn hour

Sanctus Espiritus, insanity is all around us

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony?

Are they themselves to blame, the misery, the pain?

Didn't we let go, allowed it, let it grow?

If we can't restrain the beast which dwells inside

It will find it's way somehow, somewhere in time

Will we remember all of the suffering

'Cause if we fail it will be in vain

Sanctus Espiritus, redeem us from our solemn hour

Sanctus Espiritus, insanity is all around us

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony

Sanctus Espiritus, redeem us from our solemn hour

Sanctus Espiritus, insanity is all around us

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony

Sanctus Espiritus, redeem us from our solemn hour (Solem hour)

Sanctus Espiritus, insanity is all around us (All around us)

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony

She danced and fired waves of magic and darkness and smashed Another Shocksquatch down!

Me: Oh yeah! I heard that song play on a music video for Dead Fantasy. That was epic!

Qin: Yeah it was!

Laney: Yeah!

But then a siren song was heard.

Me: Do you guys hear that?

We heard the song and it was mesmerizing.

Qin: Yeah I hear it.

Then a Mega Meloetta appeared!

Me: Wow! A Mega Meloetta!

Nico: Wow!

She fired a wave of energy and blasted Another Shocksquatch down and I caught the Ridewatch and purified it and went over to Xenia.

Me: Ксенія, з тобою все добре? Сподіваюся, ми не надто вас образили. (Xenia are you all right? I hope we didn't rough you up too much.)

Xenia Zapliuisvichka: (GROANS) У мене найсильніший головний біль. (I have got the worst ever headache.)

Me: Але принаймні ти повернувся до нормального життя. Дякуємо нашому таємничому другу Мелоетті. Вона тебе врятувала. (But at least you're back to normal now. Thanks to our mysterious Meloetta friend here. She saved you.)

Nico: Yeah we owe you one.

Mega Meloetta: (In a girls voice) It was nothing guys.

Nico: Sirena Cammilton? Wow!

She reverted back and we saw that she was a girl with aqua blue hair and clothes and had green wings.

Sirena Cammilton: Looks like the fun just finished.

Nico: Yeah but you got a good shot in.

Me: You sure did.

I picked Xenia up.

She was a girl with orange hair and a Russian Fur hat and had orange clothes.

Nico: We can give you English lessons if you want.

Xenia Zapliuisvichka: Я б цього дуже хотів, Ніко. (I would like that very much Nico.)

Nico: Awesome.

Sirena Cammilton: That was a fun one though.

Then a figure appeared on Nico's shoulder and it was a Meloetta.

Sirena's Meloetta: Long time no see Nico.

Nico: Wow! Meloetta you are looking good.

Sirena Cammilton: Glad to see Meloetta still remembers you too.

Nico: Yeah.

Me: That is awesome.

Sirena Meloetta: Yep. And also I'm not just a Mega Meloetta Gene-slammer which is a dream come true to be one of Meloetta's kind but also I'm a gene-slammer of a Nature Fairy, Winged Mermaid and an Angel.

Qin: Whoa! That's amazing! A Quadruple Gene-slammer!

Aylene C.: Yeah.

Me: That's a first.

Fluttershy: Oh it sure is.

Devon: What's your favorite memory of Nico?

Sirena Cammilton: I have a lot of them but my favorite is when I sang that silly song that Homer sang about Flanders and I humiliated a bully with it.

Nico: I thought that was funny!

Qin: I remember that! I was laughing so hard and rolling on the floor all over and I never laughed that hard before.

Nico: That was the hardest I've ever seen Qin laugh before.

Qin: Yeah. That was so funny. It completely humiliated our resident queen bee bitch Callie Bethany and she was so humiliated.

Nicole: Oh man! I heard of her. She was the worst ever bully in Nico's district.

She pulled out a wanted poster of her and showed it to me.

Nicole: She is wanted for numerous forms of revenge assaults and attempted murders.

Me: Boy she has a REALLY NASTY Anger problem.

Nico: Yep.

Me: Wow $666,666,666,666,666,666,666,666.00! That's a lot of money.

Xenia Zapliuisvichka: Це великі гроші, покладені на одну таку людину! (That's a lot of money put on one person like that!)

Me: Ти не жартуй Ксеня. Оце Так! (You're not kidding Xenia. Wow!)

Nico and Sirena hugged.

Nico: I've really missed you Sirena.

Sirena Cammilton: Me too Nico.

Sirena's Meloetta: Me as well Nico.

Maria: You should be proud of yourself, Fluttershy.

Fluttershy: Oh I sure am.

Me: You are perfect for the Emerald Book of Osiris.

Nico: I agree.

We later went back home.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, and Casey Rhodes are heading to Lowell, Arkansas, and not only is Lincoln going to rescue the five girls, but we're also going to take down the highly arrogant, athletic, courteous, erudite, lion-hearted, obstinate, negative, daring, observant and narrow-minded, yet highly-regarded gray wolf test pilot from Cape Suzette, Ace London.

Lincoln: Wow, we're here in Lowell, Arkansas, and I know what we're going to do here, not only am I going to rescue the five girls, but we're also going to take down Ace London, the highly arrogant, athletic, courteous, erudite, lion-hearted, obstinate, negative, daring, observant and narrow-minded, yet highly-regarded gray wolf test pilot from Cape Suzette.

Baloo: Never thought we'd run into him again, but looks like I spoke too soon.

Me: Yeah, and I think I know where in Lowell, Arkansas he's been sighted at: it's the family home of Wesley Fox, the author of Echoes in The Wind, which were based on the ordeal in the house he and his family moved to. In the summer of 1983, Wesley Fox, who was eight years old at the time, along with his older sister, Mary, and his parents, Carol and Jesse, moved into their home here in Lowell, Arkansas. At first, it was peaceful and normal, but it wouldn't be for much longer, the family soon began to hear unexplained noises in the home. But, it would turn horrifying when Mary began seeing apparitions in the house and having disturbing dreams, and they're connected to the house's dark history of dark rituals and death.

Nico: Whoa, now that's really dark.

Me: It gets even darker, Mary wouldn't be alone in experiencing the hauntings, soon, Wesley would also experience them for himself, and he saw a reptilian-skinned demon in the room he shared with his mother, and the ghosts and the demon would soon have the children in its sights when the kids' grandmother came over and she also uncovered a pentagram in the floor of Mary's room, and she believed that the dark rituals that took place there conjured the demon, and it trapped the spirit of an old man who was murdered there in the 1930s. But, that's not all, she warned them that the demon had set its sights on Mary Fox with the intention of possessing her, so she can kill Wesley and her parents.

Lucy Loud: Gasp.

Me: I knew you'd say that, Lucy. They took the kids' grandmother's advice and they pack their bags and left the house. They wouldn't set foot in the house ever again, because in 1985, two years after they fled, the house was torn down, but it's believed that the ghosts and demon still lurk here on the land.

Nico: Oh man, that means they haven't been removed via a blessing, and they're still here on the land where the house stood. We've got to get rid of them before the demon takes possession of Ace London.

Lincoln: And continues its reign of terror that began here over 39 years ago, and thanks for joining us, Casey.

Casey Rhodes: You're welcome, Lincoln. We already have a plan in place, but the real question is how are we going to get rid of the ghosts and demon here?

Max Goof: With an exorcism.

Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back.

Max Goof: We just need to keep Ace London distracted, but I know the demon's not going to make it easy, and he's not going to go without a fight.

Lincoln: We'll keep Ace London distracted, while you do the exorcism and send the demon straight back to Hell for good and cleanse the place of the dark energy that still remained here, Max.

Nico: This rescue's now become a battle to save the souls of the living from the dark forces of the damned.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Ace London, who's been possessed by the demon, and he's going to sacrifice them to The Devil.

Lincoln: Let's get over there at once, guys, I found the five girls, but they've been cornered by Ace London, who's been possessed by the demon, and he's going to sacrifice them to The Devil.

?: (Girl's voice) Time to end this demon's reign of terror.

Suddenly, we saw Odd-Eyes Revolution Dragon appear before us.

Nico: Oh wow, that's Odd-Eyes Revolution Dragon.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Yuria Sakaki, but we'll talk later, we've got to take down Ace London and banish the ghosts and demon that tormented The Fox Family of Lowell, Arkansas, back to where they belong.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at the possessed Ace London, and that allowed the five girls to get away, and were put into an energy field to protect them from the demon. When the possessed Ace London saw us, his face turned scaly and he had a mouth of sharp teeth and he roared at us.

Lincoln: Whoa, looks like the demon's taken hold, and he's not going to let go.

Max Goof transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, and he fired a blast of white energy from his massive Keyblade and it formed a circle of white energy below the feet of the now possessed Ace London, and it chained him up, and then, Max chanted a powerful incantation and it forced the demon out of Ace London, but it roared angrily at us.

Lincoln: The demon's out, now's our chance, let's get him!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Casey Rhodes, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after the demon, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, rainbow crystal, rainbow super lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, and mythological animals, and they exploded with incredible power as they hit him.

Then, the blue cat's eye on Max's massive Keyblade suddenly began absorbing the dark energy that surrounded the land, and that really weakened the demon immensely, and he fired a powerful blast of white energy at the demon, and it exploded with incredible power and it was sent right back to Hell for good. We cheered wildly as we holster our weapons and powered down.

Nico: Phew, that was a close one.

Lincoln: You said it, that demon was tough, but Max, you did an awesome job, your exorcism not only freed Ace London from the demon's hold, but you finished the demon off when you fired that blast of white energy and sent it back to Hell for good.

Max Goof: Thanks, Lincoln.

Goofy: I also saw that your Keyblade absorbed the dark energy that surrounded the land.

P.J.: Wait, Mr. G., you think Max's Keyblade also had the same ability as Riku's Keyblade?

Lincoln: I think Goofy's right, remember when Riku used his Way to The Dawn Keyblade to absorb the dark energy emanating from Clayton when that Dark Orb brought him back from the dead years ago?

Nico: Hey, yeah, I remembered that all too well. So, you think Max's massive Gabriel's Unbreakable Bonds of Humans and Angels Keyblade also has powers of darkness as well as light?

Max Goof: I'll have to ask Riku about this when we get back home.

Baloo: But, not before I take care of some unfinished business with that blowhard, Ace London.

Baloo went over to Ace London, and he tied him up in a rainbow energy straitjacket, and sent him to the authorities in Cape Suzette, and he was in big trouble.

Lincoln: Nice one, Baloo, that'll teach him. (To Yuria Sakaki) and it's so good to see you again, Yuria Sakaki.

Yuria Sakaki reverted back to normal, and she's a beautiful girl with long flowing dark blue hair, dark purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful dark purple angel wings, and she reigned in the power of Odd-Eyes Pendulum Dragon, and she's dressed in a dark purple sleeveless jersey, dark purple shorts, dark purple legwarmers, pink sneakers, and long sleeveless dark purple trenchcoat with light and darkness on the coattails, and Odd-Eyes Pendulum Dragon on the back, and holstered on her back is a large Odd-Eyes Pendulum Dragon-themed greatsword with Odd-Eyes Pendulum Dragon etched on the 7'0" massive, wide, double-edged dark purple blade, Odd-Eyes Pendulum Dragon's wings for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, and a large dark purple gem surrounded by angel wings for the pommel.

Yuria Sakaki: You too, Lincoln, it's been a long time, and it's also good to see you again, Luan.

Luan: You too, Yuria.

Lincoln went up to Yuria Sakaki and they hugged, and Yuria Sakaki is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were fifteen, and as you can see, I really grew a lot since then.

Yuria Sakaki: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and you now have massive white angel wings, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Yuria Sakaki, she's my Guardian Angel from Japan and classmate in Drama, she's also an entertainer as well. In addition, Yuria is an amazing acrobatic, and she taught me how to do acrobatics.

Nico: Whoa, that's really impressive that she taught you how to do acrobatics.

Luan: You said it, and she and Lincoln often help me with birthday parties. To show thanks, I also arranged a date at a bounce house where Yuria and Lincoln would bounce and end up kissing each other on the lips.

Me: That's really awesome and sweet of you to do so, Luan.

Luan: Thanks, J.D., and I also found out from Lincoln that Yuria is also the cousin of Yuya Sakaki.

Nico: Whoa, she's Yuya's cousin?! I wonder if she's got the same interest in Duel Monsters like him.

Yuria Sakaki: I do, and I also knew of his dimensional counterparts, Yuri from the Fusion Dimension, Yugo from the Synchro Dimension, and Yuto from the Xyz Dimension.

Lincoln: And you're also in for a surprise, your cousin's here in Gotham Royal York, along with his girlfriend, Zuzu, and that Celina, Grace Tyler, Gloria Tyler, and Allie Ayukawa, are also part of my harem.

Yuria Sakaki: Wait, what?! Yuya and Zuzu are here in Gotham Royal York, and Celine, Grace, Gloria, and Allie are part of your harem as well?! This is really awesome, I can't wait to see Yuya and Zuzu again, and he'll be surprised when he sees I've been Gene-Slammed into his favorite Duel Monsters, the Odd-Eyes Revolution Dragon, but there's also something else: I also hate Lola with a burning passion.

Nico: Uh oh, and I've got a feeling Yuya is not going to like hearing this tale one bit.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Yuria Sakaki's neck with dark purple gems on the gold thunderbolt links and dark purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Yuria Sakaki: (Surprised) Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of my harem and one of my many future wives, Yuria.

Yuria Sakaki had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Yuria Sakaki's waist and Yuria Sakaki wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Sakura Mitsukoshi A.K.A. Exchanger, Asahi Takashima A.K.A. Debtmiser, and Lulula Franc from Money Idol Exchanger, Leucos and Eris from Glory of Heracles.

Lincoln: Oh wow, it's Sakura Mitsukoshi A.K.A. Exchanger, Asahi Takashima A.K.A. Debtmiser, and Lulula Franc from Money Idol Exchanger, and Leucos and Eris from Glory of Heracles.

Nico: Awesome.

Lincoln: Are you girls okay?

Sakura Mitsukoshi: Yes, we're okay, thanks to you.

Then, when Sakura Mitsukoshi and the other four girls saw who it was that saved them from the possessed Ace London, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Sakura Mitsukoshi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the

necks of Lincoln and his clones, and we cheered wildly at the scene.

Sakura Mitsukoshi: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Sakura Mitsukoshi, Asahi Takashima, Lulula Franc, Leucos, and Eris with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone of what happened, and they were shocked when they found out the villain we went after was Ace London, who'd been possessed by a demon that was conjured up by a Satanic Coven and tormented the Fox Family of Lowell, Arkansas back in 1983.

But, when Lincoln showed what happened, such as Max using an exorcism to remove the demon from Ace London and sending it back to Hell for good, and Baloo throwing Ace London to the cops in Cape Suzette, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Yuria Sakaki have a lot of catching up to do now that she's back in town, and she's also reunited with Yuya Sakaki and Zuzu Boyle.

Yuya Sakaki: Oh man, I can't believe Team Rocket Gene-Slammed you with one of my monsters, those heartless fiends.

Yuria Sakaki: I know, Yuya, but they're gone for good, and they're never coming back.

Lincoln: They've been asking for it for a very long time.

Nico: You said it.

---

After freeing Ace London from the demon that tormented The Fox Family of Lowell, Arkansas in 1983 and sending it back to Hell and throwing Ace London in jail, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Yuria Sakaki saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Yuria Sakaki: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Yuria, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Yuria Sakaki: That's incredible.

Nico: It sure is. So, Yuria, what's the story on why you hated Lola with a burning passion?

Yuria Sakaki: You're not going to like this one bit. We were at the McCauleys' house for a birthday party for the McCauley Kids, and Lincoln and I had an acrobatics routine planned for them, and it was so awesome, the McCauley family were really impressed by our acrobatics routine, even Luan as well, and we took a bow after our routine was finished. But, we heard a loud screech of pure rage and fury, and only Lincoln and Luan knew who it was that made that screech of pure rage and fury: it was Lola, and not only did she show up uninvited, she was extremely furious. Lola was furious that Lincoln was getting attention, attention that she thinks should be hers, so she grabbed the punch bowl and she threw the punch at me and Lincoln, and we got soaked, and Lola was laughing like the cruel demon she is.

We gasped in shock.

Yuya Sakaki: Lola did what?!

Yuya was about to attack Lola for what she did to his cousin and Lincoln, but Zuzu held him back.

Luan: Whoa, take it easy, Yuya. Don't worry, see, after Lola's stunt, I saw Lincoln's massive white angel wings spread out and a ball of rose red energy formed above his head and he fired a rose red energy blast and it hit Lola and trapped her in a rose red orb, and I had on a wire. I knew Lola would try to crash the party, but I was prepared with a wire and when she blurted out why she did it, she was shocked to see I had on a wire and her confession was on tape. I then called J.D. and we had Lola put in Vanzilla and he got her home, and when he played the tape, Mom and Dad were furious at Lola, and she got grounded for ten weeks, and after Lincoln, Yuria, and I came home, we decided on Lola's punishment: no sweets, no tea parties, and no pageants, and she'd remain inside that rose red orb until she's cleaned up her act.

We cheered wildly.

Me: Yeah, when Luan told me everything that Lola did, I was horrified. I knew jealousy was an ugly emotion, but that was way too much.

Nico: Yeesh, that was worse than when she attacked Selene Rosesanglante.

Lincoln: And that wouldn't go away for a long time.

Luan: Yeah. Plus, to show my thanks, I arranged a date at a bounce house and it's where Yuria and Lincoln would bounce and they ended up kissing each other on the lips, and it was so cute.

Luan showed the picture of Yuria and Lincoln kissing in the bounce house.

Nico: Now, that's really awesome: kissing in a bounce house.

Me: You said it.

We got a shower afterwards, and then, Lincoln and his harem are heading off to meet Den Iga A.K.A. Space Sheriff Sharivan, Dai Sawamura A.K.A. Kushina Hikatokage: (Japanese Accent) In any case, we're here to help you take them down.

Andrew McCormick: And you all came just in time.

Zetton: You will all die for interfering with our plans, Team Loud Phoenix Storm.

Lincoln: So awesome.

Kushina Hikatokage: (Japanese Accent) You said it, Lincoln, just like on TV.

Lincoln: You said it, Kushina. Alright, everyone, let's get them!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and his harem also transformed and unholstered their weapons, and they all went after Zetton, Vexor, and Org Ninja Dokusai, and they fired powerful blasts of rainbow energy, colored energy, laser blasts, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Zetton, Vexor, and Org Ninja Dokusai, and they exploded with incredible power as they hit them.

They also attacked them with their massive greatswords and they left very painful and nasty scars on them. Then, Ryusei Tsurugi, Retsu Ichijouji, and Naoto Tamura showed up, and they also attacked Zetton, Vexor, and Org Ninja Dokusai.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Let's end these three monsters for good.

Zetton, Vexor, and Org Ninja Dokusai exploded, and they was dead, and they were given The Black Gates. Lincoln and his harem holster their massive greatswords on their backs and power down, and the Metal Heroes change back.

Den Iga: Thank you very much for what you did in helping us get rid of Zetton, Vexor, and Org Ninja Dokusai, Lincoln, but this means that their organizations will come after all of you.

Dai Sawamura: And you all already have enough with dealing with The Doomsday 23 and putting an end to The Church of Necrom's final attempt at revenge.

Lincoln: It's okay, everyone. Besides, we're going to put an end to the entire Zetton race, The Magnavores, and The Sorcerers Clan once and for all.

Retsu Ichijouji: Just like what happened with the Space Organization Makuu.

Ryusei Tsurugi: Along with The Crime Syndicate Bioron.

Naoto Tamura: And The Neros Empire. Trust me, you're going to like this.

Andrew McCormick: Oh, this we got to see, but I think the resulting explosions might cause J.D. and Nico to get here in a split second to investigate.

Just then, me and Nico arrived.

Lincoln: Wow, you're really quick on the draw, Andrew.

Nico: Guys, we just saw some powerful explosions, are you okay?

Lincoln: We're okay, Nico, and we got some people here you guys are wanting to meet.

Me: And who might… they… be?!

Just then, we saw Den Iga A.K.A Space Sheriff Sharivan, Dai Sawamura A.K.A. Space Sheriff Shaider, Space Wolf Juspion, Yousuke Jou A.K.A. Dimensional Warrior Spielban, Toha Yamaji A.K.A. Den Iga: That's correct, Nico, and it's an honor to meet you and J.D. Knudson.

Me: We've heard so much about you. Wait, so those explosions were from some of your enemies?!

Lincoln: Yep, it was Zetton, Vexor, and Org Ninja Dokusai.

Nico: (Gasps) The leader of The Villains' Guild and the entire Zetton race, the leader of The Magnavores, and the leader of The Sorcerers Guild?!

Lincoln: You guessed it, Nico. Now, for a truly grand finale, gang. VILLAINS' GUILD, MAGNAVORE, SORCERER CLAN, AND ZETTON RACE GENOCIDE MEGABLAST!

Lincoln fired a massive barrage of powerful rainbow energy blasts, which hit every single member of The Villains' Guild, Magnavores, Sorcerers Clan, and the entire Zetton race, and every last one of them have been obliterated and given The Black Gates for good.

Nico: HOLY SHIT!

Me: That was extremely powerful.

Lincoln: But, a fitting end to The Villains' Guild, Magnavores, Sorcerers Clan, and the entire Zetton race.

Lincoln also got the Ranger Keys for the heroes they've just met, and he made sure to give those to Orion, and he also invited them to join the team, which they did. We returned home to The World Tree Estate and when we told everyone what happened, they were mega stunned, but impressed by what happened, and Lincoln gave Orion the Ranger Keys for the heroes he and his harem just met today.

May: Next time, we're all coming with you and your harem, Lincoln.

Lincoln: Okay, guys, next time, all of you are coming with me and my harem.

Nico: That's a good idea, besides, we don't want to be left out of the action as well, especially when it comes to kicking the butts of the villains of the Metal Heroes.

Eli: Yeah.

Lincoln: And like I said, I absolutely refuse to let the villains from the Tokusatsu series have their way with trying to take over our world.

Me: Yeah, they're getting a one-way trip to getting wiped out of existence for what they've done.

Nico: You got that right.

At the park we were relaxing and having some nice time to unwind.

Me: Ahh. Nothing like a little relaxing after a big bunch of adventures.

Qin: You said it.

Ness: Layla, you and I are up for bonding time.

Layla: Oh you know it Ness.

Qin: This is gonna be so awesome.

Nicole: You got that right.

Ness: Layla, I'll never regret meeting you.

Layla: Boy me neither Ness.

Me: That was so awesome that we went to the world of Ness. Earthbound was one of the games we haven't covered in the Super Smash Brothers Universe until that time.

Samus: That's right.

Spongebob: Your powers are very amazing, Ness

Me: Boy they sure are and we learned so much about them.

Ness: They sure are amazing.

Laney: Yeah especially with how you defeat many of your big enemies.

Lucas: Yeah those are cool.

Me: Darn shame that Giygas couldn't talk.

Hassleberry: Couldn't even power us up with hatred.

Me: I know. What a waste. But at least he is gone forever.

Nico: Good riddance.

Sirena Cammilton: It's amazing that you guys took him down. I was watching your amazing battles ever since I heard you all kill Dr. Luther Paradigm the first time and that was so awesome. I even saw your most epic battle with Unicron. That was so awesome.

Nico: Yeah that was epic.

Varie: One of the biggest ever.

Camie: Who is Unicron?

Me: The Transformer Devil.

Maria: Paradigm was first defeated the day after Unicron was.

Sirena Cammilton: I know. That was so awesome.

Nico: After we defeated Unicron, I was officially made as the new leader of the Decepticons and I was leading them on the road to Redemption ever since that day.

Me: That's right. That was one of the most unforgettable battles we've ever had.

Camie: Can you tell us about it?

Me: I sure can. It was so awesome.

I went over what happened during the events of chapter 691.

FLASHBACK - Chapter 691

It starts with me in the living room watching TV. Suddenly the alarm went off.

Me: Uh oh.

I went to the computer and it showed a massive planet-size transformer heading straight for the planet Cybertron.

Computer: J.D. my space scanners have shown a massive planet-size transformer heading for planet Cybertron. The name of this massive transformer is Unicron.

I gasped in sheer fright when I heard that name.

I pressed a big red button that said "Code Firestorm Alert" and pulled out a microphone and got onto the radio frequency and the intercoms.

Me: ATTENTION ALL MEMBERS OF TEAM LOUD PHOENIX STORM AND THE REDEMPTION SQUAD! THIS IS J.D. KNUDSON CALLING WITH AN EMERGENCY CODE: FIRESTORM! THIS IS NOT A DRILL! I REPEAT! THIS IS NOT A DRILL!

Everyone got back fast.

Vince: What's going on Partner?

Nico: I just got done catching a Magcargo and a Piloswine in the park.

Me: We have a terrible situation brewing guys. Unicron the Transformer Devil is heading right for Cybertron!

Everyone gasped in sheer horror when they heard me say that name.

Optimus Prime: Unicron is attacking Cybertron!?

Hot Rod: I thought Unicron was just a myth.

Lincoln: Who or what is Unicron?

Me: He's the Ultimate Transformer and he's the ultimate transformer of pure ultimate evil. He's called the Transformer Devil. He is a transformer that's the size of a whole planet and he is the brother of the creator of all transformers: Primus himself. This is what he looks like.

I change the image to what Unicron looked like and it showed that he was as big as half of our whole planet in planet mode. But when transformed he is as big as our whole planet!

Lincoln: Whoa! Look at the size of him!

Lori: He's literally huge!

Leni: How can he be so big?

Me: Not only is he so big but he is a Transformer that has been around since the dawn of time itself.

Lori J.: I remember that Unicron was the progenitor of the entire war between the Autobots and the Decepticons. Unicron is the source of all evil in the universe. One of them.

Me: That's right Lori. Nico told me that you Bud and Coby had helped the Autobots in the war against a Black Hole made by Unicron when he was destroyed.

Lori J.: That's right.

Me: That was awful what happened. Nico you've known a lot about the Transformers for a while. What do you know about Unicron?

Nico: Unicron is the ultimate evil of Transformers like you said. But he is far more than that.

* * *

Before the dawn of time, Order and Chaos existed within an extra-dimensional entity known as The One. To explore the fledgling universe, he created the astral being known as Unicron, and then subdivided him, creating his twin, Primus. Both brothers were multiversal singularities, unique in all realities, but whereas Unicron could only exist in one universe at a time, moving between them at will, Primus existed simultaneously in all realities at once. It is suggested, in fact, that the two brothers embody the basic concepts of reality-good and evil, order and chaos-and that their continued existence is necessary for the stability of the multiverse.

As Unicron and Primus went about their appointed task, venturing through the cosmos, it became apparent to Primus that Unicron was a corrupt being, and he took it upon himself to stop the threat posed to all of existence by his sibling. In combat, Primus was no match for Unicron. In cunning, however, he proved himself to be his brother's superior when he shifted their battle to the astral plane, and then back to the physical world once more, only to have both their essences manifest within metallic planetoids, leaving them both trapped. It was with this act of sacrifice that Primus hoped to contain Unicron's evil forever. Unfortunately for him, over time, Unicron learned to psionically shape his prison into a giant metallic planet, and Primus followed suit, becoming the mechanical world of Cybertron. When Unicron then learned to transform his planetary form even further, into a gigantic robot form, Primus adapted the idea to suit his own ends, creating a group of thirteen robots that possessed the ability to change shape, like Unicron.

The war between Unicron and Primus came to its seeming end during a climactic battle in which one of the Thirteen, who would forever afterwards be known as The Fallen, betrayed Primus and became an acolyte of Unicron. The battle ended when the Fallen and Unicron were sucked into a black hole and disappeared from reality. With Unicron gone for now, Primus entered an eons-long slumber, his self-imposed sleep preventing Unicron from detecting him through the mental link the brothers shared.

Unicron is the eternal arch-enemy of his twin brother Primus. Also known as the Lord of Chaos, the Chaos Bringer, and the Planet Eater, he is dedicated to consuming the multiverse. His massive form is powered by the consumption of planets, moons, stars, and even the very fabric of existence. Unicron will not be sated until his ultimate goal is attained: to bring an end to the annoying creation boasting independence around him, and find peace by becoming the living center of a swirling, infinite torrent of nothingness at the end of all things.

To undertake this seemingly overwhelming task, Unicron is able to travel across realities at will, a meandering plague upon existence itself. Integrated into his systems are incomprehensible quantum computers which calculate probabilities forward and backwards in time, in perpetuity, giving his processors an ever changing, evolving map of the multiverse. With these abilities at his disposal, Unicron has thus far devoured approximately 22.56% of known universes. Seen at a detached distance from the multiverse, this collective "Unicron Phenomenon" acts with the characteristics of a virus or plague seeping through reality, succeeding where it can, retreating when it cannot. Various permutations of Unicron can spawn into existence outside the trappings of the larger entity, hailing from a more mundane origin but possessing the same consumptive traits. For much of multiversal history, the singularity Unicron threatened all of existence, but now, that is no longer the case, versions of Unicron being restricted to their own dimensions.

The only thing that he fears is Primus's essence, contained inside the Matrix. To a being of chaos and uncreation, this font of life is a poison.

Frequently, Unicron will make deals with lesser beings, promising them vast new powers in exchange for their servitude. These minions are sometimes stripped entirely of their free will, but others follow him willingly. Service to Unicron, however, is a double-edged sword, for it causes insanity and loss of self. And in the end, Unicron's plans ultimately call for their consumption as well.

---

We were flabbergasted and overcome with sheer horror.

Laney: Are you serious Nico!? Unicron is that powerful!?

Nico: He is. Unicron is the Cybertronian version of the Devil himself and he's just as powerful, cunning, evil and manipulative as the Devil here on Earth.

Me: This could very well be the biggest and most powerful battle we have ever faced. This could be the battle to end all battles and it could very well test the ultimate extent of the entirety of our power. The Entire Universe is now in grave danger and Unicron has to be stopped. We have to stop Unicron at all costs or the Universe as we all know as it is will be completely destroyed as we know it.

Carol: How are we gonna stop a massive planet size transformer like Unicron? He has to be the most powerful enemy we had ever gone up against.

Me: This is a fight of epic porportions guys.

Nico: There's only one thing we can do guys. We need to get all the help of every transformer we can find. Also I have another idea and you're not gonna like it J.D.

Me: What is it Nico?

Nico: I know you're gonna think I'm crazy but we don't have any other choice. We need to resurrect Soundwave, Frenzy, Thrust, and Dirge and release Ramjet from Prison and get them to help us.

We were shocked at what Nico had in mind.

Lori J.: Nico are you out of your mind!?

Luna: Yeah dude those 5 Decepticon's have tried to kill us and they worked for Megatron!

Nico: I know it's crazy but the entire universe is now in Grave Danger. And we need all the help we can get. Plus I'm now the new leader of the Decepticons and with Megatron dead, I have assumed command of the Decepticons as their leader.

Sideways (Cybertron): Nico is right. It might seem crazy but we don't have a choice. Unicron poses a tremendous threat to all creatures in the entire universe and we have to work together to destroy him.

Nico: That's right. I agree with Sideways. The war with the Autobots and the Decepticons nearly destroyed the entire universe and we can't let history repeat itself. I have a strong feeling that it was Unicron that was responsible for all the events that have happened over the eons. Now it's time for the Autobots and the Decepticons to put aside all their differences and band together to destroy the Ultimate Evil.

Me: I agree Nico and you raise a good point. When we all killed Megatron we killed Cybertron's greatest enemy. Nico is now the Leader of the Decepticons and he is now leading them on the right path to redemption. And now they have an even bigger enemy looming on the horizon. A Transformer that possesses more power than every single one of them combined together. Nico, (Snaps Fingers) do what you got to do. Soundwave, Thrust, Frenzy and Dirge are resurrected. So do what you got to do.

Nico: Right buddy. Lets go!

May: Be careful Nico.

Nico: I will May.

Nico and the Decepticons were off.

* * *

On the Planet Velocitron, Nico and the Transformers were there to recruit the Transformers of Velocitron. They found Frenzy and Dirge fighting.

Frenzy (grabs Rumble by the throat): You think I'm just gonna forget that you helped kill me, you sorry excuse for a brother?!

Nico: THAT'S ENOUGH!

Frenzy released Rumble as he, Soundwave, Thrust, and Dirge look at Nico.

Nico: This isn't the time for personal grudges, you 4. The time for Autobots and Decepticons fighting each other is over. This is a new world, where Cybertronians coexist peacefully. If you can't accept that, then kill yourselves now and save time.

Dirge: Nico Chan! Who are you to come here and talk to us like that?

Nico: I'm the new leader of the Decepticons!

Thrust: Say what?!

Nico: And right now, we have a new enemy to destroy.

Soundwave: Question: What enemy is that?

Nico: Unicron is coming.

Dirge: Unicron the Planet Eater!?

Soundwave: How is Unicron coming?

Nico: Unicron is coming to destroy all of Cybertron and when he's done with Cybertron he is coming for Earth. We have to stop him at all costs or the Universe as we know it will be completely destroyed. Unicron poses a threat to all creatures in the universe including us!

Thrust: This is a nightmare!

Dirge: How did you come across this information?

Nico: My boss, leader and best friend J.D. Knudson told me. Right now Unicron is heading right for Cybertron even as we speak and if we don't stop him then all hope is lost! So as new leader of the Decepticons we need to put aside all our differences and band together in this time of crisis. If you all don't stop this pointless fighting, then we have no future. So please. Will you help us?

Soundwave, Thrust, Dirge and Frenzy huddled and they broke.

Soundwave: You do raise a good point Nico. We'll help you out and we want to redeem ourselves!

Nico: Good choice Soundwave. Welcome to the alliance, Team Loud Phoenix Storm and The Redemption Squad.

Dirge: We won't let you down Nico.

Frenzy: Yeah!

Nico: We have one last thing to do before we take the fight to Unicron.

---

Nico and the Transformers went to the Cybertron Prison and they were in front of Ramjet's cell.

Ramjet: What do you want, Nico? Come to rub it in my face?

Nico: No. We need your help.

Ramjet: With what?

Nico: You know about Unicron?

Ramjet: The planet eater? Yeah, I've heard of him.

Nico: He's coming. And we need all the help we can get. Including you. So, will you help us?

Ramjet: All right. I'll help. But, I hope you realize that the rest of your friends won't be happy about this.

Nico: I already explained it to them.

---

Back on Earth, I got all our forces assembled and it was time for us to head to Cybertron. Once we got there it was all Transformers united. Now we were ready for the ultimate fight that will decide the fate of the entire universe.

Me: This is it guys. The battle that will decide the fate of the entire universe is now about to begin.

Lisa: 2nd Elder Brother, something is approaching. Slowly but surely.

We saw something coming.

Lincoln: Is that a small moon?

We saw what looked like a moon space station.

Me: That's no moon.

Lincoln: And it's not a Space Station.

We flew out and we saw that it was an ugly planet with horns and a mouth-like hole in the middle. It transformed into a massive

Transformer right in front of our eyes. We saw it become a massive robot as big as an entire planet. The level of evil it had was far more powerful than all the evil villains we have killed over the entirety of the course of the last 3 and a half years combined all together at once. When his transformation was done we saw the Ultimate Transformer standing right in front of our very eyes! The Transformer Devil himself:

**UNICRON - SUPREME HARBINGER OF UNIVERSAL ARMAGEDDON!**

The level of power he had was so unbelievably strong and it was so powerful that it completely defied all levels of mortal and godly comprehension. It was like we were staring right into the face of pure evil itself amplified to the power of infinity.

Me: Whoa!

Varie: So that is Unicron. He's huge!

Aylene C.: He's massive.

Rachel S.D.: And his power is absolutely unbelievable!

Nico: J.D., Me, Hot Rod, Ironhide, Francis, Ratchet, Spiderman, Hulk, Thundercracker, Skywarp, and Shockwave are gonna go inside Unicron and destroy him from the inside. We need to destroy Unicron with the Transformer Matrix from inside him.

Me: Okay Nico. We'll hold him off while you all do that. Be careful man.

Nico: Will do. Lets do this!

Thundercracker: You got it boss!

Optimus: Lets head inside him!

They did so.

Me: All right guys! Time to power up! GUARDIANS UNITE!

Team W.I.T.C.H.J.E.M.M.L went into their guardian forms.

Will: THE HEART!

Irma: WATER!

Taranee: FIRE!

Cornelia: EARTH!

Hay Lin: AIR!

Me: LIGHTNING!

Elyon: TIME!

Megan: SPACE!

Matt turned into Shagon.

Lillian: LIGHT!

Me: Sonar, Runway, Jetstorm, Powerlink!

Sonar, Runway and Jetstorm turned into the Star Saber.

Me: Star Saber! Now it's time for the ultimate battle. Time to merge powers!

Will: Right!

The Guardians channeled the Auramere's into me and I went Super Ebonwu 30,000 Phoenix Angel and I grew to the size of Unicron.

Me: (Echoing Voice) **Unicron, you're gonna pay for all the pain and suffering you've caused to the entire universe!**

Unicron then formed a Dark Saber and we clashed. The power of the clash was equal to that of a supernova explosion. We clashed our blades and it was shaking the very foundation of the entire universe to the core. We then broke off the clash and stood ready.

Me: **I don't understand you Unicron. Why do you want to**

**destroy the entire universe?**

Unicron: **Because I want to remake it in my own image and take my rightful place as supreme overlord of everything.**

Me: **You will never be supreme overlord of anything as long as Team Loud Phoenix Storm and the Transformers have anything to say about it!**

Unicron then fired a massive blast of lightning from his horns on his shoulders and I fired a powerful blast of lightning as well. The blasts collided and they exploded with the power of a supernova!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I emerged from the fiery explosion and we locked hands. It was the battle with an angel with the powers of an ultimate god and the ultimate evil of the Transformers. Everyone else was blasting Unicron all over the place with energy and powerful attacks.

---

Inside Unicron, Nico and team were heading to the Heart of Unicron.

Nico: Wow! The inside of Unicron goes on forever!

Optimus Prime: It sure does.

But then they got some unexpected company. Unicron had minions that looked like G1 Galvatron, G1 Cyclonus, G1 Scourge, and the G1 Sweeps.

Nico: Oh no! It's the G1 Galvatron, Cyclonus, Scourge and the Sweeps!

Optimus Prime: I can't believe this is what they looked like all those years ago. I completely forgot.

Nico: Not to mention that the G1 Cyclonus and Scourge were the biggest jerks in all of Cybertron.

?: Let me help you all out as well.

They turned and they saw Nova of the Nova Corps.

Nico: Sam Alexander A.K.A. Nova. It's a pleasure to meet you.

Nova: You too Nico.

Hulk: Hulk happy to see you Sam.

Nova: You too Hulk. Hey, Web Head! Long time no see.

Spiderman: We can catch up later Sam. Lets get these overgrown tin cans.

Galvatron: Optimus Prime! I am Galvatron! I have come to kill you and take the Matrix!

Nico: Not on my watch!

Galvtron: Hand over the Matrix, Prime, and I might spare your life!

Nico: You sound just like Leonard Nimoy from the Star Trek Series. I've known the Transformers for years and I may be a Saiyan but I know the Transformers. But you are just like G1 Megatron and Cybertron Galvatron when we destroyed them. I am now the new leader of the Decepticons and you are now completely obsolete!

Hulk (punches G1 Galvatron): First Galvatron hurt Ed! BUT HULK WILL SMASH SECOND GALVATRON!

Hulk punched the G1 Galvatron with devastating force and punched a huge hole into his chest.

Galvatron fired a powerful laser blast at Thrust, Ramjet, Dirge, Frenzy, and Soundwave and Nico deflected it back and it hit one of the Sweeps and destroyed it.

Ramjet: You saved us? After all the things we tried to do to you and your friends?

Nico: Didn't you hear me before? There's no more conflicts between Autobots and Decepticons. If we can forgive the rest of the Depceticon army except for Starscream and Megatron, we can forgive you guys as well.

Hot Rod: Final Smash time! FIERY ROADBURN!

Hot Rod turned into an awesome Hot Rod car and burned rubber and he went so fast that he set the whole road on fire! He burned G1 Galvatron!

G1 Galvatron then grabbed Hot Rod.

G1 Galvatron (about to strangle Hot Rod to death): First, Starscream. Then, Megatron. And now, you! It's a shame that you Autobots and Decepticons die so easily or else I might actually have a sense of satisfaction now!

Then a bright light enveloped Hot Rod.

Primus (from the Matrix): Arise, Rodimus Prime!

Nico: Primus!

They saw Hot Rod turn into Rodimus Prime!

Nico: Rodimus Prime!

Rodimus Prime kicked G1 Galvatron off of him.

Nico kicked Galvatron in the face and charged up an energy blast.

Nico: This is the end of the road, Galvatron! You and Unicron have failed this universe!

Nico fired a powerful energy blast and completely obliterated the G1 Galvatron in an instant.

Nico: Now it's time to finish off his lackeys. Hulk, Lets use our combo on the G1 Cyclonus, Scourge and the Sweeps.

Hulk: Got it Nico!

Nico used Solomon Grundy's super strength and Hulk used his Super Strength.

Nico and Hulk: SUPER DEATH SMASHPUNCH!

Their powerful death punch smashed the G1 Cyclonus, Scourge and the Sweeps to pieces instantly.

Nico: That one was for you, Grundy.

Nova: These guys are bad news. I can't believe that they are that strong.

Ramjet: They aren't as powerful as they were when Nico and his friends faced all of us.

Nico: Yeah. G1 Cyclonus, Scourge and the Sweeps, you all have failed this universe.

Frenzy: Lets hurry on.

They did.

---

Outside, the battle raged on.

Moonracer: Unicron you will never win!

Iceman (Marvel): You got it Moonracer!

Moonracer fired her Photon Pistol and Iceman fired a powerful blast of ice.

Moonracer and Iceman (Marvel): PHOTON ICESTORM BURST!

The blasts of Photons and Ice combined and they hit Unicron in his neck and exploded. He screamed in pain and I headbutt him and slashed him in the chest and I kicked him in the stomach and face and then I slashed his arm.

Me: **Unicron, I will never forgive you for everything you've done!**

Then I sensed something strange.

Me: **What the? I sense something inside Unicron. Whatever it is it must be the source of all of Unicron's power.**

I punched Unicron in the face and punched him in the stomach again.

---

Inside Unicron, they made it to Unicron's black and gigantic heart.

Nico: Unicron's black and malevolent heart.

Nova: It's huge.

Spiderman: I can't believe that Unicron's heart is this big and it's beyond pure evil.

Francis: Me neither.

?: Help me!

Nico gasped!

Nico: Who's there?

Optimus Prime: That sounded like a little girls voice.

Nico scanned for where she might be by concentrating. He found her inside the heart.

Nico: She's inside Unicron's heart.

?: Help me Lori! Help me!

Nico: How does she know Lori? And how did she get inside Unicron's dark heart?

?: (Malevolent laughter) I'm impressed you all made it this far gentlemen. You should be congratulated.

Nico: I know that voice! Armada Sideways!

Sideways of Transformers Armada appeared out of Unicron's black heart.

Optimus Prime: Sideways!

Nico: The most diabolical traitor of all next to Starscream.

Sideways (Armada): Please. I'm not impressed by your petty labels.

Optimus Prime: You've been with Unicron all along haven't you?

Nico: And if that's the case then you will pay for your crimes.

Unicron: (Speaking Through Armada Sideways) **Actually to be more precise, we are one in the same my dear friends. This shell that you've come to know as Sideways is but a disguise.**

Nico: So you are also Unicron as well!

Unicron: **That's right. For eons I've absorbed energy from your battles all over the universe and with the fights with Optimus and Galvatron. Making me the most formidable adversary in the cosmos. And now that my metamorphosis has come this far it is time to take my rightful place as Supreme Leader.**

Optimus Prime: You only absorbed our negative energy.

Unicron: **Precisely. I must confess, there was more than enough of it to feed off of. And while you were squabbling I surpassed your strength without any of you even noticing.**

Nico: Who is that girl that you've imprisoned inside your heart?

Unicron: **The girl inside my heart is a young human girl named Emma Jimenez and she is the younger sister of the human you call Lori Jimenez.**

They gasped in sheer shock.

Nico: Lori's little sister is inside your heart!?

Optimus Prime: How did you get Lori's sister into your heart!?

Unicron: (Chuckles) **It was very easy. As you were fighting the**

**evil human you all call Dr. Blight, I made my move and kidnapped her to restore me. You see, Emma has a strange and mysterious power that enables her to absorb Negative Energy. She was the catalyst that made me stronger and I'm getting stronger by the second thanks to her. And soon when she has served her purpose I will destroy her like I will destroy all of you.**

Nico: You monster! I won't let you get away with this Unicron!

Nico went Super Saiyan 3.

Optimus Prime: Nico wait!

Nico flew into Unicron's black heart and went deep into the void.

Nico was inside Unicron's malevolent and evil heart. It was as black as evil can get and it was an endless heart of pure darkness.

Nico: (Echoing) Emma? Emma?

Nico followed the dark arteries of the heart and then he saw Emma. She was a girl with black hair and she was in blue pajama clothes torn up and she was no older then Lucy Loud.

Nico: Emma!

Nico flew up to her.

Nico: Emma wake up! Please wake up!

Emma woke up and she was barely alive.

Emma: (Weakly) Who are you?

Nico: I'm Nico Chan and I'm here to get you out of here.

Emma: I tried to get out but I can't.

Nico: I can do it.

Nico ripped the arteries out and undid her bindings. She fell and Nico grabbed her.

Nico: Lets get out of here!

Nico put her on his back and flew out of the black heart. Nico formed an air bubble around Emma and she was getting air in the endless void of space.

Nico and Emma flew out of the Heart.

Optimus Prime (about to open the Matrix): Now, light up our Darkest Hour!

Optimus opened the Matrix and threw it into Unicron's heart.

Nico: Lets get rid of this Unicron buttface! Astroscope, Payload, and Sky Blast, Powerlink!

Astroscope, Payload and Sky Blast turned into The Requiem Blaster.

Francis: I've had it with this freak! Lets combo attack Ramjet!

Ramjet: You got it Francis!

Francis fired a powerful blast of fire and Ramjet fired lasers and missiles.

Francis and Ramjet: FIRESTORM BARRAGESTRIKE!

The fire and missiles and lasers burned and hit Armada Sideways.

Sideways (Armada): You all will pay for everything you've done!

He transformed into a motorcycle and rider and burned rubber and went at them.

Sideways (Armada): YOU'RE MINE!

Nico: Shut your mouth and burn in hell you motherfucker!

Nico fired the Requiem Blaster and blew Armada Sideways to pieces.

Nova: Time to finish him for good with a final smash. NOVA

ENERGY STRIKE!

Nova fired a huge blast of blue energy from his hands and it hit Armada Sideways and completely obliterated him.

Nico: Armada Sideways, you have failed this universe. Lets get out of here!

Nova: Nice shot Nico!

Nico: Thanks Sam. Same to you. Come on guys!

They went out of Unicron.

Nico: J.D. do you read me?

Me: **I read you Nico. Did you plant the Matrix into Unicron's heart?**

Nico: We did J.D. But we also made a surprising find. Unicron had a hostage.

Me: **What!? Who was it?**

Nico: It was Lori's little sister Emma Jimenez.

I gasp.

Me: **How can that be?**

Nico: During the fight with Dr. Blight she was kidnapped by Unicron and she has this really unusual power that enables her to absorb negative energy. Unicron was using her like some kind of battery.

Me: **Did you get her out of Unicron's heart?**

Nico: I sure did. She's weak from the removal but she should be okay.

Me: **Great job Nico. Get out of there now guys. I'm going to finish Unicron once and for all.**

Nico: Okay.

Unicron then screamed in excruciating pain as he looked like he was having a huge Heart Attack.

When Nico and team got out it was time.

Me: **Now it's time to finish you for good Unicron and end your reign of terror once and for all!**

I raised my hands.

Me: **Everyone, share your energy with me!**

I gathered energy from all over the galaxy. And a Spirit Bomb the size of Cybertron had formed in my hands.

Me: **This Spirit Bomb is not enough. Master Goku, I need you to call King Kai and tell him to help me get more energy for the Spirit Bomb.**

Goku: You got it J.D. (Telepathically) King Kai? King Kai can you hear me?

King Kai: I hear you loud and clear Goku. What's the problem?

Goku: J.D. is using the Spirit Bomb to destroy the evil Transformer Devil Unicron. We need energy from all over the entire universe to destroy him once and for all. It's our only hope!

King Kai: Pep from all over the universe huh? All right I'll get right on it Goku. (Telepathically to the Kais) Kais of the East, South and West, lend me your strength for the Entire Universe depends on it!

The Kais strengthened their telepathic link.

King Kai: (To Goku) Okay Goku it's all ready.

Goku: Okay. J.D. it's all ready.

Me: **Okay Master Goku! Everyone SHARE YOUR ENERGY WITH ME!**

Energy from all over the entirety of the Virgo Supercluster flew into our galaxy and poured into the Spirit Bomb like wildfire and the Spirit Bomb grew to massive size and it was as big as a Hypergiant star.

Me: **Master King Kai, thank you so much and thank everyone all over the universe for their assistance.**

Unicron was still screaming.

Me: **This is it Unicron! Now go to hell and stay there!**

Unicron: **Destiny… you cannot… destroy… my… DESTINY!**

I threw the massive Spirit Bomb at him and it completely consumed him and completely obliterated him in an instant! It went all the way out into the vastness of space and exploded.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared, Unicron - the Supreme Harbinger of Universal Armageddon, had been silenced forever and the Universe was finally free of his terror. After so many eons of pain, suffering, death, destruction and chaos, the universe was finally rid of his evil once and for all thanks to us and everyone all over the universe! I powered down and I wasn't in the least bit exhausted.

Me: It's over guys! We won! Unicron has been destroyed.

Everyone cheered wildly in a thunderous roar of victory.

Optimus Prime: Everyone, Unicron and his minions have been defeated. And I am happy to announce that Rodimus is my new second in command.

Rodimus Prime: Now, let this mark the end of the Cybertronian Wars as we march forward to a new age of peace and happiness! Till all are one!

All: Till all are one!

Me: Nico, you did really well. Great job buddy.

Nico: It wasn't just me J.D. It was all of us.

Me: It was. We triumphed together.

Thundercracker: It's good to have you guys back.

Frenzy: Good to be back. (sighs) Rumble… I wanted to say I'm sorry.

Rumble: For?

Frenzy: Being dead… well, for a while… it gave me perspective. Let me realize how much I've screwed up letting Megatron lead me down a dark path like I should have. But now that I've gotten a second chance, I'm gonna use it wisely and fight bad guys by your side.

Ramjet: Ditto. What happened was… well, it gave me some perspective too. Made me realize I've been an idiot in following Starscream and Megatron's destructive ways. But I know that I can make it up for it by helping you guys out against the villains on Earth.

Thrust: Same goes for the rest of us.

Soundwave: Megatron and Starscream: Inferior. Nico Chan: Superior.

Nico (smiles at them): Don't worry. You all proved yourselves by helping us kill Megatron. Now, how about we go the estate for the victory party?

Thrust: We'd like that.

Dirge: You're the boss. And this time… we all mean that.

Ramjet: We all do.

Rodimus Prime: (To the viewers) As long as evil exists in this universe, we will be there to stop it.

Nico: Come on guys. Lets head home.

We did so.

In the infirmary, Emma was waking up. She woke up in a bed and she saw Lori sitting on her bed.

Emma: Lori?

Lori J.: Hey sis. I'm glad you are back.

Emma: Sis!

Lori and Emma hugged and Emma cried hard.

Emma: (Crying) I was so scared!

Lori J.: I know sis. But you're back now and that's all that matters.

Emma was crying hard.

We were watching TV and some of us had bandages on from the battle. But it was all worth it and we had come out victorious.

Me: This was by far without a doubt the biggest and most powerful battle we've ever had.

Nico: It sure was. And Ben used the power of Alien X to stop another Black Hole from forming.

Me: He sure did. And that was clever.

Mike: Guys I have something to say to Zoey.

Me: Okay Mike.

Mike held Zoey's hand and stood in front of us.

Zoey: So Mike, what is it you want to say.

Mike: (Holds her hands) Zoey, you are the best thing that ever happened in my life and I want to spend the rest of my life with you. Zoey, (he gets down on one knee and reveals a ring with a red ruby and diamonds as everyone gasps excitedly) will you marry me?

Zoey: (Wiping away her tears of joy and give him a hug) Yes!

They shared a kiss and we cheered wildly for them.

Me: Congratulations guys!

Lynn: Way to go you guys!

Lincoln: That was amazing!

Laney: I'm so happy for you both.

Lola: Me too.

Mike: Thanks guys. Zoey is the best person in the world and I want to be with her forever.

Me: I know you two are perfect for each other buddy.

We had a great dinner. And we saw Sammy sad.

Me: What's wrong Sammy?

Sammy: I miss my dad. My father died of cancer and it was because of Amy and my mother that I lost him.

Lori: Oh Sammy. That's awful.

Sammy: I know Lori. But I miss my dad so much. If only there was a way to reunite with him so I can get some closure.

Me: I think I have that answer.

I pulled out a blue crystal.

Me: I found this in the mine we were in when I was on Season 7.

Cameron: (Amazed) That is not just any ordinary crystal, it's a Resurrection Crystal.

Gwen: So it's just like the Resurrection Stone in the Harry Potter books?

Cameron: Kind of, the only difference is that after you let go of it after using it, it will destroy itself.

Shawn: So I could bring back someone that I have lost for a few minutes?

Cameron: Yep! I wish I could see it work myself, but I've got to get back to work. (He leaves)

Me: That's amazing Cameron. I didn't know I had a powerful crystal in my hands.

I gave the crystal to Sammy.

Me: Here Sammy. You need this. I think it's best for you to have some closure.

Sammy: Thanks J.D.

(Sammy takes the crystal, holds it close to her heart, closes her eyes and thinks about her father. She then hears a familiar voice.)

?: Sammy!

(Sammy opens her eyes and is surprised to see her father standing right there as if he never died. Everyone is also surprised to see this.)

Dave: (To Sky, shocked) You're seeing this too right? (Sky nods)

Me: This is incredible. It's all real.

(Sammy walks up closer to her father)

Hank: You've grown up so much. You've made a lot of new friends, you found a new home, and you've helped those that needed it. I am so proud of you! (Sammy smiles at him.) I saw everything you've done and I'm so proud of you.

Sammy: (Touched) Thanks Dad!

Hank: (Turns to Jasmine) Thank you for taking my daughter away from Amy and her mother.

Jasmine: You are welcome!

Hank: (Turns to Sky and Shawn) And thank you for saving her life.

Shawn: Anytime!

Sky: She's very special!

Hank: Yeah she is. (Turns to me) J.D. Thank you so much for helping my daughter. I know she is in good hands and thank you for throwing Amy in jail.

Me: It was our pleasure Hank. And I'm so sorry all this happened to you.

Hank: It's all right J.D. (He looks at Sammy) Remember, even though I am gone, I am always proud of you and I will always love you.

Sky: (Gasps) Just like what Misty said on the Island.

Hank: And I am also glad that she is safe. Misty is so lucky to have a sister like you who is always there for her. (Sky smiles)

Sammy: I'm happy that I got to see you one more time.

Hank: I know sweetie, I know. Just remember, I will always be right here, (points to her heart) right here.

Sammy: (Teary eyed) Thanks daddy, I love you.

Hank: And I love you too Sammy. (The two of them share a hug that feels so real. Sammy then drops the crystal and it smashes to the ground. And just like that, her father was once again gone.)

Me: I'm glad you got closure Sammy.

Sammy: I am too J.D. (Tears flow down her face) I am too.

We had a most amazing battle, Mike and Zoey got engaged and Sammy got closure after everything that had happened to her at the hands of her evil sister and her cruel former mother.

FLASHBACK ENDS

When I was done everyone that hadn't heard about it was shocked and amazed!

Camie: Wow! That is incredible that you guys took down the strongest and most powerful transformer ever.

Toru: No kidding!

Himiko: Yeah that was incredible!

Qin: Yeah I heard so much about that battle back then and that was so awesome.

Nico: Yep and I was also appointed as the official leader of the Decepticons and it's how I got this.

He showed his Decepticon Leadership Medal.

Nico: This medal is my badge of leadership for the Decepticons.

Camie: Wow.

Weirdwolf: Hot Rod also became Rodimus.

Rodimus: Yep. That was a really eventful day for us too.

Me: Not only that. But we also brought an end to 8 million years of fighting on Cybertron too. For countless eons Cybertron was in a terrible war between the Autobots and the Decepticons.

Armada Starscream: It's true. That was a terrible battle.

Ness: That is terrible!

Layla: Yeah no kidding.

Nico: The version of the war on our world was the first one to be ended.

Me: Yeah and the Live Action war followed 3 years later on Starlight Glimmer's big day mission.

Eli: That was so awesome.

Qin: It sure was.

Starlight Glimmer: Yeah that was awesome.

Animated Optimus: The war on my world ended a year ago thanks to you guys.

Me: That's right.

Nico: Yeah. That was awesome.

Laney: And the Aligned Universe had it's war ended too.

Camie: That's right.

Aligned Bumblebee: But the war on my world ended long before we met Nico.

Laney: Oh right. I forgot about that.

Aligned Bumblebee: No worries.

Me: Yep.

Eli: Yeah. (Senses something) Uh oh. We got company.

Then a figure came out and it was THE HERCULES ZODIARTS!

Me: Whoa the Zodiarts for Hercules, Son of Zeus!

Laney: Wow!

Hercules Zodiarts: (In a girls voice) And it's awesome to see you again J.D.

She reverted back and it was a girl in athletic clothes with neon pink hair and she had pink eyes and had the symbol for Hercules on her right arm.

Me: Stella Hercules! I had a feeling it was you.

Nico: You know her J.D.?

Me: I sure do. She was my gym partner and she is also the strongest girl ever in gym. She can lift up a 10,000 pound barbell with ease.

Nico: WHOA! She is really strong!

Varie: Yeah!

Stella Hercules: Yeah that was awesome I did that.

Me: Yep.

Outback: No wonder you're a Hercules Zodiarts!

Me: She was born with immensely powerful super strength. One time I saw a strong man challenging her to an arm wrestling match and he couldn't move her arm. It was like he was trying to move the moon.

Nico: Wow! That is amazing.

Stella Hercules: Yeah those were fun times.

Me: They sure were. Sorry we have to fight like this Stella. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Stella changed into the Hercules Zodiarts!

Me: Yeah! Lets do it. (ACTIVATES LYTHOS RIDEWATCH)

I threw a huge boulder at her and smashed her down and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Switch and purified it and it turned into a powerful war hammer and she was back to normal.

Nico: That was easy.

Qin: Yep.

I went over to Stella and picked her up.

Stella Hercules: (Groans) What a headache.

Me: At least you're okay.

William: (laughs) Funny how you used Lythos' Ridewatch to defeat her!

Me: (Laughs) Never underestimate the titans.

Nico: Yep. But well done.

Me: Thanks.

Stella got up and then hugged me in a bonecrushing hug!

BONES SNAP!

Me: (GROANS) STELLA YOU'RE CRUSHING ME!

Stella Hercules: Oops sorry.

She let me go and I reset my bones with my regeneration powers.

---

We returned to the Estate.

Needle Man: Good thing you ended the battle quickly. Otherwise, we'd all be in the infirmary. With the Ratchets included.

Me: You're not kidding there.

Ratchet: Thank goodness that didn't happen though.

Nico patted me on the back.

Nico: Well done there though.

Me: Don't give me a swollen head guys but thank you.

Nico: So Eli what is it that Daphne wants to show us?

Eli: You guys will love it. It's a massive and brand new airplane that her uncle is going to show us so we can do a test flight for him.

Nico: Cool!

Qin: I'm looking forward to this one.

Camie: Me too.

Nico: Me too.

Then Bonz, Robo Roxy, Multiple Man, Boomerang, Red X, Trumbipular, Lythos, Titanium Man, Girder, and U Foes appeared.

Multiple Man: Can me, Bonz, Robo Roxy, Boomerang, Red X, Trumbipular, Lythos, Titanium Man, Girder, and U Foes go with you guys?

Vector: You might want to clone an army for this.

Nico: Yes you guys can come with.

Multiple Man: And I'll keep that option available.

Qin: Awesome.

Nico: Yep. We're going to meet Daphne's uncle. He has something cool for us to do.

Me: You guys will love this one.

Lythos: We can tell you're excited for this. And good job using my ridewatch.

Me: Thanks Lythos.

Skullcruncher: Nico, which Gene Slammer do you think you'll meet next?

Brawl: Yeah boss. Any ideas?

Nico: 5 of them actually. I'm going for 5 MTG Creatures: Pyroclastic Elemental, Pyroclastic Hellion, Inferno Hellion, Embermaw Hellion and Volcano Hellion.

Me: Wow! An elemental and 4 hellions. This will be cool.

Qin: Or hot in this case.

Camie: Whew! No kidding there.

Laney: Yeah.

Lola: Yeah.

Nico: But lets head out guys.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than The Sphinx that Somnambula faced, and that winged bad cat's furious that Ace London was defeated and the demon was sent back to Hell for good, and now, that vicious feline's heading here to kill us and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is The Sphinx that Somnambula faced on the move?

Lincoln: You guessed it, Nico, and that winged bad cat's furious that Ace London was defeated and the demon was sent back to Hell for good, and now, that vicious feline's heading here to kill us and get her revenge.

Emily Gordan: That hairball-hacking, fear-inducing, miserable feline's going to get it. We'll hogtie it and run it out of town on a rail.

Mary Garcia: You said it.

Sandy Cheeks: Now, you're talking.

Flash Magnus: The Sphinx is going to pay for what it's done to the people in Somnambula's village, forcing everyone to offer her a majority of their crops while hardly leaving any left for them and leaving them in despair.

Somnambula: Indeed, and this'll be the last time The Sphinx ever causes trouble to anyone ever again.

Nico: Yeah, causing nothing but fear and despair, that unfeeling beast's rampage is about to be brought to an end for good. Alright, gang, let's go, we're heading to the airport for a flying adventure.

Lincoln: It's going to be so awesome heading on to see the surprise Daphne has, and Sphinx, you better be ready, your days of causing fear and despair are going to end here and now, and I'm personally going to have your wings slashed off! (Deep sapphire blue eyes turn red with rainbow flames of hope and courage)

Nico: Whoa!

Me: Holy crap! This is going to be good.

Eli: The flames of hope and courage raging in Lincoln's eyes, that Sphinx is going to pay for what she's done.

We were off to the airport.

---

We arrived.

Me: Here we are.

Nico: Yep.

Bonz: Let's invite Swamp Monster too.

Me: Good idea.

Nico: Yep. So where is the plane Daphne wants to show us?

Me: It's right there.

We were then in front of a HUGE AND MASSIVE AND INCREDIBLE MASSIVE COMMERCIAL JET!

Everyone: WHAT IS THAT!?

Me: Say Hello to the Flying Hotel of the Future, Air Gigantica.

Camie: It's massive!

Ironclad: Look at the size of that!

Totally Spies Alice: I know!

Nico: WOW!

Me: Yep.

We went up to the plane and it was massive!

Camie: Holy mackerel! It's huge!

Tsuyu: Yeah!

Sirius: What a plane!

Daphne: Hey guys.

Me: Hey Daphne!

Varie: We're really excited for this!

Me: What can you tell us about this awesome new plane?

Daphne: You guys are going to love it. It's the biggest ever. That's what Air Gigantica is all about. Air Gigantica is the largest planet ever built with 8 Turbo Fan engines, 5 Flight Decks, including a movie theater, bowling lane, swimming pool, all you can eat restaurants, petting zoo, aquarium and playgrounds. It dwarves the Antonov 225.

Me: WHOA!

Eli: This plane is incredible!

Me: This is not just a plane bro. This is a Hotel With Wings!

Red X: Does it have weapons in case someone attacks it?

Daphne: Nope.

Me: But we'll install that feature if we make this a successful test.

Daphne: Good idea. My uncle built a huge plane. Let me show you guys around.

Nico: Sure.

We took the elevator into the plane. When we got inside the plane we saw that it was massive on the inside! It was INCREDIBLY MASSIVE!

It was filled with a beautiful aquarium, a fountain, gas fireplace TV's massage chair seats, art and so much more!

Knight Man: Look at this!

Nico: Incredible!

Qin: Wow! This is my kind of plane.

Camie: Yeah!

Eli: So awesome!

Cheese: (about to jump off the plane) Whee!

X Ray: (grabs him) No, Cheese!

Lythos: You trying to kill yourself?!

CHEESE YOU ARE A STUPID IDIOT!

Nico: What a moron.

Qin: Yeah.

Sirena Cammilton: Is Cheese always like that?

Me: Cheese has a brain the size of an Amoeba.

Eli: Yeah. He's even dumber than Billy.

Eddy: And he's stupider than Ed.

Then we got into our seats and strapped in.

Me: Wow these are not just seats, these are lovesofas for an airplane.

We got the flight underway as the plane took off! We got to cruising altitude and were free to walk around the plane.

Nico: WOW! We're way up here.

Me: 40,000 feet and she handles really well.

Camie: It's beautiful up here.

Me: Yeah from an awesome plane.

Ino: By the way, guys, I have something to show you.

Lemon Zest: What is it?

Ino then held out her hands and then she glowed in a neon green aura and then…

POOF!

We saw that she shrunk down to the size of a Meloetta and she had beautiful purple, green and lavender butterfly wings and she had pointy ears! She had turned into a Fairy!

Qin: WHOA!

Nico: Ino!? Wow!

Me: Ino turned into a fairy! Wow!

Girder: Ino, how'd you do that?!

Sirena Cammilton: I did it. I gave her the power to turn into a fairy.

She waved her hands and used powerful magic and it caused flowers to grow in a plant pot.

Nico: Sirena is now 1 fourth fairy and she has the power to do that.

Girder: That is cool!

Nico: Yep.

Naruto: Wow! Ino you look incredible this way.

Ino: And the best part is that I can do it at will.

Sunny Starscout: That is so cool!

Qin: I'll say.

Ino: I was gonna use it against Stella. But decided against it considering her strength.

Centaur Man: That's a wise decision.

Me: Stella's strength is very overpowering. She has the same level of strength and power as Hercules himself.

Stella Hercules: Well yeah that is true. I do have the strength he has.

Hercules: Wow that is cool!

Qin: Yeah it is!

Nico: Yep.

Sirena Cammilton: She has the power to grow plants instantly and even cause people to fall asleep by sprinkling sleeping dust from her wings. And she has immortality like all fairies have and she can use magic as human and fairy too.

Qin: Wow!

Camie: That is cool.

Ino: It sure is.

Vapor: She was already immortal to begin with.

Ino: That's true.

Sirena Cammilton: But I thought it was an awesome thing for her.

Me: But that is so cool.

Nico: It sure is. Now we should get down to business. Daphne is there any mystery here?

Daphne: As a matter of fact yes. My uncle Big Earl has been having problems with a Gremlin on this plane.

Me: A Gremlin? You mean the mischievous demons that have been known to cause acts of sabotage to planes?

Daphne: Yep.

Velma: That's impossible. Gremlins have been a huge mythological thing since the start of when man first flew.

Qin: That's true. But there have been many sightings of things other than gremlins.

Nico: Yeah.

Kade: I used to be afraid of Gremlins. But not anymore.

Lena Isis: That's right. Heatwave told us about that.

Phosphos: Rest assured, we were not laughing about that.

Me: I believe it and Dan told us all about that a long time ago.

Dan Kuso: Yeah.

Qin: But why would a gremlin be doing this?

Me: That's what we need to find out. Daphne do you know of anyone that wants to hurt Air Gigantica?

Daphne: Well there is one. Ed Johnson. He was mad at Big Earl for modifying his airplane designs and making them bigger.

Kade: I used to be afraid of Gremlins. But not anymore.

Lena Isis: That's right. Heatwave told us about that.

Phosphos: Rest assured, we were not laughing about that.

Me: I believe it and Kade told us all about that a long time ago.

Kade: Yeah.

Qin: But why would a gremlin be doing this?

Me: That's what we need to find out. Daphne do you know of anyone that wants to hurt Air Gigantica?

Daphne: Well there is one. Ed Johnson. He was mad at Big Earl for modifying his airplane designs and making them bigger.

Titanium Man: (Russian Accent) Any other suspects?

Daphne: Nope that's it.

Me: Hmm. I have a feeling that this is gonna be awesome.

Nico: Just to be on the safe side J.D. you better fly the plane to make sure there are no problems while the battles are going on.

Me: Right.

Fred: Uh need I remind you that I am the only one that drives?

Nico: Fred, I am your superior and I am the one in charge. So I say that J.D. drives.

Fred: Aw man why?

Plitheon: Let it go, Fred. What Nico says goes.

Jesse Glenn: Your role is the driver of the Mystery Machine. And yet, there is no Mystery Machine in sight.

Nico: That's right Fred.

Fred: Oh fine.

Nico: Good boy.

Me: Okay here I go.

I went to the cockpit and got to flying the plane.

Me: Wow this is a very sophisticated form of technology.

I then got to the controls and saw the instruments going weird.

I looked and then saw a magnet on the instruments.

Me: A Magnet? That's what's causing the instruments to go weird.

The instruments were fixed.

Skyla came.

Skyla: Nico said for me to assist you.

Me: That's right because you're a pilot yourself Skyla. Awesome. Copilot Skyla.

Skyla: I like that.

She got in the seat.

I formed a clone and had it present the magnet to everyone.

Trumbipular: Our culprit must be an expert at using magnets.

Nico: Because magnets scramble instruments. Hmm. Eli can you sense where the Gremlin is at?

Eli: I can try.

He concentrated.

Eli: He's by the swimming pool!

Nico: Then lets go.

Shaggy: (Cowardly Whimper) Like forget it! Scooby and me are gonna hit the food courts instead.

Laney: Come on you two.

Shaggy: Uh uh! No way!

Scooby Doo: Not on your life! Forget it!

Erica Haddock then grabbed them and lifted them up.

Erica Haddock: You two gluttonous cowardly whales are going whether you like it or not.

Shaggy and Scooby whimpered in fear.

Edward: (laughs) Oh, I get it! Because the Gremlin's by the pool!

They laughed.

Nico: That's funny.

Qin: Yeah.

Boomerang: (Australian Accent) Let's get going anyway!

We got to the elevator and went to the pool.

Nico: This is one amazing plane.

My real self was piloting the plane and I had a clone with everyone.

We then saw the Gremlin prowling by the pool.

Nico: Target sighted.

Anemone: Entrance time!

Tayuya: Now you are fucking talking.

We went at the gremlin. It was growling and then the spirits of the planes appeared and then swirled around it and then converged and then…

A massive vortex of leaves and flowers appeared and swirled around the gremlin and fairies singing was heard and then we came out.

Me: Okay Gremlin you will pay your crimes!

Nico: Yeah!

It roared and snarled.

Robo Roxy: Tronics! Take care of him!

Robo-Roxy summoned numerous Tronics and they smashed and pulverized the Gremlin all into pulp.

Qin: Take that!

Volcana: What a dumb gremlin!

Then P'andor, Tar Pit, Nergal, Motor Ed, Cavalier, Eris, Magneto, Kite Man, Count Vertigo, and Puppetmon appeared.

Nico: P'andor, Tar Pit, Nergal, Motor Ed, Cavalier, Eris, Magneto, Kite Man, Count Vertigo, and Puppetmon.

Tar Pit; This plane is incredible!

Daphne: Boy it sure is.

Cavalier: Indeed.

Magneto: That Gremlin is no master of magnetism like me!

Nico: You got that right!

P'andor: (to Ino) (Russian Accent) Nice job becoming a fairy, Ino.

Tar Pit: I think it looks good on you.

Ino: Thanks. I agree there. I look awesome as a fairy.

Nergal: (to Nico) Heard you went on another treasure hunt.

Nico: Yep.

Motor Ed: What did you get this time?

Me: The Emerald Book of Osiris. It's a Book of Life from Osiris himself.

Then MOLTOR APPEARED!

Me: Moltor! Now we ALL get to face you.

Moltor: (to Sarah) I know Penelope insulted you before by comparing to your dad. But being willing to let her die sounded a little harsh, don't you think?

Sarah Tinsley: It was at first but I've let go of the past on it.

Qin: That's good you did.

Nico: Thank goodness.

We got the usual battles underway.

Yang: Her name is Yuria Sakaki and she is a really awesome Guardian Angel for Lincoln.

Rainbow Dash: Boy she sure is.

Scootaloo: And her story is really cool.

---

Yuria Sakaki: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Yuria, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Yuria Sakaki: That's incredible.

Nico: It sure is. So, Yuria, what's the story on why you hated Lola with a burning passion?

Yuria Sakaki: You're not going to like this one bit. We were at the McCauleys' house for a birthday party for the McCauley Kids, and Lincoln and I had an acrobatics routine planned for them, and it was so awesome, the McCauley family were really impressed by our acrobatics routine, even Luan as well, and we took a bow after our routine was finished. But, we heard a loud screech of pure rage and fury, and only Lincoln and Luan knew who it was that made that screech of pure rage and fury: it was Lola, and not only did she show up uninvited, she was extremely furious. Lola was furious that Lincoln was getting attention, attention that she thinks should be hers, so she grabbed the punch bowl and she threw the punch at me and Lincoln, and we got soaked, and Lola was laughing like the cruel demon she is.

We gasped in shock.

Yuya Sakaki: Lola did what?!

Yuya was about to attack Lola for what she did to his cousin and Lincoln, but Zuzu held him back.

Luan: Whoa, take it easy, Yuya. Don't worry, see, after Lola's stunt, I saw Lincoln's massive white angel wings spread out and a ball of rose red energy formed above his head and he fired a rose red energy blast and it hit Lola and trapped her in a rose red orb, and I had on a wire. I knew Lola would try to crash the party, but I was prepared with a wire and when she blurted out why she did it, she was shocked to see I had on a wire and her confession was on tape. I then called J.D. and we had Lola put in Vanzilla and he got her home, and when he played the tape, Mom and Dad were furious at Lola, and she got grounded for ten weeks, and after Lincoln, Yuria, and I came home, we decided on Lola's punishment: no sweets, no tea parties, and no pageants, and she'd remain inside that rose red orb until she's cleaned up her act.

We cheered wildly.

Me: Yeah, when Luan told me everything that Lola did, I was horrified. I knew jealousy was an ugly emotion, but that was way too much.

Nico: Yeesh, that was worse than when she attacked Selene Rosesanglante.

Lincoln: And that wouldn't go away for a long time.

Luan: Yeah. Plus, to show my thanks, I arranged a date at a bounce house and it's where Yuria and Lincoln would bounce and they ended up kissing each other on the lips, and it was so cute.

Luan showed the picture of Yuria and Lincoln kissing in the bounce house.

Nico: Now, that's really awesome: kissing in a bounce house.

Me: You said it.

FLASHBACK ENDS

Me: Yep.

I went over to the Gremlin.

Me: And he is really….

I pulled off his mask and it was ED JOHNSON!

Me: Ed Johnson.

All of us: ED JOHNSON!

Me: Yep.

Velma: That's right. It was Ed.

Nico: But why?

Me: He was angry because Big Earl made his designs bigger and better. He used magnets on the plane to move around and hold on as well as put them on the instruments to mess them up. He can do the plane however he wanted with them. He was angry that Earl modified his design and made it bigger and improved on it.

Velma: That's right. Ed wanted Big Earl to fail and if everyone thought there was a gremlin wreaking havoc on the plane, no one would be flyng Air Gigantica.

Ed Johnson: And I would have gotten away with it too if it weren't for you meddling kids and your stupid dog!

Nico: Well now you're looking at spending the rest of your life in prison!

Me: Get him outta here.

They took him away.

Me: Have fun rotting in prison, you airplane sabotaging goon.

Lincoln: What a lowlife.

Nico: You said it. Awesome job, gang, but we're not done yet, there's still the matter of The Sphinx to deal with, and that fear-inducing despair causing bad cat should be arriving… right now!

Somnambula: I should've known there's no mistaking that voice from anywhere. You can come out now, Sphinx.

A massive winged feline with an Egyptian headdress on its head came out, and it was none other than Somnambula's old nemesis, The Sphinx.

Nico: The Sphinx, Somnambula's old archnemesis and the very monster who terrorized the village by depriving the people of its crops. Should've known you'd show up again, tuna breath.

Me: Wow! So that is the Sphinx that Somnambula faced eons ago. Other than the one we know in Egypt this is really cool seeing the real thing.

Sphinx: You have ruined my plan to finally destroy you all, that stupid blowhard, Ace London, wound up getting possessed by the demon, but was defeated again and the demon sent to Hell forever, and Zetton, Vexor, and Org Ninja Dokusai have also been destroyed?! Now, I will kill every last one of you and plunge every last miserable human on Earth into an eternal state of fear and despair!

The Sphinx came after us, but Emily Gordan fired a powerful red and amber energy blast, which hits The Sphinx and it angered her even more.

Sphinx: Who do you think you are to get in my way?!

Emily Gordan: Someone who refuses to let you hurt my friends, and who's had about enough of you, you food-hoarding fear causing monster. (Red and amber energy aura flares up) I am Emily Gordan, Champion of Flash Magnus, The Pegasus of Bravery and One of The Legendary Pillars of Harmony, and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Courage.

This horrified The Sphinx horribly.

Sphinx: Impossible, The Champions of Harmony have returned?!

Suddenly, Emily Gordan's turquoise eyes turn neon turquoise, and she was surrounded by a red and amber energy aura with Alicorns, magic, and winds, she unholstered her massive Sword of The Champion of Harmony, and as she approached The Sphinx, she left red and amber energy, Alicorns, magic, and winds with every step.

Emily Gordan: Sphinx, I will never forgive you for the crimes that you committed against Equestria, you are a selfish, unfeeling beast who would rather cause fear and despair among the people and deprive them of food for your own selfish gains and self-amusement, and now, I will administer unto you the punishment you rightfully deserve: death.

Suddenly, Emily Gordan was surrounded by a massive vortex of red and amber energy with magic and winds surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a turquoise phoenix. Then, as the vortex faded, Emily Gordan emerged, but she was changed forever.

Emily Gordan's transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY HURRICANE COURAGE FRIENDSHIP ALICORN ANGEL OF DIVINE WIND ALICORN JUSTICE AND DIVINE WIND COURAGE!

We were amazed by Emily Gordan's Super Angel Eternity Infinity transformation, but when The Sphinx saw it, she flew into a rage and she tried to maul Emily Gordan to death, but Emily Gordan shield bashed The Sphinx in the head with her Elemental Shield of Harmony, and she fired a powerful blast of red and amber energy with winds, Alicorns, and magic, and it sent The Sphinx flying into a wall, but she's not out yet.

Nico: Whoa, Emily Gordan's transformed, so awesome!

Ken Knudson: Yes, and now, it's Flash Magnus' turn to transform.

Emily Gordan: (Divine Echoing Cosmic Voice of The Courageous Hurricane Alicorn and Divine Courage Wind Justice) **That's right, Ken.**

Me: This should be good.

Flash Magnus: You said it, J.D.

Suddenly, Flash Magnus's brilliant turquoise eyes turned neon brilliant turquoise and he's surrounded by a moderate amaranth and brilliant amber energy aura with winds, magic, and Alicorns, he unholstered his massive Sword of The Knights of The Friendship Table and Netitus, his flame-proof shield, and as he approached The Sphinx, he left moderate amaranth and brilliant amber energy, winds, magic, and Alicorns with every step.

Flash Magnus has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY HURRICANE COURAGE FRIENDSHIP ALICORN ANGEL OF DIVINE WIND ALICORN JUSTICE AND DIVINE WIND COURAGE!

We were amazed by Flash Magnus' Super Angel Eternity Infinity transformation, but when The Sphinx saw it, she flew into a rage and she tried to maul him to death, but Flash Magnus shield bashed The Sphinx in the head with his shield and fired a powerful moderate amaranth and brilliant amber energy blast with winds, lightning, magic, and Alicorns, and it sent The Sphinx flying into a wall, but she's not out yet.

Rainbow Dash: Whoa, now Flash Magnus has transformed, so awesome!

Me: Now, the battle is about to begin between Courage and Fear.

Flash Magnus: (Divine Echoing Cosmic Voice of The Courageous Hurricane Alicorn and Divine Courage Wind Justice) **That's right, J.D. Lincoln, Emily, shall we show this fear-inducing monster what happens when she dares to mess with those who fight to bring courage and hope to those in need?**

Lincoln: (Smiles) You got it, Flash Magnus.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You've terrorized the innocent**

**ponies of Equestria for far too long, Sphinx, and now, we will finish you off once more, and this time, stay dead!**

Emily Gordan, Flash Magnus, and Lincoln went after The Sphinx, and they fired powerful blasts of rainbow energy, red and orange energy, moderate amaranth and brilliant amber energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at The Sphinx, and they exploded with incredible power as they hit her, and she was being burned by The Magic of Friendship. Then, they attacked her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it burned her badly, and the wounds she suffered would never heal.

Then, Lincoln bound The Sphinx with a binding circle formed below her feet and as his massive white angel wings spread out, a red ball of energy formed right above his head, and he fired a beam of red energy and when it hits The Sphinx, Lincoln began sucking out and absorbing The Sphinx's magic and immense strength and he made them his own, and when Lincoln was done, The Sphinx was so badly weakened, she could barely even stand. Then, Lincoln slashed off The Sphinx's wings and he flew at The Sphinx and he lifted The Sphinx up with only one hand, and he'd tossed her into the air with his really immense and brute superhuman strength, and this allowed Emily Gordan, Flash Magnus, and Lincoln to finish The Sphinx off by firing massive energy beams and as they hit The Sphinx, they exploded with incredible power, killing her for good. We cheered wildly for what Emily Gordan, Flash Magnus, and Lincoln did to The Sphinx as they holstered their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Emily Gordan and Flash Magnus are permanent.

Then, as The Sphinx's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and The

Sphinx's spirit as surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found him guilty of his crimes, and the energy images of The Mane 12 aimed their horns at The Sphinx and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at The Sphinx.

Lincoln: Sphinx, for the crimes you've committed against Equestria by stealing their food and keeping them in a state of fear and despair, you have been found guilty, and the punishment for your crimes is death.

This horrified The Sphinx as she soon saw her days of chaos and havoc are about to come to an end.

Me: But first I sense a spark of good in her.

I fired a wave of light and it hit the Sphinx and separated the darkness from her and purified her!

Nico: Whoa!

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit The Dark Sphinx's spirit, they exploded with incredible power and her evil spirit was condemned to The Black Gates, and she was fading away.

Dark Sphinx: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

The Dark Sphinx's spirit was erased from existence by the spirits of all those she's hurt, and she'll never return to hurt anyone again. THE DESPAIR AND FEAR-INDUCING TERROR OF THE SPHINX HAS FINALLY BEEN BROUGHT TO AN END!

Nico: Now, that's what I call one awesome battle between Courage and Hope and Fear and Despair.

Me: You said it, nice job, guys.

Lincoln: Thanks, J.D.

Nico: And not only did we solve the mystery of The Gremlin and put the culprit behind bars, we also got rid of The Sphinx.

Lincoln: Which means, the next member of The Doomsday 23 to take down and destroy tomorrow is Nightmare Rarity.

Julianna Giagoremu: (Japanese Accent) The nightmare version of Rarity who was corrupted by the dark magic of Nightmare Moon.

Danielle Meadowbrook: And it'll be up to me, Mage Meadowbrook, and Lincoln to deal with her after our mission tomorrow.

Mage Meadowbrook: That's right, Danielle.

Lincoln: That bad jewel master's going to pay for every last one of her crimes tomorrow, and this also means that we're also going to face the Nightmare versions of Twilight Sparkle, Fluttershy, Pinkie Pie, Applejack, and Rainbow Dash.

Twilight Sparkle: This'll be just like facing off against Nightmare Moon again, only it's against us who have been turned into The Nightmare Mane 6.

Me: I was about to say.

Nico: Me too. This is going to be one dangerous battle tomorrow, but we'll be ready for her and the other members of The Nightmare

Mane 6.

Sphinx: Somnambula I am so sorry I did what I did. I can't believe I was like that. I was a monster.

Somnambula: (Egyptian Accent) It's not your fault. I knew there was good inside you.

Me: I knew it too.

Scratch (Skylanders): And I know you were going through some torment yourself. I too am a sphinx.

Sphinx: I am glad I have a fellow Sphinx with you. I would like to join the Redemption Squad.

Maria: It will be awesome to have you with us.

Qin: Whew! Man this place is hot.

Lana: Boy it sure is.

Rarity: Man it's really hot that I'm sweating.

Lincoln used a cooling fan on Rarity.

Rarity: Oh thank you Linky.

Me: Well it's a volcano field what did you expect?

Nico: That's true.

Sora Takenouchi: But I'm glad that we're in a hot place and not a cold plpace.

Sora: Thanks for coming with me, Sora.

Sora Takenouchi: Not a problem Nico. It's awesome that I get to go with you guys this time.

Himiko: We're really excited for you Sora.

Biyomon: We sure are.

Nico: Sora, I think most of us consider Kari to be your successor.

Sora Takenouchi: You're right on that Nico. I think it's awesome that Kari has come a long way. Especially during the battle with the Digimon Emperor and MaloMyotismon.

Me: You'll get no argument from me there Sora. And you and Biyomon both have done so much.

Qin: You sure have. You're also an amazing tennis star too.

Sora Takenouchi: I do have what it takes.

Me: You sure do. You would definitely make an awesome champion for Wimbledon.

Sora Takenouchi: Thank you.

Nico: I'm saying this because Yolei is considered to be Mimi's successor.

Sora Takenouchi: That's true. And I'm proud of how far Davis, Cody, Yolei, T.K. and Kari all came.

Me: We all are.

Varie: Yeah we are proud.

Himiko: Yeah we are.

Nico: I can't believe we rode on a plane that big.

Me: That was so awesome!

Nico: Yeah it was!

Himiko: That plane was so amazing and it was like a flying hotel.

Eli: It sure was and you can fly all over the planet and see everything from high up in that thing.

Laney: You sure can.

Camie: Yeah that was so awesome.

Tsuyu: It was an epic way to close out that series of mysteries.

Nico: Yeah it was. And J.D. you did an amazing job piloting that plane.

Me: Thanks. I've had lots of flight lessons and flight simulator practice.

Sakura Valencia: That is really awesome how you can fly that.

Me: It sure was cool.

Nico: Thank God Cheese didn't jump off of it!

Eli: I know! That Cheese! He is a brainless moron.

Qin: Yeah no kidding.

Laney: It's like he was born with no brain at all.

Varie: Yeah no kidding.

Nico: The ironic thing is that Cheese likes chocolate milk. But Mac says he's lactose intolerant.

Me: Yeah he sure is Lactose Intolerant. But he is annoying to many villains.

Laney: Yeah like that Kurt kid.

Qin: Yeah that jerk bully.

Camie: Who is Kurt?

Me: A Rich Kid jerk that hates Tommy Turnbull with a vengeance.

Nico: And the one who drove Lola, Lynn, and Lori into nearly preventing the 20 Days of Darkness from ever happening.

Me: Oh yeah.

Qin: That was really stupid of Kurt. But then again he was that big of an arrogant moron.

Varie: Yeah no kidding.

Lola: Looking back it's hard to imagine he is that evil and sadistic.

Qin: Yeah.

Himiko: No kidding.

Nico: The worst part is that me and you are dead in that horrible future.

Me: You're not kidding. But at least we prevented it.

Varie: Thank goodness.

Nico: Let's drink some water. I'm sweating!

Maria: Good idea.

She gave us all some water and man were we dripping sweat.

Me: Ahh. Thanks Maria.

Nico: Refreshing.

May: Yeah. That was good.

Laney: Yeah.

Nico: We better find our target before we dehydrate!

Me: Don't worry. We have handled hotter temperatures than this. We'll be okay.

?: YOU MOTHERFUCKING CUR!

Nico: Oh great!

Me: Not this motherfucker again.

Out came an EVIL SASUKE!

Himiko: I'll face him this time.

Himiko went up to him.

Himiko Toga: I've had it with you to last an eternity, Evil Sasuke.

Suddenly, Himiko Toga's brown eyes turned neon brown, and she was surrounded by a rainbow energy aura with the elemental forces of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon, she unholstered her new sword from her back, and as she approached Evil Sasuke, she left rainbow energy, elemental forces, and phoenixes with every step.

Himiko Toga: You absolutely make me sick, Evil Sasuke, just like J.D. said, you're nothing more than a weak and worthless bastard who thinks he deserves everything on a silver platter, but you don't, in fact, there's only one thing you deserve, and that's a slow painful and agonizing death for all the crap you've put so many innocent people through, Traitor of The Hidden Leaf.

Suddenly, Himiko Toga was surrounded by a massive vortex of rainbow energy with elemental forces surrounding the vortex and the Sun and Moon, there was a phoenix flying around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, Himiko Toga emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Himiko Toga grew from 6'5" to 7'1" in height, she had the body of a goddess, she has rainbow highlights in the bangs of her pale, dirty ash-blonde hair, she has neon brown eyes and a rainbow energy aura with the elemental forces of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon surrounding her, she has a phoenix with the Element Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with rainbow jewels for the eyes and the Element and Eternity Kanji in its claws, and she also has on her Crystal Necklace of The Buddha on her neck with rainbow gems embedded in the gold element symbol links and rainbow crystals links and a rainbow phoenix-shaped Element of Harmony and on the bottom of the Element of Harmony is a phoenix with rainbow gems for the eyes and the Element and Eternity Kanjis in its claws for the pendant. Himiko Toga has on a long rainbow sleeveless trenchcoat with the elemental forces of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon on the coattails, and on the back is the emblem of Lady Elementa, a white long-sleeved blouse and white long-sleeved shirt with a rainbow phoenix on it, white skirt with elemental forces on it, black pants with elemental forces on the legs, and black knee-high leather boots. Suddenly, Himiko Toga felt a sharp pain on her back, and then, her massive ash-blonde angel wings with rainbow tips on the large ash-blonde feathers grew much bigger for her new body, she has on a Ring of The Phoenix with large rainbow gem and heart-shaped gem embedded in it on her right ring finger and a Yellow Lantern ring on her left ring finger. Suddenly, Himiko Toga's massive Philippines Gods of Nature's Elemental Sword of Elemental Redemption and all the swords she'd gotten in the treasure battles began merging together, and were surrounded by a kaleidoscope of rainbow energy and elemental forces, and when the kaleidoscope faded, it was transformed into The Philippines Gods of Nature's Elemental Greatsword of Elemental Redemption, it's a brand-new massive greatsword with a 7'0" massive, wide, double-edged rainbow blade with the symbols of The Redemption Squad and U.A. High School etched on it, along with the Philippine Gods of Nature, large rainbow dragon heads for the crossguard, large rainbow gem embedded in the rainguard, longer red handle, four large rainbow dragon heads with yellow gems for eyes and on the bottom of the dragon heads is a large rainbow gem for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with rainbow gems on her wrists, large gold Belt of Elemental Bravery with a gold dragon head with rainbow gems for the eyes and a large rainbow gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a yellow kanji below the emblem of Lady Elementa that said, "Himiko Toga A.K.A. Lady Elementa, Former Lieutenant of the Paranormal Liberation Front and Former Member of The League of Villains, Loving Adopted Daughter of Misty Tredwell and James Dean Knudson, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary of Lalahon, Aman Sinaya, Habagat, Dumakulem, Bathala, Sitan, Kadakan, Gugurang, Kan-Loan, Apolaki, Mayari, Sisina, and Tala, and Master of Blood, Phoenixes, and the Elemental Forces"

トガヒミコ A.K.A.レディー・エレメンタ、超常現象解放戦線の元中尉であり、悪党同盟の元メンバー、ミスティ・トレッドウェルとジェームズ・ディーン・クヌーソンの愛情深い養女、悪のスレイヤー、混乱した、殺人的で、冷酷で、サディスティックなろくでなし、驚くべき強力な生徒そして強力な教師、ララホンの使者、アマン・シナヤ、ハバガット、ドゥマクレム、バサラ、シタン、カダカン、ググラン、カン・ローン、アポラキ、マヤリ、シシナ、タラ、そしてマスター・オブ・ブラッド、フェニックス、エレメンタル・フォース

Himiko Toga's transformed into SUPER ANGEL XELNAGA

ETERNITY INFINITY ELEMENTAL FIRESTORM BLOOD PHOENIX ANGEL OF ELEMENTAL REDEMPTION AND BLOOD FEAR!

We were amazed by Himiko Toga's Super Angel Xelnaga Eternity Infinity transformation, but when Evil Sasuke saw it, he fell into a rage and fired a blast of fire to kill her, but Himiko Toga absorbed the fire blast and it made her even stronger than ever, and she fired a powerful rainbow energy blast with elemental forces, phoenixes, and dragons, and it him him and pissed him off.

Eli: HOLY CRAP!

Me: Wow, Himiko's transformed.

Lincoln: That's so awesome, she's transformed into her Super Angel Xelnaga Eternity Infinity form.

Nico: Wait until the rest of the heroes see this. Himiko, how do you feel?

Himiko Toga: (Divine Echoing Cosmic Voice of The Elemental Draconic Phoenix and Divine Blood Phoenix Redemption) **I feel incredible, Nico, and now, it's my turn to do the Evil Sasuke Rant. After all, Lincoln had his turn and he did awesome.**

Lincoln: (Smirks) Let 'em have it, and don't skip out on the foul language.

Me: (Smirks) Now, you're talking.

Evil Sasuke came out, and he was beyond pissed off.

Evil Sasuke: YOU MOTHERFUCKING CUR!

Himiko Toga: (Divine Echoing Cosmic Voice of The Elemental Draconic Phoenix and Divine Blood Phoenix Redemption) **Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. J.D. remember that your father said that very same thing to him in 150,000 years just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara**

**Uchiha, all they did was seal their fate. Your father poisoned his own son with his own hatred and turned you into a miniature version of him, and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right, and they say that your father was leading the Uchiha to greatness. But, it turns out you're just another lost soul of the run-of-the-mill ninja, and you know it. You're not even in the same league in the kind of power that I possess. Like J.D., I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to us and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the Jutsu in the world just to expand your Jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing Jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why J.D. killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why J.D. killed them all. YOU ALL FUCKING DISGUST ME!**

We all cheered wildly at Himiko Toga using the Evil Sasuke rant, and it really pissed Evil Sasuke off.

BUT THEN EVIL SASUKE EXPLODED IN RAGE!

She went at him and punched him in the face and kicked him in the stomach!

Albedo turned into Negative Ultimate Wildmutt.

Negative Ultimate Wildmutt: I never did like working you and Scott!

Me: No one likes you!

Himiko Toga: **Now you will be destroyed.**

Nico: YEAH!

Himiko went at Evil Sasuke and punched him in the face really hard and smashed his face.

Negative Ultimate Wildmutt: I wanted to do this within 5 seconds of knowing you! (Slashes Evil Sasuke's eyes out)

SLASH!

He screamed in pain as his eyes were cut out!

Nico then kicked Evil Sasuke in his face and then smashed his entire head off! Killing him instantly!

Nico: Take that!

Qin: That's it for that monster!

Himiko then banished the Evil Sasuke to the Black Gates.

Negative Ultimate Wildmutt: Can I have more water?

Maria gave him lots of water.

Negative Ultimate Wildmutt: Ahh. Thank you.

Maria: You're welcome.

Nico: But we're not finished yet.

Laney: I have a feeling that the next alien is coming.

Then a black version of Ultimate Wildmutt came!

Nico: Whoa! Another Ultimate Wildmutt!

Eli: I hope this version can talk.

Another Ultimate Wildmutt: (In a girls voice) I do talk yes.

Me: (Gasp) Zhalia Vincent!

Another Ultimate Wildmutt: Good to hear your voice again J.D.

Me: Same here.

Nico: You know her?

Me: Yep. Her name is Zhalia Vincent and she is a Cell Phone Maker. Also she can't see anything. She's blind.

Nico: Whoa!

Qin: Yeah.

Kaito: (gets out Gaoranger Ridewatch) Did Swartz promise you anything?

Zocks: (gets out Timeranger Ridewatch) Whatever it is, we can grant it instead.

Another Ultimate Wildmutt: Just to give me the ability to see.

Me: Well we can always do that for you.

Nico: Yeah.

Tigatron: That is true. But lets do it shall we? Tigatron, MAXIMIZE!

He transformed.

Qin: Yeah!

Kaito and Zocks activated their gears.

Kaito got a Wild Force Sword and Zocks got a Chrono Saber.

Qin: Yeah!

Another Ultimate Wildmutt: Oh and I'm not the only one.

Another figure came and it was a Zodiart for Cassiopeia The Queen!

Me: Whoa the Cassiopeia Zodiarts!

Nico: Wow! This one is a pretty one.

Cassiopeia Zodiarts: I get that a lot.

She reverted back and she was a girl wearing a blue bikini and had a voluptuous body and blue hair and she has the symbol for Cassiopeia on her right arm.

Me: (GASP) Jackie Cassiopeia!

Jackie Cassiopeia: (Seductively) Good to see you again handsome.

Me: You too beautiful.

Nico: You know her J.D.?

Me: Yes I sure do. Jackie is a girl that I saved from being mugged by a rapist in Colorado. She works at a gentlemans club and I helped her relinquish her dark past and bring her evil father to justice.

Nico: Wow!

Nicole: That is amazing. But I'm not going to murder you for this dad.

Me: Good.

Jackie Cassiopeia: This will be fun.

Jackie turned back into the Cassiopeia Zodiarts.

Nico: (takes out Kalin's Ridewatch) Let's start things off!

Nico activated it and fired waves of blue fire and blasted them both all over.

Qin: Yeah!

Me: Time for action! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

I fired waves of blue fire and blasted down the Cassiopeia Zodiarts and she exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the switch and purified it and it formed into a sword.

I picked up Jackie.

Nico: YEAH!

Sougo: (gets out Zero One Ridewatch) One down!

Armor Time! (Techno rock music) Progrise! Zero-One!

Geiz: (gets out Vulcan Ridewatch) And one to go!

Sougo got Zero One armor while Geiz got Vulcan armor.

They were ready!

Nico: Yeah!

Eli: Time for some buttkicking.

Sora: My turn!

She activated her Ridewatch for the Springfield Mafia and fired waves of fire and smashed Another Ultimate Wildmutt all over.

Qin: YEAH!

Tigatron fired energy blasts from his blaster and smashed her all over the place.

But then A Pyroclastic Elemental, Pyroclastic Hellion, Inferno Hellion, Embermaw Hellion and Volcano Hellion appeared!

Me: Whoa! Pyroclastic Elemental, Pyroclastic Hellion, Inferno Hellion, Embermaw Hellion and Volcano Hellion!

Inferno Hellion: (In a girls voice) Looks like we got here just in time. Right sisters?

They agreed.

Nico: The Volcania Sisters! Wow!

They reverted back and they were girls all with orange hair and orange clothes and orange eyes.

Varie Volcania: It's awesome to see you again Nico.

Nico: Same here. Everyone meet Varie, Valier, Vixen, Vivian and Valencia Volcania.

Me: Awesome to meet you girls.

Vixen Volcania: Same to you.

Valencia Volcania: Yeah. We got this.

They fired waves of fire and lava and blasted Another Ultimate Wildmutt and smashed her down.

She was back to normal and I caught the ridewatch and purified it and I picked up Zhalia and she was a red hair girl with blank eyes and red clothes.

Qin: Thank goodness.

Zhalia Vincent: (GROANS) What a headache.

Me: But you're okay Zhalia.

Biyomon: What are your favorite memories of Nico?

Nico: Before you answer that girls…

Me: I got this.

I had my hand glow blue and I put it on Zhalia's forehead and had my energy flow into her and then for the first time ever Zhalia opened her eyes and they were red and she then saw me and what I looked like for the first time.

Zhalia Vincent: (Gasp) I can see! You must be J.D.!

Me: That's right.

Zhalia hugged me.

Me: You can now see me.

Varie Volcania: That was awesome though. And to answer your question we are masterful volcanologists. Me and my sisters were in Nico's Earth Science classes.

Vixen Volcania: We went to volcanoes all over the planet and studied them and brought back all kinds of samples for the classes.

Nicole: I like your skills.

Valencia Volcania: Yeah we get that a lot.

Vivian Volcania: Yeah. Also our favorite memory is when we went to Krakatoa volcano and did a study there and brought back a bunch of glowing rocks. We have lava and fire powers and it makes us impervious to the heat from them.

Nico: Yep.

Me: Wow that is amazing.

Laney: It sure is.

Me: Also girls I like your matching hair and clothes. It's awesome.

Rarity: Oh it sure is.

Sunset Shimmer: I agree.

Varie: Thanks.

Nico hugged them.

Nico: I missed you girls.

Varie, Valier, Vixen, Vivian and Valencia Volcania: We missed you too Nico.

Tigatron: But this was a great rescue. Beast mode.

He turned back into a tiger.

Maria: Anyone need more water?

Zhalia Vincent: I could use some. I'm thirsty.

Maria: Sure.

She gave her some water.

Zhalia Vincent: Ahh. Needed that. Thanks.

Varie Volcania: This was a great rescue.

Sora Takenouchi: Lets get out of here before we sweat more.

Rarity: I agree darlings.

Nico: Good idea.

We teleported back to the estate.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, and Kari Kamiya are heading to Appleloosa in Equestria, and not only is Lincoln going to rescue the eight girls here, but we're also going to destroy Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash.

Lincoln: Wow, we're here in Appleloosa in Equestria and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're also going to destroy Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash.

Anatankha: And you, Danielle Meadowbrook, and Mage Meadowbrook are going to kill Nightmare Rarity later on today, I'm sure she'll be very angry when she finds out what you did to her fellow Nightmare Mane 6 allies.

Nico: Big time, Anatankha. Plus, I'm glad Lincoln's now included you in the rescue group.

Lincoln: That's something I haven't thought of, and J.D. made the right call to separate her from The Dark Sphinx before I killed her.

Me: Yeah, and when I separated her, The Dark Sphinx took on the mangled appearance that you, Emily Gordan, and Flash Magnus gave her and she was the one that wound up drained of her magic and strength.

Lincoln: That's right, and now, Anatankha is part of The Redemption Squad, and when Nightmare Rarity sees her with us, it's going to get her even more angry. And I want to thank you and Anatankha for joining us, Kari.

Kari Kamiya: You're welcome, Lincoln. Plus, I can't wait to deal with The Nightmare Mane 6, minus Nightmare Rarity, who's going to get hers later on today.

Twilight Sparkle: They're going to pay for their wicked misdeeds, all of them.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash, and they're going to kill them.

Lincoln: Let's get over there at once, guys, I found the eight girls, but they've been cornered by Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash, and they're going to kill them.

?: (Girl's voice) (Spanish Accent) Those dark nightmare versions of The Mane 6, let's get them.

Suddenly, we saw Cyberdark End Dragon appear before us.

Nico: Whoa, that's Cyberdark End Dragon, awesome.

Lincoln: And I'd recognize that Spanish accent, I knew it was you, Roxanne Equipooscuro, but we'll talk later, we've got to deal with Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash.

We rush on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash, and that allowed the eight girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash. When they saw us, they were enraged, and when they saw Anatankha with us, that really did it.

Nightmare Twilight Sparkle: What are you even doing with Team Loud Phoenix Storm, Sphinx?! You should've destroyed them yesterday!

Lincoln: You don't get to say another word, Nightmare Sparkle. Anatankha was like that due to her Dark Side, but we purified her of the darkness, and now, she's on the side of Redemption.

Nico: But, you five along with Nightmare Rarity whom we're going after later on today, don't even deserve to be redeemed.

Lincoln: Not even The Elements of Harmony will redeem them, unlike what happened with Princess Luna, Nico.

Anatankha fired a blast of magic and blinded Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash.

Lincoln: Awesome assistance, Anatankha. Now, let's get them.

Prison. We cheered wildly as we holster our weapons and powered down.

Lincoln: And that's that for Nightmare Twilight Sparkle, Nightmare Rainbow Dash, Nightmare Pinkie Pie, Nightmare Applejack, and Nightmare Fluttershy. (To Roxanne Equipooscuro) And it's so good to see you again, Roxanne Equipooscuro.

Roxanne Equipooscuro reverted back to normal, and she's a beautiful girl with long flowing neon dark blue hair, neon dark blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful dark purple angel wings, and she reigned in the power of Cyberdark End Dragon, and she's dressed in a white short-sleeved shirt with pink scarf around the neck, purple skirt, purple pants, purple sneakers, and long sleeveless dark purple trenchcoat with machines on the coattails, and Cyberdark End Dragon on the back, and holstered on her back is a large Cyberdark End Dragon-themed greatsword with Cyberdark End Dragon etched on the 7'0" massive, wide, double-edged dark purple blade, Cyberdark End Dragon's wings for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, and a large dark purple gem surrounded by angel wings for the pommel.

Roxanne Equipooscuro: (Spanish Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Roxanne Equipooscuro and they hugged, and Roxanne Equipooscuro is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Roxanne Equipooscuro: (Spanish Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and you now have massive white angel wings, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Roxanne Equipooscuro, she's my Guardian Angel from Brazil and classmate in Math. She's also an incredible mechanic and she's able to repair any machine in half the time others would.

Nico: Whoa, now those are some impressive mechanic skills.

Lori: Her skills in mechanics literally surpass Lana's, and she's worked in her family's mechanic shop in Michigan since she was seven.

Nico: Dang, that's awesome.

Lincoln: It sure is, and her last name, Equipooscuro, means Dark Gear in Spanish. It was Roxanne that taught me how to repair any machine, and we even worked together to upgrade Vanzilla.

Me: Yeah, I remembered that day you guys upgraded Vanzilla, that was some impressive work.

Nico: What, you guys worked together to upgrade Vanzilla, and this was before I moved here? That's awesome, hey, maybe you guys can also do some upgrades and/or car repairs on our cars.

Lincoln: We'll take that offer, Nico, and to show thanks, I took Roxanne to the park where I kissed Roxanne on the lips.

Eli: That's really romantic.

Lincoln: Thanks, Eli, plus, I also found out she's also the cousin of Princess Entrapta, and she hates Lola with a burning passion.

Nico: That explains her talent for fixing and upgrading machines. And I hate to find out what Lola did to earn her wrath.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Roxanne Equipooscuro's neck with dark purple gems on the gold thunderbolt links and dark purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Roxanne Equipooscuro: (Spanish Accent) Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're part of my harem and one of my many future wives, Roxanne.

Roxanne Equipooscuro had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Roxanne Equipooscuro's waist and Roxanne Equipooscuro wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he recognized them immediately. The eight girls are Akari Akaza, Yui Funami, Kyouko Toshinou, Chinatsu Yoshikawa, Himawari Furutani, Chitose Ikeda, Sakurako Oomuro, and Ayano Sugiura from YuruYuri: Happy Go Lily.

Lincoln: Oh wow, it's Akari Akaza, Yui Funami, Kyouko Toshinou, Chinatsu Yoshikawa, Himawari Furutani, Chitose Ikeda, Sakurako Oomuro, and Ayano Sugiura from YuruYuri: Happy Go Lily.

Nico: Ooh, cute and awesome.

Lincoln: Are you girls okay?

Akari Akaza: Yes, we're okay, thanks to you.

Then, when Akari Akaza and the other seven girls saw who it was that saved them from Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and

Akari Akaza: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Akari Akaza: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Akari Akaza, Yui Funami, Kyouko Toshinou, Chinatsu Yoshikawa, Himawari Furutani, Chitose Ikeda, Sakurako Oomuro, and Ayano Sugiura with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone what happened, and they were shocked when they found out the villains we went after were Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash.

But, when Lincoln showed what Anatankha did in blinding them, and us beating them up, and he, along with Twilight Sparkle, Pinkie Pie, Applejack, Fluttershy, Rainbow Dash, and Rarity putting an end to them and sending them to The Black Gates, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Roxanne Equipooscuro have a lot of catching up to do, now that she's back in town.

Maria: That was really awesome that Anatankha blinded them with a blast of magic, and you guys all dealt the members of the Nightmare Mane 6 a nasty deathblow.

Lincoln: Now, only Nightmare Rarity remains, and we're going to deal with her later on today after our mission today.

Nico: You said it, Linc.

---

After destroying Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Roxanne Equipooscuro saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Roxanne Equipooscuro: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Roxanne, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Roxanne Equipooscuro: (Spanish Accent) That's incredible.

Nico: It sure is. So, Roxanne, what's the story on why you hate Lola with a burning passion?

Roxanne Equipooscuro: (Spanish Accent) You're not going to like it one bit. One day, Lincoln and I were at the garage of The Loud House, and we were really busy doing some upgrades and repairs on Vanzilla, since Lana was visiting her friends, Kayla, Kristen, and Ashlynn at Kayla's house, and we'd wanted this to be a surprise for Mr. and Mrs. Loud. But, then, we heard a loud screech, and there's only one person in The Loud House who could make a loud screech which annoys anyone: it was Lola, and she was angry that Lincoln's not ironing her dresses and not being miserable. Lincoln told her he and I were busy working on Vanzilla, but that annoyed her and she was about to attack us in a fit of rage, but Lincoln fired a blast of red energy and trapped Lola in a rose red orb, and it was also soundproof, and we did our job in peace. When we finished, we were both covered in oil stains, and we'd finished just in time as the rest of the family came back, and we presented them the newly upgraded Vanzilla 2.0., it was equipped with state-of-the-art stereo with over 200 radio channels, large leather upholstery seats with cupholders, beautiful shag carpeting, and it's also equipped with a self-clean up feature and it cleans up all messes. When Mr. Loud and Mrs. Loud saw the newly upgraded Vanzilla, we wound up getting a big group hug by everyone.

Nico: Now, that's really awesome.

Lynn Sr.: Lincoln and Roxanne made this all happen, and they know how to make some awesome upgrades to Vanzilla and Lincoln did awesome changing the oil, even though he wound up getting oil on himself.

Rita: Roxanne did amazing teaching Lincoln on how to repair any machine, and it was about time that Vanzilla got a serious upgrade. And as for Lola, after Roxanne told us of what happened, we had her grounded in her room for three weeks with no sweets, no tea parties, and no pageants.

Lana: Mom told me everything that happened, and I was so proud of what Lincoln and Roxanne did in upgrading Vanzilla and they also got covered in oil, I burst into tears of happiness and hugged them.

Nico: Looks like The Loud Family now has two mechanics.

Lincoln: And we'll also work on upgrading our cars for when the next race starts, but that'll be for after we get rid of the last remnants of The Doomsday 23 and stop The Church of Necrom's final attempt at revenge on us.

Me: Good thinking.

We got a shower afterwards, and then, Lincoln and his harem are heading to Hanalei Bay in Kauai, Hawaii for a beach date.

Lincoln snapped his fingers, and the 7'5" tall, handsome, and extremely muscular man was dressed in large orange swim trunks with elemental forces, stars, and mythological animals on them and the rainbow flames coming off them, orange sandals, his jewelry, and he also had his weapons holstered in case of trouble, and his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, ladies, are we ready?

Rudina Adalwulf: We're ready, Linky.

Lincoln and his harem left The World Tree Estate, and they arrived at Hanalei Bay in Kauai, Hawaii, and they cheered when they saw him. Lincoln then explained that he was known as The Big Kahuna, because he'd surfed the largest wave years ago, and it impressed those who hadn't joined his harem.

Then, Lincoln and his harem dived into the waters and they were swimming in the clear waters and they also saw the sea creatures and plants that live there, and they were also surfing on the water, and everyone on the beach were cheering like crazy when they saw Lincoln surfing. Then, Lincoln and his harem had a game of volleyball and the girls in both harems got a massive deep atomic red blush when they saw Lincoln lift up a 900,000,000,000,000-lb barbell he summoned. Then, they also had some lunch on the sand, and then, Lincoln made clones of himself, and he and the clones went up to the girls in his harem, and they wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and Lincoln and the girls shared a passionate and romantic kiss and then, they came back home to The World Tree Estate and were back in their original clothes.

Me: Hey, guys, how was your date?

Lincoln: It was awesome, J.D., we went to Hanalei Bay in Kauai, Hawaii for our beach date.

Rudina Adalwulf: And we had fun there, we went diving into the waters, we went surfing, we also had an awesome game of volleyball, and we also had lunch. Plus, we were blushing when we saw Linky lift up a 900,000,000,000,000-lb barbell he summoned, that was really awesome and that proved just how much stronger he's continuing to get.

Nico: Hope you didn't run into any trouble there.

Paige: Nope, in fact, when we arrived, everyone cheered when they saw Lincoln here, his reputation as The Big Kahuna is still going strong there.

Me: After what he did in making his mark in the surfing world years ago, that's a powerful mark he's made.

Mollie: And we were also welcomed with having Lei necklaces put around our necks.

Nico: That's been an important custom Hawaiians have whenever they welcome tourists.

---

Later we had Drakus blindfolded and we were walking to the zoo.

Nico: You are going to love this Drakus.

Me: Yep.

We got to the zoo.

Android 18: Snake, you and Irma are up for bonding time.

Snake: Awesome!

Irma Lair: Looking forward to this.

Qin: Yep.

We arrived and took off Drakus's blindfold.

Jackie Cassiopeia: It sure is and nice bikini top Quiet.

Quiet: Thanks Jackie. Yours is awesome too.

Jackie Cassiopeia: Yeah it sure is.

We were at the Wolf Exhibit and it was awesome.

Me: The Wolves are awesome.

Snake was looking at the snake exhibit.

Android 17: (laughs at this) Now, that's ironic!

Snake: Just because my name is Snake doesn't mean I am one.

Nico: Besides I think these snakes are awesome.

Qin: They sure are.

Laney: Yeah they are cool.

Lana: Yep.

Drakus: This is so awesome though.

Me: We have an awesome new exhibit built here now.

I showed everyone the new exhibit and it was for The Future

Animals we saw from 5,000,000 to 200,000,000 years hence.

Qin: Whoa!

Nico: Wow! So you put in an exhibit for the Future Creatures.

Me: Yep. And their habitats are just like what we saw in the future. Everyone loves it.

Jackie Cassiopeia: This is amazing.

Quiet: Wow! So this is what you guys saw in the distant future?

Me: Yep.

Snake: Irma, I have to admit. Making you my sister really softened this soldier's heart.

Irma: Thanks Snake.

Me: That was so awesome.

Headstrong: It's amazing how there are so many animals here.

Me: Well it's the Zoo. And Fluttershy has an awesome job here taking care of them all.

Fluttershy: Yes and I think it's great too.

Nico: Working at the zoo is perfect for Fluttershy.

Applejack: It sure is.

Me: Now that she is a mother of awesome kids she has to find a good job to work and maintain the family while also working for us too.

Camie: That's true.

Laney: I like it too.

Pipes: The best part is that Big Boss is dead.

Snake: That's for sure.

Me: Yep. And his operation is dead.

Qin: Yep.

Nico: Thank goodness.

Me: By the way Drakus are you having a great time at the zoo?

Drakus: I sure am! This is awesome!

Ridley (X-Squad): Glad you're having fun boss.

We went and got lunch and it was a great feast for Drakus.

Drakus pulled away part of the scenery like it was a background curtain to reveal a video camera that was live recording.

Lunaria: What else, to have fun facing you for old times sake.

Kronos: And to tell you the truth, We barely knew those assholes and just got here, but thank you for getting rid of him. Saved us the trouble of having to butcher him like a pretty piece of meat.

Me: Drakus, any reason why you know these guys?

Drakus: Kiko over there is the leader of SIREN, an organization of villains that are our frenemies. But be warned, Snowpop over there can and will bring indie horror game monsters to life, but that makes these fights more of a challenge.

Nico: Well, that's reasonable. The last part is terrifying though.

4 animatronics (a crocodile, bee, beaver and heron) appeared from a dark portal. On their chests are safes like the Power Rangers monsters.

Drakus: Welp, guess it's time you saw one of the weirder members of SIREN.

Then, a fit of evil laughter was heard from the fountain, and then a shark/human hybrid boy wearing a black vest, an Adidas white hoodie, black pants and blue and white sneakers jumped out of the water and bowed.

Jawshock: Such courageous yet foolish actions, to speak the name of the Demon of the Tides so casually! My friends, our beloved archfoe has returned to us! This truly is a day for revelry!

We finished just in time, when Drakus and The X-Squad were coming, and when he came in, he had his eyes covered, and when the lights turned on, we jumped out, and my eyes were uncovered.

Everyone: SURPRISE! HAPPY BIRTHDAY, DRAKUS!

Nergal: Let's get going!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Nightmare Rarity, and she's absolutely furious that Nightmare Twilight Sparkle, Nightmare Pinkie

Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash have been destroyed and sent to The Black Gates and Anatankha is on our side since yesterday, and now, she's heading here to kill us and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Nightmare Rarity on the move?

Lincoln: You guessed it, Nico, and she's absolutely furious that Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash have been destroyed and sent to The Black Gates and Anatankha is on our side since yesterday, and now, she's heading here to kill us and get her revenge.

We gasped.

Me: Should've known she'd show up after the news that Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash have been destroyed and sent to The Black Gates and Anatankha being on our side since yesterday would piss her off badly.

Nico: But, now, that bad jewel master is going to meet the same fate as the others.

Danielle Meadowbrook: Sent to The Black Gates by our hands.

Mage Meadowbrook: Yes, that's right, Danielle.

Lincoln: This'll mean once we get rid of Nightmare Rarity, we'll have gotten rid of another powerful threat to Equestria, but we still got the other Doomsday 23 members to deal with.

Nico: That's true, but you're right, Lincoln. Alright, gang, let's go, time to meet up with The Time Squad.

Lincoln: Looks like we've got a Time Crisis to deal with, and once we fix this Time Crisis, you better be ready for later on, Nightmare Rarity, because we're putting an end to you and you'll be joining the rest of The Nightmare Mane 6.

We were off to the Time Squad Satellite.

---

We arrived at the satellite.

Me: That's right.

Laney: So we're heading off to the Early 20th Century.

Nico: Yep.

We then were off.

---

WASHINGTON D.C. - CIRCA 1911

We arrived

We saw said monument.

Me: Yep.

Tuddrussel: (Whimpers) And the haunted mansion.

Otto Osworth: Oh my gosh that's the White House!

Larry 3000: The President lives there?

Otto Osworth: He's supposed to.

Me: This is weird. The White House is NOT supposed to look like that.

Trolling Thunder: That's a haunted house! Not the White House!

Me: No that's the White House all right.

Nico: Yeah it's the White House.

We went up to the door and went in.

Me: Hello?

Otto Osworth: Anybody home?

Me: Hmm.

Kite Man: Think we'll see George Washington's ghost here?

Ghost of George Washington: Uh I cannot tell a lie. I'm right here.

Kite Man: Oh right. Sorry.

Camie: Hmm.

Laney: But I have a feeling that this place is haunted.

Tsuyu: Me too.

Birdbrain: I wonder what happened here?

Me: No idea.

Eerie Voice: GET OUT OF THE WHITE HOUSE!

Puppetmon: This is no way to treat guests!

Me: I wonder whose voice that was.

Then we heard pounding and it was coming from a room and we opened the door and in it all tied up and gagged was President William Howard Taft, Vice President James Sherman and Secretary of State Philander Knox.

Otto Osworth: President William Howard Taft, Vice President James Sherman and Secretary of State Philander Knox.

We helped them and untied them.

Me: President Taft are you all right?

President Taft: Yes thanks to you.

Nico: What happened?

President Taft: The Ghosts of Presidents Past tied us up.

V.P. Sherman: We were attacked by Presidents William Harrison, Andrew Johnson and James Garfield.

Otto Osworth: William Harrison - America's 9th President, Andrew Johnson - America's 17th President, and James Garfield - America's 20th President? Bizarre.

Livewire: You need something to eat?

President Taft: No I'm all right.

Me: Good. We won't let whoever did this to you go unpunished.

Qin: Yeah that's for sure.

Nico: Yep. That you can count on.

Cavalier: First, we must learn to navigate through here.

Nico: Agreed. President Taft we should tell you more about us first.

Me: We are actually from 111 years into the future. We are the most powerful force in the entire universe.

Eli: That's right sir. We are from the 21st Century.

President Taft: I believe you from the way you guys are dressed in some circles.

Me: It's strange too.

Nico: Yeah.

Qin: But it's all true.

Then a ghost was seen and we saw that it was that of Zachary Taylor - America's 12th President!

Nico: It's Zachary Taylor!

Otto Osworth: America's 12th President!

Nico: WHOA!

Eli: The Chain Smoker President.

Ashi: If we're really quiet, we can take it out before it sees us.

Nico: Okay.

We snuck up and I pulled out the Fenton Thermos and I pointed it at him and then fired and sucked it in.

Me: Gotcha.

Count Vertigo: What other ghosts are here in this house of horrors?!

Me: I think him!

We saw the ghost of PRESIDENT BENJAMIN HARRISON AND HE WAS A VAMPIRE!

Otto: tt's Benjamin Harrison - America's 23rd President!

Benjamin Harrison: (Transylvanian Accent) And I'm a vampire. Bleh! Bleh! I vant to suck your blood!

Brittney: You are no vampire buddy!

President Taft: I'm not scared of you!

Me: He obviously does not know WHO HE IS FUCKING WITH!

I activated a U.V. FLASHBANG and blasted him with sunlight and incinerated him and then sucked his ghost into the Fenton Thermos!

Breakdown: If we fail, America's gonna be Spooky City!

Nico: Don't talk like that Breakdown!

Breakdown: Sorry.

Me: Besides we're not going to let that happen.

Varie: Where are all these ghosts coming from?

Eli: I sense they are coming from the basement.

President Taft: Then lets go check it out.

Magneto: Whatever caused this time change came from there.

Nico: Then we'll be ready to stop him.

Qin: Yeah.

Camie: We got to stop him.

Nico: Lets go.

Darkwing: Also, who's time is it to shine today?

Me: Sunny and Twilight.

Sunny Starscout: Cool!

Me: Hero and Worshiper. I like that.

Nico: Yep.

Motor Ed: Dude, time to bust some ghosts! Seriously!

Nico: You got that right.

Brittney: But I'm also sensing a very familiar evil here.

Nico: Who is it?

Brittney: It's a certain Satanic Russian Minister we hate with a vengeance.

Anastasia Nikolaevna: It can't be!

Qin: You mean Grigori Rasputin!?

Brittney: The forces of darkness are telling me it's definitely him.

Camie: Who is Rasputin?

Me: His name is Grigori Rasputin, the most evil minister in all of Russia's history back in the Early 20th Century.

I went over his history.

---

Grigori Yefimovich Rasputin (Russian: Григорий Ефимович

Распутин), or better known as his surname Rasputin, is the main antagonist of Don Bluth's ninth animated feature film Anastasia. He is loosely based on the real-life Russian psychic of the same name, but in the film, he is depicted as a far more malevolent being of black magic than the real-life Rasputin, though the two share the common title of "Mad Monk". He is Anastasia and Dimitri's arch-nemesis and Bartok's former master.

He was voiced by Christopher Lloyd who also played Judge Doom in Who Framed Roger Rabbit, Reggie Shand in Walk Like a Man, The Hacker in Cyberchase, Merlock in DuckTales the Movie: Treasure of the Lost Lamp, Lord Imaru in The Secret Treasure of Machu Picchu by Golden Films, Mr. Clipboard in Foodfight!, Bill Crowley in I Am Not A Serial Killer, Dr. Heep in Baby Geniuses, Kruge in the Star Trek universe and Switchblade Sam in Dennis the Menace, while his singing voice was provided by Jim Cummings, who also played Razoul in Disney's Aladdin, Ed the Hyena in Disney's The Lion King, Long John Silver in The Pagemaster, Steele in Balto, and was also half of the singing voice of Scar in Disney's The Lion King.

Rasputin was banished for treason by the Russian Tsar Nicholas Romanov.

Eager to get revenge for his banishment, Rasputin planned on destroying the Russian royalty. He sold his soul to the otherworldly forces of darkness in exchange for his Reliquary and for the power to destroy the tsar Nicholas II and his family, becoming a lich in the process (a type of undead creature with magical powers). He then returns to the Russian palace and inflicts the Romanov curse on Tsar's family. All of the royals are killed by Rasputin and the Russian soldiers, except for the Tsar's mother, Marie Romanov, and his daughter, Anastasia. Rasputin eventually attempts to murder Anastasia with his bare hands while chasing her across a frozen river. Jumping from the bridge above, he tackles the young girl face first onto the thin ice, losing his amulet in the process. He viciously grabs her by the ankle and thrashes her about; vowing that she'll never escape from his clutches whilst she begs for mercy. But the ice under the evil man begins to break before he can get any closer to the young Romanov. The empress quickly rushes her away from the drowning man who sinks, and he is unable to die until he completes his curse.

10 years later, Rasputin is trapped in limbo, then his amulet is back in his hands thanks to Bartok. Driven more by his intense and malevolent desire for revenge, he wishes to finish off what he started before he rests in peace by killing Anastasia. Putting his demonic minions to work on finding and destroying her but failing, he is accompanied throughout the film by his reluctant minion Bartok, who is a white bat.

Rasputin summons his army of green demons to kill Anya and complete his revenge. He has the demons sabotage the train Anya, Dimitri and Vlad are on by separating the train with an engine and baggage car from the dining car and coaches in Poland. However, Anya, Vladimir, and Dimitri jump off the train to avoid falling to their deaths, to Rasputin's fury.

Later, Anya, Dimitri, and Vlad arrive in from Stralsund, Germany, and board a ship to Paris. That night, as Anya sleeps, Rasputin invades her dreams and causes her to sleepwalk to the edge of the ship. Luckily, Dimitri (alerted by Pooka) awakens and rescues Anya at the last second.

Enraged at the failure, Rasputin throws a childish tantrum. Recomposing himself, he tells Bartok that he will go to Paris himself and kill Anastasia in person. Bartok tries to talk him out of it, but to no avail.

Later, Rasputin takes advantage of Pooka to lead Anastasia into a garden maze and traps her there to reveal himself. He then tries to kill her on the Alexander Bridge over an icy Seine River; mimicking the same tragic night on the ice they once shared before. Dimitri returns to save her, but is injured and knocked unconscious by the Black Pegasus.

Just when Rasputin was inches from winning, Anastasia survives and is filled with rage. She attacks Rasputin and they both wrestle body to body. Pooka snatches the reliquary, and it rolls to Anastasia's feet. Anastasia stomps on the reliquary, causing it to burst. An explosion of green magic sends both Rasputin and

Anastasia onto the floor, as Rasputin's demonic minions are unleashed and come to collect his soul as punishment for his repeated failures to kill Anastasia.

As Rasputin looks up, he sees his demons flying towards him and screams as they send down several bolts of their dark magic, hitting Rasputin and collecting his soul as his skin turns to liquid and he crumples to the floor, tearing off his cloak as his skeleton violently twitches before turning to a pile of dust and being blown away by the wind.

While not stated in the film, the tie-in picture book specifies that due the reliquary's destruction and his inability to fulfill his part of the deal, Rasputin was dragged to Hell.

When I was done everyone that hadn't heard about it was shocked.

Nico: Yeah.

Camie: He's pure evil!

Qin: Yep.

Lori: And he is literally the first monster that I destroyed.

Sirius: You destroyed him Lori?

Me: She sure did. It was her first ever adventure.

I went over what happened in chapter 49 and it was awesome!

---

Lori was in the Simulator.

Me, Varie, Bobby, Ronnie Anne, Lincoln & Linka and Lisa were in the control room.

The Simulator Activated and she found herself in the world of the movie Anastasia.

The year was 1917 and the February Revolution was underway. Luckily the simulator doesn't do time travel.

Lori: I've studied about this. This is the February Revolution and the abdication of Tsar Nicholas II.

Lori arrived at a train station and she saw the train about to leave and Tsar Nicholas' daughter Anastasia Nikolaevna was about to fall onto the tracks and hit her head when Lori spread her wings and flew and Anastasia vanished.

Lori had Anastasia in her arms and she was flying in the air.

Lori: Are you alright?

Anastasia: Yes. Thanks to you.

Lori: You're welcome. My name is Lori Loud and I'm from America.

Anastasia: It's a pleasure. My family ran because of Rasputin.

Lori: [Gasp] Grigori Rasputin? The evil sorcerer?

Anastasia: That's him.

Lori: That demonic freak! I will make him pay for this!

Anastasia: Me too.

Lori and Anastasia both vowed to get revenge on Rasputin and put an end to his evil for good.

At a house near St. Basil's Cathedral, Lori and Anastasia were hiding until all the fighting died down.

Lori: Anastasia how did this all happen?

Anastasia: It started with my family celebrating the 300th anniversary of the Romanov Dynasty. My grandma gave me this beautiful music box.

Anastasia showed Lori her music box and used her necklace to open it and it played a beautiful song.

It played "Once Upon a December."

Lori: That is beautiful.

Anastasia: Yes.

Lori: I've read alot about the Romanov Tercentenary Anniversary. It was celebrated in 1913.

Anastasia: Yes. That's right.

Lori: Why would Rasputin want to destroy Russia?

Anastasia: He was banished for treason and he casted a curse on my family.

Lori: He wants to destroy the Russian Royalty and he sold his soul to The Devil for the power to destroy the Tsarhood.

Anastasia: Yes. Rasputin fell through some ice on a lake and I took this.

Anastasia pulled out an evil Reliquary.

Lori: This has pure evil written all over it.

Anastasia: Yes. I've seen what it can do. It can create ice, lightning, fire beams of light, bring objects to life and create monsters.

Lori: And without a doubt Rasputin's life force is bound to this. If it were destroyed he would die.

Anastasia: Yes. I have a feeling you're right.

Lori: Rasputin you are truly a Satanic beast. Luckily I know someone that taught me how to purify and use it as my own.

Anastasia: You can do that?

Lori: Yes. Watch. [Lori chants an incantation] **Matteenma lumne Niinkyoyya Jatonna Sezframo Tomatine!**

A blast of wind magic fired from her hand and hit the reliquary and extracted Rasputin's Soul and it left and went back to his body. Lori can now utilize it at will and it turned into an amulet of wind.

Lori: Perfect.

Lori now has all of the Reliquary's powers and it can now find Rasputin.

At the Lake, Rasputin crawled out of the water and his soul went back into his body.

Rasputin: Aah! No! My soul is back in me. That little brat took my amulet and someone used magic to break my deal. I will make whoever did it pay with their life!

Back in Moscow, Lori and Anastasia were over at the Kremlin and they found it abandoned.

Lori: Looks like the people of Russia want the Tsarhood gone forever.

Anastasia: Yeah.

Lori: Lets see if we can find anything we can use to fight Rasputin.

Lori and Anastasia looked around and Lori found a medieval sword from England.

Lori: Anastasia, did your family like to travel alot? I found this longsword here.

Anastasia: Oh. Daddy found that when he went to England.

Lori: It's a Scottish Claymore. Nice quality.

Lori sheathed it onto her back. Lori also found an old 18th century Russian Flintlock.

Lori: I could use this.

Lori put it in her pocket and she was ready.

The doors bursted open and in came Rasputin.

Rasputin: Where are you you little brat?!

A gunshot was fired and a bullet went into Rasputin's leg and he screamed in pain.

He saw Lori with her gun and smoke was coming out of it.

Lori: That was for the Romanov Family.

Rasputin: You stupid woman! Do you have any idea what you've just done!?

Lori: Destroyed your reign of terror that's what. You will now pay for your crimes Rasputin!

Rasputin: Not if I kill you first!

Rasputin unsheathed his sword and Lori unsheathed her sword and she and Rasputin got into a powerful swordfight.

Sparks were flying and some of the Kremlin got set on fire.

Anastasia then got behind Rasputin and stabbed him in the back and Lori stabbed him in the head and killed him.

Lori: Give my regards to the Netherworld.

Anastasia then broke down crying and Lori comforted her. Lori and Anastasia both avenged the Romanov Dynasty and all of Russia.

Anastasia: [Crying] Lori! I don't have anywhere to go! I… I…

Anastasia was orphaned.

Lori: You can come live with us where I'm from.

Anastasia: You'd… You'd do that for me?

Lori: Sure. It's the least I can do for helping you out.

Anastasia hugged Lori and was so grateful.

Anastasia packed some of her things and a dimension wormhole appeared and Lori and Anastasia went in through it.

The exercise ended and Lori revealed everything. Anastasia now lives in Lori's room and Anastasia had everything from her Russian Heritage with her.

---

When I was done everyone was amazed!

Camie: Whoa!

Eli: Yeah that is awesome!

We went down the stairs and arrived at the door to the basement.

Me: There is the door.

Brittney: His evil energy is behind that door.

Dive Man: Entrance time!

Nico: Lets do it.

We went at the door.

Rasputin was laughing malevolently as the ghosts were all being unleashed.

But then the spirits of America were swirling around him and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we came out.

Me: Rasputin you are not welcome in the White House!

Nico: You will pay for your crimes!

Lori: Why are you doing this, Rasputin? Your grudge is against Anastasia, not the White House!

Rasputin: Because, dear Lori, everytime you and Anastasia along with your meddling friends have fought me, you've denied me the conquering of Russia. So, I thought conquering America would be more easy. (laughs evilly) Soon, America as you know it will be known instead as… Spooky Land!

P'andor: (Russian Accent) There seriously isn't a creative way to change America's name into a perfect spooky one, is there?

Me: Obviously not. But we're not going to let you do this!

I fired waves of energy blasted him all over the place and smashed him down. He got up.

Lola: Yeah!

Then Sportsmaster, Merman, Riddler, Absorbing Man, Overdrive, Weather Wizard, Shiva, Bronze Kneecap, DC Enchantress, and King Shark appeared.

Nico: Sportsmaster, Merman, Riddler, Absorbing Man, Overdrive, Weather Wizard, Shiva, Bronze Kneecap, DC Enchantress, and King Shark.

Me: Strange seeing you guys 111 years early.

Absorbing Man: It sure is awesome though.

Sportsmaster: So, how was fighting SIREN?

Maria: Honestly, pretty sweet!

Merman: Good to know.

Me: Drakus loved it too.

Riddler: Not bad for Drakus' birthday present.

Nico: You got that right.

Absorbing Man: (to Nico) Heard you fought an Evil Sasuke.

Nico: Yep.

Overdrive: Where did the battle take place?

Me: We had it on Valakut, The Molten Pinnacle in the world of Magic The Gathering.

Overdrive: Awesome! Any vehicles here for me?

Me: Well your options are pretty limited here. Cars and all that haven't been made yet.

Overdrive: I see your point.

Lepus then appeared for round 2.

Me: Lepus. You here for another round?

Lepus: Yep. And also I'm here to challenge Lindsey Lepus here.

Lindsey Lepus: Wow! It'll be an honor and also my Lepus the Rabbit mark is glowing. So that means you are here for me.

Lepus: Yep.

?: This is gonna be awesome.

A figure came out and it was STINGERELLA from episode 6 of Jungle Fury!

---

Stingerella was a red sash wearing Rinshi and the only female member of Five Fingers of Poison. She possessed the spirit of a Scorpion and used dance and kick combinations that earned her the title "Queen of the Toxic Dance." She was also Toady's love interest. She served as one of two main antagonists of the episode "Dance the Night Away."

Stingerella and the other Fingers of Poison were formed by Camille to destroy the Rangers. Stingerella first appeared with other Fingers of Poison in fourth episode and attacked Ocean Bluff. When they first encountered the rangers, Stingerella fought Lily and defeated the Yellow Ranger, using her battle style. Later when Casey was defeated by Dai Shi, Stingerella poisoned him. The dosage wasn't enough to kill him, but it made him temporarily suffer massive pain. In the sixth episode Stingerella attacked the city with army of Rinshi Stingerella taught the Rinshi her dancing battle style and together they defeated the rangers. The battle was stopped by Toady, who interfered and Stingerella left. Then she attacked the city again but now rangers used the similar dance based technique and defeated the Rinshi. Then Toady interfered and convinced Stingerella to combine their powers. Stingerella was impressed with Toady's new attitude and fell in love with him. Together they defeated the rangers and left. Later they tried their finale attack on the city and now they tried to use the volcano, but were interfered by Rangers. In the finale battle Toady was destroyed and Stingerella wanted to get on revenge for him. She enlarged herself and in the giant battle she unleashed army of little scorpions on Jungle Pride Megazord, but the Savage Spin took them off and she was finally destroyed by it.

---

Casey Rhodes: Stingerella!

Me: The Scorpion Rinshi! I remember you! You were one of the Five Fingers of Poison and you were sent with Toady to defeat the rangers and you both overpowered them.

Stingerella: That's right.

Me: Yep.

William: So, your attack style is dancing?

Stingerella: Of course it is! Me and my darling Toady have mastered it in our first fight with the Rangers!

Me: I remember that. The Scorpion Style packs a wallop.

Nico: Yep.

We got the battles underway

Sunset Shimmer: She is really awesome and she is an amazing mechanic.

Pipsqueak: (British Accent) She taught Lincoln to rebuild the Loud House Family Van.

---

Roxanne Equipooscuro: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Roxanne, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Roxanne Equipooscuro: (Spanish Accent) That's incredible.

Nico: It sure is. So, Roxanne, what's the story on why you hate Lola with a burning passion?

Roxanne Equipooscuro: (Spanish Accent) You're not going to like it one bit. One day, Lincoln and I were at the garage of The Loud House, and we were really busy doing some upgrades and repairs on Vanzilla, since Lana was visiting her friends, Kayla, Kristen, and Ashlynn at Kayla's house, and we'd wanted this to be a surprise for Mr. and Mrs. Loud. But, then, we heard a loud screech, and there's only one person in The Loud House who could make a loud screech which annoys anyone: it was Lola, and she was angry that Lincoln's not ironing her dresses and not being miserable. Lincoln told her he and I were busy working on Vanzilla, but that annoyed her and she was about to attack us in a fit of rage, but Lincoln fired a blast of red energy and trapped Lola in a rose red orb, and it was also sound-proof, and we did our job in peace. When we finished, we were both covered in oil stains, and we'd finished just in time as the rest of the family came back, and we presented them the newly upgraded Vanzilla 2.0., it was equipped with state-of-the-art stereo with over 200 radio channels, large leather upholstery seats with cupholders, beautiful shag carpeting, and it's also equipped with a self-clean up feature and it cleans up all messes. When Mr. Loud and Mrs. Loud saw the newly upgraded Vanzilla, we wound up getting a big group hug by everyone.

Nico: Now, that's really awesome.

Lynn Sr.: Lincoln and Roxanne made this all happen, and they know how to make some awesome upgrades to Vanzilla and Lincoln did awesome changing the oil, even though he wound up getting oil on himself.

Rita: Roxanne did amazing teaching Lincoln on how to repair any machine, and it was about time that Vanzilla got a serious upgrade. And as for Lola, after Roxanne told us of what happened, we had her grounded in her room for three weeks with no sweets, no tea parties, and no pageants.

Lana: Mom told me everything that happened, and I was so proud of what Lincoln and Roxanne did in upgrading Vanzilla and they also got covered in oil, I burst into tears of happiness and hugged them.

Nico: Looks like The Loud Family now has two mechanics.

Lincoln: And we'll also work on upgrading our cars for when the next race starts, but that'll be for after we get rid of the last remnants of The Doomsday 23 and stop The Church of Necrom's final attempt at revenge on us.

Me: Good thinking.

Nico teleported and opened her safe and in it was a bunch of weapons called the Greatswords of The Zodiac, they're a collection of massive greatswords with the signs of The Zodiac etched on the 7'0 massive, wide, double-edged colored blades, large colored angel wings for the crossguards, large colored gems embedded in the rainguards, longer black handles, and large colored gems surrounded by angel wings for the pommels. Once in hand, they'll get a massive power and energy increase, and there's also blasters and spellbooks included with the swords as well.

Nico teleported back with them.

Nico: You said it, Lincoln. Awesome job, guys, but we're not done yet, there's still the matter of Nightmare Rarity to deal with, and that bad jewel master should be arriving… right now!

?: You will all pay for ruining my plans to get rid of you, Team Loud Phoenix Storm!

King Sombra the Good: I knew there's no mistaking that voice from anywhere. You can come out now, Nightmare Rarity.

A dark figure came out, it looked like Rarity, but her skin was pitch black, her purple hair has a white streak, her eyes had slit pupils, and her cutie mark has a purple crescent moon: the figure was none other than Nightmare Rarity.

Rarity: My word, so that's what I would look like if I was corrupted by the dark magic of Nightmare Moon?!

Lincoln: Yep, and we saw it for ourselves when we fought Nightmare Twilight Sparkle, Nightmare Pinkie Pie, Nightmare Applejack, Nightmare Fluttershy, and Nightmare Rainbow Dash, Rarity.

Nico: Yeah.

Nightmare Rarity: You have ruined my plan to finally destroy you all, you destroyed Nightmare Twilight Sparkle, Nightmare Rainbow Dash, Nightmare Pinkie Pie, Nightmare Applejack, and Nightmare Fluttershy, and that accursed Sphinx has joined all of you since yesterday?! Now, I will destroy you all and plunge this entire planet into eternal night!

Nightmare Rarity fired dark jewels at us, but Lincoln formed a magic barrier to protect us, and that allowed Danielle Meadowbrook to fire a powerful red and spring green energy blast at Nightmare Rarity, which hits her.

Nightmare Rarity: Who do you think you are to get in my way?!

Danielle Meadowbrook: Someone who refuses to let you hurt my friends, and who's had about enough of you, you bad Jewel Master of Darkness. (Red and Spring Green energy aura flares up) I am Danielle Meadowbrook, Champion of Mage Meadowbrook, Great Healer of Equestria and One of The Legendary Pillars of Harmony, and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Healing.

This horrified Nightmare Rarity badly.

Nightmare Rarity: Impossible, The Champions of Harmony have returned.

Suddenly, Danielle Meadowbrook's turquoise eyes turn neon turquoise, and she was surrounded by a red and green energy aura with Alicorns, magic, leaves, and nature, she unholstered her massive Sword of The Champion of Harmony, and as she approached Nightmare Rarity, she left red and green energy, Alicorns, magic, leaves, and nature with every step.

Danielle Meadowbrook: Nightmare Rarity, I will never forgive you for the crimes that you and the rest of The Nightmare Mane 6 committed against Equestria, you've gone from being The Element of Generosity into a monster corrupted by the dark magic of Nightmare Moon and driven by a desire to plunge Earth into eternal night, and now, I will administer unto you the punishment you rightfully deserve: death.

Suddenly, Danielle Meadowbrook was surrounded by a massive vortex of red and green energy with magic and leaves surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a turquoise phoenix. Then, as the vortex faded, Danielle Meadowbrook emerged, but she was changed forever.

Danielle Meadowbrook grew to 6'11" in height, she has the body of a goddess, she has turquoise highlights in the bangs of her long red hair tied in a braid, she has turquoise eyes and a red and green energy aura with Alicorns, magic, leaves, and plants surrounding her, she has an Alicorn along with Mage Meadowbrook's cutie mark on its horn emblazoned on her forehead, she has on Alicorn earrings with turquoise gems for eyes and the Healing and Eternity Kanjis in its hooves, she has on her Crystal Necklace of The Buddha with turquoise gems on the gold leaf links and red crystal links and a red Alicorn-shaped Element of Harmony and on the bottom of The Element of Harmony is an Alicorn with turquoise gems for eyes and holding the Healing and Eternity Kanjis in its horn for the pendant. Danielle Meadowbrook has on a short-sleeved green shirt and long-sleeved blue sweater with the tattoo of the Elements of Harmony on her right shoulder, spring green and blue frilly skirt, sandals, and long spring green sleeveless trenchcoat with leaves and potions on the coattails, and an Alicorn on the back surrounded by leaves and on top of its horn is the Elements of Harmony. Suddenly, Danielle Meadowbrook felt a sharp pain on her back, and then, massive red angel wings with green tips on the red feathers, grew and sprouted out from her back. Danielle Meadowbrook has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger.

Suddenly, Danielle Meadowbrook's massive Sword of The Champion of Harmony and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of red and amber energy, magic, leaves, plants, and Alicorns, and when it emerged, it was transformed into Mage Meadowbrook's Alicorn Greatsword of Nature Healing and Jungle Potion Justice, it's a brand-new massive greatsword with a 7'0" massive, wide, double-edged red blade with the cutie mark of Flash Magnus etched on the blade, large gold Alicorn heads for the crossguard, large turquoise gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with turquoise gems for eyes and a large red gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and turquoise gems for the eyes and a large red gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a gold kanji below the Alicorn that said, "Danielle Meadowbrook, Champion of Mage Meadowbrook, The Champion of Healing, Master Healer from The Okefenokee Swamp in Florida, Master of Swamp Magic, One of The Twenty-Seven Champions of Harmony, Destroyer of Nightmare Rarity and The Doomsday 23, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, and Master of The Powers of Healing and Swamp Magic"

Danielle Meadowbrook has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY HEALING SWAMP MAGIC FRIENDSHIP ALICORN ANGEL OF DIVINE HEALING SWAMP JUSTICE AND DIVINE SWAMP MAGIC LOVE!

We were amazed by Danielle Meadowbrook's Super Angel Eternity Infinity transformation, but when Nightmare Rarity saw it, she flew into a rage and fired more dark jewels to kill her, but Danielle deflected them with her Elemental Shield of Harmony and she fired a powerful red and green energy blast with Alicorns, magic, leaves, and plants, and it hits Nightmare Rarity and sent her flying into a tree, but she's not out yet.

Nico: Whoa, Danielle Meadowbrook's transformed, so awesome.

Me: You said it, and now, it's Mage Meadowbrook's turn to transform.

Ken Knudson: And once Lincoln also joins in, the battle will truly begin.

Danielle Meadowbrook: (Divine Echoing Cosmic Voice of The Healing Swamp Magic Alicorn and Divine Healing Swamp Magic Love) **That's right, Ken.**

Mage Meadowbrook: Yes, and now, it's my turn to join in.

Suddenly, Mage Meadowbrook's turquoise eyes turn neon turquoise, and she was surrounded by a red and green energy aura with Alicorns, magic, leaves, and nature, she unholstered her massive Sword of The Knights of The Friendship Table, and as she approached Nightmare Rarity, she left red and green energy, Alicorns, magic, leaves, and nature with every step.

Magee Meadowbrook: Nightmare Rarity, I will never forgive you for the crimes that you and the rest of The Nightmare Mane 6 committed against Equestria, you've gone from being The Element of Generosity into a monster corrupted by the dark magic of Nightmare Moon and driven by a desire to plunge Earth into eternal night, and now, I will administer unto you the punishment you rightfully deserve: death.

Mage Meadowbrook has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY HEALING SWAMP MAGIC FRIENDSHIP ALICORN ANGEL OF DIVINE HEALING SWAMP JUSTICE AND DIVINE SWAMP MAGIC LOVE!

We were amazed by Mage Meadowbrook's Super Angel Eternity Infinity transformation, but when Nightmare Rarity saw it, she flew into a rage and fired more dark jewels to kill her, but Mage Meadowbrook deflected them with her Elemental Shield of Harmony and she fired a powerful red and green energy blast with Alicorns, magic, leaves, and plants, and it hits Nightmare Rarity and sent her flying into a tree, but she's not out yet.

Fluttershy: Goodness, now Mage Meadowbrook's transformed.

Mage Meadowbrook: (Divine Echoing Cosmic Voice of The Healing Swamp Magic Alicorn and Divine Healing Swamp Magic Love) **That's right, Fluttershy. Danielle, Lincoln, shall we show this Nightmare unicorn what happens when she hurts innocent people for her own amusement?**

Lincoln: (Smiles) You got it, Mage Meadowbrook.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Danielle Meadowbrook and Mage Meadowbrook.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You've terrorized the innocent ponies of Equestria for far too long, Nightmare Rarity, and now,**

**you shall suffer the same fate that befell your fellow comrades.**

Danielle Meadowbrook, Mage Meadowbrook, and Lincoln went after Nightmare Rarity, who continued to fire dark jewels at them, but they've deflected them all with their Elemental Shields of Harmony, and they fired powerful blasts of rainbow energy, red and spring green energy, plants, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Nightmare Rarity, and they exploded with incredible power as they hit her, and she was being burned by The Magic of Friendship. Then, they attacked her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it burned her badly, and the wounds she suffered would never heal.

Then, Lincoln bound Nightmare Rarity with a binding circle formed below her feet and as his massive white angel wings spread out, a red ball of energy formed right above his head, and he fired a beam of red energy and when it hits Nightmare Rarity, Lincoln began sucking out and absorbing Nightmare Rarity's magic and powers and he made them his own and he also sucked out Nightmare Rarity's hatred, and he gained a massive power boost, and when Lincoln was done, Nightmare Rarity was so badly weakened, she could barely even stand.

Then, Lincoln slashed off Nightmare Rarity's horn and he grabs her by the neck with his large left hand and tossed her into the air with his really immense and brute superhuman strength, and this allowed Danielle Meadowbrook, Mage Meadowbrook, and Lincoln to finish Nightmare Rarity off by firing massive energy beams and as they hit Nightmare Rarity, they exploded with incredible power, killing her for good. We cheered wildly for what Danielle Meadowbrook, Mage Meadowbrook, and Lincoln did to Nightmare Rarity as they holstered their massive greatswords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Danielle Meadowbrook and Mage Meadowbrook are permanent.

Then, as Nightmare Rarity's spirit appeared, the cutie marks of The

Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and Nightmare Rarity's spirit as surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of his crimes, and the energy images of The Mane 12 aimed their horns at Nightmare Rarity and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Nightmare Rarity.

Lincoln: Nightmare Rarity, for the crimes that you and the rest of The Nightmare Mane 6 committed against Equestria, you have been found guilty, and the punishment for your crimes is death.

This horrified Nightmare Rarity as she soon saw her days of chaos and havoc are about to come to an end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Nightmare Rarity's spirit, they exploded with incredible power and her evil spirit was condemned to The Black Gates, and she was fading away.

Nightmare Rarity: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

Nightmare Rarity's spirit was erased from existence by the spirits of all those she's hurt, and she'll never return to hurt anyone again. THE DARK NIGHTMARES OF THE NIGHTMARE MANE 6 HAVE FINALLY BEEN BROUGHT TO AN END FOR GOOD!

Nico: Now, that's what I call an awesome battle between The Healing Magic of The Swamp and The Dark Jewels of Nightmares.

Me: You said it, nice job, guys.

Lincoln: Thanks, J.D.

Nico: That's the first of our five time travelling missions done and four more to go, and we've also gotten rid of Nightmare Rarity, and now, we're rid of The Nightmare Mane 6.

Lincoln: Which means, the next member of The Doomsday 23 to take down and destroy tomorrow is The Chaos Queen, Cosmos.

Discord: How I've been wanting to get rid of her for a long time, I may have had feelings for her in the past, but those feelings for her died when I found out she is actually the personification of malice, and she's completely insane.

Wendy the Great: Which is why we shall put an end to that monster once and for all.

Gusty the Great: Yes, you, me, and Lincoln will bring an end to that malicious monster for good.

Lincoln: And we'll make sure she never ever returns, Discord.

Nico: Yeah, Cosmos is a sadistic monster who enjoys causing her kind of chaos and destruction, which leads to pain and suffering to others.

Me: And we'll make sure she never gets her hands on you again.

Discord: Oh, thank you, everyone.

Starlight Glimmer: This is going to be good: The Champions of Virtue against The Queen of Chaos itself.

Lincoln: That's right, Starlight Glimmer, but we got to watch it around Cosmos, since she's The Queen of Chaos, she'll be up to something very sneaky tomorrow. Well, I think it's time for me to teach her a lesson. Discord, I'm going to need your help.

Discord: Of course.

Lincoln and Discord chanted a powerful incantation, and they blocked her from using her powers.

Nico: Lincoln, what kind of spell did you and Discord use on Cosmos?

Lincoln: The spell we used on Cosmos will prevent her from using her powers, and it'll last until she's finally gone for good.

Discord: Which is tomorrow. I'll be getting a front row seat for this one.

Discord made a chair appear, and he had a Foam Finger with Gusty the Great, Wendy The Great, and Lincoln on it, and he had a noisemaker.

Nico: Save some seats for us tomorrow, Discord. This is going to be fun.

Lincoln: (Smirks) For us, not for Cosmos.

Nico: You got that right.

Weather Wizard: That's the end of Rasputin.

Me: And the Presidents of the Past can now rest again in peace.

Shiva: And the White House is back to normal.

Bronze Kneecap: Now, America won't be known as Spooky City.

DC Enchantress: Or Spooky Land.

Me: Yep and the Nightmare Mane 6 are gone too.

King Shark: The point is that America's safe!

Nico: Yep. Drakus did you have an awesome birthday?

Drakus: You bet I did! You guys made this the most awesome birthday ever!

We cheered wildly for him!

Otto Osworth: Mission Accomplished.

We fixed up the White House and for our heroic deeds Taft gave us the Congressional Gold Medal for saving him and the country.

Otto: (To the viewers) This was a great mission into the past. I hope you guys loved this one.

Me: We all did.

Nico: Yep.

May: Oh Nico have you thought about the gene-slammer?

Nico: Yes I just did. Porygon Z next.

Me: Ooh awesome choice.

Qin: Yeah that's a good one.

We went back home and enjoyed the rest of the day and went to sleep.

Another awesome fanfic done.

This was a parody of the Time Squad Episode called White House Weirdness and that was a really funny one. That one aired on November 8, 2002 and it was funny.

**Kari Kamiya** (八神 ヒカリ *Yagami Hikari* ?) is a character in the anime and manga series *Digimon Adventure*, *Digimon Adventure 02* and *Digimon Adventure tri.* . Kari is a DigiDestined, partnered with Gatomon, and embodies the trait of Crest of Light. She is the younger sister of Taichi "Tai" Kamiya.

Kari is the second and youngest child of Susumu and Yuuko. 4 years prior to the series, alongside with her parents, she and her older brother Tai, and the family's cat, Miko lived in Highton View Terrace. One night that year, she witnesses an egg emerge from the family's computer. The next day, the egg starts to roll around the house and she chases it until it stops in her room and hatches into a Botamon, which Kari plays with by blowing her whistle while the Botamon uses his "Bubble Blow".

She feeds chocolate to Botamon and he digivolves into Koromon, and Kari gives Miko's food to him, which the creature retributes with a hug. Miko then starts fighting Koromon to take his food back and wins. After their mother comes back home, Kari talks to Koromon and introduces herself and Tai to him. At night, Kari wakes Tai, noticing Koromon is strange. Koromon digivolves into Big Agumon, which Kari rides around the city while her brother chases after them. Agumon destroys a soda machine and Kari tries to get as many cans as possible, and then goes after Agumon.

She wonders why he's not talking to her anymore. Agumon tries to burn a truck that almost hit him using his "Pepper Breath", and later tries to attack a bus, which Kari begs for him to not do.

A gigantic Digi-Egg then appears above the city and hatches into a

Parrotmon, and Agumon tries to fight it. Tai finds them and tells Kari to run away. As Parrotmon attacks, Agumon digivolves into a humongous Red Greymon in order to protect Tai and Kari, and the girl cries seeing him fight. Parrotmon manages to leave Greymon unconscious, and Kari tries to wake him up with her whistle, but because of her cries, she's unable to blow it properly, and Tai blows it. Greymon wakes up and defeats the Parrotmon, and both are sucked back into the Digital World. At dawn, Kari calls for Koromon at the battle's remains. Digimon Adventure This event caused the siblings to be chosen to be among the new DigiDestined. The Ultimate Clash The destruction created by the battle caused it to be labeled a terrorist attack, and the Kamiya family moved away from the area.

At age 5, Kari was stricken with severe pneumonia. While their parents had left the two of them at home alone, Tai attempts to cheer her up by taking her to the park to play soccer, but she collapses while playing. She was taken to the hospital for weeks and nearly died, and when their mother gets there, she slaps Tai for endangering Kari. When Kari finally came home, she actually apologizes to Tai for not playing soccer correctly, only focusing on her own guilt; this caused Tai to feel outrageous guilt for endangering her life, and stuck with him for years.

When the original seven DigiDestined are transported into the Digital Worldfrom summer camp, Kari isn't with them, as she had been at home with a summer cold. However, she is reunited with Tai after he and Koromon are sucked into the Real World through a dimensional warp following his victory over Etemon. He only stays for a short while, and has to leave when he realizes that the Digital World is in bad shape and needed his help, much to Kari's regret.

Kari reunites with her older brother again when he and the other DigiDestined return to the Real World to pursue Myotismon, who is seeking the eighth DigiDestined child. None of them are aware that Kari is the eighth DigiDestined, and that the eighth Digivice ended up in the Kamiya residence. However, this realization is delayed after Meeko, the Kamiya family's cat, plays with the Digivice and accidentally loses it to a crow. The Eighth Digivice The next day, while Kari chases Meeko in the park, she runs across Gatomon, one of Myotismon's henchmen, and instantly recognizes her as a Digimon. She treats the catlike Digimon with kindness and invites her into her house. Gatomon, realizing that Kari is no ordinary child, figures she should kill her, but can't bring herself to. Gatomon Comes Calling With the help of her good friend, Wizardmon, who finds the eighth Digivice that night, Gatomon remembers that she was looking for someone, and realizes that she was looking for Kari. After she reunites with Kari, Gatomon and Wizardmon go to fetch Kari's Crest of Light, but Myotismon discovers that Gatomon is the eighth DigiDestined's partner, and holds her captive to try to find the eighth DigiDestined.

When she realizes what's happening, Kari turns herself in to stop the pain Myotismon's minions are inflicting. City Under Siege In the final showdown, Myotismon attempts to kill Kari by attacking her with his Grisly Wing, but Wizardmon steps in and takes the blow for her, sacrificing himself. Kari's grief leads to the activation of the Crest of Light and the Digivice to glow, and Gatomon Digivolves into Angewomon. Using the power bestowed to her by the other Digimon, Angewomon shoots an arrow through Myotismon's heart. However, when the fog fails to disappear, it's apparent that Myotismon isn't gone for good. When Myotismon returns as VenomMyotismon, Kari and T.K.. act on Gennai's prophecy by having Angemon and Angewomon shoot arrows of light through the hearts of their big brothers, Tai and Matt. This causes Agumon and Gabumon to warp digivolve to WarGreymon and MetalGarurumon.

Kari accompanies the seven other DigiDestined when they go back to the Digital World. While she is in the Digital World, Kari begins to hear a mysterious spirit that no one else can communicate with. When Tai and Matt get into a major fight, the spirit takes control of Kari's body and ends the fight, explaining to the DigiDestined more about why they were chosen and about the past of the Digital World.

After leaving Puppetmon's forest, Kari's illness catches up to her, and Tai frantically searches for medication for her in Machinedramon's city. My Sister's Keeper Underneath the city, Kari watches with horror as the enslaved Numemon are beaten by WaruMonzaemon. Empowered by the powers of light, she leads a revolt, helping the Numemon by deposing WaruMonzaemon. The grateful Numemon sacrifice themselves against Machinedramon to buy the DigiDestined precious time, and Kari decides to honor them by making grave marks for them.

While fighting against Piedmon, Kari, T.K. and Patamon were the only ones left after Piedmon turned everyone else into keychains. However, when T.K. and Kari found themselves falling to an almost certain death, T.K. found the hope to help Angemon Digivolve to MagnaAngemon, who saved T.K. and Kari and restored everyone from their keychain state.

At some point, Kari volunteered to be sawed in half by a magician for Senri Hori's birthday party.

In March 4, 2000, Kari shows her birthday gift for her friend Senri to Tai, who tries to take it. She then sends his e-mail and he screams at her for it, and she leaves. She and her friends arrive at Senri Hori's birthday party. When Senri is about to blow to candles, Tai calls her asking for help in the battle against Keramon, but she says she can't go.

Later, when the girls are playing a card game, Tai calls again asking for help.

On May 2000, Kari arrives in the Digital World and gives up her Crest power to free the Digimon Sovereigns. As a result, Gatomon loses the power to become Angewomon.

In April 2002, on the first day of school, Kari reunites with her old friend T.K., who has just moved to Odaiba and is in her class. Her classmate, Davis Motomiya, who has a crush on her, antagonizes T.K., but this proves to be the least of her problems as she finds out that the Digital World is in trouble due to a human boy who calls himself the Digimon Emperor. She also discovers that Davis and TK's new neighbors, Yolei Inoue and Cody Hida, are new DigiDestined, whose Digimon are capable of Armor Evolution. Much like T.K., Kari has a slight advantage compared to the new kids, though at first she feels like a burden because Gatomon has lost the Holy Ring that gave her power and can't evolve because of the Digimon Emperor blocking evolution with his Control Spires. However, in the 3rd episode A New Digitude the Emperor sets up a trap for the three new kids with a group of Tyrannomon during the fight. Gatomon and Patamon try to help but as Gatomon no longer has the holy tail ring that makes her power that of a champion, it's basically 2 rookies attacking and they say he should let them digivolve he says he won't, leaving the 2 digimon are useless. Kari, T.K. and Cody leave the battle to find the signal of a new Digi-Egg when they get to a cave they notice two eggs and T.K .asks if they have to wait for two new kids to come remove them, Kari notices the they're engraved with their crests and says they could be for them. TK disagrees saying that they already have their digimon but their digimon encourage them to try remove them. As they walk to the Digi-Eggs, their digivice glows in the colour of crests of light and hope respectively. Their Digivices were upgraded to a D-3. This then allows Gatomon to armour digivolve into Nefertimon and Patamon to armour digivolve into Pegasusmon. Both forms are powerful armour digimon that are holy beings and have the strength of champions due to Gatomon not having her tail ring. In Kyoto Dragon its revealed the traits they both have Hope and Light are the most powerful crests as light gives light to the world and the light inside a persons heart is hope and they receive the armour digivolving powers as they could only find 3 digimon who had this ancient power but the partners to the bearers of hope and light had this power too.

As Kari and T.K. help the newer kids, their friendship causes rift in the group as Davis is extremely jealous of how close they are due to how the bonded in the event of the first season due to being the youngest and being partnered with holy digimon. In the episode Guardian Angel when Kari is trapped in an area of the digiworld surrounded by corrupted Guardramon. TK and Davis argue who's going to rescue her, but eventually agreed to go together. Davis becomes jealous of how Patamon can digivolve into Angemon and when he dedigivolves back into Patamon. He questions them about how he can digivolve and asks about if Gatomon can as well. Patamon adds salt to the wound when he says that she becomes Angewomon and they make a great team.

One day, Kari starts to feel strange during class, and she sees herself surrounded by a dark ocean. On her way to the nurse's office, she sees a dark water creature with red eyes stalking her at the hall. Her behavior worries T.K., and she tells him she doesn't feel strong enough, but his attempt to encourage her backfires and leaves her upset. After school, she is involuntarily pulled into another dimension, the Dark Ocean. There, she encounters a group of Scubamon weakened by Dark Rings. She tries to use her light to release them, but an Airdramon attacks them before she can do it. Kari's pleas for help allow T.K., Patamon and Gatomon to come to her. After Pegasusmon destroy a Control Spire that was erected in the Dark Ocean, Gatomon is able to evolve into Angewomon and save Kari, both from the Airdramon and the Scubamon, who are revealed to be the creatures Kari saw stalking her. After repelling the creatures, who wanted Kari to be their queen (their bride in the Japanese version), the four return to the Real World. His Master's Voice

When Kari and T.K. visit Mimi in New York, they encounter Willis, his Digimon, Terriermon, and Wendigomon. While on a train for Colorado, Kari sends an e-mail to the other DigiDestined, who made their way to America to help her and T.K. On the way, their train is hindered by Wendigomon, so they have to continue on foot. They manage to join up with the others during the fight with Cherubimon. Angewomon and Angemon Digivolve to their Mega forms to release the powers of the Golden Digi-Eggs so Veemon and Terriermon can golden armor digivolve. Digimon Hurricane Landing!/Transcendent Evolution! The Golden Digimentals

While searching for Gatomon's lost Tail Ring, Kari, Yolei, and Ken end up in the Dark World. Upon finding the Dark Ocean, Kari begins to lose her composure due to her last visit. She and Ken struggle under the hold of the Dark Ocean. Arukenimon takes advantage of this and sends a Blossomon made of Control Spires after them. It takes Yolei's slap and honest words to help them see eye-to-eye, Yolei explains to her that when a pink light surrounds them, it's beautiful like Kari, that she possesses the crest of Ligh, that she has the power to dispel the darkness and Gatomon tells her she's the worst enemy to the realisation and understanding gives Aquilamon and Gatomon the power to DNA digivolve to Silphymon who obliterates Blossomon Opposites Attract

She, like T.K., takes it hard that BlackWarGreymon destroy the destiny stones and how he'll destroy the digital and real worlds of he destroys all of them in this saga. Gatomon makes references to how if she had her tail ring or could digivolve to Angewomon she could stop him. When they save the last destiny stone by using the D-3's they unveil Azulongmon who explains about how when the original 8 digidestined released their crest powers it restored the digital world and that he and the other thee guardians had been sealed away by the Dark Masters and that specifically the bearers of the crests of Hope and Light were the ones who released him and that when the Harmonious Ones needed to stop the threat of the Digimon Emperor that they could only find 3 digimon who had the power of amour digivolving but they were needed as Patamon and Gatomon also had this power and they changed their digivices to D-3s and explained about the powers of their crests that the other 6 are related to the the personality of the bearer like Tai being courageous, Izzy being knowledgeable and Sora being caring and loving. But hope and light are more powerful as they give the strength to always fight on and give light to the world. When he also says about replanting the destiny stones that he will used seeds of Light and that Hope gives them the powers to grow.

On Christmas Day, Gatomon is pleased when Gennai gives them one of Azulongmon's digicores and she instantly knows what it is that it will allow them to achieve their Ultimate forms, Kari, Izzy and their Digimon now Angewomon and MegaKabuterimon are sent to Hong Kong to help the Asian DigiDestined round up all the loose Digimon. While there, all three of the Poi Brothers develop a crush on Kari. Digimon World Tour, Pt. 1After returning to Japan that evening, Kari, Tai and their Digimon talk about how the new DigiDestined might have to kill evil Digimon soon.

There is a resurface of a rivalry seen in Joe's Battle when one of Daemon's forces is Ladydevimon and she gets into another fist fight with Angewomon and when they give their energy to Imperialdramon when Skullsatomon attacks Gatomon shyly asks Hawkmon for help to destroy Ladydevimon as Silphymon when she attacks two boys. It shocks Yolei but Kari makes her realise that they had no other choice as TK does with Cody when they are attacked by MarineDevimon. Their fears are confirmed when the Daemon Corpsattack and the new DigiDestined must kill them to prevent loss of life.

During the final episode and when Owikawa reveals why he wanted to make it to the digital world he finds out he was tricked, Gatomon instantly knows who has tricked and leeched his life when she hears the voice emanating from the giant mouth revealing its the voice that haunts her nightmares being Myotismon after all the pain he caused her before she was reunited with Kari and returned to her true destiny of being a partner digimon. The voice reveals he's not Myotismon or VenomMyotismon but a new form Malomyotismon who destroys his unknowing followers Arukenimon and Mummymon and the kids prepare to take him down during the battle against MaloMyotismon, Kari is paralyzed with fear after witnessing MaloMyotismon's cruelty. While she is subjected to MaloMyotismon's illusion, she experiences her dream desire to see humans and Digimon to live side by side, making it a better world for everyone. Gatomon and Raidramonbreak her free of the illusion, and she joins with the other kids to help break Ken out of his illusion. Kari uses the power of the dream dimension against MaloMyotismon, wishing for Gatomon to become stronger and making Gatomon, Angewomon, Nefertimon and Silphymon appear all at once. Later, when the children infected with the Dark Spore share their dreams and Noriko admits she wants to be a kindergarten teacher, Kari says that this is her dream as well. She then helps defeat MaloMyotismon once and for all with the light of her Digivice.

On Valentine's Day, 2003, Kari is kidnapped by Boltmon along with Mimi and Sora. When Pukumon enters the scene with a Control Spire, Joe is knocked into the 02 DigiDestined and Kari ends up with Cody's D-Terminal, allowing Gatomon to Armor Digivolve to Butterflymon.

On March 25, 2003, Diaboromon, resumes his reign of terror on the Internet. The Kuramon are bio-emerging via e-mail, so while Tai, Matt, and their Digimon entered cyberspace to battle Diaboromon once more, the others start to track down the Kuramon. Yolei and Kari find the first one and catch it for Izzy to examine. While Omnimon is being overpowered by Diaboromon, Kari and T.K., with their Digimon, go to help their older brothers. After that, Kari watches the battle between Imperialdramon Fighter Mode and Armageddemon.

In 2005, Kari wakes her bother up for practice at Tsukishima General High School with his soccer club. Reunion

In 2028, Kari became a kindergarten teacher, just as she dreamed. She has a son, who has a Salamon as a Digimon partner and also seemingly inherited his mother's whistle, which she had previously given to Gatomon at the end of the first series.

During one of her battles as a child, she and the other 02 DigiDestined encountered Parallelmon, who absorbed her, Yolei, Cody, and T.K., and inadvertently sent Davis into the *V-Tamer 01* world. There, Davis meets Tai Kamiya and Zeromaru, and Kari. and the others helped Davis from inside the monster by recreating the Digi-Egg of Miracles. With the monster destroyed, Davis and his friends returned to their continuity.

When she was done we were amazed.

Qin: Wow! Kari you have done a lot over the years.

Varie: She sure has.

Me: And we also undid the damage that was dealt by Myotismon.

Qin: Yeah.

Nico: Many of the Digimon are forever grateful for that.

Eli: Yeah and then some.

Me: No kidding. So Nico how do you know Catherine?

Nico: Well remember when I told you how we met lots of Digidestined from all over the world when Digimon were appearing all over the world?

Me: I sure do.

Nico: Yep. Catherine is one of the Digidestined that I met on that awesome adventure. Her Digimon Partner is a Floramon and she, T.K., Tai and I took on the Mamemon Brothers here in France at the Palace of Versailles.

Qin: That's incredible. I remember hearing about that. That was amazing.

Camie: It sure is.

Nico: Yep. Her real name is Catherine Deneuve.

Nico told us all about her.

---

Prior to Tai and T.K's arrival in Paris, France, Catherine and her partner, Floramon attempted to destroy a Control Spire near the Seine River. A Giromon stopped and captured her. She was taken to Versailles Palace and held as a captive of a Mamemon, a MetalMamemon and a BigMamemon. When Tai Kamiya, T.K. Takaishi, Agumon, Patamon and T.K.'s grandfather, Michel, went to inspect why the Versailles Palace's lights were still on during Christmas Eve, they found her seated at a table while the three Mamemon ate.

Both Tai and T.K. develop a small crush on Catherine the moment they first see her while their respective partners develop a small crush on Catherine's partner, Floramon. Michel is outraged that the three Mamemon were having a party in the Versailles Palace and that Catherine was tied up. He confronted the three Mamemon and tried to rescue Catherine. Catherine was impressed by Michel's chivalry. One of the Mamemon throws a pie at Michel's face. Tai and T.K. tried to aid him but pies were also thrown at their faces. However, Greymon and Angemon successfully engaged the 3 Digimon and take the battle outside the Versailles Palace.

Afterwards, Catherine explained how she and Floramon were captured while trying to destroy a Control Spire. The group was then attacked by the Giromon who had earlier attacked Catherine, in addition to the Mamemon brothers. She had Floramon Digivolve to

Kiwimon to assist MetalGreymon and MagnaAngemon, the 3 of which managed to disperse the enemy group. They then departed to destroy the Control Spire, a task ultimately completed by MagnaAngemon.

After destroying the Control Spire, the French DigiDestined with their partner Digimon arrive along with the Digimon that were loose in France. With the day finally being Christmas, the French DigiDestined and Catherine exchange greetings of "Merry Christmas". Tai and T.K. then, at the same time, kiss Catherine on her cheeks either as a Christmas greeting or to show their mutual crush on her. T.K.'s grandfather also greets Catherine "Merry Christmas" by kneeling down, taking Catherine's hand and kissing it. In the English Dub, he meant to teach the boys "how to properly kiss a lady".

Near the end of episode 42, Catherine and Floramon are celebrating Christmas together with T.K's grandfather.

She last appears in the finale of the season in the streets of Paris, holding her light-emitting Digivice to the sky to aid in the defeat of MaloMyotismon. When she arrives in the Digital World, she stands together with Tai and Michael.

In August 2010, Catherine is one of the many DigiDestined that has their mind seized by Eosmon and interred within the Never World so that she can live within her memories with Floramon. After Agumon (Bond of Bravery) and Gabumon (Bond of Friendship) destroy the combined Eosmon's Mega form, Catherine is freed and regains consciousness in the Real World.

---

When he was done we were amazed.

Qin: That is amazing! And it's cool that she got to have a Christmas together with T.K.'s grandfather.

Nico: Yep.

Sirius: That's so cool.

Eli: It sure is.

Kari: I thought it was sweet too.

Nico: Thank God the White House is back to normal.

Me: Boy no kidding and we've seen the last of Rasputin.

Laney: Good riddance.

Nico: I honestly didn't expect to see him there.

Brittney: Me neither Nico. But the Forces of the Spirits know all and tell me everything, Past, Present or Future.

Nico: Wow that is amazing.

Camie: It sure is.

Me: Thank goodness Shaggy and Scooby weren't with us or they would be scared shitless.

Varie: You're telling me.

Kari: Yeah no kidding there.

Gatomon: Yeah.

Nico: Here we are.

We arrived at the Palace of Versailles.

Me: The Palace of Versailles, Built back in 1667 and it was the home of the French Monarchy until the French Revolution.

Nico: Yep.

Qin: That is amazing.

Laney: I've always wanted to come here.

Lana: It's so amazing.

Lily: Yeah.

We went up to the palace and went in and it was magnificent.

Me: Wow. The Palace of Versailles.

Eli: It's beautiful.

Laney: It's so awesome.

Rainbow Dash: It sure is.

Nico: And America is still America. And not some unrelated named ghost town

Me: Yep.

We walked around and it was beautiful and full of historical value. Then out in the gardens we saw a girl with blond hair and a red dress with a Kiwimon fighting a black version of Ditto! She was fighting Another Ditto!

Nico: There she is! And she found the Another Omnitrix Alien.

Me: And it's Another Ditto. This is gonna be a good one.

We went to help her.

Nico: Bonjour Catherine.

Catherine Deneuve: (French Accent) Nico and Team Loud Phoenix Storm. It's an honor.

Me: You too Catherine.

Laney: Awesome to meet you.

Qin: Looks like you found our Another Omnitrix Alien Friend before we did. Awesome job.

Catherine Deneuve: Oui.

Airazor: Looks like the battle is going to be good. Airazor, MAXIMIZE!

She transformed and was ready.

Albedo turned into Negative Ditto.

Negative Ditto: Time to take a page out of Multiple Man, Multiplex, and Billy's books and make an army!

Negative Ditto made an army of 930 clones!

Me: Yeah! Lets see who our Another Ditto is.

Another Ditto: (In a Girls Voice) And it's good to see you again J.D.

Me: Halinor Vulvania! Wow!

Nico: You know her?

Me: Yep. Her name is Halinor Vulvania and she is A Superhero. She goes by the name of BIKINI GIRL!

Nicole: I remember seeing her!

Me: Yep.

I pulled out a comic of her and she was a voluptuous girl with blue hair and had a beautiful voluptuous body and a blue bikini and she was flying with blue angel wings and fired a blast of laser vision at a monster and slicing it in half.

Nico: That is cool!

Me: Yep. She has powers involving her sex appeal, laser vision, winged flight, ice breath, X-Ray Vision, and all the powers over the elements and all the powers over food and a seductive look that enables criminals to do anything.

Nicole: That is a kind of hero I can get along with.

Me: Yep.

Another Ditto: But it's great to see you again J.D.

Me: Same to you.

Maria: Did Swartz promise you anything?

Another Ditto: Just to change back from this form.

Me: You were turned into what's called a Splixson and they are cloning aliens from the planet Hathor.

Another Ditto: That explains why I can clone myself like that and be in many places at once.

Me: Yeah. The only way to get you changed back is when we defeat you.

Another Ditto: Then take your best shot.

Me: Gladly. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Kari: Time to Digivolve!

Gatomon nodded.

(CAN YOU HEAR MY BY MIKE AND THE MECHANICS PLAYS)

Me: (SINGING DIVINELY AS ENERGY AND BLUE FIRE SWIRLS

AROUND ME)

Take the children and yourself

And hide out in the cellar

By now the fighting will be close at hand

Don't believe the church and state

And everything they tell you

Believe in me, I'm with the high command

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

There's a gun and ammunition

Just inside the doorway

Use it only in emergency

Better you should pray to God

The Father and the Spirit

Will guide you and protect from up here

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

Swear allegiance to the flag

Whatever flag they offer

Never hint at what you really feel

Teach the children quietly

For some day sons and daughters

Will rise up and fight while we stood still

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

Can you hear me running (can you hear me calling you?)

(Can you hear me) hear me calling you?

(Can you hear me running) hear me running babe?

(Can you hear me running) hear me running?

Calling you, calling you

I danced and fired waves of energy balls and they hit the Another Ditto Clones and exploded all over with incredible power!

MASSIVE FIERY EXPLOSIONS!

Laney: WHOA!

Camie: That was powerful!

Nico: Nice one!

Varie: Yeah it was!

Nico: (takes out Mutiplex's Ridewatch) I'll make an army of my own!

Nico activated it and made an army of 930 Clones too!

Nico: Now for this one. (ACTIVATES HOWLING ACES RIDEWATCH)

(GRAVITY OF LOVE BY ENIGMA PLAYS)

Nico: (SINGING DIVINELY AS LIGHT AND ENERGY SWIRLS AROUND HIM)

Turn around, and smell what you don't see

Close your eyes, it's so clear

Here's the mirror, behind there is a screen

On both ways, you can get in

Don't think twice before you listen to your heart

Follow the trace, for a new start

What you need, and everything you'll feel

Is just a question of the deal

In the eye of storm you'll see a lonely dove

The experience of survival is the key

To the gravity of love

The path of excess leads to the tower of wisdom

(The path of excess leads to the tower of wisdom)

Try to think about it

That's the chance to live your life and discover what it is

What's the gravity of love

Look around just people, can you hear their voice?

Find the one who'll guide you to the limits of your choice

If I feel in the eye of storm

Just think of the lonely dove

The experience of survival is the key

To the gravity of love, oh (o fortuna)

He and the clones danced and fired waves of light and smashed the Ditto clones all over.

Me: Take that!

Eli: YEAH!

You hear the screeching of an owl

You hear the wind begin to howl

You know there's zombies on the prowl

And

It's terror time again

They got you running through the night

It's terror time again

And you just might die of fright

It's a terrifying time

You hear the beating of your heart

You know the screaming's gonna start

Here comes the really scary part

'Cause

It's terror time again

They got you running through the night

It's terror time again

And you just might die of fright

It's a terrifying time

All the trees begin to moan

And the monsters grunt and groan

Rotting faces full of slime

Don't you know it's terror time?

And…

It's terror time again

They got you running through the night

It's terror time again

And you just might die of fright

It's a terrifying time

She danced and fired waves of darkness and smashed the Ditto

(THE MYSTIC'S DREAM BY LOREENA MCKENNITT PLAYS)

Nami: (SINGING DIVINELY AS THE ELEMENTAL FORCES SWIRL AROUND HER)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

A painting hangs on an ivy wall

Nestled in the emerald moss

The eyes declare a truce of trust

And then it draws me far away

Where deep in the desert twilight

Sand melts in pools of the sky

When darkness lays her crimson cloak

Your lamps will call me home

And so it's there my homage's due

Clutched by the still of the night

And now I feel you move

Every breath is full

So it's there my homage's due

Clutched by the still of the night

Even the distance feels so near

All for the love of you

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

She danced fired waves of fire, water, earth, wind, lightning, light and darkness from her hands and staff and the blasts hit Another Ditto and the army all over.

And the sun is now fading

I wish I could hold you closer

She fired waves of aurora and blasted down much of the Another Ditto Army!

What is this thing that builds our dreams, yet slips away from us

Who wants to live forever

Who wants to live forever

Who

There's no chance for us

It's all decided for us

This world has only one sweet moment set aside for us

Who wants to live forever

Who wants to live forever

Who

But touch my tears with your lips

Touch my world with your fingertips

And we can have forever

And we can love forever

Forever is our today

Who wants to live forever

Who wants to live forever

Who

Who waits forever anyway?

Reach the stars

Fly a fantasy

Dream a dream

And what you see will be

Rhymes that keep their secrets

Will unfold behind the clouds

And there upon a rainbow

Is the answer to a never ending story

Story

Show no fear

For she may fade away

In your hands

The birth of a new day

Rhymes that keep their secrets

Will unfold behind the clouds

And there upon a rainbow

Is the answer to a never ending story

(ECHOING)

If you need a friend

Don't look to a stranger

You know in the end

I'll always be there

And when you're in doubt

And when you're in danger

Take a look all around

And I'll be there

I'm sorry but I'm just thinking of the right words to say

(I promise you)

I know they don't sound the way I planned them to be

(I promise you)

But if you wait around a while I'll make you fall for me

(I promise you)

I promise, I promise you, I will

When your day is through

And so is your temper

You know what to do

I'm gonna always be there

Sometimes if I shout

It's not what's intended

These words just come out

With no cross to bear

I'm sorry but I'm just thinking of the right words to say

(I promise you)

I know they don't sound the way I planned them to be

(I promise you)

But if you wait around a while I'll make you fall for me

(I promise you)

I promise, I promise you

I'm sorry but I'm just thinking of the right words to say

(I promise you)

I know they don't sound the way I planned them to be

(I promise you)

And if I had to walk the world I'd make you fall for me

I promise you, I promise you I will

Gotta tell you

Need to tell you

Gotta tell you

I've gotta tell you

I'm sorry but I'm just thinking of the right words to say

(I promise you)

I know they don't sound the way I planned them to be

(I promise you)

But if you wait around a while I'll make you fall for me

(I promise you)

I promise, I promise you

I'm sorry but I'm just thinking of the right words to say

Rainbow Dash: (SINGING DIVINELY AS RAINBOWS SWIRL AROUND HER)

We're talking away

I don't know what

I'm to say I'll say it anyway

Today's another day to find you

Shying away

I'll be coming for your love, okay?

Take on me (take on me)

Take me on (take on me)

I'll be gone

In a day or two

So needless to say

I'm odds and ends

But I'll be stumbling away

Slowly learning that life is okay

Say after me

It's no better to be safe than sorry

Take on me (take on me)

Take me on (take on me)

I'll be gone

In a day or two

Oh, the things that you say, yeah

Is it life or

Just to play my worries away?

You're all the things I've got to remember

You're shying away

I'll be coming for you anyway

Take on me (take on me)

Take me on (take on me)

I'll be gone

In a day

I'll be gone (take on me, take on me)

In a day (take me on, take on me)

(Take on me, take on me)

(Take me on, take on me)

(Take on me)

She danced divinely and fired waves of energy and rainbows and zoomed fast and smashed the Another Ditto army all over.

Me: That was awesome R.D.! Now here is one for Cody and Penny. (ACTIVATES PETE'S RIDEWATCH)

(DOWN UNDER BY MEN AT WORK PLAYS)

Me: (SINGING DIVINELY AS THE SYMBOLS OF AUSTRALIA SWIRL AROUND ME)

Fantastic, this next song is coming out very soon

It's five minutes, perhaps even longer

It's a song about a place that we all come from

Oh, look out, Australians in the audience

Yes, I thought as much

Filthy and two podium people in the audience

This is a song called- anyone know what this song's called?

(What's it called) maybe you do know what it's called

It's called, it's called

I think that this is a pretty good town

They call this place the Big Apple, right?

(Why is that?) what does that make all you?

Not apples, worms! That's right

Anyway, we feel at home with all people, we're worms too, you know

I reckon if they haven't got the tape together now

It's all happening, okay, without further ado, it's on the show

Traveling in a fried-out Kombi

On a hippie trail, head full of zombie

I met a strange lady, she made me real nervous

She took me in and gave me breakfast

She said:

"Do you come from a land down under

Where women glow and men plunder?

Can't you hear, can't you hear the thunder?

You better run, you better take cover"

Buying bread from a man in Brussels

Six foot four, full of muscle

I said, "Hey, do you speak-a my language, buck?"

He just smiled and gave me a Vegemite sandwich

And he said:

"I come from a land down under

Where beer does flow and men chunder

Can't you hear, can't you hear the thunder?

You better, better run, you better take cover"

Get down

Lying in a den in Bombay

With a slack jaw, and not much to say

I said to the man, "Are you trying to tempt me?

Because I come from the land of plenty"

And he said:

"Do you come from a land down under, oh yeah, yeah

Where women glow and men plunder?

Can't you hear, can't you hear the thunder?

You better run, you better take cover

Living in a land down under

Where women glow and men plunder

Can't you hear, can't you hear the thunder?

You better run, you better take cover

Now you try it, 'cause we are

Living in a land down under

Where women glow and men plunder

Can't you hear, can't you hear the thunder?

You better run, you better take cover

Just once more, c'mon, for me

Living in a land down under

Where women glow and men plunder

Can't you hear, can't you hear the thunder?

You better run, you better take cover

Oh don't stop now, 'cause we are

Living in a land down under

Where women glow and men plunder

Can't you hear, can't you hear the thunder?

You better run, you better take cover

Living in a land down under

Where women glow and men plunder

Can't you hear, can't you hear the thunder?

You better run, you better take cover

'Cause we are living in a land down under

Where women glow and men plunder

Can't you hear, can't you hear the thunder?

You better, better run, you better take cover

A big hand for Big Han, he plays the flute

Ooh, Heaven is a place on Earth

They say in Heaven, love comes first

We'll make Heaven a place on Earth

Ooh, Heaven is a place on Earth

When the night falls down

I wait for you, and you come around

And the world's alive

With the sound of kids on the street outside

When you walk into the room

You pull me close, and we start to move

And we're spinnin' with the stars above

And you lift me up in a wave of love

Ooh, baby, do you know what that's worth?

Ooh, Heaven is a place on Earth

They say in Heaven, love comes first

We'll make Heaven a place on Earth

Ooh, Heaven is a place on Earth

When I feel alone

I reach for you, and you bring me home

When I'm lost at sea

I hear your voice, and it carries me

In this world, we're just beginnin'

To understand the miracle of livin'

Baby, I was afraid before

But I'm not afraid anymore

Ooh, baby, do you know what that's worth?

Ooh, Heaven is a place on Earth

They say in Heaven, love comes first

We'll make Heaven a place on Earth

Ooh, Heaven is a place on Earth

Heaven

We were at a party
His earlobe fell in the deep
Someone reached in and grabbed it
It was a rock lobster
Rock lobster
Rock lobster
We were at the beach
Everybody had matching towels
Somebody went under a dock
And there they saw a rock
It wasn't a rock
It was a rock lobster
Rock lobster
Rock lobster
Rock lobster
Rock lobster
Motion in the ocean
His air hose broke
Lots of trouble
Lots of bubble
He was in a jam
S'in a giant clam

Rock rock

Rock lobster

Down, down

Lobster rock

Lobster rock

Let's rock!

Boy's in bikinis

Girls in surfboards

Everybody's rockin'

Everybody's fruggin'

Twistin' 'round the fire

Havin' fun

Bakin' potatoes

Bakin' in the sun

Put on your noseguard

Put on the Lifeguard

Pass the tanning butter

Here comes a stingray

There goes a manta-ray

In walked a jelly fish

There goes a dog-fish

Chased by a cat-fish

In flew a sea robin

Watch out for that piranha

There goes a narwhal

Here comes a bikini whale!

Rock lobster

And all we have is here and now

I'm happy just to have you

You're all the love I need somehow

She danced and fired waves of leaves, flowers, grass and spirits of animals and they went at Another Dittos and smashed them all over the place!

Me: We're going to need the heavy Artillery. (ACTIVATES ZEN-AKU'S RIDEWATCH)

I got his awesome flute.

Me: You guys will like this one.

I used the Animal Crystals for the Locust Wild Zord for Multiple Man, The Cockroach Wild Zord for Multiplex and the Scarab Wild Zord for

Billy Numerous!

Me: Time to unleash the swarm!

I blew a tune and then out came miniature versions of the Locust, Cockroach and Scarab Zords and they went at the Another Ditto Army in a massive swarm and blasted them all into dust! Until only 1 was left!

Nico: Just one left! And that was smart thinking J.D. with the Locust, Cockroach and Scarab zords.

Me: Scarabs, Locusts and Roaches overpower opponents with superior numbers.

Eli: Yep.

Airazor: But this was a really awesome battle so far.

Camie: It sure was.

Catherine Deneuve: Yeah it is.

?: And I'll bring it down.

We saw a Porygon Z!

Me: A Porygon Z!

Nico: Cool!

Me: Awesome!

Porygon Z: (In a girls voice) (Southern Accent) YEEHAW! Lets hogtie this alien impostor!

Nico: Irina Campognola! Wow!

She reverted back and she was a girl with blond hair and red eyes and had magenta and blue clothes and was wearing a cowboy hat.

Irina Campognola: Lets get it!

She fired waves of blue energy and blasted down the last Another Ditto and she reverted back to like she is depicted on the comic!

I went over to Halinor and picked her up.

Me: Halinor are you okay?

Halinor Vulvania: (Dizzy) Mommy read me the story about the cookie monster.

Me: I think she got hit way too hard.

Nico: Yep.

Halinor Vulvania: (Groans) What a headache. J.D.? You really let me have it.

Me: I hope we didn't hit you too hard.

Halinor put her arms around my neck and I picked her up bridal style.

Nico: We NEED to get you a costume.

Me: She dresses up in casual clothes when not in Superhero attire.

Nico: Oh.

Nicole: It's true.

Nicole showed the comic and she wears a work dress.

Nico: Oh. That works.

Catherine Deneuve: That was a great battle!

Kiwimon: Yeah it was!

Angewomon: It sure was fun.

Irina Campognola: It sure was a fun one.

Kari: What's your favorite memory of Nico?

Irina Campognola: I have many of them. But my favorite is how I taught Nico how to make his own video games.

Nico: It's true. Irina taught me how to make video games.

Me: So she taught you how to make your own video games. That is so awesome.

Laney: Yeah it sure is!

Nico: Yep.

Irina Campognola: Yep. Taught him everything I know..

Nico: That's right.

Laney: So awesome.

Nico and Irina hugged.

Nico: I've really missed you.

Irina Campognola: Me too pardner.

Airazor: But this was fun still. Beast Mode!

She turned back into a hawk.

Maria: I have a feeling the Porygons are underrated

Me: Not necessarily. I think Porygon is a cool Pokemon.

Qin: Yeah it sure is.

Laney: Yeah I think it's cool.

Kari: I agree.

Nico: But this was an awesome rescue.

Catherine Deneuve: But it was great helping you all out.

Nico: Just like old times right Catherine?

Catherine Deneuve: Oui.

Qin: But it was awesome.

Nico: Lets head home.

We went back home.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Drakus, and Sora Takenouchi are heading to The Dragon Lands in Equestria, and not only is Lincoln going to rescue the seven girls here, but we got word that the Horror Movie Slashers, Chucky, Michael Myers, Jason Voorhees, Candyman, Leatherface, Freddy Krueger, Ghostface, and Pennywise The Dancing Clown have come back from the dead and they still want revenge on us for destroying them last year on Halloween.

Lincoln: Oh, this is awesome, we're here in The Dragon Lands in Equestria, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we got word that the Horror Movie Slashers, Chucky, Michael Myers, Jason Voorhees, Candyman, Freddy Krueger, Leatherface, Ghostface, and Pennywise The Dancing Clown have come back from the dead and they still want revenge on us for destroying them last year on Halloween.

Me: Should've known those murderous bastards wouldn't stay dead for much longer. But, this is the absolute last time we're dealing with

them.

Nico: Last year's Halloween battle made sure of that when they, along with Daniel Monroe, were brought back from the dead by the servant of Dracula from Castlevania, Death from Castlevania.

Max Goof: Along with bringing the Marvel Zombies here. Luckily, we also brought a ton of firepower for this.

Max Goof got out a scroll, and inside it were guns, shotguns, machetes, and tons of ammo.

Drakus: Nice, and I can't wait to rip them all to shreds and send them to The Black Gates, and I'm also going to transform as well.

Lincoln: Yep, that's right, Drakus, and I want to thank you and Sora for coming with us.

Sora T.: You're welcome, Lincoln. Still, I can't believe the horror movie slashers are back again.

Nico: Yeah, but we did send Kevin Wendell Crumb and Norman Bates to where they truly belong: The Black Gates, so we're down two horror movie slashers.

Lincoln: And the rest of those slashers will also be joining them soon.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of seven girls calling for help, along with the sound of maniacal laughter from two horror slashers we know all too well. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seven girls, but they've been cornered by Chucky, Michael Myers, Jason Voorhees, Candyman, Leatherface, Freddy Krueger, Ghostface, and Pennywise The Dancing Clown, and they're going to kill them.

Lincoln: Let's get over there at once, guys, I found the seven girls, but they've been cornered by Chucky, Michael Myers, Jason

Voorhees, Leatherface, Candyman, Freddy Krueger, Ghostface, Leatherface, and Pennywise The Dancing Clown, and they're going to kill them.

?: (Girl's voice) Those depraved, bloodthirsty horror movie slashers, let's take them down!

Suddenly, we saw the Duel Monster, Kozmo Farmgirl, appear before us.

Nico: Whoa, that's the Duel Monster, Kozmo Farmgirl.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Dorothy Skywalker, but we'll talk later, let's go rip those bastards limb from limb, until there's nothing left.

We rushed over, and right before any of the slashers could claim their next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Chucky, Michael Myers, Jason Voorhees, Leatherface, Candyman, Freddy Krueger, Ghostface, Leatherface, and Pennywise The Dancing Clown, and that allowed the seven girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Chucky, Michael Myers, Jason Voorhees, Leatherface, Candyman, Freddy Krueger, Ghostface, Leatherface, and Pennywise The Dancing Clown, and when the horror movie slashers saw us, naturally, they were pissed off again and they still wanted our blood.

Lincoln: You and the rest of the horror movie slashers just don't even know when to stay in Hell, do you, Chucky!

Chucky: We will never die, but all of you will for what you did in killing us!

Me: Still just as fucked up as ever Chucky.

Drakus: That was on all of you, and not us, shit for brains!

Nico: And you can't kill us, we're immortal. But, none of you are!

Drakus: And I'm done wasting my breath on any of you, it's time for you all to die!

Suddenly, Drakus' blue eyes turned neon blue and he was surrounded by a blue energy aura with dragons, cryptids, lightning, and elemental forces, he unholsters his massive Sword of The X-Squad from his back, and as he approached Chucky, Michael Myers, Jason Voorhees, Leatherface, Candyman, Freddy Krueger, Ghostface, Leatherface, and Pennywise The Dancing Clown, he left blue energy, dragons, cryptids, lightning, and elemental forces with every step.

Drakus: Chucky, Michael Myers, Jason Voorhees, Leatherface, Candyman, Freddy Krueger, Ghostface, Leatherface, and Pennywise The Dancing Clown, I will never ever forgive you for what you all have done, each of you heartlessly murdered so many innocent souls to slake your thirst for blood and for your own sadistic pleasure without any care for the consequences of your vile misdeeds. Well, that all ends here and now, and now, I will make each and every last one of your deaths slow, painful, and frightening!

Suddenly, Drakus was surrounded by a massive vortex of blue energy with elemental forces surrounding the vortex and lightning crashing down from the heavens, there's a dragon and cryptids flying around the vortex, and in the vortex is a blood red phoenix with the blood red eyes of death glaring at the horror movie slashers. Then, as the vortex faded, Drakus emerged, but he was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Drakus grew to 7'5" in height, he has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has blood red streaks and blood red highlights in the bangs of his messy blue hair, he has neon blue eyes and a blue energy aura with lightning, cryptids, dragons, and elemental forces surrounding him, he has a dragon with the Death Kanji emblazoned on his forehead, he has on dragon earrings with blue gems for eyes and holding the Death and Eternity Kanjis in its claws, he has on his Crystal Necklace of The Buddha with blood red gems embedded on the gold lightning bolts and blue crystal links and a blue dragon-shaped Element of Harmony and on the bottom of the Element of Harmony is the Loch Ness Monster with blood red gems for eyes and holding the Death and Eternity Kanjis in its flippers for the pendant, his blue t-shirt now has a blood red dragon and phoenix on it, his jacket turned cobalt blue with blood red jersey devils on it, his red pants have blue flames on the pant legs, his green slippers changed into black leather ankle-high combat boots with a tinge of blue, and he has on a long long-sleeved cobalt blue trenchcoat with blood red jersey devils on the coattails and on the back is a dragon with lightning bolts and cryptids surrounding it. Suddenly, Drakus felt a sharp pain on his now wider and more muscular back, his head, and backside and then, massive cobalt blue angel wings with blood red tips on the cobalt blue feathers, grew and sprouted out above his blue dragon wings, his blue dragon horns on his head and blue dragon tail grew much bigger for his new body, he has on a Ring of The Phoenix with cobalt blue gem and heart-shaped gem embedded in it on his right ring finger and Black Lantern Ring on his left ring finger.

Suddenly, Drakus' Sword of The X-Squad and all of the swords he'd gotten began merging together, and they're surrounded by a kaleidoscope of blue energy, dragons, cryptids, lightning, and elemental forces, and when it finally emerged, it was transformed into Drakonia's Elemental Lightning Cryptid Greatsword of Deathly Avenger Justice, it's a brand-new massive greatsword with the symbols of The X-Squad and Drakonia with cryptids and a dragon etched on the 7'0" massive, wide, double-edged pitch black blade, large cobalt blue dragon heads for the crossguard, large blue gem embedded in the rainguard, longer pitch black handle, four large cobalt blue dragon heads with blue gems for eyes and in the open mouths and on the bottom of the dragon heads is a large blood red gem for the pommel, he has on his new large gold cuff Bracelets of the Champions of The Universe with blood red gems on his wrists, his new large gold Belt of Elemental Bravery with large gold dragon head with blood red gems for eyes and a large cobalt blue gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony and BlazeBlue holstered on his right hip and Eater of Sins revolver holstered on his left hip. There's a blood red kanji below the dragon that said, "Drakus Hydrax, Prince of Drakonia, Loving Only

Child of Queen Pyrani Hydrax and King Volteus Hydrax, Best Friend of Many, Loving Boyfriend of X-Squad Cyclonis, Sapphire Ink, Viridi, X-Squad Mine, X-Squad Princess Morbucks, Polly Tix, and X-Squad Zizou Olympia, Captain of The X-Squad, Destroyer Of Brainiac, Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Feral, Insane, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning, Cryptids and Mischief"

Drakus Hydrax's transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY CRYPTID SUPERCELL LIGHTNINGSTORM MISCHEVIOUS DRAGON ANGEL OF DIVINE DEMONIC LIGHTNINGSTORM MAYHEM AND DIVINE ELECTRIC CRYPTID JUSTICE!

We were amazed by Drakus Hydrax's Super Angel Xelnaga Eternity Infinity transformation, but when Chucky, Michael Myers, Jason Voorhees, Leatherface, Candyman, Freddy Kreuger, Ghostface, and Pennywise saw it, the bastards went after him to kill him, but Drakus spreads his massive cobalt blue angel wings and blue dragon wings and summoned an arsenal of firearms from out of nowhere, and he fired on them, riddling them with holes, but it pissed them off even more.

Drakus: (Divine Echoing Cosmic Voice of The Demonic Lightning Mischief Dragon and Divine Demonic Cryptid Justice) **Your time of judgement has finally come, and now, you shall die!**

Lincoln: Don't leave us out, Drakus, we also want in too. Let's get them!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Sora T., Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after the horror movie slashers, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, rainbow crystal, rainbow super lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit them.

Then, Lincoln and Drakus unleashed the full force of the forces of Hell upon them with a storm of rainbow super lightning and blood red and cobalt blue lightning, and then, they fired powerful beams of rainbow and cobalt blue energy at the horror movie slashers, and they exploded with incredible power, killing them for good and sending their bloodstained hides to The Black Gates forever. We cheered wildly as we holster our weapons and powered down, and Drakus' new body, clothes, weapons, jewelry, and massive cobalt blue angel wings and larger blue dragon wings, larger blue dragon horns, and larger blue dragon tail are permanent.

Drakus: Whoo, now that's what I call a bloodbath of justice!

Lincoln: Now, those monsters are gone for good.

Nico: And they're never coming back again.

Me: Yeah, we've dealt with them more than once, and that's about enough.

Lincoln: And I also found out that Cosmos was the one who brought them back from the dead.

Eli: (Gasps) Oh, she's just crossed a big line now!

Lincoln: She sure did, Eli, but she'll get hers later on today. (To Dorothy Skywalker) And it's so good to see you again, Dorothy Skywalker.

Dorothy Skywalker reverted back to normal, and she's a beautiful girl with long flowing light green hair, light green eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful light green angel wings, and she reigned in the power of Kozmo Farmgirl, and she's dressed in a sleeveless light green vest, sleeveless light green and black vertically striped top, purple skirt, red pants, purple legwarmers, purple sneakers, and long sleeveless dark purple trenchcoat with deserts on the coattails, and Kozmo Farmgirl on the back, and holstered on her back is a large Cyberdark End Dragon-themed greatsword with Kozmo

Farmgirl etched on the 7'0" massive, wide, double-edged dark purple blade, large dark purple angel wings for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, and a large dark purple gem surrounded by angel wings for the pommel.

Dorothy Skywalker: You too, Lincoln, it's been a long time.

Lincoln went up to Dorothy Skywalker and they hugged, and Dorothy Skywalker is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Dorothy Skywalker: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and you now have massive white angel wings, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Dorothy Skywalker, she's my Guardian Angel from the state of Washington and my classmate in Math. She's also a natural born farmer and before you ask, she's also the cousin of Luke Skywalker and she also has mastery of the Force as well.

Eli: Whoa!

Nico: Luke and Anakin are in for a reunion when we get back.

Lincoln: You said it, and Applejack, you're also going to like this part, Dorothy and I worked together to plant 10 acres of apple trees each one having a different type.

Applejack: Planting 10 acres of apple trees and each one has a different type of apple?!

Dorothy Skywalker: Yep, and here's the list.

Dorothy handed Applejack the list of apple trees she and Lincoln planted.

1. Red Delicious

2. Golden Delicious

3. Granny Smith

4. Ambrosia

5. Pink Lady

6. Gala

7. Fuji

8. Evercrisp

9. Cosmic Crisp

10. Braeburn

Applejack: Hoowee, that's a lot of apple trees you two planted.

Lincoln: The real trick was finding an open patch of land for this one, but we also had some help from Mary Garcia and Liam, and they found a perfect patch of farmland for us to plant the trees, and as a result, it became an apple orchard.

Applejack: Say, I remember seeing that apple orchard in the north of Gotham Royal York, but I didn't know it was yours and Dorothy's.

Lincoln: It's okay, Applejack, but you saw the hard work we did to make that apple orchard grow, and I also made Dorothy a beautiful apple-themed straw hat, and to show thanks, Dorothy kissed me on the lips, and she hates Scoots with a burning passion.

Nico: Uh oh, what did that heckler do this time?

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Dorothy Skywalker's neck with dark purple gems on the gold thunderbolt links and dark purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Dorothy Skywalker: (Surprised)Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of my harem and one of my many future wives, Dorothy.

Dorothy Skywalker had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Dorothy Skywalker's waist and Dorothy Skywalker wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Canaan, Yunyun, Nene, Hakkou, Liang Qi, Maria Oosawa, and Alphard from Canaan.

Lincoln: Oh wow, it's Canaan, Yunyun, Nene, Hakkou, Liang Qi, Maria Oosawa, and Alphard from Canaan.

Nico: Awesome.

Lincoln: Are you girls okay?

Canaan: Yes, we're okay, thanks to you.

Then, when Canaan and the other six girls saw who it was that saved them from Chucky, Michael Myers, Jason Voorhees, Leatherface, Candyman, Freddy Krueger, Ghostface, and Pennywise The Dancing Clown, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Jewel of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs with the orange kanji on the left leg that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos", and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Canaan: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and the six clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Canaan: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Thunderbird Necklaces of Eternal Love appeared on the necks of Canaan, Yunyun, Nene, Hakkou, Liang Qi, Maria Oosawa, and Alphard with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone what happened, and they were shocked when they found out the villains we went after were Chucky, Michael Myers, Jason Voorhees, Candyman, Freddy Krueger, Leatherface, Ghostface, and Pennywise The Dancing Clown have come back from the dead and they still want revenge on us for destroying them last year on Halloween, and worse still, Cosmos was the one who brought them back.

But, when Lincoln showed what happened such as Drakus transforming and all of us destroying the slashers and sending them to The Black Gates, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Dorothy Skywalker have a lot of catching up to do, now that she's

back in town.

Maria: I can't believe that sadistic Queen of Chaos, Cosmos, was the one who brought those blood-drenched monsters back from the dead, even after we killed them last year.

Lincoln: Cosmos is going to pay dearly for what she just did later on today, and I fully intend on making her suffer dearly.

Nico: Yeah, she doesn't deserve to live a single second further.

* * *

After finally getting rid of Chucky, Michael Myers, Jason Voorhees, Leatherface, Candyman, Freddy Kreuger, Ghostface, and Pennywise and this time for good, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Dorothy Skywalker saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Dorothy Skywalker: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Dorothy, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Dorothy Skywalker: That's incredible.

Nico: It sure is. So, Dorothy, what's the story on you hatting Scoots with a burning passion?

Dorothy Skywalker: Oh, you're so not going to like this. One day, Lincoln and I were busy planting some more apple trees in our little apple orchard, but then, we heard the sound of a scooter and it was heading our way: it was none other than Royal Woods' pain in the neck and completely insane evil heckler, Scoots, and she was going to try and ruin our apple orchard, but I wasn't going to let that old goat get away with it. I used the Force and got Scoots off her scooter and Lincoln trapped her in a rose red orb, and I destroyed Scoots' scooter. We told Mr. and Mrs. Loud of what Scoots almost tried to do to us, and they were mad at her. We sent her back to Sunset Canyon, and Varie, having had enough of Scoots, decided to kick her out of Sunset Canyon and sent her straight to the Lansing Maximum Security Insane Asylum where she was put in a straitjacket and locked up in a padded cell for the rest of her days.

We cheered wildly for what Dorothy and Lincoln did to Scoots.

Nico: Nice one, you two, that ought to teach that old goat. But, there's also something else you should know, Dorothy: Lincoln's Gessius Flores Vengeance Curse sent Scoots to Hell forever.

Dorothy Skywalker: Whoa, I knew Lincoln also had a talent for magic, but I never knew that he's also made some curses as well.

Me: Oh, he did, and they're quite effective on jerks like Scoots or any other jerk we run into.

Nico: (Snickers) And the Gessius Flores Vengeance Curse has also caused the jerks we've got chained up at the restaurant for our humiliations to cough up tons of gold and jewels.

Dorothy Skywalker: What?! Is that possible?!

Lincoln: It is, and we'll be sure to show that to you, and one of the jerks chained up there is Flip. That mutant cheapskate's been chained up here since last year, and we've subjected him to a ton of very painful humiliations.

Me: And Linc's serious on the word "painful".

We showed Dorothy Skywalker the painful humiliations we've subjected Flip to, and they were really hilarious and painful.

Dorothy Skywalker: (LAUGHING HYSTERICALLY) OH MAN, OH, THAT WAS WAY TOO HILARIOUS!

Lincoln: Told you they were painful, Dorothy.

We got a shower afterwards, and then, me and my harem were getting ready for our beach date, and it's at Bay View Private Beach in Michigan.

My harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Varie: Looks like we made it to Bay View Private Beach, now where's J.D.?

Me: I'm right here.

Then, the girls in my harem turned to see me, and their faces had atomic red blushes, hearts in their eyes, their tongues fell onto the sand, and their noses were really bleeding as soon as they see me arrive, I was dressed in a large red speedo with flames on it and white flames coming off the speedo, red sandals, my jewelry, and I had my weapons holstered in case of trouble, and the girls were speechless.

Me: Surprised to see me?

Varie: (Seductively and rubs her right hand on my massive right pec) Big time, and you're also in a speedo, you big, tall, handsome muscular hunk of a man.

Me: Just wanted to try out wearing a speedo for a change, and I think it may have also gotten your attention big time. Shall we?

Me and my harem dived right into the waters and we were swimming in the clear waters and they also saw the sea creatures and plants that live there, and we had a game of volleyball and the girls in my harem got a massive deep atomic red blush when they saw me lift up a 900,000,000,000,000-lb barbell he summoned. Then, we also had some lunch on the sand, and then, I made clones of myself, and me and the clones went up to the girls in my harem, and we wrapped the girls in our abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of me and my clones, and they placed their right hands on the massive wide and muscular left pecs of me and my clones, and we shared a passionate and romantic kiss and then, we came back home to The World Tree Estate and were back in our original clothes.

Nico: Hey, J.D., how was your date?

Me: It was awesome, Nico, we went to Bay View Private Beach in Michigan.

Lynn Sr.: You guys went to Bay View Private Beach? I've been there with Rita on a couple of dates.

Lincoln: And I think I've found another beach date location.

The girls in my harem were still blushing like crazy after seeing me in a speedo.

Nico: Uh, girls, are you okay?

I whispered to Nico that I was in a speedo, and that got the girls blushing like crazy, and his eyes went wide.

Nico: (Stunned) Dude, didn't think you'd do something like that: wearing a speedo. I think the girls in your harem went lovestruck when they saw you in it.

Me: Well, you remember when Lincoln wore that orange speedo that Luna Isdrage made for him?

Nico: But, that's only around Luna Isdrage, if the other girls in his harem see him in a speedo, expect the same thing that happened to the girls in your harem.

May: (Seductively) And the same thing to happen to us, 'cause we also got a speedo with your name on it, big boy.

Nico's face blushed when he heard May's words.

Nico: (Smirks) Clever girl.

---

At Lynn's Table a massive brawl was ensuing! But it wasn't with anyone else. It was with Lincoln's Guardian Angels and the Jerks as the girls were smashing and pulverizing Flip and the Jerks with extreme savagery and brutality! They were brutally smashing them into pulp in a brutal fight cloud and lots of gold, coins, jewels, gold bars and more were pouring out of them at an accelerated rate!

Airazor: Whoa! That is a great fight cloud.

Metal Man: Nothing like a little humiliating fun.

Brittney: And a little bonding time with me and Hari too.

Hari: That's true.

Catherine Deneuve: It's truly an honor to be with you all.

Nico: Same here Catherine.

Maria: Remember when you two first met?

Brittney: I sure do.

Hari: It was during Brittney's first Mini Ambassador Mission.

Me: I think it was during the Blue Dragon World Missions.

Misty Tredwell: But those were so awesome and it was really awesome meeting Hari and her family.

Carly Atlas: It sure was. And it was cool how she and her brother helped so many ghosts cross over.

Devack: It sure is awesome she did all that.

Hari: I thought it was cool too.

Cyborg: We'll never regret having you with us.

Hari: No you sure won't and it's so awesome.

DemiMeramon: I think it's so awesome that we are with you guys now.

Brittney: You got that right.

Kalin: It is awesome.

Tuddrussel: That is it you rotten putrid bucket of bolts! I'm going to rip your head off and turn it into scrap metal!

Larry 3000: Ooh I'm so scared!

Tuddrussel: Well you should be when I tell everyone what a worthless and pathetically lousy freak of metal you are!

Larry 3000: That really hurts! Especially coming from a brainless moron that sleeps with an ugly nightlight and a teddy bear!

CRUEL!

Tuddrussel: HEY! You leave Mr. Binky out of this you dustpan!

Nico: Oh boy.

Tuddrussel: How about the time I caught you putting on makeup bucket boy!

Larry 3000: Ha! That's not nearly as bad as the time you were having a drink and got your head stuck in the toilet after you took a dump in it sewage boy!

Tuddrussel growled in rage!

Tuddrussel: I checked your bluebook value Larry and it said you were absolutely worthless METALFACE!

Larry 3000: I tried to check your IQ but numbers don't go that low you brainless imbecile!

Tuddrussel: YOUR MOTHER'S A STUPID BLIMP!

Larry 3000: YOUR MOTHER'S A PROTOPLASMIC BRAINED SHAVED GORILLA!

WHOA! THAT IS AWFULLY CRUEL!

Muscle Pig: (grabs Tuddrussel and Larry's heads) Oink!

2012 Raph: Looks like you have some bonking heads competition, Eli.

Eli: Yep.

BLANG!

He bashed their heads together and man did it hurt like a son of a bitch!

Tuddrussel and Larry: OUCH!

Muscle Pig: Oink!

Me: Stewie you need to give Muscle Pig a voice box.

Stewie: I am working on one.

Me: Oh.

I went over to Tuddrussel and Larry.

Me: You two are acting like babies!

Camie: Are they always like that?

Brittney: You have no idea. Tuddrussel and Larry absolutely hate each other. They hardly EVER got along.

Nico: Yeah.

Me: Tuddrussel, Larry what is your problem. You two are always acting like a couple of fucking 2 year olds!

William: Isn't this how they always are?

Nico: William you're not helping.

William: Sorry.

Tuddrussel: Why should I work with him! Larry is a robot and he has only one thing to do and that is to do what he is told and follow orders minus the sass-lip!

Larry 3000: I would if Tuddrussel didn't have the brain of a monkey and acted like a child!

Tuddrussel roared and jumped Larry and pulverized him in a brutal fight cloud!

Eli then grabbed them both.

Eli: Pardon me you two but I must discipline the nanny goats!

BLANG!

He bashed their heads together!

Tuddrussel and Larry: OUCH!

Muscle Pig: (glares at Eli) Oink! Oink!

Stewie: Uh oh. Eli, he's saying that your time as head bonker has ended and that he's taking your spot.

Eli then gave the Muscle Pig a powerful death glare.

Eli: Lets get one thing straight you overgrown porkroast! I am the only headbonker here!

Me: You tell him bro!

Muscle Pig: (pouts) Oink!

Eli: Good.

Me: Now you two are going to stop fighting like a couple of little babies right now and get along and work together or getting bashed in your heads will be the least of your problems.

Muscle Pig: (to Eli) Oink!

Stewie: He's asking you if you want to bonk their heads with him.

Eli: Well I could always use a partner.

Muscle Pig and Eli shook hands. Or in Muscle Pig's case hoof.

Qin: Awesome.

Brian: Stewie, I hope you realized what you just created.

Stewie: Oh, come on! It's not everyday Muscle Pig appears in the story!

Brian: Oh right.

Nico: Besides he's cool.

Qin: And a strong pig too.

Camie: Yeah.

Maria: Lincoln, why don't your Guardian Angels beat up the jerks for over several minutes?

Lincoln: They have been doing that for the last 45 minutes.

Maria: Oh.

Qin: Why do you think gold was pouring out of them.

Camie: Boy they were really going at them.

Muscle Pig walked up to Flip and punched his stomach.

KRABLAM!

He belched out numerous rubies and gold bars.

Eli: Nice punch.

Muscle Pig: Oink.

They high fived.

Rolf put on the Hat of Discipline.

Amy: What's with the Giant Hammer?

Rolf: It's the Hat of Discipline. Do you live in a cave!

KRABLAM!

He smashed her flatter than a pancake and numerous piles of emeralds poured out of her.

Nico: Nice one Rolf.

Me: Oh! I got one!

I pulled out a moonshine jug.

I was playing That's My Horse!

Rolf: "That's my horse!" [He hits Ed.]

Ed: "That's my horse?" [He slaps Rolf's hands.]

Rolf: "Yes, that's my horse!" [He slaps Flip's cheek.]

Ed: "That's my horse!" [He hits Bubble Bass's face, and they laugh.]

Rolf: "That's my horse!" [He breaks a barrel over Amy's head.]

We were laughing hysterically!

Ed: "My horse! My horse!" [He slams a wheelbarrow down on Billy McLean's head.]

Rolf: "Uh-uh-uh."

Eddy: Lumpy, how about you keep doing that as Edzilla?

Ed: You got it Eddy!

He turned Edzilla and smashed and pulverized the jerks all over with intense fury and numerous piles of gold and coins and jewels poured out.

Qin: YEAH!

Eddy: (LAUGHS)

Edzilla: THAT'S ED'S HORSE!

He SMASHED THE JERKS INTO A PULP! And then a MASSIVE Fountain Explosion of jewels erupted out of the jerks and flooded the area around them!

Eddy: Hey, Lumpy! While you're Edzilla, you and Rolf should keep doing the That's MyHorse song!

Edzilla: Ed like!

They were dancing and smashing the jerks all over with incredible fury and NUMEROUS AVALANCHES OF GOLD, JEWELS, COINS, BARS AND MORE EXPLODED OUT OF THEM WITH EVERY FORM OF COMEDY!

Maria: Wait. You guys hear that?

We heard horse whinnies?

Nico: Horse whinnies?

Then in came a Zodiart and it was for Pegasus the Flying Horse!

Me: The Zodiarts of Pegasus the Winged Horse!

Nico: Wow! That's a cool one!

Lightning Dust: Wow! And we know tons of Pegasi.

Nico: Yep.

Pegasus Zodiarts: (In a girls voice) Been a long time J.D.

She changed back and it was a girl with blue hair, blue clothes and she had the symbol for Pegasus the Flying Horse on her arm and the constellation of Pegasus on her pants.

Me: Penelope Pegasus! Wow!

Penelope Pegasus: It's good to see you again J.D.

Me: Boy its been a long time.

Nico: You know her J.D.?

Me: Yep. She was one of my friends over at Flight Camp. She is also the one that taught me most of my piloting skills.

Nico: So she taught you how to fly a plane and all that.

Me: Yep.

Penelope Pegasus: Good times. And I heard you piloted so many awesome planes including Air Gigantica.

Me: Yep. Those were so awesome.

Eddy: Lumpy wait! This is J.D.'s friend. Don't hurt her.

Edzilla: Aww.

Eddy: You can still hurt the jerks.

Edzilla: Ed like. ED SMASH JERKS!

He pulverized them more.

Me: Sorry we have to fight like this Penelope. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Penelope Pegasus: I'm ready.

She turned into the Pegasus Zodiarts and flew and I flew after her.

Me: (Activates Stratos's Ridewatch) Time to get blown away.

I fired a wave of wind and smashed her into Billy McLean and she exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive number of gold bars exploded out and it was as many bars of gold as there were in all of Fort Knox and I caught the Zodiarts Switch and purified it and it formed into a sword. Penelope got up and I helped her.

Penelope Pegasus: What a headache.

Me: You're going to be okay.

Swerve: We can still humiliate the jerks some more.

Nico: We got lots of time.

We did so with numerous pranks and more and Lincoln's Guardian Angels were still pulverizing Flip all over for everything he did and really ripping him to pieces!

They were mangling him up for over 4 hours! HOLY MACKEREL!

Pounce: I think that's enough.

Nico: Yeah.

The Guardian Angels all came back and they were all sweating like pigs and were really dripping.

Sarah Tinsley: Wow!

Emily McCale: That was worth it.

Eleanor Collins: Yeah.

Nico: Lets head for the estate.

We went back home and the jerks were all beaten up to within an inch of their lives and Flip took the worst of it.

* * *

We arrived.

Mokuba: Where to next?

ALARM BLARES!

BOING BOING BOING BOING BOING BOING BOING!

Nico: To the Time Squad Satellite!

We were off to the Satellite and we arrived.

We went to the computer.

Larry 3000: The History Instability Detectors traced the problem back to 1717 to a man named Edward Teach.

Me: That's Blackbeard!

Otto Osworth: He was the Fiercest Pirate to ever sail the Seven Seas.

Nico: This is gonna be awesome!

Sportsmaster: Can me, Merman, Riddler, Absorbing Man, Overdrive, Weather Wizard, Shiva, Bronze Kneecap, DC Enchantress, and King Shark go with you guys?

Nico: Yes you all sure can.

Qin: I got a feeling I know what this version of Blackbeard is up to.

Nico: You do?

Qin: Yeah but we'll need confirmation when we get there.

Laney: Okay.

Me: And Pipp, Rarity, it's your turn to shine.

Pipp Petals: All right!

Rarity: Oh this is gonna be amazing darlings.

RD Lola: Nico, which Gene Slammer do you think you'll meet next?

Nico: Lets see. I'm hoping to meet a Mega Dialga next.

Carolyn Hope: Wow! A Mega version of what I can turn into.

Nico: Yep.

Laney: That will be awesome.

Nico: It sure will. All right lets load up the Phoenix Maelstrom Ship and head out to see what Blackbeard is up to.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Cosmos, The Chaos Queen, and she's absolutely furious that Chucky, Michael Myers, Jason Voorhees, Candyman, Freddy Krueger, Leatherface, Ghostface, and Pennywise The Dancing Clown have have been destroyed and sent to The Black Gates, and now, she's heading here to kill us and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Cosmos on the move?

Lincoln: You guessed it, Nico, and she's absolutely furious that Chucky, Michael Myers, Jason Voorhees, Candyman, Freddy Krueger, Leatherface, Ghostface, and Pennywise The Dancing Clown have have been destroyed and sent to The Black Gates, and now, she's heading here to kill us and get her revenge.

Discord: Should've known it was only a matter of time before she finds out.

Wendy the Great: Yes, but now, we're ready for her, and we'll make her pay for what she's done.

Gusty the Great: Indeed we all will, Wendy, because not only is Lincoln going to join, but also, Drakus is also joining in as well.

Lincoln: Now, that's a good idea, Gusty. Wait until Cosmos meets a true master of mischief, but he's also wild and even more insane than her.

Drakus: You got that right, Lincoln.

Nico: I wouldn't want to be in Cosmos' feet right now, because facing off against Drakus will mean an immediate death sentence for villains big time.

Me: Especially if he goes even more wild and insane on her.

Nico: And she's also going to pay for all the trouble she's also caused Discord. Alright, gang, let's go, time to meet up with The Time Squad.

Lincoln: Looks like we've got a Time Crisis to deal with, and once we fix this Time Crisis, you better be ready for later on, Cosmos, we're putting an end to your spree of destruction for good, you evil, sadistic monster.

We teleported to the garage and loaded up and ship and then we opened a portal to 1717 and we were off.

---

ATLANTIC OCEAN - CIRCA 1717 A.D.

---

We arrived and we were off.

Nico: Atlantic Ocean 1717 A.D.

Riddler: Riddle me this: What kind of unusual trouble could Blackbeard possibly be up to?

Tecna: (British Accent) Who knows.

Nico: We'll find out soon.

Laney: Queen Anne's Revenge off the starboard bow!

We saw the ship.

We pulled up alongside it.

Me: Ahoy there!

We went on board.

Me: Where is Blackbeard?

Pirate 1: Shut your piehole ya dirty scalaway!

He swung his knives at me.

Me: Watch where you're swinging those knives you fuckwipe!

I punched him in the face and sent him crashing into the other pirates!

The pirates growled at us.

Pirate 2: Lets cut out their gizzards!

Pirate 3: Keelhaul them!

Pirate 4: Make em walk the plank!

Me: You come anywhere near us… (Unsheaths sword) And we'll kill all of you!

Guyhawk: We won't ask again. Where's Blackbeard?!

?: Someone call!?

We saw CAPTAIN BLACKBEARD!

Otto Osworth: Wow! It's him!

Me: Captain Blackbeard I presume?

Captain Blackbeard: Aye. We need these strangers to join our ranks and fight alongside us.

Tuddrussel: Hey you want fight? I'll fight! Plundering, looting, pillaging, swashbuckling!

Captain Blackbeard: Nay! Not pirating! There's a different fight we're carrying on these days. The Fight to Save the Whales!

Overdrive: Before we go any further, can someone bring out a vehicle for me?

Me: Uh we're on one Overdrive.

Overdrive: The ship? Okay.

Nico: Now where were we? Oh right. SAY WHAT!?

Me: Save the whales!? You got to be fucking kidding me!

Laney: Yeah! You're supposed to be a pirate!

Ulmar: Wait. Since when is saving whales a bad thing?!

Me: Ulmar weren't you listening? He's supposed to be a pirate.

Nico: Yeah the most notorious and scariest pirate of all!

Captain Blackbeard: Not since I saw these gentle giants, nurse their young and sing their silly happy song of the sea! (Poor Whale Song)

Me: Okay that song was terrible. Do it like this. (WHALE CALL)

I had a bunch of whales come,

Me: Whales are gentle giants yes. But you are not a savior of the whales. Leave that to us. You are supposed to be a great pirate.

Shiva: Is there anywhere on the ship where me and my friends can talk in private?

Captain Blackbeard: Down in the quarters.

Me: We'll be right back.

We went down to the quarters.

Wingspan: I don't know, guys. Saving whales is actually a good cause.

Stewie: I agree. Unlike how the fatman accidentally killed one with a forklift.

Nico: I heard about that.

Eli: I don't know guys. Something is fishy. I'm sensing brainwave patterns that are not his.

Wingspan: What do you mean Eli?

Eli: I mean that he is like being controlled.

Qin: You mean mind control?

Eli: Exactly.

Nico: Hmm.

Lincoln: Maybe this is one change in history that can stay.

DC Enchantress: Lincoln, I admit that this is a good thing. But Blackbeard is an inspiration to pirates everywhere!

Me: I agree June. As much as I think this is a good cause, Blackbeard made pirates what they are because of his legend and legacy. He is the greatest pirate ever known next to Jack Sparrow. And he is also the greatest pirate ever in history.

Lincoln: Oh you're right. We got to get him back to pirating.

Nico: There has to be something on him that's causing this.

Zipp Storm: I think I can find out.

Zipp pulled out her awesome new glasses.

Me: Wow those are awesome Zipp.

Zipp Storm: Check it out.

She had me try them on and I saw that they were special goggles that can see everything in Infrared, X-Rays and Night Vision.

Me: These goggles are awesome Zipp! Where did you get these?

Zipp Storm: Oh Izzy made these for me.

Me: You made these for her Izzy?

Izzy Moonbow: I sure did.

Me: Awesome!

I gave them back to Zipp.

Nico: Those are spiffy.

Luna: (to Nico) Me and Luan aren't picking sides on this, dude. But you've got a choice to make.

Nico: What choice would that be exactly?

Luan: Let Blackbeard's newly found noble cause stay. Or disrupt it so he goes back to pirating.

Nico: Is this really a big decision like how J.D. was tempted to go back in time to erase all evil with the Black Gates?

Klaus Von Herzon: No. But it's still important anyway.

Sirenoid: Plus, we already have gone back in time right now. Whether history goes back on its correct course is up to you.

Me: Why am I getting dragged into this?

Otto Osworth: Guys that's enough!

Me: Otto?

Otto Osworth: We're not dividing up about that. We're getting Blackbeard back to pirating.

Me: Okay okay lets calm down and take a vote. That way we can do this peacefully without having to fight.

Nico: Okay then. All those in favor of having Blackbeard save the whales?

Less then a quarter of the team raised their hands.

Me: And all those for him being a pirate like he's supposed to?

The rest of us ALL Raised our hands.

Me: Okay motion for Blackbeard being a pirate carries.

Nico: Agreed. Sorry Luna, But history must remain the way it is. No exceptions.

Qin: That's right.

King Shark: FYI, sharks are much greater sea animals then whales!

Me: You'll get no argument from me there.

Heidi: King Shark is right. Sharks have been on the planet for over 450 million years whereas whales have been on the planet for over 50 million years.

Nico: Yep.

King Shark: That's true.

Luan: Me and Luna DID say we weren't taking sides on this.

Clown Man: There are no sides needed to be drawn about this in the first place.

Luan: You're right. This is a WHALE of a pickle here. (LAUGHS) Get it? But seriously it is.

We laughed at her joke.

Lori: Okay that was literally a good one.

Nico: (LAUGHS) That was funny. But anyway lets focus and help Blackbeard. Zipp, you used your goggles to see if there is anything on Blackbeard.

Zipp nodded.

Bronze Kneecap: (to Lisa Simpson) You've been awfully quiet about this. After all, this kind of thing gets you interested.

Lisa Simpson: Normally yes and I've been against Whale Hunting for a long time. But I'm with Nico to get Blackbeard back to pirating.

Nico: Thanks Lisa.

Qin: Besides. We have to make sure that history is back on track.

Sour Sweet: I can see the headlines now. "Team Loud Phoenix Storm Monsters. Disrupting whale saving cause".

Nico: That's not funny Sour Sweet.

Weather Wizard: Whoever's mind controlling Blackbeard must be an aquatic villain. One that we're definitely recruiting to the Masters of Evil.

Nico: Only one way to find out.

We went to find out and Zipp looked through her goggles and with her X-Ray vision she saw something really strange on Blackbeard. It looked a plant that dug into Blackbeard's neck.

Zipp Storm: What the? J.D. take a look at this.

She gave me her glasses and I saw what she saw and It was really strange!

Me: What the? A plant is on the back of his neck?

Laney: A plant?

Thrust: Now, who would want to save whales that badly?

Maria: Attuma?

Nico: We killed him last year.

William: Orca?

2003 Raphael: She's my archenemy. But I don't blame ya for forgetting.

May: Tiger Shark?

Akira: That's a good guess. But he's a shark. Why would he care about saving whales?

Me: Except none of them use plants.

Nico: Plants?

Me: Take a look.

I gave Nico the goggles and he saw the plant that's controling Blackbeard.

Nico: That's not Undergrowth's handiwork.

Nico gave them to Poison Ivy and she gasped.

Poison Ivy: That's my handiwork. It's another version of me.

Absorbing Man: Let me find something to absorb.

Nico: Plenty of wood.

Absorbing Man: Perfect.

Eye Five: Eye think it's time for an entrance!

Nico: Lets do it.

We went at Blackbeard who was talking.

Then the spirits of pirates appeared and swirled around him and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and we came out and jumped Blackbeard.

Me: Hold Still.

I grabbed the plant and pulled it out!

Me: Got it!

Blackbeard groaned!

Captain Blackbeard: (Groans) What happened? I feel like I was hit by a cannon.

Me: Long story Captain.

Then the plant came alive and crawled and then it bloomed and then out came POISON IVY FROM BATMAN THE BRAVE AND THE BOLD!

Poison Ivy: Another me!

Merman: As an aquatic person, I understand what you're doing is noble. But history shouldn't be changed!

Brave and the Bold Poison Ivy: I really don't understand why you all aren't on board with this. I'm not talking about killing people, or destroying Gotham City, or destroying the planet! I'm talking about saving whales! Just like what you guys do!

Nico: Oh, believe me, we're not exactly thrilled about our decision either.

Me: Especially in a time 305 years from ours.

Camie: Yeah. We're not going to let you hurt history.

Varie: That's right!

Then Grundy, Mortal Kombat Scorpion, Goro, Rowdyruff Boys, Chemistro, Black Spider, Ragdoll, Speed Demon, KGBeast, and Unicorn appeared.

Nico: Grundy, Mortal Kombat Scorpion, Goro, Rowdyruff Boys, Chemistro, Black Spider, Ragdoll, Speed Demon, KGBeast, and Unicorn.

Unicorn: Glad to see you're all safe.

Grundy: Grundy think Nico made right decision.

Mortal Kombat Scorpion: Even if it is the hard one.

Nico: Thanks, guys.

Goro: This version of Poison Ivy is definitely going in our ranks though.

Me: Good idea.

Brick: (to Nico) Heard you met an old friend.

Nico: Yep.

Black Spider: What's her name?

Nico: Her name is Catherine Deneuve and she is a Digidestined from France.

Catherine Deneuve: Oui. An honor to meet you all.

Black Spider: Likewise.

?: That's neat.

Then a figure came out and it was DUMBBELL BOT from episode 27 of RPM!

---

With the completion of Tenaya 15 and the destruction of Shifter by the Rangers, this new Dumbbell Bot was created to attack the city. He attacked with the Grinders and the Ranger Operators, except for Dillon. While the other Ranger Operators fought off the evil army, Dillon kept an eye on things from above, waiting for Tenaya 15 in hopes of using the Control Key on her to get her back. Dumbbell Bot proved to be much more powerful than the Rangers could handle. He had the team down and almost out, but Ranger Black used the Control Key on Dumbbell bot, causing him to shut down for a few seconds. This bought the Rangers enough time to combine their weapons and blast the Bot. Dumbbell Bot was then made huge, but he was quickly destroyed with the Road Attack Zord and the Mach Megazord.

---

Scott Truman: Dumbbell Bot!

Dumbbell Bot: Been a long time rangers.

Me: I remember you! You were made after Shifter was destroyed and Tenaya 15 was done and you were sent to attack Corinth.

Dumbbell Bot: Good memory.

William: So, are you basically Dumbelltron's predecessor?

Dumbbell Bot: You know, I never thought of it that way.

Me: That's interesting.

Nico: Yeah it sure is.

We got the battles underway.

Scootaloo: I thought it was neat too and her story is awesome too.

---

Dorothy Skywalker: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Dorothy, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter

as well.

Dorothy Skywalker: That's incredible.

Nico: It sure is. So, Dorothy, what's the story on you hating Scoots with a burning passion?

Dorothy Skywalker: Oh, you're so not going to like this. One day, Lincoln and I were busy planting some more apple trees in our little apple orchard, but then, we heard the sound of a scooter and it was heading our way: it was none other than Royal Woods' pain in the neck and completely insane evil heckler, Scoots, and she was going to try and ruin our apple orchard, but I wasn't going to let that old goat get away with it. I used the Force and got Scoots off her scooter and Lincoln trapped her in a rose red orb, and I destroyed Scoots' scooter. We told Mr. and Mrs. Loud of what Scoots almost tried to do to us, and they were mad at her. We sent her back to Sunset Canyon, and Varie, having had enough of Scoots, decided to kick her out of Sunset Canyon and sent her straight to the Lansing Maximum Security Insane Asylum where she was put in a straitjacket and locked up in a padded cell for the rest of her days.

We cheered wildly for what Dorothy and Lincoln did to Scoots.

Nico: Nice one, you two, that ought to teach that old goat. But, there's also something else you should know, Dorothy: Lincoln's Gessius Flores Vengeance Curse sent Scoots to Hell forever.

Dorothy Skywalker: Whoa, I knew Lincoln also had a talent for magic, but I never knew that he's also made some curses as well.

Me: Oh, he did, and they're quite effective on jerks like Scoots or any other jerk we run into.

Nico: (Snickers) And the Gessius Flores Vengeance Curse has also caused the jerks we've got chained up at the restaurant for our humiliations to cough up tons of gold and jewels.

Dorothy Skywalker: What?! Is that possible?!

Lincoln: It is, and we'll be sure to show that to you, and one of the jerks chained up there is Flip. That mutant cheapskate's been chained up here since last year, and we've subjected him to a ton of very painful humiliations.

Me: And Linc's serious on the word "painful".

We showed Dorothy Skywalker the painful humiliations we've subjected Flip to, and they were really hilarious and painful.

Dorothy Skywalker: (LAUGHING HYSTERICALLY) OH MAN, OH, THAT WAS WAY TOO HILARIOUS!

Lincoln: Told you they were painful, Dorothy.

FLASHBACK ENDS

Discord: I thought I had you banished to The Moon after you lost your powers long ago, Cosmos. But, you just don't know when to quit, you're like a bad itch that just won't go away.

Nico: That's telling her.

Cosmos: You have ruined my plan to finally destroy you all, you destroyed Chucky, Michael Myers, Jason Voorhees, Leatherface, Candyman, Freddy Kreuger, Ghostface, and Pennywise, but I should have known they wouldn't do the job right. Now, I will destroy you all and plunge this entire planet into eternal chaos!

Cosmos moved into attack us, but Wendy the Great fired a powerful green and red energy blast at Cosmos, and it hit her and she was burned by the Magic of Friendship.

Cosmos: Who do you think you are to get in my way?!

Wendy the Great: Someone who refuses to let you hurt my friends, and who's had about enough of you, you sadistic cretin. (Green and red energy aura flares up) I am Wendy the Great, Champion of Gusty the Great, the legendary hero who sealed away Grogar's Bewitching Bell and saved Equestria and one of The Legendary Pillars of Harmony, and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Virtue.

This horrified Cosmos badly.

Cosmos: Impossible, The Champions of Harmony have returned.

Suddenly, Wendy the Great's crystal blue eyes turned neon crystal blue, and she was surrounded by a green and red energy aura with leaves, winds, Alicorns, and magic, she unholstered her massive Sword of The Champion of Harmony, and as she approached Cosmos, she left green and red energy, leaves, winds, Alicorns, and magic with every step.

Wendy the Great: Cosmos, I will never ever forgive you for the crimes that you've committed against Equestria, you are nothing more than a sadistic monster who enjoys causing chaos and destruction among all ponies for your own sadistic pleasure, that kind of behavior is inexcusable, and now, I will administer unto you the punishment you rightfully deserve: death.

Suddenly, Wendy the Great was surrounded by a massive vortex of green and red energy with leaves and winds and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Wendy the Great emerged, but she was changed forever.

Gusty the Great has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY WIND BREEZE MAGIC FRIENDSHIP VIRTUOUS ALICORN ANGEL OF DIVINE WIND GUST JUSTICE AND DIVINE VIRTUOUS WIND BREEZE LOVE!

We were amazed by Gusty the Great's Super Angel-Alicorn Eternity Infinity transformation, but when Cosmos saw it, she went crazy and tried to attack Gusty the Great, but Gusty the Great dodged Cosmos and fired a powerful green and red energy blast, and it hits Cosmos and sent her flying into a wall, but she's not out yet.

Starlight Glimmer: Wow, now my mentor, Gusty the Great, has transformed, so awesome.

Nico: And the breeze that's coming from her and Wendy feels so amazing.

Me: It sure does, now, it's Drakus' turn.

Gusty the Great: (Divine Echoing Cosmic Voice of The Virtuous Wind Breeze Alicorn and Divine Wind Virtue Magic Love) **That's right, J.D. Drakus, you ready to go crazy on Cosmos?**

Drakus: Now, you're talking.

Suddenly, Drakus' blue eyes turned neon blue and he was surrounded by a blue energy aura with dragons, cryptids, lightning, and elemental forces, he unholsters his massive Sword of The X-Squad from his back, and as he approached Cosmos, he left blue energy, dragons, cryptids, lightning, and elemental forces with every step.

Drakus: You absolutely make me sick, Cosmos, it's bad enough you've caused a shit ton of chaos and destruction to Equestria and to all ponies there, but when you brought Chucky, Michael Myers, Jason Voorhees, Leatherface, Candyman, Freddy Krueger, Ghostface, Leatherface, and Pennywise back from the dead, you just crossed a serious line, lady. Well, that all ends here and now, and now, I will make your death slow, painful, and frightening!

Suddenly, Drakus was surrounded by a massive vortex of blue energy with lightning crashing down from the heavens, there's a dragon and cryptids flying around the vortex, and in the vortex is a blood red phoenix with the blood red eyes of death glaring at Cosmos. Then, as the vortex faded, Drakus emerged, but he was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Drakus grew to 7'5" in height, he has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has blood red streaks and blood red highlights in the bangs of his messy blue hair, he has neon blue eyes and a blue energy aura with lightning, cryptids, dragons, and elemental forces surrounding him, he has a dragon with the Death Kanji emblazoned on his forehead, he has on dragon earrings with blue gems for eyes and holding the Death and Eternity Kanjis in its claws, he has on his Crystal Necklace of The Buddha with blood red gems embedded on the gold lightning bolts and blue crystal links and a blue dragon-shaped Element of Harmony and on the bottom of the Element of Harmony is the Loch Ness Monster with blood red gems for eyes and holding the Death and Eternity Kanjis in its flippers for the pendant, his blue t-shirt now has a blood red dragon and phoenix on it, his jacket turned cobalt blue with blood red jersey devils on it, his red pants have blue flames on the pant legs, his green slippers changed into black leather ankle-high combat boots with a tinge of blue, and he has on a long long-sleeved cobalt blue trenchcoat with blood red jersey devils on the coattails and on the back is a dragon with lightning bolts and cryptids surrounding it. Suddenly, Drakus felt a sharp pain on his now wider and more muscular back, his head, and backside and then, massive cobalt blue angel wings with blood red tips on the cobalt blue feathers, grew and sprouted out above his blue dragon wings, his blue dragon horns on his head and blue dragon tail grew much bigger for his new body, he has on a Ring of

The Phoenix with cobalt blue gem and heart-shaped gem embedded in it on his right ring finger and Black Lantern Ring on his left ring finger.

Suddenly, Drakus' Sword of The X-Squad and all of the swords he'd gotten began merging together, and they're surrounded by a kaleidoscope of blue energy, dragons, cryptids, lightning, and elemental forces, and when it finally emerged, it was transformed into Drakonia's Elemental Lightning Cryptid Greatsword of Deathly Avenger Justice, it's a brand-new massive greatsword with the symbols of The X-Squad and Drakonia with cryptids and a dragon etched on the 7'0" massive, wide, double-edged pitch black blade, large cobalt blue dragon heads for the crossguard, large blue gem embedded in the rainguard, longer pitch black handle, four large cobalt blue dragon heads with blue gems for eyes and in the open mouths and on the bottom of the dragon heads is a large blood red gem for the pommel, he has on his new large gold cuff Bracelets of the Champions of The Universe with blood red gems on his wrists, his new large gold Belt of Elemental Bravery with large gold dragon head with blood red gems for eyes and a large cobalt blue gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony and BlazeBlue holstered on his right hip and Eater of Sins revolver holstered on his left hip. There's a blood red kanji below the dragon that said, "Drakus Hydrax, Prince of Drakonia, Loving Only Child of Queen Pyrani Hydrax and King Volteus Hydrax, Best Friend of Many, Loving Boyfriend of X-Squad Cyclonis, Sapphire Ink, Viridi, X-Squad Mine, X-Squad Princess Morbucks, Polly Tix, and X-Squad Zizou Olympia, Captain of The X-Squad, Destroyer Of Brainiac, Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Feral, Insane, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning, Cryptids and Mischief"

Drakus Hydrax's transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY CRYPTID SUPERCELL LIGHTNINGSTORM MISCHEVIOUS DRAGON ANGEL OF DIVINE DEMONIC LIGHTNINGSTORM MAYHEM AND DIVINE ELECTRIC CRYPTID JUSTICE!

We were amazed by Drakus Hydrax's Super Angel Xelnaga Eternity Infinity transformation, but when Cosmos saw it, she went insane and went after him to kill him, but Drakus spreads his massive cobalt blue angel wings and blue dragon wings and summoned an arsenal of firearms from out of nowhere, and he fired on her, riddling her with holes, but it pissed her off even more.

Drakus: (Divine Echoing Cosmic Voice of The Demonic Lightning Mischief Dragon and Divine Demonic Cryptid Justice) **Your time of judgement has finally come, Cosmos, and now, you shall die!**

Lincoln: You got that right, Drakus.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Wendy the Great, Gusty the Great, and Drakus.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You've terrorized the innocent ponies and lands of Equestria for far too long, Cosmos, and now, it's time for you to say your goodbyes, because you are never ever coming back!**

Wendy the Great, Gusty the Great, Lincoln, and Drakus went after Cosmos, who continued firing blasts of energy and summoning explosives and other lethal weapons, but they've deflected them all with their Elemental Shields of Harmony, and they fired powerful blasts of rainbow energy, green and red energy, blue energy, cryptids, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Cosmos, and they exploded with incredible power as they hit her, and she was being burned by The Magic of Friendship. Then, they attacked her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it burned her badly, and the wounds she suffered would never heal.

Drakus literally unleashed Hell on Cosmos when he also entered into Blood Rage Mode, and his nails grew into sharp claws, and he literally tore at her, slashing her with his claws. Then, Lincoln flew at Cosmos, and with his vampire fangs now longer and sharper than ever, Lincoln sank his fangs deep and hard into Cosmos' neck, and she screamed in excruciating pain, but the pain was just beginning. Suddenly, Lincoln began sucking out and draining all of Cosmos' reality-warping powers, as Lincoln's rainbow energy aura was flaring up extremely and he was gaining a really massive power boost, and Cosmos was starting to get weaker and weaker and weaker still. Finally, Cosmos was eventually weakened to such a degree, she couldn't even stand, as Lincoln unlatched his vampire fangs which were covered in blood from Cosmos' neck and he let out an extremely loud and animalistic roar that shook the ground itself.

Me: WHOA!

Nico: HOLY CRUD!

Then, Lincoln grabbed Cosmos by the neck with his large left hand and tossed her into the air with his really immense and brute superhuman strength, and this allowed Wendy the Great, Gusty the Great, Lincoln, and Drakus to finish Cosmos off by firing massive energy beams and as they hit Cosmos, they exploded with incredible power, killing her for good. We cheered wildly for what Wendy the Great, Gusty the Great, Lincoln, and Drakus did to

Cosmos as they holster their massive greatswords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Wendy the Great and Gusty the Great are permanent, and Drakus' new body, clothes, weapons, jewelry, and massive cobalt blue angel wings and larger blue dragon wings, larger blue dragon horns, and larger blue dragon tail are permanent.

Then, as Cosmos' spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and Cosmos' spirit as surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of his crimes, and the energy images of The Mane 12 aimed their horns at Cosmos and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Cosmos.

Lincoln: Cosmos, for the crimes that you committed against everyone in Equestria, you have been found guilty, and the punishment for your crimes is death.

This horrified Cosmos as she soon saw her days of chaos and havoc are about to come to an end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Cosmos' spirit, they exploded with incredible power and her evil spirit was condemned to The Black Gates, and she was fading away.

Cosmos: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

Cosmos' spirit was erased from existence by the spirits of all those she's hurt, and she'll never return to hurt anyone again. THE DESTRUCTIVE CHAOS OF COSMOS HAS FINALLY BEEN BROUGHT TO AN END FOR GOOD!

Nico: Now, that's what I call an awesome battle between Virtue and Chaos.

Me: You said it, nice job, guys.

Lincoln: Thanks, J.D.

Nico: That's the second of our five time travelling missions done and three more to go, and we've also gotten rid of Cosmos.

Lincoln: Which means, the next member of The Doomsday 23 to take down and destroy tomorrow is Evil Adagio Dazzle.

Adagio Dazzle: I should've known she'll be the first to show up tomorrow, but we'll all be ready for her.

Adagio Nicholette: Yes, we'll bring that evil namesake of ours and make her pay for her crimes.

Adagio Dazzle: Last time she and the other Evil Dazzlings showed up, Lincoln sang our song and they literally ripped each other to shreds, and we absorbed their hatred and it made us even powerful than before.

Nico: Yeah, and it was really really bloody on how they tore each other to shreds.

Me: But, still really awesome.

Adagio Nicholette: And you're also going to transform, Adagio, and won't that mean J.D. will go lovestruck crazy when he sees you in your new form?

Adagio Dazzle: He will, and he's also joining us to help deal with Evil Adagio Dazzle, and I hope Lincoln swipes her necklace again.

Sly Cooper: Now, that's something I'm looking forward to seeing yet again.

Lincoln: Now, now, guys, don't give me a swollen head.

We shared a laugh.

Nico: But, still, what Adagio said was true, Linc. When the Evil Dazzlings were about to sing their song, you swiped their necklaces in a fast blur. Wait, that's due to your lightning powers, right?

Lincoln: Yep, just like Lori, I also have super speed, along with the lightning powers from Hinon, and with the training I got from Aimi about being silent and striking hard and fast.

Me: That's right, I remembered you telling us that when we met Aimi on your rescue.

Ragdoll: I guess that's the end of Blackbeard's whale saving spree.

Chemistro: Even if it was a noble cause.

Me: And you have this version of Poison Ivy to blame for it.

Speed Demon: This version of Pamela will be a good addition to our ranks.

KGBeast: Depending on how you see it, today was a bittersweet victory.

Unicorn: Bittersweet or not, what's done is done.

Me: Yeah.

Captain Blackbeard: Yargh. I'm sorry I did what I did.

Me: It's not your fault Captain.

Captain Blackbeard: But I know now that a Pirates Life is the Only Life for me.

Eli: Aye matey!

Otto Osworth: But it was great. Mission Accomplished.

Me: You got that right.

Qin: Yep.

Nico: This was awesome. Great job today everyone.

Tuddrussel: Yeah.

Jack Sparrow: (To the viewers) Aye and now we are back to normal with the pirate code lads.

Qin: We sure are.

Nico: Yep. Lets head home.

We went back to our ship and went home and enjoyed the rest of the day and went to sleep.

Another awesome chapter done.

GET READY FOR A CRAZY ADVENTURE

Flying through space was Nico, The Ripping Friends, Jack Landors, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Maria, Kaalia of The Vast, me, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Girl Jordan, Earth, Vinyl Scratch, Beast Wars Prowl, Ironhide, Silverbolt, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily and we found a strange swamp planet located 500 lightyears away from Earth.

Me: This swamp planet must be an interesting one.

Qin: I have a feeling it will be a good one.

Momo: Yeah it sure will.

Granity: I have a feeling it will be cool.

Jack Landors: It sure will.

Nico: Thanks for coming with me, Jack.

Jack Landors: Not a problem Nico.

Nelanie: (Laos Accent) I'm really looking forward to this.

Nico: Jack, I think you're definitely a Power Ranger version of Agent J.

Jack Landors laughed.

Jack Landors: That's great for me.

Me: I like it.

Camie: I agree there.

Nico: I also like how your team puts bad guys in Containment Cards. I know we haven't done that in a while. But that really is a good prison system.

Jack Landors: It sure is. I thought it was so cool.

Lola: Yeah it sure is.

Me: And we'll take Gruumm out in the future and make sure he gets the Black Gates.

Eli: That's for sure.

Jack Landors: Thanks guys.

Me: Anytime. Also Jack what's interesting is that the future you guys came from is only 3 years away.

Jack Landors: That is true.

Nico: (sighs) Guys, do you really think we did the right thing yesterday?

Me: Yeah we did. I know Saving the Whales is a good thing but history is much more important. You know what will happen if History is messed up? It will destroy the entire universe.

Lisa: That is correct.

Nico: That is true. I completely forgot about that.

Me: Besides it was being done against his will Nico.

Nico: Oh you're right. But that was great thinking there with Eli and Zipp's awesome goggles really were cool.

Zipp Storm: Thanks Nico.

Me: Izzy did a great job making those for you Zipp.

Zipp Storm: She sure did.

Nico: I didn't know she was that good at making stuff like that.

Izzy Moonbow: It's a special hobby I like. But thanks.

Me: You're welcome.

Nico: I'm just asking because there actually is nothing wrong with saving whales.

Me: We know but Nico stuff like that needs to be left to the professionals like us and also like your friend that works with Greenpeace.

Qin: That's true.

Camie: Yeah. And I thought it was a great cause but Blackbeard was an amateur at that kind of thing.

Nico: He was yes.

Me: Yeah.

Nico: I just can't help but feel a little bit guilty, you know?

Lola: (pats him on the back) Maybe fighting the next Another Omnitrix Alien will get your mind off that.

Nico: Good idea.

Me: Besides we're here.

We saw that we were at the planet.

Nico: I hope it's a food planet.

Me: No the scans show that it's not a food planet this time.

We went down to the planet and we landed and saw that it was a horrifyingly scary swamp world with swamps that were as scary as the ones out of your worst nightmares and it was filled with scary creatures that even your nightmares would love.

Laney: Whoa! What a scary swamp.

Me: It's a real swamp planet. This place gives me the creeps.

Nico: Now that's a face only a mother can love.

Me: Huh?

Nico: I was talking about the planet. Yeah this place is scary.

Me: It sure is scary. And I thought Dagobah was scary.

Laney: Yeah and messy.

Varie: Yeah this place is scary too.

Nico: Let's keep our eyes peeled.

We nodded.

Himiko: This place is scary though.

Sirius: It sure is.

Maria: Yeah.

We walked around and it was a scary and creepy world.

Eli: This is a really creepy world.

Nico: I'm thinking that this set of usual battles be 20 per day. What do you guys think?

Me: Wow! That's great!

Qin: Yeah we all can use a challenge on that.

Eli: With so many of us and the number still growing every day we got to find some way to keep us all getting stronger.

Lincoln: That's for sure.

Himiko: I agree there and LeFou needs to face me more often.

Nico: Vexen told me he brought back the Man Bat that was in Mr. Mind's gang and trained it to be obedient.

Me: That's cool he did!

Brittney: It sure is. Dr. Langstrom is gonna have a field day seeing the monster he turned into in our Frenemies.

Laney: Yeah.

Nico: Also, the Neo Core members are getting a chance in the usual battles now. Including the rest of the Sinister 12.

Me: Cool! Looking forward to this.

Qin: Yeah!

Eli: This is gonna be awesome.

Nelanie: I hope I get my own usual battle set soon.

Laney: That is gonna be cool. If the Hernandez Sisters, Himiko and many of our friends can have usual battles as extras then we can incorporate those into the fray too.

Nico: Pink Ranger Slayer is part of the Neo Core members.

Me: That's true and so is Pooperman.

Camie: And Frictor and Pooperman too.

Albedo: Don't forget about me too.

Laney: And Bluto and Bui too.

Me: And the Ghost of Dr. Coffin.

Nico: I'm also thinking of including Backup Core members as well. Unfortunately, that's still in progress.

Me: You'll think of something but that's a good idea.

Qin: Yeah it sure is.

Varie: I agree. You can start by putting some of the Non-Core Members in that group.

Applejack: Yeah. That will definitely work.

Maria: There's no rule against more then 10 battles.

Me: No there isn't. And we've done it countless times before.

Qin: We sure have.

Nico: Yes we have.

Camie: I agree there.

May: No kidding. (SPLAT) I think I stepped in something!

She saw that she stepped in sticky mud.

May: YUCK!

She pulled her leg out and it was covered in mud.

Nico: Whoa that is gross.

But then…

?: HELP! Can anyone hear me!? HELP ME!

Me: (GASP) I know that voice but I thought she was dead! This way!

We followed the voice and we saw a girl waist deep in swamp mud and was sinking and she had orange hair and orange clothes.

Me: Hadleigh Smithers!

Hadleigh Smithers: J.D.! I thought I would never see you again!

Me: I thought you were dead.

Nico: You know her?

Me: She was a girl that I thought died ages ago. We went to school together and she has lava and volcano powers.

Nico: How did she disappear?

Me: That's just it. We don't have any idea. It was back when I was still 10 years old. But hold on!

I flew over to her and I grabbed her hand and pulled her out. Her shoes were gone unfortunately.

I brought her over.

Nico: Are you okay?

Hadleigh Smithers: Thanks to you guys.

Me: Its been a while Hadleigh.

Hadleigh Smithers: J.D.!

She went and hugged me for the first time in a while.

Hadleigh Smithers: Wow you have grown so much.

Me: So have you. You have become a beautiful woman too.

Maria: How long were you on this planet?

Hadleigh Smithers: 10 years.

Varie: Oh man.

Nico: Sorry about your shoes.

Hadleigh: I'll be all right.

Maria: But when we get back you need a long bath.

Hadleigh: Good. I need one too. Being here on this planet was a horrible ordeal.

Me: How have you been surviving here?

Nico: I was just about to ask that.

Hadleigh: I'll show you.

She took us to a hut that she built out of mud and clay and we saw that she made pelts and furniture out of the alien creatures on the planet and even had all kinds of meat and stuff to live on.

Me: Wow you did all this?

Hadleigh: Yeah I sure did. All those survival lessons you gave me really paid off J.D.

Me: I'm glad they did. I'm really impressed.

Eli: Boy me too.

Nico: And don't worry. If we die, our deaths only lasts for usually a minute.

Me: We never die usually. We're immortal.

Eli: Yep.

Laney: That's right.

Hadleigh Smithers: I have a lot of catching up to do. Let me pack up and then we can get ready. I wonder how my mom and dad have been doing?

Me: Its been 10 years Hadleigh but they miss you every day.

Hadleigh Smithers: I miss them a lot.

Nico: Well, we can't leave just yet.

Hadleigh Smithers: I have a feeling something is coming. But let me pack up and then we'll see what's coming.

Nico: Okay.

We waited for her and she was packed and ready.

Hadleigh Smithers: Okay ready.

Me: Awesome.

Then we saw a figure appear and it was a black version of ARMODRILLO!

Me: Whoa! Another Armodrillo!

Qin: This is a strong one!

Another Armodrillo: (In a Girls Voice) (British Accent) And its been a long time J.D.

Me: (Gasp) Charlotte Tudor XV!

Another Armodrillo: That's right chap.

Nico: You know her?

Me: I sure do. Her name is Charlotte Tudor XV and she is the direct descendant of Queen Mary of Scotts. She is a masterful swordswoman and she is also the one that taught me many of my swordfighting skills.

Qin: That's awesome you learned all that from her.

Me: Yep. Charlotte you are what's called a Talpaedan and they are Earth Aliens from the Andromeda Galaxy.

Another Armodrillo: That's interesting.

Nico: It sure is.

Eli: Did Swartz promise you anything?

Another Armodrillo: Just to be the greatest swordsmaster of all time with a mastery over many sword styles.

Me: We can easily do that for you. Swartz is dead.

Another Armodrillo: I had a feeling he was lying to me.

Me: (SINGS DIVINELY AS FIRE SWIRLS AROUND ME)

It's been a long time coming since I've seen your face

I've been everywhere and back trying to replace

Everything that I had 'til my feet went numb

Praying like a fool that's been on the run

Heart's still beating, but it's not working

It's like a million dollar phone that you just can't ring

I reached out tryna love, but I feel nothing

Yeah, my heart is numb

But with you

I feel again

Yeah, with you

I can feel again, yeah

---

Ooh (feel again)

I'm feeling better

Ever since you know me

I was a lonely soul

But that's the old me

A long time coming since I've seen your face

I've been everywhere and back trying to replace

Everything that I broke 'til my feet went numb

Praying like a fool who just shot a gun

Heart still beating, but it's not working

It's like a hundred thousand voices that just can't sing

I reached out tryna love, but I feel nothing

Oh, my heart is numb

But with you

I feel again

Yeah, with you

I can feel again

But with you (I'm feeling better)

(Ever since you know me) I feel again

(I was a lonely soul)

(But that's the old me) yeah, with you

I can feel again

(I was a lonely soul)

Woo-hoo

---

I'm feeling better (ooh)

Ever since you know me (ooh)

I was a lonely soul (ooh)

But that's the old me (ooh)

I'm feeling better (ooh)

Ever since you know me (ooh)

I was a lonely soul (ooh)

But that's the old me (ooh)

I'm feeling better (ooh)

Ever since you know me (ooh)

I was a lonely soul (ooh)

But that's the old me (ooh)

I'm feeling better

Ever since you know me

I was a lonely soul

But that's the old me

A little wiser now

From what you've shown me

Yeah, I feel again (oh)

Feel again, ooh

I danced and fired waves of fire and smashed down Another Armodrillo!

Hadleigh Smithers: Wow! J.D. your voice is amazing!

I was caught

In the middle of a railroad track (thunder)

I looked 'round

And I knew there was no turning back (thunder)

My mind raced

And I thought, what could I do? (Thunder)

And I knew

There was no help, no help from you (thunder)

Sound of the drums

Beating in my heart

The thunder of guns

Tore me apart

You've been

Thunderstruck

Rode down the highway

Broke the limit, we hit the town

Went through to Texas, yeah, Texas, and we had some fun

We met some girls

Some dancers who gave a good time

Broke all the rules

Played all the fools

Yeah, yeah, they, they, they blew our minds

And I was shaking at the knees

Could I come again, please?

Yeah, them ladies were too kind

You've been

Thunderstruck, thunderstruck

Yeah, yeah, yeah, thunderstruck

Ooh, thunderstruck, yeah

I was shaking at the knees

Could I come again, please? Oh

His brain is squirmin' like a toad
Take a long holiday
Let your children play
If you give this man a ride
Sweet family will die
Killer on the road, yeah
Girl, you gotta love your man
Girl, you gotta love your man
Take him by the hand
Make him understand
The world on you depends
Our life will never end
Gotta love your man, yeah

Into this house, we're born
Into this world, we're thrown
Like a dog without a bone
An actor out on loan

He danced like Star Lord and fired waves of stars and smashed Another Armodrillo down!

Me: OH YEAH! Star Lord would love you for singing that one.

Kaito: (gets out Bioman Gear): Our turn now!

Zocks: (Gets out Dynaman gear): Time to get explosive!

Kaito got an awesome Bio Sword and Zocks got a Dyna sword too.

Qin: Yeah!

Prowl (Beast Wars): It's time for us to have some fun. Prowl, MAXIMIZE!

He transformed!

Silverbolt (Beast Wars): This is always fun. Silverbolt, MAXIMIZE!

He transformed!

Ironhide (Beast Wars): Time for action guys. Ironhide, MAXIMIZE!

He transformed too.

Laney: YEAH!

Hadleigh Smithers: Wow! That is so cool you guys know lots of Transformers too!

Qin: It sure is.

The Maximals fired waves of energy and smashed Another Armodrillo all over!

Nico: Oh yeah!

Prowl (Beast Wars): You like that? Watch this. Form into Magnaboss!

They combined and formed into MAGNABOSS!

Qin: WHOA!

Magnaboss blasted Another Armodrillo all over.

Sougo: (gets out Denziman Ridewatch) Don't forget about us!

Geiz: (Gets out Geiz Majesty Ridewatch) Better bring out the big guns!

Majesty Time! Kamen Rider! GeizMajesty!

Sougo got DenzimanArmor while Geiz became Geiz Majesty.

Nico: YEAH!

Hadleigh Smithers: WHOA! You guys have the Kamen Riders all with you too?

Me: Not just them. We have the Super Sentai and the Power Rangers.

Nico: It's true.

Vroon: Yep.

But then a beam of blue energy and hit Another Armodrillo from out of nowhere and smashed her down and she reverted back and I caught the ridewatch and purified it and I went over to Charlotte. She was a girl with blond hair and had yellow clothes and a magical broadsword on her back.

I picked her up.

Me: Charlotte?

Charlotte Tudor XV: (Groans) What a headache.

Me: Are you all right?

Charlotte Tudor XV: I'm okay.

Me: But who fired that blue energy blast?

?: That was me.

We then saw a Mega Dialga appear!

Me: WHOA! A Mega Dialga!

Mega Dialga: Looks like I got here just in time.

Nico: Ashleigh McDonald! Wow!

She reverted back and was a girl with blue hair and blue clothes and had the kanji for Time emblazoned in the middle of her forehead.

Me: You know her Nico?

Nico: I sure do. She is a powerful physicist and she has the power to use 100% of her brain power times 500.

Me: Wow! That is a powerful brain.

Ashleigh McDonald: I get that a lot.

Magnaboss: But that is cool.

They separated.

Jack: What's your favorite memory of Nico?

Ashleigh McDonald: I have a lot of them but my favorite was when me and Nico were in math class and I saw a bully pick on a kick and I used my brain power and controlled her and made her expose herself by dancing naked. She was expelled for that.

We laughed hysterically at that one!

Eli: That's funny!

Nicole: Yeah! You are really awesome with those psychic powers.

Nico: Yep she sure is.

Qin: I remember that. That was funny.

Nico: Yep.

Nico and Ashleigh hugged.

Nico: I've really missed you.

Ashleigh McDonald: Me too Nico. Me too.

Maria: But this was an awesome rescue.

Hadleigh Smithers: And I have lots of catching up to do with you guys.

Nico: Yeah. Lets head home.

Maria: And get you some new clothes and a bath.

Hadleigh Smithers: Good idea.

We went back home.

We arrived.

Hadleigh Smithers: Wow! So this is where you live?

Me: You have a lot to get used to here. But look at the view.

She went to the window and saw the view of the Earth from 528,000 feet up.

Me: We now live in a massive tree that's over 528,000 feet high.

Hadleigh Smithers: Wow! But it's awesome to see the Earth again.

Nico: You happy to be home, Hadleigh?

Hadleigh Smithers: I sure am.

Maria: Okay missy lets get you into the tub.

Hadleigh Smithers: Good idea.

She went to the tub and I put Charlotte on the sofa and she had an ice bag on.

Qin: Boy that was a good rescue.

Nico: Yep. Here May.

Nico used his water powers and washed off May's foot.

May: Thanks Nico.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, and Wes Collins are heading to Bucharest, Romania, and not only is Lincoln going to rescue the four girls here, but we're also going to destroy Danica

Talos, another old enemy of Blade.

Lincoln: Whoa, we're here in Bucharest, Romania, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to destroy Danica Talos, another old enemy of Blade.

Me: We've gotten rid of Deacon Frost and his gang of god-wannabes, along with Eli Damaskinos and Jared Nomak, now it's Danica Talos' turn.

Nico: And we need to watch it around her, she's dangerous and sadistic.

Lincoln: And she'll also have her brother, Asher Talos, and her other vampire allies with her.

Luan: Do we have to go through with this?

Lincoln: Luan, we have to, we're still dealing with The Doomsday 23, and we don't need Danica Talos, her brother, Asher Talos, and Danica's vampire allies coming to get revenge on us while we're still dealing with The Doomsday 23.

Luna: The dude's right, we don't need those vampires coming here to get revenge on us as well. Plus, this also means more food for you, Linc.

Nico: Danica's been asking for it for a very long time, and we'll be doing Blade a favor by getting rid of her.

Lincoln: Along with the rest of her group, and thanks for joining us, Wes.

Wes: You're welcome, Lincoln.

Adriana Ardelean Dracula: (Romanian Accent) To think that another of Blade's enemies would be here in Bucharest, Romania. Well, she'll regret coming here with her life.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of four girls calling for help, along with the sound of the hissing of vampires. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Danica Talos, Asher Talos, and Danica's vampire followers, and they're going to kill them.

Lincoln: Let's get over there at once, guys, I found the four girls, but they've been cornered by Danica Talos, Asher Talos, and Danica's vampire followers, and they're going to kill them.

?: (Girl's voice) That bitch, let's rip her in two!

Suddenly, we saw the Duel Monster, Stellarknight Zefraxciton, appear before us.

Nico: Whoa, that's the Duel Monster, Stellarknight Zefraxciton, so awesome.

Lincoln: And I'd recognize that voice, I knew it was you, Peony Xiao Long, but we'll talk later, let's get that vampire bitch, Danica Talos, and rip her, her brother, and her minions to shreds.

We rushed over, and right before Danica Talos, Asher Talos, and Danica's vampire followers could claim their next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Danica Talos, Asher Talos, and Danica's vampire followers, and that allowed the four girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Danica Talos and her minions. When Danica Talos and her minions saw us, they hissed at us angrily.

Danica Talos: How dare you all get in our way, Team Loud Phoenix Storm! But, now that all of you are here, I'm going to enjoy killing all of you. Get them!

Danica Talos ordered her minions to kill us, but Lincoln got in the way and when his deep sapphire blue eyes turn blood red, he went on a bloodthirst-fueled rampage, and with his fangs bared, he bit Danica's vampire minions on their necks one by one and he not only drank every last drop of their blood, he also absorbed them into his body. When Lincoln was done, his blood red eyes change back to deep sapphire blue and the blood on his face was absorbed into his skin, and that pissed off Danica really badly.

Lincoln: Nice try, Danica, but you should've known better than to sic your vampire thugs at me. Now, it's your turn.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Wes Collins, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after Danica Talos, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, rainbow crystal, rainbow super lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit her.

Then, Lincoln put Danica Talos in a brutal bear hug so she couldn't escape, and he sank his fangs into her neck, and as he began drinking her blood, he was also absorbing her into his body. Then, as soon as Lincoln was done drinking Danica Talos' blood and absorbing her into his body, energy cards with the souls of Danica Talos, her brother, and her vampire thugs appeared in Lincoln's large left hand, and when the kanji on their foreheads appeared, all of them were sent to The Black Gates forever. We cheered wildly as we holster our weapons and powered down.

Me: That's it for that bitch and her minions.

Lincoln: You said it, J.D. (To Peony Xiao Long) And it's so good to see you again, Peony Xiao Long.

Peony Xiao Long reverted back to normal, and she's a beautiful girl with white hair, turquoise eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has the constellation of Musca the Fly tattooed on her right arm, she has massive beautiful white angel wings, and she reigned in the power of Stellarknight Zefraxciton, and she's dressed in a sleeveless red midriff top, red plaid skirt, red sneakers, and long sleeveless red trenchcoat with stars and constellations on the coattails, and Stellarknight Zefraxciton on the back, and holstered on her back is a large Stellarknight Zefraxciton-themed greatsword with Stellarknight Zefraxciton etched on the 7'0" massive, wide, double-edged red blade, Stellarknight Zefraxciton's angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large red gem surrounded by angel wings for the pommel.

Peony Xiao Long: You too, Lincoln, it's been a long time.

Lincoln went up to Peony Xiao Long and they hugged, and Peony Xiao Long is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Peony Xiao Long: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Peony Xiao Long, she's my Guardian Angel from Japan and classmate in Gardening, but she's also a weapons expert and a master street fighter, and like Luna Anderson and I, Peony has white hair, and it was Peony who taught me how to use weapons and how to do street fighting. She's also one of the toughest of my Guardian Angels and would protect me from bullies. In fact, when she saw Lynn, Chandler, and his goons bullying me, she beat the crap out of them and when she was done, their noses, arms, legs and even their teeth got smashed and she even turned them into a human braided bread and then threw them into a massive pile of dirty jockstraps.

FOGHORN SOUND

Nico: P.U.! That stinks even more than when Lynn was thrown into a pair of dirty socks or a pile of cow manure or getting sprayed by skunks!

Lincoln: She had to get twenty showers to get the stink out, and to show thanks, I took Peony to the beach. where I was wearing orange swim shorts and Peony was wearing a beautiful white bikini and while we were swimming, we actually kissed each other underwater.

Me: Now, that's really romantic.

Lincoln: Yep, and you're also going to like this: she's also the cousin of Yang Xiao Long and Ruby Rose.

We gasped.

Nico: Whoa, so she's the cousin of Yang Xiao Long and Ruby Rose?! Wait, that explains her skills as a weapons master and master street fighter.

Yang: Yep, and it's so good to see you again, Peony.

Ruby: Same here.

Peony Xiao Long: You too, Yang and Ruby.

Lincoln: That still surprised me that you guys are cousins, and she hates both Chandler and Lynn with a burning passion.

Me: That explains why Lynn turned pale when she saw Peony again.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Peony Xiao Long's neck with red gems on the gold thunderbolt links and red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Peony Xiao Long: (Surprised) Lincoln, is this…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousins, you're part of my harem and one of my many future wives, Peony.

Peony Xiao Long had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Peony Xiao Long's waist and Peony Xiao Long wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Bee, Cass Wizard, and Toast from Bee and Puppycat, and Lyukus Sakomizu from The Wings of Rean.

Lincoln: Oh wow, it's Bee, Cass Wizard, and Toast from Bee and Puppycat, and Lyukus Sakomizu from The Wings of Rean.

Nicole: Oh, that's awesome. Ooh, Lincoln, I think you should modify Bee with lighter but tougher metals, and later on, help her with her aquaphobia.

Lincoln: We're on it, Nicole, and I'll help her with her aquaphobia. Alright, Roxanne, Entrapta, Emily, let's get to work.

Lincoln, Roxanne Equipooscuro, Entrapta, and Emily Giabagu got to work on modifying Bee with some lighter but tougher metals, and when they were done, Bee was now new and improved.

Nico: Whoa, now that's what I call metalworking at its best.

Lincoln: This is the result of working with machines and metals all our lives has done. And are you girls okay?

Bee: We're okay, thanks to you.

Then, when Bee and the other three girls saw who it was that saved them from that vampire bitch, Danica Talos, her brother, Asher Talos, and Danica's vampire thugs, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Bee: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Bee: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Bee, Cass Wizard, Toast, and Lyukus Sakomizu with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone what happened, and they were shocked when they found out the villains we went after were that vampire bitch, Danica Talos, her brother, Asher Talos, and their vampire thugs.

But, when Lincoln showed what he did in killing Danica Talos' vampire thugs in a bloodthirst-fueled rampage and killing Danica Talos and Asher Talos and sending them all to The Black Gates, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Peony Xiao Long have a lot of catching up to do, now that she's back in town.

Lincoln: Okay, now, we're going to help you conquer your fear of water, Bee.

Bee: Okay.

Lincoln formed a pool of water and he stepped in, and he offered his hands to Bee, and knowing he was gentle, she trusted him and she placed her hands on top of Lincoln's, and she stepped in and she suddenly felt the water wasn't hurting her, and she loved it. We saw it for ourselves and we cheered. Then, Lincoln's hands gently grasped Bee's hands, and he leans down and kissed her on the lips, and she returned it.

Me: Now, that was truly amazing.

Nico: He helped Bee conquer her fear of water, and they shared a romantic kiss over the water. That's so awesome!

Eli: And he held her hands as she came into the pool of water, and she looked into his eyes, and she saw there was trust, warmth, compassion, tenderness, and love in them, wow.

Maria: Plus, Lincoln, Roxanne, Entrapta, and Emily did awesome modifying her with lighter but tougher metals, that's some skilled metalwork.

Nico: They've fixed and upgraded machines, even built machines of their own, and they knew what to do.

---

After getting rid of Danica Talos, Asher Talos, and their vampire thugs, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Peony Xiao Long saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Peony Xiao Long: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Peony, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Peony Xiao Long: That's incredible.

Nico: It sure is. So, Peony, what's the story on why you hated both Lynn and Chandler with a burning passion?

Peony Xiao Long: You're not going to like this one. One day, Lincoln and I were busy training inside of my home gym, and I was teaching him some new street fighter techniques and how to use weapons, and seeing how much he's grown in height and muscle, we decided to advance his training. But, we soon heard the sound of stampeding footsteps, along with smelling the foul stench of unwashed gym clothes and sewage. Suddenly, the door was busted down, and we saw the two people who smelled of unwashed gym clothes and sewage: it was Lincoln's obnoxious, superstitious, meat-headed, stubborn jackass of an older sister, Lynn, and the lowlife of Royal Woods Elementary, Chandler, and they had a bunch of knives with them, and that told us they were going to kill them. Lincoln and I fought back and we fought back hard on them: we used our street fighting moves and techniques on Lynn and Chandler. (Snickers) Chandler got knocked flat on his ass, thanks to Lincoln, but those two weren't going down easy: but Lincoln knew that Lynn fought like a wild animal, she was wild, unfocused, and undisciplined, and Chandler always fought dirty, and he was driven by murder and a thirst for blood and death. We outfought them and I beat the crap out of them and when I was done, their noses, arms, legs, and even their teeth got smashed, and I even turned them into a human braided bread and threw them into a massive pile of dirty jockstraps.

We cheered wildly for what Peony and Lincoln did to Lynn and Chandler, but we got grossed out when she told us that she threw them into a massive pile of dirty jockstraps.

Nico: Now, that was really awesome, you're just as tough as your cousin, Yang, and throwing Lynn and Chandler into a massive pile of dirty jockstraps, that really stinks.

Lincoln: Big time.

Peony Xiao Long: They stunk so bad, Lincoln spread his massive white angel wings and fired rose red energy blasts at them and had them both entombed in separate rose red orbs. We then called Luna, and when we told her of what Lynn and Chandler tried to do to us, she was literally seeing red. She ran on over and we thought she was going to kill Lynn, but instead, she ran up to me and Lincoln and hugged us both, and we told her we were okay. But, Lynn wasn't going to be for long, and when she saw Luna run her finger through her throat, it meant Lynn was in dead trouble. We dragged Lynn's butt home and after we told Mr. and Mrs. Loud, they were furious and when they were about to send her to the basement, they smelled the stink of dirty jockstraps on her. Lincoln sprayed her by firing blasts of water and lilac soap, and then, she got grounded for thirteen weeks and then, she was thrown in the basement. As for Chandler, I told Lincoln to press charges for attempted murder, which he did, and Chandler got his butt thrown in jail for a month, and he also got grounded for three months.

Me: Nice one.

Eli: Yeah, and what got Lynn that pissed off that she made an alliance with Chandler to kill you?

Luan: I can answer that one, Lincoln was so tired at Lynn for constantly ambushing him and beating up and watching him cry, he yelled so loudly, he sent Lynn flying back into her room. But, when he called her a superstitious-driven sore loser with bad manners and who has absolutely no respect for family at all, that really caused Lynn to see red, and she ran out. But, for her to get Chandler's help, she's repeating the same mistake she's made numerous times: seeking help from the bully who has tried to kill Lincoln numerous times.

Nico: Should've guessed it.

We got a shower afterwards, and then, Nico and his harem were getting ready for a beach date, and it's at Seaside Hill.

Nico's harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

May: Looks like we made it to Seaside Hill, now where's Nico?

Nico: I'm right here, May.

Then, the girls in Nico's harem turned to see him, and their faces had atomic red blushes, hearts in their eyes, their tongues fell onto the sand, their noses were really bleeding, and they let out wolf whistles as soon as they see Nico arrive, and the 7'5", handsome and extremely muscular man was dressed in a large blue speedo with flames on it and blue flames coming off the speedo, blue sandals, his jewelry, and he had his weapons holstered in case of trouble, and the girls were speechless.

Nico: Surprised to see me?

May: (Seductively and rubs her right hand on my massive right pec) Big time, and you're also in a speedo, you big, tall, handsome muscular hunk of a man.

Nico: Just like J.D., I wanted to try out wearing a speedo for a change, and I think it may have also gotten your attention big time. Shall we?

Nico and his harem dived right into the waters and they were swimming in the clear waters and they also saw the sea creatures and plants that live there, and they had a game of volleyball and the girls in his harem got a massive deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they also had some lunch on the sand, and then, Nico made clones of myself, and he and the clones went up to the girls in his harem, and he wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Nico and his clones, and they placed their right hands on the massive wide and muscular left pecs of Nico and his clones, and they shared a passionate and romantic kiss and then, they came back home to The World Tree Estate and were back in our original clothes.

Me: Hey, Nico, how was your date?

Me: It was awesome, Nico, we went to Seaside Hill.

The girls in Nico's harem were still blushing like crazy after seeing him in a speedo.

Me: Uh, girls, are you okay?

Nico whispered in my ears that he was in a speedo, and that got the girls blushing like crazy, and my eyes went wide.

Me: (Stunned) Dude, didn't think you'd do something like that: wearing a speedo. I think the girls in your harem went lovestruck when they saw you in it.

Nico: I decided to change up my beach wardrobe, and if you ask me, when they saw me wearing a speedo, that really got them completely lovestruck.

Lincoln: Whoa, that was pretty bold of you guys to do so: changing your beach wardrobes from swim trunks to speedos.

Rudina Adalwulf: (Seductively) I'm glad to hear that, 'cause next beach date, we got a speedo with your name on it, Linky.

Lincoln's face blushed when he heard Rudina Adalwulf's words, but he had a smirk on his face.

Lincoln: (Smirks) Clever girl.

Nico: Uh oh, Lincoln's going to get her back.

Me: Yep, scooping her up in his arms and kissing her on the lips.

* * *

We went to the garage and Mac and Bloo were going to show us something.

Mac: I can't wait to show everyone what you, me, and Cheese worked on so many years ago.

Bloo: Mac, you know Fluttershy's gonna kill me when she sees it, right?

TTG Terra: See what?

Mac: It's a Soap Box Derby car we built.

Bloo: We did some decals and me and Cheese argued. I wanted

Hot Rod Flames and Cheese wanted Bunnies and we made flaming bunnies.

Me: I see.

We arrived at the Garage and we saw the car they made.

Me: Wow! That is really well made.

Qin: Yeah.

We saw that it was well built and worth the effort.

Me: Hey this is really well done.

Nico: You guys did a good job.

Fluttershy gasped when she saw the flaming bunnies.

Freeze Blade: Are those bunnies on fire?!

Bloo: I told you that I wanted Hot Rod Flames! But Cheese wanted bunnies instead!

Mac: And this is the result of a compromise that I made.

Frankie: Bloo, if I were you, Mac, and Cheese, I would start running from Fluttershy!

Fluttershy: Oh they are so adorable!

Mac, Frankie and Bloo: Huh?

Fluttershy: These are just decals thank goodness but the bunnies you guys made are so adorable.

Mac I'm glad you like them Fluttershy.

Nico: They are really well drawn.

Laney: Yeah. But you know that Cheese is a dumb idiot right?

Lana: Yeah.

Cybertron Dirt Boss: What are you gonna call this one?

Cheese: The Flaming Bunny Mobile!

Maria: Cheese giving a vehicle a good name? The world must be ending!

Me: Very funny Maria.

Cheese: I like chocolate milk!

Qin: What an idiot.

Laney: Yeah.

Eddy: Shut up Cheese.

Cheese: (Static noise) Okay.

Bloo: Fluttershy, I swear to you that I would never set real bunnies on fire!

Tailgate: Not unless you want her to chase you with murder in her eyes.

Fluttershy: Oh now Tailgate. Bloo I would never hurt you for thinking up and drawing stuff like this.

Bloo: Good.

Fluttershy: At least it wasn't the real thing though.

Me: That's a relief though.

Lola: Yeah.

Nico: If it were someone like Roger's Persona, Ricky Spanish, you would have.

Miranda: Flaming Bunny Mobile does sound cool.

Raythor: It sure does.

Galaxy Man: I think so too.

Qin: I agree there.

But then…

ALARM BLARES!

BOING BOING BOING BOING BOING BOING!

Me: Oh! History Instability!

Nico: Lets get to the satellite.

Then Grundy, Mortal Kombat Scorpion, Goro, Rowdyruff Boys, Chemistro, Black Spider, Ragdoll, Speed Demon, KGBeast, and Unicorn appeared.

Grundy: Can Grundy and group go with you?

Nico: You sure can. Lets go.

We went to the satellite.

On the satellite we went to the computer.

Nico: Hey guys. What's going on?

Tuddrussel: We're about to find out.

Then Larry's eyes turned pink and he slammed the keyboard and got up and was acting drunk.

Larry 3000: (Slurred Speech) Hey! (Hugs me) I love you guys.

Tuddrussel: Oooo kay?

Ragdoll: Hey, Larry. You feeling okay?

Larry 3000: Lets go kick some butt! I'm driving! (Laughs) (Whooping and hollering) (Making Driving noises)

Astro Man: Someone sure is excited.

Phage: Yeah.

Otto Osworth: We don't even know what our mission is!

Larry 3000: Hey! Don't tell me what to do.

He pressed the button and then a fart noise was heard and they switched spots.

Larry 3000: Mission accomplished!

Nico: Uhh you guys didn't do anything.

Otto Osworth: Yeah we didn't go anywhere! We just switched places!

Larry 3000: Hey! Who's the captain around here anyway? Me! That's who!

He fell and then..

CRASH!

Larry 3000: (Groans)

Me: Hmm.

Astro Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do a gene-slammer for ALL the Mega Evolutions of Eevee next. A gene-slammer that can turn into all the Evolutions of Eevee in one.

Me: Wow! That's an interesting oone.

Qin: Yeah!

William: Just like my Eevee can do that.

Camie: That will be cool.

Lasher: It sure will be.

Nico: Yep. But lets see here.

Nico used his computer on his wrist and found the mission.

Nico: Here we are. We're going to the year 1888 in Paris, France and we're going to help Louis Pasteur.

Otto Osworth: Wow! He was one of the most important chemists who ever lived. He created a vaccine to cure Rabies and his studies in microbiology lead to the process of pasteurizing milk. Keeping it fresh longer.

Me: And without him people would die from rabies at a rapid level and Milk would be poisoned and taste terrible.

Nico: Yep.

Qin: This will be awesome.

Mortal Kombat Scorpion: Let's get a move on.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Evil Adagio Dazzle, and she's absolutely furious that Danica Talos, her brother, Asher Talos, and Danica's vampire thugs have have been destroyed and sent to The Black Gates, and now, she's heading here to kill us and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Evil Adagio Dazzle on the move?

Lincoln: You guessed it, Nico, and she's absolutely furious that I fed on Danica Talos, her brother, Asher Talos, and Danica's vampire thugs and absorbed them into my body and sent them all to The Black Gates, and now, she's heading here to kill us and get her revenge.

Adagio Dazzle: So, she was the one who got the help of that vampire bitch, her brother, and her thugs? Now, she's gone too far.

Sage: You said it, Adagio.

Adagio Nicholette: We'll make sure that Evil Adagio Dazzle is delivered to justice and she meets her end by our hands.

Nico: Yeah, she deserves to die for her crimes. Alright, gang, let's go, time to meet up with The Time Squad.

Lincoln: Looks like we've got another Time Crisis to fix, and once we fix this Time Crisis, you better be ready for later on, Evil Adagio Dazzle.

Adagio Nicholette, Adagio Dazzle, Sage, and Lincoln: The Champions of Justice will make you pay for your crimes in full, you evil monster.

Me: Yeah!

Nico: That evil siren deserves to pay, and you guys will be the ones to do so.

We were off.

---

PARIS, FRANCE - CIRCA 1888.

---

We arrived.

Nico: Here we are. Paris, France 1888.

Qin: Awesome place.

Me: Late 19th Century Paris.

Marinette: Awesome place.

Phage: Nothing seems out of place so far.

Lasher: Yeah.

Nico: Lets find Louis Pasteur.

Qin: Okay.

We went to find him and we went to his lab.

We went in and saw him working.

Me: Bonjour.

Louis Pasteur: (French Accent) Ah bonjour. Welcome to my lab.

Me: It's an honor to meet you Mr. Pasteur.

Black Spider: Heard you're working on something.

Me: You cured Rabies already and you're working on Pasteurizing Milk?

Louis Pasteur: Oui but not ze other one. I'm working on this.

He pulled out some glasses and poured in some powder mixed it.

Louis Pasteur: Ah good. It is ready.

He gave me, Nico, Otto and Tuddrussel 4 glasses and we tasted them.

Tuddrussel: (Gulps) (Smacks lips) Cherry flavor?

Otto: Orange?

Me: (Slurps) Mmm Blue Raspberry.

Nico: Yummy grape flavor.

Otto: You invented powdered drink mix?

Louis Pasteur: (THUNDERCLAPS) (LAUGHS MANIACALLY) YEEESSSS!

Me: It's tasty.

Acid Man: Interesting. The ingredients that you intended on using for pasteurizing milk are in this drink.

Louis Pasteur: Oui.

Me: Very clever and awesome.

Qin: Tasty too. I like the lime flavor.

Varie: Watermelon is good.

Camie: Strawberry is good.

Louis Pasteur: Why merci.

Me: But you did cure Rabies which still makes you great chemist. And a very important one still.

Louis Pasteur: Oui.

Snake Man: That is awesome though.

Chemistro: Now, hold on. I'm sure this doesn't taste too bad.

Boomer: (tastes it) Tastes pretty good to me.

Butch decided to taste it as well.

Butch: Nope. Too sweet. We need to correct this.

William: That's your motivation?!

Me: Now now guys. It's just right to me. Besides we should get to work here. Mr. Pasteur we came here to tell you that you need to Pasteurize Milk. The reason is that it keeps milk fresh longer and without it pasteurized like that we will get sick from food borne illness and get sick.

Harley Quinn: And then, they might die.

Me: Yeah you don't want that to happen.

Louis Pasteur: Well when you put it that way no I don't.

Me: Good. So please get to work on the Pasteurized Milk for us?

Louis Pasteur: Okay.

Nico: Good.

Giganta: That was easy.

Camie: It sure was.

KGBeast: (Russian Accent) Also, Nico, Don Octavio and the others being in the battles now is a good idea.

Kairi Yano: (laughs) Looks like I'm in the usual battles too!

Keiichiro: I really hope El Jefe gets a shot as well.

Nico: Oh they will.

Qin: Yep.

Me: Awesome. Looking forward that.

Clawful: Me too. So cool.

Mira (Bakugan): That means me too.

Qin: Yep. One day it will be all of us.

Unicorn: In my opinion, this was a very easy mission.

Maria: Don't be too sure.

Gabriel: Yeah something is coming.

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted a huge library into dust!

We then heard a familiar Maniacal Laugh!

We saw that it was MAD STAN!

---

Stanley Labowski, or better known as Mad Stan, is an antagonist in the Batman Beyond episodes "Rats", "Eyewitness", and "Countdown". Mad Stan is also mentioned in the Batman Beyond episode "Babel". He is a parody of extreme activism - prone to insane rants about how corrupt society is he seeks to "improve" the world by (in his own words) "blowing it up".

He was voiced by Henry Rollins.

Past

At some point in the futuristic Gotham, Stanley Labowski became convinced that the system had become corrupted by bureaucracy, and people inhibited by technology and information overload. Stan figured that the only solution was to start anew by blowing it all up.

He armed himself with a wide spectrum of explosives and ran amok against the "Man". However, despite Stan's maniacal personality, he did have a softer and caring side. He adopted a pet Chihuahua which he tenderly cared for. Stan befittingly named the dog "Boom-Boom" and used him as an early warning system.

According to Bruce Wayne, Mad Stan was unstoppable when on a rant, which was generally triggered by something on the news.

Mad Stan appears later in the episode causing chaos in the Gotham Public Library and comes into conflict with Batman. Mad Stan tells him that he believes that Gotham is falling apart due to an information overload and then fights Batman. However, he is eventually defeated.

Mad Stan would later reappear during the re-election campaign of D.A. Sam Young. He makes his appearance known as he barged into the ball room, where Police Commissioner Barbara Gordon was hosting the gala, and attempts to detonate the entire facility. Batman confronts Stan and fights him. Stan had rigged the entire facility with explosives, and blew up a few in his getaway. In the rooftop parking lot, he threatened to detonate the entire floor, but Batman promptly disarmed the bomb and knocked Stan unconscious. However, Spellbinder, who was lurking, generated an illusion that made Barbara Gordon see Batman murdering Stan in cold blood. Then, while Batman was being hunted down by the GPD, Spellbinder took Mad Stan's unconscious body and trapped him in a VR Room. There, Stan experienced his long sought dream: Demolishing the Gotham City Hall. Eventually, he was found by the Police and presumably taken into custody.

## Countdown

Eventually, Stan went back to his usual agenda. He assaulted the World Science Symposium and caused havoc. He was intercepted by Batman but in the midst of the confusion, Stan eluded capture. Later that night, he stumbled upon Agent Bennett and some federal agents who were in pursuit of Zeta. However, deceived by its human disguise, Stan intervened and saved Zeta from the government's grip. Stan headed back home, where he found out, thanks to Boom-Boom, that Zeta was in fact a robot. Paranoid, Stan deduced that it was part of a conspiracy to get him. Decided to turn the tables, Stan strapped a time bomb to Zeta's back and led him to the Department of Health. Stan wanted to blow it up to hinder the planned raise of taxes for pet licenses.

Stan had anticipated that Batman would track him down, so he left him a message and sedated himself, in order to avoid any kind of interrogation. In the recording, Stan gloated and taunted Batman, daring him to find Zeta until midnight, when the time-bomb was set to explode. Stan's plan was almost successful, but Batman eventually managed to thwart it. Afterwards, Stan was never seen or heard from again, making his ultimate fate unknown. Its highly likely that he continues to remain at large and continues to remain in hiding inside his boathouse.

---

Me: It's Mad Stan!

Qin: Not him again!

Nico: Lets go!

We went at him and he was laughing like a totally fucked up nutjob! Then the spirits of science swirled around him and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we came out!

Me: Mad Stan!

Mad Stan: I WILL KILL YOU ALL FOR KILLING ME!

Me: You are going back to hell!

Larry 3000: (Hugs Mad Stan while still drunk) Hug time!

Goro: Larry must be very brave or very stupid doing that!

Nico: Something is wrong with him.

Otto: Well we did have a blown fuse at the satellite.

Qin: Hmm.

Camie: That's strange.

Ace: (giggles) I think it's funny!

But then he did something really funny.

Larry went to a podium.

Larry 3000: (Imitating Jerry Lewis) HELLO FRANCE! Oh the nice French People why with the talking and the Oui Oui pon pon (French Laugh). Oh Mon Cheri, French Fries. Whoa! HEY LADY!

The people of Paris laughed hysterically!

Nico: (LAUGHS)

Me: That was awesome! He imitated Jerry Lewis.

Grundy: (laughs) Time robot funny right now!

Nico: He sure is.

Qin: Yeah.

Me: Hmm. Let me see. Be right back Stan.

Mad Stan: Make it quick.

I went over to Larry and then held Larry and looked at his circuitry.

Me: Hmm. AHA! Electrical surge messed up his personality system. Too much electrical voltage did this.

I absorbed the electricity.

Me: There.

Larry 3000 was back to normal.

Larry 3000: (Groans) What happened?

Me: You're back to normal. We'll explain later. We're in the middle of a battle.

We regrouped.

Me: Okay. Now Stan what are you planning here!?

Vegeta: Did you cause the change in time?!

Mad Stan: No! I wanted to destroy the entire French Government and then make this entire country suffer without the government! And the only way I know is to Blow it Up! (LAUGHS)

Brick: I admit the government does shady things occasionally. But that doesn't justify trying to destroy them!

Me: Don't waste your breath Brick. Mad Stan is a totally delusional and psychotic monster and he will NEVER listen to reason.

Brick: Oh right.

Nico: That's why we have to kill him.

Me: Yep.

2014 Maleficent: Sorry if I'm quoting my evil counterpart. But it's time for you to feel the powers of Hell!

Nico: That's right!

Me: And it's going to be excruciatingly painful!

Qin: Big time!

Varie: Yeah!

Speed Demon: (to Larry 3000) How about I speed you somewhere safe? It's been a long day for you.

Larry 3000: Oh sure.

He went and did so.

I snapped my fingers and fixed the buildings destroyed.

Qin: There.

The Dark Signers, Lord Drakkon, Myotismon and Baron Mordo appeared.

---

As one last chance to awaken Master Xandred, Octoroo gave up his second life to a powerful monster named Gigertox, which prevented him from enlarging into his Mega Monster form. At the city Gigertox attacks a bunch of people but the Gold Ranger appears, morph, and does battle with the monster. Gigertox was far too strong for the Gold Ranger to handle and he unmorphed after getting a beating, but lucky the Red, Yellow, Green, Blue and Pink Rangers came into battle, the five Rangers morphed and does battle with Gigertox. All of them were outmatched, but the Red Ranger transforms into Super Samurai Mode, which was strong enough to take out Gigertox's tentacles, after that the Yellow, Green, Blue and Pink Rangers to use the Spin Sword Quadruple Slash to attack Gigertox. With the Nighlok weakened the Red Ranger used the Super Bullzooka Blast to destroyed Gigertox, but the monster grew into a Mega Monster. The Rangers summon their Folding Zords to form the Battlewing Megazord to take on the Nighlok. Gigertox had the upper hand at first, but the Rangers were able to use the Mega Blade Flying Slash to take out Gigertox, but now Gigertox has a new form: a serpent of dark mist, which makes a beat down on the Megazord. With only one option left, the Rangers combined all of the Zords into the Samurai Gigazord, though the monster still put up a good fight, the Rangers used the Symbol Power Mega Strike to ultimately destroy him once and for all. Though Gigertox failed, Octoroo's plan didn't, as Master Xandred did resurrect sooner from Gigertox's lengthy efforts.

Rainbow Dash: It's really awesome that she is Ruby and Yang's cousin.

Scootaloo: Yeah and her story is cool too.

Peony Xiao Long: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Peony, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Peony Xiao Long: That's incredible.

Nico: It sure is. So, Peony, what's the story on why you hated both Lynn and Chandler with a burning passion?

Peony Xiao Long: You're not going to like this one. One day, Lincoln and I were busy training inside of my home gym, and I was teaching him some new street fighter techniques and how to use weapons, and seeing how much he's grown in height and muscle, we decided to advance his training. But, we soon heard the sound of stampeding footsteps, along with smelling the foul stench of unwashed gym clothes and sewage. Suddenly, the door was busted down, and we saw the two people who smelled of unwashed gym clothes and sewage: it was Lincoln's obnoxious, superstitious, meat-headed, stubborn jackass of an older sister, Lynn, and the lowlife of Royal Woods Elementary, Chandler, and they had a bunch of knives with them, and that told us they were going to kill them. Lincoln and I fought back and we fought back hard on them: we used our street fighting moves and techniques on Lynn and Chandler. (Snickers) Chandler got knocked flat on his ass, thanks to Lincoln, but those two weren't going down easy: but Lincoln knew that Lynn fought like a wild animal, she was wild, unfocused, and undisciplined, and Chandler always fought dirty, and he was driven by murder and a thirst for blood and death. We outfought them and I beat the crap out of them and when I was done, their noses, arms, legs, and even their teeth got smashed, and I even turned them into a human braided bread and threw them into a massive pile of dirty jockstraps.

We cheered wildly for what Peony and Lincoln did to Lynn and Chandler, but we got grossed out when she told us that she threw them into a massive pile of dirty jockstraps.

Nico: Now, that was really awesome, you're just as tough as your cousin, Yang, and throwing Lynn and Chandler into a massive pile of dirty jockstraps, that really stinks.

Lincoln: Big time.

Peony Xiao Long: They stunk so bad, Lincoln spread his massive white angel wings and fired rose red energy blasts at them and had them both entombed in separate rose red orbs. We then called Luna, and when we told her of what Lynn and Chandler tried to do to us, she was literally seeing red. She ran on over and we thought she was going to kill Lynn, but instead, she ran up to me and Lincoln and hugged us both, and we told her we were okay. But, Lynn wasn't going to be for long, and when she saw Luna run her finger through her throat, it meant Lynn was in dead trouble. We dragged Lynn's butt home and after we told Mr. and Mrs. Loud, they were furious and when they were about to send her to the basement, they smelled the stink of dirty jockstraps on her. Lincoln sprayed her by firing blasts of water and lilac soap, and then, she got grounded for thirteen weeks and then, she was thrown in the basement. As for Chandler, I told Lincoln to press charges for attempted murder, which he did, and Chandler got his butt thrown in jail for a month, and he also got grounded for three months.

Me: Nice one.

Eli: Yeah, and what got Lynn that pissed off that she made an alliance with Chandler to kill you?

Luan: I can answer that one, Lincoln was so tired at Lynn for constantly ambushing him and beating up and watching him cry, he yelled so loudly, he sent Lynn flying back into her room. But, when he called her a superstitious-driven sore loser with bad manners and who has absolutely no respect for family at all, that really caused Lynn to see red, and she ran out. But, for her to get Chandler's help, she's repeating the same mistake she's made numerous times: seeking help from the bully who has tried to kill Lincoln numerous times.

Nico: Should've guessed it.

FLASHBACK ENDS

Greiger: Whoa! Lynn was a bully back then during that time.

Whirlwind: Yeah you are not kidding.

Me: That's it for him.

Lincoln: Now, that was an awesome time adventure. But, we got Louis Pasteur to pasteurize milk and we fixed this instability in time.

Me: Yeah before Mad Stan made things worse.

Nico: You got that right, guys. Awesome job, gang, but we're not done yet, there's still the matter of Evil Adagio Dazzle to deal with, and that evil siren should be arriving… right now!

Adagio Dazzle: Oh no, I knew there's no mistaking that voice from anywhere. You can come out now, Evil Adagio Dazzle.

A figure was heading right for us, but Sage sent her flying back when he unsheathed his katana and slashed at her, and we saw who the figure was: it was Evil Adagio Dazzle, but now, she has a cut on her cheek, thanks to Sage.

Adagio Nicholette: So, that's…?

Adagio Dazzle: Yes, that's Evil Adagio Dazzle, the monster I was before I, along with Aria Blaze and Sonata Dusk were redeemed.

Evil Adagio Dazzle: You have ruined my plan to finally destroy you all, you destroyed Danica Talos, her brother, Asher Talos, and Danica's vampire thugs, but I should've known that vampire bitch wouldn't be able to do the job right. Now, I will destroy you all and have my revenge!

Evil Adagio Dazzle was about to sing her song, until Lincoln charged as fast as lightning, and swiped her red jewel necklace. When Evil Adagio Dazzle sang, nothing happened, and she was horrified when Lincoln had her necklace in his large left hand.

Lincoln: (Smirks and shows her necklace) Looking for this?

Evil Adagio Dazzle was extremely pissed off and tried to get it back, but Adagio Nicholette fired a powerful purple and gold energy blast at Evil Adagio Dazzle and sent her into a wall.

Evil Adagio Dazzle: Who do you think you are to get in my way?!

Adagio Nicholette: Someone who refuses to let you hurt my friends, and who's had about enough of you, you hate-filled siren. (purple and gold energy aura flares up) I am Adagio Nicholette, Champion of Adagio Dazzle, and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Justice.

This horrified Evil Adagio Dazzle badly.

Evil Adagio Dazzle: Impossible, The Champions of Harmony have returned?!

Suddenly, Adagio Nicholette's light purple eyes turned neon light purple, and she was surrounded by a purple and gold energy aura with light, amber gems, magic, Alicorns, and music notes, she unholstered her massive Sword of The Champion of Harmony, and as she approached Evil Adagio Dazzle, she left purple and gold energy, light, amber gems, magic, Alicorns, and music notes with every step.

Adagio Nicholette: Evil Adagio Dazzle, I will never forgive you for the pain and suffering you and the evil namesakes of Aria Blaze and Sonata Dusk have caused Equestria many eons ago, you are an evil monster who enjoys causing chaos and destruction among all ponies for Grogar's delight, that kind of behavior is inexcusable, and now, I will administer unto you the punishment you rightfully deserve: death.

Suddenly, Adagio Nicholette was surrounded by a massive vortex of purple and gold energy with light, magic, amber gems, and music notes surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Adagio Nicholette emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Adagio Nicholette grew to 6'11" in height, she has the body of a goddess, she has purple highlights in the bangs of her long flowing gold hair, she has neon light pink eyes and a purple and gold energy aura with light, amber gems, magic, Alicorns, and music notes surrounding her, she has an Alicorn along with Adagio Dazzle's cutie mark on its horn emblazoned on her forehead, she has on Alicorn earrings with light pink gems for eyes and the Justice and Eternity Kanjis in its hooves, she has on her Crystal Necklace of The Buddha with red gems on the gold music note links and purple crystal links and a pink Alicorn-shaped Element of Harmony and on the bottom of The Element of Harmony is an Alicorn with light pink gems for eyes and holding the Justice and Eternity Kanjis in its horn for the pendant. Adagio Nicholette has on a white and purple short-sleeved school uniform top with the tattoo of the Elements of Harmony on her right arm, purple skirt, purple pants with white stars, purple sneakers, and long purple sleeveless trenchcoat with lights, amber gems, and music notes on the coattails, and an Alicorn on the back surrounded by light and music notes and on top of its horn is the Elements of Harmony. Suddenly, Adagio Nicholette felt a sharp pain on her back, and then, massive gold angel wings with purple tips on the gold feathers, grew and sprouted out from her back. Adagio Nicholette has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger.

Suddenly, Adagio Nicholette's massive Sword of The Champion of Harmony and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of purple and gold energy, magic, lights, music notes, gold gems, and Alicorns, and when it emerged, it transformed into Adagio Dazzle's Musical Alicorn Greatsword of Light Justice and Celestial Music Love, it's a brand-new massive greatsword with a 7'0" massive, wide, double-edged gold blade with the cutie mark of Adagio Dazzle etched on the blade, large gold Alicorn heads for the crossguard, large red gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with purple gems for eyes and a large red gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and pink gems for the eyes and a large red gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a gold kanji below the Alicorn that said, "Adagio Nicholette, Champion of Adagio Dazzle, The Champion of Justice, Warrior With a Powerful Sense of Justice, One of The Twenty-Seven Champions of Harmony, Destroyer of Cosmos and The Doomsday 23, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, and Master of The Powers of Justice, Music, and Light"

Adagio Nicholette has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY WIND BREEZE MAGIC FRIENDSHIP VIRTUOUS ALICORN ANGEL OF DIVINE WIND GUST JUSTICE AND DIVINE VIRTUOUS WIND BREEZE LOVE!

We were amazed by Adagio Nicholette's Super Angel-Alicorn Eternity Infinity transformation, but when Evil Adagio Dazzle saw it, she transformed into her Siren form and tried to attack Adagio Nicholette, but Adagio Nicholette dodged Evil Adagio Dazzle and fired a powerful purple and gold energy blast, and it hits Evil Adagio Dazzle and sent her flying into a wall, but she's not out yet.

Nico: Whoa, Adagio Nicholette's transformed, so awesome.

Ken Knudson: Now, it's Adagio Dazzle's turn, and then, Sage and Lincoln join in, and the battle will truly begin.

Adagio Nicholette: (Divine Echoing Cosmic Voice of The Musical Justice Alicorn and Divine Music Light Justice) **That's right, Ken.**

Me: This is going to be good.

Adagio Dazzle: And it'll be the last time I ever have to deal with my evil self.

Suddenly, Adagio Dazzle's light purple eyes turned neon light purple, and she was surrounded by a purple and gold energy aura with light, amber gems, magic, Alicorns, and music notes, she unholstered her massive Sword of The Knights of The Friendship Table, and as she approached Evil Adagio Dazzle, she left purple and gold energy, light, amber gems, magic, Alicorns, and music notes with every step.

Adagio Dazzle has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY CELESTIAL MUSIC JUSTICE ALICORN ANGEL OF DIVINE LIGHT SONG JUSTICE AND DIVINE SIREN MUSIC LOVE!

We were amazed by Adagio Dazzle's Super Angel-Alicorn Eternity Infinity transformation, and when Sage saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Evil Adagio Dazzle saw it, she transformed into her Siren form and tried to attack Adagio Dazzle, but Adagio Dazzle dodged Evil Adagio Dazzle and fired a powerful purple and gold energy blast, and it hits Evil Adagio Dazzle and sent her flying into a wall, but she's not out yet.

Nico: Alright, now Adagio Dazzle's transformed!

Adagio Dazzle: (Divine Echoing Cosmic Voice of The Musical Justice Alicorn and Divine Music Light Justice) **And now, it's time to put an end to you for good, Evil Adagio Dazzle.**

Sage: That monster's going to pay for what she's done.

Lincoln: Yeah.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and Sage unsheathed his katana and they joined Adagio Dazzle and Adagio Nicholette.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You've terrorized the innocent ponies and lands of Equestria for far too long, Evil Adagio Dazzle, and now, you will pay for every last one of your crimes.**

Adagio Nicholette, Adagio Dazzle, Lincoln, and Sage went after Evil

Adagio Dazzle, and they fired powerful blasts of rainbow energy, purple and yellow energy, music notes, light, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Evil Adagio Dazzle, and they exploded with incredible power as they hit her, and she was being burned by The Magic of Friendship. Then, they attacked her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it burned her badly, and the wounds she suffered would never heal.

Sage attacked Evil Adagio Dazzle with his katana, and he left nasty scars on her. Then, Lincoln flew at Evil Adagio Dazzle, and he slammed her into the ground, and with his vampire fangs now longer and sharper than ever, Lincoln sank his fangs deep and hard into Evil Adagio Dazzle's neck, and she screamed in excruciating pain, but the pain was just beginning. Suddenly, Lincoln began sucking out and draining all of Evil Adagio Dazzle's powers and really immense strength, as Lincoln's rainbow energy aura was flaring up extremely and he was suddenly gaining a massive power boost, and Evil Adagio Dazzle was getting weaker and weaker and weaker still. Finally, Evil Adagio Dazzle turns back to normal and she was eventually weakened to such a degree, she couldn't even stand, as Lincoln unlatched his vampire fangs which were covered in blood from Evil Adagio Dazzle's neck and he let out an extremely loud and animalistic roar that shook the ground itself.

Me: WHOA!

Nico: HOLY CRUD!

Then, Lincoln grabbed Evil Adagio Dazzle by the neck with his large left hand and tossed her into the air with his really immense and brute superhuman strength, and this allowed Adagio Nicholette, Adagio Dazzle, Lincoln, and Sage to finish Cosmos off by firing massive energy beams and as they hit Evil Adagio Dazzle they exploded with incredible power, killing her for good. We cheered wildly for what Adagio Nicholette, Adagio Dazzle, Lincoln, and Sage did to Evil Adagio Dazzle as they holster their massive greatswords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Adagio Nicholette and Adagio Dazzle are permanent. Sage went up to Adagio Dazzle, and they kissed passionately and we cheered.

Then, as Evil Adagio Dazzle's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and Evil Adagio Dazzle's spirit as surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of his crimes, and the energy images of The Mane 12 aimed their horns at Evil Adagio Dazzle and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Evil Adagio Dazzle.

Lincoln: Evil Adagio Dazzle, for the crimes that you committed against everyone in Equestria, you've been found guilty, and the punishment for your crimes is death.

This horrified Evil Adagio Dazzle as she soon saw her days of chaos and havoc are about to come to an end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Evil Adagio Dazzle's spirit, they exploded with incredible power and her evil spirit was condemned to The Black Gates, and she was fading away.

Evil Adagio Dazzle: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

Evil Adagio Dazzle's spirit was erased from existence by the spirits of all those she's hurt, and she'll never return to hurt anyone again.

THE DARK SONG OF EVIL ADAGIO DAZZLE HAS FINALLY BEEN BROUGHT TO AN END FOR GOOD!

Nico: Now, that's what I call an awesome battle between The Warriors of Justice and The Siren of Evil.

Me: You said it, nice job, guys.

Lincoln: Thanks, J.D.

Nico: That's the third of our five time travelling missions done and two more to go, and we've also gotten rid of Evil Adagio Dazzle.

Lincoln: Which means, the next member of The Doomsday 23 to take down and destroy tomorrow is Evil Aria Blaze.

Aria Blaze: I should've known she'll be the next to show up tomorrow, but we'll all be ready for her.

Aria Remmington: Yes, we'll bring that evil namesake of ours and make her pay for her crimes.

Cye: Yeah, that'll be left to the four of us.

Nico: Yeah, Aria Remmington, Aria Blaze, you, and Lincoln, Cye.

Suddenly, Evil Adagio Dazzle's red jewel necklace went to Adagio Nicholette's necklace and it turned into a choker and was now on Adagio Nicholette's necklace.

Adagio Dazzle: Wow, that's really awesome.

Adagio Nicholette: It sure is.

Lincoln: The same thing will also happen to Aria Remmington and

Sonata Rexxington, once I swipe Evil Aria Blaze and Evil Sonata Dusk's necklaces. (Turns to Rudina Adalwulf) And Rudina, don't think I forgot about you said after Nico and his harem came back from their date in Seaside Hill.

Rudina Adalwulf knew she was in trouble and she tried to run, but Lincoln was much quicker as he'd wrapped his abnormally massive and powerful muscular arms, her chest pressed against his massive and powerful muscular pecs, her stomach against his hard eight-pack abs, and he leaned down and kissed Rudina on the lips, and that caused her face turn atomic red, and she returned the kiss with equally intense passion. They'd separated their lips, but Rudina's face was still atomic red and she still has a lovestruck look on her face.

Rudina Adalwulf: What a man.

She buried her face in Lincoln's bare chest and massive and powerful muscular pecs.

Nicholette Torrington: Looks like I forgot to warn her about acting seductive around Lincoln, dang it.

We shared a laugh.

Rudina Adalwulf: True, but the way Linky gets back at us whenever we act seductive around him is still quite romantic.

Carmen Adalwulf: You always knew how to act like a flirt around Lincoln, Rudina.

Rudina Adalwulf: And you around J.D., Carmen.

Me: But this was awesome!

Nico: You think the Neo Core members should start going with us on missions as well.

Greiger: That's probably a good idea.

Rex Goodwin: They need some time in the sun too.

Me: I agree there.

Drakkon: The important thing is that Mad Stan has been dealt with.

Myotismon: And Louis Pasteur is back to working on milk.

Nico :Yep.

Otto Osworth: Mission accomplished.

Baron Mordo: Overall, history has been corrected once again.

Nico: Yep. But it was awesome. But great job today guys.

Qin: Thanks.

Twilight Sparkle: (To the viewers) This was an awesome adventure. Hope you all liked this one.

Nico: We all did. Lets head home.

We went back home afrwe getting Larry and we enjoyed the rest of the day and went to sleep.

THE END

I was looking at the symbols of the mysterious Vok Golden Disk that we found after the Planet

Buster was destroyed.

Nico: Wow so this is the world you guys crash landed on a long time ago?

Scorponok: Yeah. It sure is something. It's hard to imagine that we landed on Earth and never realized it. The reason was because Earth had two moons.

Lincoln: And one of those moons obviously was a total fake.

Scorponok: Yeah because of the Vok Planet Buster.

Beast War Megatron: Which was very impressive. Yes.

Nico: So I take it we must be here to stop your Transmetal self. The one that you turned into before becoming a dragon.

Beast Wars Megatron: That is right Nico. And it was a really amazing transformation that happened to many of us because of the Quantum Surge.

Wendy Sapphira: That is really awesome.

Penny: It sure is.

Nico: Thanks for coming, Penny.

Penny: No problem Nico. It's gonna be awesome to go with you.

Nico: It sure is.

Me: Hmm.

Camie: What are you looking at J.D.?

Me: These symbols on the Vok Golden Disk that Inferno brought to us before the Vok Planet Buster was destroyed.

Laney: That is really interesting there.

Qin: It sure is. What do those symbols mean?

Me: Well I did notice some of the symbols and what they meant. These 3 here I've seen before. This one that looks like an Illuminati Triangle with an eye in it is like the symbol we saw on the Flying Island Obelisk, this one with the Stonehenge rocks firing a beam is the Standing Stones we saw in Paraguay, and this this one here with the light shining down on the ground is the Vok Planet Buster that we saw years ago.

Qin: Very significant meaning.

Laney: What does it mean though?

Me: There are many more of these alien artifacts waiting to be discovered and I have a feeling that the next one we're going to see is this one.

I pointed to the symbol of the Metal Hunter. The symbol looked like a strange ship.

Nico: Very interesting.

Eli: It's all very incredible bro. I had no idea you found some of these artifacts.

Scorponok: It's all really amazing that they have that much power.

Me: It sure is.

Nico: Penny, I wasn't there when you joined the team the first time.

Penny: No you sure weren't.

Lily: It's a really awesome story that Linka and Lincoln did together the first time.

Me: I remember that. That was so awesome and amazing.

Penny: It sure was.

I went over what happened during the events of chapter 50 and it was epic.

FLASHBACK - CHAPTER 50

Lincoln and Linka are in the Simulator.

Me, Varie, Lynn Sr. Rita, Lori, Anastasia, Leni, Luna, Eddy, Luan, Lucy, Lana & Lola, Laney & Crysta, Lily and Lisa were in the Control Room.

Lynn Sr.: So how does this Simulator Work?

Me: It's been like our doorway across the very fabric of Time, Space and Dimensions. This is a very prominent tool to help test out our skills in our powers.

Lisa: Precisely father and this has proven to be a huge success.

Varie: Luan provided the testing stage and it worked perfectly.

Me: We decided to have Luan test it out because she acquired her powers recently.

Luan: I was in the Swan Princess.

Rita: Oh that is so cool!

Luan: It was truely a SIMULATING VICTORY! [Rimshot and Laughs] Get it?

Me, Varie, Lynn Sr. Rita, Anastasia, Eddy, Lily, and Crysta laughed while Leni, Luna, Lana & Lola, Laney and Lisa groaned.

Me; [Laughs] Good one.

Eddy: [Laughs] That is funny.

Varie: Luan's test was a success.

Luna: That is so sweet dudes.

Leni: I still don't get it.

Lily: I hope Lincoln and Linka do well.

Laney: Don't worry Lily. Lincoln & Linka will be okay. We have faith in them right Crysta?

Crysta: I'm with you on that, Laney.

The Simulator activated and Lincoln and Linka found themselves in New York City, New York in front of a Morningside Orphanage.

Lincoln: Morningside Orphanage? (Gasp) We're in the movie "The Rescuers"

Both: Our favorite movie!

Lincoln and Linka walk in and saw two mice talking to a cat named Rufus.

Linka: It's Bernard and Ms. Bianca. Lets go help them.

Lincoln: Come on.

Lincoln and Linka talked to them and help them out.

Bernard: We appreciate you two helping us out.

Lincoln: You're welcome Bernard.

Rufus: Yes. Please save Penny.

Linka: We will do everything we can.

Later at a pawn shop down the street, Lincoln & Linka, Bernard and Ms. Bianca went inside and looked around quietly.

The telephone rang and they hid in the closet. Out came a red hair woman named Madam Medusa.

She answered the phone.

Madam Medusa: Madam Medusa's Pawn Shop Boutique? Snoops! [excited] Don't tell me Snoops! Let me guess. You found it! [Laughs] You've found the Diamond?

Lincoln: [Whispers] What diamond?

Linka: [Whispers] I forgot.

Medusa: Give you time? You bungler! You have been down there for 3 months. [Snoops talking indistinctly] Bottles? What bottles? [Angry] You caught Penny sending messages in bottles!? You blundering fool! Can't you control a little girl!? Shut up! [Slams her fist on her desk] I am taking the next flight down to Devil's Bayou!

She slams the phone on the receiver.

Medusa packed a suitcase and left.

Lincoln, Linka, Bernard and Ms. Bianca looked around and in Medusa's study they saw a bunch of maps and books on Louisiana, a picture of an Old Abandoned Dixie Paddle Riverboat.

Lincoln looks at the Riverboat Picture.

Lincoln: This must be where she's holding Penny.

Bernard: But what is she after and what does she want with her?

Linka: [Gasp] I remember! She's after the largest diamond in the world: The Devil's Eye. It's as big as a human head and it's priceless.

Lincoln: That diamond is huge and it would make anyone rich beyond their wildest dreams.

Ms. Bianca: They couldn't find Penny because she's not in New York. She's in Louisiana.

Linka: That's over 1,300 miles away. I don't remember on how to get to it but we need to get to Devil's Bayou first.

Lincoln: Let's go.

Lincoln, Linka, Bernard and Ms. Bianca set out for Devil's Bayou in Louisiana.

---

They got there by Lincoln & Linka flying and they arrived in 1 hour and they saw the abandoned Riverboat.

Lincoln: That's the Riverboat all right.

Linka: Sure looks old.

Bernard: It looks like it's been here for years.

Ms. Bianca: It sure has. Penny must be in there.

Lincoln: She is. I know it.

Linka: How are we gonna get her out?

Lincoln: We'll think of something.

As they waited and planned they saw Madam Medusa driving a swamp-mobile to the riverboat. They met 2 local mice named Ellie Mae and Luke, a Dragonfly named Evinrude, a rabbit named Deadeye, a turtle named Gramps, a mole named Digger, and an Owl named Deacon Owl.

Ellie Mae: I'd like to give her a few whacks with my Rolling Pin!

Luke: We swamp folks are gonna run her clean out of our bayou.

Lincoln: If it's a fight she wants then it's a fight she'll get.

Linka: We are here to rescue Penny.

Deadeye: That little girl Medusa has with her?

Lincoln: Yes.

Linka: How is Penny part of Medusa's plan to get the Devil's Eye Diamond?

Gramps: Penny is small enough to squeeze down a small hole that goes into a pirates cave on the coast. But it's hard to get to because the tide comes in fast and floods the cave quickly.

Lincoln: Medusa really wants that diamond. Bad.

Linka: Probably either for herself or for selling it on the Black Market.

Bernard: We got to get Penny out of here and quick.

Lincoln: Guys, someone is coming out of the boat.

Lincoln pulls out his binoculars and he sees Penny trying to make a run for it.

Lincoln: That must be Penny.

Linka: Let me see. [Lincoln hands her the binoculars] Oh. She's so young.

Ms. Bianca: It's Penny. Oh how terrible.

The lights in the Riverboat came on.

Medusa: Penny? Penny? Penny answer me. Penny!

Lincoln: Medusa's calling out for her.

Linka: Ellie Mae. Do you know if there's a place where we all can hide?

Ellie Mae: There's a cave over there.

Ellie Mae pointed to a cave on a cliff above the coastline.

Lincoln: Perfect. Lets go.

Ellie Mae: Evinrude. Go with them.

Evinrude buzzed in agreement.

Ellie Mae: Send Evinrude back as soon as you need help.

Lincoln: Right. Lets go.

Lincoln, Linka, Bernard, Ms. Bianca and Evinrude went to Penny.

Lincon saw Penny hiding behind a tree.

Lincoln: Penny! Over here!

Penny saw them.

Linka: Penny we mean you no harm. Come on over here, quickly.

Penny did so.

Penny: Where'd you come from?

Lincoln: We'll explain later. Lets get over to that cave and hide.

Lincoln points to the cave and they went for it.

Suddenly, fireworks went off.

Linka: On no. They're using fireworks to illuminate the swamp to find us.

Lincoln: Hurry!

* * *

20 minutes later they all arrived and went inside the cave.

Lincoln lit a lantern and it lit up the room.

Penny: Thank you for saving me.

Lincoln: No problem. We should introduce ourselves. My name is Lincoln Loud.

Linka: I'm his twin sister Linka Loud and this is Evinrude.

Evinrude buzzed.

Bernard: My name is Bernard.

Ms. Bianca: And I am Ms. Bianca.

Bernard: We found the bottle with your message and we've come to rescue you.

Penny: Did you hear that Teddy? Our bottle worked!

Lincoln: Yes it did.

Penny: Didn't you bring someone big with you like the Police?

Lincoln: No. It's just the 5 of us.

Linka: I promise you Penny we will try and get you out of here. We got to work together.

Penny: I will help you.

Lincoln: Okay.

They felt rumbling.

Lincoln: What's that?

They heard water sloshing coming from behind a cave wall further down.

Linka: It's coming from behind this wall here.

Lincoln pressed his ear against it and heard the water splashing.

Lincoln: There's water behind here.

Bernard: There's water dripping from that rock sticking out.

Lincoln: Stand back.

Lincoln kicked the wall and it shattered and water splashed into the cave room and a human skull tumbled in.

Lincoln: That rock was a skull.

Linka: Wait a minute. I see something in it.

Lincoln picked it up and looked in it and they saw a huge diamond.

The Devil's Eye Diamond.

Lincoln: [Gasp] Jumping King of Lightning! It's the Devil's Eye!

Penny: We found the Diamond Medusa wants.

Bernard: Holy mackerel! That… That's it!

Ms. Bianca: The Devil's Eye.

Linka: It's enormous.

Lincoln shattered the skull and grabbed the diamond.

---

Outside the simulator we were shocked.

Me: Look at the size of that diamond!

Varie: It's huge!

Me: That diamond has to be worth a huge amount of money.

Lisa: A diamond of that size, color, clarity, and class would be worth $582,647,842,334,550.00

Me: Sweet mother of all things great and small. That is more money than anyone could ever imagine.

Varie: A Diamond like that belongs in a museum.

Luna: A high security museum dudes.

Lucy: I'd rather enjoy the darkness and if it was a black diamond I would keep it.

Lori: They do say "Diamonds are a girls best friend" but I would not want a diamond that big.

Lola: Yeah. That diamond would make us filthy rich but we would be the target of numerous thieves.

Me: I agree Lola.

Eddy: No kidding. I'm glad I saw the error of my ways and I don't want all that money. Besides I met and now love the girl of my dreams and I'm happy with what I got.

Luan: Aw Eddy.

Eddy and Luan kiss.

Everyone: AAAAAWWWWWW!

Me: Eddy I'm so happy for you.

Varie: Me too.

Anastasia: I come from a Royal Family and I don't want all the fame and notoriety. Money can be good or bad.

Me: I agree with you all. That diamond would attract more thieves than anything. We would have to have security as tight as Fort Knox in order to keep it.

Varie: Yeah.

Lynn Sr.: I'm proud of all of you. Having all the money in the world doesn't make you popular and all that.

Me: I agree Mr. Lynn. There are some things money can't buy. Like love, friendship, and more.

---

Lincoln: This diamond is huge.

Linka: We better hide this thing.

Lincoln put it in his backpack and the water receded.

Lincoln: Look.

They saw the Pirate Cave that Penny was going into.

Linka: Is this the Pirate Cave you were going into Penny?

Penny: Yeah.

Lincoln: We just found a back way into the cave. Lets check it out.

As they walked in Linka saw a big hole in the floor.

Linka: What's this hole?

Penny: That's where the water comes in. I'm afraid to go near it.

Linka: So this is how the cave gets flooded. High tide comes in and the water splashes into the cave.

Bernard: It sounds very dangerous.

Ms. Bianca: You can drown in here.

Lincoln: Yeah.

Lincoln and Linka flew over the hole and Penny was on Linka's back and they saw lots of chests full of treasure.

Linka: Boy there's enough treasure here to make anybody rich.

Lincoln: Yeah.

Bernard: Did Medusa have any need for these smaller diamonds?

Penny: No. She doesn't want those little ones.

Linka: Penny how did you know this was a pirate's cave?

Penny: Him.

Penny pointed to the skeleton of a dead pirate thats been in there for a long time.

Ms. Bianca: [Gasps in Horror] Oh dear!

Lincoln: Whoa! He looks like he's been here for a long time.

Linka: Centuries no doubt.

---

Me: Boy that skeleton looks hundreds of years old.

Varie: I don't recognize him. Mermaids are said to be immortal but I don't know anything about pirates.

Me: Pirates have been a huge problem in the Gulf of Mexico and the Caribbean Sea for Centuries just like pirates from Somalia have been terrorzing the Indian Ocean. Wait a minute.

I look at the skeleton closer and I recognize him.

Me: I don't believe it! That's the skeleton of Benjamin Hornigold. He disappeared back in 1719.

Lynn Sr.: Wow. That's amazing. It's a blast from the past.

Rita: Lincoln, Linka and Penny found the lost treasure of Benjamin Hornigold? Amazing. I'm so proud of them.

Luan: And they did it all without a map? Incredible! A TREASURE worth FINDING! [Rimshot and laughs] Get it? But seriously this is amazing.

Eddy: [Laughs] I get it and yeah. They will go down in history.

Laney: Wow. This is a huge discovery.

Lily: Lincoln and Linka should bring that skeleton to Lisa for analysis.

Me: I agree.

I send a telepathic message to them and teleport a body bag to them along with some gloves.

---

Lincoln and Linka put the skeleton in the bag and I teleport it to us. Lisa took it to her lab.

Lincoln: Lets take the treasure with us.

They gathered all the treasure and put it in a scroll.

Lincoln and Linka were taught how to store stuff in scrolls.

Linka: That's all the treasure.

Penny: There's some on the Riverboat that I brought to Medusa.

Lincoln: We'll have to wait on those.

Lincoln looked up through a hole leading to the surface and saw the Sun rising.

Lincoln: It's already dawn.

Linka: Have you thought of a plan of attack on Medusa yet?

Lincoln: Yes I have. Here's what we do. But first lets get out of here.

Lincoln, Linka, Penny, Bernard, Ms. Bianca and Evinrude went back to the cave they were hiding in as water splashed into the cave.

Lincoln: High tide just came back in.

Linka: Yeah. Close one. Okay bro. What do you got?

Lincoln whispered the plan and it was a good one.

Lincoln was going to lead a frontal attack with Ellie Mae, Luke, Deadeye, Gramps, Deacon Owl, Bernard and Ms. Bianca. While Linka and Penny launch an aerial attack.

At Ellie Mae's house Lincoln explained the plan.

Linka gave Penny a laser gun.

Lincoln: All right does everyone know what to do?

Ellie Mae: We sure do.

Lincoln: Ready?

All: [In Unison] Ready.

Lincoln: Evinrude, sound the charge.

Evinrude: (Buzzing) Da-Da-Da-Da-Da-Daaa!

All: [In unison] CHARGE!

Lincoln ran towards the boat and fired a bolt of lightning and it hit the boat and exploded when it hit the roof and the roof of the boat was on fire.

Medusa and Snoops came out.

Medusa was armed with a 12 gauge shotgun.

Deacon Owl plugged it with a firecracker and it exploded as she fired. Medusa's rifle was destroyed.

Linka: Eat lightning Medusa!

Linka fired a bolt of lightning and it electrocuted Medusa.

Penny fired laser beams at Medusa and Medusa ran.

Lincoln took all the treasure Penny brought up from the cave.

As he left Deadeye and Deacon Owl lit all the fireworks in the engine room at once and the area turned into a war zone.

Linka tamed Medusa's pet crocodiles Brutis and Nero and they vanished and went for Lana.

Linka was turning on Medusa's swamp-mobile and it wouldn't start.

Linka: What's wrong with this thing?

Lincoln was standing on the side and Penny was holding on to Linka's waist.

Linka finally got it to start and Medusa grabbed a rope and tried to get to Penny. But Ellie Mae hit Medusa's hands with her rolling pin and she let go and went flying and Medusa grabbed the rope. She was water-skiing without skis. The Riverboat suddenly exploded and sunk to the bottom of the river.

KABOOOMMM!

Lincoln: That did it!

Linka: Good riddance.

The explosion could be heard all the way to New Orleans.

Police boats were dispatched.

Linka: Lincoln, when I say "Now" Cut the rope.

Lincoln: You got it.

Linka turned to the Riverboat.

Linka: Now!

As Linka turned, Lincoln cut the rope with a lightning bolt and Medusa was skidding on the water and she hit the engine chimney of the sunk riverboat.

Lincoln: We did it everyone.

Linka: Yeah! Mission accomplished!

Bernard: We did it Bianca!

Ms. Bianca: Hooray! Oh Bernard! Bernard, You're wonderful!

Lincoln pulled out the Devil's Eye Diamond and Medusa saw that Lincoln had it and she was devastated as Lincoln, Linka and Penny drove off into the Morning Sun.

Medusa: There goes my [Crying] Diamond!

The police arrived and arrested Medusa and Snoops on the spot.

As they drove up to New Orleans, they went to the Police station and reported in.

Linka: That was lucky.

Officer: What can I do for you guys?

Lincoln: Yes officer. We just rescued Penny here from Devil's Bayou.

Officer: Devil's Bayou!? That place is a death trap. Wait a minute.

The officer recognized Penny.

Officer: You're the orphan girl that disappeared from New York. Penny right?

Penny: Yes officer.

Linka: Madam Medusa kidnapped her and took her to Devil's Bayou to find the lost treasure of Captain Benjamin Hornigold. She was after the Devil's Eye Diamond.

Lincoln pulled out the diamond and the Officer was amazed.

Officer: So the Legend is real. That diamond has be worth millions.

Lincoln: More than that officer.

Linka: You must've heard the explosion from Devil's Bayou.

Officer: We heard something.

On a radio a call came in saying that they've arrested Madam Medusa and Mr. Snoops.

Officer: You were right kids. We've been after Madam Medusa for years. She and her partner Mr. Snoops are wanted for the theft of priceless treasure from pirates caves all over the Gulf of Mexico.

Lincoln: Wow! That's amazing!

Madam Medusa and Mr. Snoops were brought in and taken into custody.

Penny: That's them officers. They kidnapped me and made me find the diamond.

Linka: And we rescued Penny from their clutches.

Officer: Well I'll be. You guys saved a young life and brought her captors to justice.

Lincoln: Yeah. My name is Lincoln Loud and this is my twin sister Linka Loud.

Officer: It's a pleasure to meet you both. Madam Medusa is also wanted in Mississippi, Alabama, Western Florida, Louisiana, and Southeastern Texas.

Lincoln: Wow! She's wanted practically all over the Gulf Coast.

Officer: Yeah. You all did a great job. Louisiana owes you big time.

Lincoln: We had to do what needed to be done officer. We're glad to help.

News of Medusa's capture spread across the nation like wildfire and the Devil's Eye Diamond and the Treasure of Benjamin Hornigold were donated to the Smithsonian Institution in Washington D.C. Turns out the Simulator took Lincoln and Linka to New York and Louisiana for real.

In New York City, Penny got the best news of her life the following week. She was getting adopted into the Loud Family. This was the best day of her life.

Lincoln and Linka were given rings for Distinguished Service for their heroic deed in the capture of Medusa.

Penny was now part of the Loud Family.

Me: Lincoln, Linka I'm very proud both of you.

Lincoln: Thank you J.D.

Me: Remember this: A true hero isn't measured by the number of good deeds they've done or by the size of his strength and power, but by the strength of his or her heart.

Varie: That's right.

Lynn Sr.: We're very proud of both of you son. You all saved a life.

Penny: I can't thank you enough. Big brother.

Penny hugged Lincoln and Linka.

We were all so happy that Penny is a part of the family.

Back in Michigan I beamed the Loud House over to my Mansion and Double D helped out and built an expansion to the home.

The Knudson Estate was forever transformed into the Knudson-Loud Estate. I beamed The Santiago-Casagrande house next door to us and it was great for them.

I couldn't be anymore happier.

Medusa and Mr. Snoops were both found guilty in 5 states of numerous counts of Grand Theft (10 counts of Grand Theft each in Florida, Louisiana, Mississippi, Alabama and Texas) They were both sentenced to 300 years in Florida, 200 years in Alabama, 100 years in Mississippi, 100 Years in Louisiana, and 990 years in Texas for Grand Theft for a total of 1,690 years. In New york they were found guilty of Aggravated 1st Degree Kidnapping. They were sentenced to Life in Prison. They were also ordered to pay $10,000,000.00 in restitution.

I got a special idea for the Rescue Aid Society organization. Bernard and Ms. Bianca now live in my mansion in a special room and I built a Pneumatic Tube system for them to get to New York very quickly should they be called in.

FLASHBACK ENDS

Nico: Whoa! That is incredible!

Me: Yeah it was so cool

Camie: The Police Gave up that easily?

Me: Yeah because they couldn't find her in New York City and it was because she was half way across the country.

Eli: She was in the bayous of Louisiana.

Lana: Yeah.

Lincoln: That's right.

Nico: But now, the police won't ever give up that easily again the next time something like that happens.

Penny: No they sure won't.

Qin: That's good.

Scorponok: But that was still an awesome and amazing adventure for you all.

Varie: It sure was.

Camie: That was so awesome.

Himiko: Yeah it was.

Laney: Yep.

Me: And the best part is that the Devil's Eye is now in the Smithsonian Institution in Washington D.C.

Nico: The Neo Core members joining in the battles was a success yesterday.

Me: It was a perfect test and now it works perfectly.

Tsuyu: It sure was.

Qin: Yeah.

Laney: They were great.

Camie: I hope I face my archenemy soon.

Me: I have a feeling you will Camie.

Himiko: And me too for LeFou.

Zocks: That is awesome. And Himiko your archenemy did a great job cheering up Nico after how I punched him in the face.

Me: He sure did. Even though that song was about Gaston, LeFou twisting it to fit Nico was a stroke of genius.

Himiko: It sure was.

Nico: Yeah I loved it. Even though it wasn't needed I still thought it was great.

Me: Yeah I loved it.

Nico: Should the Neo Core members start going on missions with us?

Me: I think that's a great idea Nico!

Eli: Yeah have them come with too.

Nico: All right then.

Nicole: That's an awesome idea Nico. It'll give us a chance to know them more as well as hang out more with our archenemies too.

Scorponok: I agree there.

Beast Wars Megatron: A very wise idea.

Laney: It sure is.

Nico: Good thing the Neo Core members include a few Decepticons too.

Me: That's true. Including G1 Starscream.

Maria: Yep. And if we encounter anymore Decepticons we haven't encountered yet, maybe I should have a shot at getting them to join as secondary leader of the Decepticons.

Me: That's not a bad idea Maria. And we did see you as Leader of The Decepticons in another universe. So that works perfectly.

Nico: I agree there.

Maria: Let's go inside.

Nico: Agreed and stay close.

We stayed close and went up to the door and it had the symbol for the Metal Hunter on it.

Me: The symbol for the Metal Hunter. Here we go.

I pulled out the Vok Disk and pressed the symbol and it glowed green and the door opened and we went in.

Nico: Wow this place gives me the creeps.

Qin: Yeah.

We went through a tunnel and then went into a huge room and there in a control chair was TRANSMETAL MEGATRON!

I was keeping us in a cloaking shield to keep us invisible to keep us out of sight.

Nico: There he is.

Qin: Shall we get ready?

Nico: Wait look.

We saw that they have hardwired Transwarp cells at the control engine.

Nico: They are hooking up Transwarp Cells.

Transmetal Megatron: Excellent. Optimus Primal. How good to see you awake. I wouldn't want you to miss our voyage home.

Transmetal Optimus: Home? You're talking this thing…

Transmetal Megatron: Back to Cybertron. Yes.

Transmetal Optimus: You can't! Who knows what the aliens might do if they become aware of Cybertron.

Transmetal Megatron: Let them! In time I will destroy them as I will your precious Maximals! And the Autobots too!

Nico: LIKE HELL YOU WILL!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out in front of Transmetal Megatron and a phoenix cry was heard!

Quickstrike: What in tarnation!

Nico: You are not going anywhere except into the pit of Oblivion!

Kaito: (gets out Zyuranger gear) You want the Maximals and Autobots?

Zocks: (Gets out Jetman gear) You go through us!

Nicole: YEAH!

Transmetal Megatron: We'll see about that. (Presses button) Lock in coordinates. Begin teleport sequence!

The Teleport Sequence was getting started.

Transmetal Megatron: In a few nanocliks we'll be on our way.

Me: Without saying goodbye? We're hurt.

I fired energy blasts and cut Transmetal Optimus free.

Kaito got a Zyuranger Sword and Zocks got a Jetman sword!

Qin: Yeah!

I then saw the Transwarp Cells.

Me: (In my head) I've got an idea.

I teleported to the Transwarp cells and put a wire into my computer wrist band.

Me: Computer download Datatrax Viron.

It did so and they glowed red. Meaning they were going to explode.

Sougo: (gets out Mighty Morphin Ridewatch) Our turn

Geiz: (gets out Geiz Majesty Ridewatch) This is the second day in a row that I'm using this.

Majesty Time! Kamen Rider! GeizMajesty!

Sougo got MightyMorphinArmor while Geiz became Geiz Majesty.

Nico: Yeah!

Beast Wars Megatron: And you will learn respect! Megatron, TERRORIZE!

He transformed and fired purple laser blasts and they hit Transmetal Megatron and exploded all over.

Scorponok: And this is for me! Scorponok, TERRORIZE!

He transformed and fired missiles and blasted Transmetal Megatron all over the place.

Nico: Take that!

Qin: Yeah!

I pulled out my Maser Laser Blaster and it hit Transmetal Megatron and exploded and blasted his head off.

Applejack: Quickstrike you deserve a much better alliance with us instead of Megatron.

Nico: Absolutely! You are also a Maximal Protoform. Remember.

He looked at Quickstrike and helped him remember.

Quickstrike: What in tarnation! I remember now! I'm a Maximal!

Me: Yes and not a Predacon!

Qin: That's right!

He fired poison blasts at blasted Transmetal Megatron all over and knocked him out.

Then the Teleport Sequence charged.

Nico: Uh oh! Lets go!

We left and ran fast.

We left fast and got out.

Transmetal Optimus: FIRE IN THE HOLE!

The ship teleported up into the sky with Transmetal Megatron on it. Then in space the ship exploded as it was going into the towards a portal!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF INCREDIBLE POWER!

It was destroyed and Transmetal Megatron was completely obliterated!

Geiz: Nicole, did you seal his spirit in the Book of Vile Darkness?

Nicole: No. But there's no way he could've survived that.

Sougo: (sees a shadow walking out) Then who's that?!

We saw the spirit of Transmetal Megatron!

Nicole: Now he will be!

Nicole fired a beam of energy and it sealed Transmetal Megatron into the Book of Vile Darkness.

May: You won't regret this, Quickstrike.

Nico: Nope. But who is our Toku Star Friend?

Another Way Big: (In a girls voice) You know me J.D.

Me: Lynn Valentine! Wow!

Nico: You know her J.D.?

Me: Yep and her name Lynn Valentine and she is a Roller Derby Captain.

Yost Magma: That's cool!

Nico: Yep.

Another Way Big: Yep.

Albedo turned into Negative Way Big.

Negative Way Big: You're probably the biggest of the Another Omnitrix Aliens!

Me: Ultimate Way Big is bigger.

Qin: Yep.

Nico: (takes out Goliath's Ridewatch) Time to fight on even terms!

He activated it and grew to her size!

Qin: YEAH!

Me: I'll join in too! (Activates Superfriends Giganta's Ridewatch)

I grew to her size too.

Laney: Yeah!

Eli: It's like the kaiju battles!

Carol: It sure feels like it!

Penny: My turn!

Penny activated her Ridewatch for Evil Nuova Shenron and fired waves of fire and smashed Another Way Big down.

Qin: Yeah!

Lola: Take that!

Nico: YEAH!

Penny: My turn!

Penny activated her Ridewatch for Pete and fired waves of fire and smashed Another Way Big down.

Qin: Yeah!

Lola: Take that!

Nico: YEAH!

Me: I hope Depth Charge doesn't kill me for using this one. (Activates (Beast Wars Rampage's Ridewatch)

I got his blasters.

Me: Chew on these!

I fired waves of missiles and energy and smashed her all over.

Nico: YEAH!

But then blasts of elements fired and they hit Another Way Big and she was smashed down and reverted back and I caught her ridewatch and purified it in my huge hands.

Me: That was awesome.

I then caught Lynn Valentine. She was a red hair girl with red clothes.

Me: That was a close one.

She groaned and saw me.

Me: Sorry if I'm a bit giant.

Lynn Valentine: (Groans) What a headache.

Me: But you'll be all right. But where did those blasts come from?

?: From me.

We saw a Mega Sylveon!

Me: A Mega Sylveon!

Nico: Whoa!

Mega Sylveon: (In a girls Voice) Not just that.

She turned into Mega versions of the Eevee Pokemon Evolutions. She reverted back and was a girl with brown hair and rainbow clothes and blue eyes.

Nico: Yumiko Evangelica! Wow!

Yumiko Evangelica: Awesome to see you again Nico.

Maria: That was a BIG battle!

Me: Literally. But Ultimate Way Big is bigger.

Qin: Yep,

We reverted back to normal size.

Me: One last thing to do.

I snapped my fingers and beamed Tigatron and Airazor and they were unconscious.

Qin: There they are.

Yumiko Evangelica: I saw them get beamed into space. I tried to save them but I couldn't.

Nico: Oh man.

Me: What in the world were they doing out here?

Transmetal Optimus: They were trying to find plant life.

Nico: Wow.

Penny: What's your favorite memory of Nico?

Yumiko Evangelica: I have a lot of them but my favorites are mostly in gym class. this one time me and Nico were trying out for Tennis and then we saw the Cheerleading captain poking fun at us. How did she call us?

Nico: Freakish Vomitnoses.

Yumiko Evangelica: That's it. So we showed them. I fired a wave of lava and it went down into their underwear and gave them nasty hot butts and they were burned all over and it was funny.

We laughed at that one.

Quickstrike: (LAUGHS) That was a funny one.

Transmetal Optimus: (LAUGHS) That is funny.

Beast Wars Megatron: Well entertaining. Yes.

Nico: It sure is.

Nico and Yumiko hugged.

Nico: I've really missed you.

Yumiko Evangelica: Me too Nico.

Nico: Lets get both your ships back home and then we'll go find the Ark and then fix them up and get you settled in.

Camie: Good idea.

Qin: Yeah.

We went and did so and fixed up both the Axelon, Darksyde and the

Ark and fixed them up good as new back home.

May: Good as new!

Nico: Yep.

Misty Tredwell: That is so awesome.

Carly Atlas: It sure is.

Himiko: Better than ever.

Nico: And it was great going to the Prehistoric Earth that the Beast Wars took place on.

Laney: It sure was.

Quickstrike: It's gonna be amazing being with y'all.

Applejack: It sure is.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, and Jeri are heading to Guatemala, and not only is Lincoln going to rescue the nine girls here, but we got word that our old enemy, the genocidal cataclysmic psychopath, Zero, has returned from the dead wanting revenge on us for ruining his plans to harness the Reverse World's power to destroy the Real World last year.

Lincoln: Whoa, we're here in Guatemala, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we got word that our old enemy, the genocidal cataclysmic psychopath, Zero, has returned from the dead wanting revenge on us for ruining his plans to harness the Reverse World's power to destroy the Real World last year.

Me: I never would've thought that fucked-up psychopath would return from the dead, even after we got rid of him last year.

Nico: Either way, this is the perfect opportunity to send him to The Black Gates for good.

TLPS Mr. Wolf: He still doesn't have that fraudulent Iron Boy suit, does he?

Sherlock Hound: (British Accent) No, after he was defeated and Super Hakaied last year, Mr. Mind took the suit back to their lair, but it was eventually destroyed during the battle against Team Dark Phoenix Storm when Nico and J.D. fought that malevolent little worm in Scotland near Loch Loud.

Lincoln: That's right, they made sure no scrap of it remained. But, even without it, Zero is still really dangerous, Sherlock Hound, so we need to make sure he never comes back. And thanks for joining us, Jeri.

Jeri: You're welcome, Lincoln. This is going to be the last time we ever have to deal with that freak.

Nico: You said it, Jeri.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of nine girls calling for help, along with the sound of insane and psychotic laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the nine girls, but they've been cornered by Zero, and he's going to kill them.

Lincoln: Let's get over there at once, guys, I found the nine girls, but they've been cornered by Zero, and he's going to kill them.

?: (Girl's voice) (French Accent) That genocidal, psychotic, and delusional monster, let's get him!

Suddenly, we saw the Duel Monster, Infernoble Knight Emperor, appear before us.

Nico: Whoa, that's Infernoble Knight Emperor, awesome!

Lincoln: And I'd recognize that French accent, I knew it was you, Katara Chevalierflamboyant, but we'll talk later, we got a genocidal psychopath to get rid once and for all.

We rushed over, and right before Zero could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Zero, and that allowed the nine girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Zero. When Zero saw us again, he was pissed and now, completely insane.

Zero (Pokémon): You simple-minded imbeciles, you've ruined my plan to destroy this pathetic world, so I can live in Giratina's world and protect it forever!

Me: You're still just as fucked up as ever, Zero!

Lincoln: And it's you who's the simple-minded imbecile, Zero, your delusional plan to destroy our world with the energy of The Reverse World and live in Giratina's world was doomed to fail from the very beginning. But, now, we're going to make sure that you never rise from the dead again, and threaten the human race for your own psychotic delusions of grandeur!

Then, Lincoln got out his Pokeballs and summoned his team of Lightning Pokémon, Zapdos, The Legendary Electric Pokémon and one of the Three Legendary Birds of Kanto, Raichu, Jolteon, Pachirisu, Magneton, and Xurkitree.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal

Justice and Elemental Hope) Zapdos, Raichu, Jolteon, Pachirisu, Magneton, and Xurkitree, let's electrocute this fiend!

Lincoln swung his massive greatsword and he fired very powerful bolts of rainbow super lightning, and Zapdos, Raichu, Jolteon, Pachirisu, Magneton, and Xurkitree fired powerful blasts of lightning, and the bolts of lightning hit Zero and the bolts stopped his heart and he was dead, and Lincoln condemned Zero to The Black Gates forever for his crimes. We all cheered wildly as we holster our weapons and power down, and Lincoln went up to Lightning Pokémon team and they hugged, and went back into their Pokeballs.

Nico: Whoa, now that was one electrifying battle, Linc. You and your team of Lightning Pokémon really gave Zero the shock of his life!

We laughed.

Lincoln: We sure did, Nico, and that was a good pun. But, that genocidal psycho's been asking for it for a long time, now we'll never have to deal with him again. (To Katara Chevalierflamboyant) And it's so good to see you again, Katara Chevalierflamboyant.

Katara Chevalierflamboyant reverted back to normal, and she's a beautiful girl with short neck-length red hair, crystal blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful red angel wings, and she reigned in the power of Infernoble Knight Emperor, and she's dressed in a sleeveless yellow vest, sleeveless orange midriff top, orange skirt, red pants, camo sneakers, and long sleeveless red trenchcoat with flames and knights on the coattails, and Infernoble Knight Emperor on the back, and holstered on her back is a large Infernoble Knight Emperor-themed greatsword with Infernoble Knight Emperor etched on the 7'0" massive, wide, double-edged red blade, large orange angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large red gem surrounded by angel wings for the pommel.

Katara Chevalierflamboyant: (French Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Katara Chevalierflamboyant and they hugged, and Katara Chevalierflamboyant is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Katara Chevalierflamboyant: (French Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Katara Chevalierflamboyant, she's my Guardian Angel from France and my classmate in Gym, she's also a capable swordswoman and one of the best horse riders as well as one of the best bull riders.

Applejack: Sounds like she could be a potential competitor at the Appleloosa State Fair's Bull-Riding Competition.

Lincoln: We'll have to ask your cousin, Braeburn, about that, A.J. Plus, it was Katara who taught me how to ride a horse and how to do rodeos. Her last name, Chevalierflamboyant, means Blaze Knight in French.

Nico: Whoa, are you sure she's not a descendant of any of the French Knights, Linc?

Lincoln: No, she's not, Nico, sorry. And I remembered this one time, I ended up saving Katara from an out of control bull using

Fluttershy's Stare.

Fluttershy: Goodness. But, this also means that you using my Stare wasn't…?

Lincoln: Yeah, it wasn't the first time I used your Stare, Fluttershy, and I'll explain later, and to show thanks, Katara kissed me on the lips. I also found out she's the cousin of Parn from Record of Lodoss War, and she hates Lisa with a burning passion.

Me: Wow, that means Parn's in for a family reunion, and I hate to find out why she hates Lisa with a burning passion.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Katara Chevalierflamboyant's neck with red gems on the gold thunderbolt links and red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Katara Chevalierflamboyant: (French Accent)(Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of my harem and one of my many future wives, Katara.

Katara Chevalierflamboyant had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Katara Chevalierflamboyant's waist and Katara Chevalierflamboyant wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw them, he recognized them immediately. The nine girls are Sakura Nankyoku, Kujira Etorofu, Cha Chi, Marie Chupacabra W. Whitebear, Nene Kurio, Kiyomi Kodami, Houjiro Maguro, Mary Chupacabra W. Whitebear, and Kaede Nankyoku from Penguin Musume Heart.

Lincoln: Oh wow, it's Sakura Nankyoku, Kujira Etorofu, Cha Chi, Marie Chupacabra W. Whitebear, Nene Kurio, Kiyomi Kodami, Houjiro Maguro, Mary Chupacabra W. Whitebear, and Kaede Nankyoku from Penguin Musume Heart.

Nicole: That's so awesome.

Lincoln: Are you girls okay?

Sakura Nankyoku: Yes, we're okay, thanks to you.

Then, when Sakura Nankyoku and the other eight girls saw who it was that saved them from that genocidal psychopath, Zero, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and

Sakura Nankyoku: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eight clones of himself, and he and the eight clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Sakura Nankyoku: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Thunderbird Necklaces of Eternal Love appeared on the necks of Sakura Nankyoku, Kujira Etorofu, Cha Chi, Marie Chupacabra W. Whitebear, Nene Kurio, Kiyomi Kodami, Houjiro Maguro, Mary Chupacabra W. Whitebear, and Kaede Nankyoku with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone what happened, and they were shocked when they found out the villain we went after was that genocidal psychopath, Zero, who's come back from the dead seeking revenge on us for killing him last year and ruining his plan to harness the Reverse World's power to destroy the Real World.

But, when Lincoln showed what we did in pulverizing him and what he and his Lightning Pokémon did to finish Zero off and send him to The Black Gates, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Katara Chevalierflamboyant have a lot of catching up to do, now that she's back in town. Finally, we were rid of that genocidal psychopath, Zero, and he's never ever coming back again.

Maria: I can't believe that psychopath came back from the dead.

Lincoln: I know, but we got rid of him for good, and this time, he's never coming back.

Me: Yeah, he should've stayed dead since last year, but he refused to learn.

Nico: They always refuse to learn their lesson and stay dead, but we make sure they learn that lesson the hard way. Lincoln, was Evil Aria Blaze the one who brought him back?

Lincoln: Yes, it was, but Zero double-crossed her and attacked her before he left to get his revenge on us on his own. She was a fool to not realize that Zero is a genocidal psychopath, who want to destroy everything, and that also included her.

Me: Should've known she was behind it, but with Zero dead, Evil Aria Blaze is still out there, and we still have to stop her.

Lincoln: And we will.

---

After finally getting rid of Zero and this time for good, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Katara Chevalierflamboyant saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Katara Chevalierflamboyant: (French Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Katara, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Katara Chevalierflamboyant: (French Accent) That's incredible.

Nico: It sure is. So, Katara, what's the story on why you hate Lisa with a burning passion?

Katara Chevalierflamboyant: (French Accent) You're not going to like it, and it stems from the time Lincoln used Fluttershy's Stare. One day, Lincoln and I were at the stadium for another bull-riding lesson, and there was one bull that liked us a lot. But, then, he suddenly went out of control, and he tried to trample on us and kill us, Lincoln got out of the way, but then, the bull went after me, and he raced over there, and he used Fluttershy's Stare and that got him scared, and he sat on the ground. Then, Lincoln spotted something on the bull: it looked like a mind control microchip, he removed it and the bull was back to normal. We then took it to Becky Long, and she analyzed it, and she knew who the mind control microchip belonged to: Lincoln's cold-hearted, emotionless little sister, Lisa Loud. She then reviewed the footage of hours earlier before we arrived, and we saw that Lisa snuck in and placed the mind control microchip on the bull, and then, on command, it'll obey Lisa to kill us both. We were furious at Lisa, and we marched down to The Loud House, and Lisa was trying to get away and Todd and her robots were sent to exterminate us, but Lincoln fired powerful energy blasts and decimated Todd and her robots, and then, he fired a rose red energy blast from his massive white angel wings and trapped Lisa in a rose red orb. We told Mr. and Mrs. Loud of what Lisa did, and she was grounded for fifteen weeks and I threw her in an isolation cube in the basement.

Lincoln: Lisa had to learn her lesson for what she did, and it stemmed from when I told her I wasn't going to be used as a human test subject for her inhuman experiments, and if she kept that up again, I would call the cops on her, and I'd file charges on her, and I'll hand the cops evidence of her sick and inhuman experiments, which could get her sent to a federal nuthouse for life.

Nico: Ooh, looks like Lisa refused to learn that lesson yet again.

Me: You have no idea, Nico. Lisa's refused to learn that lesson numerous times, but every time she's tried to kill Lincoln, she got her comeuppance by Lincoln and his Guardian Angels.

We got a shower afterwards, and then, Lincoln and his harem were getting ready for a beach date, and it's at Hydrocity Zone.

Lincoln's harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Lily the Mermaid: Looks like we made it to Hydrocity Zone, where's Linky?

Lincoln: I'm right here, Lily.

Then, the girls in Lincoln's harem turned to see him, and their faces had atomic red blushes, hearts in their eyes, their tongues fell onto the sand, their noses were really bleeding, and they let out wolf whistles as soon as they see Lincoln arrive, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble, and the girls were speechless.

Lincoln: Surprised to see me?

Lily the Mermaid: (Seductively and rubs her right hand on Lincoln's massive right pec) Big time, and you're also in a speedo, you big, tall, handsome muscular hunk of a man.

Lincoln: Well, this is my second time wearing a speedo, Lily, but this is the first time that all of you have seen me in a speedo, and it really got your attention. Shall we?

Lincoln and his harem dived right into the waters and they were swimming in the clear waters and they also saw the sea creatures and plants that live there, and they had a game of volleyball and the girls in Lincoln's harem got a massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they also had some lunch on the sand, and then, Lincoln made clones of myself, and he and the clones went up to the girls in his harem, and he wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss and then, they came back home to The World Tree Estate and were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face and massive and muscular upper body.

Nico: Hey, Linc, how was your date?

Lincoln: It was awesome, Nico, we went to Hydrocity Zone.

The girls in Lincoln's harem were still blushing like crazy after seeing him in a speedo.

Me and Nico: Uh, girls, are you okay?

Lincoln whispered in my ears and Nico's ears that he was in a speedo, and that got the girls blushing like crazy, and our eyes went wide.

Nico: (Stunned) Dude, I think the girls in your harem really went lovestruck when they saw you in a speedo. But, you did wear that orange speedo when you and Luna Isdrage went to the beach.

Lincoln: That's right, and I merged Kuesa's speedo with the orange speedo that Luna Isdrage made for me and to model as well, and that's the speedo they saw me in: a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo.

Kuēsā Sutādoragon: (Japanese Accent) Now, that I even didn't see coming. But, that new speedo of yours is definitely your new beach wardrobe, Linky, and if there's a chance you were to get into some bodybuilding competitions, Luna and I are going to get to work on creating brand-new bodybuilding speedos for you for those competitions.

Luna Isdrage: (Norwegian Accent) That's right, we'll get to work on those right away.

Misty Tredwell: We're also working on making some for J.D.

May: And for Nico, as well. (Seductively) Plus, our men did look even more hunky in those speedos on the beach dates.

That caused my face and Nico's to turn atomic red, but we had a sly grin on our faces, and we went to the girls in our harems, and we wrapped them in our abnormally massive and powerful muscular arms and kissed them on the lips, which they returned: a little something we learned from Lincoln.

---

We arrived at Hadleigh's house.

Dr. Krankcase: This is your parents' house?

Hadleigh Smithers: Yep it's home.

We saw that she lived in a normal size home.

Qin: It's a nice house.

Nico: Yeah.

We went up to the door and Hadleigh opened the door and we went in.

Me: Nice place.

We heard the TV on and went into the living room and saw a woman holding a photo of Hadleigh from 10 years ago and she was crying.

Hadleigh: Mom?

Mrs. Smithers: Hadleigh? Where are you?

Hadleigh: I'm right here.

She then saw Hadleigh for the first time in 10 years and gasped.

Mrs. Smithers: Hadleigh?

She went up to her and touched her face.

Mrs. Smithers: Hadleigh. Is that really you?

Hadleigh Smithers: It is mom. I've grown a lot since I disappeared.

Mrs. Smithers: HADLEIGH!

She hugged her daughter and cried hard.

Mrs. Smithers: Were you Gene Slammed?

Trinity Liechtensteinischen: No. Not like me and the others.

Hadleigh Smithers: I was never gene-slammed at all. I was teleported to another planet.

Me: It's true Mrs. Smithers. She was teleported somehow to a Dagobah Swamp-Like Planet and she was stuck there for 10 years. She survived there for a decade all by herself like how Master Yoda did.

Yoda: True it is. Hadleigh an amazing survivor she is.

Mrs. Smithers: Oh Hadleigh. I've missed you so much. But I'm so glad you are okay.

Hadleigh Smithers: I'm so sorry I made you worry mom. It just happened without warning.

Apeface: Where's your husband?

Mrs. Smithers: He should be home any second.

Mr. Smithers: Honey! I'm home!

Mrs. Smithers: Honey in here! It's a miracle!

He came in and Mr. Smithers saw Hadleigh.

Hadleigh Smithers: Hey daddy.

Mr. Smithers gasped and dropped his briefcase and then he went over and saw Hadleigh and then hugged her for the first time.

Mr. Smithers: Oh Hadleigh!

Me: We have quite a story to tell you.

We then told them everything that happened and more and it was intense.

Mr. Smithers: So she was stuck on another planet for 10 years?

Me: That's right.

Nico: We don't know HOW it happened but somehow it did.

Eli: And she was stuck there for 10 years.

Nico: But thanks to our scanners and cutting edge technology we managed to find her on a Dagobah Swamp Planet over 500 light years away from Earth.

Laney: And she survived there for 10 years all by herself.

Apeface: It's true.

Mr. Smithers: My god. But I'm just so happy to have Hadleigh back.

Me: So am I Mr. Smithers.

Broadside: Your daughter's lucky. She's actually one of the people who hasn't been Gene Slammed.

Mrs. Smithers: We're so glad she is safe.

Me: There might be more like her that were teleported to other planets like that so we'll have to keep our scanners on the watch.

Hadleigh: Right. Also Mom, Dad, There's a terrible war coming to the world in 5 days and I have to go into battle and help J.D.

Me: I know you just got her back Mr. and Mrs. Smithers. But the entire planet is in danger. We should explain.

I went over what the Church of Necrom did and how much terror they have caused and more and how much danger the world is in because of Evil Starlight Glimmer and the Equallists and more and we're going into war to stop them. When I was done they were shocked.

Mrs. Smithers: Oh man. Hadleigh you be careful out there. We just got you back.

Hadleigh: I know mom. But I'll be all right. Team Loud Phoenix Storm is the most powerful force in the universe so I'll be ready for them.

Nico: We all will be.

* * *

We later came back.

Stewie: Nice happy reunion, huh?

Nico: It sure was. Now it's time to get ready for our next mission.

Me: I hope it's a fun one.

ALARM BLARES!

BOING BOING BOING BOING BOING BOING!

Nico: Time to find out who is up to it this time.

We went to the satellite and went to the computer.

Nico: So who is causing trouble this time?

Larry 3000: We're going to find out soon.

The computer pulled up British Prime Minister Winston Churchill in the year 1941.

Otto Osworth: Wow! We're going to meet Winston Churchill. He was one of Great Britain's most famous prime ministers! He rallied the British during World War II.

Me: Neat! And I loved his Solemn Hour Speech he did.

Nico: That was cool.

Then Kalin, Greiger, Rex, Roman, Carly, Misty, Devack, Drakkon, Myotismon, and Mordo and Bluto, UA Carnage, Bui, Frictor, Ushari, Sindbad, Doc Duodenum, Knighty Knight, Ghost of Dr. Coffin, and Pooperman appeared,

Kalin: Can me, Greiger, Rex, Roman, Carly, Misty, Devack, Drakkon, Myotismon, and Mordo go with you guys?

Bluto: Me, UA Carnage, Bui, Frictor, Ushari, Sindbad, Doc Duodenum, Knighty Knight, Ghost of Dr. Coffin, and Pooperman can come along too if you want.

Nico: Yes you ALL can come with.

Misty Tredwell: And me and Carly were already with you guys. So you know we'll go too.

Nico: Yeah. But before we go on our mission we got to make a pit stop.

Misty Tredwell: Oh that's right it's that time of the year again.

Me: Yeah the anniversary of 9/11.

Qin: Oh man.

Camie: 9/11?

Me: Right you guys don't know about this. On September 11th, 2001 terrorists hijacked some planes and destroyed the World Trade Center in New York City and part of the Pentagon in Washington D.C. and killed 3,000 people.

I told them everything about it and it was terrible.

Camie: Oh man!

Varie: Yeah that was one of the worst days in America's history.

Sirius: That's terrible.

Me: Yeah.

We went to New York City and Nico bought a bouquet of flowers and put them on the memorial for 9/11 and we prayed and put our hands on our chests and took our hats off and had a moment of silence for those fallen on this terrible day.

Shego: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for a Mega Solgaleo and Mega Lunala next.

Me: Wow! The mega versions of the Sun and Moon Pokemon.

Nico: Yep. This will be so awesome.

Qin: Yep.

Roman: Shall we get going?

Ghost of Dr. Coffin: Not for Halloween, that's for sure.

Nicole: Why do I have the feeling that we're going to see a pervert land.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Evil Aria Blaze, and she's absolutely furious that Zero double-crossed her and left her for dead while he ran off to get revenge on us on his own after she brought him back from the dead, and when the news hit that Zero's been destroyed and sent to The Black Gates for good, she's completely lost it, and now, she's heading here to kill us and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Evil Aria Blaze on the move?

Lincoln: You guessed it, Nico, and she's still absolutely furious that Zero double-crossed her and left her for dead while he ran off to get revenge on us on his own after she brought him back from the dead, and when the news hit that Zero's been destroyed and sent to The Black Gates for good, she's completely lost it, and now, she's heading here to kill us and get her revenge.

Aria Blaze: She made a big mistake bringing that genocidal psychopath back from the dead, and he left her for dead to get his revenge on his own.

Cye: You said it, Aria.

Aria Remmington: But, now that Zero's in The Black Gates forever, now my evil namesake's finally on the move, and we're going to make her pay for her crimes.

Nico: Yeah, she deserves to die for her crimes. Alright, gang, let's go, time to meet up with The Time Squad.

Lincoln: Looks like we've got another Time Crisis to fix, and once we fix this Time Crisis, you better be ready for later on, Evil Aria Blaze.

Aria Remmington, Aria Blaze, Cye, and Lincoln: The Champions of

Courtesy will make you pay for your crimes in full, you evil monster.

Me: Yeah!

Nico: That evil siren deserves to pay, and you guys will be the ones to do so.

Lincoln: And I can't help but get the feeling we're also going to face another old enemy of ours, another who refuses to stay dead for long.

Nico: I got that same feeling as well, Lincoln, but whoever it is, he's going to get it big time.

We were off.

LONDON, ENGLAND - 1941.

We arrived in London.

Nico: Here we are.

Larry 3000: Ah London. Finally! I've returned to civiliazation. (British Accent) I say old chap. I could use a spot of tea.

Tuddrussel: Hey you start talking British on me Larry, So help me I'll smash your head in!

Otto Osworth: Guys something weird is going on here.

Me: Yeah.

We then saw everyone NOT WEARING CLOTHES!

Otto Osworth: OH MY GOSH! EVERYONE'S NAKED!

WE ALL SCREAMED!

Poison Ivy: Okay, no one look at them!

I put on my blind man glasses.

Nico: MY EYES! MY EYES!

Qin: PUT SOME CLOTHES ON EVERYONE!

Camie: YEAH!

Nicole: WHOEVER IS DOING THIS IS A BIG FAT FUCKING DEAD MAN!

Devack: Is the stress of the upcoming war starting to get to us right now?

Bui: It isn't, Devack. What we are seeing is real!

Nico: He's right.

Eli: I sense bad brainwaves coming from Winston Churchill.

Poromon and Poliwag's eyes widen as the sight before them got them to remember something.

Francis: You two okay?

Poromon: NO, WE AREN'T!

UH OH!

Poliwag: WE ACCIDENTALLY SAW PORN ON A WEBSITE A WHILE BACK!

With that, Poromon and Poliwag threw up on Francis.

Francis: AW SICK!

Nico: I thought we erased that memory!

Qin: Uh oh.

Pooperman: How did they remember that?

Rex Goodwin: My guess is that all the nudity must have reawakened that dormant memory!

Nico: Yeah!

Me: That's got to be it.

Otto: I got to wash my eyes!

Nico: Lets just find Winston Churchill and whoever is responsible for this!

Rhino: First, we should go somewhere with no nudity so we can plan our next move!

Nico: We can go to the top of Buckingham palace!

We teleported there.

Nico: That's better.

Camie: Yeah.

Nicole looked like she was going to blow her stack! Smoke was coming out of her ears and her hair was on fire!

Knighty Knight: Are you okay, Nicole?

Myotismon: Of course she isn't! There are naked people everywhere!

Nico: And she looks like she is going to tear the planet apart!

Me: (GULPS)

Sandman: There's gotta be a logical explanation. Right?!

Eli: The brainwave patterns I'm sensing on Churchill.

Nico: Hmm. Like with what Blackbeard was doing?

Eli: Yeah but this feels technological.

Zipp Storm: Hmm.

Me: Oh Zipp, Rainbow Dash it's your turn to shine today.

Zipp Storm: Yeah!

Baron Mordo: The people down there aren't wearing any clothes at all!

Doc Duodenum: (in fart) (At least put on T shirts, people!)

Me: They don't understand fart.

Zipp put on her goggles and saw Winston Churchill and then she switched it to X-Ray vision and zoomed in and she saw something on the back of Churchill's neck.

Zipp Storm: Guys I see something on the back of Churchill's neck.

Me: What is it Zipp?

Zipp Storm: I can't make it out.

Me: I'll go check it out.

I put on my blind man glasses and teleported.

Me: Pardon me Mr. Churchill?

Winston Churchill: (British Accent) Yes?

Me: There's something on the back of your neck. Do you uh mind if I take a look sir?

Winston Churchill: Aw certainly.

I looked and saw that it was a bandage and I pulled it off and it was a chip.

Me: It's a mind control chip. Well well.

I pulled it out and Winston Churchill got a headache.

Winston Churchill: What happened?

Me: Well this is hard to explain Mr. Churchill but this chip here made you tell everyone to be naked.

Winston Churchill: What!? Everyone here is naked?

Me: Uhh yeah.

Winston Churchill: This is horrible! This is indecent! Everyone put something on! You look positively obscene!

Me: Wow!

Everyone hurried and put some clothes on and I teleported back.

Me: I found the culprit guys thanks to Zipp here and her awesome goggles.

Nico: A mind control chip. No wonder!

Bai Tza: Eli, can you sense who's the real mastermind here?

Eli: I can try.

I looked at the chip.

Me: Hmm. Looks like the kind of chip Smallwood used in Devon, England.

Nico: Hmm.

Me: (Sees something) Wait.

I then saw the familiar symbol of Team Flare!

Me: (Gasp) Team Flare is Behind this!

Nico: Team Flare!? But they are all dead!

Eli: And I know who's behind this! Lysandre!

Drakkon: Lysandre is behind this?!

Ushari: That doesn't make sense! He wants to destroy the world, not throw it into chaos!

Nico: Well he's here and we have to stop him now.

Camie: Who is Lysandre?

Me: He was the leader of Team Flare and his goal is to destroy the planet.

I went over his history and it was terrible.

---

Lysandre (in Japanese: フラダリ Fuladari) is the main antagonist of the 2013 Pokémon video games Pokémon X and Pokémon Y, a minor antagonist in Pokémon Ultra Sun and Pokémon Ultra Moon, and the main antagonist of the Pokémon anime season Pokémon: XY & Z. He is the boss of Team Flare.

In Japanese, he was voiced by Hideaki Tezuka in the anime, Hiroki Tōchi in Pokémon Generations, Akio Otsuka in Pokémon Masters, and Takaya Hashi in Pokémon Evolutions. In English, he was voiced by Tyler Bunch in the anime, D.C. Douglas (who also voiced Albert Wesker, Yoshikage Kira, and Suguru Kamoshida) in Pokémon Masters, and Adin Rudd in Pokémon Evolutions.

Lysandre debuted in Mega Evolution Special I. Though he was not identified as the caller at the time, he contacted Alain via the Holo Caster, directing him to where a new Mega Stone could be found. He also was seen observing the power of Alain's Mega Charizard X during its battle with Siebold's Mega Blastoise.

In Mega Evolution Special II, Lysandre traveled to Hoenn, intervened in Alain's battle with Steven, and introduced Alain and Steven properly to each other. It was revealed that in the past, he defeated Alain in a battle over an Ampharosite, then took Alain to Lysandre Labs and recruited him to work in a project to harness the energy of Mega Evolution for peaceful purposes. Lysandre was also the one who awarded Alain his Mega Ring and Charizardite X, though he asked Alain to not tell Professor Sycamore of the research, fearing that people with bad intentions would bring harm to him in order to obtain it. Later, he traveled with Alain, Mairin, and Steven to a ruin, where they uncovered an ancient Giant Rock. However, his research on the Giant Rock accidentally summoned Rayquaza, who destroyed the area. After the encounter with Rayquaza, Lysandre discovered a similar energy reading to the Giant Rock near Rustboro City, and asked Alain to go there and investigate. He also covertly ordered Alain to keep a close eye on Steven, for the Hoenn League Champion had precious information on Mega Evolution.

In Mega Evolution Special III, Lysandre gave instructions to Alain and Steven. After Mega Rayquaza defeated both Primal Groudon and Primal Kyogre, he had the Giant Rock, which had reappeared during the battle of the Legendary Pokémon, taken away with his submarine for further studies.

In Mega Evolution Special IV, Lysandre observed Alain's battles against ten Mega Evolution Trainers while his scientists researched the Giant Rock. After Chespie, Mairin's Chespin, who had interfered with the experiments performed on a Zygarde Core, was hospitalized, Lysandre told the victorious Alain that he had to continue gather data on Mega Evolution if Chespie was to recover. He was also shown to be close to Malva, who served as Alain's final opponent.

In XY&Z

Lysandre has a major antagonistic role in the XY&Z arc, first making appearances in From A to Z! and Meeting at Terminus Cave!, where he was studying Squishy alongside Xerosic.

In A Meeting of Two Journeys!, Lysandre was contacted by Alain via the Holo Caster, who wanted to know if Mairin's Chespie's condition had improved or not. Later, he reappeared in the next episode, overseeing the operation to capture Z2 alongside Xerosic. At the end of the episode, he received Z2.

Lysandre reappeared in Championing a Research Battle! and A Full-Strength Battle Surprise!, where he received mission reports from Xerosic.

In Kalos League Passion with a Certain Flare!, Lysandre was talking to a man inside a building at the Lumiose Conference. He soon got a call on a Holo Caster that an Admin was holding, from Xerosic, who was in the front seat of a truck that was just outside the Lumiose Gym. Later on at night, he met Ash for the first time and discussed the capability of Ash's Greninja to take on its different form in battle. After his conversation with him, he was shown with an annoyed expression, before turning towards the Lumiose Gym and smirked. Lysandre later talked to Mairin after she ran up to him and he put on a happy expression. The next day, Lysandre was seated in a private viewing box inside the Lumiose Conference's stadium with a glass window, along with Mairin and the same Admin, and they all watched as Ash and Alain each walked towards their respective sides of the battlefield in the Lumiose Conference's stadium, for the final round of the Conference.

In Finals Not for the Faint-Hearted! and Down to the Fiery Finish!, Lysandre watched Ash and Alain's battle in the finals of the Lumiose Conference. Towards the end of the latter episode, his true egotistical, narcissistic nature is revealed as he uses the power of Z2 to bring the whole of Kalos into his control, taking over Lumiose City and subsequently the Lumiose Conference, which had just been concluded.

In A Towering Takeover!, Lysandre revealed himself as the leader of Team Flare to a captured Ash. He also televised a message to the citizens of Kalos about his plan for creating a new, beautiful world for Team Flare.

In Coming Apart at the Dreams!, Lysandre explained his motivations. Much like in the games, he once had a generous nature and would help those in need. However, after those he supported grew accustomed to his aid and turned greedy, he became disillusioned with the human race. Because of this, he intended to "restart" the world, and he attempted to control Ash and Greninja the same way he did with Zygarde, so that Ash could become the guide of the new world. Ash, however, defied Lysandre and used the Bond Phenomenon to break free. Following this turn of events, Lysandre equipped his machine and started a fight with Ash and the defecting Alain using his Pyroar and his Shiny Mega Gyarados. Pyroar was defeated through a joint attack by Noivern, Hawlucha, and Pikachu.

In The Right Hero for the Right Job!, Lysandre defeated the majority of Ash's team. He was surprised when Malva appeared to help Alain and Ash, but nonetheless remained confident even after Clemont and Bonnie freed the two Zygarde under his control.

In Rocking Kalos Defenses!, Lysandre was finally beaten by Ash and Alain. Refusing to surrender, Lysandre seemingly killed himself by jumping off the tower. It was afterwards revealed that Lysandre had planned for the Giant Rock to transform into a copy of Zygarde, which would engulf the Anistar City Sundial and release enough energy to wipe out all life on the planet. He made one final appearance in Forming a More Perfect Union!, where he revived the Giant Rock after it had been temporarily stopped by Ash, Alain, Steven, Malva, Diantha, and all of the Kalos Gym Leaders. He was ultimately defeated by Squishy and Z2 after they transformed into Zygarde Complete Forme and destroyed the Giant Rock. Lysandre was last seen being engulfed by Zygarde's Core Enforcer, leaving his final fate unclear.

---

When I was done everyone that hadn't heard about it was shocked!

Camie: He's pure evil!

Qin: Yeah no kidding!

Riku: Like Ushari said, Lysandre wants to destroy the world. So, why cause this mess?

We got to thinking.

Me: I know why! To make us lose World War II and destroy the entire planet by destroying the fabric of time and space!

We gasped!

Greiger: That's right. We're close to World War II.

Frictor: A few years before it.

Me: Actually it's 1941 and this is the time when Britain was getting ready to go into the war.

Nico: Yeah.

Xion: How are you feeling now, Nicole?

Nicole: Better that everyone has clothes on but I'm going to rip off Lysandre's fucking head and eat it after we beat him.

Qin: Good!

Nico: We'll help you.

Misty Tredwell: He could be anywhere right now.

UA Carnage: Maybe in one of Churchill's hangouts?

Eli: He's actually on a ship in the bay. Over there!

We looked and saw an unknown ship that was invisible.

Nico: That's it all right.

Me: A stealth ship.

Teresa: Entrance time!

Nico: Lets do it!

Quickstrike: Yeehaw! Here comes poison!

We went at the ship.

Lysandre was watching the city of London. Then he saw everyone wearing clothes again!

Lysandre: NO! RUINED!

Then the spirits of the Fire of The Nazca appeared and swirled around him and then swirled around him and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out!

Nico: Lysandre, you will pay for everything you did!

Carly Atlas: You got some nerve making this perverted scheme!

Lysandre: (laughs evilly) What can I say? I found trying to destroy the universe directly ineffective. So, I thought I could push it in the right direction of destruction by giving Churchill some advice.

Sindbad: Considering Nicole was ready to kill all the naked people earlier, your scheme almost worked!

Nicole: And now I'M GOING TO RIP YOUR FUCKING HEAD OFF AND THEN EAT IT!

She teleported and kicked him in the crotch and punched him in the face and then bit him in his arm and he screamed in pain!

Then Calamitous, Vypra, Vexen, Firefly, Bane, Leonard, Hydro Man, Shiv, King Hiss, Webstor, Boss Wolf, Evil Heat Man, Gypsy Moth, Lipstick Monster, Superfriends Giganta, Ape Man, Rambling Ghost, Darcy, Nightstrike, and Ayatoriko Appeared

Nico: Calamitous, Vypra, Vexen, Firefly, Bane, Leonard, Hydro Man, Shiv, King Hiss, Webstor, Boss Wolf, Evil Heat Man, Gypsy Moth, Lipstick Monster, Superfriends Giganta, Ape Man, Rambling Ghost, Darcy, Nightstrike, and Ayatoriko.

Calamitous: Poromon, are you and Poliwag okay?

Poromon: We are now.

Poliwag: We finished vomiting an hour ago.

Vypra: Damn. Good thing it's not Seadramon's turn, huh?

Vexen: It's best if you two rested up.

Poromon: Thanks.

Firefly: (to Nico) Heard you fought another version of Megatron.

Nico: Yep.

Bane: (Spanish Accent) Was he tough like the others?

Nico: Nope.

Me: But he went out with a big bang into the Book of Vile Darkness.

?: That is amazing.

A figure came out and it was NAMONO-GATARI OF THE ORTAURUS HEADDER from Episode 46 of Goseiger!

---

The two-headed Namono-Gatari is the first of the Dark Headders to be used by Brajira against the Goseigers, his right head is Namono and his left head is Gatari. Other than teamwork among his heads, Namono-Gatari can regenerate his horns unless both are cut off at the same time.

Brajira summons him immediately after he revealed his true form and motive to the Goseigers and he lamented having to wait so long to be summoned. Brajira has him fight the Goseigers, and Gosei Knight goes to confront his former master. He manages to beat them, even when Gosei Black cuts one of his horns and Gosei Blue and Pink blasts both, as he regenerates both times. He is ordered to withdraw when Brajira succeds in capturing Gosei Knight and other retreat

The Landick siblings manage to find out how to destroy his horns permanently and plan to exploit it. While Gosei Knight's brainwashing proceeds, Brajira dispatches him back. The two defeat the Dark Headder by slicing the horns in sync and then using the Super Land Dynamic on him. Brajira enlarges him from the Labyrindel via the Bibi Bugs, but his horns having healed with it. Namono-Gatari fights Landick Gosei Great while taunting them about Gosei Knight, unfazed they finish him off with the Landick Strike. Unfortunately, he allowed this to happen on Brajira's orders so he can become the Land Wedge in the Nega End ceremony.

Once the wedges are all in place, Brajira activates them and the wedges dig into the planet, even using his remaining life force after his death to speed up the process. The wedges, including the Land Wedge, are destroyed by the Goseigers using the Gosei Global Technique.

---

Eli: Namono-Gatari! I remember you! You were sent to battle the Goseigers.

Namono-Gatari: That's right Eli.

Me: I've heard of that saying 2 Heads are better than one but this is ridiculous.

Qin: Yeah.

Namono-Gatari: Too bad I wasn't adapted in America.

William: Well, your drill form was adapted as one of Vrak's drills. So, it's not a complete loss.

Me: Yeah. But it's still a ripoff.

Nico: Yep.

We got the usual battles underway.

King Solar: It sure was but Ultimate Way Big is bigger.

Amber Morning: That's right daddy. That one is over 500 feet tall.

Spotlight: Yeah that was amazing though.

Lola Loud, Sunset Shimmer, Pipsqueak, Fire Skylanders, Tiki Torch, Human Torch, Lea and Francis VS Firefly - Meeting a gene-slammer for Infernoble Knight Emperor Charles

---

Firefly was next.

Firefly: (to Lola) I heard you guys met a gene-slammer for Infernoble Knight Emperor Charles. What's her name?

Lola: Her name is Katara Chevalierflamboyant and she is a great lover of animals like Fluttershy.

Sunset Shimmer: She sure is.

Pipsqueak: (British Accent) And her story is cool too.

Katara Chevalierflamboyant: (French Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Katara, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Katara Chevalierflamboyant: (French Accent) That's incredible.

Nico: It sure is. So, Katara, what's the story on why you hate Lisa with a burning passion?

Katara Chevalierflamboyant: (French Accent) You're not going to like it, and it stems from the time Lincoln used Fluttershy's Stare. One day, Lincoln and I were at the stadium for another bull-riding lesson, and there was one bull that liked us a lot. But, then, he suddenly went out of control, and he tried to trample on us and kill us, Lincoln got out of the way, but then, the bull went after me, and he raced over there, and he used Fluttershy's Stare and that got him scared, and he sat on the ground. Then, Lincoln spotted something on the bull: it looked like a mind control microchip, he removed it and the bull was back to normal. We then took it to Becky Long, and she analyzed it, and she knew who the mind control microchip belonged to: Lincoln's cold-hearted, emotionless little sister, Lisa Loud. She then reviewed the footage of hours earlier before we arrived, and we saw that Lisa snuck in and placed the mind control microchip on the bull, and then, on command, it'll obey Lisa to kill us both. We were furious at Lisa, and we marched down to The Loud House, and Lisa was trying to get away and Todd and her robots were sent to exterminate us, but Lincoln fired powerful energy blasts and decimated Todd and her robots, and then, he fired a rose red energy blast from his massive white angel wings and trapped Lisa in a rose red orb. We told Mr. and Mrs. Loud of what Lisa did, and she was grounded for fifteen weeks and I threw her in an isolation cube in the basement.

Lincoln: Lisa had to learn her lesson for what she did, and it stemmed from when I told her I wasn't going to be used as a human test subject for her inhuman experiments, and if she kept that up again, I would call the cops on her, and I'd file charges on her, and I'll hand the cops evidence of her sick and inhuman experiments, which could get her sent to a federal nuthouse for life.

Nico: Ooh, looks like Lisa refused to learn that lesson yet again.

Me: You have no idea, Nico. Lisa refused to learn that lesson numerous times, but every time she's tried to kill Lincoln, she got her comeuppance by Lincoln and his Guardian Angels.

FLASHBACK ENDS

Firefly: Oh man! Lisa really got what was coming to her. But at least she isn't like that.

Sunburn: Yeah that is for sure.

Tiki Torch: (Hawaiian Accent) That is true.

Human Torch: Yeah no kidding.

Firefly: I agree there. Lets do it!

FIREFLY! BLAZING HEATNIX!

She fired waves of fire and smashed him down. She activated Firefly's Shift Car and fired waves of fire and smashed him down. Lola activated her Ridewatch and they danced to princess music and fired waves of fire and smashed him down.

---

## Laney Loud, Applejack, Apple Bloom, Earth Skylanders, Layla Williams, Venom and Rhino VS Bane - Meeting Hadleigh's Mom and Dad

---

Bane was next.

Suddenly, Aria Blaze felt a sharp pain on her back, and then, massive purple angel wings with sea foam green tips on the purple feathers, grew and sprouted out from her back. Aria Blaze has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger.

Suddenly, Aria Blaze's massive Sword of The Knights of The Friendship Table and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of purple and sea foam green energy, magic, lights, music notes, purple star gems, and Alicorns, and when it emerged, it transformed into Aria Blaze's Musical Alicorn Greatsword of Light Justice and Celestial Music Love, it's a brand-new massive greatsword with a 7'0" massive, wide, double-edged purple blade with her cutie mark etched on the blade, large gold Alicorn heads for the crossguard, large red gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with purple gems for eyes and a large red gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and pink gems for the eyes and a large red gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a gold kanji below the Alicorn that said, "Aria Blaze, Pony and Siren of Courtesy, Warrior With a Powerful Sense of Courtesy, Friend of Sunset Shimmer, Destroyer of The Doomsday 23, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table and The Redemption Squad, Slayer of Evil, Murderous, Sadistic, and Ruthless Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Loving Girlfriend of Cye, and Master of The Powers of Courtesy, Redemption, Music, and Light"

アリア・ブレイズ、礼儀のポニーとセイレーン、礼儀の強い戦士、サンセット・シマーの友、ドゥームズデイ 23 の破壊者、エクエストリア、ポニービル、カンタロットの守護者、友情のテーブルの騎士と償還隊のメンバー、悪の殺し屋、殺人的でサディスティックで冷酷なろくでなし、驚くほど強力な教師の驚くべき強力な生徒、サイの愛情深いガールフレンド、礼儀、償還、音楽、光の力の達人

Aria Blaze has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY CELESTIAL MUSIC COURTESY ALICORN ANGEL OF DIVINE LIGHT SONG COURTESY AND DIVINE SIREN MUSIC LOVE!

We were amazed by Aria Blaze's Super Angel-Alicorn Eternity Infinity transformation, and when Cye saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Evil Aria Blaze saw it, she transformed into her Siren form and tried to attack Aria Blaze, but Aria Blaze dodged Evil Aria Blaze and fired a powerful purple and sea foam energy blast, and it hits Evil Aria Blaze and sent her flying into a wall, but she's not out yet.

Nico: Alright, now Aria Blaze's transformed!

Aria Blaze: (Divine Echoing Cosmic Voice of The Musical Courtesy Alicorn and Divine Music Light Justice) **And now, it's time to put an end to you for good, Evil Aria Blaze.**

Cye: That monster's going to pay for what she's done.

Lincoln: Yeah.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and Cye unsheathed his katana and they joined Aria Blaze and Aria Remmington.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You've terrorized the innocent ponies and lands of Equestria for far too long, Evil Aria Blaze, and now, you will pay for every last one of your crimes.**

Aria Remmington, Aria Blaze, Lincoln, and Kento went after Evil Aria Blaze, and they fired powerful blasts of rainbow energy, purple and sea foam green energy, music notes, light, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Evil Aria Blaze, and they exploded with incredible power as they hit her, and she was being burned by The Magic of Friendship. Then, they attacked her with their massive greatswords and katana and they left painful scars on her, and because of the purity of the attacks, it burned her badly, and the wounds she suffered would never heal.

Cye attacked Evil Aria Blaze with his katana, and he left nasty scars on her. Then, Lincoln flew at Evil Aria Blaze, and he slammed her into the ground, and with his vampire fangs now longer and sharper than ever, Lincoln sank his fangs deep and hard into Evil Aria Blaze's neck, and she screamed in excruciating pain, but the pain was just beginning. Suddenly, Lincoln began sucking out and draining all of Evil Aria Blaze's powers and really immense strength, as Lincoln's rainbow energy aura was flaring up extremely and he was suddenly gaining a massive power boost, and Evil Aria Blaze was getting weaker and weaker and weaker still. Finally, Evil Aria Blaze turns back to normal and she was eventually weakened to such a degree, she couldn't even stand, as Lincoln unlatched his vampire fangs which were covered in blood from Evil Aria Blaze's neck and he let out an extremely loud and animalistic roar that shook the ground itself.

Me: WHOA!

Nico: HOLY CRUD!

Then, Lincoln grabbed Evil Aria Blaze by the neck with his large left hand and tossed her into the air with his really immense and brute superhuman strength, and this allowed Aria Remmington, Aria Blaze, Lincoln, and Cye to finish her off by firing massive energy beams and as they hit Evil Aria Blaze they exploded with incredible power, killing her for good. We cheered wildly for what Aria Remmington, Aria Blaze, Lincoln, and Kento did to Evil Aria Blaze as they holster their massive greatswords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Aria Remmington and Aria Blaze are permanent. Kento went up to Aria Blaze, and they kissed passionately and we cheered.

Then, as Evil Aria Blaze's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and Evil Aria Blaze's spirit as surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of his crimes, and the energy images of The Mane 12 aimed their horns at Evil Aria Blaze and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Evil Aria Blaze.

Lincoln: Evil Aria Blaze, for the crimes that you committed against everyone in Equestria, you've been found guilty, and the punishment for your crimes is death.

This horrified Evil Aria Blaze as she soon saw her days of chaos and havoc are about to come to an end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Evil Aria Blaze's spirit, they exploded with incredible power and her evil spirit was condemned to The Black Gates, and she was fading away.

Evil Aria Blaze: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

Evil Aria Blaze's spirit was erased from existence by the spirits of all those she's hurt, and she'll never return to hurt anyone again. THE DARK SONG OF EVIL ARIA BLAZE HAS FINALLY BEEN BROUGHT TO AN END FOR GOOD!

Nico: Now, that's what I call an awesome battle between The Warriors of Courtesy and The Siren of Evil.

Me: You said it, nice job, guys.

Lincoln: Thanks, J.D.

Nico: That's the fourth of our five time travelling missions done and only one more to go, and we've also gotten rid of Evil Aria Blaze.

Lincoln: Which means, the next member of The Doomsday 23 to take down and destroy tomorrow is Evil Sonata Dusk, the last of the Evil Dazzlings.

Sonata Dusk: I should've known she'll be the next to show up tomorrow, but we'll all be ready for her.

Sonata Rexxington: Yes, we'll bring that evil namesake of ours and make her pay for her crimes.

Cye: Yeah, that'll be left to the four of us.

Nico: Yeah, Sonata Rexxington, Sonata Dusk, you, and Lincoln, Cye.

Suddenly, Evil Aria Blaze's red jewel necklace went to Aria Rexxington's necklace and it turned into a choker and was now on Aria Rexxington's necklace.

Aria Blaze: Wow, that's really awesome.

Aria Rexxington: It sure is.

Lincoln: The same thing will also happen to Sonata Rexxington, once I swipe Evil Sonata Dusk's necklace after our mission tomorrow.

Shiv: There. Now, Team Flare's gone for good.

Hydro Man: Actually, that was only Lysandre we fought.

Webstor: Shiv does have a point though.

King Hiss: And now, most of us can use bleach to erase the naked images.

Leonard: Poromon and Poliwag might need that first.

Me: Good thing I brought some.

I pulled out a jug of bleach and splashed their eyes.

Poromon:: AGGH! That hurt! But thank you.

We did the same and it hurt like a son of a bitch but it was worth it.

Me: OW! FUCK!

Nico: But we did get the…

I grabbed Nico by his shirt.

Me: (Threateningly) I DON'T EVER WANT TO MENTION THIS FUCKING MISSION AGAIN!

Nico: Okay okay sorry. Lets just head home.

Pinkie Pie: (To the Viewers) This was a really crazy mission! I hope you weren't offended by it.

Nico: Lets just go home guys.

We went back home and got this crazy mission out of our minds and enjoyed the rest of the day and went to sleep.

THE END

Another awesome chapter done. Sorry it was so late. Had a few distractions.

The Prime Minister Has No Clothes from Time Squad was a really silly and awesome episode! That episode aired on September 28, 2001 and it was funny. Also this chapter was to pay respects to those lost on 9-11 21 years ago.

Nico: It's gonna be so awesome to meet Michael and the America Digidestined.

Laney: I can't wait to see what they are like.

Mimi Tachikawa: You guys will love them. Nico, Davis and Yolei met Michael and everyone when I was with them.

Lana: I heard about that. That was when all the Digimon appeared all over the world.

Nico: It sure was.

Qin: This is gonna be so awesome.

Tarantulas: It sure is going to be something.

Lillymon: Yeah you guys are going to be excited for this one.

Zhuqiaomon: I'm looking forward to this one too.

Nico: Thanks for coming with me, Randy.

Randy Cunningham: Not a problem Nico. This is gonna be so awesome to help you guys out.

Me: It sure is gonna be awesome.

Camie: I'm really looking forward to seeing what kind of Digimon they have.

Mimi Tachikawa: You will love them. Michael has a Betamon, Phil has a Flarizamon, Steve has a Frigimon, Lou has a Tortomon and Maria has a Centarumon.

Nico: Yep.

Me: That's cool!

Kazemon: I'm really looking forward to this one.

Nico: Randy, remember when we met you?

Randy Cunningham: I sure do. I helped you guys out in the Disk Wars Heroes universe.

Me: I remember that. You appeared and helped us out and we owed you big time for that.

Camie: That's awesome that he helped you guys back then.

Laney: Yeah and we were going through lots of trouble back then too.

Me: It took place after the War with The Royal Defenders.

Nico: Yep.

Me: That was still so awesome though.

Nico: And then, we helped you take down McFist and the Sorcerer.

Randy Cunningham: You guys sure did. But it was crazy how the Sorcerer brought out those Pokemon.

Camie: Whoa.

Me: Yeah. But not only that McFist made a really awesome new vending machine for you guys too. That Soup Pop Machine.

Rainbow Dash: Boy I remember that. That was awesome.

Nico: It sure was. And during that day we found out all about Cozy Glow from Sunset and got the Pinkie Promise to help save her from the monster she turned into.

Qin: Yep.

Me: And I upheld that promise during the 20 Days of Darkness the Following Year.

Nico: You sure did.

Sunset Shimmer: That was so awesome.

Eli: And if Sunset Shimmer hadn't told us about it we would have done a terrible mistake and go against our code.

Camie: No kidding.

Juran: So, does anyone want to talk about yesterday?

Poromon: What's there to talk about?! There was nudity everywhere!

Me: Guys please don't mention that mission.

Nico: Yeah we were hurt by that one.

Nicole: Yeah. And we had to splash our eyes we bleach.

Qin: Yeah.

Me: Hopefully the next mission won't be as stupid.

Nico: Yeah I've had enough of that one to last me an eternity.

Camie: Me too.

We arrived in Central Park.

Me: They should be here.

We then saw a bunch of kids and with them was a Betamon, Frigimon, Flarizamon, Tortomon and Centarumon!

Michael (Digimon): Hey guys!

Mimi Tachikawa: Hey Michael! Lou, Steve, Phil, Maria!

Maria (Digimon): It's awesome to see you again and Yolei, Nico wow! You're looking great!

Nico: Likewise. Its been a while Maria. You're looking great. Michael, Lou, Phil, Steve, you all are looking good

Steve (Digimon): Thanks Nico. And it's awesome to meet you all Team Loud Phoenix Storm.

Me: You too Steve.

Eli: Nico and Mimi told us so much about you guys and it's awesome to meet you.

Phil (Digimon): Same here Eli.

Nico: I'm sure you remember Poromon.

Maria (Digimon): We sure do.

Poromon flew into her arms.

Poromon: It's great to see you again Maria and all of you.

Lou (Digimon): Same here Poromon.

Me: Michael it's awesome that your Betamon can evolve into a Seadramon. Coincidentally in our frenemies of the Masters of Evil, Seadramon is Poromon's archenemy.

Nico: Yep it's true.

Michael (Digimon): That is so awesome.

Betamon: Yeah it sure is! I'm amazed that Poromon faces Seadramon.

Nico: We all are amazed at that one too.

Yolei: I thought it was cool ourselves.

Nico: It sure is.

Me: We also met the Russian, French, Chinese and India Digidestined and they are now part of the team.

Lou's Tortomon: That's awesome.

Steve's Frigimon: It sure is.

Nico: Poromon is also one of those Digimon that prefers not to Digivolve.

Maria's Centarumon: I can see that.

Me: He is really powerful for an In Training Digimon.

Qin: Yeah he sure is.

Me: Did you guys see any weird figures running around?

Lou (Digimon): We saw 2 Roachmon running around.

Mimi Tachikawa: Roachmon!?

Me: Uh oh. Mimi do you know those two Roachmon?

Mimi Tachikawa: Yeah they are the Roachmon Brothers.

Nico: Not those two again!

Me: Uh oh. Sounds like you guys have a really terrible history with them.

Yolei: You could say that J.D.

She told us about the Roachmon Brothers.

---

When the DigiDestined were having a picnic, Yolei, Mimi, Hawkmon and eventually Palmon were attacked by the Roachmon Brothers. They were under the influence of the Digimon Emperor's Dark Rings. After the Control Spire was cracked, Palmon was able to Digivolve into Togemon and destroy the Dark Rings on all the Roachmon Brothers.

---

When she was done we were grossed out.

Laney: YUCK!

Lana: Cool! I would love to have the Roachmon brothers as my partners.

We laughed!

Me: You would definitely get along great together Lana.

Lana: Yeah.

Me: But when it comes to Mimi's looks the Roachmon Brothers better watch out.

Lillymon: Yeah. You got that right.

Aquilamon: And I never got to eat that sushi.

Nico: Don't worry Aquilamon when this is over we'll have sushi back home.

Aquilamon: Thanks Nico.

Kazemon: These guys must've given Nico, Yolei and Mimi lots of headaches.

Me: Yeah.

Zhuqiaomon: But we're ready to help take them down.

Me: Yeah we are.

Maria (Digimon): That's so awesome you guys have the Sovereign with you all.

Nico: It sure is. And also guys we met the Roachmon brothers when the Digimon Emperor was causing his reign of terror.

Me: I see.

Lou (Digimon): It's weird seeing Poromon and Aquilamon together.

Poromon: Yeah but it's cool.

Nico: Yeah.

Yolei: We think it's awesome.

Qin: Wait I hear voices.

We heard 2 voices and they were getting closer.

Nico: Here they come. (Echoing) BLACK HAIL!

Nico formed black hailstorms and they rained black hail and out came THE ROACHMON BROTHERS!

Maria: There you guys are!

Roachmon 1: Well there YOU guys are!

Nico: Been a long time boys.

Roachmon 2: Nico!? Whoa! You are looking good.

Nico: Still arguing like the babies you are I see.

Roachmon 1: Yeah but you get used to it.

Mimi Tachikawa: I'm still mad at you guys for ruining my clothes!

Lillymon: Yeah! You know how Mimi is about her clothes!

Roachmon 1: Give us a break. We don't even remember doing that!

Nico: Because you were under the control of the Digimon Emperor all those years ago. And you may not know about this but back then days later I killed him.

Roachmon 2: You killed The Digimon Emperor!?

Nico: Yep. And it might have been an accident but he made me snap. But that monster plagued my life for 13 years. He might have deserved it but the true culprit was me because of my own guilt and despair. But now I'm over it and I will never let the past plague me again.

Kaito: (gets out Hibiki gear) Time for you guys to get an earful!

Zocks: (gets out Kabuto gear) And it's time for me to fight insects with insects.

Kaito got a Sound Sword and Zocks got a Kabuto Saber!

Nico: Yeah!

Me: And time to unleash the Wolf. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: Now try this on! (ACTIVATES ZEN-AKU'S RIDEWATCH)

(IT'S THE FEAR BY WITHIN TEMPTATION PLAYS)

Me: (SINGING DIVINELY AS BLUE FIRE SWIRLS AROUND ME)

It waits for the day I will let it out.

To give it a reason, to give its might.

I fear who I am becoming,

I feel that I am losing the struggle within.

I can no longer restrain it,

my strength it is fading,

I have to give in.

It's the fear

Fear of the dark

It's growing inside of me,

that one day will come to life.

Have to save

To save my beloved,

there is no escape,

because my faith is horror and doom.

Hold down your head now,

just let me pass by.
Don't feed my fear,
if you don't want it out.
I fear who I am becoming,
I feel that I am losing all beauty within.
I can no longer restrain it,
my strength is fading.
I have to give in.
It's the fear
Fear of the dark
It's growing inside of me,
that one day will come to life.
Have to save
To save my beloved,
there is no escape,
because my faith is horror and doom.
Long ago it came to me
and ever since that day,
infected with its rage
but it ends today.
It's the fear
Fear of the dark

It's growing inside of me,

that one day will come to life.

Have to save

To save my beloved,

there is no escape,

because my faith is horror and doom.

I danced and fired waves of fire and they formed into wolves and blasted the Roachmon Brothers all over.

Nico: Oh yeah!

Roachmon 1: Try this!

Roachmon Brothers: ROACHMON FLYSWATTER!

They went at me with a powerful kick and I jumped into the air and flew.

Me: Two can play that!

I flew at them!

Roachmon Brothers: ROACHMON EXTERMINATE!

I flew at them.

Me: (Echoing) FIST OF THE BEAST KING!

I used Leomon's power and fired a Lion head and it knocked them down with a roar!

Sougo: (gets out Den O Ridewatch) Geiz, you take on one of them. I'll fight the other!

Armor Time! (Sword Form standby music) Sword Form! Den-O!

Geiz: (gets out Baron Ridewatch) With pleasure!

Armor Time! (Baron's Sengoku Driver standby music) Come On! Baron!

Sougo got Den O Armor while Geiz got Baron Armor.

Nico: Yeah!

Lou: Lets get him Tortomon!

Lou's Tortomon: With pleasure! (Echoing) STRONG CARAPACE!

He fired waves of rock scales from his back and smashed the Roachmon brothers all over.

Nico: Take that!

I landed!

Roachmon 1: Take this!

Roachmon Brothers: GARBAGE DUMP!

They buried Maria Rockell in a huge pile of garbage! YUCK!

Maria popped out orf the pile and man was SHE PISSED!

Me: Uh oh.

Maria Rockell: (GROWLS FEROCIOUSLY)

The Roachmon Brothers laughed at her!

Sougo: I… have arrived! (charges at one of the Roachmon)

Maria Rockell screamed in ferocious fury!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

The Garbage Pile exploded!

Nico: Oh boy!

Eli: Now they are in for it!

She went at the Roachmon brothers and pulverized them into pulp!

Then she threw them and they went at me!

Me: I jumped and kicked them both down.

Tarantulas: Time for some action! Tarantulas, TERRORIZE!

He transformed and fired bullets at the Roachmon Brothers and smashed them all over.

Me: You bugfaced morons should not have done that.

Horsea: Are you okay, Maria?

Maria: I'll be all right.

Nico: Besides you can handle a little garbage.

Qin: Yeah.

Maria: True.

Yolei: But here's the power of my archenemy! (ACTIVATES UNDEAD SPELL PUNK'S RIDEWATCH)

(DESTROYED BY WITHIN TEMPTATION PLAYS)

Yolei: (SINGING DIVINELY AS SKULLS SWIRL AROUND HER)

I did my best to please you

But my best was never good enough

Somehow you're only able to see

All I am not

Did you ever look behind?

Aren't you afraid of the pieces you'll find?

I have failed you

But you have failed me too

It's so easy to destroy and condemn

The ones you do not understand

Do you ever wonder if it's justified?

It's so easy to destroy and condemn

The ones you do not understand

In your life, why didn't you ever try?

I close my eyes as I walk the thin line

Between love and hate

For the person with the same blood

In his veins

You show no regrets

About all the things you did or said

I have failed you

But believe me you failed me too

It's so easy to destroy and condemn

The ones you do not understand

Do you ever wonder if it's justified?

It's so easy to destroy and condemn

The ones you do not understand

In your life, why didn't you ever try?

It's so easy to destroy and condemn

The ones you do not understand

Do you ever wonder if it's justified?

It's so easy to destroy and condemn

The ones you do not understand

Do you ever wonder if it's justified?

She danced and summoned the warriors that Demongo stole and they slashed and smashed and pulverized the Roachmon Brothers all over.

Maria (Digimon): Wow that was talented!

Nico: It sure was.

Roachmon 1: Why you little!

Roachmon 2: Lets get her!

They went at Yolei!

Roachmon Brothers: ROACHMON FLYSWATTER!

They formed a kick ready for her and she flew into the air.

Poromon flew at the Roachmon Brothers.

Poromon: Try this! (Echoing) LIGHTNING JAVELIN!

He fired a powerful blast of lightning from his feather crest and electrocuted the Roachmon Brothers all over.

Qin: Take that!

Michael: Lets do it Betamon!

Betamon: You got it! BETAMON DIGIVOLVE TO…

He turned into SEADRAMON!

Michael's Seadramon: (Echoing) SEADRAMON!

Nico: Awesome!

Me: That is cool!

Poromon: Wow!

Michael's Seadramon: But I'm not Poromon's archenemy.

Poromon: I know.

Me: That is awesome Michael.

Michael: It sure is. Sorry about the confusion.

Me: No worries.

Suddenly, something has happened to me

As I was having my cup of tea

Suddenly, I was feeling depressed

I was utterly and totally stressed

Do you know you made me cry? (Woah-oh)

Do you know you made me die?

And the thing that gets to me (thing that gets to me)

Is you'll never really see (never really see)

She danced and went at the Roachmon Brothers and kicked and pulverized them with incredible grace. And fired waves of leaves and energy and smashed them both down.

Lola: Wow!

Nico: That was awesome Fluttershy!

Lincoln: Yeah!

You'd better hold on to your promises, because

You bet you'll get what you deserve

She's going to leave him over

She's going take her love away

So much for your eternal vows

Well it does not matter anyway

Why can't you stay

Here awhile

Stay here awhile

Stay with me

Have ourselves another fight

Leave the cobwebs in the closet

'Cause tearing them out is just not right

Why can't you stay here awhile

Stay here awhile

Starlight Glimmer: And here's this one. (ACTIVATES EVIL AURORA WOMAN'S RIDEWATCH)

(THE HIGHWAYMAN BY LOREENA MCKENNITT PLAYS)

Starlight Glimmer: (SINGING DIVINELY AS AURORA BOREALIS AND BONES SWIRL AROUND HER)

The wind was a torrent of darkness among the gusty trees

The moon was a ghostly galleon tossed upon the cloudy seas

The road was a ribbon of moonlight over the purple moor

And the highwayman came riding

Riding, riding

The highwayman came riding up to the old inn-door

He'd a French cocked-hat on his forehead, a bunch of lace at his chin

A coat of claret velvet and breeches of brown doe-skin

They fitted with never a wrinkle, his boots were up to the thigh

And he rode with a jewelled twinkle

His pistol butts a-twinkle

His rapier hilt a-twinkle under the jewelled sky

And over cobbles he clattered and clashed in the dark inn yard

And he tapped with his whip on the shutters, but all was locked and barred

He whistled a tune to the window, and who should be waiting there

But the landlord's black-eyed daughter

Bess, the landlord's daughter

Plaiting a dark red love-knot into her long black hair

"One kiss, my bonny sweetheart, I'm after a prize tonight

But I shall be back with the yellow gold before the morning light

Yet if they press me sharply and harry me through the day

Then look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way"

He rose upright in the stirrups, he scarce could reach her hand

But she loosened her hair i' the casement, his face burnt like a brand

As the black cascade of perfume came tumbling over his breast

And he kissed its waves in the moonlight

Oh, sweet waves in the moonlight

He tugged at his rein in the moonlight and galloped away to the west

He did not come at the dawning, he did not come at noon

And out of the tawny sunset, before the rise o' the moon

When the road was a gypsy's ribbon, looping the purple moor

A red-coat troop came marching

Marching, marching

King George's men came marching up to the old inn-door

They said no word to the landlord, they drank his ale instead

But they gagged his daughter and bound her to the foot of her narrow bed

Two of them knelt at the casement with muskets at their side

There was death at every window

Hell at one dark window

For Bess could see through the casement

The road that he would ride

They had tied her up to attention with many a snickering jest

They had bound a musket beside her with the barrel beneath her breast

"Now keep good watch", and they kissed her

She heard the dead man say

"Look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way"

She twisted her hands behind her, but all the knots held good

But she writhed her hands till her fingers were wet with sweat or blood

They stretched and strained in the darkness and the hours crawled by like years

Till, now, on the stroke of midnight

Cold on the stroke of midnight

The tip of one finger touched it

The trigger, at least, was hers

Tlot-tlot! Had they heard it? The horse's hooves ring clear

Tlot-tlot, in the distance! Were they deaf they did not hear?

Down the ribbon of moonlight, over the brow of the hill

The highwayman came riding

Riding, riding

The red-coats looked to their priming

She stood up straight and still

Tlot in the frosty silence! Tlot, in the echoing night

Nearer came and nearer, her face was like a light

Her eyes grew wide for a moment, she drew one last deep breath

Then her finger moved in the moonlight

Her musket shattered the moonlight

Shattered her breast in the moonlight and warned him with her death

He turned, he spurred to the west, he did not know she stood

Bowed with her head o'er the musket, drenched with her own red blood

Not till the dawn he heard it, his face grew grey to hear

How Bess, the landlord's daughter

The landlord's black-eyed daughter

Had watched for her love in the moonlight and died in the darkness there

And back, he spurred like a madman, shrieking a curse to the sky

With a white road smoking behind him, and his rapier brandished high

Blood-red were the spurs i' the golden noon, wine-red was his velvet coat

When they shot him down on the highway

Down like a dog on the highway

And he lay in his blood on the highway with a bunch of lace at his throat

Still on a winter's night, they say, when the wind is in the trees

When the moon is a ghostly galleon tossed upon the cloudy seas

When the road is a ribbon of moonlight over the purple moor

A highwayman comes riding

Riding, riding

A highwayman comes riding up to the old inn-door

She danced and fired waves of energy and bones and smashed the Roachmon Brothers down.

Qin: Yeah!

Me: Had enough bug boys!?

Nico: Yeah!

Lana: Yeah!

Albedo turned into Negative Clockwork.

Negative Clockwork: Just in case the next Another Omnitrix Alien appears.

Me: And I have a feeling that one is gonna be for Clockwork.

Roachmon 1: We will never give up.

Me: Got to admire their tenacity. But we can fight filth with filth too. (ACTIVATES STINKY BUTT AND FIREFLY'S RIDEWATCHES)

(FART VERSION OF I WISH I WAS IN DIXIE PLAYS)

Me: SNIFF ON THIS!

FART FART PBB PBB PB PBB PBB PBB PBPBBPBB FART!

I fired waves of flaming farts from my butt and blasted them down and they were knocked out.

Qin: Take that!

Nico: That was clever!

Eli: The Roachmon Brothers will make awesome members of the M.O.E.

Qin: But we're not done yet.

Then a black version of Clockwork came out! It was ANOTHER CLOCKWORK!

Me: Whoa! Another Clockwork! Just as we both predicted.

Lola: Yeah.

Another Clockwork: (In a girls voice) (Swedish Accent) And it's good to see you again J.D.

Me: Annika Johannesson! Whoa!

Nico: You know her J.D.?

Me: I sure do. Her name is Annika Johannesson and she is Mountain Climber and a Manga Writer. And she is also one of the Swedish Digidestined.

Yolei: Wow! We haven't met the Swedish Digidestined yet. Who is her partner.

?: That would be me.

A Venusmon came out!

Nico: Wow! She has a Venusmon!

Me: Yep. Did Swartz promise you anything?

Another Clockwork: Just to be the greatest mountain climber and Manga Writer ever.

Lincoln: I can easily help you become the greatest Manga Writer of all.

Me: And our teammate Kelsey Winslow can help you do that for the mountains.

Nico: Yeah.

Me: Yep.

Nico: (gets out Xigbar's Ridewatch) This one seems appropriate. (Activates it)

(FAR FROM ANY ROAD BY THE HANDSOME FAMILY PLAYS)

Nico: (SINGING DIVINELY AS STARS SWIRL AROUND HIM)

From the dusty mesa

Her looming shadow grows

Hidden in the branches of the poison creosote

She twines her spines up slowly

Towards the boiling sun

And when I touched her skin

My fingers ran with blood

In the hushing dusk under a swollen silver moon

I came walking with the wind to watch the cactus bloom

And strange hands halted me, the looming shadows danced

I fell down to the thorny brush and felt the trembling hands

When the last light warms the rocks

And the rattlesnakes unfold

Mountain cats will come to drag away your bones

And rise with me forever

Across the silent sand

And the stars will be your eyes

And the wind will be my hands

He danced and fired waves of stars and smashed her all over.

Nico: AWESOME!

Me: YEAH! Love that song! How about this one? (ACTIVATES XALDIN'S RIDEWATCH)

Beggin' you to touch and go

Ride into the Danger Zone

Headin' into twilight

Spreadin' out her wings tonight

She got you jumpin' off the deck

Shovin' into overdrive

Highway to the Danger Zone

I'll take you right into the Danger Zone

You'll never say hello to you

Until you get it on the red line overload

You'll never know what you can do

Until you get it up as high as you can go

Out along the edges

Always where I burn to be

The further on the edge

The hotter the intensity

Highway to the Danger Zone

Gonna take it right into the Danger Zone

Highway to the Danger Zone

Ride into, the Danger Zone

Highway to the Danger Zone

Gonna take it right into the Danger Zone

Highway to the Danger Zone

Ride into the Danger Zone

Highway to the Danger Zone

(WHERE ARE YOU CHRISTMAS BY FAITH HILL PLAYS)

Lana: (SINGING DIVINELY AS ICE AND SNOW SWIRLS AROUND HER)

Oh, oh, hmm

Where are you Christmas
Why can't I find you
Why have you gone away
Where is the laughter
You used to bring me
Why can't I hear music play
My world is changing
I'm rearranging
Does that mean Christmas changes too
Where are you Christmas
Do you remember
The one you used to know
I'm not the same one
See what the time's done
Is that why you have let me go, oh
Christmas is here
Everywhere, oh
Christmas is here
If you care, oh
If there is love in your heart and your mind
You will feel like Christmas all the time
Oh, I feel you Christmas

I know I've found you

You never fade away, oh

The joy of Christmas

Stays here inside us

Fills each and every heart with love

Where are you Christmas

Fill your heart with love, mmhm

She danced and fired waves of snow and smashed down Another Clockwork all over.

Me: Merry Early Christmas!

Nico: That was awesome! And perfect for Vexen's Ridewatch.

Lana: Thanks Nico.

Me: I love that song no matter what time of the year it is.

Maria: Out of curiosity, how are you similar to Clockwork?

Another Clockwork: Well I like collecting Antique Pocket Watches and building amazing cuckoo clocks like the ones that Geppetto. It's a hobby.

Me: We really should introduce you to Geppetto. He makes the most amazing clocks, music boxes and toys you've ever seen. Also you guys should see how many watches she has. It's amazing.

Nico: Wow!

May: (laughs) Guess being a mountain climber and a manga artist isn't the only thing you're good at!

Another Clockwork: Nope. Also I became the youngest ever to climb Mount Everest and K2.

Me: I was there when I helped her achieve those feats.

Nico: That is so cool!

Me: And K2 is one of the most dangerous mountains on the planet. My grandfather lost his best friend a long time ago trying to climb it.

Nico: Wow!

Me: Yeah it was a long time ago. But it was amazing.

Another Clockwork: Yeah but it was cool.

Me: It sure is. And also Annika became the youngest ever to climb all 7 of the tallest mountains on Earth on each of the 7 Continents.

Nico: WOW! That is incredible! Even Antarctica!?

Another Clockwork: Yep. Even Antarctica.

Me: Mount Erebus in Antarctica.

Maria: Wow! That is amazing!

Me: Yep.

Nico: Wow! J.D. you are so lucky to have an awesome mountain climber friend.

Me: Yeah and an awesome Digidestined and Manga Writer too.

Lola: Yep.

Another Clockwork: Anyway… (fires Time Rays at us)

We dodged it and it hit a tree and disintegrated it into dust!

The journey home is never too long

Your heart arrives before the train

The journey home is never too long

Some yesterdays always remain

I'm going back to where my heart was light

When my pillow was a ship, I sailed through the night

Aaah, aaah, aaah, aaah, aaah…

The journey home is never too long

When open hearts are waiting there

The journey home is never too long

There's room to love and room to spare

I want to feel the way that I did then

And think my wishes through before I wish again

Aaah, aaah, aaah, aaah, aaah…

Not every boat you come across is one you have to take

No, sometimes standing still can be the best move you ever make

The journey home is never too long

Comes helps to heal the deepest pain

The journey home is never too long

Your heart arrives before the train

Lucy Loud: (SINGING DIVINELY AS DARKNESS SWIRLS AROUND HER)

This is me, for forever

One of the lost ones

The one without a name

Without an honest heart as compass

This is me, for forever

One without a name

These lines the last endeavor

To find the missing lifeline

Oh, how I wish

For soothing rain

All I wish is to dream again

My loving heart

Lost in the dark

For hope I'd give my everything
My flower, withered between
The pages two and three
The once and forever bloom gone with my sins
Walk the dark path
Sleep with angels
Call the past for help
Touch me with your love
And reveal to me my true name
Oh, how I wish
For soothing rain
All I wish is to dream again
My loving heart
Lost in the dark
For hope I'd give my everything
Oh, how I wish
For soothing rain
Oh, how I wish to dream again
Once and for all
And all for once
Nemo my name forevermore
Nemo sailing home

Nemo letting go

Oh, how I wish

For soothing rain

All I wish is to dream again

My loving heart

Lost in the dark

For hope I'd give my everything

Oh, how I wish

For soothing rain

Oh, how I wish to dream again

Once and for all

And all for once

Nemo, my name forevermore

Name for evermore

She formed an illusion of me firing a powerful Kamehameha Wave at the core of the planet that the Kisenian Blossom was sending on a powerful Kamikaze Attack into the Earth and it was an epic struggle as I was going to destroy it with the blast and lightning struck all over the place and it ended with the blast reducing the core of the planet into a massive and fiery explosion and she fired waves of darkness and smashed down Another Clockwork.

Me: WHOA! That was awesome Lucy!

(WINTER IN JULY BY SARAH BRIGHTMAN PLAYS)

Carol: SINGING DIVINELY AS MOONLIGHT SWIRLS AROUND HER)

Look around wonder why

We can live a life that's never satisfied

Lonely hearts troubled minds

Looking for a way that we can never find

Many roads are ahead of us

With choices to be made

But life's just one of the

Games we play

There is no special way

Make the best of what's given you

Everything will come in time

Why deny yourself

Don't just let life pass you by

Like winter in July

Future dreams can never last

When you find yourself still living in the past

Keep moving on to higher ground

Looking for the way you thought could not be found

We may not know the reason why

We're born into this world

Where a man only lives to die

His story left untold

Make the best of what's given you

Everything will come in time

Why deny yourself

Don't just let life pass you by

Like winter in July

And we may not know the reason why

We're born into this world

Where a man only lives to die

His story left untold

Make the best of what's given you

Everything will come in time

Why deny yourself

Don't just let life pass you by

Like winter in July

(SEND ME AN ANGEL BY REAL LIFE PLAYS)

Lola: (SINGING AND DANCING DIVINELY AS FIRE SWIRLS AROUND HER)

Do you believe in heaven above

Do you believe in love

Don't tell a lie don't be false and untrue

It all comes back to you

Open fire!

On my burning heart

I've never been lucky in love

My defences are down

A kiss or a frown

I can't survive on my own

If a girl walks in and carves her name in my heart

I'll turn and run away

Everyday we've all been led astray

It's hard to be lucky in love

It gets in your eyes

It's making you cry

Don't know what to do

Don't know what to do

You're looking for love

Calling heaven above

Send me an angel

Send me an angel

Right now, right now

Empty dreams can only dissapoint

In a room behind your smile

But don't give up,

Don't give up

You can be lucky in love

It gets in your eyes

It's making you cry

Don't know what to do

Don't know what to do

You're looking for love

Calling heaven above

Send me an angel

Send me an angel

Right now, right now.

(I RAN (SO FAR AWAY) BY A FLOCK OF SEAGULLS PLAYS)

Maria: (SINGING DIVINELY AS WATER SWIRLS AROUND HER)

I walked along the avenue

I never thought I'd meet a girl like you

Meet a girl like you

With auburn hair and tawny eyes

The kind of eyes that hypnotize me through

Hypnotize me through

And I ran, I ran so far away

I just ran, I ran all night and day

I couldn't get away

A cloud appears above your head

A beam of light comes shining down on you

Shining down on you

The cloud is moving nearer still

Aurora borealis comes in view

Aurora comes in view

And I ran, I ran so far away

I just ran, I ran all night and day

I couldn't get away

Reached out a hand to touch your face

You're slowly disappearing from my view

'Pearing from my view

Reached out a hand to try again

I'm floating in a beam of light with you

A beam of light with you

And I ran, I ran so far away

I just ran, I ran all night and day

And I ran, I ran so far away

I just ran, I couldn't get away

She danced and fired waves of water and smashed Another Clockwork all over the place.

Lily: OH YEAH!

Nico: That was awesome sis!

(WHO YOU REALLY ARE FROM BALTO 2 PLAYS)

Lily Loud: RAVEN SPIRIT POWER! (FLARES UP PITCH BLACK RAVEN AURA) (CLOCKS SWIRL AROUND HER)

Another Clockwork: Wow!

Lily: I am shedding light where darkness lies. When Every Creature in the World is Born, a spirit stands beside them.

Another Clockwork: Why?

Lily: To light their way through the long dark night and sing them songs to guide them.

Another Clockwork: Why?

Lily: Because each of us has a destiny that sets us all apart. The path is different for you and me but the Journey begins in the heart. (Singing Divinely)

You must go to the east, go to the west

The road is rocky and the way is far

It's a dangerous trail, a difficult quest

If you want know who you really are?

There are voices all around you

To comfort and to guide you

Fathers and teachers

Powerful creatures

And a voice that sings inside you

Or you can turn back around

Run along home

Back to the place where your friends are

Perhaps that is best

You need the rest

Who wants to go on a ridiculous quest?

Unless you want to know

You truly want to know

Unless you want to know

Who you really are?

Who are you?

Who are you?

Who are you?

Who are you?

Who are you?

Who are you?

Who are you?

Who are you?

Who are you?

She fired waves of animal spirits and clocks and they hit Another Clockwork and smashed her all over.

Nico: Wow! A Combo Legend Power.

Lily: Yep. And Annika your animal spirit is The Thunderbird. (THUNDERCLAP) The Native Thunderbird Symbol represents power, protection, and strength. He is often seen as the most powerful of all spirits and can also transform into human form by opening his head up like a mask and taking his feathers off as if they were a mere blanket.

Nico: Wow!

Laney: Lily you have the makings of an awesome shaman.

Me: Isabel would be really proud of you.

Camie: She sure would.

Tsuyu: I agree there.

Another Clockwork: Wow! So I am the Thunderbird and my power comes from not from this form it's from within me.

Nico: That's right.

Maria: You can have that when you're normal again.

Nico: That's right. Your spirit is trying to find you.

Laney: And now for Marluxia. (ACTIVATES MARLUXIA'S RIDEWATCH)

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Lincoln: SINGS DIVINELY AS LIGHTNING SWIRLS AROUND HIM)

It is the end of all hope

To lose the child, the faith

To end all the innocence

To be someone like me

This is the birth of all hope
To have what I once had
This life unforgiven
It will end with birth
No will to wake for this morn
To see another black rose born
Deathbed is slowly covered with snow
Angels, they fell first but I'm still here
Alone as they are drawing near
In heaven my masterpiece will finally be sung
It is the end of all hope
To lose the child, the faith
To end all the innocence
To be someone like me
Wounded is the deer that leaps highest
And my wound it cuts so deep
Turn off the light and let me pull the plug
It is the end of all hope
To lose the child, the faith
To end all the innocence
To be someone like me
This is the birth of all hope

To have what I once had
This life unforgiven
It will end with birth
Mandylion without a face
Deathwish without a prayer
End of hope
End of love
End of time, the rest is silence
Mandylion without a face
Deathwish without a prayer
End of hope
End of love
End of time, the rest is silence
It is the end of all hope
To lose the child, the faith
To end all the innocence
To be someone like me
This is the birth of all hope
To have what I once had
It is the end of all hope
To lose the child, the faith
To end all the innocence

To be someone like me

It is the end of all hope

To lose the child, the faith

End of all hope

He danced and fired waves of lightning and smashed Another Clockwork down.

Me: All right!

Lincoln: YEAH!

Nico: Now here's one for Evil Roxas. (ACTIVATES EVIL ROXAS'S RIDEWATCH) And it's for me and May and all my future wives.

(I AM YOUR ANGEL BY CELINE DION PLAYS)

Nico: (SINGING DIVINELY AS LIGHT SWIRLS AROUND HIM)

… No mountain's too high for you to climb

All you have to do

Is have some climbing faith, oh yeah

No river's too wide for you to make it across

All you have to do

Is believe it when you pray

… And then you will see, the morning will come

And every day will be bright as the sun

All of your fears, cast them on me

I just want you to see

… I'll be your cloud up in the sky

I'll be your shoulder when you cry

I hear your voices when you call me

I am your angel

… And when all hope is gone, I'm here

No matter how far you are, I'm near

It makes no difference who you are

I am your angel

I'm your angel

… I saw your teardrops and I heard you cry

All you need is time

Seek me and you shall find

You have everything and you're still lonely

It don't have to be this way

Let me show you a better day

… And then you will see the morning will come

And all of your day will be bright as the sun

So all of your fears, just cast them on me

How can I make you see?

… I'll be your cloud up in the sky

I'll be your shoulder when you cry

I hear your voices when you call me

I am your angel

… And when all hope is gone, I'm here

No matter how far you are, I'm near

It makes no difference who you are

I am your angel

I'm your angel

… And when it's time to face the storm

I'll be right by your side

Grace will keep us safe and warm

And I know we will survive

And when it seems as if your end is drawing near

(End is drawing near)

Don't you dare give up the fight (Oh no)

Just put your trust beyond the skies

… I'll be your cloud up in the sky

I'll be your shoulder when you cry

I hear your voices when you call me

I am your angel

… And when all hope is gone, I'm here

No matter how far you are, I'm near

It makes no difference who you are

I am your angel

… I'll be your cloud up in the sky

I'll be your shoulder when you cry

I hear your voices when you call me

I am your angel

And when all hope is gone, I'm here

No matter how far you are…

He and May danced divinely and they fired waves of light and smashed Another Clockwork down!

Nico: OH YEAH!

We cheered wildly for them!

Me: That was awesome!

Vroon: We shouldn't stop now!

Me: We have 1 more and it's for Evil Xion. (ACTIVATES EVIL XION'S RIDEWATCH)

(DREAMS TO DREAM BY SARAH LASKO PLAYS)

Me: (SINGING DIVINELY AS THE 14 ELEMENTS OF DARKNESS, STARS, WIND, ICE, EARTH, ILLUSION, MOONLIGHT, FIRE, WATER, TIME, FLOWERS, LIGHTNING, LIGHT AND SUNLIGHT SWIRLS AROUND ME)

I lose my way, no one cares

The words I say, no one hears

My life it seems is a world of dreams

Deep in the night, you'll find me

Dream and you're right behind me

Stay, if you will stay

We'll dream the night away

Dreams to dream in the dark of the night

When the world goes wrong

I can still make it right

I can see so far in my dreams

I'll follow my dreams until they come true

There is a star waiting to guide us

Shining inside us when we close our eyes

Come with me, you will see what I mean

There's a world inside no one else ever sees

You will go so far in my dreams

Somewhere in my dreams

Your dreams will come true

Dont let go, if you stay close to me

In my dreams tonight, you will see what I see

Dreams to dream, as near as can be

Inside you and me that always come true

Inside you and me that always come true

I spread my wings and fired those elements and they hit Another Clockwork and smashed her down in an incredibly powerful explosion!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM

Laney: OH YEAH!

Qin: That was awesome!

Nico: Yeah it was!

Me: Yep.

Randy Cunningham: My turn! (ACTIVATES KANGOR'S RIDEWATCH)

He danced hysterically and fired waves of bananas and smashed Another Clockwork all over.

We were laughing at that one!

Then we saw The Sun being Eclipsed by the Moon!

Me: It's a Solar Eclipse!

Eli: No I sense 2 figures!

Then out came a MEGA SOLGALEO AND A MEGA LUNALA!

Me: A Mega Solgaleo and Mega Lunala!

Nico: Awesome!

Mega Solgaleo: (In a Girls Voice) We got this!

Mega Lunala: (In a Girls Voice) We sure do sister.

Nico: Whoa! The Eclipsa Rutherford Twins! Sarah and Suki!

Mega Lunala: Awesome to see you Nico.

Mega Solgaleo: We got this!

They fired waves of moonlight and sunlight and smashed Another Clockwork down and she reverted back and I caught her ridewatch and purified it and I went over to Annika and she was a girl with blond hair and had a blue dress and a blue snow cap on and she had a blue and yellow D3 Digivice on her right hip. I picked her up.

Annika's Venusmon: Annika are you okay?

Annika Johannesson: (Groans) What a headache, Me: You're going to be okay.

The 2 Mega Pokemon reverted back and Sarah was an orange hair girl with orange clothes and had the Kanji for Sun in the middle of her forehead and Suki was a purple hair girl with purple clothes and she had the kanji for moon in the middle of her forehead.

Suki Eclipsa Rutherford: That was so awesome!

Sarah Eclipsa Rutherford: You bet it was sister!

Nico: It sure was!

Me: But it's awesome to meet you girls.

Sarah Eclipsa Rutherford: You too J.D.

Me: The Twins of the Sun and The Moon. That is so awesome.

Poromon: Hey, girls! Remember me and Poliwag?

Suki Eclipsa Rutherford: You bet we do!

Sarah Eclipsa Rutherford: It's awesome to see you two.

Nico: We've had lots of great things happen to us.

Maria (Digimon): They sure did.

Me: Long story on all of it.

Randy Cunningham: Yeah it sure was awesome.

Suki Eclipsa Rutherford: We saw your battles and they were really awesome.

Sarah Eclipsa Rutherford: They were so much fun to watch sister.

Laney: We're glad you liked them.

Eli: You girls are so much like Princess Celestia and Luna in every aspect because of your powers over the Sun and The Moon and the way you love each other like so.

Suki Eclipsa Rutherford: That is very true. And like Princess Luna I too am a dreamwalker.

Sarah Eclipsa Rutherford: And I too know all about the power of the sun and how to help out. And I have a great sweet tooth like Princess Celestia does.

Nico: Very coincidental.

Maria: Suki you didn't become like Nightmare Moon did you?

Suki Eclipsa Rutherford: Oh goodness no. I've heard so much about what she did and it was horrible. But no I am not like her.

Nico: That's good.

Randy: What's your favorite memories of Nico?

Sarah Eclipsa Rutherford: We have a lot of them but my favorite is when me and Nico entered an awesome Chicken Wing Cookoff and we made the most ever chicken wings in one sitting with over 50,000,000 flavors of them.

Suki Eclipsa Rutherford: And my favorite is when me and Nico took some death row inmates and they were the worst ever. We executed them in front of a massive angry mob.

Me: Wait I remember seeing that on TV. That was you and Nico?

Suki Eclipsa Rutherford: Yep that was us.

Nico: Yep.

Eli: Wow! That's so awesome.

Nico: Yep.

Nico hugged them both.

Nico: I've missed you both.

Eclipsa Rutherford Twins: We missed you too Nico.

We later went back home.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Mystery Inc and Young Mystery Inc, and Yae are heading to Idaho, and not only is Lincoln going to rescue the six girls here, but we got word that our old enemy, Revolta, has returned from the dead and she wants revenge on us for killing her long ago.

Lincoln: Wow, we're here in Idaho, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got word that our old enemy, Revolta, has returned from the dead and she wants revenge on us for killing her long ago.

Me: Should've known that six-armed spider witch wouldn't stay dead for much longer, but it'll be good to kick her butt once again.

Nico: But, this time, she's never coming back.

Winnie: That's for sure, Nico.

Sibella: Indeed, she's caused us enough trouble.

Phantasma: We're sending her back to where she belongs.

Tannis: This time, to The Black Gates.

Elsa Frankenteen: And we'll also do the same to her servant, The Grim Creeper.

Lincoln: That's just what I was thinking, and this also means if Revolta's returned, that also means that one-eyed overgrown creep has also come back. But, we'll also get rid of him as well. And I also want to thank you and Mystery Inc for joining us, Yae.

Yae: You're welcome, Lincoln.

Shaggy: Like, I thought we'd made sure Revolta kicked the bucket years ago, but she's like a bad rash.

Me: You bet she is, but we're going to make sure she never comes back again.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of six girls calling for help, along with the sound of maniacal laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Revolta and The Grim Creeper, and they're going to kill them.

Lincoln: Lincoln: Let's get over there at once, guys, I found the six girls, but they've been cornered by Revolta and The Grim Creeper, and they're going to kill them.

?: (Girl's voice) That maniacal witch, let's get her!

Suddenly, we saw the Duel Monster, Avida, Rebuilder of Worlds, appear before us.

Nico: That's Avida, Rebuilder of Worlds, so cool!

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Mandy Stark, but we'll talk later, we've got an evil witch to destroy.

We rushed over, and right before Revolta could claim her next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Revolta, and that allowed the six girls to get to safety inside a rainbow energy field created by Lincoln to protect them from

Revolta. When Revolta saw us, she was really pissed off when she saw us, especially when she saw me again.

Revolta: You!

Me: Should've known you'd come crawling back for more, Revolta.

Revolta: You won't be laughing for long. Grim Creeper, get rid of them!

Grim Creeper: With pleasure, Revolta.

But, before The Grim Creeper could attack, Shaggy suddenly cut him down, and he exploded into a mess of black flames which sent him to The Black Gates.

Nico: What the, but none of us said the trigger word, what's going on?

Lincoln: Oh boy, I think Shaggy and his persona when the trigger word is said have suddenly merged into one, and I also felt something else in him.

Me: Wait a second, does this mean that…?

Velma: That's exactly right, J.D., Shaggy's going to transform.

Shaggy: Like, yeah, that's right, and I've had it up to hear with you to last an eternity, Revolta.

Suddenly, Shaggy's eyes turned neon green and he was surrounded by a black and green energy aura with darkness, dark fire, dark lightning, and black dragons, and as he approached Revolta, he left black and green energy, dark fire, dark lightning, and black dragons with every step.

Shaggy: Like, you still disgust me even now, Revolta, what you did in kidnapping the Grimwood Girls and trying to turn them into your slaves to take over the monster world is inexcusable. But, now we're going to finally get rid of you for good, and this time, stay dead and gone for good.

Suddenly, Shaggy was surrounded by a massive vortex of black and green energy with darkness, dark fire, and dark lightning surrounding it, there's a black dragon and phoenix flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Shaggy emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Shaggy grew to 7'5" in height, he has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has green highlights in the bangs of his long sandy brown hair, but it turned dark brown, he has neon green eyes and a black and green energy aura with darkness, dark fire, dark lightning, and black dragons surrounding him, he has a black dragon with the Dark Kanji emblazoned on his forehead, he has on dragon earrings with green gems for eyes and holding the Dark and Eternity Kanjis in its claws, he has on his Crystal Necklace of The Buddha with green gems embedded on the black wisp links and green crystal links and a green dragon-shaped Element of Harmony and on the bottom of the Element of Harmony is a dragon with green gems for eyes and holding the Dark and Eternity Kanjis in its claws for the pendant, he has on a black vest, white long-sleeved dress shirt, black pants, knee-high black combat boots, and a long black coat with darkness on the coattails and on the back is a dark dragon with dark fire, darkness, and dark lightning around it. Suddenly, Shaggy felt a sharp pain on his now wider and more muscular back, and then, massive midnight black angel wings with green tips on the midnight black feathers, grew and sprouted out from his back, he has on a Ring of The Phoenix with green gem and heart-shaped gem embedded in it on his right ring finger and Yellow Lantern Ring on his left ring finger.

Suddenly, Shaggy's Sword of Mystery Inc and all of the swords he'd gotten began merging together, and they're surrounded by a kaleidoscope of black and green energy, black dragons, dark lightning, dark fire, and darkness, and when it finally emerged, it was transformed into Erebus' Eternal Night Dragon Greatsword of Dark Dragon Justice, it's a brand-new massive greatsword with the image of Erebus, the primordial Greek God of Darkness and a black dragon etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black dragon heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large black dragon heads with green gems for eyes and in the open mouths and on the bottom of the dragon heads is a large green gem for the pommel, he has on his new large gold cuff Bracelets of the Champions of The Universe with green gems on his wrists, his new large gold Belt of Elemental Bravery with large gold dragon head with green gems for eyes and a large green gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony and BlazeBlue holstered on his right hip and Eater of Sins revolver holstered on his left hip. Shaggy's transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY PRIMORDIAL DARKNESS DARK FEAR DRAGON ANGEL OF DIVINE PRIMORDIAL DARKNESS FEAR AND DIVINE DARKNESS JUSTICE!

We were amazed by Shaggy's Super Angel Xelnaga Eternity Infinity transformation, and when Crystal saw him, she had an atomic red blush on her face, hearts in her eyes, and steam whistling out of her ears, but when Revolta saw it, the witch went mad and she tried to attack, but Shaggy went after her and he ripped her second pair of arms and slashed her eyes out as she screamed in excruciating pain.

Me: WHOA! Shaggy's transformed into his Super Angel Xelnaga Eternity Infinity form, so awesome!

Nico: And he ripped out her second pair of arms and slashed her eyes out, that was brutal.

Shaggy: (Divine Echoing Cosmic Voice of The Primordial Darkness Dragon and Divine Primordial Dark Fear Dragon Justice) **And like, there's a lot more where that came from, Nico.**

Lincoln: Don't leave us out of the fun, Shaggy. Come on, gang, let's get her!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity

Then, Lincoln fired a blast of red energy and he sucked out and absorbed all of Revolta's dark magic and he rendered her completely weak, and that allowed Shaggy to finish her off by slicing off her head, and her head and headless corpse exploded into a mass of dark flames with incredible power, and her soul was erased by The Black Gates. We cheered wildly as we holster our weapons and power down, and Shaggy's new body, clothes, weapons, jewelry, and massive midnight black angel wings are permanent.

Me: That's it for Revolta, and this time, she's never coming back.

Lincoln: Yep, and Shaggy also transformed into his Super Angel Xelnaga Eternity Infinity form, that was really awesome!

Nico: You got that right, Linc, and what he did to Revolta and the Grim Creeper, I don't think anyone is going to call him a chicken ever again.

Shaggy: Like, I hope not, and that also goes for Red Herring if he tries to scare us again.

Rayman: I'll keep an eye out for him, if he tries anything like that.

Lincoln: That's a good idea, Rayman, and now, we're rid of that Spider Witch and her crony and this time for good. (To Mandy Stark) And it's so good to see you again, Mandy Stark.

Mandy Stark reverted back to normal, and she's a beautiful girl with long flowing orange hair, purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful orange angel wings, and she reigned in the power of Avida, Rebuilder of Worlds, and she's dressed in a sleeveless orange midriff top, orange gym shorts, brown knee-high boots with butterfly buckles, and long sleeveless orange trenchcoat with machines on the coattails, and Avida, Rebuilder of Worlds on the back, and holstered on her back is a large Avida, Rebuilder of Worlds-themed greatsword with Avida, Rebuilder of Worlds etched on the 7'0" massive, wide, double-edged orange blade, large orange angel wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and a large orange gem surrounded by angel wings for the pommel.

Mandy Stark: You too, Lincoln, it's been a long time.

Lincoln went up to Mandy Stark and they hugged, and Mandy Stark is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Mandy Stark: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Mandy Stark, she's my Guardian Angel from New York and my classmate in Science, she's also a capable technomancer and builder.

Me: Cool. Wait a second, did you say her last name is Stark, then that must mean…?

Lincoln: Yep, she's the cousin of Tony Stark A.K.A. Iron Man, and we also built our own Iron Man suits, and each have their own weapons and they actually have variable weapon systems like Mega Man.

My jaw dropped.

Nico: Holy crap, that's so awesome, and one day, you got to show us those Iron Man suits you guys made for yourselves.

Lincoln: Actually, you're going to get that chance to see it for yourself, Nico, and this one time, we both flew across the world just like Aladdin and Jasmine, and wound up seeing the fireworks in China, and while watching the fireworks, we kissed each other on the lips.

Nico: Only it wasn't on a magic carpet.

Lincoln: Yep, it was just us in our Iron Man suits, and she hates Lisa with a burning passion.

Me: Uh oh, what did Lisa do to earn the wrath of Tony Stark's cousin?

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Mandy Stark's neck with orange gems on the gold thunderbolt links and purple crystal links from her brand-new Crystal

Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Mandy Stark: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of my harem and one of my many future wives, Mandy.

Mandy Stark had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Mandy Stark's waist and Mandy Stark wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Yuki Morikawa, Rina Ogata, Mana Mizuki, Misaki Sawakura, and Yayoi Shinozuka from White Album, and Foo Fighters from Jojo's Bizarre Adventure.

Lincoln: Oh wow, it's Yuki Morikawa, Rina Ogata, Mana Mizuki, Misaki Sawakura, and Yayoi Shinozuka from White Album, and Foo Fighters from Jojo's Bizarre Adventure.

Nicole: Awesome.

Jolyne Kujo: It's been a long time since I last saw Foo Fighters.

Lincoln: You've made quite a lot of friends, Jolyne. And are you girls okay?

Yuki Morikawa: Yes, we're okay, thanks to you.

Then, when Yuki Morikawa and the other five girls saw who it was that saved them from Revolta and The Grim Creeper, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Yuki Morikawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Yuki Morikawa: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, sixThunderbird Necklaces of Eternal Love appeared on the necks of Yuki Morikawa, Rina Ogata, Mana Mizuki, Misaki Sawakura, Yayoi Shinozuka, and Foo Fighters with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone what happened, and they were shocked when they found out the villain we went after was Revolta, who'd returned from the dead to get revenge on us for killing her long ago.

But, when Lincoln showed what we all did to Revolta, such as Shaggy transforming and all of us really beating her up badly and Lincoln draining her of her dark magic and Shaggy delivering the final blow that caused her to get The Black Gates, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Mandy Stark have a lot of catching up to do, now that she's back in town. Finally, we were rid of that evil Spider Witch, Revolta, and she's never ever coming back again.

Maria: Sheesh, I thought we were finally rid of Revolta years ago.

Lincoln: She just won't learn her lesson, Maria, but now, she and the

Grim Creeper are gone for good and good riddance to them both.

Nico: You got that right, Linc.

* * *

After finally getting rid of Revolta and this time for good, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Mandy Stark saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Mandy Stark: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Mandy, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mandy Stark: That's incredible.

Nico: It sure is. So, Mandy, what's the story on why you hate Lisa with a burning passion?

Mandy Stark: You're so not going to like it one bit. One day, Lincoln and I were at my house and we were designing and building our Iron Man suits, and we were equipping them with variable weapon systems just like with Mega Man. But, then, Lincoln sensed something, and he fired an energy blast and it hit a spy bug. I analyzed the spy bug, and I found out the person who sent it was Lisa Loud, she was trying to spy on us and steal the Iron Man suits, so she can cause havoc and destruction and frame us. Lincoln was really mad at Lisa's heartless actions, and when I saw his eyes turn from deep sapphire blue to blood red and his vampire fangs grow longer and sharper, I knew Lisa's let the beast out again. We got into our finished Iron Man suits, and we went after Lisa, who was trying to get to us to steal the Iron Man suits and kill us, but we summoned our Mega Buster cannons and fired blasts of sticky goo at her, and she was stuck to the wall. Lincoln then fired a rose red energy blast and he trapped Lisa in a rose red orb. We then flew back to The Loud House with Lisa in tow, and when we'd shown Mr. and Mrs. Loud of what Lisa tried to do, they were furious, and they had Lisa grounded for fifteen weeks and she would be confined to the basement in an isolation cube and still inside that rose red orb Lincoln imprisoned her in.

We cheered wildly for what Mandy Stark and Lincoln did to Lisa.

Nico: Sheesh, even after her last attempt, Lisa still refused to learn her lesson.

Lincoln: Yep, and Nico, get ready to see our Iron Man suits. Mandy, if you would?

Mandy Stark: On it.

Mandy Stark summoned hers and Lincoln's Iron Man suits, but the color schemes are orange and gold, and the suits have their own weapons and variable weapons systems like with Mega Man, and they were so awesome.

Me: Wow.

Nico: That's some awesome work.

Edd: Indeed, and being Tony's cousin, you knew much about the Iron Man suit and you and Lincoln made your own, but equipped them with your own weapons and have variable weapons systems.

Lincoln: That's right.

Lincoln and Mandy Stark then transformed their Iron Man suits into watches that were put on their wrists.

Me: So cool.

Nico: That's really awesome.

We got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Diavolo, Trish Una's father, and the tyrannical crime lord of Passione.

Trish Una: Oh great, it's my crime lord father, Diavolo.

Lincoln: I remembered you telling me about this guy, Trish, and you told me he tried to kill you.

Trish Una: That's right, Lincoln.

Qin: A mob boss who tries to kill even his own daughter?! Lincoln, Trish, Foo Fighters, I only have this to say to you guys: rip that bastard's head off and have it impaled on a stake!

Lincoln had a smirk on his face and his deep sapphire eyes turned blood red and his vampire fangs got a little longer.

Nico: Uh oh, Qin, I think what you said caused the vampire in him to be let out.

Qin: Oops. Well, in any case, let's go.

Lincoln: Yeah, we've got a tyrannical crime boss to kill.

We flew out of The World Tree Estate, and Lincoln fired powerful rainbow energy balls and elemental forces at Diavolo, and it caught him off guard, and when he saw us, he was pissed, especially when he saw his daughter, Trish Una.

Trish Una: Hello, "Father".

Diavolo: You insolent little brat, I should've killed you long ago.

Lincoln: You are not laying one hand on her, Diavolo.

Trish Una: I swore that I would overcome the fate I inherited from you, and I'm not going to let you stop me. Plus, I'm going to be married to Lincoln in the future, but to make sure of that, you and your accursed organization must be destroyed her and now!

Suddenly, Trish Una and Foo Fighters' eyes turned neon, and they were surrounded by colored energy auras with elemental forces and mythological animals, and as they approached Diavolo, they left colored energy, elemental forces, and mythological animals with every step. Suddenly, Trish Una and Foo Fighters were surrounded by massive vortexes of colored energy with elemental forces surrounding the vortexes, there are mythological animals flying around the vortexes, and in the vortexes are colored phoenixes. Then, as the vortexes fade, Trish Una and Foo Fighters emerged, but they were changed forever.

Foo Fighters has transformed into SUPER ANGEL ETERNITY INFINITY GREEN MAELSTROM ANGEL OF DIVINE WATER STORM JUSTICE AND DIVINE OCEANIC WATER LOVE!

We were amazed by the Super Angel Eternity Infinity transformations of Trish Una and Foo Fighters, and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Diavolo saw them, he fell into a rage and summoned his Stand, King Crimson, to destroy them, but Lincoln summoned the Stands of Dio Brando and Enrico Pucci, and they seized King Crimson, and he was unable to attack, and Trish Una and Foo Fighters fired powerful energy blasts with fire and water and they hit Diavolo and he was burned and drowned, but he wasn't out yet.

Jolyne Kujo: Alright, Trish and Foo Fighters have transformed.

Lincoln: Now, we can put an end to Trish's ruthless and murderous gangster of a father.

Trish Una: (Divine Echoing Cosmic Voice of The Pink Firestorm Angel and Divine Pink Fire Love) That's right, Linky.

Foo Fighters: (Divine Echoing Cosmic Voice of The Ocean Maelstrom Angel and Divine Oceanic Love) And we'll make sure that Diavolo's organization will follow him to the grave. Shall we?

Lincoln: (Smiles) With pleasure, girls.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword

of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Trish Una and Foo Fighters.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) You don't deserve to live a single second further, Diavolo. For what you've done in trying to kill your own flesh and blood daughter along with the criminal activities of your organization, you deserve to die a slow and very painful death for your crimes.

Trish Una, Foo Fighters, and Lincoln went after Diavolo, and they fired powerful blasts of rainbow energy, pink energy, lime green, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Canaletto, and they exploded with incredible power as they hit him. Then, Trish summoned Spice Girl, and she, along with the Stands of Dio Brando and Enrico Pucci who're now the Stands of Lincoln, attacked King Crimson, while they attacked him with their massive greatswords and left nasty scars on him, and they were unable to be healed.

Then, Lincoln put Diavolo into a brutal bear hug, so he couldn't escape, and and he sank his fangs into his neck, and as he began drinking his blood, he was also absorbing him into his body, and he was also assimilating Diavolo's powers and abilities, and he's also put King Crimson under his control. Then, as soon as Lincoln was done drinking Diavolo's blood and absorbing him into his body, an energy card with the soul of Diavolo appeared in Lincoln's large left hand, and when the kanji on his forehead appeared, he was then sent to The Black Gates forever. We cheered wildly as we holster our weapons and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Trish Una and Foo Fighters are permanent.

Trish Una: Goodbye forever, "Father". Thank you for helping us destroy Diavolo for good, Linky.

Foo Fighters: Now, he will never return to threaten Trish's life again.

Lincoln: Lincoln: (Smiles Warmly) You're welcome, Trish Una and Foo Fighters.

Suddenly, Lincoln made a clone of himself, and Trish Una and Foo Fighters wrapped their arms around the thick muscular necks of Lincoln and his clone, as their chests and stomachs pressed against the massive and wide muscular pecs and eight-pack abs of Lincoln and his clone, which brought an atomic red blush to their face, and they wrapped their abnormally massive and powerful muscular arms around their waists, which took then by surprise and brought an atomic red blush to their faces. Then, as Lincoln and his clone leaned their faces down to the faces of Trish Una and Foo Fighters, they kissed passionately as Trish Una and Foo Fighters' left arms are still wrapped around the thick muscular necks of Lincoln and his clone, but they moved their right arms and right hands onto the massive and wide muscular right pec of Lincoln and his clone, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo across the field, along with flames raging and waves crashing right behind them, and we cheered wildly and they came back to us, and Lincoln's clone vanished.

Nico: Awesome, now we're rid of Diavolo for good.

Lincoln: Not quite yet, Nico, there's still the matter of his criminal organization to deal with. Time to put an end to them for good.

Lincoln concentrated and found their headquarters in Naples, Italy, and he also found the members of Passione were busy plotting their revenge as soon as word of Diavolo's death reached them. Then, a pair of deep sapphire blue eyes appeared in the room, and that caught the members of Passione off guard.

Lincoln: Members of the Passione Criminal Organization, I should've guessed that word of Diavolo's death reached you as soon as possible. But, I'll tell you this: your boss got what he deserved for all the criminal activities he and all of you have done, along with trying to kill his own daughter, Trish. Now, I've come to deliver this bit of news to all of you: as of this moment, The Passione Criminal Organization shall be brought to an end here and now, and all of you are hereby sentenced to death.

Suddenly, Lincoln's deep sapphire blue eyes glowed even more, and all of a sudden, each member of The Passione Criminal Organization began dying one by one, as their energy was being sucked out of their bodies along with their Stands and were being absorbed by Lincoln, and when he was done with absorbing their energy and Stands, the spirits of the Passione Criminal Organization appeared, and as soon as a kanji appeared on their foreheads, they were all banished to The Black Gates forever, and the deep sapphire blue orbs disappeared.

Nico: Whoa, now that was really awesome!

Me: You just killed all the members of The Passione Criminal Organization using the same trick I used on Xemnas and Eli used on Swartz.

Lincoln: Yep, but for this one, I sucked out and absorbed their energy, along with their Stands, and now, I've also added their Stands to the repertoire, and they'll be used for good instead of evil.

Eli: Good idea.

Lincoln: And I found out that Evil Sonata Dusk sent that mobster after us, so she's getting her just deserts later on today.

Nico: Should've known she was behind this.

We returned to the World Tree Estate, and we not only got rid of Diavolo, but we also got rid of the entire Passione criminal organization for good, and they'll never hurt anyone ever again.

---

Later the Mascots were watching TV and they saw a commercial for something.

Maria: Hey, Horsea. What are you and the others watching

Horsea: It's a commercial for an awesome energy drink we want to try.

Stewie Griffin: (On the TV) (SPEAKING FAST) Hi, Stewie Griffin here with my latest creation: Kaijura Energy Drink! What is it? I don't know but it's free from this truck that stopped outside your work, mix it with booze! Ever been wide awake blacked out? Ever try to jump over a train on a bike? Ever bit the beak off a bird? Kaijura Energy! Put it in your body and ask questions later. It's red, so it's nature!

Nico: Stewie on TV.

Me: But for an energy drink.

Stewie: Yeah I'm trying to get some money in for work.

Trina Liechtensteinischen: I don't think trying that is a good idea.

Stewie: (Sighs) They already saw my commercial, Trina. Best thing to do is step back as the inevitable chaos ensues.

Trina Liechtensteinischen: Oh boy.

---

French Narrator: (French Accent) 45 minutes later.

---

The mascots came back from the store and they were guzzling down Kaijura Energy and then…

The caffeine and energy hits them almost immediately, and the mascots take off like a rocket into the sky.

Ed: LOOK AT THEM GO GUYS!

THEY WERE BOUNCING OFF THE WALLS LIKE BULLETS FIRED FROM A GUN!

Poromon: WOOHOO! GREAT DRINKS!

Poliwag: (BOING BOING BOING BOING BOING BOING BOING!)

PINBALL BUMPER NOISES!

Ravage: This is even more hectic then when Poliwag had Red Bull!

Me: YOU'RE NOT KIDDING!

I went and looked at one of the cans.

Me: What is in this stuff?

I looked at the nutrition facts.

Me: 10,000% Niacin!? WHOA! Burst into hot flashes with this. 1,000% Caffeine!? Holy crap! That's like the equivalent of 5,000 cups of coffee! This is more than just a drink that will make you bounce off the walls like a bullet fired from a gun, this is a drink that makes you move faster than a freight train plowing through a million mountains!

Nico: That is intense!

Me: But it says here it wears off in about 30 minutes.

Nico: How long has it been?

Me: (Looks at my watch) 25 Minutes.

Eli: At least it doesn't last long.

Punch: Alright, you 4 have had enough!

Me: It'll wear off in 3… 2… 1…

Then the mascots got a massive headache and their eyes were bloodshot and tired and they were really sleepy.

Poromon: (GROANS) What a headache!

Poliwag: (Groans) Please don't speak so loud. My head is thumping.

Horsea: I feel like I went through the Super Speed Cider Squeezy 6000 times 700.

Manaphy: (Groans) What a headache.

Qin: Lets get you for to bed for a nap.

Manaphy: Good idea.

We went and put them in their rooms.

---

French Narrator: 2 hours later

---

Azula: (sees the mascots coming down) Hey, guys. How was your nap?

Poromon: It was great.

Manaphy: Man That was a rush.

Me: Well we'll have to keep these energy drinks as a battle secret weapon just in case.

Pinkie Pie: It was amazing that you were that fast like that.

Nico: Yep.

But then…

ALARM BLARES!

BOING BOING BOING BOING BOING BOING BOING!

Nico: Oh history instability alert. Lets get to the satellite.

Me: I hope it's not a figure making people running naked again!

We went to the satellite.

At the computer, Larry was pulling up the mission. It showed the picture of William H. Bonney in the year 1877.

Larry 3000: William H. Bonney?

Me: I know him!

Otto Osworth: That's Billy the Kid!

Tuddrussel: He was one of the most famous outlaws of the American Southwest and one of the most feared outlaws of the American West during the 1800s.

Nico: Wow Tuddrussel that was impressive.

Tuddrussel: I've actually known about that Nico. And Billy was already a fugitive by the age of twelve and was lefthanded.

King Hiss: Can me, Calamitous, Vypra, Vexen, Firefly, Bane, Leonard, Hydro Man, Shiv, King Hiss, and Webstor go with you guys?

Darcy: Me, Boss Wolf, Evil Heat Man, Gypsy Moth, Lipstick Monster, Superfriends Giganta, Ape Man, Rambling Ghost, Nightstrike, and Ayatoriko can come too if you want.

Nico: Yes you all can come with.

Vypra: So we're going to the Old West this time.

Laney: Yep.

Nico: We're going to have fun in this one.

RD Leni: Nico, which Gene Slammer do you think you'll totes meet next?

Nico: Hmm. How about one for a Mega Rapidash next.

Me: Ooh! This is gonna be awesome.

Qin: Yeah that one looks like an Alicorn.

Lola: It sure does.

Nico: Lets get a move on guys.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Evil Sonata Dusk, and she's absolutely furious that Revolta and Diavolo have been destroyed by us and and sent to The Black Gates for good, and now, she's heading here to kill us and get her revenge. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Evil Sonata Dusk on the move?

Lincoln: You guessed it, Nico, and she's absolutely furious that Revolta and Diavolo have been destroyed by us and and sent to The Black Gates for good, and now, she's heading here to kill us and get her revenge.

Sonata Dusk: She made a big mistake bringing those two back from the dead and sending them after us, and now, we're going to destroy them for good.

Cye: You said it, Sonata Dusk.

Sonata Rexxington: But, now that Revolta, Diavolo, and the entire Passione criminal organization are in The Black Gates forever, now my evil namesake's finally on the move, and we're going to make her pay for her crimes.

Nico: Yeah, she deserves to die for her crimes. Alright, gang, let's go, time to meet up with The Time Squad.

Lincoln: Looks like we've got one last Time Crisis to fix, and once we fix this Time Crisis, you better be ready for later on, Evil Sonata Dusk.

Sonata Rexxington, Sonata Dusk, Cye, and Lincoln: The Champions of Selflessness will make you pay for your crimes in full, you evil monster.

Me: Yeah!

Nico: That evil siren deserves to pay, and you guys will be the ones to do so.

Adagio Dazzle: Finally, we're going to be rid of The Evil Dazzlings for good.

Adagio Nicholette: You said it.

Sage: Same here.

Aria Blaze: Say, do you think Adagio Dazzle, Adagio Nicholette, Sage, myself, Aria Remmington, and Kento can join you guys in this final fight?

Cye: Of course.

Sonata Dusk: Yeah, if we're going to get rid of Evil Sonata Dusk, you and Aria Blaze, along with Sage, Kento, Adagio Nicholette, and Aria Remmington should also join in as well.

Me: Whoa, it's going to be a ten-against-one fight!

Nico: This is going to be a brutal one.

We were off.

NEW MEXICO - 1877

We arrived.

Nico: Here we are guys.

Vypra: (to the Masters of Evil members with her) Keep an eye out for anything suspicious.

They nodded.

Me: But it's amazing out here.

Laney: It sure is.

We went into town.

Commander Mars: It's always nice to be in the Old West.

Nico: It sure is. No cowboy talk this time J.D.?

Me: Nah. Not in the mood.

Nico: Oh.

Evil Heat Man: See anything unusual?

Webstor: Not really.

Lipstick Monster: Maybe it was a false alarm.

?: All right everyone! This here's a stickup!

We heard it coming from the bank!

Billy the Kid: That's right everyone! I'm Billy the Kid!

We looked into the bank and everyone started laughing as they saw Billy the Kid in a DIAPER, WITH A BIB AND BINKY!? WHAT THE FUCK!?

They made Billy the Kid into a total laughingstock!

Power Girl: Anyone else seeing this right now?

We nodded.

He was then crying like a baby. Literally.

Wendy Sapphira: He went from outlaw to a big baby.

Vexen: This is very disturbing.

Ape Man: I'm not laughing at this at all!

Nico: Me neither!

We went into the bank!

Nico: ALL RIGHT SHUT THE FUCK UP!

Everyone saw us.

Nico: Who do you fucking douchebags think you are!? This is not just a baby here! This is Billy the Kid!

Man: (Taunt) More like Billy the…

POW!

I punched him in the face!

Me: You shut up!

Jungle Fury Camille: He's Billy the Kid, not Billy the Baby!

Me: Yeah you dirtfuckers! He is the most ruthless outlaw ever! And you all should be afraid of him!

Eli: Yeah!

Man 2: You are standing up for this loser wannabe!?

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPP!

Eli electrocuted the man with Force Lightning!

Eli: You be quiet! And don't talk till we're finished!

Nadira: And Takeru uses his Eyecon occasionally.

Nico: That's right!

Me: Yeah! Billy you are not Billy The Baby, you are Billy The Kid the Outlaw!

Firefly: Now, we need to have a discussion about this.

Nightstrike: In somewhere more comfortable.

Billy the Kid: We can go to the saloon.

We agreed and went to the saloon and had sarsaparilla and drinks.

Taylor: Nothing like drinking in a saloon.

Me: You got that right.

I drank some sarsaparilla.

Me: Ahh.

Nico: Billy sorry about what those people said about you.

Billy the Kid: I'll be all right.

Bane: (Spanish Accent Now, who put you up to this?

Rambling Ghost: Was it someone from our time?

Billy the Kid: Actually, no. It was another cowboy.

Me: Who was it?

Billy the Kid: It was a man that didn't have a name.

We gasped!

Me: That can't be!

Nico: The Man With No Name!?

Eli: Whoa! Clint Eastwood's Iconic role!

Slugslinger: Care to tell us who The Man With No Name is?

Me: Slugslinger he doesn't have a name. Why do you think he is called that? He'a nameless vagabond.

Nico: Yeah he's an iconic legend in the movies A Fistful of Dollars, For A Few Dollars More and The Good, The Bad and The Ugly from in the 1960s.

Slugslinger: Oh right.

Shiv: I think he put you up to this to get our attention.

Superfriends Giganta: But why?

Nico: I think I know. To kill us and collect bounties on our heads. Remember the bounty the Red Guy put on our heads when we were on the planet Valmorg and stopped his convention?

Me: I do.

Eli: Yeah.

Camie: That bounty is a good one. He would be set forever with that money.

Ratbat: But he's going into the Book of Vile Darkness.

Me: Yeah and he can go into the M.O.E. later on. He is an iconic legend in the Western movies.

Laney: Yeah.

Tsuyu: But this will be good.

Sirius: I hope J.D. faces him. It'll be awesome to see who has the faster draw.

Me: To tell you the truth, I've always wanted to have a showdown with someone as fast as Clint Eastwood.

Nico: You can do it J.D.

Me: Then this looks like a job for…

I got up and spun around and I donned my Cowboy outfit!

(THE GOOD THE BAD AND THE UGLY THEME PLAYS)

Me: (Cowboy Talk) James Dean Knudson, Sheriff of The Phoenix!

Nico: YEAH!

Hydro Man: First things first, Billy.

Gypsy Moth: Put on some proper cowboy clothes!

I gave him new Cowboy Clothes and he went and changed into them and he came out and was better.

Billy The Kid: Now this is better.

Nico: Much better.

We went outside.

Terrorsaur: Entrance time!

Nico: We'll wait till he faces J.D. and he blasts his gun out of his hand.

They waited.

I waited and tumbleweeds came by.

?: James Dean Knudson!

Me: Not very nice to sneak up on me ya hear.

I looked behind me and saw The Man With No Name!

Man With No Name: Now I'm going to get the bounty on you.

Me: If I may ask so kindly who was it that was sending all these enemies that we know from over the years to come and get us?

Man With No Name: Well if you're curious, I'll tell you. The Church of Necrom made a last minute contingency plan before the big war you have in a couple of days. They brought back some of your old enemies to try and kill you and mess with history to get you all riled up.

Me: I see. Well then. Thanks for the info very kindly. Now shall we do this showdown?

(THE GOOD THE BAD AND THE UGLY THEME PLAYS)

We stood ready and it was awesome. I was ready.

He went for his gun and then fast as lightning I drew my gun and then…

BANG!

I Blasted his gun out of his hands!

(SCREAM) THE CHURCH OF NECROM - THE UGLY!

(DEEP FLUTE) THE MAN WITH NO NAME - THE BAD!

(WHISTLE) J.D. KNUDSON - THE GOOD!

Then the spirits of the Loud Sister Elements appeared and swirled around him and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then a phoenix cry was heard and we came out.

Nico: Nice shooting J.D.

Me: Thank ya.

Eli: So it was all a backup contingency plan!

Nicholette: Those monsters! Damn that Damien!

Leonard: Can you remind us what exactly we did to you?

Man With No Name: Oh, it's nothing really personal. Especially since unlike the others, I haven't fought you all yet. But the simple truth is, if a man's a man, he honors his responsibilities. And you all are one of mine.

Boss Wolf: (to Yost Spiderman) Didn't the Shocker of your world say something similar to you?

Yost Spiderman: Yep. Those words actually helped me in the long run.

Nico: I see.

Then Evil Xion, Evil Roxas, Larxene, Marluxia, Evil Luxord, Demyx, Axel, Saix, Zexion, Lexaeus, Vexen, Xaldin, Xigbar, Wrecking Crew, U,Foes, Dark Turtles, Zeru, Wolfman (Gaggle of Galloping Ghosts), Evil Aqua Man, Supreme King Jaden, Evil Orbit Woman, Laughing Ghosts, Roller Ghoster, Evil Vesper Woman, Judge, and Scirocco Mole appeared.

Me: Those monsters just continue to fuck around with us even in death!

Qin: Yeah!

Saix: (to Nico) We heard you fought the Roachmon Brothers.

Nico: We sure did.

Xigbar: Nice job using my Ridewatch by the way.

?: Wow that is awesome.

Then a figure came out and it was JUJU from episode 46 of Gokaiger!

---

He was personally picked out by Insarn for a mission due to the Zangyack reinforcements not set to appear for some time. He targeted nearby people, but could be sensed by Ninjaman, who was in a training session with Don, Ahim, and Gai. Ninjaman manages to track his location, but he attacks the Gokaigers with a duo of Sugormin before targeting Gokai Green and Silver. He couldn't target any more due to Gokai Red, yet he retreats believing that was enough. Having found a hide out, he begins the ritual to enhance the corruption in humans. He manages to do it to Doc and Gai, during a meal on the Gokai Galleon which causes a ruckus.

While Ninjaman and Ahim find the infighting Doc and Gai, Juju's crystals were found out by the others when Navi analyses it on a Gokai Saber,allowing them to find his hideout and confront him. He sicks his Gormin on them while Gokai Yellow reveals they intend to destroy the crystal ball. But he swallows it whole to keep his spell from being broken. Meanwhile, Ahim uses her words to get Gai and Doc to regain control of themselves and undo the spell placed on them, allowing all three and Ninjaman to come to the aid of the others as they're being overwhelmed by Juju. While Gokai Silver handles the Sugormin duo that Juju summoned, the other Gokaigers assume the form of the Kakurangers and and, alongside Ninjaman take on the Gormin forces. As Gokai Silver ends the Sugormin with Gold Mode, the other Gokaigers then destroy Juju with the Gokai Galleon Buster's Red Charge Rising Strike, which in turn shatters the digested crystal ball to restore his other targets to normal.

After growing through the Gigant Horse's enlarger beams, Juju uses teleportation to sneak attack GokaiOh and GoZyuJin, even after the former becomes Deka GokaiOh. Ninjaman grants them the access to the Kakurangers' Greater Power, which turns out to be Ninjaman himself enlarged. With Ninjaman weakening him, Kanzen GokaiOh is formed to finish him off with the Gokai Kanzen Burst while Basco and Sally watch from afar.

---

Eli: Juju! I remember you! You were sent to go after certain people and Ninjaman stopped you!

Juju: That's right. Sharp Memory.

Nico: Yep.

Juju: Too bad I wasn't adapted in America.

William: I know. That would've been a great Alien Ranger tribute episode.

Me: You got that right. What a ripoff.

Laney: Yeah.

We got the battles underway.

17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Mandy, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mandy Stark: That's incredible.

Nico: It sure is. So, Mandy, what's the story on why you hate Lisa with a burning passion?

Mandy Stark: You're so not going to like it one bit. One day, Lincoln and I were at my house and we were designing and building our Iron Man suits, and we were equipping them with variable weapon systems just like with Mega Man. But, then, Lincoln sensed something, and he fired an energy blast and it hit a spy bug. I analyzed the spy bug, and I found out the person who sent it was Lisa Loud, she was trying to spy on us and steal the Iron Man suits, so she can cause havoc and destruction and frame us. Lincoln was really mad at Lisa's heartless actions, and when I saw his eyes turn from deep sapphire blue to blood red and his vampire fangs grow longer and sharper, I knew Lisa's let the beast out again. We got into our finished Iron Man suits, and we went after Lisa, who was trying to get to us to steal the Iron Man suits and kill us, but we summoned our Mega Buster cannons and fired blasts of sticky goo at her, and she was stuck to the wall. Lincoln then fired a rose red energy blast and he trapped Lisa in a rose red orb. We then flew back to The Loud House with Lisa in tow, and when we'd shown Mr. and Mrs. Loud of what Lisa tried to do, they were furious, and they had Lisa grounded for fifteen weeks and she would be confined to the basement in an isolation cube and still inside that rose red orb Lincoln imprisoned her in.

We cheered wildly for what Mandy Stark and Lincoln did to Lisa.

Nico: Sheesh, even after her last attempt, Lisa still refused to learn her lesson.

Lincoln: Yep, and Nico, get ready to see our Iron Man suits. Mandy, if you would?

Mandy Stark: On it.

Mandy Stark summoned hers and Lincoln's Iron Man suits, but the color schemes are orange and gold, and the suits have their own weapons and variable weapons systems like with Mega Man, and they were so awesome.

Me: Wow.

Nico: That's some awesome work.

Edd: Indeed, and being Tony's cousin, you knew much about the Iron Man suit and you and Lincoln made your own, but equipped them with your own weapons and have variable weapons systems.

Lincoln: That's right.

Me: So cool.

Sonata Rexxington: So, that's…?

Evil Sonata Dusk: You've ruined my plan to finally destroy you all, you destroyed Revolta and Diavolo, but I should've known those fools wouldn't be able to do the job right. Now, I will destroy you all and have my revenge!

Lincoln: (Smirks and shows her necklace) Looking for this?

Sonata Dusk has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY CELESTIAL MUSIC COURTESY ALICORN ANGEL OF DIVINE LIGHT SONG SELFLESSNESS AND DIVINE SIREN MUSIC LOVE!

We were amazed by Sonata Dusk's Super Angel-Alicorn Eternity Infinity transformation, and when Cye saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Evil Sonata Dusk saw it, she transformed into her Siren form and tried to attack Sonata Dusk, but Sonata Dusk dodged Evil Sonata Dusk and fired a powerful purple and light blue energy blast, and it hits Evil Sonata Dusk and sent her flying into a wall, but she's not out yet.

Nico: Alright, now Sonata Dusk's transformed!

Sonata Dusk: (Divine Echoing Cosmic Voice of The Musical Selflessness Alicorn and Divine Music Light Justice) **And now, it's time to put an end to you for good, Evil Sonata Dusk.**

Cye: That monster's going to pay for what she's done.

Lincoln: Yeah.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and Cye unsheathed his katana and they joined Aria Blaze and Aria Remmington. Aria Blaze, Adagio Dazzle, Adagio Nicholette, and Aria Remmington transformed into their Super Angel-Alicorn Eternity Infinity forms, and Sage and Kento unsheathed their katanas and they joined Sonata Rexxington, Sonata Dusk, Lincoln, and Cye.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You've terrorized the innocent ponies and lands of Equestria for far too long, Evil Sonata Dusk, and now, you will pay for every last one of your crimes.**

Sonata Rexxington, Sonata Dusk, Lincoln, Cye, Adagio Dazzle, Sage, Adagio Nicholette, Aria Blaze, Kento, and Aria Remmington went after Evil Sonata Dusk, and they fired powerful blasts of rainbow energy, purple and sea foam green energy, purple and gold energy, purple and light blue, music notes, light, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Evil Sonata Dusk, and they exploded with incredible power as they hit her, and she was being burned by The Magic of Friendship. Then, they attacked her with their massive greatswords and katanas and they left painful scars on her, and because of the purity of the attacks, it burned her badly, and the wounds she suffered would never heal.

Cye, Sage, and Kento attacked Evil Sonata Dusk with his katana, and they left nasty scars on her. Then, Lincoln flew at Evil Sonata Dusk, and he slammed her into the ground, and with his vampire fangs now longer and sharper than ever, Lincoln sank his fangs deep and hard into Evil Sonata Dusk's neck, and she screamed in excruciating pain, but the pain was just beginning. Suddenly, Lincoln began sucking out and draining all of Evil Sonata Dusk's powers and really immense strength, as Lincoln's rainbow energy aura was flaring up extremely and he was suddenly gaining a massive power boost, and Evil Sonata Dusk was getting weaker and weaker and weaker still. Finally, Evil Sonata Dusk turns back to normal and she was eventually weakened to such a degree, she couldn't even stand, as Lincoln unlatched his vampire fangs which were covered in blood from Evil Sonata Dusk's neck and he let out an extremely loud and animalistic roar that shook the ground itself.

Me: WHOA!

Nico: HOLY CRUD!

Then, Lincoln grabbed Evil Sonata Dusk by the neck with his large left hand and tossed her into the air with his really immense and brute superhuman strength, and this allowed Sonata Rexxington, Sonata Dusk, Lincoln, and Cye to finish her off by firing massive energy beams and as they hit Evil Sonata Dusk they exploded with incredible power, killing her for good. We cheered wildly for what Sonata Rexxington, Sonata Dusk, Lincoln, Adagio Dazzle, Adagio Nicholette, Aria Blaze, Aria Remmington, Cye, Sage, and Kento did to Evil Sonata Dusk as they holster their massive greatswords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Sonata Rexxington and Aria Blaze are permanent. Cye went up to Sonata Dusk, and they kissed passionately and we cheered.

Then, as Evil Sonata Dusk's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and Evil Sonata Dusk's spirit as surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of his crimes, and the energy images of The Mane 12 aimed their horns at Evil Sonata Dusk and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Evil Sonata Dusk.

Lincoln: Evil Sonata Dusk, for the crimes that you committed against everyone in Equestria, you've been found guilty, and the punishment for your crimes is death.

This horrified Evil Sonata Dusk as she soon saw her days of chaos and havoc are about to come to an end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Evil Sonata Dusk's spirit, they exploded with incredible power and her evil spirit was condemned to The Black Gates, and she was fading away.

Evil Sonata Dusk: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

Evil Sonata Dusk's spirit was erased from existence by the spirits of all those she's hurt, and she'll never return to hurt anyone again. THE DARK SONG OF EVIL SONATA DUSK HAS FINALLY BEEN BROUGHT TO AN END FOR GOOD!

Nico: Now, that's what I call an awesome battle between The Warriors of Justice, Courtesy, and Selflessness and The Siren of Evil.

Me: You said it, nice job, guys.

Lincoln: Thanks, J.D.

Nico: That's all five time travelling missions done, and we've also gotten rid of Evil Sonata Dusk.

Lincoln: Which means, the next member of The Doomsday 23 to take down and destroy tomorrow is the tyrannical King Diomedes.

Swift Foot: I should've known my tyrannical ex-father would be the next one to show up tomorrow, but we'll all be ready for him.

Gaea Noreninko: Yes, we'll bring that evil tyrant down and make him pay for all his crimes in full.

Swift Foot: Yeah, that'll be left to the three of us: you, me, and Lincoln.

Suddenly, Evil Sonata Dusk's red jewel necklace went to Sonata Rexxington's necklace and it turned into a choker and was now on Sonata Rexxington's neck.

Sonata Dusk: Wow, that's really awesome.

Sonata Rexxington: It sure is.

Eli: Say, Lincoln, which Gene-Slammer are you hoping to see on your rescue tomorrow?

Lincoln: Hmm, oh, I have a good one: how about a Gene-Slammer for Tamara, the good dragon goddess of life, light, mercy, and forgiveness?

Nico: Say, that's a good one, and since Allora Faluzure is the incarnation of Faluzure, your Guardian Angel will be the incarnation of Tamara, and has the powers of absolute healing and light magic, and possesses all of Tamara's incredible power and is even immortal, and has all the powers of Tamara herself thru the transfusion of Tamara's blood.

Lincoln: Yep.

Allora Faluzure: I never thought there would be an incarnation of Tamara, but then again, I became the incarnation of Faluzure, so that's a big possibility.

Nico: You got that right, Allora.

Zexion: Is it possible to cash in the bounty on ourselves?

Xaldin: It might be possible.

Piledriver: We could still use the cash.

Bulldozer: More can't hurt.

Me: Yeah we can.

X Ray: But either way, the Man With No Name is defeated.

Ironclad: And in the Book of Vile Darkness.

Dark Leo: We need to use that more often.

Dark Don: Now, let's celebrate at the Saloon!

We cheered!

Me: This was an awesome mission though.

Nico: It sure was.

Otto Osworth: But it was worth it! Mission Accomplished.

Nico: Yep.

Applejack: YEEHAW! (To the viewers) We had a great time battling a legend here. And we got Billy the Kid back to being a good outlaw.

Nico: Yep. Great job today everyone! Lets head home after we party.

We went to the saloon and drank some drinks and then later went home and enjoyed the rest of the day and went to sleep.

THE END

Nico: I always love coming to New York City. It's so awesome.

Me: It sure is and they don't call it The City that Never Sleeps for Nothing.

Maria: No they sure don't.

Zipp Storm: It's so awesome here.

Nicole: You got that right.

Me: Nicole are you feeling better after thrashing Lysandre 2 days ago?

Nicole Knudson: I sure am dad.

Qin: Good.

Girl Jordan: So what is the reason we're here?

Nico: Well you guys are going to love this. We're going to thrash Bully Peter here. I got word from Black Cat who is in the area that Bully Peter is here and I've been wanting to bring that douchebag down a huge number of pegs.

Spiderman: It's weird that we're facing the evil version of me from the Spiderman 3 movies. But yeah I'm glad we're going to take down that monster here.

Laney: Boy me too!

Eli: Yeah what a monster.

Camie: It's hard to imagine that the Venom Symbiote would turn him into an absolute monster.

Me: Just like in the comic books and the movies.

Varie: Yeah.

Gaz: But I'm always up for fighting that buttfaced freak. (To Spiderman) No offense.

Spiderman: None taken.

Nico: Thanks for coming with me, Gaz.

Gaz: No problem Nico.

Brittney: Gaz has been wanting to get some action in for a long time on one of your rescues even though she is already with us.

Nico: That's true.

Shannon: You know funny thing is when I was in the Black Daffodil's I too was once known as Gaz.

Me: I remember that! That was nuts.

Nico: Gaz, you might look like you hate things. But deep down, you're a good person.

Gaz: Yeah I do. I'm just conflicted with my own dark nature.

Qin: That's all right Gaz.

Laney: Yeah.

Brittney: We goths may be the masters over the forces of darkness and despise everything with malice but we have good inside us.

Nico: That's true.

Camie: Wow.

Nico: If there's anyone who hates things, it's Ms. Bitterns.

Me: Yeah. Ms. Bitterns belongs in an asylum for the looney.

Qin: You got that right. That old freak is a bitter old crow.

Camie: Yeah no kidding. I've heard all about her and how mean she is.

Laney: Yeah she hates EVERYTHING and hates the entire world.

Lola: Good thing we sent her to the Saturn Insane Asylum.

Lana: Yeah no kidding.

Tsuyu: She deserves to be locked up there for the rest of her days.

Nico: Well said Tsuyu.

Me: Yeah. But yesterdays mission was great.

Nico: It was fun fighting the Man with No Name.

Me: It sure was. And it was awesome that I got to come out on top of him instead of him doing it.

Nico: Yeah it sure was. You now have the fastest draw in the old west.

Sirius: Ain't that the truth.

Waspinator: Waspinator very proud of J.D.

Nico: We all are Waspinator.

Xenia: I thought that was so awesome.

Me: And we found out that all these villains coming back and affecting the timelines were all part of a last minute contingency plan of the Church of Necrom.

Brittney: Boy those monsters just refuse to stay dead!

Nico: Thankfully, this should be the last of their contingency plans.

Me: Lets hope so. I've had enough of those fucking assholes to last till the end of the universe and beyond.

Eli: We all have.

Nico: Yeah no kidding.

Anna Anyanova: Yeah it's hard to imagine they were that evil.

Nicholette Torrington: You're not kidding there Anna. What the Church of Necrom did all over America makes the worst massacres all over the world look like child's play.

Nico: No shit there.

Eli: Those monsters.

Qin: Yeah.

Me: And the missions of the Champions of Harmony and the Guardians of Harmony are almost complete.

Eli: Yep. We just have 3 more villains to destroy before we take down Evil Starlight Glimmer during the War.

Qin: We sure do.

Laney: And all of Equestria's major enemies will be nothing more than forgotten memories.

Nico: It's amazing how we all took them down so easily. Your training has really been very fruitful for them J.D.

Me: I'm really glad its all paid off so far.

Qin: Who do we have left?

Me: We have Gaea Noreninko and she is going to destroy King Diomedes, Swift Foot's tyrannical father, Lauren Cunningham and she is going to destroy that evil monster of Juniper Montage and lastly is Juniper Celestia and she is going to destroy an evil version of Daybreaker.

Qin: Wow! And it all leads up to the big one.

Camie: Yep. The Great Equalist War.

Nico: Yeah. Starlight what was your motivation for inventing the Equalists?

Starlight Glimmer: I was left alone after Sunburst got his Cutie Mark. I blamed Cutie Marks for it all and I wanted to make a village where everyone is equal. But all I did was make it worse.

Nico: Well at least Twilight and everyone helped you out and got you to relinquish your evil ways.

Starlight Glimmer: Yeah thank goodness.

Nico: That's good.

Lola: Yeah.

Nico: And I have good news. I've confirmed that among us, Kuruwa the Jorōgumo, Lauren Delaney, Rebecca Madison, Emma Langley, Live Action Hound, Cathy Russo, Emily LeRue, Takato, Sumire, Kameo, Rinoa Heartilly, Miku Yuuki, Ice Man the Robot Master, Blizzard Man, Delia, Belladonna, Charge Man, Shiho, Cut Man, Helen Wheels, Yumi from Blazblue, Cindy Richards, Akame, Chloe Yoriyama, Layla Heartfilia, Lisanna Strauss, Cora Yenningway, Misaka Mikoto, Kokua, and Gari will be backup core members.

Me: Awesome! But Nico, Lucy's mother Layla is dead.

Nico: You can resurrect her though.

Me: That will be a big surprise for Lucy after I show everyone the next Robot Chicken Sketch that I'm going to show you all.

Nico: Awesome!

Miku Yuuki: But it's going to be an honor to be included in this.

Me: It sure is. But also we haven't recruited Belladonna from Ah! My Goddess yet.

Qin: Yeah.

Nico: We can always do that next rescue.

Me: That's true. We can.

Qin: Yeah. Many of those heroes you said we haven't recruited yet.

Nico: Yep and we can recruit them as we go on some rescues.

We were walking through Central Park and it was as beautiful as ever.

Qin: Central Park is always so beautiful.

Laney: Yeah it sure is.

Eli: Wait I sense something. There's something behind that tree there.

Me: Hmm.

I saw that it was Bully Peter!

Me: There he is.

Nico: Hmm. I got an idea. (Activates Yost Electro's Ridewatch) What a shocking development.

Nico touched the ground and channelled lightning and it went to the tree and blasted it apart and sent Bully Peter flying toward us and Nico punched him in the face and smashed him down!

Nico: Nice of you to drop in Peter!

Bully Maguire: Sorry I'm late. It's a jungle out there.

Nico: Central Park is a jungle. But it's not as big as one or is as dense.

Me: The black jacket looks nice on you. Buy it at nice store?

Bully Maguire: Very funny.

Spiderman: I can't believe this is what I turned into when I was taken over by the Venom Symbiote.

Peter took off his mask.

Spiderman: This is not who I am. I would never hurt people with such a ruthless fashion.

Bully Maguire: I missed the part where that's my problem.

Nico: The problem is that you are a hero and protect those that care about you.

Qin: Yeah! You are not a bully Peter!

Nico: Because this is not something that your Uncle Ben would have wanted.

Bully Maguire smirked.

Kaito: Look at you all smug. At least say you hate us. Negative Emotions are what make us stronger!

Bully Maguire: You'll get your negative emotions when you FIX THIS DAMN DOOR!

Zocks: (laughs) Well, he's angry. That's on the right track.

Kaito and Zocks: Zenkaiju Gear!

Kaito and Zocks donned their Zenkaiju Powers.

Me: But you are not immune to this.

I then clapped my hands together and released a powerful sonic boom blast and it hit Bully Maguire he screamed in agony as the Symbiote roared in pain with him!

Bully Maguire: I'm gonna put some dirt in your eye.

Me: You mean like this?

I picked up a scoop of dirt and teleported and smashed it into Bully Maguire's eye and he screamed in pain!

Qin: Nice one!

Bully Maguire: I'll gouge your eyes out!

I teleported back.

Sougo: (gets out Zi O II Ridewatch) Not gonna happen!

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Geiz Revive Ridewatch) Instead, we'll give YOU a black eye!

Re-vi-i-ve Goretsu~! Goretsu!

Sougo became Zi O II while Geiz became Geiz Revive Goretsu.

Nico: That we can do!

Nico went Super Saiyan and teleported and punched Bully Maguire in his face and he got a really NASTY BLACK EYE!

Camie: Nice shiner.

Maria: Don't do this, Peter. We really don't want to kill ANY version of Spider Man.

Bully Maguire: You should have thought of that earlier. Instead of going after me, you should've gone after an Evil Sasuke or helpless mugger. Now, any last words?

Nico: You know what? I got two words for you! (smirks) Dance fight!

Nico fired a barrage of energy lasers at Bully Maguire's feet and made him dance like a sissy girl.

Nico: Dance Peter Dance!

He was dancing crazily and we were laughing hysterically at him!

Bully Maguire: No more fooling around!

Drive That Funky Soul started playing as Bully Maguire started dancing.

Nico: Like I said: Dance fight! (starts dancing as well)

Nico danced to the beat and punched and pulverized him with punches and kicked and punched him more all over.

Me: YEAH! DANCE! Wait! I got an idea. Camie, you will like this. I learned this one from the Dee Dee Twins in the M.O.E.

Camie: Lay it on me.

(THE MUMMERS DANCE BY LOREENA MCKENNITT PLAYS)

Me and Camie did acrobatic dancing moves and punched and kicked and smashed Bully Maguire all over the place with them. We were really letting him have it.

Camie: Woohoo! That was great!

Laney: Yeah! That was awesome!

Tsuyu, Sirius, Ochaco and Toru held up 10 signs!

Bully Maguire, while dancing, managed to punch Nico in the face.

Bully Maguire: (still dancing) Stings, doesn't it?

Nico just smirked while wiping a tiny drop of blood from his face.

Nico: All that for a drop of blood? At least you're putting some effort. (continues dancing) Too bad it only felt like a mosquito bite.

Nico punched him some more and pulverized him as he was dancing.

Qin: YEAH!

Eli: Take that!

Nico jumped back.

Nico: Had enough?

Bully Maguire then got REALLY pissed!

Bully Maguire: I HATE YOU!

Our auras flared up with intensely explosive and powerful fury!

Me: Now that's more like it!

Bully Maguire then put Nico in a headlock.

Bully Maguire: Aw, look at the little monkey. Gonna cry?

Nico: Getting a little ahead of yourself, aren't you? (licks his hand)

Bully Maguire: EW!

Me: Think fast!

ZOOM!

I appeared in front of him!

Me: FRONTAL WEDGIE!

HOING! SNAP!

Me: Think fast!

ZOOM!

Me: MEGA WET WILLIE!

I licked my finger and stuck it in his ear!

Me: Think fast!

ZOOM!

I put him in a headlock!

Me: MEGA NOOGIE!

BUZZSAW NOISE!

I gave him a nasty one!

Nico: YEAH!

Bully Maguire: You want forgiveness? Get religion!

May: It's YOU who should be begging for forgiveness from US!

Me: Especially with how you punched Mary Jane!

THAT STRUCK A NERVE!

Me: Time to fight dirty!

I then teleported and then…

DING! SICKENING CRUNCH!

I kicked him square in the crotch with devastating force and a nasty bone crunching sound was heard!

Everyone winced!

Eli: OOOHH!

Nico continued dancing and then gracefully uppercutted Bully Maguire.

POW!

Bully Maguire was sent flying and he landed in Central Park Lake!

Nico: Aww he is ALL Wet!

He came out of the lake and was dripping wet.

Juran: Do we finish him off now?

Nico: As much as we want to do that he is still human and we can't.

Me: Yeah. Besides he was brought down a lot of pegs.

Nico: It was fun and awesome. Besides I've had my fun. J.D. how about you take it from here and have fun with him?

Me: You got it. Time for the Wolf to feast on the spider. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Bully Maguire turned into BLACK SUIT SPIDERMAN!

Me: Brought out the Big Guns. All right then.

Waspinator: Time for Waspinator to have some fun. Waspinator, TERRORIZE!

He transformed!

He fired his stinger blaster and blasted down Black Suit Spiderman and then fired laser blasts and smashed him all over.

Me: Even though the Black Suit looks awesome on you Peter, it's still a dangerous new form for you. You should have stuck to your original look.

I teleported and kicked him in the face and smashed him down.

I flipped back and he fired black webbing and I grabbed the webs and pulled him and sent him flying to me and I punched him in the face and smashed him into the ground!

Nico: OH YEAH!

Maria: Time for some backup! And I know just the right villains.

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) SPIDER STOMPING BRIGADE!

She summoned Electro, Mysterio, Yost Sandman, Yost Venom, U.A. Carnage, Yost Shocker, Molten Man, Vulture, Lizard, Hydro Man, Yost Kraven, Doctor Octopus, Scorpion, Yost Rhino, Kingpin and Antivenom.

Nico: YEAH!

Electro: Whoa! Its been a long time since I saw Webhead like this!

Mysterio: No kidding. Blast from the Past.

Nico: Yep.

Black Suit Spiderman tried punching Hydro Man but it didn't work.

Hydro Man: How cute. You're punching water.

Nico: Not used to seeing all your enemies siding with us huh?

Qin: Yeah.

Black Suit Spiderman: I'll rip you all apart!

Yost Venom: We think not!

I punched Black Suit Spiderman in the face and smashed him all over his stomach.

Mysterio: Time to test this out.

He summoned a FIRE DARKSIDE ROBOT!

Black Suit Spiderman: I'm not afraid of your holograms!

Mysterio: Oh, this isn't a hologram, sunshine!

The Fire Darkside Robot punched him in his face and smashed him onto the lake like a skipping rock and he smashed into the wall on the other side!

Qin: WHOA! What a skip!

Nico: He is gonna be feeling that!

Black Suit Spiderman swam back.

Me: Have a nice little swim?

Yost Venom: (grabs Black Suit Spiderman) At least the Pete from our world didn't dance like a jerk!

Black Suit Spiderman: Take your hand off me!

Yost Venom: We don't think so.

POW!

He smashed him down into the ground.

Me: YEAH!

Electro: Take this, you sad excuse for a spider!

He fired a massive blast of lightning and electrocuted him all over.

Eli: And this!

Eli fired Force Lightning and Electrocuted him more.

Lincoln, Nami, Himiko and Rainbow Dash fired more lightning blasts and electrocuted him all over.

Nico: Take this! DRAGON THUNDERCLAP!

The 5 Star Dragonball on Nico's bracelet glowed and Nico fired a massive blast of lightning and electrocuted him more.

Qin: Take that!

When they stopped, he had smoke coming out of him.

Albedo turned into Negative ChamAlien.

Negative ChamAlien: Can't hit what you can't see!

He went invisible and punched and pulverized Black Suit Spiderman all over.

I used my Infrared Vision and saw Negative ChamAlien smash him all over.

Waspinator fired laser blasts at Black Suit Spiderman all over.

Nico: I wonder what's taking the next Another Omnitrix Alien.

Me: Yeah. Wait!

I saw footprints coming towards Black Suit Spiderman and I used my infrared vision and saw a thermal signal and it came at Black Suit Spiderman.

Me: I see another ChamAlien. 50 meters behind Albedo and closing!

Nico: That's our Another Omnitrix Alien!

Eli: I sense it! Come on out!

She revealed herself and was a black version of ChamAlien!

Nico: Wow! Not even Merlinisapiens are out of sight from Thermal Vision.

Another ChamAlien: (In a girls voice) (British Accent) You are full of surprises like always J.D.

Me: Harmony Granger! Wow!

Nico: You know her?

Me: Yeah and she is Hermione's cousin. She is a good witch and a wizard.

Nico: Cool! What house did you go to at Hogwarts?

Another ChamAlien: I went to Ravenclaw.

Me: And your cousin went to Gryffindor.

Qin: Yep.

Nico: Did Swartz promise you anything?

Another ChamAlien: Just to become the greatest sorcerer ever. But I knew he was lying.

Me: We can easily do that. We have an awesome team of wizards and teachers more than willing to teach you.

Another ChamAlien: That's great! And how is Hermione doing?

Me: She's doing great. I take it you heard about what happened with Voldemort and all that?

Another ChamAlien: I sure did and I'm glad he is dead.

Me: Him and all his followers are and they were given the Black Gates.

Another ChamAlien: The Black Gates?

Me: The deadliest technique we have in our arsenal. It judges those that are full of evil and have done acts so terrible that it's beyond all measure. If they are found guilty, they are forever erased from existence for all eternity.

Nico: It's true.

Qin: And they are forever forgotten too.

Laney: Yep.

Nico: (activates Skulker's Ridewatch) I don't know if we're facing you as well. But just in case…

He got Skulker's weapons.

Electro: Nico you guys handle the Another ChamAlien. We'll handle our Black Suit Spiderman fake.

Nico: Okay then. Thanks Max.

Me: Since we already covered all of the Mane 5 that means we'll have to see who gets a Grand Zi-O Ridewatch next.

Qin: Yeah.

Nico fired Skulker's weapons at Another ChamAlien.

He fired lasers and missiles and smashed her all over the place.

May: Nice shooting!

Toru: Yeah! Lets see what this can do.

She activated Sally Smith's Ridewatch!

(FLEURS DU MAL BY SARAH BRIGHTMAN PLAYS)

Toru: (SINGING DIVINELY AS BLOOD AND FLOWERS SWIRLED AROUND HER)

Is it you I keep thinking of?

Should I feel like I do?

I've come to know that I miss your love

While I'm not missing you

We run 'til it's gone

Et les fleurs du mal

Won't let you be

You hold the key to an open door

Will I ever be free?

Les fleurs du mal unfold

Comme les fleurs du mal

Dark demons of my soul

Un amour fatal

Been tryin' hard to fight

Comme les fleurs du mal

Les fleurs du mal inside

Un amour fatal

All my life I've been waiting for

In this perfume of pain

To forget when I needed more

Of love's endless refrain

We live and we pray

Pour les fleurs du mal

I've lost my way

What is done will return again

Will I ever be free?

Les fleurs du mal

Comme les fleurs du mal

Un amour fatal

Comme les fleurs du mal

She danced and fired waves of energy and blood and smashed Another ChamAlien all over.

Qin: AWESOME!

Nico: Awesome job Toru!

Me: Yeah!

Then a white light appeared in front of Toru and it landed in her hands and it was a new Ridewatch! It was the Jetman Grand Majesty Watch!

Toru: My own Grand Ridewatch! Now it's my turn!

She activated it!

Toru: HENSHIN!

The spirits of the Jetman appeared and merged with her and she got awesome Emerald Green Angel Wings and she got a purple Armor with the Symbols of the Jetman! She turned into KAMEN RIDER GRAND JETMAN MAJESTY!

Nico: WHOA! Toru you look awesome!

Toru: Wow!

Woz: REJOICE! The ultimate Invisible Knightess who reaches over

Covert Operations and Stealth and reigns over the past and future of Flight and Planes. Her name is Grand Jetman Majesty!

Qin: WHOA!

Nico: Awesome!

Varie: Yeah!

Maria: You're in trouble now!

Toru: Big time!

Toru tapped the symbol of Jetman Yellow and fired waves of energy and smashed down Another ChamAlien.

Me: Oh yeah!

Nico: That was cool!

Me: Yep.

But then we heard a horse whiny.

Nico: Is that?

But then…

ZOOOOMM!

A blur zoomed passed us and it appeared in front of us and we saw that it was a Mega Rapidash!

Qin: WHOA! A mega Rapidash!

Nico: Cool!

Me: Wow!

Mega Rapidash: (In a Girls Voice) Looks like the fun has started.

Nico: Sellenia Valencia! Wow!

She reverted back and had red, orange and yellow hair and had fire clothes and angel wings made of pure fire.

Sellenia: It's good to see you again Nico. I got this.

She fired waves of fire and smashed down Another ChamAlien and she was back to normal and I caught the ridewatch and purified it. Then I went over and picked up Harmony and she was a girl with purple hair and had blue eyes and had a blue Hogwarts uniform.

Me: Are you all right Harmony?

Harmony Granger: (Groans) What a headache.

Me: But you're safe.

Nico: Yeah.

Me: Yep.

Nico: One down!

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

The Black Suit Spiderman was defeated and he was unconscious.

Qin: Now they are defeated.

Nico: Yep.

Sellenia Valencia: But that was awesome.

Electro picked up Bully Maguire.

Electro: We'll take this mongrel down to our prison.

Nico: Okay.

Waspinator: Waspinator happy to see Bully Bad Peter down.

Nico: Me too Waspinator.

Gaz: That was great. Sellenia what's your favorite Memory of Nico?

Sellenia: I got lots of them. But my favorites are when we were in gym class. Me and Nico had this one time where we were in Dodgeball and I pulverized the opposing team with my super speed and power and we won.

Nico: Yep.

Me: Wow! You would love the dodgeball games we do.

Sellenia: I'm sure I would.

Nico and Sellenia hugged.

Nico: I've really missed you.

Sellenia: Me too Nico.

Yost Sandman: We finally got to take down a version of Webhead! And one with the Symbiote suit!

Nico: You sure did.

Me: I would have to say that Bully Maguire is perfect and therapeutic for you all.

Electro: It sure was.

Eli: This one had it coming for being such a jerk.

Maria: Big time!

Varie: Yeah no kidding there.

Himiko: Yeah. He deserves to be locked up.

We later went back home.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, and Persephone are heading to Greece, and not only is Lincoln going to rescue the nine girls here, but we got word that Arkady Rossovich A.K.A. Omega Red is here.

Lincoln: Wow, we're here in Greece, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we got word that Arkady Rossovich A.K.A. Omega Red is here.

Nico: Logan told us about this guy: he's a mutant who has the the ability to emit lethal pheromones, or "Death Spores", and because of augmentation procedures at the hands of the Soviet government during the 1960s, he became The Soviet Union's "super-soldier".

Me: Yeah, and they outfitted him with Carbonadium tentacles, which he uses to latch onto victims and combined with his Death Spores, drain the life-force of others to sustain his own, and the more life force he drains, the stronger he gets and the faster he heals.

Lincoln: In essence, he's an energy vampire, and he's an Omega Level Mutant with limitless strength and powerful abilities. We got to stop him and seal him into The Book of Vile Darkness, he could be a potential member of The Masters of Evil, but he'll need to spend time in Nicole's book for that one, and thanks for joining us, Persephone.

Persephone: You're welcome, Lincoln.

Nicholette Torrington: I can't believe that the villains we've faced during our five missions with The Time Squad: Rasputin, the version of Poison Ivy from Batman: The Brave and The Bold, Mad Stan, Lysandre, and The Man With No Name, were part of those accursed contingency plans of The Church of Necrom. Damn that bastard, Damian Alaister, now I hate him and his fucked-up friends even more than ever.

Lincoln: They've been trying to piss us off during those five days, and they crossed a big line when we faced Bully Peter, who was a last minute Contingency Plan from The Church of Necrom to make Peter look bad. Luckily, he's gone forever and we told all of New York that Damian Alaister was the one behind this.

Nico: Yeah, and now, they're pissed off even more at that demonic, sadistic, out-of-control bastard and his fucked-up friends, and they're also chanting for us to destroy Evil Starlight Glimmer when the time of the war comes, and they want the blood of The Church of Necrom spilled.

Lincoln: Then, who are we to deny the public? We'll make sure that Evil Starlight Glimmer gets what she deserves, which is The Black Gates, a fate that Damian Alaister messed with when he used his black magic to sabotage our attack.

Giselle Harrington: If the contingency plans of The Church of Necrom are still in place, then, does that mean…?

Clara St. Clarice: We'll find out soon, I'd heard that Omega Red was set free from prison, thanks to yet another contingency plan of The Church of Necrom.

Lincoln: That just makes us want to make Damian Alaister and his insane followers pay even more for their crazed desire for revenge on us.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of nine girls calling for help, along with the sound of maniacal laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the nine girls, but they've been cornered by Omega Red, and he's going to drain them of their life forces.

Lincoln: Let's get over there at once, guys, I found the nine girls, but they've been cornered by Omega Red, and he's going to drain them of their life forces.

?: (Girl's voice) We must stop him at once.

Suddenly, we saw Tamara, the Good Dragon Goddess of Light, Life, and Mercy from Dungeons and Dragons.

Nico: Wow, that's Tamara, the Good Dragon Goddess of Light, Life, and Mercy from Dungeons and Dragons, she's beautiful.

Lincoln: She sure is, and I'd recognize that voice from anywhere, I knew it was you, Aurora Tamara, but we'll talk later, we got an energy vampire mutant to stop.

We rushed over, and right before Omega Red could use his Carbonadium tentacles and Death Factor to drain them of their life-forces, Lincoln fired two magnetic blasts which hit Omega Red's arms and legs and suspend him in the air, and Aurora Tamara in her Tamara form fired a powerful yellow blast of light, and it hits Omega Red and destroyed the Death Spores in his body, and that allowed the nine girls to get to safety and in a rainbow energy field created by Lincoln to protect them from Omega Red.

Lincoln: (Speaking Russian) Думаю, ты знаешь, почему мы здесь, Аркадий. (English Translation: I think you know why we're here, Arkady.)

Omega Red: (Russian Accent) You're here to kill me, and what did you do to my Death Spores.

Me: Aurora Tamara fired a blast of light, which destroyed the Death Spores in you, and destroyed your Death Factor.

Lincoln: In a way, we cured you of your condition, but, you still need to pay for your crimes.

Lincoln then went over to Omega Red and grabbed him by the neck with his large left hand and he hoisted him up with his really immense and brute superhuman strength. Suddenly, we saw energy visibly being drained from Omega Red and it was being absorbed into Lincoln, we knew what Lincoln was doing: he was sucking out and draining Omega Red of all of the life forces that he's drained, and Lincoln was also absorbing Omega Red's powers and abilities: Life Force Absorption, Superhuman Strength, Superhuman Stamina, Superhuman Durability, Superhuman Agility, Superhuman Reflexes, and Regenerative Healing Factor, and Lincoln made them his own, which were added to his own growing arsenal of superhuman abilities and powers. When Lincoln was done, Omega Red was really drained completely.

Lincoln: Now to end this, but I'll give you a quick and painless death, since you do have honor and potential to be a member of Vypra's Masters of Evil in the future.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back. Then, the 7'0" massive, wide, double-edged gold blade glowed purple with the energy of The Book of Vile Darkness, and he swiftly cut down Omega Red, and his soul was suddenly removed and went into Nicole's Book of Vile Darkness, and Omega Red's body disintegrated. Lincoln holstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds on his wider and muscular back and he came back.

Nico: Damn, Linc, you were really quick to give Omega Red a swift and painless death, after you drained him of all his powers, abilities, and the life forces he'd drained.

Lincoln: Sorry we didn't attack together like we always do, Nico, but to tell the truth, I'm still pissed off at the fact that the villains we've been facing were part of The Church of Necrom's contingency plans.

Nico: And I don't blame you one bit, Linc, even in death, those demon goths still find ways to piss us off.

Me: But, we can't lose focus now, not with the war coming in three days.

Lincoln: You're right, and I'm going to save that rage for Evil Starlight

Glimmer when the war arrives in three days, and I also feel a power really growing inside me, and it's wanting to come out.

Nico: (Gasps) You're going to also transform, that's really awesome!

Lori: Literally, but he's saving it for when Evil Starlight Glimmer returns from the dead.

Lincoln: That's right, Lori, but we've now got a new potential member for The Masters of Evil. (To Aurora Tamara) And it's so good to see you again, Aurora Tamara.

Aurora Tamara reverted back to normal, and she's a beautiful girl with long flowing light blue hair, yellow eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has a sun emblazoned on her forehead, she has massive beautiful white angel wings, and she reigned in the power of Tamara, and she's dressed in a sleeveless yellow checkerboard vest, sleeveless yellow top, yellow and black frilly jewel-encrusted skirt, yellow knee-high boots, and long sleeveless yellow trenchcoat with light and dragons on the coattails, and Avida, Rebuilder of Worlds on the back, and holstered on her back is a large Tamara-themed greatsword with Tamara etched on the 7'0" massive, wide, double-edged yellow blade, Tamara's wings for the crossguard, large light blue gem embedded in the rainguard, longer black handle, and a large light blue gem surrounded by angel wings for the pommel.

Aurora Tamara: You too, Lincoln, it's been a long time.

Lincoln went up to Aurora Tamara and they hugged, and Aurora Tamara is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Aurora Tamara: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Aurora Tamara, she's my Guardian Angel from Michigan, and as you guessed, she's the Gene-Slammer of Tamara, the Good Dragon Goddess of Life, Light, and Mercy from Dungeons and Dragons.

Me: Wow, that's awesome, and I remembered you telling us of the next Gene-Slammer yesterday.

Lincoln: Yep, and unlike Allora Faluzure, who's the incarnation of Faluzure, Aurora is the incarnation of Tamara, and she has the powers of absolute healing and light magic, she possesses all of Tamara's incredible power and she's even immortal. She's a girl that has all the powers of Tamara herself thru the transfusion of Tamara's blood, and she's known as The Light Dragon Goddess.

Nico: Cool, so we both know girls who had gotten the powers of Tamara and Faluzure, and were given incredible powers of absolute healing and absolute necromancy, light magic and dark magic, and immortality.

Aurora Tamara: But, Tamara and Faluzure were both known enemies, but we're not like that with each other.

Lincoln: That's good to hear, and this one time, we both healed Clyde, Liam, Zack, Stella, Rusty, and Girl Jordan when they got attacked by Lynn, who went on a brutal rampage.

We gasped.

Nico: Uh oh, I've got a feeling we're not going to like it one bit.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared around Aurora Tamara's neck with yellow gems on the gold thunderbolt links and light blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Aurora Tamara: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of my harem and one of my many future wives, Aurora.

Aurora Tamara had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Aurora Tamara's waist and Aurora Tamara wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw them, he recognized them immediately. The nine girls are Mirai Ozora A.K.A. Moldiver from Moldiver, Yukihira Furano, Chocolat "Chocolatcchi", Ouka Yuuouji, Utage Douraku, Seira Kokubyakuin, Ayame Reikadou, Yuragi Hakoniwa and Konagi Yawakaze from My Mental Choices Are Completely Interfering With My School Romantic Comedy.

Lincoln: Oh wow, it's Mirai Ozora A.K.A. Moldiver from Moldiver, Yukihira Furano, Chocolat "Chocolatcchi", Ouka Yuuouji, Utage Douraku, Seira Kokubyakuin, Ayame Reikadou, Yuragi Hakoniwa and Konagi Yawakaze from My Mental Choices Are Completely Interfering With My School Romantic Comedy.

Nico: Awesome.

Lincoln: Are you girls okay?

Mirai Ozora: Yes, we're okay, thanks to you.

Then, when Mirai Ozora and the other eight girls saw who it was that saved them from Omega Red, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Mirai Ozora: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eight clones of himself, and he and the eight clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Mirai Ozora: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Thunderbird Necklaces of Eternal Love appeared on the necks of Mirai Ozora, Yukihira Furano, Chocolat "Chocolatcchi", Ouka Yuuouji, Utage Douraku, Seira Kokubyakuin, Ayame Reikadou, Yuragi Hakoniwa and Konagi Yawakaze with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone what happened, and they were shocked when they found out the villain we went after was Arkady Rossovich A.K.A. Omega Red, and he was freed from his prison, thanks to yet another contingency plan of The Church of Necrom.

But, when Lincoln showed what Aurora Tamara did in destroying his Death Factor and Lincoln did in draining Omega Red and absorbing his powers, abilities, and the life forces he'd absorbed and sent him to The Book of Vile Darkness, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Aurora Tamara have a lot of catching up to do, now that she's back in town.

William: I can't believe Omega Red was freed from his prison, thanks to yet another contingency plan of The Church of Necrom.

Lincoln: Damian Alaister's crossed one line too many yet again, but come the day of the war, I'm so going to make The Church of Necrom finally learns their lesson by destroying Evil Starlight Glimmer.

Nico: Yeah, you said it, Lincoln.

Me: Those punks deserve to pay big time.

---

After stopping Omega Red, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Aurora Tamara saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Aurora Tamara: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Aurora, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Aurora Tamara: That's incredible.

Nico: It sure is. So, Aurora, what's the story on how you and Lincoln healed Clyde, Liam, Zack, Stella, Rusty, and Girl Jordan when they got brutally injured by Lynn when she went on a rampage?

Aurora Tamara: You're not going to like it one bit. One day, Lincoln and I were taking a walk through the park, but then, we saw something that really haunted us: it was Clyde, Liam, Zack, Stella, Rusty, and Girl Jordan, but they had broken and bloody noses, black eyes, black and blue bruises on their bodies, and broken arms. We were horrified, and immediately, we had to get to work healing them and fast. Lincoln and I started by cleaning up their bloody noses, and then, we fired blasts of light and in a split second, Clyde, Liam, Zack, Stella, Rusty, and Girl Jordan's broken noses, black eyes, black and blue bruises on their bodies, and broken arms were healed, and we got met with a big group hug.

Nico: Whoa, now that's what I call fast First Aid, awesome.

Lincoln: It sure was. Then, we wanted to know who did this to them. Girl Jordan told us that the one who beat them up that badly and left them in those horrible conditions and left them to die was Lynn. I was mad at Lynn, and when the gang saw my vampire fangs grow longer and my eyes change from deep sapphire blue to blood red, they knew Lynn's crossed the line again. Suddenly, we heard a roar in the distance, and we saw who it was: it was Lynn, and she was really really mad big time, and she was on the rampage again. But, I was ready for her, I spread my massive white angel wings and I'd tackled her and wrestled her into the ground, and after I was done, I fired red energy blasts from my white angel wings and imprisoned Lynn in a rose red orb, and we told Mom, Dad, The McBrides, and the parents of Rusty, Liam, Zack, Stella, and Girl Jordan of what happened, and they were worried big time about their kids, but they thanked us for what we did to save their kids. As for Lynn, she got grounded for sixteen weeks and thrown in a cage with reinforced solid titanium bars in her room and she was tied up with ropes and we put her fingers in Chinese Finger Traps. It was so strong, even Lynn at her worst couldn't chew through these.

We cheered wildly for what Aurora Tamara and Lincoln did to save Clyde, Liam, Zack, Stella, Rusty, and Girl Jordan and what Lincoln did to Lynn.

Me: You guys are really quick to respond to what happened to those who got hurt by Lynn.

Nico: Yeah, and Aurora's gift in healing peoples' injuries is really

awesome.

Lincoln: She's also helped healing me from my injuries whenever Lori, Lynn, Lola, Lisa, and Luan also attacked me, and she also showed them no mercy. One time, she attacked those five after she healed me and she kicked them hard into a wall with their heads sticking out on the side of the house.

Nico: Ooh, now that's really brutal!

Me: I remembered that day all too well, and that was really brutal, and they were also humiliated big time.

We got a shower afterwards, and then, Lloyd Irving and Sheena Fujibayashi are heading to Hateno Beach in Hyrule. Lloyd Irving was dressed in red swim trunks, sandals, his jewelry, and he had his weapons holstered, and Sheena Fujibayashi was dressed in a red two-piece bikini, sandals, her jewelry, and she had her weapons holstered.

Lloyd Irving: Wow, so this is Hateno Beach. It's really awesome.

Sheena Fujibayashi: It sure is.

Lloyd Irving and Sheena Fujibayashi dived right into the water and they began swimming and they saw the sea creatures and marine life that lived there in the water. Then, they also had lunch on the beach, and then, Lloyd went up to Sheena and he hugged her and she hugged him, and they shared a romantic kiss as the sun was about to set. Then, they came back home and were back in their original clothes.

Nico: Hey, Lloyd, Sheena, how was your beach date?

Lloyd Irving: It was awesome, we went to Hateno Beach in Hyrule.

Sheena Fujibayashi: It was really peaceful there, now that Ganondorf and his minions are gone for good.

Lincoln: That's true, but they're not going to give up that easily, and revenge is the only thing on their minds. Reminds me all too well of The Church of Necrom and the other villains we've killed in the past.

But, there's always one thing waiting for them.

Nico: Yeah, The Black Gates.

Me: If those monsters think they're going to try and get revenge on us, they've got another thing coming.

---

Back at the estate I had everyone gathered to watch another Robot Chicken Sketch.

Inspector Gadget: Sorry we haven't talked in a while.

Nico: No worries Gadget.

Penny Gadget: So what is this Robot Chicken Sketch?

Me: Well here we go.

I pulled it up and played it.

---

(To start the sketch, Penny and Brain are eating some muffins and blueberries for breakfast and Inspector Gadget comes over.)

Penny: Good morning, Uncle Gadget.

Gadget: Oh, muffins! Go Go Gadget Butter Knife! (His hat opens, but the Gadget Umbrella comes out and pushes everything off of the table.) Wowsers…

(Penny sighs, and Brain says, "Oh, boy…".)

Gadget: [walks over to a cupboard] Time to replace that arm. [opens it and pulls out a box of parts labelled: 'Cyberdyne"]

Penny: "Cyberdyne"? Uncle Gadget, why aren't you using your normal parts?

Gadget: Not to worry, Penny. I'm always on duty!

Penny: [to Brain, embarrassed] That's totally not what I asked…

(Gadget installs the Cyberdyne parts; then we snap to a satellite hovering in orbit near Earth.)

Skynet Satellite: [monotone voice] Skynet is online.

(The satellite beams a transmission to Gadget, who begins acting oddly, his eyes turning bright red.)

Penny: [nervous] Uncle Gadget, are you all right? Uncle Gadget?

(After a scanner forms over his eyes, we cut to its point of view - a red display with a variety of messages and scans coming up. As the word: "TERMINATE" flashes on the bottoms, we zoom up to Penny.)

Gadget: Must… terminate! Go Go Gadget Circular Saw!

(Gadget's hat opens to produce a massive sawblade on a mechanical tendril. Penny and Brain flee in terror as the saw cuts the table in half. Meanwhile, in Dr. Claw's hideout, a remarkably lethargic-looking MAD Cat lies on the desk in front of the monitor, wheres Dr. Claw watches what has happened so far.)

Dr. Claw: With Skynet online, Gadget is under my complete control, and I'll use him to wipe out my true nemesis: that meddling twelve-year-old niece of his! (He evily laughs, and then gasps when the phone rings, making him answer it.) Hello? Yes, this is Dr. Claw. [pauses to pet MAD Cat] What did the tests explain about the diarrhea? [pauses again] No, no, the meds don't seem to… oh, dear. Feline leukemia? How long does he have?

(The words have barely left his mouth when MAD Cat slides off of the table, dead. The next shot is of Gadget's van, with Penny and Brain running up to it.)

Penny: I'm too young to have a license, Brain. You drive; you're a dog.

(They speed off in the van, with Gadget giving chase on his Gadget Legs. Inside the van, Penny uses her computer book.)

Penny: I'll plot us a map to safety. [stops in annoyance] Who bookmarked dog-on-dog porn in my browser?! [Brain grins] As if I have to ask…

(Behind the Gadget Van, Gadget produces a lasso from his head that grabs the van's coupling, leaving Gadget hanging on.)

Brain: Roh, crap…

Penny: Better take evasive action, Brain!

(The Gadget Van changes into the Gadgetmobile and drags Gadget through the city, crashing him into two garbage cans and a postbox before a limo runs him over; then he speeds into a telephone pole [which collapses] and a fire hydrant [which shoots out water]. Just when the Gadgetmobile reaches a dead end, Brain screeches it to a stop, crashing Gadget into the back. A few seconds later, Brain abruptly backs up over him, making Penny worried.)

Penny: Brain, that's still Uncle Gadget! We need to remember that deep down inside-

(Gadget appears in front of the car, with some of his mechanical parts showing through his human skin, making Penny shriek in fright.)

Penny: Ram that son of a bitch!

(Brain rams Gadget into the wall, pushing him into a factory. Then Penny and Brain get out of the car and fearfully approach the pile of rubble they knocked him into.)

Penny: Uncle Gadget, say something!

(Gadget stands up, ready to kill. Penny and Brain [who yelps in alarm] back up near a trashcan, and Chief Quimby pops out, holding a document of some kind.)

Chief Quimby: I have a mission for Gadget.

Penny: [now with an idea] Perfect! [takes document, crumples it up, and tosses it into the trashcan with the Chief still inside]

Cheif Quimby: Wait, wait, wait - that message will self-destruct!

Penny: [closing trashcan, turning it over to one side, and kicking it towards Gadget] No, duh!

(The can collides with Gadget, and they both explode while Penny and Brain breathe a sigh of relief. However, Gadget emerges from the flames, reduced to a Terminator-esque mechanical endoskeleton.)

Gadget: [malfunctioning] Al-l-l-lways on duty, -ways on d-d-d-d-duty!

Penny: [in disbelief] Please, Uncle Gadget, no!

(Penny and Brain run towards a hydraulic press, crawling to the other side to reach the controls. Gadget continues to pursue, randomly listing off various gadgets, until he gets to between the press.)

Gadget: Go Go-Go Go Gadget Mallet! Go Go Gadget S-s-s-s-skis! Go-o-o-o-o-Go Gadget Backhair Tri-Tri-rimmer! Go Go Gad… get Pizza Cutter! Go… Gadget Nail Clipper!

Penny: [with regret] Sorry, Uncle… [presses a button that activates the hydraulic press Gadget is still between by the time he reaches the two]

Gadget: Go Go Ga- Roller Skates, Disco Ball, Roller Skates, Disco Ball! Go-Go-Go-Go-Go-o-o-Go Gadget… Lipstick! [dies from the pressure]

Penny: Well, at least that's over.

(Suddenly, Gadget's arm pops out of the press and proceeds to strangle Brain. Penny gasps and tries to get it off by banging the arm with a metal pipe. We then fade to a scene where Penny and Brain are in a Jeep, getting gas from a gas station.)

Brain: [indistinct babbling]

Station Owner: What did he just say?

Penny: [ominously] He says there's a storm coming in…

Station Owner: [sighs] I know. [walks off]

(A camera clicks next to Penny, where a little boy is holding it and an undeveloped photo of her.)

Boy: Give me four dollars for this photo, or my father will beat me.

(Penny, exasperated, kicks him out of view.)

Penny: Go Go Gadget Foot.

(She and Brain drive off, and after the ending credits, we see Dr. Claw and several other men gathered at a funeral for MAD Cat.)

Dr. Claw: I… just want to say a few words if I may. [reads a list and shakes one of his fists] Next time, Gadget! Next tiiiiiiiime!

---

When it was done many of us were shocked.

Me: Well Inspector, Penny, Brain, what did you think of that one?

Inspector Gadget: I'd like to say a few words.

Poromon: On how it was funny?

Inspector Gadget: No.

Me: Uh oh! (COVERS EARS)

Inspector Gadget: [screams and Toots like a steamwhistle] Arrgh! Regga flebba breeka brecka smullen-ellen Robot Chicken! Yegga hegga mergin sketch! Dimmy middy not funny! Rivy flivy diva shiva ROBOT CHICKEN SKETCH! [during Gadget's rage, Himiko looks up these words in the dictionary that she pulled out of her pocket, and gasps and blushes.]

Himiko: GOOD GOD! That is colorful!

Nico: You would never go crazy like that!

Me: No way no how! And thank goodness we destroyed SKYNET for good. And Dr. Claw caught on to Penny helping you in that one. Now I'm glad I killed him.

Qin: Boy no kidding.

Camie: Yeah.

Nico: Yeah.

Me: Sorry you guys had to see that.

Penny Gadget: No worries.

Nico: There's a lesson to be learned from this.

Me: And that is be careful with what you hook up to yourself.

Nico: Exactly.

Laney: No kidding there.

Me: Yeah.

Poliwag: Penny was awesome in it though.

Me: She sure was. Just like in the 1984 movie.

Laney: Yep.

Me: But that was really funny how Penny kicked that stupid boy in the crotch.

Qin: Yep.

Me: Yeah. And Lucy?

Lucy Heartfilia: Yeah?

Me: I have someone you're going to love having back. (Snaps fingers)

Then beams of light shined down and the divine singing of angels was heard and then a figure came down and it was Lucy's mother Layla Heartfilia back from the dead!

Nico: Whoa!

Lucy Heartfilia: (Gasp) Mom?

Layla Heartfilia: Lucy? Oh Lucy you've grown so much into a beautiful woman.

Lucy Heartfilia: MOM!

She went and hugged her mother for the first time since she was 10 years old and she cried hard.

Lucy Heartfilia: (CRYING HARD) OH MOM! I'VE MISSED YOU SO MUCH!

Layla Heartfilia: I've missed you too Lucy. Wow you have grown so much.

Lucy Heartfilia: (Sniffles) I know mom.

I went up to Layla.

Me: Layla it's awesome to meet you. Lucy told us so much about you.

Layla Heartfilia: And it's an honor to meet you too J.D. I've seen all your amazing adventures from Heaven and my daughter was in really good hands with Fairy Tail.

Me: I take it you saw what Jude did.

Layla Heartfilia: I sure did. That man is now a monster. He is no longer my husband after everything he did.

Maria: We will never forgive him for everything he did.

Me: And now he is in prison with a terrible curse put on him. We had the Heartfilila estate moved here and all of Jude's money was taken away from him.

Layla Heartfilia: Good.

Nico: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than King Diomedes, and he's absolutely furious that Bully Peter and Omega Red have been defeated and The Church of Necrom's contingency plans have failed, and now that evil xenophobic tyrant's heading here to get his revenge on us and kill us all. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is King Diomedes on the move?

Lincoln: You guessed it, Nico, and that evil xenophobic tyrant's absolutely furious that Bully Peter and Omega Red have been defeated and The Church of Necrom's contingency plans have failed, and now that evil xenophobic tyrant's heading here to get his revenge on us and kill us all.

We gasped.

Me: So, that heartless xenophobic tyrant was also in on The Church of Necrom's latest contingency plans: Bully Peter and Omega Red's escape?! That bastard, I'm going to kill him!

Nico: Easy, J.D. We've already got Gaea Noreninko, Swift Foot, and Lincoln on it, and he's never going to get out of this alive.

Gaea Noreninko: That's right, we're going to make sure he pays for his crimes in full.

Swift Foot: That tyrant has no right to even be called my father, he deserves only to die a horrible and gruesome death for what he's done, and I won't be surprised if Lincoln drains him dry of every last drop of blood and his powers.

Lincoln: That's a good way of how I'm going to kill him, Swift Foot.

Nico: Ooh, just like what you've done to many of The Doomsday 23 members, Linc. Alright, gang, you know that today's the anniversary of the Friday the 13th War, so we're going to celebrate that epic battle.

Lincoln: I can't believe we forgot to celebrate it and commemorate the war against The Anti-Fairies, that's not going to happen again. And you better be ready for later on, King Diomedes, your evil and xenophobic tyrannical reign is about to be brought to an end here and now, and you're going to pay for trying to destroy the school that my future wives have built! (Deep sapphire blue eyes turn blood red and vampire fangs grow longer) (Roars animalistically)

Nico: Oh shoot, now it's also personal. Since that school was built and run by Twilight Sparkle and her friends, and since they're among the many of Lincoln's future wives, what Diomedes tried to do has literally crossed the line, and now, the beast has been unleashed.

Me: Nothing's going to save him from Lincoln's fury now.

---

Later we were over at Lynn's Table and everything was all set for a party.

Maria: Today is to celebrate a special occasion.

Nico: Yep. 3 years ago on Friday, September 13th, 2019 we went into battle with the Anti-Fairies and made all those bad luck causing monsters pay for their crimes.

Qin: Yep.

Nico: First, we had to take out the Anti Fairies one at a time before the war.

Me: And then after that I blew them apart in Anti-Fairy World.

Camie: How did you do that?

Me: Blew them all to kingdom come with a powerful bomb.

Camie: Wow! That's amazing!

Laney: Wiped out 85% of them instantly.

Qin: It was awesome from what I heard.

Me: Also I was finished capturing the Clow Cards.

May: The Clow Cards were coming to us alongside those days.

Qin: Boy they sure were and also I just joined the team too.

Camie: That's cool!

Toru: It sure is.

Sakura Valencia: Wow! That's awesome you guys did all that.

Me: But the scariest part of that whole war was when Anti-Cosmo turned into a terrifying 9-headed Heartless Dragon.

Maria: When the war started, Me and Stewie were in Dakota helping the Nightbreed.

Stewie: Ah yes we sure were.

Gale: That's true.

Nico: That was cool though.

Laney: Yep.

Riku: Me and Elena were in Radiant Garden making sure the Anti Fairies didn't get to Ansem.

Elena: It's true.

Me: We had a lot of preparations to do before that big war on Friday the 13th.

Camie: What do Anti-fairies do?

Me: They are Evil Fairies. They are fairies of Bad Luck and they spread superstitious bullshit.

Venom: We were in Stark Tower discussing with the Avengers and Justice League on our next move.

Nico: We sure were.

Qin: Yeah. That was awesome.

Nico: Boy it sure was.

Me: The Anti-Fairies were one of Timmy Turners dangerous enemies. They are the opposites of the fairies. Anti-Cosmo was smart and evil, Anti-Wanda was dumb and stupid, Anti-Jorgan was wimpy and skinny as a toothpick and dressed in a tutu.

Nico: Yeah no kidding.

William: I was actually communicating with the others on my communicator.

Maria: You sure were William.

Twilight Sparkle: Wow that was awesome.

Varie: It sure was.

Me: And we had some help that was helping us from the shadows.

I looked at Jack Spicer.

Jack Spicer: Well, I couldn't just let Anti Wanda and Foop's former buddies kill the world, couldn't I?

Nico: Nope. And you did a great job helping out back then.

Laney: You deserve some of the credit.

Jack Spicer: Thanks.

Rattrap: Those Anti-Fairy guys were nothing but trouble.

Qin: Yeah. Also Anti-Cosmo treated Anti-Wanda like dirt.

Eddy: I met Jack after I decided that you guys were too busy with the small fry to even bother going after Anti Cosmo's main building.

Nico: That's right you did.

Qin: Yep.

Laney: That was so awesome though.

Lana: Yep.

Jack Spicer: Me and Eddy confronted Anti Cosmo and tried to depower him with a collar.

Eddy: Yeah and that didn't work though.

Me: Yeah but you tried your hardest though.

Qin: Yeah.

Camie: That's true.

Eddy: That's when Anti Cosmo tried to kill us as a huge ass dragon.

Jack Spicer: Did you guys leave us alone for a while because you wanted Anti-Cosmo dead at any cost? Or is it because the Xiaolin Warriors didn't give shit about me at the time?

Me: They still didn't trust you back then.

Nico: Yeah you did give them lots of problems in the past.

Me: Yeah.

Qin: But the best news is that Anti-Cosmo is gone.

Jack Spicer: Still doesn't answer my question about why you guys were pretty much content with me and Eddy fighting Anti Cosmo by ourselves for a while.

Eddy: Because a lot of people, friend or foe alike, have been saying that you guys pretty much sent us to die at Anti Cosmo's hands.

Me: Yeah.

Jack Spicer: Oh.

Me: And also because we were content with your attack to show a test of redemption.

Laney: I think I see.

Nico: (to Eddy and Jack Spicer) Despite the thoughts of Raimundo and his team at the time, the thought of sending you two to die at Anti Cosmo's hands never once entered our minds.

Me: That's right. We would never send you to die.

Qin: that would be crazy.

Lola: Yeah.

Varie: It sure would be crazy.

Nico: After that, we still weren't done.

Me: Nope.

Eli: Why?

Maria: Because Darth Vader showed up.

Eli: Did he really!?

Nico: Yep. And J.D. clashed with him.

Me: It's true. It was epic.

Jack Spicer: After that, I left. Because I knew that Lynn and some of the others were probably thinking of beating me up.

Nico: I remember that though.

Lynn: Looking back, it was really stupid to think that.

Me: It was.

Maria: Not all the Anti Fairies are extinct. Foop and Anti Wanda are with us.

Me: Foop is our prisoner.

Maria: And Anti-Wanda is in our frenemies.

Laney: Yep.

SpongeBob: Yeah. And the bad luck of the Anti-fairies Is gone.

Maria: Although, Foop being Silver Surfer's archenemy is a pretty good idea.

Nico: It sure is.

Me: Yep. Oh Nico. Which gene-slammer do you hope to meet next?

Nico: Right the mandatory question. How about for The Legendary Planets and the Agents of The Planets including the moon next?

Me: Wow! 21 of them! That's a record!

Nico: Yep.

Nico: Now, that was a good way to commemorate the Friday the 13th War, and that was an awesome celebration. But, we're not done yet, there's still the matter of King Diomedes to deal with, and that xenophobic, friendship-hating tyrant should be arriving… right now!

?: You will all pay for ruining my plans to get rid of you, Team Loud Phoenix Storm!

Swift Foot: Oh no, I knew there's no mistaking that voice from anywhere. You can come out now, "Father"

A figure was heading right for us, but Lincoln grabbed him by the neck with his large left hand and he tossed him away with his infinite, really immense, and brute superhuman strength, and we saw who it was: it was King Diomedes, the xenophobic tyrant and former father of Swift Foot.

Nico: King Diomedes, I should've known you'd be the next one to show up.

The Dark World Goth Girls were about to attack him in a fit of rage since the memory of him having a part in those two contingency plans of The Church of Necrom have pissed them off for the last time, but Lincoln held them back by forming a wall of dark energy.

Lincoln: Easy, girls, he'll get what he deserves.

King Diomedes: You've ruined The Church of Necrom's plans to finally destroy you all, you destroyed Bully Peter and Omega Red, but I should've known those fools wouldn't be able to do the job right. Now, I will destroy you all and have my revenge!

King Diomedes went after us again in a fit of rage, but Gaea Noreninko fired a powerful blast of green energy at King Diomedes and he hit a wall, and he got out, but he was enraged.

King Diomedes: Who do you think you are to get in my way, peasant?!

Gaea Noreninko: Someone who refuses to let you hurt my friends and your daughter, and who's had about enough of you, you xenophobic, tyrannical monster. (Green energy aura flares up) I am Gaea Noreninko, Champion of Swift Foot, and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Trust.

This horrified King Diomedes badly.

King Diomedes: Impossible, The Champions of Harmony have returned?!

Suddenly, Gaea Noreninko's dark purple eyes turned neon dark purple, and she was surrounded by a green energy aura with winds, magic, and Alicorns, she unholstered her massive Sword of The Champion of Harmony, and as she approached King Diomedes, she left green energy, winds, magic, and Alicorns with every step.

Gaea Noreninko: King Diomedes, I will never forgive you for the pain and suffering you have caused Equestria many eons ago, you are an evil xenophobic friendship-hating monster who enjoys causing chaos and destruction among all ponies and for what you did in using your own daughter to destroy all things friendship in The School of Friendship, that kind of behavior is inexcusable, and now, I will administer unto you the punishment you rightfully deserve: death.

Suddenly, Gaea Noreninko was surrounded by a massive vortex of green energy with magic and winds surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Gaea Noreninko emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Gaea Noreninko grew to 6'11" in height, she has the body of a goddess, she has white highlights in the bangs of her long flowing green hair, she has neon dark purple eyes and a green energy aura with winds, magic, and Alicorns surrounding her, she has an Alicorn along with Swift Foot's cutie mark on its horn emblazoned on her forehead, she has on Alicorn earrings with purple gems for eyes and the Trust and Eternity Kanjis in its hooves, she has on her Crystal Necklace of The Buddha with green gems on the gold music note links and green crystal links and a green Alicorn-shaped Element of Harmony and on the bottom of The Element of Harmony is an Alicorn with purple gems for eyes and holding the Trust and Eternity Kanjis in its horn for the pendant. Gaea Noreninko has on a green sleeveless open blouse, short-sleeved green shirt with the tattoo of the Elements of Harmony on her right arm, blue skirt, green bellbottom pants with white hearts, camo sneakers, and long green sleeveless trenchcoat with winds on the coattails, and an Alicorn on the back surrounded by winds and on top of its horn is the Elements of Harmony. Suddenly, Gaea Noreninko felt a sharp pain on her back, and then, massive green angel wings with dark purple tips on the green feathers, grew and sprouted out from her back. Gaea Noreninko has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger.

Suddenly, Gaea Noreninko's massive Sword of The Champion of

Harmony and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of green energy, magic, winds, and Alicorns, and when it emerged, it transformed into Swift Foot's Alicorn Greatsword of Swift Wind Trust and Swift Wind Justice, it's a brand-new massive greatsword with a 7'0" massive, wide, double-edged green blade with the cutie mark of Swift Foot etched on the blade, large gold Alicorn heads for the crossguard, large green gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with dark purple gems for eyes and a large green gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with green gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and dark purple gems for the eyes and a large green gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Gaea Noreninko's transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY SWIFT HURRICANE TRUST ALICORN ANGEL OF DIVINE SWIFT FOOT JUSTICE AND DIVINE SWIFT WIND LOVE!

We were amazed by Gaea Noreninko's Super Angel-Alicorn Eternity Infinity transformation, but when King Diomedes saw it, he went mad with rage and tried to attack Gaea Noreninko, but Gaea Noreninko dodged King Diomedes and fired a powerful green energy blast, and it hits King Diomedes and sent him flying into a wall, but he's not out yet.

Nico: Whoa, Gaea Noreninko's transformed, so awesome, and now, it's Swift Foot's turn.

Ken Knudson: I was just about to say, Nico. After all, she's also wanting a chance to rip apart her so-called father.

Gaea Noreninko: (Divine Echoing Cosmic Voice of The Swift Trust Alicorn and Divine Swift Wind Justice) **For all the heartless evil acts he's forced her to do.**

Swift Foot: That's right, and I refuse to let that monster live any longer.

Suddenly, Swift Foot's dark purple eyes turned neon dark purple, and she was surrounded by a green energy aura with winds, magic, and Alicorns, she unholstered her massive Sword of The Knights of The Friendship Table, and as she approached King Diomedes, she left green energy, winds, magic, and Alicorns with every step.

Swift Foot: Father, I will never forgive you for the pain and suffering you have caused Equestria many eons ago, you are an evil xenophobic friendship-hating monster who enjoys causing chaos and destruction among all ponies and for what you did in using me to destroy all things friendship in The School of Friendship, that kind of behavior is inexcusable, and now, I will administer unto you the punishment you rightfully deserve: death.

Swift Foot's transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY SWIFT HURRICANE TRUST ALICORN ANGEL OF DIVINE SWIFT FOOT JUSTICE AND DIVINE SWIFT WIND LOVE!

We were amazed by Swift Foot's Super Angel-Alicorn Eternity Infinity transformation, but when King Diomedes saw it, he went mad with rage and tried to attack Swift Foot, but Swift Foot dodged King Diomedes and fired a powerful green energy blast, and it hits King Diomedes and sent him flying into a wall, but he's not out yet.

Nico: Awesome, now Swift Foot's transformed.

Swift Foot: (Divine Echoing Cosmic Voice of The Swift Trust Alicorn and Divine Swift Wind Justice) **And now, the time for my former father to receive his just punishment has finally come.**

Lincoln: You said it.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Swift Foot and Gaea Noreninko.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You've terrorized the innocent ponies and lands of Equestria for far too long, King Diomedes, and now, you will pay for every last one of your crimes in full, and you will be dethroned forever.**

Me: Your days of trying to destroy friendship are all over, you xenophobic tyrant.

Gaea Noreninko, Swift Foot, and Lincoln went after King Diomedes, and they fired powerful blasts of rainbow energy, green energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at King Diomedes, and they exploded with such incredible power as they hit him, and he was being burned by The Magic of Friendship. Then, they attacked him with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it burned him badly, and the wounds he suffered would never heal.

Then, Lincoln flew at and grabbed King Diomedes by the neck, and he slammed him hard into the ground, and with his vampire fangs now longer and sharper than ever, Lincoln sank his fangs deep and hard into King Diomedes' neck, and he screamed in excruciating pain, but the pain was just beginning. Suddenly, Lincoln began sucking out and draining all of King Diomedes' powers and hatred, as Lincoln's rainbow energy aura was flaring up extremely and he was suddenly gaining a massive power boost, and King Diomedes was getting weaker and weaker and weaker still. Finally, King Diomedes was eventually weakened to such a degree, his skin turned pale and he couldn't even stand, as Lincoln unlatched his vampire fangs which were covered in blood from King Diomedes' neck and he let out an extremely loud and animalistic roar that shook the ground itself.

Me: WHOA!

Nico: HOLY CRUD!

Then, Lincoln grabbed King Diomedes by the neck with his large left hand and hurled him into the air with his really immense and brute superhuman strength, and this allowed Gaea Noreninko, Swift Foot, and Lincoln to finish him off by firing massive energy beams and as they hit King Diomedes, they exploded with incredible power, killing him for good. We cheered wildly for what Gaea Noreninko, Swift

Foot, and Lincoln did to King Diomedes as they holster their massive greatswords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Gaea Noreninko and Swift Foot are permanent.

Then, as King Diomedes' spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and King Diomedes' spirit as surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and he was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found him guilty of his crimes, and the energy images of The Mane 12 aimed their horns at King Diomedes and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at King Diomedes.

Lincoln: King Diomedes, for the crimes that you committed against everyone in Equestria because of your xenophobic and friendship-hating nature, you've been found guilty, and the punishment for your crimes is death.

This horrified King Diomedes, as he saw that his days of chaos and havoc are about to come to an end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit King Diomedes' spirit, they exploded with incredible power and his evil spirit was condemned to The Black Gates, and he was fading away.

King Diomedes: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

King Diomedes' spirit was erased from existence by the spirits of all those he's hurt, and he'll never return to hurt anyone again. THE XENOPHOBIC FRIENDSHIP HATING TYRANNY OF KING DIOMEDES IS FINALLY OVER!

Nico: Now, that's what I call an awesome battle between The Warriors of Trust and Xenophobic Tyrant of Evil.

Me: You said it, nice job, guys.

Lincoln: Thanks, J.D.

Nico: And we had an awesome day to commemorate the anniversary for The War Against The Anti-Fairies, plus, we also got rid of King Diomedes for good.

Lincoln: Which means, the next member of The Doomsday 23 to take down and destroy tomorrow is the evil version of Juniper Montage.

Lauren Cunningham: We'll teach that vain celebrity wannabe a painful lesson she'll never forget.

Vinyl Scratch: Yeah, you, me, and Lincoln: The Champions of Grace will teach her a little something about Grace.

Nico: You got that right, Vinyl Scratch.

Lincoln: And to make sure she doesn't try anything.

Lincoln chanted a powerful incantation and in his hand appeared Evil Juniper Montage's mirror, the same one she used to imprison Twilight Sparkle and her friends in. Then, Lincoln channeled purifying energy, and it surrounded the mirror and the mirror was incinerated and turned to nothing.

Nico: Awesome.

Me: Dang, now that's what I call being prepared.

Lincoln: After what that vain celebrity wannabe did, I'm not taking any chances with her. Without her precious mirror, she'll be wanting one thing: bloody revenge.

Sunset Shimmer: And she'll be blinded by so much rage, she'll be unfocused and insane beyond anyone's imagining, nice one, Linky.

Vinyl Scratch was really impressed by Lincoln's planning ahead to the battle with Evil Juniper Montage tomorrow, she had an atomic red blush on her face, and then, she kissed Lincoln on the cheek, and we saw it plain as day.

Nico: Vinyl Scratch, do you have feelings for Lincoln?

This caused Vinyl Scratch to blush like crazy. But, as it turns out, she wasn't the only one, Lincoln had an atomic red blush on his face too, and we saw that he also had feelings for Vinyl Scratch.

Me: Hey, wait a sec, if I remembered right, on one of your rescues, Nico, Vinyl Scratch called Lincoln by the very nickname that Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily and his future wives call him.

Nico: Hey, yeah, I remember that clear as day.

Lincoln turned to face Vinyl Scratch, and we saw they still had atomic red blushes on their faces from Vinyl Scratch's kiss on Lincoln's cheek. But, Lincoln had a warm smile on his face, and he wrapped his abnormally massive and powerful arms around Vinyl Scratch and she was blushing even more when she was wrapped around Lincoln's massive and extremely muscular body, and then, he leaned down to her face and kissed her on the lips, which she returned as she wrapped her arms around his thick muscular neck.

The Mane 9 were stunned with surprise, and it turned into full-blown cheers.

Pinkie Pie: I knew it, I knew it, I knew Vinyl Scratch had feelings for

Linky. Oops, sorry.

Vinyl Scratch: It's okay, Pinkie. And it's true, I've had feelings for you, Lincoln, you're a very kind, compassionate, warm, and caring person, and I know you also get serious whenever some idiot threatens the lives of those around you, and.

Lincoln cupped his large right hand on the right side of Vinyl Scratch's face and cheek, and she looked into his eyes and he still had a warm smile on his face.

Lincoln: You're not the only one, Vinyl Scratch. To tell you the truth, I also had feelings for you too, and I knew it was about to get out eventually, but now's as good a time as any, and I swear to you, I will love you just as much as I do with my many future wives.

We were impressed by that declaration.

Nico: Now, that's some declaration, but you also got admire the dedication and bold bravery.

Me: Yeah.

Eli: You said it.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Vinyl Scratch's neck with blue gems on the gold thunderbolt links and blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

When she saw it, she knew it meant she was now part of Lincoln's harem and one of his many future wives, Vinyl Scratch had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Vinyl Scratch's waist and Vinyl Scratch still wrapped her arms around Lincoln's thick muscular neck, and they passionately kissed again on the lips, and we cheered for them. We even had smiles on our faces and tears in our eyes too.

Octavia Melody: (Smiles) I'm so proud of you, Vinyl Scratch.

Nico: (Sniffles) I think we all are, Octavia.

Me: Me too, Nico.

Luna Loud: Dude, if they also get married in the future, you know we're going to rock at the wedding.

Sam: You bet, and we'll wait to see if Vinyl Scratch asks The Moon Goats to play at the wedding.

D.J. Dalmatian: The Moon Goats, that band that consisted of you, Luna, Sully, and Mazzy?

Luna Loud: The very ones, D.J.

Lincoln: Now, now, we'll have plenty of time for planning that in the future when the wedding comes in the future.

Nico: Lincoln's right, but one day, we got to meet your bandmates, Sully and Mazzy.

Sam: You'll love meeting them, and they're also born to rock.

Eli: I met them, and they're cool.

Me: Same here when I first moved to Michigan, and they really know how to rock.

Nico: Yep.

We had a great party and an awesome anniversary. With 3 days left till the war, we're going to be ready for Evil Starlight Glimmer and make that monster pay for her crimes.

I was training Camie and Himiko and they were really learning fast!

Me: Good girls!

Qin was training Toru and Ibara.

Qin: Great job you two!

Toru: Thanks Qin.

Ibara: It's so awesome.

Varie was training Momo and Ochaco.

Momo: Wow! Yeah!

Varie: Great job girls!

Eli was trying Sirius and Kaoruko.

Eli: Good girls!

Sirius: Thanks Eli. You are a great teacher.

Eli: I learned from the best.

Nanette was training Izuku, Bakugo and the other students too and she was a great teacher.

Nanette: Great job guys! You're all learning really fast!

Izuku: Thanks sis.

Bakugo: (Pants)

Me: All right guys. Lets take a little break and resume training in 15 minutes.

We rested and got some water and food.

Nico: Thanks for coming with me, Tea.

Tea: No problem Nico. This is gonna be so awesome helping you out.

Qin: It sure is.

Nico: Tea, is it true you have a thing for Yugi?

Tea: (Blushes) Yes it is. I've known Yugi since we were starting out in dueling and I never really showed my feelings for him.

Nico: You can confess to him when you're ready.

Me: But it was really cool that you got to know the Pharaoh in Yugi too.

Eli: That's awesome that you got to know more about father.

Tea: It sure is.

Camie: I'll say and Eli that is really amazing that the Pharaoh is your father too. That makes you ancient Egyptian Royalty.

Eli: In ancestral terms yes it does.

Nicole: I think it's awesome too.

Nico: I knew you had feelings for Yugi!

Tea: Nico you don't have to rub it in.

Nico: Sorry. But I'm happy for you.

Me: Me too Tea. But you can tell Yugi when you are good and ready.

Varie: That's true.

Me: And Nanette thanks for coming to help out with training Izuku and the Alumni.

Nanette: No problem J.D. and it's awesome to help my brother and his friends.

Izuku: It sure is sis.

Nejiire: But we're all happy to be getting some training in before the big war in 2 days.

Bakugo: Yeah it sure is.

Nico: Yesterday was an awesome celebration.

Qin: It sure was and that day 3 years ago was the 1st ever war I was in.

Me: A big major battle for all of us too.

Nico: It sure was.

Me: Also today is another big day.

Nico: What is it?

Me: I passed my test and battled Yue to become the master of the Clow Cards.

Nico: Oh right! That's right! I remember that!

Camie: Wow! That must've been an amazing battle.

Me: It was.

Maria: I remember that Horsea was giving you puppy eyes not to go through with it because we just finished the war.

Nico: Yeah I remember.

Me: Me too and I had to do it because it was part of a test on the Full Moon. I had to answer the call.

Qin: Yeah that was cute.

Lola: I know.

Terrorsaur: That was a big day for all of us though.

Himiko: That was a great war for you guys though.

Me: We've had many more before that one before many of you guys joined the team.

Nico: We sure did. Too many to count.

Haruto: But it's good you guys all won in them.

Me: Yeah that's true.

Nico: Yue even turned down Eddy's suggestion for a clip show instead.

Me: Yeah but he had to do things his way and we had to do things his way. But I took the battle to another planet.

Nico: Yes you sure did.

Camie: That was smart thinking there.

Laney: It sure was.

Pinkie Pie: That is amazing! But I'm glad you guys won that one.

Me: Yeah.

Nico: I'm gonna get something from the cafeteria.

Me: Okay but hurry back.

Nico used his super speed and ran to the cafeteria and came back with a bunch of burgers.

Nico: Fast enough?

Me: Perfect.

Nico: Thanks. Also J.D. great job resurrecting Lucy's mother.

Me: Thanks Nico. You did say that she was a backup member. So I resurrected her.

Maria: I take it she saw everything about her so-called husband?

Me: She sure did and she is glad Jude is in prison.

Qin: Good. That bastard deserves to be locked up.

Tsuyu: Yeah no kidding. I'm glad he is.

Nico: Yeah.

Maria: I'm so happy for Lucy.

Camie: Me too Maria.

Himiko: Same here.

Eri: We all are happy for her.

Ibara: Yeah.

Me: Okay guys lets head back to training. And I sense some uninvited guests here too. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: What kind of Uninvited guests?

Me: Here's one of them!

I fired a blast of blue fire and it hit a rock and exploded and out came NEEDLE HAIR!

Himiko: Needle Hair!

Nico: Now we're talking!

Me: Yep. We already killed them before so we'll have them sent to the Masters of Evil.

Needle Hair: NO WAY will I go to the Book of Vile Darkness!

Me: I'll face you first.

I went and jumped in front of her and she sent her needle hair at me and I slashed the strands with my scythe and fired waves of blue fireballs and they hit the rocks around her and exploded!

KRABBBBBBOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOOOOOOOOMMM!
KRABBBBOOOOOOOOOOOOOOOOOMMMM!

She jumped me and I kicked her in her face and smashed her into a rock.

Me: Chew on this! (ACTIVATES NEEDLE HAIR'S RIDEWATCH)

(MAD RHETORIC TOONAMI MUSIC PLAYS)

I fired waves of blue streams of fire and blasted down Needle Hair with the fire and it exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down but not out!

Kaito: (takes out Zero One gear) Our turn now!

Zocks: (gets out Zi O gear) I think we can do this!

Me: I KNOW you all can do this.

Terrorsaur: Time for some action. Terrorsaur, TERRORIZE!

He transformed!

Kaito got a Progrise Key Sword and Zocks got a Zi-O Sword!

Qin: Oh yeah!

Needle Hair: You will pay for what you did to All for One!

Me: All for One got what he deserved for his crimes. WOLF MOON FLAME STYLE NINJA ART: SKULL STORM!

I swung my scythe and fired waves of blue fire and the blast formed into a bunch of fire skulls and they smashed her down and knocked her out.

Me: One down.

Then MARTIAL HAIR came out!

Nico: Martial Hair!

Martial Hair: DIE!

She charged at me with Drills for her hair and I formed a force field and blocked them.

Fiona Hernandez: Time for you to burn! HYPER BLAZE!

She fired a massive blast of fire and it hit her and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Sougo: (gets out Lightspeed Rescue Ridewatch) Don't leave us out!

Geiz: (gets out Wing Knight Ridewatch) I got the name of the Ryuki Ridewatches changed. But the activation sounds are still the same.

Armor Time! (Darkwing screeching followed by keyboard music) Advent! Knight!

Sougo got LightspeedRescueArmor while Geiz got WingKnightArmor.

They fired laser blasts and knocked out Martial Hair.

Then out came SICKLE CLAW!

Me: Whoa you look like a slug.

Sickle Claw: Yeah I get that a lot. Name's Sickle Claw.

Me: I like the name. And it fits perfectly with your scythe blade hands.

Sickle Claw: Thanks for the compliment.

Me: You're welcome.

I swung my scythe and he clashed with it and then Ochaco touched him and lifted him into the air.

Nico: Nice! Now for this.

Eri: Let me do one Nico.

Nico: Sure Eri.

Eri activated her Ridewatch for Barnyard Dawg!

(ANGEL OF DARKNESS BY ALEX CHRISTENSEN AND DA ANGERBOYZ PLAYS)

Eri: (SINGING DIVINELY AS PITCH BLACK ANGEL WINGS SPREAD AND DARKNESS SWIRLS AROUND HER)

Angel of Darkness

Angel of Darkness

The world is in your hand

But I will fight until the end

Angel of Darkness

Angel of Darkness

Don't follow your command

But I will fight and I will stand

When darkness falls pain is all

The Angel of Darkness

Will leave behind and I will fight

The love is lost

Beauty and light

Have vanished from garden of delight

The dreams are gone

Midnight has come

The darkness is our new kingdom

Angel of Darkness

Angel of Darkness

The world is in your hand

But I will fight until the end

Angel of Darkness

Angel of Darkness

Don't follow your command

But I will fight and I will stand

Hunt goes on deep in the night

Time to pray down on your knees

You can't hide from me

Etern the light

Until my last breath I will fight

(I will fight, I will fight, I will fight, I will fight)

Now realize

The stars they die

Darkness has fallen in paradise

But we'll be strong

And we will fight

Against the creatures of the night

Angel of Darkness

Angel of Darkness

The world is in your hand

But I will fight until the end

Angel of Darkness

Angel of Darkness

Don't follow your command

But I will fight and I will stand

She flew and fired waves of energy and they formed into cartoon gags and bashed Sickle Claw down!

Qin: That was great Eri!

Me: Well done kiddo. Not bad for your first time using a Ridewatch.

Eri gave me an eye smile.

May: You could be a good archenemy for our friend Damon.

Me: That's true. We picked you as the Archenemy of Damon from the Lost Galaxy Rangers.

Sickle Claw: I'm honored to have one of the Power Rangers as my archenemies.

Nico: Yep. And we picked Jason Lee Scott as the Gold Zeo Ranger as Martial Hair's archenemy.

Eli: And Kat Hillard as Needle Hair's archenemy.

Qin: Yep.

Sickle Claw: Neat.

Nico: Yeah.

Sickle Claw: Yep. I know when I'm beat.

He left and went to the bleachers.

Then out came GORILLA!

Gorilla (MHA): I'LL SMASH YOU!

Nico: I don't think so!

Terrorsaur: Chew on this!

He fired waves of energy from his blaster and smashed Gorilla down in powerful fiery explosions!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOMMM!
KRABBBBBOOOOOOOOOMMM!

Nico: Yeah!

Me: And this too. (ACTIVATES BEAST WARS MEGATRON'S RIDEWATCH)

I fired Purple Laser Blasts and they hit Gorilla and knocked her down and she was out cold.

Nico: YEAH!

Me: Doing great so far guys! Keep it up!

Ibara: Will do.

?: YOU HEROES WILL DIE!

Then a figure came out and it was CHIZOME AKAGURO A.K.A. STAIN THE HERO KILLER!

---

Chizome Akaguro, or better known as Hero Killer: Stain and formerly the vigilante Stendhal, is a major antagonist in the Manga/Anime Series My Hero Academia. He is a Villain and former vigilante that is notorious for killing many Pro Heroes that go against his ideology. He serves as the main antagonist in the Vs. Hero Killer Arc, and the titular main antagonist in the Stendahl Arc of My Hero Academia: Vigilantes.

He is voiced by Gou Inoue in the Japanese version who also voiced Keyloid from Tokumei Sentai Go-Busters, and Robert McCollum in the English dubbed version, the latter of whom is best known for voicing Shinobu Sensui in Yu Yu Hakusho, Reiner Braun in Attack on Titan and Donquixote Doflamingo in One Piece.

Sometime before the series Chizome was inspired by All Might to enter a private hero school to be just like him. However, he descended into hopelessness and despair after realizing that most students simply wanted fame and fortune. This caused Chizome to drop out and start the revival of heroes ideology but no one listened, so eventually he became the vigilante Stendhal using action and violence to change the world.

Chizome later took on a career as a vigilante named Stendhal, where he would kill villains. Around this time, he was working in a villain operation with Kuin Hachisuka, who was selling drugs to criminals that would enhance their Quirks. Later on, he got himself in a fight with the vigilante, Knuckleduster, who ended up smashing his nose. Stendhal eventually returned back to Kuin, only to betray her. Eventually, he cut off his entire nose completely and eventually becomes his current persona, Stain.

Stain was first mentioned in an incident where he nearly killed Ingenium. He later appeared on a building in the middle of town. He began by stating how people are misguided and that he will be the one to show them reality. He was approached by Kurogiri who asked that they could meet elsewhere.

Stain was brought to the League of Villains hideout where he met Tomura Shigaraki, who was interested in making him join his group. Stain had no interest, as he did not approve of Tomura's goals of destroying All Might and other people who stands in his way. Their meeting ended up becoming physical when Stain had pinned down Tomura but amused by his defiance. As the meeting with the League of Villains ended, he expressed interest in seeing Tomura develop with time and asked to be returned to Hosu so that he could resume his work.

Stain cornered a hero in the alley that he deemed a fake. He was about to kill him until Tenya Iida decides to confront him. Chizome did not want to fight the teen but the latter was insistent on getting vengeance on for his older brother, Igenium, that he nearly killed. After getting into a skirmish, Stain decides that he would kill Tenya since he did not uphold the true values of a hero and was blinded by vengeance and vigilantism. Izuku appeared soon enough to prevent Stain from killing Tenya.

The fight continued when Stain overwhelmed Izuku. He decides that he would spare Izuku's life since he is a true hero who is willing to save his friend. Stain turned his attention back to attempting to kill Tenya and other individual. Shoto also appeared as a back up to stop Stain from killing the men. The fight dragged on for nearly ten minutes until Stain was knocked out by a combined attack from Izuku and Tenya.

After the fight, Stain was immobilized and taken by the men and was about to be handed over to the police. When one of the Nomus tried to kidnap Izuku, he got up and immediately attack the Nomu. He saved Izuku and then decided to take him as a hostage. Endeavor appeared on the scene, as Stain let out an intense amount of blood lust which left everyone there in fear. Before collapsing from his injuries, he said that he would not want to be killed off by any of the fake heroes and that he deserves to be killed off by All Might. After collapsing, Stain was taken into custody by the police. His detainment became one of the major news outbreak throughout Japan and other places.

After his arrest and imprisonment, Chizome's ideology would become an inspiration to many villains and an excuse to commit horrible crimes against the public.

After All For One was defeated, he was later arrested and placed in Tartarus. Stain observed him, while still recovering from his injuries.

Stain was still kept imprisoned in Tartarus, along with many other villains, and appears to have fully recover from his injuries. He was originally planned to have a face to face meeting with All Might himself, but due to unknown circumstances, All Might had to delay the meeting.

Like the rest of the prisoners, Stain was freed from his imprisonment when Tomura proceeded to break into the prison with Near-High End Nomus, allowing him to escape. He eventually made his way to an abandoned building, presumably his home, where he came across his katana and unsheathed it. Free to operate under his own terms now, he proceeds to resume his duty as the Hero Killer once more. He then eavesdropped on Izuku's conversation with All Might, telling his mentor that he shouldn't worry about him since he can now take care of himself, before leaping away as All Might collapses and cries.

---

Me: So you are Stain!

Nico: Not good!

Himiko Toga: I don't know what the hell I was thinking wanting to become like you!

Me: Well you'll be the second villain we gave the Black Gates too!

Stain: YOU SHUT YOUR FUCKING MOUTH!

Me: Bite my big fat fucking ass motherfucker!

He roared in rage and then I swung my scythe and then slashed and cleaved him in half and bisected him!

I went over to Stain.

Bakugo: Jesus, I know certain heroes are in it for the fame but that doesn't mean they have to be murdered!

Nico: You got that right. With Great Power Comes Great Responsibility.

Me: That's right! And Stain, You are not fit to be in the Masters of Evil.

I drew a kanji on him and then gave him the Black Gates. He was obliterated from existence forever!

Izuku: Don't know how many reunions I can take.

Me: As long as the rest are all minor villains. But at least Stain is gone forever now.

Nico: Yeah I hated that guy.

Me: Me too. But he was too easy.

Lincoln: And I sense that the Church of Necrom brought him back.

Me: Not good.

Then we saw MOONFISH! He was totally wrapped up in black bindings and was laughing like an insane and totally fucked up lunatic.

Me: So he is Moonfish!

Maria: Aisha can be his archenemy.

Me: Yep. We agreed on that.

Nico: Yeah.

He sent blades at us from his mouth and I slashed them and melted them and teleported and kicked him in the face and knocked him out.

Qin: YEAH!

Dabi then came out!

Me: Dabi, good to see you again.

Dabi: You too J.D. And thank you for giving me the love that I lost back when my father hurt me.

Me: It was my pleasure Dabi. But you will be my brother because no one deserves to be treated that way.

Dabi: You're right on that. Thank you. And I have good news. I picked Zach Taylor as my archenemy.

Nico: Cool! Zach will love that.

Dabi: Also, what was up with that little pink guy when I saw you guys?

Nico: He was nervous about the battle All For One that he drank alcohol.

Me: We have Digimon and Pokemon that drink beer. It's really crazy.

Eli: Yeah.

Dabi: Wow that is really unusual.

Qin: It sure is.

Me: If we ever see Endeavor we need to have a serious talk with him.

Nico: Yeah he has no right to treat his son the way he did.

Laney: I agree with you there.

Dabi: Don't be too harsh on him. He's shown a lot of remorse for that. And besides, no matter our differences, he's still my father.

Me: Okay. We'll try to keep our tempers discreet. We already have too much on our plates anyway because of the war coming up in the next couple of days.

Nico: Yeah.

Eli: Yeah.

Me: Endeavor if you are here we need to talk.

Endeavor then came.

Endeavor: You called?

Me: We need to talk about your son Dabi.

Nico: But first we need to stop the fight but just temporarily.

Me: Everyone stand down for a sec. We need to have a talk with Endeavor here.

They did so.

Me: Okay sorry about that.

Endeavor (chuckles weakly): Whatever you have to say about my treatment of my son, I won't hold against you. I've been hating myself for that as well.

Bakugo: You need to be a better dad. That's all I'm saying.

Me: I agree there. Now I believe you owe your son something to say.

Endeavor went over to Dabi.

Dabi: Dad I..

Endeavor: No son it's all MY fault. I put too much pressure on you and caused you too much pain and made you snap and turn you into a monster. I should not have pushed you so hard the way I did and that I am so sorry. I should have been a good father to you.

Dabi: You don't need to go further then that. There's plenty of blame to go around. On both of us.

Endeavor: I know son.

They hugged and it was great.

Nico: At least that is one bond repaired.

Me: Maybe we can have Dabi join the Redemption Squad too.

Nico: Good idea.

Endeavor: If you don't mind, me and my son have some catching up.

Me: Go for it.

They went to the bleachers.

Me: Now we can get back to the battle.

Camie: Yeah. At least Dabi and Endeavor reconciled.

Me: That's good they did.

Qin: Yeah.

Maria: At least he wasn't like Ozai.

Me: Thank goodness. That's the last thing anyone wants.

One by one we defeated numerous minor villains that were all in the M.O.E.

Me: That was all too easy. And we gave Stain the Black Gates.

Qin: We sure did.

Momo: Thank goodness.

Me: But we're not done yet.

Then we saw a floating turtle shell? Then out came a black version of Terraspin!

Me: Whoa! Another Terraspin!

Nico: Wow! This is the final alien of the Andromeda Galaxy 5.

Qin: Yep.

Me: And who is our Geochelone Aerio friend here?

Another Terraspin: (In a girls voice) You do know me J.D.

Me: (Gasp!) Florrence Gunnerson! Wow!

Nico: You know her?

Me: I sure do. Her name is Florrence Gunnerson and she is a girl who doesn't remember her origins prior to meeting me.

Nico: Wow what happened?

Me: She had no recollection of her family or origins because she was dropped off at an orphanage as a baby. So when we were in school I did some detective work with her and some DNA Tests. What we found out is that her biological mother Miranda fled the country to get away from her Abusive husband Jack who was a convicted murderer.

Everyone gasped!

Nico: That's terrible! But she did the right thing getting away from him before he could kill her.

Eli: Where is she now?

Me: She's living on an island hidden on a lake in Laos.

Nico: Wow.

Me: Yep. Jack was executed for capital murder and buried in an unmarked grave.

Nico: Wow! That's good that her mother saved her by putting her in that orphanage.

Another Terraspin: That's right. And thank goodness mom left. She loved me more than anything.

Me: She sure did.

Qin: Yeah.

Albedo turned into Negative Terraspin.

Negative Terraspin: Did Swartz promise you anything?

Another Terraspin: Just to reunite me with my mother.

Me: We can easily do that for you later on.

Nico: Yeah we sure can.

Another Terraspin: I know. And I knew that Swartz was lying to me too.

Nico: Good.

Me: Sorry we have to fight like this.

Another Terraspin: I know. But hit me with your best shot!

Me: With pleasure! (ACTIVATES PHARAOH'S RIDEWATCH) I hope one day we can help Tenchi Masaki and his friends soon.

(THE TIDE IS HIGH BY ATOMIC KITTEN PLAYS)

Me: (SINGING DIVINELY AS EGYPTIAN SYMBOLS SWIRL AROUND ME)

Never give up

Never give up

The tide is high but I'm holding on

I'm gonna be your number one

I'm not the kind of girl
Who gives up just like that
Oh, no
It's not the things you do that tease
And hurt me bad
But it's the way you do the things you do to me
I'm not the kind of girl who gives up just like that
Oh, no
The tide is high but I'm holding on
I'm gonna be your number one
The tide is high but I'm holding on
I'm gonna be your number one
Number one (Number one)
Number one (Number one)
Every girl wants you to be her man
But I'll wait right here 'til it's my turn
I'm not the kind of girl
Who gives up just like that
Oh, no
The tide is high but I'm holding on
I'm gonna be your number one
The tide is high but I'm holding on

I'm gonna be your number one
Number one, number one
Every time that I get the feeling
You give me something to believe in
Every time that I got you near me
I know the way that I want it to be
But u know I'm gonna take my chance now
I'm gonna make it happen somehow
And you know I can take the pressure
A moment's pain for a lifetime's pleasure
Every girl wants you to be her man
But I'll wait right here 'til it's my turn
I'm not the kind of girl
Who gives up just like that
Oh, no
The tide is high but I'm holding on
I'm gonna be your number one
The tide is high but I'm holding on
I'm gonna be your number one
Every time that I get the feeling
You give me something to believe in
Every time that I got you near me

I know the way that I want it to be

But u know I'm gonna take my chance now

I'm gonna make it happen som how

And you know I can take the pressure

A moment's pain for a lifetime's pleasure

The tide is high but I'm holding on

I'm gonna be your number one

I danced and fired waves of energy and symbols and smashed her down all over.

Qin: Yeah!

Nico: (takes out Xaldin's ridewatch) Time to blow you away!

Nico activated it and got Xaldin's spears.

(ROCK YOU LIKE A HURRICANE BY THE SCORPIONS PLAYS)

Nico: (SINGING DIVINELY AS TORNADOES SWIRLED AROUND HIM)

It's early morning, the sun comes out

Last night was shaking and pretty loud

My cat is purring, it scratches my skin

So what is wrong with another sin?

The bitch is hungry, she needs to tell

So give her inches and feed her well

More days to come, new places to go

I've got to leave, it's time for a show

Here I am

Rock you like a hurricane

Here I am

Rock you like a hurricane

My body is burning, it starts to shout

Desire is coming, it breaks out loud

Lust is in cages 'til storm breaks loose

Just have to make it with someone I choose

The night is calling, I have to go

The wolf is hungry, he runs the show

He's licking his lips, he's ready to win

On the hunt tonight for love at first sting

Here I am

Rock you like a hurricane

(Are you ready, baby?)

Here I am

Rock you like a hurricane

Here I am

Rock you like a hurricane

Here I am

Rock you like a hurricane

Rock you like a hurricane

It's early morning, the sun comes out

Last night was shaking and pretty loud

My cat is purring, it scratched my skin

So what is wrong with another sin?

The night is calling, I have to go

The wolf is hungry, he runs the show

He's licking his lips, he's ready to win

On the hunt tonight for love at first sting

Here I am

Rock you like a hurricane

(Are you ready, baby?)

Here I am

Rock you like a hurricane

Here I am

Rock you like a hurricane

(Come on, come on, come on, come on)

Here I am

Rock you like a hurricane

Here I am

Nico danced and fired wind blasts and smashed Another Terraspin down.

Camie: Awesome! Now for this! (Activates Evil Aurora Woman's Ridewatch)

(LIVE FOR THE ONE I LOVE BY CELINE DION PLAYS)

Camie: (SINGING DIVINELY AS AURORA SWIRLS AROUND HER)

A million stars' light

This beautiful night

This is not a night to die

Let me sing and dance beneath the sky

I have such love to give, to give

I want a chance to live

Live, for the one I love

Love, as no one has loved

Give, asking nothing in return

Free, free to find my way

Free to have my say

Free to see the day

Be like I used to be

Like a wild bird free

With all of life in me

Live, for the one I love

Love, as no one has loved

Give, asking nothing in return

Though this world tears us apart

We're still together in my heart

I want the world to hear my cry

And even if I have to die

Love will not die

Love will change the world

Live, for the one I love

Love, as no one has loved

Give, asking nothing in return

I'll love until love wears me away

I'll die and I know my love will stay

And I know, I know my love will stay

She danced and fired waves of energy and aurora and smashed her down.

Eijiro got out a record player and started playing the TMNT song.

Tenya: Dammit, Eijiro! Now is not the time!

Nico: I thought that was funny.

Me: Yep.

Qin: But now for some fun. (ACTIVATES CAPTAIN COLD'S RIDEWATCH) Time to freeze!

She fired an ice blast and froze Another Terraspin!

Nico: Awesome!

Tea: My turn!

She activated Copperhead's Ridewatch.

She danced with the power of the snake and fired waves of fire and smashed down Another Terraspin!

Qin: OH YEAH!

Camie: That was awesome Tea!

Tsuyu: Yeah!

Tea: I've learned a lot about dancing.

Maria: We can tell.

Nico: Yeah.

Me: So awesome.

Laney: Yep.

Nico: Hope the next gene-slammers come.

May: They should be here any minute now.

?: Did someone call!?

We then saw 21 figures appear and they were The Agents of The Planets and the Legendary Planets!

Me: WHOA! The Agents of the Planets and the Legendary Planets!

Master Hyperion: (In a girls Voice) Yep.

They reverted back and we saw that they were 21 girls and had Angel Wings of their signature colors and had the symbols of the planets on their arms and foreheads!

Nico: That's cool!

Qin: Wow! And Queen Serenity and Sailor Moon are with us right now.

Eli: Yeah.

Camie: It's a long story on that.

Izuku: Yeah.

Nereid Halinora: We'll have to hear about it soon.

Charon Halinora: Yeah it will be awesome.

Gaea Halinora: First lets get Florrence here back to normal.

They fired waves of elements and smashed her down and she reverted back and I caught her ridewatch and purified it.

Me: Francesca Giordano is definitely getting this one.

I went over to Florrence and she was a girl with green hair and blue eyes and had green clothes.

Florrence Gunnerson: (GROANS) What a headache.

Me: You'll be all right.

I held her and picked her up.

Maria: This sets the record for the most Gene Slammers in one day:

Nico: Boy it sure does.

Eli: But it's awesome having you all with us.

Bianca Halinora: I agree too.

Vega Halinora: We saw your battle and it was all awesome.

Me: It sure was. Vega what happened to your face?

Vega Halinora: Oh this? I've had this scar since I got into a fight with a bully at school. He slashed my face when I was defending a kid from him.

Maria: Ouch!

Nicole Halinora: Yeah we discovered all kinds of nebulae and new kinds of planets out there and they were amazing.

Kamie Halinora: They were all cool. We got junior astronomer awards for them too.

Nico: We sure did.

Lisa Loud: That is most amazing and impressive.

Nico: Yep.

Nico hugged them all.

Nico: I missed you girls.

Halinora sisters: We missed you too Nico.

We later went back home.

Lincoln: Wow, we're here in Austin, Texas, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're going to destroy Lord Raptor from the Darksiders franchise.

Nicole: Oh, I know that undead rocker all too well, he's been trying to get his hands on Hsien-Ko, and he thinks he's in love with her.

Nico: What?! Oh, he's going down!

Me: Big time.

Hsien-Ko: As if I'm going to let King Raptor get his hands on me, he's going to get burned alive.

Lincoln: Don't worry, Hsien-Ko, that's what we're going to do to him, and this time, he's never rising from the grave again. And thanks for joining us, Alexis.

Alexis: You're welcome, Lincoln, and this is our first time here in Austin, Texas.

Luna Loud: It's also known as The Music Capital of The US, and I've always wanted to come here to Austin, Texas. But, if that zombie rocker thinks he's getting his hands on Hsien-Ko, I'll show him what happens when he uses rock and roll for evil.

Lincoln: I think he needs a nice hard lesson on that, Luna.

Vinyl Scratch: Using music for evil, that reminds me of Evil Juniper Montage, that vain celebrity wannabe.

Luna Loud: But, unlike her, King Raptor has talent in rock and roll.

Nico: But using it for evil and trying to make Hsien-Ko his, that's one thing that's about to cost him his undead life.

Lincoln: Yeah.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of five girls calling for help, along with the sound of maniacal laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by King Raptor, and he's going to claim their souls.

Lincoln: Let's get over there at once, guys, I found the five girls, but they've been cornered by King Raptor, and he's going to claim their souls.

?: (Girl's voice) That undead evil rocker, let's get him.

Suddenly, we saw Endymion, the Mighty Master of Magic, appear before us.

Nico: Whoa, that's Endymion, the Mighty Master of Magic, cool.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Sheena Kagari, but we'll talk later, we've got an evil undead rocker to deal with.

We rushed over, and right before King Raptor could claim their souls, Lincoln fired powerful rainbow energy balls and elemental forces at King Raptor, and that allowed the five girls to get to safety and inside a rainbow energy field created by Lincoln to protect them from King Raptor, and when that zombie rocker saw Hsien-Ko with Lincoln, that pissed him off.

Lincoln: Should've known you'd rise from The Underworld to get your hands on Hsien-Ko again, King Raptor.

Hsien-Ko: And I'm here to tell you that you aren't going to try and make me yours, I'm with Lincoln, because he's a kind, compassionate, and strong man, and you're nothing but evil.

King Raptor: (Australian Accent) Then, I'll kill him and make you mine!

Lincoln: You can't kill me, I'm immortal, but you, you're not going to be for much longer.

We cheered wildly as we holster our weapons and powered down.

Lincoln, Luna, and Vinyl Scratch: GOODNIGHT AUSTIN, TEXAS!

Nico: AWWW, YEAH!

Lincoln: Consider this your last rock and roll tour, King Raptor. (To Sheena Kagari) And it's so good to see you again, Sheena Kagari.

Sheena Kagari reverted back to normal, and she's a beautiful girl with long flowing hot pink hair, turquoise eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful hot pink angel wings, and she reigned in the power of Endymion, The Mighty Master of Magic, and she's dressed in a short-sleeved dark purple blouse, sleeveless purple crop top, purple skirt, black pants, purple sneakers, and long sleeveless purple trenchcoat with magic and stars on the coattails, and Endymion, The Mighty Master of Magic on the back, and holstered on her back is a large Endymion, The Mighty Master of Magic-themed greatsword with Endymion, The Mighty Master of Magic etched on the 7'0" massive, wide, double-edged purple blade, purple angel wings for the crossguard, large turquoise gem embedded in the rainguard, longer black handle, and a large purple gem surrounded by angel wings for the pommel.

Sheena Kagari: You too, Lincoln, it's been a long time.

Lincoln went up to Sheena Kagari and they hugged, and Sheena Kagari is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Sheena Kagari: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Sheena Kagari, she's my Guardian

Angel from Japan and classmate in cooking, but also a talented and powerful magician. It was Sheena that taught me how to use the spells in each category from the Elder Scrolls franchise: Illusion, Alteration, Destruction, Conjuration, and Restoration.

My jaw and Nico's dropped.

Nico: No way, you also know how to use the spells in each category from the Elder Scrolls franchise: Illusion, Alteration, Destruction, Conjuration, and Restoration?!

Lincoln: Yep, sorry I didn't tell you about that. But, you'll see them in action soon.

Me and Nico: That's okay, Linc.

Lincoln: Thanks, J.D. and Sheena even made a massive book that reveals the history of Tamriel from the early days to the events of Skyrim, in addition, it holds all of the information about everything else about Tamriel: from the cultures to even the spells themselves.

Sheena took out a massive book and in its pages was the history of Tamriel from the early days to the events of Skyrim, in addition, it holds all of the information about everything else about Tamriel: from the cultures to even the spells themselves, and we were stunned.

Nico: This is incredible: a detailed account of Tamriel from the early days to the events of Skyrim, and all the information about everything else about Tamriel from the cultures to even the spells themselves.

Me: Yeah, that's awesome.

Lincoln: I also made Sheena an indigo blue bikini and took her to the beach, where Sheena kissed me on the lips.

Me: That's awesome.

Lincoln: Plus, I also found out she's also the cousin of Akko Kagari and she hates Icky Vicky with a burning passion.

Nico: What? She's Akko's cousin? That's so awesome, then that means, she's also a witch.

Akko: That's right, and it's so good to see you again, Sheena.

Sheena Kagari: You too, Akko.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Sheena Kagari's neck with purple gems on the gold thunderbolt links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Sheena Kagari: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're part of my harem and one of my many future wives, Sheena.

Sheena Kagari had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Sheena Kagari's waist and Sheena Kagari wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Hikari Touno, Marie Vlaanderen, and Nana Izumizaki from Super Mobile Legend Dinagiga, Sara Yuki from Choujuu Kishin Dancougar, and Laura Sullivan from Super Bestial Machine God Dancougar.

Lincoln: Oh wow, it's Hikari Touno, Marie Vlaanderen, and Nana Izumizaki from Super Mobile Legend Dinagiga, Sara Yuki from Choujuu Kishin Dancougar, and Laura Sullivan from Super Bestial Machine God Dancougar.

Nicole: Awesome.

Lincoln: Are you girls okay?

Hikari Touno: Yes, we're okay, thanks to you.

Then, when Hikari Touno and the other four girls saw who it was that saved them from King Raptor, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Hikari Touno: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Hikari Touno: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Hikari Touno, Marie Vlaanderen, Nana Izumizaki, Sara Yuki, and Laura Sullivan with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone what happened, and they were shocked when they found out the villain we went after was King Raptor from the Darksiders franchise.

But, when Lincoln showed what he, Luna, and Vinyl Scratch did in rocking the house down and sending that zombie rocker to The Black Gates, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Sheena Kagari have a lot of catching up to do, now that she's back in town.

Maria: Did King Raptor get sent by The Church of Necrom to destroy us? Because, if they did, they've just… !

Nicholette Torrington: No, it wasn't, it was due to finding out Hsien-Ko is now part of Linky's harem, and that's what pissed him off, it was just pure jealousy.

Bertha Sellington: But, that undead zombie rocker got sent to The Black Gates, thanks to Lincoln, Luna, and Vinyl Scratch rocking Austin, Texas, and sending King Raptor into permanent retirement.

Lincoln: That'll teach him for using rock and roll for evil.

Nico: Yeah.

---

After sending King Raptor to The Black Gates, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sheena Kagari saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sheena Kagari: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sheena, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sheena Kagari: That's incredible.

Nico: It sure is. So, Sheena, what memories did you have with

Lincoln?

Sheena Kagari: Oh, I got a good one, it was while I was teaching Lincoln how to use the spells in each category from the Elder Scrolls franchise: Illusion, Alteration, Destruction, Conjuration, and Restoration. I realized that his skills in magic were growing even more and he was learning a lot about magic, so I decided to put those skills to the test: I created wooden dummies of the villains from the past that you guys killed, and he demonstrated the Destruction category spells by using Lightning Storm, and he fired a powerful continuous stream of lightning at the wooden dummies and they were destroyed.

Mara: That's truly amazing.

Sheena Kagari: It also gets even better, Mara, we suddenly heard the sound of a loud angry shriek in the air, and we saw who it was: it was Lori, and she was really mad as heck again, and she was heading over to kill Lincoln again for another stupid reason, and he demonstrated the spells from the Illusion category by using Hypnotic Gaze, and he forced Lori to look into his eyes, and she fell under the spell and he ordered her to head back home and tell the parents of what she tried to do to her own brother, and she got grounded for nine weeks.

Nico: Whoa, you also used Hypnotic Gaze?! Wow!

Me: No wonder Lori confessed like that on that day, that was awesome.

Sheena Kagari: He also demonstrated the spells from the Alteration category by using Transmute by turning a piece of Iron Ore I found in the park into a silver bar, for the Conjuration category, he used Flame Thrall, Frost Thrall, and Storm Thrall and summoned a Flame, Frost, and Storm Atronach, and for the Restoration category, he used Guardian Circle and protected us both from Lynn, who was on yet another rampage, and she was driven off.

Luna Loud: No wonder I saw Lynn panicking like crazy, she tried to step into The Guardian Circle and unfortunately, she was driven off.

Nico: And you were also able to summon a Flame, Frost, and Storm Atronach, Linc?! That's really awesome!

Me: It sure is. Plus, I was surprised Sheena made a massive book revealing the history of Tamriel from the early days to the events of Skyrim, in addition, holding all the information about everything else about Tamriel: from the cultures to even the spells themselves.

Lincoln: It was really incredible that she made that book about Tamriel.

We got a shower afterwards, and then, we were heading out for a special mission: Lincoln and Relena Septim are going to destroy The Aldmeri Dominion as they have caused nothing but trouble especially starting the Skyrim Civil War in the first place.

Nico: So, this is it, we're going to destroy The Aldmeri Dominion.

Lincoln: Yeah, those bastards have caused nothing but trouble, especially since they were the ones who started the Skyrim Civil War in the first place, and since Relena Septim is the daughter of Uriel Septim VII, that makes her heiress to the Empire of Tamriel.

Relena Septim: Yes, but as long as The Aldmeri Dominion are still here and running loose, the Empire of Tamriel and its people are not safe, Lincoln.

Lincoln: Their days of causing trouble for the Empire of Tamriel and the people are about to end here and now, Relena. We're both going to put an end to them here and now, and ever since the word had reached of Lord Naarfin's death, they're now wanting blood, but they all made a very huge mistake in underestimating their opponent.

Eli: Yeah. So, where are they at?

Lincoln: Their headquarters are at the Thalmor Embassy, Northwatch Keep, Thalmor Headquarters, Abandoned Lodge, and Northshore Landing. So, I think we should destroy the Thalmor Embassy, Northwatch Keep, Abandoned Lodge, and Northshore Landing, and then, we go together to destroy Thalmor

Headquarters.

Nico: Good idea, Linc.

We advanced and proceeded to destroy the Thalmor Embassy, Northwatch Keep, Abandoned Lodge, and Northshore Landing, and we also killed the Thalmor Archers, Thalmor Soldiers, Thalmor Wizards, Northwatch Archers, Northwatch Guards, and Northwatch Wizards who were stationed there as well, and Lincoln absorbed all of the spilled blood and absorbed and assimilated all of their powers.

Then, we head for The Thalmor Headquarters, and waiting for us were Elenwen, Ancano, Ondolemar, Rulindil, Ancarion, Captain Valmir, Estormo, Muril, and Agent Lorcalin and they were furious.

Elenwen: So, the killers of Lord Naarfin have arrived. Now, we will kill you all and reduce the Empire of Tamriel to ashes!

Lincoln: That's never going to happen, Elenwen.

Relena Septim: That's right. For many years, The Aldmeri Dominion have caused nothing but trouble, and for what you monsters have done in causing the Skyrim Civil War, there can be no forgiveness for any of you. For the numerous crimes you've committed against the Empire of Tamriel and the people, you are all sentenced to death.

Relena Septim and Lincoln unholstered their massive greatswords and went after Elenwen, Ancano, Ondolemar, Rulindil, Ancarion, Captain Valmir, Estormo, Muril, and Agent Lorcalin, and they proceed to cut them down and Lincoln sucked out and absorbed and assimilated all of their magic and powers and he made them his own, and then, they cut off their heads, and then, they sent them to The Black Gates forever. Relena and Lincoln holstered their massive greatswords on their backs, and they fired energy beams which destroyed The Thalmor Headquarters for good.

Nico: That'll teach those supremacist bastards!

Lincoln: Yep, today marks the end of The Aldmeri Dominion, and now, with their deaths, peace will finally return to the land of Tamriel

once and for all.

Then, Relena Septim went up to Lincoln, and Lincoln wrapped his abnormally massive and powerful arms around Relena Septim and she was blushing even more when she was wrapped around Lincoln's massive and extremely muscular body, and then, he leaned down to her face and kissed her on the lips, which she returned as she wrapped her arms around his thick muscular neck, as we all cheered.

Mara: Finally, The Aldmeri Dominion is gone for good, and Tamriel can finally be at peace.

Kynareth: Along with the people.

Dibella: Their desire to destroy everything and all for power led to their undoing at the hands of the heiress of The Empire of Tamriel and her future husband.

Mara: Indeed, Dibella.

We returned home to The World Tree Estate, and Relena Septim and Lincoln were named Heroes and Defenders of the Empire of Tamriel, and we were rid of The Aldmeri Dominion for good, and with their deaths, Tamriel and its people can finally live in peace.

* * *

We were later at the mall and we were having an awesome shopping trip.

Volcana: This is a nice day to be buying stuff.

Nico: Boy you said it Claire.

Qin: Yeah.

Maria: Yeah.

Rainbow Dash: Guys, where are the mascots?

But then…

CLICK!

Me: Uh oh! The power went out.

Then we heard banging and it was coming from the elevator.

Poromon: GUYS! WE'RE IN HERE!

Me: Uh oh!

We went to the Elevator.

Nico: Are you guys stuck in there?

Manaphy: Yeah! We were trying to catch up to you guys but the Elevator stopped and the lights went out.

Me: A blown fuse. Don't worry guys. Me and Zipp will fix it. Hold on.

Zipp Storm: Lets go.

Me and Zipp went down to the basement of the mall.

Poliwag: Horsea, when do you think Maria and William's wedding will be?

Horsea: No idea Poliwag. But it's going to be soon.

Poliwag: I'm so excited!

In the basement me and Zipp found the fuse box.

Me: There you are.

Zipp Storm: Lets see.

We opened it.

Me: Lets see.

We saw a broken fuse circuit.

Me: There it is.

I turned off the fuse box and pulled out the circuit.

Me: Okay.

I put in a new fuse and put the circuit back in and then turned it back on and the power came on.

Zipp: There we go!

Me: All fixed.

I closed the box and we came back.

Nico: All fixed.

Octane: You guys okay in there?

Poliwag: Yeah the power is back on.

They pushed the button and came down and the door opened and they jumped into our arms.

Horsea: That was crazy!

Me: Me and Zipp fixed it. It was a blown fuse.

Nico: Good job guys. You're quite the electricians.

Me: I did a lot of work with the wiring with my dad.

Nico: Cool.

Sandstorm: I hope you guys weren't scared.

Horsea: Nah. We were cool.

Manaphy: Besides we were in tighter spots than that.

Camie: At least you weren't scared.

Me: Yeah no kidding.

Varie: Yeah.

Tussle Sprout: Horsea, in case Maria is unavailable for any reason, Arixam will take care of you.

Arixam: I am her Nobody after all.

Horsea: That's true and thank you Arixam.

Arixam: You're welcome.

---

We went back home and put our stuff we bought in our rooms and came down. And just as we were about to watch TV…

ALARM BLARES!

BOING BOING BOING BOING BOING BOING BOING!

Nico: History Instability! Lets get to work.

We went to the satellite and Larry pulled up our mission and it was for the famous Inventor of The Cotton Gin, Eli Whitney and it was in the year 1793!

Me: Eli Whitney, the Inventor of The Cotton Gin.

Nico: Awesome! Otto wasn't he the first ever mission you went on when you became part of Time Squad?

Otto Osworth: That's right. But I'll tell you guys when we get there.

Nico: Okay.

Then Evil Xion, Evil Roxas, Xaldin, Larxene, Marluxia, Evil Luxord, Demyx, Axel, Saix, Zexion, Laxaeus, Vexan, Xigbar, Wrecking Crew, U,Foes, Dark Turtles, The Laughing Ghosts, Zeru, Wolfman (Gaggle of Galloping Ghosts), Evil Aqua Man, Supreme King Jaden, Evil Orbit Woman, Roller Ghoster, Evil Vesper Woman, Judge, and Scirocco Mole appeared.

Xaldin: Can me, Evil Xion, Evil Roxas, Larxene, Marluxia, Evil Luxord, Demyx, Axel, Saix, Zexion, Laxaeus, Vexan, Xigbar, Wrecking Crew, U,Foes and Dark Turtles go with you guys?

Laughing Ghost: Me, Zeru, Wolfman (Gaggle of Galloping Ghosts), Evil Aqua Man, Supreme King Jaden, Evil Orbit Woman, Roller Ghoster, Evil Vesper Woman, Judge, and Scirocco Mole can come too if you want.

Piledriver: And the Laughing Ghosts and Roller Ghoster can talk now.

Nico: Awesome! And yes you all can go with.

Qin: We're going to meet Eli Whitney.

Camie: Yep.

Long Haul: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do some for the Evil HERO Monsters.

Bonnie Terrez: Wow! Those are great ideas!

Camie: Scary.

Rhonda Monroe: And I'm the gene-slammer for Evil HERO Inferno Wing. This will be interesting to see some for your friends Nico.

Qin: It sure will.

Laney: Yeah.

Zeru: Let's get going.

Marluxia: Who knows what kind of time change is happening now?

Bulldozer: Maybe the war's about to happen early.

Nico: Don't jump to conclusions like that.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who

the figure was: it was none other than Evil Juniper Montage, and she's still absolutely furious that Lincoln destroyed her mirror yesterday, and that we were still alive, and now, she's heading here to get her revenge and kill us all. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Evil Juniper Montage on the move?

Lincoln: You guessed it, Nico, and that vain celebrity wannabe's still absolutely furious I destroyed her mirror yesterday, and that we were still alive, and now, she's heading here to get her revenge and kill us all.

Me: Ooh, should've guessed that was coming.

Lauren Cunningham: Either way, that celebrity fraud's going to be defamed forever.

Vinyl Scratch: And sent to The Black Gates forever.

Lincoln: Using magic to gain fame by force, that's just like what Starlight Glimmer and Sunset Shimmer went through, until Twilight saved them from themselves.

Sunset Shimmer: Yeah, and I saved Wallflower and the Dazzlings from themselves.

Starlight Glimmer: And I did the same and saved Juniper Montage from herself as well. Now, the monster she became is going to pay for what she's done.

Nico: That's right. Alright, gang, let's go, we've got an awesome mission in the year 1793 planned.

Lincoln: I don't know why, but this is going to be one funny adventure. And you better be ready for later on, Evil Juniper Montage, your days of using magic to become famous are about to end here and now, and what you did in imprisoning my future wives in that accursed mirror, consider yourself dead.

Twilight Sparkle and her friends knew that Evil Juniper Montage was in dead trouble now.

Twilight Sparkle: Uh oh, I hate to be in that vain celebrity wannabe's shoes now.

Rainbow Dash: Linky's going to make her pay big time.

Rarity: Indeed he is, darling.

Fluttershy: After what that monster did, she must be stopped for good.

Pinkie Pie: He'll skin her alive!

Applejack: He's going to throttle that snake in the grass for her crimes.

Sunset Shimmer: He'll rip her apart, just like he's done to the rest of Equestria's most dangerous enemies.

Starlight Glimmer: I won't be surprised if he uses the spells from the Elder Scrolls franchise on her.

Trixie Lulamoon: Either way, Evil Juniper Montage has been marked for death by Linky, and her fate has been sealed.

We were off to 1793.

SAVANNAH, GEORGIA - CIRCA 1793

We arrived.

Me: Here we are guys.

Nico: Savannah, Georgia in 1793.

Blaster Tron: Scanning for any time anomalies.

We waited for the scan to be done.

Blaster Tron: Scan complete. Town is overrun by robots out to eat human flesh.

We gasped!

Qin: WHOA MAN!

Nico: Flesh eating robots!? YUCK!

Otto Osworth: This is exactly like what happened on my first mission when I joined up with Time Squad.

Tuddrussel: He's right on that.

Saix: Tell us more, Otto.

Evil Vesper Woman: And we do mean everything.

Otto Osworth: Sure.

He told us how it went down.

---

The episode starts out with Otto Osworth's miserable life as an orphan in Sister Thornly's School for Wayward Tots. He is bullied by the other orphans and is prohibited from reading, the only activity he holds dear in the orphanage, by the director Sister Thornly.

After being punished for being caught reading, a rift opens up in Otto's room, revealing Officer Buck Tuddrussel and the Larry 3000, who mistakenly came to his time during their search for Eli Whitney. Sister Thornly hears the commotion and comes to investigate. Tuddrussel says he can handle the situation via the use of a taser, but Otto insists he can solve the problem with words instead.

After Sister Thornly leaves, Tuddrussel and Larry explain that though they are time-traveling cops, they are horrible at history and would need a smart person to help them out if they hoped to get anything done. Otto hears the opportunity and insists they take him with them. Tuddrussel is hesitant at first, but agrees when Larry says taking a child with them is strictly forbidden.

All three of them transport to the team's "Super High Tech History Monitoring Police Satellite," where Tuddrussel explains the ship's "high tech" gadgets (most of which just involves Larry doing what Tuddrussel says). Larry tells Otto why he serves Tuddrussel and works for Time Squad; at one point in time he used to be an ambassador robot, but he had to find a new job when all of the nations of the world became one united nation.

The three of them then go to Savannah, Georgia, which is currently in chaos. Moments after transporting there, Larry is beaten by an angry mob of settlers who claim he's one of the flesh-eating robots that Eli Whitney has built. The team goes to Eli Whitney's Inventitorium, where Eli Whitney claims he made an army of flesh-eating robots to help mankind. Otto explains the contradiction in the idea that flesh-eating robots could help mankind and leads Tuddrussel and Larry out to fight the army of robots still at large. They soon realize all the robots have swarmed around Eli's store and have begun to target Tuddrussel because he is the fleshiest. After doing fairly well against the robots, Tuddrussel is overwhelmed. He eventually overcomes the robots by using a phaser, which destroys them all in one blast.

After the robots are gone, the mob from before returns to town and mistakenly idolizes Otto as the one who destroyed the robots. One of the settlers feels Otto's shirt and comments on how soft and comfortable it is and asks what it is made of. Otto replies that it's just an ordinary cotton t-shirt, which inspires Eli Whitney to build a machine to process cotton that he would call the cotton gin (thanks to a suggestion from Larry).

---

When he was done we were amazed!

Qin: Wow! So that's how you guys met Otto.

Tuddrussel: Yep. It was a great mission.

Nico: That was awesome.

Rainbow Dash: It sure was for you Otto.

Lola: Yeah.

Strike Man: This doesn't make any sense!

X Ray: How the Hell do robots eat flesh?!

Me: Yeah! They can't eat organic stuff. They would just puke it out!

Nico: They would also throw up. (To Bender and the Robots we know) No offense.

Bender: None taken but yeah. I don't even have any teeth.

Larry 3000: Me neither.

Me: Maybe we can capture one and see who built it.

Nico: Good idea.

Wrecker: We need to also have a talk with Eli Whitney!

Thunderball: The Hell is he thinking?!

Nico: Guys lets not act rash. I know there's a war coming but lets keep cool about this.

Me: Okay.

I then saw a robot come.

Me: Here comes one.

We saw a robot that had razor sharp teeth and Tuddrussel went up to it.

Tuddrussel: It looks like an awesome robot.

Me: Very interesting.

He took my hand and put some salt on it and then…

CRUNCH!

HE BIT ME!

Me: YYYYEEEEEEEEEOOOOOOOOOOOOOOOWWWWCCH!

I then smashed the robot down and knocked him down.

Me: Yeah! Ouch.

Nico: Nice one J.D.

Me: Yeah but that robot really hurt my hand.

I showed a nasty bite wound on my hand.

Me: Nearly bit half my hand off.

Nico: Ouch. Lets get him over to Lisa.

We took him over.

Lisa and many of us ran some tests.

Quake Woman: You okay, J.D.?

Varie was healing me.

Me: Those robots pack a nasty bite.

Qin: No kidding. He bit you good.

Lisa Loud: Well the test is done. These robots were bit by Eli Whitney. But I found this.

We saw a label on it.

Me: "Built by Eli Whitney and made to harvest flesh and organs for Hannibal Lecter!?"

All of us: HANNIBAL LECTER!?

Nico: That wacko fucked up cannibalistic serial killer is here!?

Dark Leo: Wait. THE Hannibal Lecter?!

Dark Mikey: The one from Silence of The Lambs!?

Dark Don: This just got very serious!

Nico: Yes it sure did!

Qin: Not good!

Camie: Who is Hannibal Lecter?

Me: You would not like this guy. He is one of the most insane fucked up wacko serial killers ever to terrorize all of Baltimore, Maryland.

I went over his history and he was fucked up to the brink.

---

Hannibal Lecter is the titular main antagonist of the Hannibal book series by Thomas Harris and their film and television series adaptions, serving as the secondary antagonist of The Silence of the Lambs and Red Dragon, the titular villainous deuteragonist of Hannibal, the titular protagonist villain of Hannibal Rising, and the titular main antagonist of the television show Hannibal. He is an extremely brilliant but mentally disturbed and cannibalistic serial killer infamous for eating his victims.

In the films, he was most frequently portrayed by Anthony Hopkins, who also played Edward Bailey in Red 2, Ted Crawford in Fracture and Sir John Talbot in The Wolf Man. He was portrayed as "Hannibal Lecktor" in Manhunter by Brian Cox, who also portrayed William Stryker in X2, Lionel Starkweather in Manhunt, Agamemnon in Troy, Scolar Visari in Killzone, Pariah Dark in Danny Phantom: Reign Storm, Hermann Goering in Nuremberg, and Ward Abbott in the Jason Bourne franchise. He was portrayed as a young man in Hannibal Rising by the late Gaspard Ulliel, who also played Anton Mogart in Moon Knight.

Hannibal Lecter was born in 1933 in Lithuania. His father was a Lithuanian count, his mother an Italian aristocrat. As a child, he is extremely close to his younger sister, Mischa. In 1945, Lecter's family home is bombed by the Germans, killing his parents and leaving him and Mischa at the mercy of the elements. Nazi deserters fleeing the Russian advance into Germany hide out in the ruins of the family estate and take the children hostage. The deserters, led by Vladis Grutas, run out of food in the harsh winter and eventually kill and eat Mischa right in front of her brother, even forcing the boy to eat a stew made from her remains. Lecter is irreparably traumatized, and develops a savage obsession with cannibalism, and with avenging Mischa's murder.

Lecter escapes from the deserters and wanders the wilderness for days, rendered mute by the trauma. He is eventually found and housed in an orphanage, where he is abused by other children and by the dean. Two years later, Lecter's uncle Robert and his Japanese wife, Lady Murasaki, take Lecter in, and help him regain the ability to speak. Lecter forms a quasi-romantic attachment to Murasaki after his uncle's death, and commits his first murder when he decapitates a racist fishmonger who had insulted her. While she is close to Lecter, she is unable to turn him from his obsession with avenging his sister. To this end, he hunts down, tortures and kills every man who took part in her death, forsaking his relationship with Murasaki in the process. At the age of 16, Lecter is accepted into Johns Hopkins University.

Years later, Lecter becomes a prominent psychiatrist and part of Baltimore's high society. In the 1970s he commits a series of cannibalistic murders. Lecter kills at least nine people and attempts to kill three others. His ninth known victim, Benjamin Raspail, is found dead in a church pew, with his heart pierced and missing his thymus and pancreas. Lecter serves these organs to the Baltimore Philharmonic Orchestra. His surviving victims include Mason Verger, a wealthy, sadistic pedophile whom Lecter drugs and forces to mutilate his own face, and an unnamed person who is committed to a private mental hospital in Denver. Other known victims in this series include a census taker, a Princeton student and a bow hunter.

Lecter's last victim before capture is Will Graham, an FBI agent who is investigating a series of murders and is intrigued by the injuries inflicted on the sixth victim, a bow hunter. The man had been murdered in his workshop, with tools stabbed into his body. Graham noticed an old wound on the man's thigh and discovered that Lecter had once treated the man. Graham visits Lecter a week later to question him. While Graham looks around Lecter's office, he sees sees the antique medical diagram "Wound Man", and recognizes the wounds in the drawing as those inflicted upon the hunter. Graham realizes that Lecter is the killer, and at the same moment Lecter realizes that Graham is onto him. Graham excuses himself to call his superiors, but Lecter sneaks up behind him and stabs him with a linoleum knife, nearly disemboweling him. Lecter is nonetheless arrested moments later.

Lecter is put on trial for the murders and found not guilty by reason of insanity; he is branded a "pure sociopath", and nicknamed "Hannibal the Cannibal" in the tabloid press. He is incarcerated at the Baltimore Hospital for the Criminally Insane, under the care of Dr. Frederick Chilton, a pompous, incompetent psychologist whom he despises.

Several years after his incarceration, Graham consults Lecter in an attempt to catch serial killer Francis Dolarhyde, who is known to law enforcement and the media by the pseudonyms "The Tooth Fairy" and (later) "The Red Dragon". Lecter covertly supplies Dolarhyde with Graham's address, which ultimately results in Dolarhyde disfiguring Graham before Graham kills him. After Graham recovers, Lecter sends him a note in which he wishes his old foe well and says he hopes Graham isn't "too ugly".

A few years later, a serial killer known as Buffalo Bill begins kidnapping, killing, and skinning women. The FBI, desperate for some insight, sends trainee Clarice Starling to interview him. Lecter is fascinated with Starling and gives her cryptic clues to Bill's identity in return for painful memories of her childhood. She is eventually able to use these clues to track Bill down, but not before Lecter stages a dramatic and bloody escape, disappearing without a trace. He leaves two letters: one for Starling, wishing her well; and the other for Chilton, promising gruesome revenge for the years of mistreatment he suffered at Chilton's hands. Chilton disappears soon afterward.

Seven years later, Lecter reappears in Florence, Italy under the identity of "Dr Fell", an art historian. He is discovered by a local policeman, Inspector Rinaldo Pazzi, who attempts to sell him to Mason Verger. Lecter kills Pazzi and escapes, returning to America and seeking out Starling, who is still searching for him. He is, however, captured by Verger, who plans to feed the doctor alive to man-eating pigs. But due to the machinations of Verger's sister Margot, who was routinely abused by her brother as a child, Lecter is rescued by Starling. He goads Margot into killing Mason, assuring her that he will take the blame for the murder.

Lecter then abducts the unconscious Starling and begins brainwashing her, hoping that she will become Mischa. He kills Paul Krendler (a Justice Department official who is an adversary of Starling's) by lobotomizing him and serving his brains for dinner. The dinner party consists of Lecter, Starling, and Krendler himself, who is still alive for part of the meal and unwittingly eats pieces of his own brain. Starling, under the effects of drugs as well as Lecter's hypnosis, knowingly and willingly consumes Krendler's brain. However, when it later becomes clear that she will not be sublimated, she and Lecter become lovers.

The two are last seen in Rio de Janiero, where Starling's loving companionship has suppressed Lecter's cannibalistic urges, and they enjoy a hedonistic and self-indulgent life of high culture together. It is implied that Lecter has conditioned Starling into becoming nearly as calculating and dangerous as he is.

When I was done everyone was shocked and grossed out. Especially Princess Luna.

Princess Luna then threw up in a nearby bush!

Qin: YUCK!

Dark Mikey: We gotta get Eli Whitney out of there!

Threatpack: Just leave that to me.

Me: Agreed!

Nico: Right.

We went to Eli Whitney's house.

We later arrived and we saw his house a mess and the robots were coming from it.

Plankton: This is just like what happened when I invented robots.

Me: Except your robots didn't eat flesh.

Supreme King Jaden: (sees Scirocco Mole picking something up) What are you doing?

Scirocco Mole: Picking up this cotten rose.

Judge: Well, nothing against that.

Me: We need to focus.

Danny Phantom: Is he in there?

Me: Let me see.

I turned on my X-Ray vision and saw Eli Whitney tied up and Hannibal Lecter was making the robots.

Me: Yes Eli Whitney is tied up.

Danny Phantom: I got this. I'm going ghost.

Danny turned into Danny Phantom and went invisible and intangible and went into the ground. Then he came back with Eli Whitney and we untied him.

Me: Mr. Whitney are you all right?

Eli Whitney: I am thanks to you guys.

G1 Vortex: (turns into helicopter mode) Put him in my helicoptor mode.

Dark Raph: Got it! Then, we gotta get to a safe place so we can discuss things!

We went to the spot we were at when we arrived.

Me: Okay this should be good.

Nico: Okay. We got to stop Hannibal forever.

Evil Orbit Woman: Mr. Whitney, what happened in there?

Vector: Seems to me like Hannibal double crossed you.

Vapor: That's what you get for siding with people like him.

Eli Whitney: I didn't side with him. He just jumped me and then took over my house and made those horrible monsters.

Eli: He's telling the truth.

Me: What is he planning to do with those robots?

Eli Whitney: Turn all of Earth into his all you can eat buffet of human flesh.

Ironclad: I actually knew you wouldn't side with him!

Carly Atlas: So did I.

Me: Me too.

Misty Tredwell: It's horrible that Hannibal Lecter can be so evil.

Me: Well Misty have you ever read the book for the Silence of The Lambs?

Misty Tredwell: I sure have. Scary.

Nico: Yeah.

A figure came out and it was CLAWTRON from episode 14 of Beast Morphers!

---

Unlike previous Robotrons, Clawtron is not created from an object by the Robotron-Maker and is instead made from the same Robot Maker machine Robo-Blaze and Robo-Roxy are always resurrected through. This is because Robo-Roxy is able to steal beetle DNA from Nate and Steel during an ambush and Scrozzle infuses it with Robotron data. Robo-Roxy then infuses herself with flower DNA and accompanies Clawtron to Earth, both having the mission to destroy the Beast Morphers Rangers at all costs.

Clawtron attacks a cafe where the Rangers confront him but are shocked by Roxy's new appearance. They try to morph but are unable to because the teleportation system for their weapons and Morphers is busted so they have to fight unmorphed but both Roxy and Clawtron easily overwhelm them. However, before they can kill the Rangers, Nate arrives on Cruise with their weapons and they are able to morph. Before they can fight though, Commander Shaw contacts Devon and informed him that Clawdrone is approaching. Steel leaves to fight it in the Jet Zord so the other four gp into battle where he fought Devon one on one. He manages to knock Devon on the ground but he manages to avoid being impaled and Nate intervenes with his Striker Saber before he can attack again, knocking back the Robotron. He arrogantly proclaims that the Rangers will never defeat him but Cruise gives Devon his Beast-X Visor and he changes into Beast-X Mode. Clawtron is then killed by a combination of the Beast-X Cheetah Charge and Nate's Striker Beast Slash (with Nate mounted on Devon's Cheetah Mode-esque form which tears through the Robotron whilst hitting Clawtron with the Striker Beast Slash).

---

Steel: Clawtron!

Me: I remember you! You were made from a Steel Beetle and sent to destroy the Beast Morphers.

Clawtron: That's right. Sharp memory.

Nico: Yep.

William: So, you're a Robotron created from Beetle DNA?

Clawtron: I know it seems far fetched. But it's true.

Nico: That is awesome.

Lily: Cool!

We got the battles underway.

---

Sheena Kagari: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sheena, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sheena Kagari: That's incredible.

Nico: It sure is. So, Sheena, what memories did you have with

Lincoln?

Sheena Kagari: Oh, I got a good one, it was while I was teaching Lincoln how to use the spells in each category from the Elder Scrolls franchise: Illusion, Alteration, Destruction, Conjuration, and Restoration. I realized that his skills in magic were growing even more and he was learning a lot about magic, so I decided to put those skills to the test: I created wooden dummies of the villains from the past that you guys killed, and he demonstrated the Destruction category spells by using Lightning Storm, and he fired a powerful continuous stream of lightning at the wooden dummies and they were destroyed.

Mara: That's truly amazing.

Sheena Kagari: It also gets even better, Mara, we suddenly heard the sound of a loud angry shriek in the air, and we saw who it was: it was Lori, and she was really mad as heck again, and she was heading over to kill Lincoln again for another stupid reason, and he demonstrated the spells from the Illusion category by using Hypnotic Gaze, and he forced Lori to look into his eyes, and she fell under the spell and he ordered her to head back home and tell the parents of what she tried to do to her own brother, and she got grounded for nine weeks.

Nico: Whoa, you also used Hypnotic Gaze?! Wow!

Me: No wonder Lori confessed like that on that day, that was awesome.

Sheena Kagari: He also demonstrated the spells from the Alteration category by using Transmute by turning a piece of Iron Ore I found in the park into a silver bar, for the Conjuration category, he used Flame Thrall, Frost Thrall, and Storm Thrall and summoned a Flame, Frost, and Storm Atronach, and for the Restoration category, he used Guardian Circle and protected us both from Lynn, who was on yet another rampage, and she was driven off.

Luna Loud: No wonder I saw Lynn panicking like crazy, she tried to step into The Guardian Circle and unfortunately, she was driven off.

Nico: And you were also able to summon a Flame, Frost, and Storm Atronach, Linc?! That's really awesome!

Me: It sure is. Plus, I was surprised Sheena made a massive book revealing the history of Tamriel from the early days to the events of Skyrim, in addition, holding all the information about everything else about Tamriel: from the cultures to even the spells themselves.

Lincoln: It was really incredible that she made that book about Tamriel.

Vinyl Scratch: Oh no, I knew there's no mistaking that voice from anywhere. You can come out now, Evil Juniper Montage.

A figure was heading right for us, but Lincoln grabbed her by the neck with his large left hand and he tossed her away with his infinite, really immense, and brute superhuman strength, and we saw who it was: it was Evil Juniper Montage, and she was really really pissed off now.

Nico: If it isn't Evil Juniper Montage, the defamed vain celebrity fraud.

Me: And you really made her mad yesterday, Linc.

Evil Juniper Montage: You've ruined everything for me the day you took my mirror away from me and ruined any chances of me getting rid of all of you. Now, I will destroy you all and have my revenge on you!

Evil Juniper Montage went after Lincoln for what he did in destroying her mirror, but he punched her hard in the face and gave her a black eye, and Lauren Cunningham fired a blue and pink energy at Evil Juniper Montage and she hit a wall, and she got out, but she was enraged.

Evil Juniper Montage: Who do you think you are to get in my way?!

Lauren Cunningham: Someone who refuses to let you hurt my friends and who's had about enough of you, you vain celebrity wannabe. (Blue and pink energy aura flares up) I am Lauren Cunningham, Champion of Vinyl Scratch, and one of the 27 girls chosen by The Elements of Harmony to be The Champion of Grace.

This horrified Evil Juniper Montage badly.

Evil Juniper Montage: Impossible, The Champions of Harmony have returned?!

Suddenly, Lauren Cunningham's dark purple eyes turned neon dark purple, and she was surrounded by a blue and pink energy aura with soundwaves, magic, and Alicorns, she unholstered her massive Sword of The Champion of Harmony, and as she approached Evil Juniper Montage, she left blue and pink energy, soundwaves, magic, and Alicorns with every step.

Lauren Cunningham: Evil Juniper Montage, I will never forgive you for the pain and suffering you have caused Equestria, you are an evil vain celebrity fraud who enjoys causing chaos and destruction among all ponies and for what you did in using magic to gain fame and hurt Twilight Sparkle and her friends, that kind of behavior is inexcusable, and now, I will administer unto you the punishment you rightfully deserve: death.

Suddenly, Lauren Cunningham was surrounded by a massive vortex of blue and pink energy with magic and soundwaves surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Lauren Cunningham emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lauren Cunningham grew to 6'11" in height, she has the body of a goddess, she has pink highlights in the bangs of her short neck-length electric blue hair with dark blue streaks, she has neon dark purple eyes and a green energy aura with soundwaves, music, magic, and Alicorns surrounding her, she has an Alicorn along with Vinyl Scratch's cutie mark on its horn emblazoned on her forehead, she has on Alicorn earrings with pink gems for eyes and the Grace and Eternity Kanjis in its hooves, she has on her Crystal Necklace of The Buddha with blue gems on the gold music note links and pink crystal links and a blue Alicorn-shaped Element of Harmony and on the bottom of The Element of Harmony is an Alicorn with pink gems for eyes and holding the Grace and Eternity Kanjis in its horn for the pendant. Suddenly, Lauren Cunningham felt a sharp pain on her back, and then, massive blue angel wings with pink tips on the blue feathers, grew and sprouted out from her back. Lauren Cunningham has on her Ring of the Phoenix with large blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger.

Suddenly, Lauren Cunningham's massive Sword of The Champion of Harmony and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of blue and pink energy, magic, soundwaves, and Alicorns, and when it emerged, it transformed into Vinyl Scratch's Musical Alicorn Greatsword of Soundwave Grace and Soundwave Justice, it's a brand-new massive greatsword with a 7'0" massive, wide, double-edged blue blade with the cutie mark of Vinyl Scratch etched on the blade, large gold Alicorn heads for the crossguard, large pink gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with dark purple gems for eyes and a large pink gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with blue gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and dark purple gems for the eyes and a large pink gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Lauren Cunningham has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY MUSICAL GRACE ALICORN ANGEL OF DIVINE MUSIC SOUNDWAVE JUSTICE AND DIVINE SOUND MUSIC LOVE!

We were amazed by Lauren Cunningham's Super Angel-Alicorn Eternity Infinity transformation, but when Evil Juniper Montage saw it, she went mad with rage and tried to attack Lauren Cunningham, but Lauren Cunningham dodged Evil Juniper Montage and fired a powerful blue and pink energy blast, and it hits Evil Juniper Montage and sent her flying into a wall, but she's not out yet.

Nico: Awesome, Lauren Cunningham's transformed, so awesome!

Me: And now, it's Vinyl Scratch's turn.

Ken Knudson: I was just about to say, J.D. After all, she's also wanting a chance to rip apart that evil vain celebrity fraud.

Lauren Cunningham: (Divine Echoing Cosmic Voice of The Soundwave Grace Alicorn and Divine Grace Music Justice) **Especially for all the heartless evil acts she's done.**

Vinyl Scratch: Yeah, she's about to be cancelled for life.

Suddenly, Vinyl Scratch's dark purple eyes hidden in the pink sunglasses turned neon dark purple, and she was surrounded by a blue and pink energy aura with soundwaves, music, moonlight, magic, and Alicorns, she unholstered her massive Sword of The Knights of The Friendship Table, and as she approached Evil Juniper Montage, she left blue and pink energy, soundwaves, music, moonlight, magic, and Alicorns with every step.

Vinyl Scratch: Evil Juniper Montage, I will never forgive you for the pain and suffering you've caused Equestria, you are an evil, vain celebrity fraud who enjoys causing chaos and destruction among all ponies and for what you did in using magic to get famous and trap Twilight Sparkle and her friends in that accursed mirror long ago, that kind of behavior is inexcusable, and now, I will administer unto you the punishment you rightfully deserve: death.

Suddenly, Vinyl Scratch was surrounded by a massive vortex of blue and pink energy with magic, moonlight, music, and soundwaves surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a white phoenix. Vinyl Scratch's transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY MUSICAL SOUNDWAVE MOONLIGHT ALICORN ANGEL OF DIVINE MUSICAL SOUNDWAVE GRACE AND DIVINE MUSIC SOUND LOVE!

We were amazed by Vinyl Scratch's Super Angel-Alicorn Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Evil Juniper Montage saw it, she went ballistic and tried to attack Vinyl Scratch, but she fired a powerful blue and pink energy blast with soundwaves, magic, moonlight, and music at Evil Juniper Montage, and it sent her flying into a wall, but she's not out yet.

Nico: Whoa, now Vinyl Scratch's transformed. Now, the party's about to begin.

Lincoln: But, this is going to end badly for Evil Juniper Montage. And Vinyl Scratch, you look beautiful. How do you feel?

Vinyl Scratch: (Divine Echoing Cosmic Voice of The Musical Soundwave Moonlight Alicorn and Divine Soundwave Music Trust and Moonlight Love) **I feel incredible, Linky. Now, shall we deal with this evil vain celebrity fraud?**

Lincoln: (Smiles) With pleasure, my Alicorn Princess of Grace.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Vinyl Scratch and Lauren Cunningham.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Time for you to pay for everything that you've done, Evil Juniper Montage, and you're not getting a single shred of mercy from us whatsoever!**

Lauren Cunningham, Vinyl Scratch, and Lincoln went after Evil Juniper Montage, and they fired powerful blasts of rainbow energy, blue and pink energy, soundwaves, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Evil Juniper Montage, and they exploded with such incredible power as they hit her, and she was being burned by The Magic of Friendship. Then, they attacked her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it burned her badly, and the wounds she suffered would never heal.

Then, Lincoln flew at and grabbed Evil Juniper Montage by the neck with his large left hand, and he slammed her hard into the ground, and with his vampire fangs now longer and sharper than ever, Lincoln sank his fangs deep and hard into Evil Juniper Montage's neck, and she screamed in such excruciating pain, but the pain was just beginning. Suddenly, Lincoln began sucking out and draining all of Juniper Montage's powers and hatred, as Lincoln's rainbow energy aura was flaring up extremely and he was suddenly gaining a massive power boost, and Evil Juniper Montage was getting weaker and weaker and weaker still. Finally, Evil Juniper Montage was eventually weakened to such a degree, her skin turned pale and she couldn't even stand, as Lincoln unlatched his vampire fangs which were covered in blood from Evil Juniper Montage's neck and he let out an extremely loud and animalistic roar that shook the ground itself.

Me: WHOA!

Nico: HOLY CRUD!

Then, Lincoln grabbed Evil Juniper Montage by the neck with his large left hand and hurled her into the air with his infinite, really immense, and brute superhuman strength, and this allowed Lauren Cunningham, Vinyl Scratch, and Lincoln to finish him off by firing massive energy beams and as they hit Evil Juniper Montage, they exploded with incredible power, killing her for good. We cheered wildly for what Lauren Cunningham, Vinyl Scratch, and Lincoln did to Evil Juniper Montage as they holster their massive greatswords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Lauren Cunningham and Vinyl Scratch are permanent.

Then, as Evil Juniper Montage's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and Evil Juniper Montage's spirit as surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of his crimes, and the energy images of The Mane 12 aimed their horns at Evil Juniper Montage and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Evil Juniper Montage.

Lincoln: Evil Juniper Montage, for the crimes that you committed against everyone in Equestria because of your vanity, you've been found guilty, and the punishment for your crimes is death.

This horrified Evil Juniper Montage, as she saw that her days of chaos and havoc are about to come to an end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Evil Juniper Montage's spirit, they exploded with incredible power and her evil spirit was condemned to The Black Gates, and he was fading away.

Evil Juniper Montage: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

Evil Juniper Montage's spirit was erased from existence by the spirits of all those she's hurt, and he'll never return to hurt anyone again. THE EVIL VANITY OF EVIL JUNIPER MONTAGE IS FINALLY OVER!

Twilight Sparkle: Alright, they did it.

Trixie Lulamoon: That'll teach that vain monster.

Rainbow Dash: So awesome.

Rarity: Truly brilliant.

Sunset Shimmer: That vain monster's been asking for it.

Starlight Glimmer: You got that right.

Pinkie Pie: That party-pooper's been asking for it.

Fluttershy: Her vanity was destined to be her downfall.

Applejack: Yeah, that snake in the grass has been asking for it.

Vinyl Scratch: That'll teach that monster. Thank you for helping us destroy Evil Juniper Montage, Linky.

Lincoln: (Smiles Warmly) You're welcome, Vinyl Scratch.

Suddenly, Vinyl Scratch wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned his face down to Vinyl Scratch's face, they kissed passionately as Vinyl Scratch's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Alicorn, and Angel flying in the air, and a herd of Buffalo running across the field, along with elemental forces and music playing behind them and the moon shined down on them and we all cheered wildly, including Twilight Sparkle, Rainbow Dash, Pinkie Pie, Fluttershy, Rarity, Sunset Shimmer, Applejack, Starlight Glimmer, and Trixie Lulamoon.

Nico: Now, that's what I call an awesome battle between The Warriors of Grace and Evil Vain Celebrity Fraud.

Me: You said it, nice job, guys.

Lincoln: Thanks, guys.

Nico: And not only did we help Eli Whitney destroy his Flesh Eating Robots, but we also got rid of Evil Juniper Montage.

Lincoln: Which means, the next member of The Doomsday 23 to take down and destroy tomorrow is the evil version of Daybreaker.

Princess Celestia: Yes, that will be left to Juniper Celestia, you, and I tomorrow, Lincoln, and then, it'll be Evil Starlight Glimmer's turn.

Me: Yeah, the day of the war is almost here.

Nico: But, we'll be ready for her, and this time, she's never ever coming back.

El Oso: That's the end of that serial killer.

Tchang Zu: Don't forget he's a cannibal.

General Schwarz: Does it really matter?

Leap Frog: The important thing is that there won't be anymore threats to history for a while.

Metal Sonic: And that's good.

Me: That's for sure.

Nico: Yep. My scans show that this is the last threat to history made by the Church of Necrom.

Qin: Thank goodness.

Nico: Yeah. But great job today everyone. Now the time lines are all safe.

Tuddrussel: Good riddance.

Princess Luna: (To the Viewers) This was an awesome number of great adventures. Hope you all liked them.

Nico: I know we did. It was fun. Lets go home.

We went back home and enjoyed the rest of the day and went to sleep.

Another awesome chapter done.

This chapter was based on the First episode of Time Squad called Eli Whitney's Flesh Eating Mistake. That was a crazy episode and Eli Whitney made Flesh Eating Robots. Not a very smart decision. The episode aired on June 8, 2001 and it was great! I made this one with a twist by having Hannibal Lecter from the movie The Silence of The Lambs be the culprit.

NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Hynageneral, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. They are 14 goth girls that were all born in a laboratory. They were born with the genetic Material of the evil leader of the Church of Necrom and the power of Dark Magic and Gene-Slammed with the powers of the Evil HERO Duel Monster Cards. Thankfully they are not like the members of the Church of Necrom and they have all their powers but use them only for good. They are Nico's friends that he met in a restaurant from New Jersey and they became close. The match-up is for Juniper Celestia, Princess Celestia, and Lincoln, as they're going to destroy the next member of The Doomsday 23, the evil version of Daybreaker, The Dark Sun of Equestria, and this time, she's going to be extinguished forever. For Lincoln's rescue tomorrow, Lincoln and his group are heading down to Yuma, Arizona, and Lincoln and his group are going to take down and recruit Santana, Kars, Esidisi, and Wammu, but we also got word that Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodil Gang have been freed by Evil Daybreaker, and they still want bloody revenge on us, but they still have The Gessius Florres Vengeance Curse is still upon them. This time, they're getting The Black Gates, and they're never ever coming back, and Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily are going to EXPLODE WITH RAGE AT THOSE FUCKED-UP VENGEANCE-CRAZED BLOODTHIRSTY BASTARDS AND TRANSFORM AND RIP THEM INTO SHREDS! And they're going to meet a The First Darklord Gene-Slammer named Asuka Matoi, she's Lincoln's Guardian Angel from Japan and classmate in Gym, she's also a devastating wrestler and Martial Arts master, and surprisingly, Zangief is her idol. Both Lynn and Lincoln often help Asuka train in wrestling and martial arts. Asuka would often flirt with Lincoln and called him Kung Fu Rabbit. She also would protect Lincoln from bullies, especially Chandler and his goons, in fact when she saw Lincoln getting bullied by Chandler and his goons, she beat the crap out of them and left them with broken teeth, arms and legs and she even turned them into human pretzels and threw them into a pile of stinky socks. To show thanks, Lincoln kissed Asuka on the lips. She's also the cousin of TLPS Ryuko Matoi and she hates Chandler with a burning passion. The Day before the war is here. And we're going to do a great adventure that is long overdue. We're going to do a chapter for the awesome movie The Brave Little Toaster To The Rescue and we're going to meet Toaster, Radio, Lampy, Kirby and Rob and Chris. We're going to help them figure out the mystery of a strange computer virus in the college campus and we're going to stop Mack from selling Rob's animal friends to Tartarus Laboratory and bring Mack to justice.

See you all tomorrow!

# TLPS And The Brave Little Toaster

## The Day before War

---

In the early morning hours at 2:53 AM, Lincoln had a dream, and he saw three figures who was hiding out and living in the streets of austin, Texas. But, they were no ordinary three figures, their were Dazzle, Jing-A-Ling, and Ting-A-Ling, adopted daughter of Lincoln Loud. Lincoln woke up from the dream, but he wasn't the only one, Nyx Midnight, Bright Eyes Loud, Sashay Shine Loud, Platinum Pallet Loud, Regg Loud, Melody Loud, Sweetheart Loud, Patch Loud, Lori Loud, Nico, and I also had the same dream.

Lincoln: Don't tell me, let me guess, the same dream as me?

Lori: We sure did, bro.

Nyx Midnight: And it also means that we found out where my adopted sisters are at.

Bright Eyes Loud: But the question is, Where?

Me: they're at Austin, Texas.

Nico: Oh man, that's not good. Out on the streets in Austin, Texas, is not a safe place for them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Nyx Midnight, Bright Eyes Loud, Sashay Shine Loud, Platinum Pallet Loud, Regg Loud, Melody Loud, Sweetheart Loud, Patch Loud, Me, and Nico were heading to Tokyo, Japan. Then, Lincoln saw a 11-year-old girl who has harvester gold skin, green puffy shoulder-length hair with light green streaks, and blue eyes. She wore a black fedora hat with red band and an Tech Element symbol on it, a lavender and light purple long sleeve shirt, maroon skirt with polka-dots and a star with a red line, and red and white striped flats. A 8-year-old girl who has light lavender skin, peach orange short puffy hair with lighter orange streaks that is tied into low pigtails, freckles on her cheeks, and lavender eyes. She wore a teal with white and dark green sleeves and a picture of a bell ringing left, lavender pants, and purple sneakers. And a 8-year-old girl who has light lavender skin, peach orange short hair with lighter orange streaks that is tied in low pigtails, and lavender eyes. She wore a red dress with bell ringing right at the skirt, yellow sweater, maroon pants, and yellow flats. Lincoln saw who they was, it was Dazzle, Jing-A-Ling, and Ting-A-Ling.

Lincoln: Excuse me, are you Dazzle?

Sweet Note: Yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan.

Dazzle, Jing-A-Ling, and Ting-A-Ling were stunned.

Jing-A-Ling and Ting-A-Ling: The Legendary team themselves?

Lincoln: Yes.

Dazzle, Jing-A-Ling, and Ting-A-Ling ran up to Lincoln, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Nyx Midnight, Bright Eyes, Sashay Shine Loud, Platinum Pallet Loud, Regg Loud, Melody Loud, Sweetheart Loud, Patch Loud, me, Nico, and Lori joined in on the hug.

Lincoln: And there's something you three should know, I adopted you three.

Dazzle: Adopted?! Are you saying that because… you're our father now?

Lincoln: (smiled) What else I won't I be?

That filled Dazzle, Jing-A-Ling, and Ting-A-Ling with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Sashay Shine Loud: Hey Dazzle, we got you something special!

Platinum Pallet Loud pulls out a gift for Dazzle

Dazzle: A gift for me?

Platinum Pallet Loud: Go ahead, open it.

Dazzle do so and it reveal to be a blue short sleeve blazer with a picture of Glamrock Freddy on the back

Dazzle: Whoa! A short sleeve blazer with Glamrock Freddy on the back.

Regg Loud: Welcome to The Glamrock Popustars, Dazzle!

Dazzle: (hugged them) Thanks guys.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Dazzle, Jing-A-Ling and Ting-A-Ting to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did, and Dazzle, Jing-A-Ling, and Ting-A-Ling now has a loving, strong, brave, and caring father in their life.

Me: Another rescue worth remembering.

Eli: And on the dawn before war too.

Camie: I know. This is going to be so epic tomorrow.

Qin: It sure is.

Tristan: Yeah it sure is.

Blackarachnia: And we're going to kick some Evil Starlight Glimmer butt! (To Starlight) No offense Starlight.

Starlight Glimmer: None taken.

Nico: Thanks for coming with me, Tristan.

Tristan: No problem Nico. It's gonna be awesome helping you guys.

Nico: It sure is.

Qin: Yep.

Nico: Tristan, at times, do you feel overshadowed by Yugi and the others?

Tristan: Yeah I do feel overshadowed by them. I don't get to duel that often. I'm just good at providing support.

Qin: As long as you give great support to the team too.

Eli: Yeah you sure do and father loves that.

Qin: That's true.

Camie: Yeah.

Nico: You know what I think? I think you're just of a good duelist as Yugi and the rest.

Me: I agree too and you have just as awesome amount of skills in being a great duelist like Yugi and everyone.

Tristan: I'm glad you guys think so. Thanks.

Me: We were being serious on that. But you're welcome.

Eli: It just takes practice. If Joey can rise like that then you can too.

Nico: Same with Joey's sister Serenity.

Me: Yeah.

Tristan: Thanks guys. I greatly appreciate it.

Nico: You're welcome.

Me: Yeah.

Nico: (laughs) I still can't believe we fought Hannibal fucking Lector and lived!

Me: No kidding! But at least the terror of Hannibal Lecter has been silenced forever.

Eli: Yeah no kidding there.

Qin: That was terrible he did all that and what he did made Princess Luna throw up.

Twilight Sparkle: Yeah she has a really sensitive stomach to all this.

Laney: She sure does.

Me: But to be honest Hannibal Lecter was very fitting for that mission since we were dealing with Flesh Eating Robots.

Nico: That's true.

Me: But I thought it was great that we took him down. The world is now a much better place without him.

Varie: That's for sure.

Nico: Of course, we can still do parodies of him.

Me: That's true. I saw this one time where Mr. Burns was dressed like him. (Season 4 Episode 12)

Nico: (LAUGHS) That is perfect for him.

Camie: Yeah it sure is!

Nico: And I have 10 more confirmed backup core members. Kat Hilliard, Zhane, Aisha, Damon Henderson, Cassie Chan, Trey of Triforia, Jolyne Cujoh, Clawdeen Wolf, Gohan, and Tech E. Coyote.

Eli: That's cool!

Me: Master Goku will love hearing that Gohan has an archenemy.

Nico: He sure will.

Qin: Yeah. And Kat will love having Needle Hair as her archenemy.

Eli: And I hope the M.O.E. can control Moonfish for Aisha.

Laney: And Trey will love having Martial Hair as his archenemy.

Lana: And Zhane for Thousand Eyes.

Tsuyu: And how Cassie will have Chomper.

Camie: And Damon for Sickle Claw.

Lola: And Clawdeen Wolf for Nine.

Lily: And One Eye Green Dragon for Jolyne.

Me: And of course that Gorilla will be for Tech E. Coyote.

Nico: I wonder what planet we're approaching.

Maria: Well we're here.

We arrived at a scary dark mountainous planet.

Me: Wow this planet looks scary.

Nico: Yeah.

We went down to the planet and we landed and saw that it was a scary mountain graveyard planet and it had numerous scary tall mountains and really old mountain buildings that were ruined and scary.

Qin: Whoa look at this planet!

Me: Man this planet gives me the creeps!

Eli: Looks like no one has lived here for years. It's totally abandoned.

Blackarachnia: Man this is creepy.

Camie: It's a massive graveyard.

Nico: Lucy, I know you're loving this planet.

Lucy Loud: I am Nico and me and my fellow Goths all feel right at home here.

Nico: Well lets take a look around. There might be some clues as to how this place got this way.

We walked around.

Nico: I think it's always been like this.

Me: Maybe. But who knows.

Eli: Every graveyard has to have some form of history behind it.

Qin: Yeah.

Nico: This is amazing that this planet is here.

Nicole: Yeah. But this planet is also very fitting for the next series of Gene-Slammers. They are fiend versions of the Elemental HERO Cards.

Tristan: You know I was just going to point that out.

Laney: Yeah so the next Gene-slammers might be goths.

Nicole: Yep. And also this whole planet reminds me of the Ruined Kingdom of Crumbleden

Nico: Yeah it sure does.

Tristan: Me, Yugi, and the others went to a place like this once.

Laney: Did you guys really?

Tristan: We sure did. It was inside the Millennium Puzzle.

Me: I've heard about that. That was when Anubis was returning to destroy the planet.

Laney: Yeah.

Nico: Man Anubis must've been a huge problem for you all before we came along.

Qin: Yeah.

Tristan: He was.

Me: But there's a grim possibility that he will return later on in the future. But we're going to be ready for him soon.

Qin: Yep.

Nico: Hello? Anyone here?

We walked around and no one was around. Just bats and crows. Scary.

Qin: Man this whole place is scary. (TRIPS) Whoops!

She tripped and then looked and saw a scary skeleton! It was that of a man that died here!

QIN SCREAMED IN FRIGHT AND SHE JUMPED INTO NICO'S ARMS!

Nico: Qin it's just a skeleton. He can't do anything to you.

Me: Hmm.

I looked at the skeleton. He was a humanoid creature that belonged to the planet.

Me: Very interesting.

Lisa Loud: It appears that he was the last extraterrestrial humanoid to fall here.

Lucy Loud: Let me see.

She used her powers and saw into the creatures last moments alive and saw that it was all because of The Church of Necrom! They stole a terrible form of black magic that turned turned the entire planet into a graveyard and killed everyone and destroyed all life on the planet!

Lucy Loud: GASP!

Nico: What is it Lucy?

Lucy Loud: You are not going to like this.

She told us everything and it was terrible!

Me: The Church of Necrom was here and they destroyed everything on this planet!?

Qin: Monsters!

Nico: Just when I thought they couldn't sink any lower.

Nicholette Torrington: Yeah no kidding.

Laney: Wait he has something in his hand.

We saw that it was a book of some kind.

I pulled out the book and opened it and it was a journal.

Me: It's a journal.

Nico: What does it say?

Me: Lets see.

I looked at the last entry.

Me: Here's the last entry. "To anyone that finds this journal, this entire planet is in terrible danger. If you find this journal then it means that I'm dead and that the Church of Necrom has won. 4 years ago the Church of Necrom came to this planet and stole a powerful form of black magic and a dangerous and deadly forbidden treasure we kept hidden in our vaults called The Staff of Xiyoega, a powerful Necromorphisistic Staff that has the power to reanimate the dead and cause bloodthirsty murderous insanity. We locked it away for the protection of the planet and the universe. But somehow they found it and have begun using its power to destroy all life on the planet. The only way to destroy the spell and reverse what they did is to destroy the staff. Please save our race."

Everyone was shocked!

Nico: This is a catastrophe!

Eli: Yeah no kidding!

Me: Wait Xiyoega. Where have I heard that name before?

I then remembered what I read about when I was analyzing that shard of the Marker!

Me: (GASP) The Staff of Xiyoega has the powers of the Brethren Moons of the Necromorphs!

Everyone gasped!

Nico: We need to find it!

Me: And I bet it's in their hideout in the Abandoned Graveyard.

Nicholette Torrington: That must be the case.

Nico: Then the Another Omnitrix Alien would have to be in the Abandoned Graveyard.

Me: Lets head back to Earth then.

We teleported back and then got the entire team together and went to the Abandoned Graveyard.

We arrived at the Abandoned Graveyard and it was as spooky as the planet we were on.

Maria: Just as spooky as the planet we went to just an hour ago.

Nico: Wow! No kidding.

Lori: This place is literally spooky.

Hunter: (German Accent) Ja, und it's scary that they have a staff with the powers of the Necromorphs.

Suzi Barricks: Yeah no kidding. Those monsters were terrible.

Lightning Dust: They sure were from what we heard.

Kate Lloyd: Yeah they were.

Nicholette: There's the Church of Necrom's hideout.

We saw that it was a mausoleum.

Me: It's a Mausoleum.

We went up to mausoleum and saw the symbol of Necrom on it.

Me: But this is definitely it.

We went in and saw that it was a perfect place for a hideout that people would never think of going to. It was full of dark magic spell books, scrolls, satanic artifacts, demonic statues, witchcraft books and more.

Qin: Wow look at this place.

Brittney: Look at all these evil artifacts.

Nico: We hit evil jackpot.

Me: Boy look at all this. The Church of Necrom was messing around with forces NO MERE Mortal can even fathom anywhere.

Brittney: There's even books on Necromancy, Satanic Occultism and dark potions.

Camie: And even books on Satanic Weapons too.

Nicholette Torrington: This is the motherlode of ultimate evil.

Nico: You guys are welcome to keep this. We just need to destroy one of them.

Tsuyu: Well lets see here. That staff could be anywhere here.

Then she accidentally pushed on a stone and a secret compartment opened and in it was THE STAFF OF XIYOEGA! It was a terrifying staff and it had the symbols of the Marker on it and it was emitting a terrifyingly powerful psychic energy that was like the one that was coming from the Markers.

Nico: There it is!

Qin: Wow! Great job Tsuyu.

Tsuyu: Thanks.

Me: So that's the Staff of Xiyoega. It's terrifying.

Nico: It is. Now let's blow it up.

Me: First lets take it outside and then hit it with everything we got.

Nico: Okay.

I used the Force and took it to outside and we put it on the ground.

Nico: Okay here we go.

We fired powerful energy blasts and they hit the staff and it exploded with incredible power!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was completely obliterated into nothing and completely destroyed!

Nico: That did it!

But then a miracle happened! There were millions and millions of beams of light shining down from the heavens and the divine singing of angels was heard as millions and millions of people came down and were returned to all those that were lost because of the Church of Necrom! Their lives were all restored!

Qin: WHOA!

Nico: Wow!

The planet we were on earlier had also regained all the life it had and more!

It was a miracle!

Nico: Wow!

Varie: This was awesome!

Lucy: Aww. Bring back the graveyards.

Me: Lucy we know you liked those graveyards but those are 2 graveyards the world is a lot better off without.

Nico: You got that right.

Nicholette Torrington: But at least the people killed by the Church of Necrom were resurrected.

Qin: Yep. Now we can find the next Alien.

?: You mean me?

We then saw a figure come out and it was ANOTHER WHAMPIRE! It was a black version of a Vladit!

Nico: Whoa! Another Whampire!

Another Whampire: (In a girls voice) But it's great you guys took down that evil church.

Me: (Gasp) Galena Sonnya Grigorievich! Awesome to see you again.

Another Whampire: You too J.D.

Nico: You know her?

Me: I sure do. Her name is Galena Sonnya Grigorievich. And she is a girl that is also a living grim reaper.

Everyone: WOW!

Eli: That is so cool!

Laney: It sure is.

Jared: No kidding there. That's awesome you know someone like that dad.

Nico: Yeah it sure is.

Me: Yep.

Albedo turned into Negative Whampire.

Negative Whampire: Did Swartz promise you anything?

Another Whampire: Just to help me destroy the Church of Necrom.

Me: Well you're too late on that one. We destroyed them a little over 3 months ago.

Nicholette Torrington: Yeah me and the Dark World Goth Girls of the team took them all down.

Me: And we're going into war with another foe of ours first thing tomorrow morning after we have our usual battles.

Another Whampire: Oh man. The Great Equalist War. I had a feeling that was coming. And I knew that Swartz lied to me.

Nico: Well tomorrow the Church of Necrom will be completely destroyed forever along with all of the enemies of Equestria.

Starlight Glimmer: Yeah that evil version of me is going to pay.

Nico: (takes out Amora's Ridewatch) Time for some magic! (ACTIVATES IT)

(TEARDROP BY MASSIVE ATTACK PLAYS)

Nico: (SINGS DIVINELY AS MAGIC SWIRLS AROUND HIM)

Love, love is a verb

Love is a doing word

Fearless on my breath

Gentle impulsion

Shakes me, makes me lighter

Fearless on my breath

Teardrop on the fire

Fearless on my breath

Night, night of matter

Black flowers blossom

Fearless on my breath

Black flowers blossom

Fearless on my breath

Teardrop on the fire

Fearless on my

Water is my eye

Most faithful mirror

Fearless on my breath

Teardrop on the fire

Of a confession

Fearless on my breath

Most faithful mirror

Fearless on my breath

Teardrop on the fire

Fearless on my breath

You're stumbling in the dark

You're stumbling in the dark

Nico danced and fired waves of magic and smashed Another

Whampire down.

Nico: YEAH!

Eclair: That was awesome! Now how about this. (ACTIVATES PHOENIX (HANNA BARBERA) RIDEWATCH)

(SIREN SONG BY YUKI KAIJURA PLAYS)

Eclair: (SINGING DIVINELY AS FIRE SWIRLS AROUND HER)

She spread her wings and fired waves of fire and smashed down Another Whampire!

Eli: Oh yeah!

Sougo: (Gets out ZI O II Ridewatch) Don't leave us out!

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Kyuranger Ridewatch) Time to test your luck!

Sougo became Zi O II while Geiz got KyurangerArmor.

Nico: AWESOME!

Lucky: LUCKY! You look awesome Geiz!

Geiz: Thanks Lucky.

Lucy (Elfen Lied): Time for some action. (ACTIVATES JINXER'S RIDEWATCH)

(SILENCE BY DELIRIUM FT. SARAH MCLACHLAN PLAYS)

Lucy (Elfen Lied): (SPREADS PITCH BLACK ANGEL WINGS AND SINGS DIVINELY AS CARDS SWIRL AROUND HER)

Give me release

Witness me

I am outside

Give me peace

Heaven holds a sense of wonder

And I wanted to believe

That I'd get caught up

When the rage in me subsides

In this white wave

I am sinking

In this silence

In this white wave

In this silence

I believe

Passion chokes the flower

Till she cries no more

Possesing all the beauty

Hungry still for more

Heaven holds a sense of wonder

And I wanted to believe

That I'd get caught up

When the rage in me subsides

In this white wave

I am sinking

In this silence

In this white wave

In this silence

I believe

I can't help this loning

Comfort me

I can't hold it all in

If you won't let me

Heaven holds a sense of wonder

And I wanted to believe

That I'd get caught up

When the rage in me subsides

In this white wave

I am sinking

In this silence

In this white wave

In this silence

I believe

She danced and fired waves of darkness and smashed down Another Whampire.

Nico: Oh yeah! Nice job Lucy!

Qin: Yeah!

Lucy (Elfen Lied): Yeah!

Varie: How about this too? (ACTIVATES CANDLE JACK'S RIDEWATCH)

(FEAR BY SARAH MCLACHLAN PLAYS)

Varie: (SINGING DIVINELY AS DARKNESS SWIRLS AROUND HER)

Morning smiles

Like the face of a newborn child

Innocent unknowing

Winter's end

Promises of a long lost friend

Speaks to me of comfort

But I fear, I have nothing to give

I have so much to lose here in this lonely place

Tangled up in our embrace

There's nothing I'd like better than to fall

But I fear, I have nothing to give

Wind in time

Rapes the flower trembling on the vine

Nothing yields to shelter

From above

They say temptation will destroy our love

The never ending hunger

But I fear, I have nothing to give

I have so much to lose here in this lonely place

Tangled up in our embrace

There's nothing I'd like better than to fall

But I fear, I have nothing to give

I have so much to lose

I have nothing to give

I have so much to lose

She danced and fired waves of darkness and smashed Another Whampire down.

Another Whampire fired a Corrupta at Nico forehead.

Another Whampire: Now, I command you to kiss Maria on the forehead!

Nico: Sorry but I am immune to your Corrupta.

Qin: It was a nice try though.

Nico: Yeah.

Camie: Yep.

Another Whampire: Darn!

Nico: But I'll do that anyway!

Me: Just don't make William too jealous.

William: I'm cool with it.

Nico then kissed Maria on the forehead.

Qin: Aww.

Laney: Nice.

Tristan: My turn!

Tristan activated his Ridewatch for Solomon Grundy.

He fired waves of bones and smashed Another Whampire all over the place.

Qin: Oh yeah!

Jeanne Salazar: Time for some buttkicking! (Activates Transmetal 2 Dinobot's Ridewatch)

She had a third eye in the middle of her forehead appear and it fired a red laser and it was targeting Another Whampire and it was locked on. It fired a blast from it and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM

Nico: WHOA!

Qin: That was powerful!

William: Save some for me!

William fired his blaster and smashed Another Whampire down all over.

Qin: Oh yeah!

Maria: All right!

Blackarachnia: Might as well get some fun in. Blackarachnia, TERRORIZE!

She transformed and was ready for action!

She fired her bullet legs and smashed her all over the place.

?: Time for some buttkicking!

Then 14 figures came out and we saw that they were the EVIL HEROS!

Nico: Whoa! The Evil HEROS!

Evil HERO Inferno Wing: Nice to see you again Nico.

Nico: The Han Sisters! Wow!

They reverted back and we saw that they were 14 Goth Girls that looked exactly alike. They had black hair, black clothes and red eyes and had Kanji in the middle of their foreheads that each were different.

Fira Han: It's good to see you again Nico. We should introduce ourselves.

They did so and we met

Fira Han - Evil HERO Inferno Wing

Gaia Han - Evil HERO Dark Gaia

Kaze Han - Evil HERO Wild Cyclone

Valia Han - Evil HERO Infernal Sniper

Melissa Han - Evil HERO Malicious Fiend

Eden Han - Evil HERO Sinister Necrom

Gina Han - Evil HERO Malicious Ban

Irina Han - Evil HERO Infernal Gainer

Iona Han - Evil HERO Infernal Prodigy

Bianca Han - Evil HERO Malicious Edge

Wendy Han - Evil HERO Adusted Gold

Naomi Han - Evil HERO Nemesis

Danica Han - Evil HERO Infernal Princess

Lyra Han - Evil HERO Lightning Golem

Me: Wow it's awesome to meet you girls.

Brittney: You are definitely worth joining the Goths of Darkness.

Laney: You sure are.

Fira Han: Yeah and you won't like this but we are the biological daughters of Damien of the Church of Necrom. But we are not like him thank goodness.

Nico: I should explain.

Nico told them their background.

They were born with the genetic Material of the evil leader of the Church of Necrom and the power of Dark Magic and Gene-Slammed with the powers of the Evil HERO Duel Monster Cards. Thankfully they are not like the members of the Church of Necrom and they have all their powers but use them only for good. They are Nico's friends that he met in a restaurant from New Jersey and they became close.

Wendy Sapphira: Wow!

Qin: I remember that! That is cool!

Me: Yep.

Kaze Han: Yeah but it's good that you guys killed our so-called father.

Eden Han: Yeah he and his followers deserved it.

Fira Han: We got this.

They fired waves of elements and smashed down Another Whampire and she reverted back and was a girl dressed in black and was a goth girl too. I caught the ridewatch and purified it. I went over and picked up Galena.

Galena Sonnya Grigorievich: (GROANS) What a headache.

Me: At least you're okay.

Nico: But that was awesome.

Eli: Yeah.

Nico: Did you like that forehead kiss, Maria?

Maria: I sure did and it was adorable.

Qin: Yes it was.

I brought Galena over.

Galena Sonnya Grigorievich: Man that was intense.

Qin: It's sure was.

Irina Han: It was crazy though.

Tristan: Yeah but what's your favorite memories of Nico?

Fira Han: We all went to the same restaurant.

Iona Han: Yeah we went to an awesome ramen restaurant and ate the spiciest ramen ever.

Gina Han: Nico ate the Inferno Ramen Challenge. He was going for the biggest record ever.

Wendy Han: It was for 15 bowls and he ate 30 of them.

Nico: Yeah that was spicy but good.

Me: Wow that must've been awesome.

Laney: Yeah it sure must've been.

Fira Han: It sure was.

Bonnie Terrez: And you girls should know that Dark Jaden the Supreme King is my archenemy and he uses the Evil HERO Monsters in his deck.

Rhonda Monroe: It's true. And I'm also the Gene-slammer for Evil HERO Inferno Wing.

Cassie Evanstein: And I'm for Lightning Golem.

Tiffany Emmerson: And I'm for Wild Cyclone.

Reggie McDonald: And I'm for Sinister Necrom.

Fira Han: That's coincidental.

Lyra Han: Yeah we are slammed with some of the same Heroes.

Nico: Yep.

Nico hugged them.

Nico: I missed you girls.

Han Sisters: We missed you too Nico.

Later we went back to the estate.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, and The Power Pack are heading to Yuma, Arizona, and not only is Lincoln going to rescue the eight girls, but we're also going to recruit Santana, Kars, Esidisi, and Wammu into The Masters of Evil.

But, we also got word that Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodil Gang have been freed by Evil Daybreaker, and they still want bloody revenge on us.

Lincoln: Wow, we're here in Yuma, Arizona, and I know what we're going to do here, not only am I going to rescue the eight girls, but we're also going to recruit Santana, Kars, Esidisi, and Wammu into The Masters of Evil.

Nico: You got that right, Linc, but we also got bad news: our old enemies, Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodil Gang have been freed by Evil Daybreaker, and they still want bloody revenge on us.

Lori: I literally should've known that would happen: Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodil Gang just don't know when to quit.

Lincoln: True, Lori, but those idiots still have The Gessius Florres Vengeance Curse on them, so just like with Scoots, we're going to speed up the curse and kill them, but this time, they're getting The Black Gates, and they're never ever coming back.

Nico: After everything they've done, including causing that riot in the

Uranus Prison long ago, they've brought this upon themselves.

Me: They're nothing but pure evil.

Lincoln: They were born evil, like Dustin Keystone, Narcissa Belladonna, The Church of Necrom, and the many other jerks we've encountered. And I want to thank you and your siblings for joining us, Alex.

Alex Power: You're welcome, Lincoln. And Nicholette, were you guys stunned when you found out Fira Han and her siblings were born in a laboratory with the genetic material of Damian Alaister?

Nicholette Torrington: We were shocked at first, and we almost would've killed them because of the evil things Damian Alaister and his minions have done over the years, but Lincoln stopped us.

Lincoln: They only use those dark powers for good, instead of evil, and they're good members for The Goths of Darkness, and Nico met them long ago and they became close. Plus, they were also Gene-Slammed into the Evil HERO Duel Monsters. Plus, they got along great with Gretchen Holland, Tiffany Emmerson, and Cassie Evanstein who also got Gene-Slammed into said monsters.

Gretchen Holland: We sure do.

Just then, we saw who we were looking for: Santana, Esidisi, Wammu, and Kars, and they were walking towards us.

Santana: Team Loud Phoenix Storm, I was hoping we'd meet.

Lincoln: Yes, and we're here for a reason: we want to recruit you four into The Masters of Evil.

Kars: Mistress Vypra did tell us about that, and she also told us you dealt with our evil selves in The Simulator.

Lori: Yes, in fact, Lincoln absorbed them, and as a result, he assimilated their powers and abilities and made them his own, and sent them to The Black Gates.

Luan: And he's used your abilities on many villains, such as absorbing them into his body through physical contact, and he's also a vampire, so he's also fed on the blood of many villains as well.

Wammu: Interesting, and who did you pick for our archenemies?

Lincoln: I knew we'd get to that. Wammu, you get Joel Rawlings, the Green Lightspeed Rescue Power Ranger, Esidisi, you get Lanky Kong, Kars, you get Neito Monoma A.K.A. Phantom Thief, and Santana, you get Mezo Shoji A.K.A. Tentacole.

Santana: Interesting, so you chose one of the Lightspeed Power Rangers, two of the students from U.A. High School, and another of Donkey Kong's relatives for our archenemies.

Kars: Very well, and we're in.

Luna: Alright, now, to get after Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodils, before those bloodthirsty, vengeance-crazed monsters do something really bad.

Suddenly, we saw the Duel Monster, The First Darklord, heading for us, and with it were the eight girls here, and it landed before us.

Nico: Whoa, that's the Duel Monster, The First Darklord, wicked.

The First Darklord: (Girl's voice) And I managed to get those girls away before those psychos could kill them.

Lincoln: That voice, I knew it was you, Asuka Matoi.

Suddenly, we heard the sound of screams of rage and we saw figures heading straight for us, it was Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodil Gang, and they're mega pissed off.

Lincoln: But, we'll talk later, right after we get rid of Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodil Gang and this time for good.

Lincoln made a rainbow energy field to protect the eight girls from the bloodthirsty wrath of Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodil Gang, and Lincoln fired powerful rainbow energy balls and elemental forces at them, and it really pissed them off.

Lincoln: You fucked-up lowlives just don't even know when to quit?!

Tyler Corso: Not until every last one of you pays for ruining our lives!

Bella Muldoon: We will kill you all and drink your blood!

Leni: Zip it, Bella Muldoon!

Lori: Yeah, and you should also shut your ugly trap, Tyler Corso, you all caused us enough trouble to last an eternity.

Luna: And now, we're going to make sure none of you ever return again to torment us anymore!

Nico: You're heading for an early grave, YOU FUCKED-UP VENGEANCE-CRAZED BLOODTHIRSTY BASTARDS FROM HELL!

Suddenly, something within the minds of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily had suddenly snapped as memories of what Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodils came back to them in full force, and they were suddenly surrounded by rainbow energy auras with elemental forces and mythological animals, they unholstered their massive greatswords from their backs, and as they approach Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodils, they left rainbow energy, elemental forces, and mythological animals with every step.

Lori: Even after all these years, you still literally make me sick to no end, Tyler Corso, you've been nothing but trouble from the very day you stepped foot in school and you made us look like idiots, and all for your own sick amusement.

Leni: The same goes with you, Bella Muldoon, you've let your jealousy of me consume you, and you turned into a monster who tried to ruin me.

Luna: Not to mention you've also bullied and tried to kill me long ago, Nate Krenshikov, just because Sam was with me and you were abusing her.

Luan: And don't think we've forgotten about all the trouble you Black Daffodils have caused Detroit for years, you were nothing but terrorist monsters who enjoyed causing pain and misery to all those in your path.

Lynn: And don't think I forgot about that day when Betsy Davis hired you monsters to kill us, you've had this coming for a very long time.

Laney, Lucy, Lana, Lola, Lisa, and Lily: And your crimes can never be forgiven.

Suddenly, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily were really starting to get pissed off as we felt the ground shaking and their infinite power and energy was rising even more like crazy.

Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily: (SUDDENLY GETTING EXTREMELY PISSED OFF EVEN MORE) But, you just absolutely refuse to learn your lessons even after we've beaten and pummeled you jerks into the dirt and broke out with the help of Evil Daybreaker to try and kill us again, and on the eve of the war… , YOU ALL JUST CROSSED ONE FUCKING LINE TOO MANY, TYLER CORSO, BELLA MULDOON, NATE KRENSHIKOV, AND THE BLACK DAFFODILS, AND FOR THAT, WE WILL SEND EVERY LAST ONE OF YOU STRAIGHT TO YOUR ETERNAL DAMNATION FOR ALL OF THE CRAP YOU'VE DONE IN THE PAST!

We gasped at the extreme extent of the rage coming from Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily.

Lincoln: Uh oh, now they've really done it, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily's rage has been unleashed, and Tyler Corso and his minions are about to pay a bloody price.

Nico: And it's with their miserable lives.

Me: Oh man, this is going to end really really badly. Shall we say it together, Eli, Nico, and Lincoln?

Eli: Oh, yes, let's.

Me, Lincoln, Nico, and Eli: HIT THE DECK, THEY'RE GOING TO EXPLODE!

We ran for cover and just in time too, as Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily screamed like ten madwomen, and then…

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

A massive explosion of elemental energy blasted out and they were suddenly surrounded by massive vortexes of rainbow energy with elemental forces surrounding the vortexes, and the ground was shaking like crazy, there are mythological animals flying around the vortex, and in the vortexes are colored phoenixes. Then, as the vortexes faded, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily emerged, but they were changed forever, and we knew that Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodils have sealed their fates.

Me: Aw, yeah, this is going to be awesome!

Nico: Time to say goodbye, you fuckers! 'Cause you're never ever coming back, and we mean it this time!

Then, Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily slashed off the arms of Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodils, and they screamed with excruciating pain and insane rage, and Lincoln absorbed their arms into his body when he had grabbed them. Then, they fired powerful rainbow energy beams at Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodils, and they exploded with incredible power, and when the timer on my watch hit zero, the curse took their lives, and once their spirits appear, The Louds drew kanjis on their foreheads, and condemned them all to The Black Gates.

Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodils: (SCREAMING IN RAGE) NO, NO, THIS CAN'T HAPPEN TO US! DAMN YOU, FUCK YOU, TEAM LOUD PHOENIX STORM, FUCK YOU!

Those would be the last words they would ever say as they were erased for good. We cheered wildly as we holstered our weapons and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily are permanent. THE VENGEANCE-CRAZED BLOODTHIRSTY RAMPAGES OF TYLER CORSO, BELLA MULDOON, NATE KRENSHIKOV, AND THE BLACK

DAFFODILS HAS FINALLY BEEN BROUGHT TO AN END FOR GOOD!

Nico: Good riddance, you fucked-up bloodthirsty vengeance-crazed bastards!

Lincoln: And this time, don't you even dare come back. (To Asuka Matoi) And it's so good to see you again, Asuka Matoi.

Asuka Matoi reverted back to normal, and she's a beautiful girl with long flowing midnight black hair, pink eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has six sets of massive beautiful midnight black angel wings, and she reigned in the power of The First Darklord, and she's dressed in a sleeveless midnight black shirt, midnight black skirt, midnight black stockings with black lace designs, midnight black knee-high boots, and long sleeveless midnight black trenchcoat with darkness on the coattails, and The First Darklord on the back, and holstered on her back is a large The First Darklord-themed greatsword with The First Darklord etched on the 7'0" massive, wide, double-edged midnight black blade, midnight black wings for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, and a large pink gem surrounded by angel wings for the pommel.

Asuka Matoi: You too, Lincoln, it's been a long time, and it's also good to see you too, Lynn.

Lynn: You too, Asuka.

Lincoln went up to Asuka Matoi and they hugged, and Asuka Matoi is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then, and so has Lynn.

Asuka Matoi: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Nico: Wow, Lincoln, you and Lynn know her?

Lincoln: Indeed I do, Nico, this is Asuka Matoi, she's my Guardian Angel from Japan and classmate in Gym, she's also a devastating wrestler and Martial Arts master, and surprisingly, Zangief is her idol.

Me: Just like with R. Mika, and wait until she meets Zangief.

Lynn: She'll be in for a big surprise, and me and Lincoln often helped Asuka train in wrestling and martial arts. Asuka would often flirt with Lincoln and called him Kung Fu Rabbit, and she also would protect Lincoln from bullies, especially Chandler and his goons. In fact, when she saw Lincoln getting bullied by Chandler and his goons, she beat the crap out of them and left them with broken teeth, arms and legs and she even turned them into human pretzels and threw them into a pile of stinky socks.

FOGHORN SOUND!

Nico: P.U.! That stinks!

Lynn: Oh, big time, and to show thanks, Lincoln kissed Asuka on the lips. We also found out she's the cousin of TLPS Ryuko Matoi, the one we know here, and she hates Chandler with a burning passion.

TLPS Ryuko Matoi: That's right, and it's good to see you again, Asuka.

Asuka Matoi: You too, Ryuko.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Asuka Matoi's neck with pink gems on the gold thunderbolt links and black crystal links from her brand-new Crystal

Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Asuka Matoi: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're part of my harem and one of my many future wives, Asuka.

Asuka Matoi had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Asuka Matoi 's waist and Asuka Matoi wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he recognized them immediately. The eight girls are Feena Fam Earthlight, Mai Asagiri, Sayaka Hozumi, Karen Clavius, Mia Clementis, Natsuki Takamizawa, Midori Tooyama, and Wreathlit Noel from Brighter Than The Dawning Blue.

Lincoln: Oh wow, it's Feena Fam Earthlight, Mai Asagiri, Sayaka Hozumi, Karen Clavius, Mia Clementis, Natsuki Takamizawa, Midori Tooyama, and Wreathlit Noel from Brighter Than The Dawning Blue.

Nicole: Awesome.

Lincoln: Are you girls okay?

Feena Fam Earthlight: Yes, we're okay, thanks to you.

Then, when Feena Fam Earthlight and the other seven girls saw who it was that saved them from the bloodthirsty Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodils, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac

sign on the back of his neck and the Cygnus the Swan constellation and embedded Jewel of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs with the orange kanji on the left leg that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos", and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Feena Fam Earthlight: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Feena Fam Earthlight: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Feena Fam Earthlight, Mai Asagiri, Sayaka Hozumi, Karen Clavius, Mia Clementis, Natsuki Takamizawa, Midori Tooyama, and Wreathlit Noel with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone what happened, and they were glad the recruitment of Santana, Esidisi, Wammu, and Kars was a success, and they were shocked when they found out the villains we went after were Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodils, who were freed from their prison by Evil Daybreaker, and they still wanted revenge on us.

But, when Lincoln showed the Super Angel Xelnaga Eternity Infinity transformations of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily, and what we all did in thrashing those fuckers and they died because of the curse still on them, and sending them all to The Black Gates for good, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Asuka Matoi have a lot of catching up to do, now that she's back in town.

Maria: When we felt the energy and power from your sisters, Lincoln, we knew something was up.

Lincoln: But, we didn't expect Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodils to show up again.

William: It was due to Evil Daybreaker's scheme, but they failed, and now, we're never seeing any of those assholes again.

Lori: Big time.

Then, Bobby, Ed, Sam, Eddy, Lightning, Joey, Rocky Spokes, Skippy, Winston, Dexter, and Carlitos went up to Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily, and they kissed and it was so awesome.

Bobby: Babe, I'm so proud of you, we all are.

Lightning: Yeah, you girls transformed and laid quite the beatdown on those punks.

Lori: Thanks, Boo-Boo Bear. Besides, Tyler Corso's been asking for it for a very long time.

Leni: Same with Bella Muldoon.

Luna: Along with Nate Krenshikov and those dumb Black Daffodils.

Lincoln: They've plagued us for the last time, but now, they're gone for good, and they're so not coming back again.

Eli: What a bunch of monsters.

Me: That's not even a word I'd use to describe them, bro.

Lincoln: We've got a whole lot of worse names to call them.

Nico: Yeah, and thanks to us hastening your curse, Lincoln, we gave them an early date with death.

Lincoln: Same with Scoots, but I don't think even Hell will torture and torment Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodils, because they were even worse than The Devil

himself.

Me: Yeah, so they got off easy, while Scoots is being tortured forever by Hell's demons.

---

After finally getting rid of Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodils and this time for good, we were training intensely in the gym, this time, doing 500,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Asuka Matoi saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Asuka Matoi: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Asuka, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Asuka Matoi: That's incredible.

Nico: It sure is. So, Asuka, what's the story on why you hate Chandler with a burning passion?

Asuka Matoi: You're not going to like this one. One day, Lincoln, Lynn, and I were training in wrestling and martial arts in the gym, but then, Lincoln caught the stench of sewage in the air, and we saw who it was: it was Chandler and his two goons, Artie and Trent, and they still wanted to kill Lincoln, and now that Chandler saw Lynn with him and not trying to kill him, he was also going to kill her too. You see, I knew Lynn, along with Lori, Lola, Lisa, and Luan had made some alliances with Chandler, and it was due to their Dark Sides, and they got their butts handed to them by Lincoln and the other Guardian Angels. So, I painfully reminded Lynn of the consequences, and that got her to wake up and see the error of her ways. Anyways, we used our skills in wrestling and martial arts and we knocked Chandler, Artie, and Trent on their butts, and then, I beat the crap out of them and left them with broken teeth, arms, and legs, and even turned them into human pretzel and threw them into a pile of stinky socks. Then, we called the principal, who sprayed Chandler, Artie, and Trent with water and he dragged them away to the office, and they got hit with two month suspensions from school.

We cheered wildly for what they did to Chandler and his goons.

Nico: Honestly, Chandler didn't even know when to quit, even after he and his goons got their asses handed to them.

Lincoln: Blame Dark Chandler for that, and when they got thrown in a pile of stinky socks, it was the ultimate humiliation.

Me: Yeah, and I was around when that happened, and when they got out of the pile of stinky socks, they really stink, P.U.! Too bad Lynn didn't give them a Dutch Oven.

Nico: A Dutch Oven in a pile of stinky socks?! That could cause the entire school to be fumigated for many weeks!

Lincoln: Yeah, but Lynn didn't, thank goodness.

We got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Zinyak from Saints Row IV, and he's causing havoc.

Nicole: Oh shit, it's Zinyak!

Lincoln: The powerful galactic conqueror and Ruler of the Zin Empire?! Oh, that's not good, we need to get rid of him now.

Chazz Princeton: And that'll be left to me and Reina Sage, Lincoln. But, we'll leave him for you to absorb him, after we beat him up badly.

Lincoln: Thanks, Chazz. Now, let's go and teach that galactic conqueror a painful lesson.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy balls and elemental forces at Zinyak, and when he saw us, he ordered his army to try and capture us, but Lincoln fired powerful waves of energy, and he sucked out and absorbed all of their energy and their bodies were desiccated and drained of life and he also absorbed their advanced technology.

Kinzie Kensington: I should've known you'd show up again, Zinyak.

Asha Odekar: You're never going to quit, are you?

Zinyak: Not until I've captured Team Loud Phoenix Storm!

Lincoln: Ain't happening, ugly!

Chazz Princeton: That's right, and your days of conquering galaxies are about to end.

Reina Sage: Here and now.

Suddenly, the eyes of Chazz Princeton and Reina Sage turned neon, and they were surrounded by colored energy auras, elemental forces, and mythological animals, they unholster their weapons, and as they approach Zinyak, they left colored energy, elemental forces, and mythological animals with every step. Suddenly, Chazz Princeton and Reina Sage were surrounded by massive vortexes of colored energy with elemental forces surrounding them, there are mythological animals flying around the vortexes, and in the vortexes are colored phoenixes. Then, as the vortexes fade, Chazz Princeton and Reina Sage emerge, but they were changed forever.

Raine Sage has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY MAGICAL ARCANE STORM ELF ANGEL OF DIVINE ARCANE MAGIC JUSTICE AND DIVINE MAGICAL ELEMENT LOVE!

We were amazed by the transformations of Chazz Princeton and Raine Sage, but when Zinyak saw them, he tried to capture them through force, but Chazz Princeton and Raine Sage fired powerful colored energy blasts at him, and they exploded with incredible power as they hit him, but he's not out yet.

Chazz Princeton: (Divine Echoing Cosmic Voice of The Chthonian Dragon and Divine Dark Hellfire Hope) **So, he wants to play rough, huh? Raine, you ready?**

Raine Sage: (Divine Echoing Cosmic Voice of The Arcane Magical Elf and Divine Arcane Magic Love) **You bet, Chazz, let's get him!**

Chazz Princeton and Raine Sage went after Zinyak, and they fired powerful blasts of red and silver and black and blue energy, elemental forces, magic, dark fire, darkness, and dark lightning at Zinyak, and they exploded with incredible power as they hit him. Then, Chazz attacked him with his massive greatsword and Raine Sage blasted him with her new rod. Then, they grabbed him and tossed him to Lincoln, who put him in a brutal bear hug, so he couldn't escape. Then, Lincoln absorbed him into his massive and extremely muscular body, and he assimilated his powers and abilities and he absorbed Zinyak's advanced alien technology.

Then, as soon as Lincoln was done absorbing Zinyak into his massive and extremely muscular body and assimilating his powers and abilities and absorbing the advanced alien technology of Zinyak's empire, an energy card with Zinyak's soul inside it appeared in Lincoln's large left hand, and when the kanji appeared on Zinyak's forehead, he was erased by The Black Gates. We cheered wildly as Chazz Princeton and Raine Sage holster their new weapons and power down and the new bodies, clothes, weapons, jewelry, and massive angel wings of Chazz Princeton and Raine Sage are permanent. Then, they also shared a passionate kiss as we cheered for them.

Nico: Awesome job, Chazz and Raine, and you too, Lincoln.

Chazz Princeton: Thanks, Nico. So, Lincoln, did you find out who sent Zinyak after us?

Lincoln: Yeah, it was Evil Daybreaker alright, and she brought him back from the dead, along with his entire empire to capture us.

We gasped.

Me: That fiery demon Alicorn, now she's gone too far.

Nico: She sure has.

Lincoln: Now, to make sure the Zin Empire never hurts anyone again. ZIN EMPIRE GENOCIDE BLAST!

Lincoln fired a very powerful barrage of massive rainbow energy blasts, and they hit the ships and the troops of The Zin Empire and all of them were obliterated and were sent to The Black Gates, and he also absorbed the advanced alien technology of The Zin Empire.

Eli: That'll teach those monsters.

Nicole: And piss off Evil Daybreaker big time.

Juniper Celestia: Don't worry, Nicole, she's getting her punishment later on today.

Princess Celestia: Yes, and she'll never return to hurt anyone ever again.

We returned home to The World Tree Estate, and we got rid of Zinyak and the entire Zin Empire, and we pissed off Evil Daybreaker big time, but she'll get her punishment later on today.

* * *

At the park we were relaxing and having some rest.

Me: Ahh. Nothing like a little relaxing.

Qin: Boy you said it. Too bad we have to go to war tomorrow morning.

Nico: I know.

Juandissimo: (Spanish Accent) Personally, Señor Nico, I think that it's good that some of the Rangers are backup core members.

Nico: I agree there Juandissimo.

Laney: Same here.

Camie: Besides I have a feeling this is gonna be so awesome.

Rin: Now, we just need Keiichiro to be a backup core member.

Nico: Good idea.

Keiichiro: Yeah I agree.

Tea: Guys I have something to tell Yugi.

Yugi: What is it Tea?

Blitzwing: Let me guess. You got feelings for him.

Tea: Yes I sure do. Yugi, ever since we met I… I…

Yugi: Tea no need to go on. I love you too.

Tea: Really?

Yugi: I mean it Tea. I've had feelings for you ever since we started our journey.

Tea: Oh Yugi.

They hugged and kissed passionately and we cheered and Joey was crying hard happily!

Sky Lynx: Aww. So cute!

Nico: It sure is.

Qin: Yeah. Those two are perfect.

Me: After everything that happened to them they more than earned the right to be a couple.

Eli: I agree there.

Pharaoh Atem: And me too. Yugi and Tea are perfect for one another.

Eli: I agree too father.

Nico: Yep. Now lets get ready for our next mission. And no it's not in the past this time.

Roxas: Glad to have a mission in the present for once.

Nico: I agree there.

Laney: Me too.

Qin: Yeah I've had enough time traveling to last the rest of the year.

Camie: Me too.

Sly Cooper: We all did.

Nico: Yep. But you guys will love our next mission. We're going to first watch this.

Nico pulled out the movie for The Brave Little Toaster To The Rescue.

Me: That's one of my favorites. And you guys will like this. Rob McGroarty Is my college penpal,

Nico: That's cool! You'll have to tell us more later.

Then Kaos, INSTIGATOR, The Vreedle Brothers, Duff Killigan, Carmen Dillo, El Oso, Tchang Zu, Dr. Starline, Hades Beast Specter, King of Flan, Leap Frog, General Schwarz, Metal Sonic, Trident, Golden Gut, Bushroot, Scooby Snax Monster, Dragon Jellyfish, Creepy Lighthouse Keeper, Megalon (1973), Emperor Z, Mortimer Mouse, and Yost Domino came.

INSTIGATOR: Can we watch the movie with you guys?

Me: You sure can.

Nico: Lets get to watching.

We went back to the estate and watched the movie.

---

Rob McGoarty, the owner of the appliances, and the one referred to as "The Master," is in his last days of college while simultaneously working at a veterinary clinic. One night, while finishing his thesis, his computer crashes due to a computer virus. The appliances, along with a rat named Ratso, seek to help Rob by finding and reversing the effects of his computer virus. Meanwhile, Mack, Rob's lab assistant, plots to sell the injured animals Rob had been tending to a Santa Clarita laboratory named "Tartarus Laboratories." The appliances discover an abandoned, old prototype TLW-728 supercomputer named Wittgenstein in the basement. Wittgenstein reveals that he is living on one rare vacuum tube, a WFC-11-12-55, due to being infected by a computer virus. The appliances learn that unless they find a replacement quickly, Wittgenstein's vacuum tube will blow and lead to his death.

In an attempt to return Wittgenstein to his full capacity, Radio and Ratso go to the storage building of the college to find the WFC-11-12-55 tube. However, when Radio and Ratso return with the tube, they accidentally break it during an argument. Wittgenstein does his best to survive, but the virus causes him to blow his remaining tube and he dies. Guilt-ridden over condemning the animals to their doom at Tartarus Laboratories, Radio gives up his own tube, sacrificing himself. The appliances install Radio's tube in Wittgenstein and he wakes up with boosted power that regenerates all of his other tubes and destroys all the viruses within him. The appliances and Wittgenstein alert Rob and his girlfriend, Chris, to Mack's scheme. The appliances create a makeshift vehicle and pursue Mack's truck with Rob and Chris following them. They manage to lure the police to the front of the truck and have Mack arrested. After discovering the appliances in the truck, Rob and Chris assume that Mack had also planned to sell Rob's stuff, but Rob wonders where Radio is. Later, they discover Wittgenstein and Radio in the basement. Chris replaces Radio's tube with a new one she found in Nome, reviving him. Wittgenstein restores Rob's thesis and is later sold to a museum to be upgraded with modern technology. In the end, all of the animals are adopted by new owners except Ratso, who Rob and Chris decide to keep as their pet. Rob proposes to Chris and she accepts. They leave college with their appliances and Ratso, planning to start a new and happy life together.

When the movie was done we cheered wildly!

Nico: So awesome! And Wittgenstein is really awesome too.

Lisa Loud: Indeed. That was a prototype super computer from the old days.

Qin: Yep.

Leap Frog: Rob's gonna be happy to see you again.

Mortimer: Think he knows about what's gonna happen tomorrow?

Me: I'm sure he does. With everything that has been going on the last 3 months everyone was made aware of the war tomorrow.

Nico: Yeah.

Me: I'm going to give an emergency message to everyone all around Earth tomorrow.

Nico: Okay.

Eli: Yeah the entire planet is in danger and we have to do what we can to stop Evil Starlight Glimmer.

Camie: That's right. After Daybreaker we go into battle with her.

Laney: Yep we sure do.

Me: Yep and we're going to need all the help we can get if we want to destroy Evil Starlight Glimmer and her followers. So we'll have to call in many of our allies and friends from all

over the universe.

Nico: Good idea.

Kira Howard: And I'll call in the Red Dragons to help us out with this.

Nico: Good.

Shade Man: Nico, which Gene Slammer do you think you'll meet next time?

Nico: Well this will be for the Day After Tomorrow because of the war. But I'm hoping to do one for a Mega Yveltal.

Me: Whoa! A mega version of the Pokemon of Destruction.

Laney: Yeah this will be good.

Camie: Yeah.

Laney: Yep.

Nico: Shall we head out?

Me: We shall.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Evil Daybreaker, and the Dark Sun of Equestria's absolutely furious that Tyler Corso, Bella Muldoon, Nate Krenshikov, The Black Daffodils, and Zinyak have been destroyed and sent to The Black Gates for good, and now, she's heading here to get her revenge and kill us all. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Evil Daybreaker on the move?

Lincoln: You guessed it, Nico, and the Dark Sun of Equestria's absolutely furious that Tyler Corso, Bella Muldoon, Nate Krenshikov, The Black Daffodils, and Zinyak have been destroyed and sent to The Black Gates for good, and now, she's heading here to get her revenge and kill us all.

Me: Ooh, should've guessed that was coming.

Juniper Celestia: Either way, she's going to receive her just punishment for her crimes.

Princess Celestia: And we're going to make sure she never returns.

Nico: A perfect way to be prepared for the day of the war. Alright, gang, let's go, we've got trouble in a local college campus to deal with.

Lincoln: Something's happening there and it's really not good, and you better be ready for later on today, Evil Daybreaker, and today, you shall be extinguished for good, Dark Sun of Equestria.

We were off.

---

We were flying to the college.

Kaos: We used a song from this movie for one of the Ridewatches.

Trident: Now, we're meeting characters from the movie itself.

Nico: We sure did.

Me: Yep.

We arrived at the college Rob was in.

Me: Here we are.

We went to the vet room and saw Rob working.

Skywarp: Yo. You Rob?

Rob McGoarty: Yes I am.

Me: Awesome to see you doing great Rob.

Rob McGoarty: Hey J.D.

Me and Rob hugged,

Me: How have you been doing?

Rob McGoarty: Really good. I've been getting the animals finished up before I head out with Chris.

Me: How is she doing?

Rob McGoarty: Really good.

Qin: Awesome.

Octagon: Mind if we come inside?

Bushroot: But if those Junkshop Appliances annoy us, we're snapping their necks!

Rob McGoarty: Huh?

Me: We should explain.

We went inside and we saw a bunch of awesome animals. We saw a Chihuahua, a snake, a monkey and a mother cat and her kittens.

Fluttershy: Aww look at these adorable animals.

Rob McGoarty: The Chihuahua is Alberto, the monkey is Sebastian, the snake is Murgatroid, and the cat is Maisie and her little kittens. And the rat is Ratso and he is my pet.

Qin: Cool.

Me: They are adorable.

Bowser: J.D.'s grown a lot since you last saw him.

Rob McGoarty: I know. He is an amazing hero and a great leader of the team.

Me: Former leader actually. Nico here is now the new leader. I'm second in command of the team.

Nico: That's right but J.D. still loves leading the team as much as me.

Rob McGoarty: Oh that's okay.

Rhomboid: Man, I've gonna miss meeting new former Another Omnitrix Aliens.

Creepy Lighthouse Keeper: Relax. The rescues will only be on hold for a week.

INSTIGATOR: Then, it'll be back to business as usual.

Me: Right I take it you heard that we're going into war tomorrow.

Rob McGoarty: I sure have. You guys are going to be in for one heck of a battle.

Me: These last 3 months have been really hectic. And it was because of a malevolent cult that has been causing us a tremendous amount of trouble.

Rob McGoarty: The Church of Necrom. I can't believe they were that evil.

Me: Yeah. But the big battle is first thing tomorrow and we're going to finish them by destroy Evil Starlight Glimmer. When we destroy her we destroy the Church of Necrom forever.

Hak Foo: Do you have a coffee maker?

Rob McGoarty: At home in the dorm yes.

Hak Foo: Oh.

Rob McGoarty: But I'm glad you guys are here. I need your help.

Me: Uh oh. Don't tell me. A virus has deleted your thesis and the animals are in trouble.

Rob McGoarty: Yes how did you know?

Me: Call it intuition.

Rob McGoarty: Yeah. Someone put locks on the cages without my consent.

Me: I'll fix that.

I went over and snapped the locks off.

Qin: There.

Me: That's one problem. Now to figure out where the virus came from.

Nico: It's in the basement.

We went to the basement.

Megalon 1973: Also, we know that your toaster is alive.

Tchang Zu: And so are other appliances.

Rob McGoarty: Are they really?

Me: Yep. They are special.

Rob McGoarty: I always knew they were special from when I was a kid.

Me: Awesome. So have we.

We arrived and saw his appliances and a huge ancient relic from the past. It was an old supercomputer.

Ken Ichijouji: There's no point in hiding.

Wormmon: We know you're alive.

Toaster: You guys knew?

Radio: But how?

Me: We always have known.

Rob McGoarty: But it's awesome that you're alive.

Blanket: Master you are here too?

Rob McGoarty: Yeah. I'm amazed you guys are here.

Lampy: Yeah we get around.

Me: But look at this.

It was an old TLW-728 supercomputer named Wittgenstein.

Nico: Wow it's a TLW-728 Supercomputer.

Toaster: Yeah that's Wittgenstein. He's got a nasty virus.

Wittgenstein: (LOUD SNEEZE)

Me: Geez! Bless you!

Yost Domino: Thank God we don't have to put up with those Junkshop Appliances.

Metal Sonic: I would've torn them apart.

Me: Yeah no kidding.

Wittgenstein sneezed loudly.

Me: Bless you!

Lampy: You should take something for that cold.

Wittgenstein: (groans) It's more than a cold. It's a virus. (sneezes)

Ash Ketchum: Bless you.

Wittgenstein: Thank you, son. And, when I get a virus it spreads everywhere.

Radio: Run for the hills!

Wittgenstein: Not to you. It only happens if you're online.

Me: Plugged in.

Bugs Bunny: (sighs) What a relief. We're not online.

Ash Ketchum: Neither am I. You're living creatures not computers.

Me: Thank goodness.

Nico: Geez you look awful. But is there anything we can do to help?

Wittgenstein: I'm utterly useless at the moment. Outmoded.

Toaster: How long have you been down here?

He computed the time and a paper came out of him.

Wittgenstein: 4,999,450,852,312 nanoseconds.

Me: Wow!

Wittgenstein: Yeah. Ever since that awful day when… when transistors were invented.

Varie: That was back in 1947.

Nico: Geez! You've been down here for 75 years!

Wittgenstein: Yeah Nico I've seen it all.

He turned on a TV and a song began.

It showed Wittgenstein in his past.

Wittgenstein: (SINGING) I glistened and gleamed

For a while back then, it seemed

That I would go on, forever in my prime

They said "Wittgensten's the greatest!

He's the smartest and the latest!"

Yes, I once lit up the face of Time

Viruses: Chomp and munch, chew and crunch!

There's a lot here to destroy

Inch by inch, it's a cinch

Bringing down this big ol' boy!

Wittgenstein: My memory fades

As my circuitry degrades

It gets harder and harder to recall

I was the hope on the horizon

But now I'm realizin'

I'm a giant who's about to fall

Yet from somewhere, deep in my banks

My song of hope still clanks

I lead the way through the great unknown!

Never knowing what I'll find

I'm searching, expecting, exploring, connecting

So no one has to feel they're left behind

Viruses: Chomp and munch, chew and crunch!

There's a lot here to destroy

Inch by inch, it's a cinch

Bringing down this big ol' boy! (x2)

Chomp and munch, chew and crunch!

There's a lot here to destroy

Inch by inch, it's a cinch

Bringing down… this… big… ol'… boy!

He was really in rough shape as the viruses were tearing him apart!

Chris came down.

Chris: Rob, is something wrong?

Protoboy: Hi. You must be Chris.

Chris (BLT): Wow Team Loud Phoenix Storm it's an honor to meet you guys.

Me: You too Chris.

Rob McGoarty: We have a lot to tell you Chris.

I told her everything.

Chris (BLT): Wow! This is a lot to take in.

Me: I know.

Wittgenstein: We have a huge problem though. (LOUD SNEEZE)

Me: Lets take a look inside you and see what's up.

We went behind him.

General Schwarz: Maybe Upgrade can help.

Emperor Z: (chuckles) It's times like this that I'm glad you're by my side again, Schwarz.

General Schwarz: That's true.

Ben: I don't want to get a computer virus in me. Who knows what would happen if Upgrade got it.

General Schwarz: Oh.

I opened him.

Me: Wow.

He was made of tubes. Cathode tubes.

Eli: Wow look at that.

Nico: What seems to be the problem?

Wittgenstein: See the fifteenth tube from the right? Third Level?

Radio: Oh you mean the WFC 11-12-55.

Wittgenstein: That's the one. Take a good look.

Radio: Light please.

Lampy shined his light on it.

We saw that the filament was almost out.

Radio: HOLY COW The filament is almost burned out.

Wittgenstein: Much more internal activity and it'll be gone. I'll be gone. That little tube is the only thing standing between me and the junkyard.

Blanket: You wouldn't like the junkyard. We've been there and it's not a nice place.

Wittgenstein: I'm useless without that tube and they don't even make them anymore.

Carmen Dillo: Before Katie works her magic, we want to know one thing.

Dragon Jellyfish: Who the fuck gave you the virus?

Me: I think I know. It was Slappy the Ruthless and no I'm not talking about Slappy the Squirrel.

I pulled up his info. He was a ruthless loan shark that has a really nasty temper. He YELLS BIG TIME and has a REALLY NASTY DISPOSITION and anyone that crosses his path is dead. He wants money from the animal research that is being given to Mack from shipping the Animals off to Tartarus Labs.

When I was done showing everyone, everyone was SHOCKED!

Mokuba: So, we've got two targets.

Me: One actually. Slappy is now in prison. 3 days ago I had Sheila book Slappy. He is now in federal prison on money laundering, racketeering, and Loansharking.

Qin: Good.

Me: All we have left is Mack.

Rob McGoarty: I knew something was bad about him!

Chris: We got to stop him fast!

Wittgenstein: Something's happening!

A beep was heard

A Red Screen on the computer came up and it said ANIMALS IN DANGER!

The Shipping Order was printed!

Wittgenstein: The Shipping Order has just been printed! They're about to be shipped out!

We gasped!

Me: We got to get moving!

Rob: Nico, before we head out, can I offer some advice?

Nico: Sure.

Rob: After the war, you should really consider getting William, the Decepticons under your command, and several of the other Redemption Squad members archenemies.

Nico: (sighs) Have I really been neglecting them?

Scooby Snax Monster: Not really.

Duff Killigan: (Scottish Accent) We just think they're overdue, lad

Nico: You're right! They sure are.

Qin: We got to hurry though!

Cana Alberona: We got to get moving!

Thetis: Entrance time!

Nico: Lets go!

The animals were being loaded up into the van for Tartarus Laboratory and then the spirits of the Harmony Elements appeared and swirled around the truck and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above the truck and a phoenix cry was heard. We came out.

Mack: WHAT!? Team Loud Phoenix Storm!?

Me: This shipping order is cancelled!

Mack: YOU WILL NOT STOP ME!

El Oso: (Spanish Accent) Someone get the animals out!

Golden Gut: Leave that to me!

He fired his gut and smashed the truck and ripped a hole in it and Fluttershy got them out.

Mack: NO!

I grabbed Mack and punched him in the face.

Then Waffle Woman, Roquefort, Katnappe, Salami Swami, Lythos, Pyros, Hydros, Stratos, Grundy, SkullMeramon, Marina Del Ray, Platinum Princess, Big Cheese, IR Baboon, Animal Path, Bird Brain, Superfriends Cheetah, Evil Jewel Man, Evil Cloud Man, Sheep Mage, and Yost Korvac appeared.

Nico: Waffle Woman, Roquefort, Katnappe, Salami Swami, Lythos, Pyros, Hydros, Stratos, Grundy, SkullMeramon, Marina Del Ray, Platinum Princess, Big Cheese, IR Baboon, Animal Path, Bird Brain, Superfriends Cheetah, Evil Jewel Man, Evil Cloud Man, Sheep Mage, and Yost Korvac.

Waffle Woman: William and several of the other Redemption Squad members getting archenemies is a good idea.

Roquefort: But only if Brawn and the other Autobots get archenemies as well.

Nico: I think that can be arranged.

Me: I agree there.

Katnappe: If it works for Maria, it can work for them.

Me: It sure can.

Salami Swami: (Hindu Accent) We heard you visited a haunted planet.

Me: We sure did.

Lythos: Though, it's probably not haunted anymore.

Me: No it's not. We found out something big from it.

I told them everything and it was intense.

Pyros: Oh man!

Nico: Yeah.

?: That is intense!

A figure came out and it was CONDUCTRO of Episode 17 of Dino Super Charge!

---

Conductro is a new servant of Arcanon with his partner Screech. He hypnotized many Rangers but Koda wakes them, then they fight him. He is destroyed by Sledge, Snide, Poisandra, Curio, Fury and Wrench when they are ambushed.

The Rangers later went back in time to destroy Sledge's Crew once and for all when the Dark Energem created a black hole which destroyed Earth. After the Rangers went back to their own time periods, Heckyl and Zenowing went to the planet Sentai 6 to protect the Dark Energem from being taken again. Conductro still lives, yet his fate is unknown as of now. He was presumably destroyed by Heckyl and Zenowing offscreen to prevent the theft of the Dark Energem during Arcanon's attempted invasion.

---

Tyler: Conductro!

Conductro: Been a long time rangers.

Me: I remember you! You hypnotized the rangers and Koba woke them up. And the Dark Energem was in our time too!

Conductro: That's right. Sharp memory.

Nico: Yep.

Conductro: How's Screech?

Tyler Nevarro: We actually haven't seen him again yet.

Me: But if we do we'll gladly face him soon.

Qin: Yep.

Me: Well we have a prewar battle to do.

We got the battles underway.

---

Tara "Terra" Logan, Applejack, Apple Bloom, Earth Skylanders, Roxas and Aeleus VS Waffle Woman - Nico's rescue

Waffle Woman was first.

Waffle Woman: (to Tara) Nico's rescue was on a graveyard planet. He probably uncovered lots of secrets there.

Tara: He sure did but the biggest one we found out was that the Church of Necrom had a deadly artifact that they used to wipe out all life on that whole planet and we found out that they had a massive treasure trove of dark magic and evil artifacts in their hideout at the abandoned cemetery. They had so many evil artifacts that it was enough to summon the Armies of Hell!

Applejack: Yeah it was huge!

Apple Bloom: It was full of dark magic books, scrolls, evil artifacts and weapons and so much more. They were stocked full of it all.

Flashwing: No kidding. The Church of Necrom had practically every kind of evil artifact from our world and the underworld.

Waffle Woman: Wow! That is incredible! How in the world did they get so many unholy artifacts?

Tara: In all honesty I don't have any idea.

Waffle Woman: We'll have to do some heavy duty investigating on that. Lets do it!

WAFFLE WOMAN! AIR MAN EXE!

She fired waves of strawberries and wind and smashed her down. Tara activated her Shift Car and fired waves of earth and smashed her down. Tara then activated her Ridewatch and they danced to Country Western Music and fired waves of rock, earth, crystal and apples and smashed her down.

---

Roquefort was next.

Roquefort: (to Raven) Not only did Nico, Tristan, and the others Destroy the Staff of Xiyoega and meet the Evil HERO Gene-slammers. But they also battled Another Whampire.

Raven: It was a really adventurous day for us. But the biggest miracle that happened before the war tomorrow was resurrecting all of those that were killed by the Church of Necrom.

Pinkie Pie: It sure was. But at least we got rid of the Staff of Xiyoega too.

Featherweight: Yeah that was incredible.

Sprocket: Yeah no kidding there.

Roquefort: That's amazing that the Church of Necrom's victims all were brought back to life. I'm glad they were. Lets do it!

ROQUEFORT! ELEC MAN EXE!

Raven fired waves of cheese and lightning and smashed him down. Raven activated her Shift Car and fired waves of energy and lightning and smashed him down. Raven then activated her ridewatch and they danced to dark music and fired waves of darkness, metal, gears, lightning and energy and smashed him down.

---

Katnappe was next.

Katnappe: (to Starfire) I heard Lincoln's rescue was in Yuma,

Arizona. How was it?

Starfire: It was amazing and Lincoln's sisters all transformed against their most evil enemies.

Twilight Sparkle: Yeah it was amazing! We faced some of their first ever enemies. We faced Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodil Gang.

Katnappe: Wow! That's incredible that you guys took them down. I take it they were given the black gates.

Starshine Sparkle: They sure were. And it was very justified.

Spyro: Boy it sure was. Good riddance.

Katnappe: Yeah. Lets do it!

## Kole, Fluttershy, Tornado Bolt, Life Skylanders, Bowser and Bertie VS The Salami Swami - Meeting a gene-slammer for The First Darklord

---

The Salami Swami was next.

Salami Swami: (to Kole) I heard you guys met a gene-slammer for The First Darklord. What's her name?

Kole: Her name is Asuka Matoi and she is also Ryuko's cousin and she is also one of Lincoln's Guardian Angels.

Fluttershy: She is a really amazing wrestler and martial artist and taught everything about the arts to Lincoln.

Tornado Bolt: Yeah and her story is cool too.

---

Asuka Matoi: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Asuka, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Asuka Matoi: That's incredible.

Nico: It sure is. So, Asuka, what's the story on why you hate Chandler with a burning passion?

Asuka Matoi: You're not going to like this one. One day, Lincoln, Lynn, and I were training in wrestling and martial arts in the gym, but then, Lincoln caught the stench of sewage in the air, and we saw who it was: it was Chandler and his two goons, Artie and Trent, and they still wanted to kill Lincoln, and now that Chandler saw Lynn with him and not trying to kill him, he was also going to kill her too. You see, I knew Lynn, along with Lori, Lola, Lisa, and Luan had made some alliances with Chandler, and it was due to their Dark Sides, and they got their butts handed to them by Lincoln and the other Guardian Angels. So, I painfully reminded Lynn of the consequences, and that got her to wake up and see the error of her ways. Anyways, we used our skills in wrestling and martial arts and we knocked Chandler, Artie, and Trent on their butts, and then, I beat the crap out of them and left them with broken teeth, arms, and legs, and even turned them into human pretzel and threw them into a pile of stinky socks. Then, we called the principal, who sprayed Chandler, Artie, and Trent with water and he dragged them away to the office, and they got hit with two month suspensions from school.

We cheered wildly for what they did to Chandler and his goons.

Nico: Honestly, Chandler didn't even know when to quit, even after he and his goons got their asses handed to them.

Lincoln: Blame Dark Chandler for that, and when they got thrown in a pile of stinky socks, it was the ultimate humiliation.

Me: Yeah, and I was around when that happened, and when they got out of the pile of stinky socks, they really stink, P.U.! Too bad Lynn didn't give them a Dutch Oven.

Nico: A Dutch Oven in a pile of stinky socks?! That could cause the entire school to be fumigated for many weeks!

Lincoln: Yeah, but Lynn didn't, thank goodness.

FLASHBACK ENDS

Salami Swami: Oh my! That's amazing!

Stealth Elf: It sure was and we're really proud of Lincoln and Asuka.

Salami Swami: I'm glad. Lets do it!

SALAMI SWAMI! METAL MAN EXE!

Stratos was next.

Stratos: (to Baihumon) Tea and Yugi were made for each other. It was only a matter of time.

Baihumon: You are not kidding there. And after everything that happened to them it was only a matter of time before they became a couple.

Rarity: Oh I most agree there darlings. I think it was very fitting for them too.

Sweetie Belle: It was the biggest journey the've ever had too.

Gill Grunt: Yeah no kidding too. They went through it all over the years.

Stratos: You are not kidding there. Lets do it!

---

Hydros was next.

Hydros: (to Azulongmon) Toaster and his pals are awesome. They're definitely cool appliances.

Azulongmon: They sure are. And the coolest part is that J.D. knows Rob too. He is a really great guy that loves all animals too.

Starlight Glimmer: Fluttershy and him get along great.

Cozy Glow: They sure do and it's so awesome that they are helping animals.

Hex: But it's really awesome that J.D. and Rob go back. It's cool.

Hydros: It sure is. Lets do it!

HYDROS! FLAME MAN EXE!

Princess Celestia: Oh no, I was hoping not to hear that voice again, you can come out now, Evil Daybreaker.

A figure was heading right for us, but Lincoln grabbed her by the neck with his large left hand and he tossed her away with his infinite, really immense, and brute superhuman strength, and we saw who it was: it was Evil Daybreaker, The Dark Sun of Equestria.

Me: Evil Daybreaker, I should've known you'd finally show up, and on the day before the war.

Evil Daybreaker: You've ruined my plans to finally get rid of you, those imbeciles, Tyler Corso, Bella Muldoon, Nate Krenshikov, The Black Daffodils, and Zinyak all failed me. Now, I will destroy you all and I will reduce all of Equestria to ashes!

Evil Daybreaker charged up flames and magic from her horn and fired at us, but big mistake for her, we absorbed the flames and magic, and it made us even stronger than ever, and Juniper Celestia fired a powerful white and aurora-colored energy blast at Evil Daybreaker and sent her flying into a wall.

Evil Daybreaker: Who do you think you are to get in my way?!

Juniper Celestia: Someone who refuses to let you hurt my friends and who's had about enough of you, Dark Sun of Equestria. (White and aurora-colored energy aura flares up) I am Juniper Celestia, Champion of Princess Celestia, and one of the 27 girls chosen by The Elements of Harmony to be The Champion of The Sun.

This horrified Evil Daybreaker badly.

Evil Daybreaker: Impossible, The Champions of Harmony have returned?!

Suddenly, Juniper Celestia's light pink eyes turned neon light pink, and she was surrounded by a white and aurora-colored energy aura with Suns, sunlight, Alicorns, and magic, she unholstered her her massive Sword of The Champion of Harmony, and as she approached Evil Daybreaker, she left white and aurora-colored energy, suns, sunlight, Alicorns, and magic with every step.

Juniper Celestia: Evil Daybreaker, I will never forgive you for the pain and suffering you have caused Equestria, you are an evil monster who wants nothing more than to reduce everything to ashes and cause pain and suffering to others for your own sick amusement, that kind of behavior is inexcusable, and now, I will administer unto you the punishment you rightfully deserve: death.

Suddenly, Juniper Celestia was surrounded by a massive vortex of white and aurora-colored energy with magic, suns, and sunlight surrounding it, there's an Alicorn flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Juniper

Celestia emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:15)

Juniper Celestia grew to 6'11" in height, she has the body of a goddess, she has purple highlights in the bangs of her long flowing aurora-colored hair, she has neon purple eyes and a white energy aura with suns, light, Alicorns, and magic surrounding her, she has an Alicorn along with Princess Celestia's cutie mark on its horn emblazoned on her forehead, she has on Alicorn earrings with pink gems for eyes and the Sun and Eternity Kanjis in its hooves, she has on her Crystal Necklace of The Buddha with aurora gems on the gold sun links and aurora crystal links and a purple Alicorn-shaped Element of Harmony and on the bottom of The Element of Harmony is an Alicorn with pink gems for eyes and holding the Sun and Eternity Kanjis in its horn for the pendant. Juniper Celestia has on a sleeveless purple vest, short-sleeved purple top with decorations and the tattoo of the Elements of Harmony on her right arm, pink pants with aurora-colored stars, purple stockings with white stars, purple sneakers, and long white sleeveless trenchcoat with sunlight and suns on the coattails, and an Alicorn on the back surrounded by sunlight and on top of its horn is the Elements of Harmony. Suddenly, Juniper Celestia felt a sharp pain on her back, and then, massive white angel wings with aurora-colored tips on the white feathers, grew and sprouted out from her back. Juniper Celestia has on her Ring of the Phoenix with large aurora-colored gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger.

Suddenly, Juniper Celestia's massive Sword of The Champion of Harmony and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of white energy and sunlight, and when it emerged, it's transformed into Princess Celestia's Sunlight Alicorn Greatsword of Magical Equestrian Love and Solar Justice, it's a brand-new large greatsword with a 7'0" massive, wide, double-edged white blade with the cutie mark of Princess Celestia etched on the blade, large gold Alicorn heads for the crossguard, large purple gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with aurora-colored gems for eyes and a large purple gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with aurora gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and aurora gems for the eyes and a large pink gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a gold kanji below the Alicorn that said, "Juniper Celestia, Champion of Princess Celestia, The Champion of The Sun, Knowledgeable Person of The World and Cooking and More, One of The Twenty-Seven Champions of Harmony, Destroyer of Evil Daybreaker and The Doomsday 23, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, and Master of The Powers of The Sun"

ジュニパー・セレスティア、プリンセス・セレスティアのチャンピオン、太陽のチャンピオン、世界と料理などの知識豊富な人物、ハーモニーの27人のチャンピオンの1人、悪のデイブレイカーとドゥームズデイ23のデストロイヤー、エクエストリアのディフェンダー、ポニービル、そしてキャンタロット、フレンドシップテーブルの騎士のメンバー、 のメンバー、および 太陽の力 のマスター

Juniper Celestia has transformed into SUPER ANGEL-ALICORN ETERNITY INFINITY SOLAR LIGHT ALICORN ANGEL OF SOLAR JUSTICE AND EQUESTRIAN LOVE!

We were amazed by Juniper Celestia's Super Angel-Alicorn Eternity Infinity transformation, but when Evil Daybreaker saw it, she was furious and fired another blast of fire at her, but Juniper Celestia had absorbed the blast of fire and it made her even stronger than ever, and she fired a powerful white and aurora-colored energy blast at Evil Daybreaker, and it sent her flying into a wall, but she's not out yet.

Nico: Alright, now the last of The Champions of Harmony, Juniper Celestia, has transformed.

Ken Knudson: And now, the battle to rid the world of The Dark Sun of Equestria is about to begin.

Juniper Celestia: (Divine Echoing Cosmic Voice of The Sunlight Alicorn and Solar Light Justice) That's right, Ken. Princess Celestia, Lincoln?

Princess Celestia: Right.

Lincoln: Let's get her.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and Princess Celestia unholstered her massive Princess Celestia's Sunlight Alicorn Sword of Magical Equestrian Love and Solar Justice from her back and transformed into Super Angel-Alicorn Eternity Infinity Solar Light Alicorn Angel of Solar Justice and Equestrian Love and they joined Juniper Celestia.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Time for you to pay for everything that you've done, Evil Daybreaker, and you're not getting a single shred of mercy from us whatsoever!

Juniper Celestia, Princess Celestia, and Lincoln went after Evil Daybreaker, who continued firing blasts of fire and magic at them, but they absorbed the blasts and it made them even stronger than ever, and they fired powerful blasts of rainbow energy, white and aurora-colored energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Evil Daybreaker, and they exploded with such incredible power as they hit her, and she was being burned by The Magic of Friendship. Then, they attacked her with their massive greatswords and they left painful scars on her, and because of the purity of the attacks, it burned her badly, and the wounds she suffered would never heal.

Then, Lincoln flew at and grabbed Evil Daybreaker by the neck with his large left hand, and he slammed her hard into the ground, and with his vampire fangs now longer and sharper than ever, Lincoln sank his fangs deep and hard into Evil Daybreaker's neck, and she screamed in excruciating pain, but the pain was just beginning. Suddenly, Lincoln began sucking out and draining all of Juniper Montage's powers, magic, and hatred, as Lincoln's rainbow energy aura was flaring up extremely and he was also suddenly gaining a massive power boost, and Evil Daybreaker was getting weaker and weaker and weaker still. Finally, Evil Daybreaker was eventually weakened to such a degree, her skin turned pale, her fire mane was gone, and she couldn't even stand, as Lincoln unlatched his vampire fangs which were covered in blood from Evil Daybreaker's neck and he let out an extremely loud and animalistic roar that shook the ground itself.

Me: WHOA!

Nico: HOLY CRUD!

Then, Lincoln grabbed Evil Daybreaker by the neck with his large left hand and hurled her into the air with his infinite, really immense, and brute superhuman strength, and this allowed Juniper Celestia, Princess Celestia, and Lincoln to finish her off by firing massive energy beams and as they hit Evil Daybreaker, they exploded with incredible power, killing her for good. We cheered wildly for what Juniper Celestia, Princess Celestia, and Lincoln did to Evil Daybreaker as they holstered their massive greatswords on their backs and power down, and Juniper Celestia's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Then, as Evil Daybreaker's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and Evil Daybreaker's spirit as surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of his crimes, and the energy images of The Mane 12 aimed their horns at Evil Daybreaker and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal

Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Evil Daybreaker.

Lincoln: Evil Daybreaker, for the crimes that you committed against everyone in Equestria because of your desire to reduce everything to ashes, you've been found guilty, and the punishment for your crimes is death.

This horrified Evil Daybreaker, as she saw that her days of chaos and havoc are about to come to an end.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Evil Daybreaker's spirit, they exploded with incredible power and her evil spirit was condemned to The Black Gates, and he was fading away.

Evil Daybreaker: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

Evil Daybreaker's spirit was erased from existence by the spirits of all those she's hurt, and she'll never return to hurt anyone again. THE EVIL FIERY WRATH OF EVIL DAYBREAKER IS FINALLY OVER!

Nico: We did it, not only did we stop Mack from selling Rob's animal friends to Tartarus Laboratory and stop that mysterious computer virus, but we also got rid of Evil Daybreaker.

Lincoln: Which means, the final one of The Doomsday 23 that we face tomorrow is Evil Starlight Glimmer, and we're finally going to make that monster pay.

Fira Han: And not only are we finally going to end The Doomsday 23, but we'll finally stop the final revenge of Damian Alaister and The Church of Necrom for good.

Nicholette Torrington: That freak's been asking for it for a very long time, and now, he's about to get his comeuppance.

We went back home and enjoyed the rest of our day. Then, as night fell, Lincoln, me, and Nico looked out into the distance, for we knew: tomorrow, it's do or die.

Lincoln: The time is almost here, guys.

Nico: Yeah, tomorrow, it's do or die.

Me: Evil Starlight Glimmer's going to pay for all her crimes in full.

Lincoln: And this time, she will never ever come back. (Deep sapphire blue eyes glow even more and turn red with Righteous Justice and Rainbow Flames raging behind them) Get ready, Evil Starlight Glimmer, your days of hurting all ponies of Equestria to fulfill your twisted Equalist ideals are going to end here!

Rob: You got that right! (To the viewers) War is tomorrow so get ready for an awesome battle.

Nico: You know we're ready for this.

Me and Nico: (Eyes turn red with Righteous Justice and Rainbow Flames raging behind them) And this will be the permanent end of The Doomsday 23 and The Church of Necrom's final revenge on us and all of mankind!

We went back inside to the estate to get some sleep. For tomorrow, THE WAR AGAINST EVIL STARLIGHT GLIMMER WAS ON, AND THE FATE OF THE ENTIRE UNIVERSE HANGS IN THE BALANCE!

WAR IS COMING!

TO BE CONTINUED!

Another awesome chapter done.

NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Hynageneral, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. The day of The War Against Evil Starlight Glimmer is finally on, and for this match-up: it's all of Team Loud Phoenix Storm and The Masters of Evil VS. Evil Starlight Glimmer and her army of Equalists, so no match-ups for this one. For Lincoln's rescue tomorrow, Lincoln and his group are heading down to Oregon, and Lincoln and his group are going to destroy Audrey Monroe, the sick and deranged daughter of twisted serial killer, Daniel Derek Monroe, who's broken out of prison by Evil Starlight Glimmer, and with her help, she'd brought Daniel Derek Monroe back from the dead to destroy us, but they soon double-crossed her and slashed her on the face before they left to get their revenge on their own. This time, Daniel Derek Monroe and his evil daughter, are both getting The Black Gates for good, and they're never ever coming back. And they're going to meet a Stardust Sifr Divine Dragon Gene-Slammer named Corina Brunel, she's Lincoln's Guardian Angel from Michigan and classmate in Art, and she's also a beautiful fashionista. She and Lincoln made beautiful bikinis for the girls in my and Nico's harems, she and Lincoln would also dress up in different outfits together and posted them via selfies on social media. Corina and Lincoln one time headed to a shopping mall, where Corina kissed Lincoln on the lips to show thanks for helping her. She's also the cousin of Colette Brunel and she hates Luan with a burning passion. Tomorrow, the day of The War has finally arrived, and we're going to face the last of The Doomsday 23, Evil Starlight Glimmer, who's gathered together an army of Equalists to kill us all, but we're not going to let that happen. We're going to make her pay for everything that she's done, and Lincoln's finally going to EXPLODE WITH EXTREMELY LOUD AND FURIOUS RIGHTEOUS RAGE AT THAT EVIL SIDE OF HIS FUTURE WIFE, STARLIGHT GLIMMER, AND HE'S GOING TO TRANSFORM AND MAKE THAT MONSTER PAY WITH HER

LIFE AND SEND HER AND EVERY LAST EQUALIST TO THE BLACK GATES FOR ETERNITY, AND BRING A PERMANENT END TO THE DOOMSDAY 23 AND RUIN THE CHURCH OF NECROM'S FINAL ATTEMPT AT REVENGE ON US AND ALL OF MANKIND!

SEE YOU ALL TOMORROW!

# THE GREAT EQUALIST WAR

GET READY FOR AN EXPLOSIVE AND BRUTAL BATTLE

---

THE WAR WAS JUST ABOUT READY TO BEGIN.

Wood Man went up to Nico's room to see him still asleep.

Wood Man: (shakes Nico) Nico, it's time to get up.

Nico: Just 30 more minutes.

Wood Man: (sighs) Nico, I'd like to allow that. But today's the war. And you know how serious J.D. gets about that.

Nico: (chuckles) Maybe you forget I'm the leader. 30 more minutes of sleeping won't hurt. What time is it anyway?

Wood Man: Uhh 8:25 AM.

Nico: Oh.

POINK!

Nico: Whoa!

Nico got up.

Nico: We got to get ready!

Nico went and got dressed and went to have breakfast.

Apple Fritter: You slept in, didn't you?

Nico: Sorry. I was supposed to be up at 7:30.

Apple Fritter: Oh. No worries.

Me: Don't worry about it though. I have breakfast ready.

We were having pancakes, bacon and buttered toast with gravy.

Ed: YUM!

Me: Besides we don't go into battle until after I give the emergency announcement.

Lugnut: Lord Nico, any updates on backup core members?

Nico: Well, Kakashi, Iori Izumi, Yamato the Piratess, Wind Sheer, the Street Mini Con team, Sparkplug, Midnight Express, Railspike, and the Mini Con versions of Dirt Boss and Crumplezone will be among them.

Me: Cool! And I'm glad that Kakashi Sensei has a shot at this too.

Naruto: I was just about to say the same thing.

Luffy: And it'll be cool for Yamato to get in on the action.

Optimus Prime: And Team Bullet Train is perfect for it too,

Sonar: And our fellow minicons too.

Maria: Guys, tomorrow, me and William will have our wedding!

Elita One: It's about time!

Nico: Yeah it is!

Qin: Awesome!

Carol: Maria that's so cool!

Maria: It sure is.

William: And Jeremie I want you to be my best man.

Jeremie: I would be honored.

Me: We're all so excited for you two.

Qin: We sure are.

Me: An After War Wedding is always fun.

Carly Atlas: It sure is.

Volcana: Don't forget Carmen and Liam's wedding will be on the same day.

Nico: Yep.

Me: Oh right!

Liam: And it's gonna be so fun. And Lincoln I would like you to be my best man there.

Lincoln: I would be honored Liam.

Stella Zhau: We're so happy for you guys.

Qin: We sure are.

Maria: I told mom about it all and she approved too. And so did dad.

Qin: That's awesome Maria.

Carol: Man you guys are so lucky to have your weddings on the same day.

Me: The Day after the Great Equalist War.

Misty Tredwell: I wish all of us and J.D. can have our wedding after a war.

Me: Maybe that can happen in 5 years. We just got to pick the right time.

Camie: Yeah.

Horsea: (sadly) But that means the 4 of you will be away on a honeymoon for a few days.

Maria: Yeah that's right.

Arixam: But like Maria said. I'll gladly watch over you Horsea. I am

Maria's Nobody after all.

Horsea: Oh! I'm happy for that.

Me: Good. And also Maria, where are you guys gonna go for your honeymoon?

Maria: We're going to Bora Bora for our Honeymoon.

Qin: Awesome!

Me: Bora Bora is perfect for you guys.

Varie: It sure is.

Carol: You guys are gonna have a lot of fun.

Xenia: You sure are.

Poliwag: And I'll be with you to keep you company, Horsea.

Horsea: Thanks Poliwag.

Qin: So awesome.

Catherine Laurence: I hope I get to face my own archenemy in the usual battles.

Me: I have a feeling you will Cat.

Nico: I know you will. Before we go into war we are going to have the usual battles.

Me: Ooh! Awesome!

Eli: Yeah it is!

Me: Yep. Also these last 3 months have been really hectic. Not just because of what we faced during the Big Day missions and the Ambassador Missions but also because of the Church of Necrom and everything.

Laney: You're not kidding there.

Varie: But look on the bright side though. At least we undid all the damage they caused and all the people they killed are back with everyone.

Me: Including those on that planet they wiped out.

Tsuyu: Yeah that was scary.

Nico: Yep. But anyway when we're done with breakfast lets have the usual battles in the training grounds.

Me: Okay.

We got done with breakfast and headed out on Lincoln's rescue.

Nico, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Lynn Sr., and Rita are heading to Oregon, and not only is Lincoln going to rescue the eight girls here, but we got word that Audrey Monroe, the sick and deranged daughter of Daniel Derek Monroe, is here.

And even worse, Evil Starlight Glimmer broke her out of prison, and with her help, she brought her evil father, Daniel Derek Monroe, back from the dead, but they soon double-crossed her and slashed her on the face before they left to get their revenge on their own.

Lincoln: Wow, we're here in Oregon, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got word that Audrey Monroe, the sick and deranged daughter of Daniel Derek Monroe, is here.

Nico: And on the day of the war. But, we also found out that Evil Starlight Glimmer broke her out of prison.

Me: And even worse, she helped bring her evil father, Daniel Derek Monroe, back from the dead, but they soon double-crossed her and slashed her on the face before they left to get their revenge on their own.

Eli: Those lowlife monsters!

Lincoln: And Evil Starlight Glimmer's already come back from the dead, but she made a big mistake in breaking out the daughter of the monster who murdered our Gramps, Samuel, on Halloween all those decades ago, and bringing him back from the dead. But, like I said, Evil Starlight Glimmer's going to pay for her crimes, but not before we get rid of Audrey Monroe and her sick and deranged dad.

Nicholette Torrington: And Brittney's made use of all of those dark magic spell books, scrolls, satanic artifacts, and witchcraft books, and demonic statues that we'd recovered yesterday. But, The Staff of Xiyoega is one artifact that had to be destroyed.

Lincoln: Yeah, and what they did proved just how low they've stooped.

?: HEEEELLLLLPPPPP!

Suddenly, Lincoln heard the sound of eight girls calling for help, along with the sound of malevolent and deranged laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by Audrey Monroe and Daniel Derek Monroe, and they're going to kill them.

Lincoln: Let's get over there at once, guys, I found the eight girls, but they've been cornered by Audrey Monroe and Daniel Derek Monroe, and they're going to kill them.

?: (Girl's voice) That psychopathic serial killer and deranged arsonist, let's get them!

Suddenly, we saw the Duel Monster, Stardust Sifr Divine Dragon, appear before us.

Nico: Whoa, that's Stardust Sifr Divine Dragon, so awesome!

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Corina Brunel, but we'll talk later, time to permanently end to the Monroe father-daughter duo of evil.

We rushed over and right before Audrey and Daniel Monroe could claim their next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Audrey and Daniel Monroe, and that allowed the eight girls to get to safety and inside a rainbow energy field created by Lincoln to protect them from the deranged father and daughter duo. When Audrey and Daniel Monroe saw us, they were really pissed.

Lincoln: I never thought you'd show your face again after you got arrested for trying to burn down our home and kill us, Audrey Monroe, but to also find out that you and Evil Starlight Glimmer brought your fucked-up father back from the dead, I guess it proved you're willing to stoop that low to get revenge on us.

Audrey Monroe: You took my father away from me, and now, we will kill you all and destroy every last living thing on this earth!

Nico: Fat chance of that happening, you deranged bitch!

Me: And now, you and your sick twisted father are going to die here and now, and this time, you're never coming back from the dead.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they

Then, Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita slashed off the arms of Audrey and Daniel Monroe and they screamed with excruciating pain and insane rage, and Lincoln absorbed their arms into his body when he had grabbed them. Then, they fired powerful rainbow energy beams at Audrey and Daniel Monroe, and they exploded with incredible power, killing them for good, and once their spirits appear, The Louds drew kanjis on their foreheads, and condemned them to The Black Gates when they were found guilty by all those they've killed.

Audrey and Daniel Monroe: (SCREAMING IN RAGE) NO, NO, THIS CAN'T HAPPEN TO US! DAMN YOU, FUCK YOU, TEAM LOUD PHOENIX STORM, FUCK YOU!

Those would be the last words they would ever say as they were erased for good. We cheered wildly as we holstered our weapons and power down. THE MURDEROUS BLOODTHIRSTY RAMPAGES OF AUDREY AND DANIEL MONROE HAVE FINALLY BEEN BROUGHT TO AN END FOR GOOD!

Lincoln: Goodbye forever, murderers, and this time, don't you dare come back. (To Corina Brunel) And it's so good to see you again, Corina Brunel.

Corina Brunel reverted back to normal, and she's a beautiful girl with long flowing blonde hair, just like her cousin, crystal blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful white angel wings, and she reigned in the power of Stardust Sifr Divine Dragon, and she's dressed in purple clothes, and long purple trenchcoat with stars on the coattails, and Stardust Sifr Divine Dragon on the back, and holstered on her back is a large Stardust Sifr Divine Dragon-themed greatsword with The First Darklord etched on the 7'0" massive, wide, double-edged purple blade, Stardust Sifr Divine Dragon's wings for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, and a large pink gem surrounded by angel wings for the pommel.

Corina Brunel: You too, Lincoln, it's been a long time.

Lincoln went up to Corina Brunel and they hugged, and Corina Brunel is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then.

Corina Brunel: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Corina Brunel, she's my Guardian Angel from Michigan and classmate in Art, and she's also a beautiful fashionista. Plus, we also made something for your harems, J.D. and Nico.

This got our attention, and Corina took out beautiful bikinis in the favorite colors of our harems and they also had the symbols of our harem on them as well.

Me and Nico: Oh wow, those are really awesome, thanks, guys.

Lincoln: You're welcome. Plus, we also would dress up in different outfits together and posted them via selfies on social media.

Nico: Hey, I remembered seeing those photos, those were some awesome outfits you guys dressed up in.

Lincoln: You wouldn't believe the amount of requests of outfits Corina and I got. Then, one day, Corina and I went to a shopping mall, and she kissed me on the lips to show her thanks for helping her. And as you can guess, she's the cousin of Colette Brunel, and she hates Luan with a burning passion.

Nico: Uh oh.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Corina Brunel's neck with violet gems on the gold thunderbolt links and pink crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Corina Brunel: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're part of my harem and one of my many future wives, Corina.

Corina Brunel had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Corina Brunel's waist and Corina Brunel wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he recognized them immediately. The eight girls are Yuuki Asuhara, Michi Kuroki, Patricia of End, Yuuri Shachi, Eurasia of End, Lucia of End, Nobuchina Takada, and Tanaka-Chan from Nora, Princess, and Stray Cat.

Lincoln: Oh wow, it's Yuuki Asuhara, Michi Kuroki, Patricia of End, Yuuri Shachi, Eurasia of End, Lucia of End, Nobuchina Takada, and Tanaka-Chan from Nora, Princess, and Stray Cat.

Nicole: Awesome.

Lincoln: Are you girls okay?

Yuuki Asuhara: Yes, we're okay, thanks to you.

Then, when Yuuki Asuhara and the other seven girls saw who it was that saved them from Audrey and Daniel Monroe, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Yuuki Asuhara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Yuuki Asuhara: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Yuuki Asuhara, Michi Kuroki, Patricia of End, Yuuri Shachi, Eurasia of End, Lucia of End, Nobuchina Takada, and Tanaka-Chan with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone what happened, and they were shocked when they found out the villain we went after was Audrey Monroe, the sick and deranged daughter of twisted serial killer, Daniel Derek Monroe, who was freed from prison by Evil Starlight Glimmer, and with her help, brought her evil father back from the dead, but they double-crossed her and slashed her on the face before they left to get their revenge on their own.

But, when Lincoln showed everyone what we did to those murderous monsters and sending them to The Black Gates for good, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Corina Brunel have a lot of catching up to do, now that she's back in town, and Audrey and Daniel Derek Monroe are gone for good, and they're never coming back.

Maria: So, Evil Starlight Glimmer's back, and she stooped that low as to break Audrey Monroe, the sick and deranged daughter of the monster who murdered Mr. Lynn's dad on Halloween all those years ago.

Lincoln: But, once she got her father back, they double-crossed her and left on their own to get their revenge on us. But, they're gone for good and never coming back.

William: But, this isn't going to stop her.

Nico: It's not, in fact, the blatant betrayal of those two psychopaths made her even more pissed off.

Lincoln: But, her hatred and rage are going to be her downfall later on.

Me: Yeah.

Nico: You got that right.

After finally getting rid of Audrey and Daniel Monroe and this time for good, we were training intensely in the gym, this time, doing 900,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Corina Brunel saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Corina Brunel: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Corina, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter

as well.

Corina Brunel: That's incredible.

Nico: It sure is. So, Corina, what's the story on why you hate Luan with a burning passion?

Corina Brunel: Oh, you're so not going to like this, Nico. One day, Lincoln and I were busy working on some dresses for the Guardian Angels and Lincoln was working on the sketches of the dresses, and the Guardian Angels were all with us for measurements. But, we noticed it was too quiet at The Loud House, and something was up. Suddenly, a bomb was hurled at us, but Lincoln made an energy field to protect us all and the bomb exploded and a red goo spilled onto the floor and not on the clothes, and when we were done analyzing the substance, it was ketchup. And when we heard that familiar maniacal laugh from anywhere, we knew the culprit was Luan, and when Lincoln's deep sapphire blue eyes turn blood red and his vampire fangs grew longer, we knew Luan went too far again. We then marched upstairs and when Nicholette knocked the door down, Luna knew what was up and stopped Luan from getting away. Then, Lincoln fired a red energy blast from his white angel wings and traps her in a rose red orb, and we told Mr. and Mrs. Loud of Luan's stunt, and she got grounded for three weeks and we had her put in a cage with Chinese finger traps on her fingers.

Luna: But, this time, the cage had solid titanium, and The Dark World Goth Girls almost got that close to cursing Luan, but they chose to curse Mr. Coconuts, her jokebooks, and her comedy props, and if she tried to get them, the image of the Dark World Monsters would appear and scare her off.

We cheered wildly.

Nico: Whoa, so it wasn't Lincoln who cursed Luan's comedy props, jokebooks, and Mr. C, it was The Dark World Goth Girls.

Nicholette Torrington: That miserable little prankster went too far in that little prank of hers, and we almost hit her with a curse, but knowing what Lincoln did in cursing Mr. Coconuts, her jokebooks, and her comedy props, we decided to do just that, but with a little

Dark World flair.

Lincoln: That taught her a big lesson.

We got a shower afterwards, and then, Lincoln and Octavia Melody are heading to Bubblaine, and they will be back, because very soon, we go to war.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble, and Octavia Melody was dressed in a two-piece black bikini with a music octane, sandals, her jewelry, and she had her weapons holstered in case of trouble.

Octavia Melody: Wow, so we're here in Bubblaine.

Lincoln: Yep, consider it one beach date before the big war against Evil Starlight Glimmer, Octavia.

Octavia Melody had a blush on her face, but many of us knew she also had feelings for Lincoln, just like Vinyl Scratch, and he also had the same feelings for Octavia Melody. They dived right into the waters and they were swimming in the clear waters and they also saw the sea creatures and plants that live there, and they had a game of volleyball and Octavia Melody had a massive and extreme deep atomic red blush when she saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they also had some lunch on the sand, and then, Lincoln went up to Octavia Melody, and he wrapped her in their abnormally massive and powerful muscular arms and she wrapped her left arm around Lincoln's thick muscular neck and she placed her right hand on Lincoln's massive wide and muscular left pec, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face and massive and muscular upper body.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Octavia Melody's neck with purple gems on the gold thunderbolt links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

When she saw it, she knew it meant she was now part of Lincoln's harem and one of his many future wives, Octavia Melody had a smile on her face and tears in her eyes, as Lincoln wraps his abnormally massive and powerful muscular arms around Octavia Melody's waist and Octavia Melody wrapped her arms around Lincoln's thick muscular neck, and they passionately kissed again on the lips, and we cheered for them. We even had smiles on our faces and tears in our eyes too, including Lincoln's harem.

Me: Whoa.

Nico: The same thing happened with Vinyl Scratch, and now, Octavia Melody also had the same feelings for Lincoln, and now, she's part of his harem and one of his many future wives.

Lincoln: Yep. So, are we almost ready?

Eli: We've been getting all of our weapons ready for this big moment, Lincoln, we just needed to wait for you and Octavia Melody to come back.

Octavia Melody: And now that we're back, now the time has arrived.

Lincoln: Yes, the time has come to finally take the fight to Evil Starlight Glimmer and the Equalists waiting for us. We will put a permanent end to The Doomsday 23 and ruin The Church of Necrom's final attempt at revenge on us and all of mankind.

Nico: Yeah, those bastards have had this coming for a very long time! But first our usual battles.

Over the last 3 months, we've had to deal with the horrible atrocities of the malevolent cult called the Church of Necrom. They have caused all kinds of horrible crimes against nature and have caused so many terrible things. But the worst of them all was bringing back many of our most dangerous enemies. Including the Doomsday 23 of Equestria that we faced on April 12th, 2021 last year. Now we are going into war against the final enemy, Evil Starlight Glimmer. She is responsible for a cult-like village where all are equal. She calls them the Equalists. Her village is one that is of false friendships and forced forfeiture of cutie marks. Evil Starlight Glimmer and her followers are all on the warpath to destroy all of Equestria, ponydom and the entire universe and rid it of the magic of Friendship forever. To make sure we stop her we're going into war against her. This day is going to be known as The Great Equalist War. The entire planet and the universe are in terrible danger and we have to make sure that they are stopped forever. Rest assured that we are going to stop her no matter what. And we will Win Like Always!

Everyone cheered wildly!

Me: Yep.

Nico: Before we go into battle, I might as well tell you all about Evil Starlight Glimmer for those that haven't heard about her.

They agreed.

He told us all about Evil Starlight.

---

Starlight Glimmer is a former major antagonist in My Little Pony: Friendship is Magic. She acted as the main antagonist of Season 5, first appearing in the premiere "Cutie Map", then made some cameos in the episodes "Amending Fences" and "What About Discord", and then made her next full appearance in "Cutie Re-Mark". She then redeemed herself and became on of the supporting protagonists for the remainder of the series. Her counterpart, Snowfall Frost, appeared as the villainous protagonist of "A Hearth's Warming Tail".

Starlight Glimmer started out as the leader of an unnamed village near the edge of Equestria, where she convinced everypony to give up their special talents for the sake of frienship, which was a result of her childhood friend, Sunburst, abandoning her when he gained his own mark. When the Mane Six arrived and exposed her for the tyrant she was, she escaped and sought her revenge later on by traveling back in time and interfering with their past, until Twilight Sparkle inspired her to seek true friendship again. She then became Twilight's student, Trixie Lulamoon's assistant and teacher, then the guidance councilor of Twilight's School of Friendship, and then finally Headmare of the school.

She is voiced by Kelly Sheridan, who also voiced Svetlana Petranova in Barbie in Rock 'N Royals.

Starlight Glimmer was born and raised in Sire's Hollow to her father, Firelight and an unknown mother (who may or may not be deceased). During her youth, she was close friends with a unicorn colt named Sunburst, who always offered information to help her with complex spells.

Then one day, Starlight and Sunburst were playing a game of Jenga with books when Starlight pulled one that nearly caused the entire stack to fall on top of her. Luckily, Sunburst saved her by stopping the books and then re-shelving them with his magic. However, this event caused Sunburst to gain his own cutie-mark, making him elated. He then ran out to show off his cutie mark to his parents and everypony else in the village. But while everyone-else celebrated, Starlight only became depressed out of jealousy that Sunburst got his cutie-mark before she did. Sunburst was then shipped off to Princess Celestia's School for Gifted Unicorns, leaving Starlight all alone in the village, unable to make another friend due to her insecurity of them gaining a cutie-mark and leaving her as well. In her teenage years, Starlight had gotten dark and even got into punk rock eventually.

Growing into adulthood, Starlight continued to study magic alone without anyone's help, which made her bitter and angry. She eventually gained her own cutie-mark, but this did nothing to curb the jealousy and hatred she felt towards others for having their own special talents. Then she somehow discovered a spell that could remove a pony's cutie-mark and replace it with a new mark resembling an equal sign that suppressed their abilities. Realizing that she could use this spell to make "friends" without the fear of losing them, Starlight set out to create her own society where everypony was "equal" in every sense of the word.

She then left her village and found an isolated area within a desert on the edge of Equestria to set up her society. While trekking through the desert, she then found a strange-looking, two pronged stick that she passed off as the "Staff of Sameness" one of the nine enchanted items that belonged to the great mage, Meadowbrook which had the power to do as her spell did. She also covered up her own cutie-mark with a sprayed on equal sign to give the illusion that she used the staff to give up her own cutie-mark for the sake of equality. With this illusion, she managed to convince several ponies to allow her to remove their cutie-marks from them by claiming that differences and unique talents only lead to conflict and pain, and that true happiness and friendship can only be found in "equality". One such pony was Double Diamond, an earth pony who Starlight met atop a steep pass near the area and convinced to give up his passion for skiing to join her cause.

Starlight and her followers began building a town to reside in the shape of an equal sign to symbolize their beliefs. During construction, Starlight encountered Maud Pie, who was an expert geologist, and asked her if there was a magical stone where she can store the cutie-marks she collected, to which Maud replied that there was in a nearby cave. With this information, Starlight began hording the cutie-marks she stole within the cave and placed the Staff of Sameness within it too.

Eventually, the village was completed and Starlight became its leader. However, without their cutie-marks, the residents couldn't really do much for themselves, thus they had to eat terrible-tasting food or wear bland-looking clothes. Besides living without their talents, they also had to wear similar manestyles. To avoid hurting Starlight's feelings, as well as her wrath, the ponies began constantly wearing wide grins as a facade that they were truly happy to cover up their self-imposed suffering. Being as smart as she was, Starlight likely saw through their fake smiles and understood how they truly felt, but continued to supposedly believe in their false happiness while also secretly taking delight in their misery and seeing them powerless. But she was still cautious of the possibility that they would all turn on her eventually, so she lived in a house at the end of the village with a secret escape route just in case.

In addition, her incredibly loud snoring while sleeping scared the entire village every night. To keep her snoring a secret, she convinced them that a pack of bears attacked them each night.

In her episode debut, she is the head of a village where all the ponies have equal signs for Cutie Marks. She greets the Mane 6 when they enter the village. She and the townsfolk explain their philosophy - that being equal is what brings true happiness. The Mane 6 (except Fluttershy, who is warmed by the townsfolk's benevolence, and especially Pinkie Pie, who is adamantly suspicious of the location), find this odd. They promptly meet a trio of ponies who miss their Cutie Marks, showing that Starlight's village is not as happy as it seems. The trio informs the group of a vault inside a mountain which contains the taken marks. Starlight leads the ponies to the vault and shows them a wooden staff, which she dubs the Staff of Sameness. She claims that it's a magical item she uses to take away ponies' Cutie Marks. When Pinkie Pie prematurely discloses that a group of ponies told them about the vault, Starlight immediately sees the Mane 6 as threat to the town's lifestyle and steals their Cutie Marks with the staff, placing them in the vault.

She imprisons the ponies in a house, wherein she condemns them to remain until they resign themselves to their fate of living in her town, markless and talentless forever. Unable to break out, the ponies persuade Fluttershy to feign having converted. Starlight is initially not convinced and commands Fluttershy to denounce the ponies who told her about the Vault. Fluttershy hesitates, but one of the free-thinking ponies - named Party Favor - voluntarily confesses that he was responsible for this, subsequently causing him to be imprisoned with the rest of the Mane 6. That night, Fluttershy intends to break into the Vault, but before she can get going there, she finds out that Starlight has ordered Double Diamond to deliver their Cutie Marks to her house so she can guard them personally. She also discovers that in reality, Starlight still has her cutie mark and her equal mark is fabricated.

The following morning, Fluttershy convinces Twilight to claim that she'll join Starlight and the rest of the village to distract Starlight's attention. While this is going on, Fluttershy tries to splash water on Starlight to reveal her cutie mark, but she dodges this as she had known Fluttershy was just acting her conversion. However, a drop of water wipes a smudge off the mark. Party Favor notices this and further wipes off the Equal mark, revealing Starlight's cutie mark and shocking the town. Starlight admits that the Staff of Sameness is just a regular staff she discovered in a desert, and that the Equalizing is the product of her own magic, which she hid from the town. Despite Starlight finally losing her temper and telling she created harmony, the townsfolk were really furious on how she lied to all of them, Starlight tries to save face by claiming she did it all for the sake of establishing harmony, but the townsfolk turn on her for her deception, forcing her to retreat back into her house.

A group of ponies breaks into the Mark Vault and throws the Staff of Sameness at the glass, breaking it and releasing the population's

Cutie Marks. Meanwhile, Starlight hides in her house and takes a secret passage, trying to make off with the Mane 6's cutie marks as revenge for exposing her. While the Mane 6 is failing to catch up with her since their forced equality causes them to move slowly, Party Favor and other ponies set out to apprehend Starlight and retrieve the marks (and in the process, use their individual talents to counter Starlight's obstacles). Just before reaching the caves, wherein she could have lost her pursuers, the villain winds up being covered in snow, forcing her to release the marks.

Starlight emerges and tries to blast her former followers, but Twilight defends them and says to Starlight that her groups' individuality was what led her to become a princess. Starlight rebukes this and insists that her actions presented the townsfolk with a kind of friendship they couldn't have obtained otherwise, but is shot down by Double Diamond, who claims that she never gave them a chance to be friends before converting them to her beliefs. Enraged and defeated, and having lost all her followers, she uses her magic to escape. Twilight hopes that Starlight will consider what the townsfolk have taught her.

## Cameos

Starlight makes a cameo appearances in " *Amending Fences* ", when she was hiding behind a menu she was holding in the cafe. She has a second cameo in " *What About Discord?* ", hiding behind a bush and spying on the Mane Six and Discord with a pair of binoculars. Practically spent through out season 5 trying to find a way to get revenge on the Mane 6 by finding the source of their friendship.

## The Cutie Remark

Starlight returns as the main antagonist of the season finale *The Cutie Remark* . After listening to Twilight's speech of how she and her friends obtained their cutie marks through Rainbow Dash's Sonic Rainboom, Starlight appeared in Twilight's castle and used an altered version of Star Swirl the Bearded's time travel spell with the Cutie Map to travel back in time. She blasted Rainbow Dash away before she could do the Sonic Rainboom, altering time so that King Sombra ruled Equestria and was at war with Princess Celestia.

Twilight's attempts to stop Starlight only led to Starlight crystallizing her and then convincing the jock bullies not to pick on Fluttershy, creating a timeline in which Queen Chrysalis is in power and at war with Zecora. Twilight tried to fight Starlight, but it distracted Rainbow Dash, creating a timeline in which Nightmare Moon was in power, with Rainbow Dash and Rarity working for her and Celestia imprisoned.

Twilight's attempts continued to be in vain; Starlight tripped Rainbow Dash, putting Tirek in power; Starlight got Twilight to crystallize Rainbow Dash, putting Discord in power; she made Fluttershy fly with her magic, putting the Flim Flam Brothers in power, making everything look a game to Starlight as she kep taunting Twilight.

When Starlight blasted Rainbow Dash away again, after an argument, Twilight decided to force Starlight to come with her by taking her to the new apocalyptic future of Equestria when Twilight wondered what made Starlight think cutie marks were evil.

When they were in the altered future Starlight finally gets serious, frowns and demands to know where she is, as Twilight tells her they're in the present, that the cause of her actions of preventing Twilight and her friends from getting their cutie marks also prevents them from saving Equestria from thier villains.

Starlight was in denial even though Twilight was right, Starlight was devastated that she was practically defeating herself and she never intended to destroy millions of lives, but she still denies and finally loses her temper and takes Twilight and Spike to when she was a filly and her friend Sunburst got his cutie mark and left for Celestia's magic school, which began her vendetta against cutie marks. Returning to the Rainboom, Starlight attempted to foolishly destroy the spell so Twilight could never travel through time again as she finally no longer playing around and just about had enough of Twilight getting in her way, but Twilight convinced her that she can't and why her friends are so special. Despite Starlight's stubbornness and heartbroken at her friendship with Sunburst, Twilight told Starlight to make new friends and give friendship a chance. So, Starlight finally saw the error of her foolish actions and allowed the Sonic Rainboom to take place, and she, Twilight, and Spike returned to the present, where everything is back to normal, as the Mane 5 popped in, Applejack angerily asked what is Starlight doing here, Twilight explained to her friends to what happened and Starlight came in accepting a punishment she deserves but Twilight offered her to become her first new student instead and became friends with the Mane 6 and Spike now and Twilight's student, and reconciled with her village.

## Season 6

Though reformed and trying to learn Friendship as Twilight Sparkle's apprentice, Starlight has a few struggles against her former inclinations.

### No Second Prances

Starlight was instructed by Twilight to make a new friend in time for Celestia's visit. The other Mane Six try to help, but she ends up botching every attempt with her magic and controlling ways. She then ends up meeting Trixie Lulamoon, who she bonds with due to being a fellow reformed villain, much to Twilight's disapproval. However, it is revealed that Trixie was using Starlight to improve her performances, though they do make it up in the end.

### A Hearth's Warming Tail

Starlight is unenthusiastic about celebrating Hearth's Warming Eve and considers it no different from any other day. However, Twilight reads her the story "A Hearth's Warming Tale", an allusion to "A Christmas Carol" with Starlight depicted in the Ebenezer Scrooge-like role who has to gain a proper appreciation for the holiday.

### Spice Up Your Life

Starlight Glimmer briefly appears in *Spice Up Your Life*, helping Twilight to reactivate the Cutie Map which she had disabled in the events of *The Cutie Re-Mark* . This is a milepost in her redemption.

### Every Little Thing She Does

Starlight has a major slip in her new life. In an effort to correct her tendency of avoiding friendship lessons, she takes on several friendship problems at once with Twilight's friends in order to impress her. In an effort to make things easier, she backslides into her old ways by using a newly made *Fiducia Compelus* spell to mind-control the ponies into following her orders. Unfortunately, the ponies follow her orders so exactly and literally that things quickly spiral out of Starlight's control.

After Twilight helps fix her mess, Starlight confesses that she avoids her friendship problems out of fear of failing and being a disappointment to Twilight. With Twilight and Spike's guidance, Starlight apologizes to her friends for using magic on them, and she learns to address her friendship lessons more naturally.

To Where and Back Again

Starlight was invited back to her old village for a celebration, but her insecurities about her villainous past still haunted her, so she leaves early. Upon returning, she learns that the Mane Six, Spike, the Royal Sisters and the Crystal Empire royalty have all been captured and replaced by the Changelings under orders from Queen Chrysalis, so she leads a team consisting of Trixie, Discord and Thorax to rescue them from Chrysalis' castle, whose throne can absorb all non-Changeling magic.

During the quest, Trixie and Discord are captured, leaving Starlight and Thorax to face off against Chrysalis and her army alone in the throne room. Starlight then explains that the Changelings don't have to be evil to survive, as Thorax has proven, and that a leader should not have to oppress her subjects to help them, as she herself has learned. Chrysalis was untouched by her words, but the other Changelings, following Thorax's example, turn on her and transform themselves into better beings. Starlight offers Chrysalis a chance to reform as well, but she refuses and swears revenge before escaping.

Afterwards, Starlight and everyone else celebrate in her old village, showing that she has truly put her past behind her.

Season 7 Rock Solid Friendship

While trying to befriend Maud Pie, it is also revealed that she and Maud had met before the initial founding of Starlight's village. Maud had inadvertently helped Starlight by pointing her to a particular rock with the magical properties needed to remove cutie marks.

When Nico was done everyone that hadn't heard about it was shocked and horrified!

Tsuyu: Whoa man!

Starlight Glimmer: And this is one past I will never become part of again!

Shockwave: Let's get going.

Nico: You read my mind. Get ready Evil Starlight Glimmer.

Me: This ends now! (Eyes Glow Red) We're coming for you and you will pay for everything you and the Church of Necrom did!

Nico: That's for sure! Lets do it!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Evil Starlight Glimmer, and she's extremely angry at Audrey and Daniel Monroe's betrayal and that we're still alive, and now, she's gathered together her massive army of Equalists and now, they're heading out to kill us all and get revenge. But, Lincoln also sensed that a very dark energy is inside her as well. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Evil Starlight Glimmer on the move?

Lincoln: You guessed it, Nico, and she's extremely angry at Audrey and Daniel Monroe's betrayal and that we're still alive and we killed them both and sent them to The Black Gates, and now, she's finally gathered together her massive army of Equalists, and now, they're heading out to kill us all and get revenge.

Vypra: So, she's finally on the move.

Nico: Yep, and she's got her army of Equalists ready, but we're ready for every last one of them.

Lincoln: But, before we leave, allow me to make a speech.

Me: Okay.

We listened as Lincoln made his speech.

Lincoln: This is it, everyone, our final battle with Evil Starlight Glimmer has finally come at long last. But, not only that, we've stopped the other members of The Doomsday 23 and ruined the last of The Church of Necrom's accursed contingency plans. We might not have prevented the resurrection of The Doomsday 23, but that didn't matter in the end, they got what they deserved: Eternal Servitude in The Masters of Evil or Banishment to The Black Gates, and we also destroyed The Staff of Xiyoega, and brought back all those Damian Alaister and his twisted minions have murdered. But, now only one remains: Evil Starlight Glimmer, and the source of the pain and suffering that Starlight Glimmer's had to endure. Now, we will put an end to her and her army of Equalists for good, and not only are we going to bring a permanent end to The Doomsday 23, but we will ruin The Church of Necrom's final attempt at revenge on us and all of mankind! So, let's head out there and give it everything we got!

We really cheered wildly, and everyone else also cheered wildly as well when they heard the speech.

Nico: Whoa, Linc, your speech has also not only rallied all of us, but it's also rallied all the citizens in Gotham Royal York, and the entire world as well. Alright, gang, let's go, today, Evil Starlight Glimmer dies here and now!

Lincoln: And this time, she's never coming back! (Deep Sapphire blue eyes turn red with Rainbow Flames of Justice raging behind them) Get ready, Evil Starlight Glimmer, we're coming for you, and your accursed Equalist ways will die here with you and your army!

We were off!

Everyone in the city cheered wildly as we were off.

We flew to Equestria.

Waffle Woman: So, this is really it, huh?

Platinum Princess: Sure looks like it.

Me: But we're ready. Scans show that Evil Starlight Glimmer is getting ready at Mount Everhoof.

Gusty the Great: Never thought we would have the battle there.

Nico: Me neither.

We arrived at Mount Everhoof.

Red Lantern Ratchet: That's pretty high up.

Me: It's Equestria's version of Mount Everest.

Cozy Glow: Wow.

Nico: Wait I hear voices.

We hid and then we saw EVIL STARLIGHT GLIMMER and she had a MASSIVE ARMY OF HER EVIL FOLLOWERS!

Nico: There she is.

Evil Starlight Glimmer: ALL OF EQUESTRIA WILL PAY FOR EVERYTHING THEY DID TO ME! If I can't have a cutie mark then I will make sure NO PONY in Equestria gets one! We're going to war! Our mission: DESTROY ALL OF EQUESTRIA! AND THIS TIME NO ONE NOT EVEN TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL WILL STOP US!

Her evil Equalist Followers roared in agreement!

Nico: Not in a million years. Lets go.

We went at her.

Evil Starlight Glimmer: THOSE MONSTERS ARE GOING TO…

But then the spirits of the Titans and Sovereigns of the Elements appeared and swirled around her and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a phoenix cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Suddenly, something really snapped within Lincoln's mind as memories of what Evil Starlight Glimmer did along with the murderous actions of The Church of Necrom and so many villains he'd encountered raged and swirled in his head, he growled ferociously, and he clenched his large right hand so tightly, he drew blood and as a drop of acid blood lands on the ground, it sizzled.

Everyone: Uh oh!

Suddenly, Lincoln's deep sapphire blue eyes turned neon deep sapphire blue, and he was suddenly surrounded by a rainbow energy aura with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Flames, Rainbow Crystals, Rainbow Super Lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels, he unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and as he approached Evil Starlight Glimmer, he left rainbow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Flames, Rainbow Crystals, Rainbow Super Lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels with every step.

Lincoln: You absolutely make me fucking sick, Evil Starlight Glimmer, your absolute hatred for cutie marks has poisoned your mind and heart, and you've used your own talent in magic to turn everyone into Equalists by force. Twilight Sparkle and The Mane 6 made the right choice to stop you for good, and she helped the Starlight Glimmer we know and love turn away from you. (SUDDENLY GETTING EXTREMELY ANGRY AND MONDO PISSED OFF) But, you refuse to even quit, even now, and when you were brought back by that accursed Damian Alaister and his fucked-up Church of Necrom minions, and now, you want nothing more than to destroy mankind and the entire world… , YOU'VE JUST CROSSED ONE FUCKING LINE TOO MANY AND YOU'VE SEALED YOUR OWN FATE, YOU EVIL UNICORN FROM THE DARK DEPTHS OF HELL, AND NOW, I WILL SEE TO IT THAT YOU DIE HERE AND NOW, AND I WILL END YOU FOR MAKING THE LIFE OF MY FUTURE WIFE, STARLIGHT GLIMMER, A LIVING HELL, YOU BLACK-HEARTED, WORTHLESS, HEARTLESS MONSTER!

We suddenly gasped in pure shock and total awe at Lincoln really exploding with pure rage at Evil Starlight Glimmer.

Nico: HOLY SHIT!

Me: UH OH!

Eli: Yep, now, she's really done it this time, and now that the beast has been unleashed, she's been marked by death, and now, it's coming for her.

Lucy: No words will ever be said at her funeral.

Starlight Glimmer: She's brought this on herself. Twilight, everyone, shall we say it?

Twilight Sparkle: Oh, yes, lets.

Mane 10 and Champions of Harmony: HIT THE DECK, EVERYONE, HE'S GOING TO EXPLODE!

Suddenly, Lincoln screamed like a total madman from Hell And then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of energy blasted out of him with incredible and unbelievable power as he's surrounded by a massive vortex of rainbow energy with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Flames, and Rainbow Crystals that're surrounding the vortex, and this also got even more intense with bolts of Rainbow Super Lightning crashing down from the heavens with volcanoes erupting, tornadoes forming, and massive tidal waves crashing, there's a rainbow Thunderbird, Phoenix, Dragon, Alicorn, Banshee, Spirit, Vampire and Elemental Angel flying around the vortex, around the vortex was a Werewolf, Buffalo, Zombie, Demon, and Elf, and in the vortex was a rainbow phoenix.

The full extent and fury of Lincoln's extremely rising and infinite power and energy was really strong and powerful, Evil Starlight Glimmer screamed in pain as she felt it and her dark powers were being stripped from her, and her army of Equalists were dying one by one and were being sent to The Black Gates.

Nico: WHOA!

Me: He's killing the army of Equalists one by one and sending them all to The Black Gates, and he's also stripping Evil Starlight Glimmer of her powers.

Then, as the vortex fades and the elemental forces, volcanoes, tornadoes, and tidal waves disappear, Lincoln emerged, but he was changed forever.

Lincoln's transformed into SUPER ANGEL-EBONWU-THUNDERBIRD-PHOENIX-HARMONY XELNAGA ETERNITY INFINITY ELEMENTAL THUNDERBIRD BUFFALO PHOENIX ANGEL OF DIVINE ELEMENTAL UNIVERSAL JUSTICE AND DIVINE ELEMENTAL MYTHOLOGICAL HOPE!

We're literally stunned, amazed, and struck with awe at Lincoln's Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity transformation, and when the the girls in Lincoln's harem see him, their faces had atomic red blushes, hearts in their eyes, their tongues rolled out, their noses were really bleeding, and they let out wolf whistles upon seeing just how much hotter their future hunk of a husband has become, but when Evil Starlight Glimmer saw it, she went berserk with rage and fired a blast of magic from her horn, but Lincoln blocked it with his large gold Elemental Shield of Harmony, and he fired a powerful rainbow energy blast with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at her, and it exploded with incredible power as it hit her, but she wasn't out yet, and she was extremely pissed off now.

Me: HOLY CRAP!

Nico: INCREDIBLE, LINCOLN'S TRANSFORMED!

Eli: No words can even describe what we just saw, incredible.

Lori: Literally unreal.

Lynn: Incredible.

Lily the Mermaid: Linky, wow, you look really incredible and even more hot and ripped. How do you feel?

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **I really feel incredible, Lily. Now, it's high-time we taught this Equalist monster a true lesson on what happens when she dares to mess with friendship and harmony.**

Nico: Yeah, let's get her!

Me: Time to die, Evil Starlight Glimmer!

Mane 10 and Champions of Harmony: And this time, you stay dead and gone forever, you Equalist monster from Hell!

We also transformed and we joined Lincoln as we went after Evil Starlight Glimmer, who continued to fire blasts of magic at us, but we deflected and blocked them all with our large gold Elemental Shields of Harmony, and we fired extremely powerful blasts of rainbow energy, colored energy, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and mythological animals at Evil Starlight Glimmer, and they exploded with incredible power as they hit her, and they exploded with such incredible power as they hit her, and she was being burned by The Magic of Friendship. Then, we proceeded to attack her with powerful slashes from our massive greatswords, and not only did we leave painful scars on her and spill her blood, but because of the purity of the attacks, it burned her badly, and the wounds she suffered would never heal.

The Mane 9 and Lincoln viciously attacked her with powerful energy and magic blasts, along with elemental blasts, and they slashed at her with their massive greatswords, we also did the same to her as well, and she was screaming like a banshee, and she was still getting extremely pissed off big time. Then, Lincoln flew at and grabbed Evil Starlight Glimmer by the neck with his large left hand,

and he slammed her hard into the ground, and with his vampire fangs now longer and sharper than ever, Lincoln sank his fangs deep and hard into Evil Starlight Glimmer's neck, and she screamed in excruciating pain, but the pain was just beginning. Suddenly, Lincoln began sucking out and draining all of Evil Starlight Glimmer's powers, magic, and hatred, as Lincoln's rainbow energy aura was flaring up extremely and he was also suddenly gaining a massive power boost, and Evil Starlight Glimmer was getting weaker and weaker and weaker still. Finally, Evil Starlight Glimmer was eventually weakened to such a degree, her skin turned pale and she couldn't even stand, as Lincoln unlatched his vampire fangs which were covered in blood from Evil Starlight Glimmer's neck and he let out an extremely loud and animalistic roar that shook the ground itself.

We were really letting her have it.

Wamma fired waves of energy and lasers and smashed her all over.

Lincoln and his harem: MY LITTLE PONY FINAL SMASH: SPIRIT BOMBS OF FRIENDSHIP!

They made gigantic Spirit Bombs based on the Elements of Harmony, which merged into a really massive rainbow Spirit Bomb, which they threw at Evil Starlight Glimmer, and it exploded on contact when it hit her, and she was obliterated. We really cheered wildly for what we've done, as we holster our massive greatswords and weapons and power down, and Lincoln's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Then, as Evil Starlight Glimmer's spirit appeared, the cutie marks of The Mane 9 on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back glowed, along with the cutie marks of The Mane 12 and the Elements of Harmony on my sword, and Evil Starlight Glimmer's spirit as surrounded by a magic circle with the cutie marks of The Mane 12 that formed on the ground, and she was chained up by chains of magic and rainbow energy, and the energy images of The Mane 12 appeared from the cutie marks on the circle, and they found her guilty of his crimes, and the energy images of The Mane 12 aimed their horns at Evil Starlight Glimmer and Lincoln aimed his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds at Evil Starlight Glimmer.

Lincoln: Evil Starlight Glimmer, for the crimes that you committed against everyone in Equestria because of your desire to turn all ponies into Equalists, you've been found guilty, and the punishment for your crimes is death, and this time, you are never ever coming back.

This horrified Evil Starlight Glimmer greatly, as she saw that her days of chaos and havoc are about to come to an end, and The Church of Necrom's final attempt at revenge on us and all of mankind is about to be foiled and ruined for good.

Lincoln: MANE 12 HARMONIOUS CUTIE MARK FINAL JUDGEMENT!

Lincoln fires a very powerful barrage of rainbow energy beams with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels from his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and the energy images of The Mane 12 fired colored magic energy beams from their horns, and as they hit Evil Starlight Glimmer's spirit, they exploded with incredible power and her evil spirit was condemned to The Black Gates, and she was fading away.

Evil Starlight Glimmer: NO! CURSE YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

Evil Starlight Glimmer's spirit was erased from existence by the spirits of all those she's hurt, and she'll never return to hurt anyone again. THE EQUALIST WRATH OF EVIL STARLIGHT GLIMMER IS FINALLY OVER! WE FINALLY DID IT, THE DOOMSDAY 23 ARE FINALLY NO MORE, AND THE CHURCH OF NECROM'S FINAL ATTEMPT AT REVENGE ON US AND ALL OF MANKIND HAS BEEN RUINED!

Nico: We did it, it's finally over! The Doomsday 23 are finally no more, and The Church of Necrom's final attempt at revenge on us and all of mankind has been ruined forever!

Lincoln: We've said this once years ago, and we'll say it again, Doomsday 23, you have failed all of Equestria!

Nicholette Torrington: And your days of trying to eradicate all life on Earth and the universe are finally over, Damian Alaister. You and The Church of Necrom are finally finished forever!

Eli: Yeah!

Lori: Those monsters had this coming after they were destroyed three months ago. Now, they're finally gone for good, and every last trace of them have been erased from existence forever.

Luna: Those demon Goths have caused us enough grief to last an eternity.

Me: You said it. It's over guys! WE WON!

WE CHEERED WILDLY!

Vulture: Looks like it's the end of Evil Starlight Glimmer.

Me: You got that right.

Living Laser: And the Doomsday 23 in general.

Nico: Yep.

Puff: I think we've all earned a little break from the usual battles for at least a week.

Beautiful Gorgeous: Amen to that!

Aqueduct: Now, let's prepare for the double wedding!

Suddenly, the cutie marks of The Mane 9 and Lincoln's harem on the massive Celtic Cross cutie mark tattoo on Lincoln's wider and more muscular back, along with the gems and symbols on Lincoln's massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds were glowing.

Nico: Hey, this is just like what happened when one of us starts to ascend, but this time, it's for the girls who are in Lincoln's harem.

Me: Is that possible?

Lincoln: Looks like it is.

Suddenly, we saw the girls in Lincoln's harem, and they were really glowing, and we knew they were about to ascend and they were suddenly entombed in massive energy domes.

Lori: So, it was the girls who are in Lincoln's harem who are going to ascend?! Wow!

Luna: This is going to be so cool, dude!

The girls in Lincoln's harem were in a beautiful serene ethereal space full of stars and nebulae.

Lily the Mermaid: Whoa, where are we?

Ronnie Anne: No idea. (Realizes something) Wait a sec, we're here in the serene ethereal space full of stars and nebulae.

Girl Jordan: (Gasps) Then, does that mean…?

Suddenly, Princess Celestia appeared.

Paige: Princess Celestia? (Realizes something) Wait, this means…?

Princess Celestia: (Smiles and Nods) Yes, that's correct, Paige. Just like J.D., Lincoln, his sisters, and many others, you've come a long way since you first got your powers, and throughout your journeys, you each had to overcome many trials and dark moments in your lives. But, you've persevered and triumphed, and now, you're all ready for the next part of your journey.

Sam Simpson: Whoa.

Then, Princess Celestia began showing moments of the girls in Lincoln's harem from when they got their powers to many of our great achievements over the years, including when they first met Lincoln and the loving memories they've shared with him.

Princess Celestia: (Singing) You've come such a long, long way

And I've watched you from that very first day

To see how you might grow

To see what you might do

To see what you've been through

And all the ways you've made me proud of you

It's time now for a new change to come

You've grown up and your new life has begun

To go where you will go

To see what you will see

To find what you will be

For it's time for you to fulfill your destiny

Outside, the energy domes then exploded and turned into massive and beautiful rainbow vortexes with elemental forces surrounding them.

Me: WHOA! WHAT POWER!

Nico: WOW!

Then, the vortexes around Lincoln's harem faded, and they emerged and changed forever.

The clothes that Lincoln's harem had gotten when they transformed into their Super Angel Infinity and Eternity Infinity forms remained the same, but they now have on gold-armored knee-high boots and their sleeveless trenchcoats turned white, but the decorations, animals, and kanjis below them remain the same, along with all of their weapons and spellbooks, jewelry, and massive angel wings.

Nico: Holy crap, now that's really, really cool!

Me: Awesome!

And when Lincoln saw them, his face turned atomic firetruck red, steam whistles out of his ears, his eyes turn to hearts, his tongue rolled out onto the floor, and his nose was bleeding like crazy.

Lincoln: Buh… buh… buh!

He was really stunned speechless and we each shared a laugh, and then, the girls in Lincoln's harem jumped him and he was then covered in lipstick marks on his face and massive muscular upper body and eight pack abs, we also saw lipstick marks on his new massive white angel wings, and Lincoln was now laughing goofily with steam coming out of his ears, a red atomic blush on his face, and hearts in his eyes.

But, then, Lincoln got up, and he made clones of himself, he and the clones went up to the girls in his harem, and he wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, as we all cheered wildly for them.

Eli: Wow, not only did we get rid of The Doomsday 23 and this time for good and ruined The Church of Necrom's final attempt at revenge on us and all of mankind and all life in the universe, but every girl in Lincoln's harem have ascended.

Nico: This'll be a day remembered in history forever.

Lincoln: You said it, Nico.

We then returned home to The World Tree Estate, and had a huge party to celebrate the biggest victory ever. Then, Nico went up to Lincoln and his harem.

Lincoln: Hey, Nico, what's up?

Nico: Lincoln, since you and your harem have worked so hard for quite a while, how about you all take six days off? You guys can also take the kids with you.

This stunned Lincoln and his harem.

Lincoln: Really?!

Nico: (Smiles Warmly) Of course, you guys really earned it.

This had tears running down Lincoln's eyes and a smile was on his face as he hugged Nico without a second thought, and Nico returned it.

Lincoln: Thanks, Nico, and I think I know where to go for a six-day vacation. How about one of the Five-Star Hotels in the Caribbean?

Paige: Good idea, Linky.

Girl Jordan: That's perfect! But, will you guys be okay?

Nico: We will, Girl Jordan. Plus, if Sancho and his gang try to get into The World Tree Estate to get their petty revenge on us again, we still got the slingshots set up and stink bombs at the ready.

Lincoln: Ooh, next time, add some of Lynn's old and stinky sweat socks into them, that'll really stink up those pigeons.

Poromon and the Mascots came back, and they had a basket full of Lynn's old and stinky sweat socks ready to add to the concoction.

Nico: EEW! Those socks stink!

Lynn: Yeah, but it's high-time I got rid of those things. And don't worry, Lincoln, you all go have some fun and relaxation, we'll be okay.

Lincoln: Thanks, Lynn.

Starlight Glimmer: (To the viewers) But this was one of the most awesome adventures and wars ever. This war will forever go down in our history and the world too.

Qin: Yeah. It sure did.

Lincoln, his harem, and his kids went up to everyone here and we all hugged, and they also had their bags packed, and they left through a portal Lincoln made, and it closed as they went in. Then, the portal opened up in The Caribbean, and Lincoln, his harem, and his kids came out.

Lincoln: Wow, we're here in Bahia Principle Luxury Ambar, one of the Five-Star Hotels in the Caribbean.

Paige: I've always wanted to go here, and we've got six days of fun in the sun.

Lincoln: We sure do, Paige.

Lincoln, his harem, and his kids went to check in to the Hotel for six days of fun, and they'll return on the 22nd. But, now, we've finally got rid of The Doomsday 23 and ended The Church of Necrom's evil for good, and the dark shadow of The Church of Necrom is finally gone for good, along with The Doomsday 23. The rest of us went to sleep after a long day.

THE END

Another awesome fanfic done.

WOOHOO! This was awesome! THE CHURCH OF NECROM AND THE DOOMSDAY 23 HAVE ALL BEEN SILENCED FOREVER AND ARE NOW FORGOTTEN MEMORIES!

# JURAI EARTH LOVE BATTLE

SEPTEMBER 17TH, 2022

---

Walking through a treacherous swamp was me, Misty Tredwell, Camie and Terrorsaur and it was a swamp planet that was scary and creepy.

Me: Wow this swamp gives me the creeps.

Misty Tredwell: Me too J.D. Are you sure there are people here that need help?

Camie: I have a feeling there are.

Terrorsaur: Yeah my scans are picking up 9 signals here.

Me: Well lets stay on the alert.

We stayed close and then…

?: HELP US!

Me: Uh oh!

We went and we found 9 girls and they were all sinking in quicksand! They were dressed in clothes for each of the 9 colors of the rainbow including pink and black.

Me: (GASP) The Jewel Sisters!

We met

Allison Jewel A.K.A. Ruby Jewel (Red)

Renee Jewel A.K.A. Amber Jewel (Orange)

Selene Jewel A.K.A. Topaz Jewel (Yellow)

Emily Jewel A.K.A. Emerald Jewel (Green)

Varya Jewel A.K.A. Sapphire Jewel (Blue)

Fiona Jewel A.K.A. Cobalt Jewel (Indigo)

Violet Jewel A.K.A. Amethyst Jewel (Purple)

Plumeria Jewel A.K.A. Kunzite Jewel (Pink)

Evelyn Jewel A.K.A. Epidote Jewel (Black)

Terrorsaur: Lets get them out of there! Terrorsaur, TERRORIZE!

He transformed and we flew and got them out.

Allison Jewel: Whew! Thanks. J.D. it's awesome to see you.

She hugged me and so did her little sisters.

Me: It's awesome to see you girls too. I'm so glad you're all okay.

Camie: Me too.

Terrorsaur: Thank goodness.

We later went back home.

At Canterlot Castle we were getting ready for William, Liam, Maria and Carmen's double wedding. After having a huge war that was so epic they more than earned this wedding.

William was dressed in an awesome and amazing tuxedo. We were dressed in our special occasion clothes.

Me: You are going to do great William.

Nico: Same with you Liam.

Liam: I'm really nervous about all this y'all.

Nico: I know Liam but you'll do great.

Me: Yeah after fighting in a huge war yesterday you more than earned this.

William: I agree there. But it's going to be so awesome to be married to Maria.

Eli: It sure is. I hope my wedding with Nunnally will be just as awesome.

Me: Oh it will be bro.

In the girls side, Carol, Leni and May were making the awesome wedding dresses for Maria and Carmen. Maria had a blue jeweled wedding dresse and Carmen had a fire color jeweled wedding dress.

Carol: You girls look amazing.

Maria: Wow this is so amazing. Rarity and everyone did a great job.

Leni: They sure did and you guys totes more than earned it.

Carmen: Boy we sure did. I'm so excited for this.

May: We all are Carmen. After fighting in the huge war yesterday you more than earned this.

Maria: You got that right.

Later it was time for the wedding and we were at the alter.

Nico: Don't worry guys. You'll be fine. And Lincoln made a shadow clone for this.

Lincoln: Yep.

Fluttershy got the Wedding March going and Apple Bloom, Scootaloo and Sweetie Belle were flower girls and they came down the aisle and Carmen and Maria came down the aisle in their beautiful wedding dresses. Dark Phoenix and New Wave were crying in happiness for them and so was Iron Lung who had oil leaking from his eyes.

Me: Oh wow. Those dresses are beautiful.

William: They sure are.

Nico: Wow.

Liam: Golly. They sure are.

Qin: So gorgeous.

They came up to the alter.

Princess Celestia: Ladies and Gentlemen, mares and gentlecolts, we are gathered here today to celebrate the union in holy matrimony of William Dunbar and Maria Rockell and Liam Hunnicutt and Maria's little sister Carmen Rockell. If there are any objections as to why these 4 should not be married, speak now or forever hold your peace.

There was no one that stood up.

Princess Celestia: William and Liam do you two take these two beautiful women to be your lawfully wedded wives whom you shall love her, care for her, honor her and love her in sickness and in health?

Liam and William: We do.

Princess Celestia: Maria and Carmen do you take these men to be your lawfully wedded husbands?

Maria and Carmen: We do.

Princess Celestia: May we have the rings please?

Spike gave the rings.

And William and Liam put their rings on.

Princess Celestia: Then by the power invested in me and under the unions of holy matrimony and under the grace and love of God, I now pronounce you 4 husbands and wives. You may kiss the brides.

Everyone cheered wildly! William and Liam kissed Carmen and Maria and it was awesome!

Qin: Way to go guys!

Nico: We're so happy!

Me: This is a big victory wedding.

Nico: Yes it sure is.

Later we were having the reception.

First was Liam and Carmen's dance and so was Maria and William's dance and it was beautiful

Princess Luna: Hello everypony. Did I miss anything?

Me: Nope you arrived just in time Princess Luna.

Qin: The concert is going to start.

Me: Yep.

I went up onto the stage and shadow clones of the Rainbooms came with me.

Me: First of all I would like to say congratulations to the newlyweds. And we have an awesome concert for you all for the wedding. Are you all ready to rock!?

Everyone cheered!

Me: HIT IT GIRLS!

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

Me: (SINGING DIVINELY AS A TOTAL SOLAR ECLIPSE FORMS)

I saw you dance

From the corner

I caught your name
In a conversation
Playing hard-to-get
But I can understand
When I look at you
I see the story in your eyes
When we're dancing
The night begins to shine
Night begins to shine
The night begins to shine
Night begins to shine
When we're dancing
The night begins to shine
Talk 'til dawn
My heart was racing
I took you home
In the driving rain
Had my mind made up
I wanna feel your touch
When I look at you
I see the story in your eyes
When we're dancing

The night begins to shine

The night begins to shine

The night begins to shine

The night begins to shine

When we're dancing

The night begins to shine

The night begins to shine

(Night begins to shine)

The night begins to shine

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

The night begins to shine

The night begins to shine

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine (the night begins to shine)

Night begins to shine

The night begins to shine (the night begins to shine)

Everyone was dancing to the beat and it was awesome. When the song was done we cheered!

Nico: ROCK ON!

Eli: YEAH!

Me: THANK YOU! Now for this number it's for Sailor Moon. I'm going to do an awesome battle song for her too. Get ready for some action.

I put on a headset.

(SHE'S GOT THE POWER BY STAN BUSH PLAYS)

Me: (SINGING DIVINELY AS THE MOON IS SHINING BRIGHTLY ABOVE US)

Yeah, yeah!

A crash of thunder

A brilliant flash of light

A battle has begun

And only one will win the fight

Danger in the air

Destroying everything in sight

The time has come to right the wrong
With Prism Power might!
She's got the power
Oh, She's got the power
She's got the power
Yeah, She's got the power
A desperate struggle
The strongest takes it all
The battle rages on
Until the weakest finally fall
A vision fills her heart
And gives her strength that's pure and true
And when it seems that all is lost
She knows what she must do
She's got the power
Oh, She's got the power
She's got the power
Yeah, She's got the power
She's got the power
Oh, She's got the power
She's got the power
Yeah, She's got the power!

(P-p-power)

(She's got the power)

Yeah, yeah

(P-p-power)

(She's got the power)

Yeah…

She's got the power

Oh, She's got the power

She's got the power

Yeah, She's got the power

She's got the power

Oh, She's got the power

She's got the power

Oh, She's got the power!

She's got the power

Oh, She's got the power

She's got the power

Yeah, She's got the power

I flew into the air as clones of all of Sailor Moons most dangerous enemies appeared and then I fired waves of lightning and blasted them apart as massive fiery explosions blasted them into dust and it was epic! Everyone was in awe. I slashed and blasted and destroyed them all with ease as I sang the song. When it was done everyone cheered wildly and thunderously!

Nico: AWESOME!

Eli: WOO! WAY TO GO BRO!

Maria: That was EPIC!

I landed back on the stage.

Sailor Moon: That was so awesome!

Camie: Yeah it was! WOO!

Me: YEAH! That was awesome! Now for the next song it's called Ready for The Storm.

(READY FOR THE STORM BY DEANTA PLAYS)

Me: (SINGING DIVINELY AS THUNDER, LIGHTNING AND STORM CLOUDS FORMED)

The waves crash in and the tide tide pulls out

It's an angry sea but there is no doubt

That the lighthouse will keep shining out

To warn the lonely sailor

And the lightning strikes and the wind cuts cold

Through the sailor's bones to the sailor's soul

Till there's nothing left that he can hold

Except the rolling ocean

But I am ready for the storm, yes sir ready

I am ready for the storm, I'm ready for the storm

Oh give me mercy for my dreams

Cause every confrontation

Seems to tell me what it really means

To be this lonely sailor

But when the sky begins to clear

And the sun it melts away my fear

I'll cry a silent weary tear

For those that need to love me

But I am ready for the storm, yes sir ready

I am ready for the storm, I'm ready for the storm

Distance it is no real friend

And time will take its time

And you will find that in the end

It brings you me, the lonely sailor

And when you take me by your side

You love me warm, you love me

And I should have realized

I had no reason to be frightened

But I am ready for the storm, yes sir ready

I am ready for the storm, I'm ready for the storm

Everyone danced and it was awesome.

Me: Thank you! Now for this song it's called Shine Like Rainbows.

The song played and all the great achievements of all the team came on.

Applejack]

Once upon a time

You came into my world and made the stars align

[Rarity]

Now I can see the signs

You pick me up when I get down so I can shine

[Me The Rainbooms]

Shine like rainbows

Shine like rainbows

Shine like rainbows

Shine like rainbows

[Rainbow Dash]

Friends, you are in my life

And you can count on me to be there by your side

[Sunset Shimmer]

And when the music comes alive

[Me]

We sing our songs to lift us up so we can shine

[Me and The Rainbooms]

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Shine like rainbows

We shine like rainbows

Together we stand

As the rain begins to fall

And holdin' our heads up high

As the sun shines through it all

[The cast]

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Shine like rainbows

We shine like rainbows

[Me and The Rainbooms]

We shine like rainbows

I formed a powerful rainbow heart with the faces of William, Maria, Carmen and Liam in it and the symbols of Team Loud Phoenix Storm, The M.O.E. And the branch teams we made in it. It was epic!

When it was done everyone cheered wildly!

Qin: YEAH! THAT WAS AWESOME!

We had an awesome cake and drinks.

Vypra: That was so awesome J.D.

Me: Thanks Vypra. I loved singing the songs the most.

William: Yeah. You guys have made this the most awesome wedding ever!

Liam: YEEHAW! Y'all sure did!

Me: Glad we could for you all. After winning a tremendous war you all earned it.

Nico: I'll say.

Qin: This was so awesome. Where are you guys going for your honeymoon?

Maria: We're going to Bora Bora.

Me: Ooh you guys are going to have fun.

Pipp Petals: You sure will and it'll be so awesome!

Qin: Yeah it will.

Nico: We're so glad we could make this so fun for you all.

May: Yeah.

Carmen: And it was so awesome.

Later the 4 newlyweds were in the limo.

Me: Have fun guys.

Camie: We'll see you guys soon.

William: Take care guys.

They were off and we waved to them.

Me: There go 2 awesome couples.

Nico: Yeah. They earned this.

Eli: Yep.

---

At the Caribbean, Lincoln, his harem, and his kids woke up, and after having breakfast and their work-out in the mobile gym, they went out to do some shopping for new clothes for Lincoln's kids.

Lincoln: This is going to be so awesome shopping for some new clothes for the kids.

Paige: You said it, Linky.

Girl Jordan: We've done a lot of shopping at the Gotham Royal York Mall before, but we haven't done some shopping here in The Caribbean.

Ronnie Anne: That's right.

Sam Simpson: And we'll be sure to take photos of the kids in the wardrobes we'll get for them, and send them to our friends back home.

Lincoln: Good idea, Sam, and Leni and the other Fashion Brigade members will love them.

Thunder Sparkle: They sure will, Dad, and so will all of us.

When Lincoln, his harem, and his kids arrive at the shopping mall in the Caribbean, they went to the clothing department, and they got an awesome variety of shirts, crop tops, pants, skirts, stockings, sneakers, knee-high boots, jackets, hoodies, hats, scarves, gloves, and coats in the kids' favorite colors. Then, they paid for them and they came back to their room in the hotel.

Lincoln: Okay, time for you kids to try the clothes on.

A montage played out, as each and every one of Lincoln's kids came out wearing an ensemble of the clothes that they bought at the shopping mall in the Caribbean, and they also took pictures to send to us via Lincoln's laptop.

Rarity: Oh, the kids look so darling in those outfits.

Lincoln: They sure do. If Leni saw the outfits, she'd be proud of us.

Fluttershy: She sure will, and our newborns also looked so cute in the clothes we got them.

Lincoln: We tried not to faint from seeing how cute they looked in them.

Starlight Glimmer: Too bad some of us did.

Lincoln, his harem, and his kids saw that some of Lincoln's Guardian Angels fainted when they saw the newborn infants in baby clothes they just got.

Helena McTroy: Sorry we fainted.

Nicholette Torrington: But, when we saw them in the clothes you guys got, we fainted from maximum cuteness.

Lincoln: That's okay. Plus, we're glad you all woke up, we're going to contact Nico and everyone else at the World Tree Estate.

Nicholette Torrington: Nice.

Lincoln, his harem, and his kids gathered, and when Lincoln activated the webcam and contacted us, we were ready.

Nico: Hey, Lincoln.

Lincoln: Hey, Nico and everyone.

Me: Looks like you guys are having a lot of fun in the Caribbean.

Paige: We sure are, and we got our first day started by going on a shopping spree in the mall for some new clothes for Lincoln's kids and newborn children.

Nico: Whoa, now that's awesome!

Lincoln: It sure is, and we took some photos of the kids in the clothes. Take a look.

Lincoln sent the photos to us, and when we saw them, they were really awesome, and when we saw the newborns in those baby clothes, Lincoln's sisters and Maria fainted.

Eli: Oops, looks like they've fainted from seeing the newborns in baby clothes.

Lincoln: I'll get them up.

Lincoln conjured a breeze of wind, and that woke them up.

Lori: Sorry we fainted, Lincoln. But, those newborn kids literally looked so cute in those clothes.

Leni: They totes did, I can't believe we fainted from the cuteness.

Maria: But, can we help it? They looked so cute and cuddly.

Lincoln: (Laughs) They sure do.

Nicholette Torrington: And we also fainted from seeing them in those baby clothes.

Me: Ooh.

Lincoln: Yep. So, how are things back home?

Nico: Great, we also kept Sancho and his party pigeons out again, but we didn't throw any stink bombs at them. Pesto went charging in and he drove them out.

Ronnie Anne: Oof, I'm going to guess Sancho and his gang didn't like that.

Nico: Nope, and they were mad. Plus, Ronnie Anne, you're not going to like this: when we took a trip to Great Lakes City, we found out Bobby, CJ, Carl, Carlitos, and Carlota had your Abuelo hypnotized, and it was because of his non-stop gossiping, and how it was making the customers at the Mercado mad and embarrassing his friends and family.

Sol Rodriguez: (Spanish Accent) Ay, I should've seen it coming, Ronnie Anne's Abuelo is the biggest Chismoso in town!

Ronnie Anne: I always knew Abuelo's gossiping was getting out of control. So, what did they do?

Nico: They took him to Greta, the magician at her shop, and she hypnotized your Abuelo to keep him from gossiping.

Me: The spell was also very precise: if Mr. Casagrande had the urge to gossip, he's going to scratch himself, and it couldn't be undone.

Ronnie Anne: Ay, those guys. Didn't they learn that lesson long ago? The last time this happened, Abuelo couldn't tell us anything, and we weren't getting our chisme. So, we filled Abuelo with so much Chisme, it caused his head to get so big, he stuck his head out the window, and he blabbed it out for everyone to hear.

Nico: Whoa!

Me: Intense!

Ronnie Anne: We tried to get Abuelo to stop by keeping him away from the customers, and as much as I hated the idea, we had to get Sergio to spray him, but nothing worked, so we resorted to going to Greta and hypnotizing him.

Nico: Yeesh. Well, the same thing happened yet again, but we did what you did the last time: we overloaded his head with so much Chisme, he stuck his big head out the window and blabbed to everyone in Great Lakes City, and it caused his head to shrink back to normal size.

Lincoln: Whoa.

Me: Yep, and here's what happened.

I showed them a clip of what happened.

Carlota: (Puts chair under Hector) Sit still, Abuelo, this is for your own good.

The Casagrandes took a deep breath and they let the Chisme fly.

Carlota: These shoes aren't designers.

Frida: My last painting was done by numbers!

Hector began scratching.

CJ: I used Bobby's toothbrush.

Bobby: I used CJ's toothbrush.

Suddenly, his head was really getting bigger.

Ronnie Anne's head: At Skate Practice, I said I did a 360, but I really did a 340!

Rosa Casagrande: (Spanish Accent) Last night, I served you store-bought tortillas!

They soon saw Hector's head get so big, because of the chisme.

Carl Casagrande: He's about to pop, we need one more!

Carlos Casagrande: I don't separate my recycling!

We gasped!

Me and Nico: WHAT?!

Carlos Casagrande: What, it's confusing.

Then, Hector's head got so big, he couldn't take it anymore. He ran to the window, opened it, and when his head was out the window, he blabbed like crazy!

Hector Casagrande: (Spanish Accent) My son's a bad recycler, Rosa buys tortillas, Ronnie Anne did a 340, Frida paints by numbers, Carlota wears knock-offs, and Bobby and CJ share toothbrushes! YUCK! CHISMEEEEEEEEE!

Hector's head shrunk back to normal, and the spell was broken. Lincoln, his harem, and his kids were stunned!

Lincoln: Wow!

Ronnie Anne: Told you Abuelo's known as the most notorious Chismoso in Great Lakes City. But, the spell's broken and Abuelo can gossip again.

Lincoln: But, gossip can be really hurtful and embarrassing, so we'll need to keep a watchful eye on your Abuelo, Ronnie Anne.

Nico: We're already on it, Linc, but this time, we're not bringing in Sergio.

Nico shifted the webcam and showed Sergio in a prison uniform and chains, and they had a laugh.

Lincoln: That'll teach him a lesson. Ooh, it's already getting late, we're going to enjoy the rest of our day before heading for bed. See you tomorrow for our next web chat, gang.

Nico: You got it, Linc. See you guys tomorrow.

We said our goodbyes, and Lincoln ended the video chat, as he, his harem, and his kids enjoyed the rest of their day before heading off to bed, but their vacation is just beginning.

Flying through the skies of the planet Jupiter was me, Carly Atlas, Tsuyu and Waspinator and we were there for a rescue.

Me: Wow a rescue in the skies of Jupiter.

Carly Atlas: I love rescues like this.

Tsuyu: Same here.

Waspinator: Waspinator like it too.

We landed on the docks of the Jupiter Prison and then we saw 2 Zodiarts! They were for Cepheus the King and Delphinus the Dolphin!

Me: The Zodiarts of Cepheus the King and Delphinus the Dolphin!

Cepheus Zodiarts: (In a girls voice) And you know us too J.D.

They changed back and the Cepheus Zodiarts was a girl with neon purple hair and purple clothes and she had the symbol of Cepheus the King on her right arm and the other girl had Aqua Blue hair and clothes and had the symbol for Delphinus on her right arm.

Me: Dahlia Cepheus and Oceanus Delphinus!

Dahlia Cepheus: Good to see you again J.D.

Me: Same here.

Carly Atlas: You know them J.D.?

Me: Yep. Oceanus is a friend of mine from Marine Biology class and she has amazing water powers. She has the powers of the ocean too and can talk to fish and more. Dahlia is a friend of mine from gardening class and she is a great gardener and loves all plants.

Carly Atlas: That's cool J.D.

Tsuyu: It sure is.

Me: Sorry we have to fight like this.

Dahlia Cepheus: No worries.

They changed into their Zodiart forms.

Waspinator: Waspinator, TERRORIZE!

He fired energy beams from his eyes and blasted them down and they exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were down and back to normal and I caught their Zodiart Switches and purified them and they formed into swords.

I picked them up and we went back home.

At the estate we were watching TV and playing video games.

Poromon: Things are very lonely without Lincoln, Maria, and the others.

Me: They'll be back Poromon. Besides they send us video chats to let us know how they are doing.

Arixam: And besides, Maria is having me babysit Horsea for her.

Horsea: Yeah and it's cool having Arixam babysit.

Qin: It sure is.

Nico: Yeah. Lincoln, Maria and the others are having a great time. Maria, William, Carmen and Liam are in Bora Bora and Lincoln and his harem are in the Caribbean.

Me: That's right.

Nico: But J.D. that concert you did at the wedding with the Rainbooms was so awesome!

Eli: It sure was bro.

Me: Thanks guys.

Allie Wilde: I hope you put on a concert like that at our wedding in the future.

Me: Who am I to deny what MY future wives want next?

We laughed.

Poromon: But right now, we're short staffed.

Me: I know.

Qin: Besides they'll be back in a week. We more than earned this after having a huge war.

Vypra: I agree guys. And Nico you must be really happy for Maria, William, Liam and Carmen.

Nico: Oh we are Vypra.

Stella Zhau: I'm so happy for Liam.

Zach: Boy me too. Mrs. Johnson has been crying happily ever since the wedding ended.

Varie: Many of us get choked up at weddings.

We laughed again.

Poliwag: Poromon can I tell you something in the kitchen?

Poromon went to the kitchen.

Poliwag: Poromon, I don't think I should be telling you this. But Lisa's working on a prototype cloning machine.

Poromon: Really? Ooh. You thinking what I'm thinking?

Poliwag: That you should use it and make many duplicates to fill in Maria, Liam, Carmen, William, Lincoln and his harem's places till they come home?

Poromon: Exactly.

Poliwag: Let's use it while Lisa's not looking.

Poromon: Good idea.

They waited and Lisa left and then they snuck into her lab. Then they looked and found a cloning machine like the one Dexter used to go after Dee Dee and her friends.

Poromon: There it is.

Poliwag: Wow.

Poromon: Time to test this out.

Poromon went in.

Poliwag: Lets see. Lets set it at 3 to test it.

Then the door to the machine closed and then Poromon pressed the button and then it activated and then it opened and out came Poromon and 2 more Poromon! WOW! IT WORKS!

Poromon: Wow!

Poliwag: It worked!

The Poromon clones were drooling.

Poliwag: Uh are they supposed to drool like that?

Poromon: Huh? Wow it's like they are as dumb as traffic cones. Poromon 2 are you okay?

Poromon 2: Me fine.

Poromon 3: Me fine.

Poliwag: It's better than nothing.

Poromon: Yep. Lets make more.

Poliwag: Okay. Lets set it to 275.

Poromon: Okay.

He activated it and then an avalanche of Poromon clones came out and they were all drooling.

Poromon: All right! Lets get filling in for everyone.

Lori: Hey, Poromon.

Poromon 4: Lori.

Lori walked on and saw another Poromon.

Lori: Hey Poromon.

Poromon 5: Lori.

Lori: (Realizes something) HUH?! UH OH!

Me and Nico were reading books.

Me: Hmm.

Nico: Uh J.D.?

Me: What is it? (Sees the many Poromon clones) (GASPS)

Nico: We got lots of clones!

Me: (RUBS EYES) I THINK I'M GOING STIR CRAZY!

Lynn: Hey, Poromon.

Poromon 6: Lynn.

Lynn: Hey Poromon.

Poromon 7: Lynn.

Lynn: (Realizes Something) WHAT THE!?

Me: Nico what in the world happened!? Did Poromon use Ninjitsu!?

Poromon: No J.D. I cloned myself.

Me: How is this possible!? Wait. At least this one is the original. The clones don't have head crests on them.

Lola: Hey, Poromon.

Poromon 8: Lola.

Lola: Hey Poromon.

Poromon 9: Lola.

Lola: (Realizes Something) HOLY MACKEREL!

Me: Poromon how did you do all this!?

Nico: J.D. punch me in the face! I think I'm going nuts!

POW!

I punched Nico in the face and Nico saw that they were still there.

Me: You're not going nuts Nico.

Poromon: I used Lisa's Cloning Machine.

Me: Lisa made a cloning machine? Cool!

Allison Jewel: Jumpin Ruby Gems! This is amazing!

Renee Jewel: Yeah! This is incredible!

One of the Poromon burped.

Me: Pardon you.

Poromon 10: Me sorry.

Nico: OW! J.D. you hit me hard.

Me: Sorry dude but you told me to punch you.

Nico: No worries.

Me: Poromon what's this all about?

Poromon: We were getting lonely without Maria, Carmen, Lincoln and his harem, Liam and William so we decided to clone me to fill them in till they get back.

Homer: Oh wow. Like how I got cloned. (Season 14 Episode 1A)

Me: But this wasn't done with a magic hammock. This was done with a cloning machine. Poromon if Lisa sees this she is going to be extremely pissed!

Daphne Greengrass: (British Accent) Poromon, if I were you, I'd get rid of the evidence.

Me: I agree with Daphne. At least it's not from the Mirror Pond. Jimmy you have a Cloning Machine right?

Jimmy Neutron: Indeed I do J.D.

Me: And Dexter you have a cloning machine too right?

Dexter: I most certainly do J.D.

Me: Wow. We're just full of cloning machines.

Qin: Yeah no kidding. First lets count them and see how many we have here.

Nico: Good idea.

We had them all lined up and counted them.

Me: 271, 272, 273, 274 and 275.

Eli: Wow! That's a lot of them.

Qin: Yeah.

Camie: This is the most ever for one cloning excursion.

Me: Well we can't destroy them for real so lets send them to the Digital World.

Nico: Good idea.

Eli: I'll go to deal with this too.

Me: Okay.

Nico: J.D. you go with Daphne, Tracy, Blaise and Poromon and

Poliwag to deal with this.

Me: Right!

Me, Poromon, Poliwag, Daphne, Tracy, and Blaise were in Vanzilla driving the Poromon clones to a cornfield.

Me: Good thing I have my laptop with me for this.

Daphne Greengrass: Good thinking.

Poliwag: This was really cool testing out the machine.

Me: I don't think Lisa tested that machine yet but you did her a favor in testing it and it really works.

Poromon: Yeah we sure did.

Me: I know you guys miss Lincoln and the others but they will be back later.

We arrived in the cornfield.

Me: Okay here we go.

I powered it up.

Me: Digiport Open!

I opened the Digital Gate and sent the clones to the Digital World.

Me: There.

Blaise Zabini: (British Accent) The original plan was to abandon the clones here after Poromon shoots the ones who knew the way back to the Estate.

Me: Well I didn't want to take any chances with that happening. So I figured sending them to the Digital World would be the least violent approach.

Blaise Zabini: That makes sense.

Poromon: Smart thinking J.D.

Tracy Davis: (British Accent) There's no way for them to find their way back here, right?

Me: No Tracy. They would have to have a way into our world from the Digital World for that to happen.

Tracy Davis: Oh. Okay then.

Poliwag: You need a Digivice to do that.

Me: Yeah. Besides Digimon are living creatures. I couldn't afford to have them get blasted.

Poromon: Good call.

Poliwag: And we didn't bring the cloning machine with us.

Me: Nah it was Lisa's and we couldn't destroy it. Besides it's part of her lab.

Poliwag: Good point.

Me: (GROANS) I have got a nasty headache.

Daphne Greengrass: Are you okay?

Me: It happens whenever I think I'm seeing double and not from the Shadow Clones. Like how Pinkie Pie used the Mirror Pond or how Homer used that Magic Hammock.

Poliwag fired an ice beam at my head and I got the top of my head in a block of ice.

Me: Ahh. Thanks Poliwag.

Poliwag: No problem.

Poromon: And Lisa didn't find out.

Me: Well we'll find out when we get home.

We went back home.

Poromon: One of them took my dry cleaning and I have no idea what he did with the ticket.

Me: Oh I have it.

I pulled it out.

Poromon: Oh thanks.

Me: What did you need dry cleaned? You don't usually wear clothes.

Poromon: Oh it's Nico's leader sash. It's dry clean only.

Me: No worries. I'll pick it up later.

We arrived and we went in and we saw Lisa Loud and she was NOT HAPPY AT POROMON!

UH OH!

Me: Oh boy. Nice knowing you Poromon.

ZOOM!

I went back to my room with the speed of a cheetah.

Poromon: I can explain!

Lisa Loud: I just have one thing to say…

Then she hugged the mascots!?

Lisa Loud: You really made my cloning machine an absolute success. It really worked.

All of us: Huh?

Lisa Loud: I was looking for a viable test subject to test it out on and it really was a success.

Nico: Wow. I'm glad they willingly volunteered for that. Albeit being a plan.

Eli: But that cloning machine you made was awesome Lisa.

Lisa Loud: Indeed.

Manaphy: Me and Horsea actually had nothing to do with this.

Lisa: Oh I know that. But thank you Poliwag and Poromon for testing my machine.

Poromon: Uhh you're welcome Lisa.

Nico: At least it worked perfectly.

Qin: Yeah. So did J.D. send all those clones to the Digital World?

Daphne Greengrass: He sure did.

Nico: Very smart call there.

Eli: Yeah.

Nico: Good thing we didn't make the mistake of bringing the prototype.

Eli: Yeah no kidding.

Qin: Yeah.

Lisa Loud: Indeed. But it was good you all tested it.

Qin: You did great inventing a cloning machine Lisa.

Nico: Yeah. J.D. must be in his room with a headache right?

Poliwag: Yeah.

Eddy: Those clones weren't that bright. Ed and Billy are at least aware of what goes on.

Ed: It's true. So was Homer too.

Homer: (Laughs) It was funny though.

Billy: (Laughs) Yeah.

Qin: That was true.

Nico: It still worked nonetheless. Poromon, Poliwag I know you guys miss Lincoln and the others but they will be back later. You just got to be patient.

At the Caribbean, Lincoln, his harem, and his kids woke up, and after having breakfast and their work-out in the mobile gym, they went out to the Olympic-sized pool located outside in the hotel.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

His harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble, and his kids were dressed in swimsuits, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Thunder Sparkle: Wow, this pool looks so awesome!

Lincoln: It sure does, and we're going to have a lot of fun out here in the pool.

Lily the Mermaid: And with it being such a beautiful sunny day outside, this is truly perfect.

Lincoln: You said it.

Lincoln, his harem, and his kids had some fun by diving into the water, and they were swimming, and Starlight Glimmer, Rarity, and Fluttershy were also spending time with their newborn infants, and it was cute. They also had a swimming race, and they also had a lot of fun, and then, a few hours later, Lincoln summoned a cooler filled with ice and inside it were ice cold drinks, he also summoned a grill and he grilled up some hot dogs and hamburgers, and he also gave his newborn kids baby food and apple juice.

Then, they dried themselves with their towels and came back inside and were back in their original clothes, and then, they ordered room service for dinner. Then, after they ate, Lincoln got his laptop out and when he activated the webcam and contacted us, we were ready.

Nico: Hey, Lincoln.

Lincoln: Hey, Nico, hey guys.

Me: Looks like you guys are having a lot of fun in the Caribbean.

Paige: We sure are, and we got our second day started by going to the Olympic-sized pool outside the hotel.

Twilight Sparkle: It was a lot of fun, and we also had an amazing view of the Caribbean. Plus, Linky cooked up some hotdogs and hamburgers, and gave the newborns baby food and apple juice, and he also had a cooler full of ice-cold drinks.

Me: Nice one. Plus, if your dad saw you cooking on the grill, he would be so proud of you.

Lincoln: I learned a lot about cooking, not only from Dad, but from everyone I've met in the last six and a half years.

Nico: Whoa, you know, you know, you might be considered a Jack-Of-All-Trades, Linc.

Lincoln: Yeah, which means not only am I a good comic book writer/reader and video gamer, but I'm also good at the things I've learned from everyone around me, Nico. So, how have things been at home? I can guess something wild happened, right?

Nico: Heh, funny you should mention that, Lincoln. Remember when we got Ronnie Anne's Abuelo to gossip again? Well, we decided to have him use his Chisme addiction, but it would be to embarrass the jerks we got chained up at your Dad's restaurant. First, we take all of the revelations and rumors of the jerks and tell her Abuelo, and knowing he wants to repeat it, he says it out on the intercom for

all to hear, and everyone laughs hysterically, embarrassing the jerks.

Lincoln, his harem, and his kids laughed hysterically.

Ronnie Anne: Oh man, we should've thought of that long ago. So, what rumors did you fill Abuelo with?

Nico: Ooh, for Flip, we heard some really embarrassing rumors from Ms. Rita, and it turned out Flip's not as cool as they say he is: he's a klutz who's bad at sliding entrances, he tried to flirt with one of the girls at his high school, but she slugged him in the face and gave him a black eye, and he thinks of himself as a cool tough guy, but he's a moron with no education and he's really gross.

They laughed.

Lincoln: That sounds like Flip alright.

Me: And when Mr. Casagrande told everyone, Flip cried like a little baby.

Ronnie Anne: Ouch, Flip definitely got hit hard by Abuelo's gossip.

Nicholette Torrington: Nothing hurts like gossip, along with getting pulverized. So, who pulverized Flip after Mr. Casagrande blurted out the chisme?

Nico: This time, it was Timmy Turner, Danny Phantom, SpongeBob, and Jimmy Neutron.

Lincoln: Whoa, now that's awesome. What did they each do?

Nico showed the video to them, and they saw Timmy blasted him with energy blasts and his mage's staff and that caused Flip to fart out coins and jewels, Danny put a funnel in Flip's mouth and poured a gallon of milk down his throat, and because Flip's lactose intolerant, he farted out coins and jewels like crazy, SpongeBob poured a gallon of superhot volcano sauce down Flip's throat, and he belched and farted out fire like crazy, along with jewels and coins, and Jimmy blasted him with lightning, electrocuting him and he farted out coins and jewels again.

Lincoln: Brutal, that'll teach that fat, smelly, greedy cheapskate a lesson. Ooh, it's already getting late, we're going to enjoy the rest of our day before heading for bed. See you tomorrow for our next web chat, gang.

Nico: You got it, Linc. See you guys tomorrow.

We said our goodbyes, and Lincoln ended the video chat, as he, his harem, and his kids enjoyed the rest of their day before heading off to bed, but their vacation is just beginning.

SEPTEMBER 19TH, 2022

---

Underwater in the ocean near the Mariana Trench was me, Varie, Misty, Himiko and Eli.

Me: So we're heading to the edge of the Mariana Trench.

Varie: Yeah looks like it.

?: HELP!

We went to the edge of the cliff and then we saw 4 mermaids holding on!

Eli: Oh no!

Me and Eli swam down and then got them out.

Misty Tredwell: That was close!

Himiko: Yeah.

We met the 4 elemental mermaid sisters.

Fira the Fire Mermaid

Watera the Water Mermaid

Terra the Earth Mermaid

Skyla the Air Mermaid.

They were mermaids I met before the team formed.

Fira: Thank you J.D.

Watera: You saved us.

Me: No problem and it's great to see you girls.

Skyla the Air Mermaid: Same here.

We went back home.

Later we were at the park and relaxing and Horsea was lonely.

Horsea: (Sad sigh)

Arixam: Oh Horsea it'll be all right.

Horsea: I know. I just miss Maria.

Arixiam: She'll be back soon Horsea. I am her Nobody after all.

Qin: Yeah cheer up Horsea. Maria will be back.

Nico: Yeah Horsea.

Horsea: I know. But I miss her bad.

Me: We miss them too. But just give it some time.

Horsea: Okay.

At the Caribbean, Lincoln, his harem, and his kids woke up, and after having breakfast and their work-out in the mobile gym, they went out to the beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

His harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble, and his kids were dressed in swimsuits, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Thunder Sparkle: Wow, the beach here in the Caribbean is so awesome!

Lincoln: It sure does, and we're going to have a lot of fun out here, Thunder Sparkle.

Lily the Mermaid: And with it being such a beautiful sunny day outside, this is truly perfect.

Lincoln: You said it.

Lincoln, his harem, and his kids had some fun by diving into the water, and they were swimming, and they also saw the marine life there, and the clones of Starlight Glimmer, Rarity, and Fluttershy were also spending time with their newborn infants, and it was cute. They also had a swimming race, and they also had a lot of fun, and they had a game of volleyball and the girls in Lincoln's harem got a massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, when lunch arrived, Lincoln summoned a cooler filled with ice and inside it were ice cold drinks, he also summoned a grill and he grilled up some hot dogs and hamburgers, and he also gave his newborn kids baby food and apple juice.

Then, Lincoln made clones of himself, and he and the clones went up to the girls in his harem, and he wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and they came back inside and were back in their original clothes, and then, they ordered room service for dinner. Then, after they ate, Lincoln got his laptop out and when he activated the webcam and contacted us, we were ready.

Nico: Hey, Lincoln.

Lincoln: Hey, Nico, hey guys.

Me: Looks like you guys are having a lot of fun in the Caribbean.

Paige: We sure are, and we got our third day started by going to the beach.

Twilight Sparkle: It was a lot of fun, we saw the marine life underneath the sea, and we also had a swimming race and a game of volleyball.

Phoenix Shimmer: Yep, plus, Mom, our aunts, and all the rest of the girls in Dad's harem got a very massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned, while we cheered.

Nico: (Snickers) Just hope there weren't any other girls watching, otherwise, they're going to be all over him.

Paige: They'll have to get past us first!

Nicole: I like that determination, Paige.

Rarity: Indeed. Plus, Linky cooked up some hotdogs and hamburgers, and gave the newborns baby food and apple juice, and he also had a cooler full of ice-cold drinks.

Me: An awesome beach lunch after some time in the water and the sun, just like our beach party when we got rid of Xehanort.

Lincoln: Yep. Plus, we ended that day with a romantic kiss and hug.

Nico: Was it when the sun was about to set?

Lincoln: You guessed it, Nico. So, how have things been back at home? I can guess something wild happened, right?

Lori: Heh, funny you should mention that, Lincoln. We went to Great Lakes City, and Ronnie Anne's family have been trying to keep Mrs. Casagrande from finding out about them eating those tamales they got at the tamale truck.

Lincoln, his harem, and his kids were intrigued, but this also got Ronnie Anne's attention, and she knew what Lori was talking about.

Ronnie Anne: Uh oh, I think I know what you were talking about, Lori, this happened to us long ago. See, Gabby, the woman driving that tamale truck was using Abuela's recipe for tamales.

Nico: What, since when does your Abuela give out her recipes?

Ronnie Anne: Well, it turns out Abuela and Gabby made a little swap. Gabby's husband owns the local hardware store in Great Lakes City, so, Gabby got the recipe, and Abuela got a lifetime discount on tools.

Nico: Talk about an awesome business deal.

Lincoln: You said it. Hey, wait, I remembered you telling me about this, Ronnie Anne. And didn't Sergio try to blackmail all of you?

Nico: He did what?!

Ronnie Anne: Yep. See, Sergio knew we were trying to keep it a secret from Abuela, because if she found out, we were in serious trouble, and Sergio saw it as a way to get what he wants. He made us his slaves and he made us get him a lot of stuff, and in our desperate bid, we tried to ship him off to Peru. But, it was too late, we had to tell Abuela, and she laughed. But, when we found out it was her recipe, we freaked. But, she explained everything to us, so we breathed a sigh of relief. But, Sergio wasn't lucky, he got in big trouble with us, and we made him serve us as payback.

Me: And that was one of the many crucial pieces of evidence needed for his trial last year.

Lincoln: He had it coming alright. Ooh, it's already getting late, we're going to enjoy the rest of our day before heading for bed. See you tomorrow for our next web chat, gang.

Nico: You got it, Linc. See you guys tomorrow.

We said our goodbyes, and Lincoln ended the video chat, as he, his harem, and his kids enjoyed the rest of their day before heading off to bed, but their vacation is just beginning.

SEPTEMBER 20TH, 2022

In a huge cave was me, Jared, Carly Atlas, Applejack Shadow Clone and Himiko and we saw that it was an amazing cave.

Me: Wow! (ECHOING)

Jared: This cave is amazing.

Carly Atlas: It sure is amazing.

Applejack: Incredible.

Himiko: No kidding. It must've taken years to make it.

Me: Yeah no kidding.

Then we heard a roar and then we saw a big room and we saw 6 dragons and they were for Fire, Water, Earth, Wind, Light and Darkness.

Me: The Sadeness Sisters! I knew they were here.

We saw them battling another evil dragon.

I fired an energy blast and blew him to pieces and got a Dragon Energist.

Me: Got it.

We met The Sadeness Sisters

Fira Sadeness - Fire Dragon

Nereid Sadeness - Water Dragon

Crystal Sadeness - Earth Dragon

Kaze Sadeness - Wind Dragon

Hikari Sadeness - Light Dragon

Noir Sadeness - Dark Dragon.

These are friends of mine that I have known in my days of studying elemental magic and how I've mastered the arts of magic of the elements. They are powerful girls that were born with the powers of the elemental dragons.

Fira Sadeness: That was awesome! Thanks J.D.

Me: You're welcome Fira.

Himiko: It sure was cool.

We later went back home.

KRABBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOMMMM!
KRABBBBBOOOOOOOOMMMM!

Massive explosions were blasting out as we were battling all the foot soldiers in the tens of millions from over the course of 46+ years!

Me: HIYAH!

I fired massive waves of energy and destroyed millions of them in a fiery stream of explosions!

Qin: YEEHAW! TAKE THAT!

Nico: There's so many of them!

But then the rest of the Footsoldiers were destroyed with ease in a massive fiery red fire explosion and then we saw a figure in the red flames and we saw that it was THE REAL AKARED RANGER!

Me: WHOA! The AkaRed Ranger!

Qin: Wow!

AkaRed: Looks like you guys put up quite a fight.

Me: We sure did and you saved us a lot of effort. We owe you one.

AkaRed: Not a problem.

Right: But it's awesome to meet you.

Connor McKnight: You helped our Japanese Counterparts out and that was awesome.

Me: I remember seeing that. That was so cool.

AkaRed: It sure was. I'm glad I was able to help out.

Nico: How would you like to join the team?

AkaRed: I would be honored.

* * *

At the Caribbean, Lincoln, his harem, and his kids woke up, and after having breakfast and their work-out in the mobile gym, they went out to the beach.

And this time, Lincoln got out his large orange surfboard, and he also made surfboards in the colors of his harem and kids.

Thunder Sparkle: What are we doing here on the beach again, Dad? And what's with the surfboards?

Lincoln: You already know the story of how I did the Reverse 720 Topside Surf in Hawaii on our global trip?

His kids nodded.

Lincoln: Well, today, we're going to do some surfing, and you're going to see The Reverse 720 Topside Surf for yourselves.

This amazed them.

Lily the Mermaid: Trust us, when we saw it, it was really incredible.

Lincoln, his harem, and his kids had some fun by getting on their surfboards and they got into the water, and they were surfing, while the clones of Starlight Glimmer, Rarity, and Fluttershy were also spending time with their newborn infants, and it was cute. Then, they saw Lincoln do The Reverse 720 Topside Surf, and the girls who hadn't seen it were awestruck.

Camille Xui: Incredible.

Then, they got back on the sand and they had a game of volleyball and the girls in Lincoln's harem got a massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Paige: We sure are, and we got our fourth day started by going to the beach, this time, we did some surfing, and not only did we have fun, but Linky did The Reverse 720 Topside Surf, and his kids and those who hadn't joined his harem were really awestruck.

Camille Xui: It was so incredible, we didn't know Linky was also an awesome surfer, but he does have his reputation as The Big Kahuna in Hawaii, and he won The Big Kahuna contest on the global trip you all took.

Phoenix Shimmer: Yep, plus, Mom, our aunts, and all the rest of the girls in Dad's harem got a very massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned, while we cheered.

Lincoln: Yep. Plus, we ended that day with a romantic kiss and hug.

Nico: Was it when the sun was about to set?

Lincoln: You guessed it, Nico. So, how have things been back at home? I can guess something wild happened, right?

Luna: Heh, funny you should mention that, dude. We went to Great Lakes City, and Ronnie Anne, we met your Grandpa Danny.

Ronnie Anne: You did?! That's so awesome!

Nico: He was definitely an awesome man, Carlota told us he's a motorcycle movie stuntman, and he's also really strong too, we saw him lift up his motorcycle, and he was honored to meet us.

Me: Plus, he was also happy to see his daughter again, along with his son-in-law.

Ronnie Anne: That's so awesome.

Nico: But, here's where it got crazy: your Abuelo got really jealous, and he sparked a big competition between him and Grandpa Danny: such as drinking hot sauce, which your Grandpa Danny won, the prune juice drinking contest, which your Abuelo won, even mustache arm wrestling, and your Grandpa Danny won and tore your Abuelo's mustache off.

Ronnie Anne: Ouch.

Lincoln: You said it.

Nico: But, it came to an end, as they both proved to be awesome grandparents to you guys.

Ronnie Anne: That's really awesome.

Me: And Sergio wasn't able to cause trouble or start any drama.

Ronnie Anne: I hope Abuela kept him locked up in his cage again, because the last thing we'd want is for him to cause trouble again.

Lincoln: You said it, Ronnie Anne. Ooh, it's already getting late, we're going to enjoy the rest of our day before heading for bed. See you tomorrow for our next web chat, gang.

Nico: You got it, Linc. See you guys tomorrow.

We said our goodbyes, and Lincoln ended the video chat, as he, his harem, and his kids enjoyed the rest of their day before heading off to bed, but their vacation is just beginning.

SEPTEMBER 21ST, 2022

In the 7th Circle of Hell - Violence was me, Jared, Misty Tredwell, Beatrice and Sirius.

Me: Whoa so the next rescue is in Hell this time.

Jared: Always scary coming here.

Misty Tredwell: It sure is.

Beatrice: Yeah no kidding.

Sirius: Scary is right.

We heard screaming everywhere as we walked through the Abominable sands.

Me: Scary.

Then we saw an Angel with black angel wings and she had black clothes and black hair.

Me: (Gasp) Galeia!

Galeia: J.D.?

Galeia is a dark angel that fell from heaven and has the powers of all the elemental forces of nature. Her power is as strong as mine and she is a friend that I know from my past from Chemistry.

Galeia: Is that you?

Me: It sure is.

Galeia: J.D.!

She hugged me and cried hard.

Me: It's okay Galeia.

Sirius: Lets get out of here.

Later we were at the park resting and then we heard maniacal laughter.

Qin: Uh oh!

Me: Oh boy. I hope that's an escaped Lunatic running amok.

But to our shock we saw that it was Mac and he was going bonkers!

Me: What the hell is wrong with Mac!?

Lucy Loud: GASP! He's having a Sugar Rush episode.

Me: Sugar Rush?

Terrance: Yeah he gets this way whenever he has sugar. Mom never let him have any. Even the smallest amount drives him bonkers.

Me: Well shit! Who in their right fucking mind would give Mac some sugar!?

Nico: One guess.

We looked at Bloo who was smirking.

Bloo: I gave him some candy.

Me: BLOO!

Nico: Bloo you dummy!

Qin: YEAH!

I went and grabbed Mac and held him!

Qin: Hold him!

He was strong and I snapped my fingers and he was back to normal and had a massive headache.

Laney: That was crazy.

Qin: Yeah.

Fiona Hernandez: I didn't know this happens to Mac whenever he eats sugar.

Mac: (GROANS) Bloo! You dummy!

Bloo: I wanted you to get out more and have fun.

Me: Not with sugar Bloo.

At the Caribbean, Lincoln, his harem, and his kids woke up, and after having breakfast and their work-out in the mobile gym, they went out to the beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

His harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble, and his kids were dressed in swimsuits, sandals, jewelry, and they also had their weapons holstered in case of trouble.

But, they also got word earlier this morning from me and Nico: today's a weightlifting and strength competition in the Caribbean, and they also got word that blowhard, Hunk Hardbody, is here again, and he wants revenge on Lincoln for humiliating him in that weightlifting competition last year, sore loser. But, we saw a smirk on Lincoln's face: we knew Lincoln was going to humiliate that sore loser again, and we also gave him the same smirk as well, and we told him to show him no mercy.

Thunder Sparkle: This is going to be one awesome competition, Dad's going to cream that muscle-headed blowhard.

Lincoln: Now, now, Thunder Sparkle, I'm only doing this for fun. But, I've also took extra precautions, I called Droopy, Dripple, Ms. VaVoom, Tex Avery McWolf, and Tom and Jerry Kids McWolf, and they're ready to beat him up if he comes after us like a raging bull, and Tex Avery McWolf and Tom and Jerry Kids McWolf will also take him to The Masters of Evil's HQ after I beat him in the competition.

Phoenix Shimmer: Ooh, now that's a good idea, Dad.

Lincoln: And I think I know who that blowhard's archenemy is going to be: the DC Super Hero Girls version of Wonder Woman.

Lily the Mermaid: That's an excellent idea, Linky, since our Wonder Woman already has Kite Man as her archenemy.

Lincoln, his harem, and his kids got to the competition, and when Hunk Hardbody showed up and he was out for revenge, Lincoln was more than ready for him, and his harem and kids were cheering him on, and Droopy, Dripple, Ms. VaVoom, Tex Avery McWolf, and Tom and Jerry Kids McWolf were ready for him.

The first part of the competition was dragging a heavy vehicle with a belt tied around their waist, Hunk went first and dragged a monster truck, Lincoln went next, and everyone was really beyond stunned when they saw Lincoln drag a huge 18-wheeler truck filled up with tires and he went further than Hunk Hardbody, and Lincoln won the first part. The second was tossing a heavy anchor: Hunk went first and his anchor landed with 200 yards, Lincoln went next and he tossed his anchor and it landed with a whopping 5,000 yards into the ocean, and Lincoln won the second part.

Camille Xui: (Stunned) Incredible.

The girls in his harem had a massive and extreme deep atomic red blush and were really blushing like crazy upon seeing their man's infinite and extremely immense brute superhuman strength. The last part of the challenge was weightlifting, Hunk went first and he lifted a 2,500-lb barbell, then Lincoln went next, and for this one, he made a barbell with rows of bleachers connected with a titanium steel bar and asked his harem and his kids to sit on them. Once they did, Lincoln gripped the bar with both hands, and with a mighty yell, he lifted up the bar and he raised it above his head, and everyone all cheered wildly, and the judges made their announcement: Lincoln has won the competition, and he was given a trophy and the girls in his harem kissed him all over. This really angered Hunk Hardbody and he was about to attack, until Droopy, Dripple, Ms. VaVoom, Tex Avery McWolf, and Tom and Jerry Kids McWolf jumped him and they attacked him badly. Then, Lincoln grabbed him and squashed him into a ball with his infinite and extremely immense brute superhuman strength, and Tex Avery McWolf made a portal that led to their HQ. Then, Lincoln kicked it, and he went flying into the portal. Droopy, Dripple, and Ms. VaVoom went back to The World Tree Estate, and Tex Avery McWolf and Tom and Jerry Kids McWolf went back to the Masters of Evil's HQ.

Then, after the competition was over, Lincoln, his harem, and his kids had a game of volleyball and the girls in Lincoln's harem got a massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, when lunch arrived, Lincoln summoned a cooler filled with ice and inside it were ice cold drinks, he also summoned a grill and he also grilled up some hot dogs and hamburgers, and he also gave his newborn kids baby food and apple juice.

Then, as the sun was about to set, Lincoln made clones of himself, and he and the clones went up to the girls in his harem, and he wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and as the sun turned orange, they shared a passionate and romantic kiss, and they came back inside and were back in their original clothes, and then, they ordered room service for dinner. Then, after they ate, Lincoln got his laptop out and when he activated the webcam and contacted us, we were ready.

Nico: Hey, Lincoln.

Lincoln: Hey, Nico, hey guys.

Me: Looks like you guys are having a lot of fun in the Caribbean.

Paige: We sure are, and we got our fifth day started by going to the beach, this time, it was for the big weightlifting and strength competition you guys told us about.

Camille Xui: It was so incredible, we saw Linky drag a huge 18-wheeler truck filled up with tires and with a rope tied around his waist, then, he tossed a heavy anchor and landed with a whopping 5,000 yards into the ocean, and finally, he made a barbell with rows of bleachers connected with a titanium steel bar and asked all of us and his kids to sit on them. Once they did, he gripped the bar with both hands, and with a mighty yell, he lifted up the bar and he raised it above his head, and everyone all cheered wildly, and the judges made their announcement: Linky won the competition, he was given a trophy and we kissed him all over.

Nico: Awesome! We saw the whole thing on TV, and we were really cheering wildly for him.

Me: We sure were, and Lincoln, you really are one extremely strong and tough man.

Lily the Mermaid: (Kisses Lincoln on the lips) But, he's our tough and extremely strong manly man.

Phoenix Shimmer: Yep, plus after the competition, we had our fun at the beach, and Mom, our aunts, and all the rest of the girls in Dad's harem got a very massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned, while we cheered.

Rarity: We were still blushing like crazy because of it.

Lincoln: Sorry about that, Rares.

Rarity: (Kisses Lincoln on the cheek) That's okay, Linky, besides. Plus, we ended that day with a romantic kiss and hug.

Lincoln: Yep. So, Nico, how have things been back at home? I can guess something wild happened, right?

Lynn: Heh, funny you should mention that, Lincoln. We got into a bit of a fight with Sancho and his pigeon pals again.

Ronnie Anne: Oh no, were they still miffed at us for what we did in ruining Sergio's party animal rep last year?

Lynn: Yep, but don't worry, we sent them flying into a laundry basket full of dirty jockstraps and stinky socks, and I gave them a Dutch Oven, and they stunk like bad, and they were sent flying home to Great Lakes City, but the people smelled them and whew, they stunk.

Ronnie Anne: Gross. But, they deserved it, and whew, that really stinks!

Lincoln: Even better than throwing stink bombs at them, nice one, Lynn.

Me: We had gas masks on for that one, P.U.!

Nico: P.U. is right, J.D., and that might be a perfect humiliation for the jerks. Plus, we got word from Vypra that Hunk Hardbody's now in The Masters of Evil.

Lincoln: Yep, and that was after I beat him in the competition. Ooh, it's already getting late, we're going to enjoy the rest of our day before heading for bed. See you tomorrow for our next web chat, gang.

Nico: You got it, Linc. See you guys tomorrow.

We said our goodbyes, and Lincoln ended the video chat, as he, his harem, and his kids enjoyed the rest of their day before heading off to bed, but their vacation is about to end in two more days, but they're going to make the most of those last two days.

SEPTEMBER 22ND, 2022

---

At a scary haunted castle was me, Brittney, Carly Atlas, Laney and Princess Luna.

Carly Atlas: This castle is scary.

Laney: It gives me the creeps.

Me: It sure does.

Brittney: Lots of spirits here.

Princess Luna: I can feel it.

Then we saw 2 figures and they were the Zodiarts for Indus The Indian and Lacerta the Lizard!

Me: (GASP) The Zodiarts for Indus The Indian and Lacerta the Lizard.

Laney: Wow!

Indus Zodiarts: (In a girls voice) Its been a while J.D.

Lacerta Zodiarts: (In a girls voice) Yeah.

They reverted back and we saw that the Indus Zodiart was a girl with purple hair and green Japanese clothes and she had the symbol for Indus the Indian on her right arm and the other had aqua blue hair and blue clothes and had the symbol for Lacerta the Lizard on her right arm.

Me: (GASP) Laniya Gatorton and Anasazi Meadow Littlefield!

Anasazi Meadow: Its been a long time J.D.

Me: Same here.

Anasazi Meadow is from the Anasazi Indian Tribe in Southwestern Colorado and she is a very powerful spiritual shaman and knows so much about the spirits of the Anasazi. She is also a very powerful magic master and I helped her and her tribe many times in the past.

Laniya is an awesome Alligator Wrestler that I know all the way over in Florida and she knows how to wrestle the toughest of gators and even crocodiles. She also has the ability to talk to animals and even is an awesome world famous champion of Alligator Wrestler.

Carly Atlas: It's awesome to meet you girls.

I went over and purified their Zodiart switches and they formed into swords of Indus and Lacerta and we later went back home

At the Caribbean, Lincoln, his harem, and his kids woke up, and after having breakfast and their work-out in the mobile gym, they went out to the beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

His harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble, and his kids were dressed in swimsuits, sandals, jewelry, and they also had their weapons holstered in case of trouble, and today was their last day of vacation here in the Caribbean.

Thunder Sparkle: So, this is it, today's the last day of our vacation.

Lincoln: That's right, and we're going to have a lot of fun out here on our final day of vacation here, Thunder Sparkle.

Lily the Mermaid: And with it being such a beautiful sunny day outside, this is truly perfect.

Lincoln: And we'll also surprise Nico and the gang when we head home tomorrow, Lily. Shall we have our last day of fun, everyone?

Paige: Let's make this last day of vacation one to remember.

Lincoln, his harem, and his kids had some fun by diving into the water, and they were swimming, and they also saw the marine life there, and the clones of Starlight Glimmer, Rarity, and Fluttershy were also spending time with their newborn infants, and it was cute. They also had a swimming race, and they also had a lot of fun, and they had a game of volleyball and the girls in Lincoln's harem got a massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, when lunch arrived, Lincoln summoned a cooler filled with ice and inside it were ice cold drinks, he also summoned a grill and he grilled up some hot dogs and hamburgers, and he also gave his newborn kids baby food and apple juice.

Then, as the sun was about to set, Lincoln made clones of himself, and he and the clones went up to the girls in his harem, and he wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and as the sun turned orange, they share a passionate and romantic kiss, and they came back inside and were back in their original clothes, and then, they ordered room service for dinner. Then, after they ate, Lincoln got his laptop out and when he activated the webcam and contacted us, we were ready.

Nico: Hey, Lincoln.

Lincoln: Hey, Nico, hey guys.

Me: Looks like you guys are having a lot of fun in the Caribbean.

Paige: We sure are, and we got our last day started by going to the beach.

Twilight Sparkle: It was a lot of fun, and we made it one to remember.

Phoenix Shimmer: Yep, we sure did, plus, Mom, our aunts, and all the rest of the girls in Dad's harem got a massive and extreme deep atomic red blush when they saw him lift a 900,000,000,000,000-lb barbell he summoned, while we cheered.

Nico: (Snickers) Just hope there weren't any other girls watching, otherwise, they're going to be all over him.

Rarity: We were still blushing like crazy because of it.

Lincoln: Sorry about that, Rares.

Rarity: (Kisses Lincoln on the cheek) That's okay, Linky, besides. Plus, we ended that day with a romantic kiss and hug.

Lincoln: Yep. So, Nico, how have things been back at home? I can guess something wild happened, right?

Me: Funny you should mention that, Lincoln, we had trouble: Mundus' minions went on the attack, but Sherlock Hound went out there and he viciously killed and slain every last one of Mundus' evil minions, and to make things worse for Mundus, Sherlock Hound also created and fired dragons made of demonic darkness and demonic energy, which wiped out the remnants of Mundus' minions and he sent their souls to The Black Gates.

Lincoln: Whoa!

Sunset Shimmer: That was incredible. Wait a second, this also means Sherlock Hound's going to…?

Sherlock Hound: (British Accent) Transform, yes, I am. And this'll be for when we get after Mundus, and like I said, he will pay for the crimes that he's committed against mankind for over two millennia, and he'll also have a look of horror on his face frozen on his face when I kill him in the cruelest and merciless way imaginable. (Blood red eyes turn neon blood red)

Starlight Glimmer: Oh boy, the mannerism of the Victorian gentleman has been replaced by the wrath of the god-like demon.

Nico: Yeah, that was really dark, even darker than the time you threatened to end Greasepit's life.

Sherlock Hound: (British Accent) My apologies, Nico, but it looks like I can't keep the rage inside me restrained any longer.

Sparda: (Through the Large Red Jewel) And I can understand your anger, what Mundus did those two millennia ago can never be forgiven, along with what he did to Eva.

Lincoln: Don't worry, you two, come tomorrow, when we come back home, after Nico's rescue, we're going after Mundus, and he's going to pay for everything he's done.

Eli: Awesome.

Lincoln: He'll pay for every last one of his heartless actions.

Sherlock Hound: (British Accent) In his own blood. (Sees that it's gone dark in the Caribbean) And it's finally gotten late.

Lincoln: It sure has, we're going to enjoy the rest of our final day before heading for bed. See you tomorrow when we head back home, gang.

Nico: You got it, Linc. See you guys tomorrow.

We said our goodbyes, and Lincoln ended the video chat, as he, his harem, and his kids enjoyed the rest of their day before heading off to bed, and then, tomorrow, they're coming back home.

---

At the Caribbean, Lincoln, his harem, and his kids woke up, and after having breakfast and their work-out in the mobile gym, they had their bags packed and they were ready to come back home.

Lincoln: That was an awesome six-day vacation we had, and we deserved it after the mess with The Doomsday 23 and The Church of Necrom, now that we're fully rested and relaxed, I can't wait to head back home.

Paige: Same here, Linky.

Nicholette Torrington: And we heard all of the crazy stuff the rest of the team went through, but the attack by Mundus, that's just going too far.

Lincoln: Yeah, but like I said, Mundus is going to pay for his crimes today, and we'll be rid of him for good.

Bertha Sellington: Sherlock Hound got rid of most of Mundus' army, but he's bound to have more of them in the world of Devil May Cry, so we need to be on guard.

Lincoln: Yeah, and Mundus is also a very powerful demon, so we have to give it everything we got when we go after him after Nico's rescue. Alright, everyone, let's head home.

Lincoln paid the hotel manager, and he opened a portal, and he, his harem, and all his kids stepped in, and the portal closed. Then, the portal opened up right at Lynn's Table where we were at, and we saw who it was that came out: it was Lincoln, his harem, and his kids.

Nico: Lincoln!

Lincoln: Nico! Everyone, we're back!

Nico ran up to Lincoln, and Lincoln really gave Nico a strong hug.

Me: Welcome home guys.

Nico: Whoa, now that was a really strong hug!

Lincoln: Well, we also kept up our workouts in the mobile gym.

Me: Nice.

But, the jerks were gagging, and Flip was already losing his mind.

Lincoln: And it looks like we showed up just in time, were you guys humiliating the jerks?

Lynn: Yeah, we were, and Flip was saying he hoped you guys got eaten by sharks. We also got it all on tape.

Lynn played the tape, and when it was done, Lincoln, his harem, and his kids glared at Flip, and that fat cheapskate knew he was a dead man.

Lincoln: Oh, he did, did he?! Girls, if you would.

Sheena Kagari: Gladly.

Lincoln's Guardian Angels piled on and they attacked Flip brutally, as he screamed in so much pain and agony, and he belched and farted out tons of gold coins and jewels, and when they were done, Flip was badly mangled. Then, Lincoln fired a powerful stream of rainbow super lightning and the stream electrocuted Flip so much, he farted out tons of gold coins and jewels, and we laughed when we saw Flip's mustache and hair frizz out.

Me: Oh man, now that was a good one, and we're glad you guys are back, Lincoln.

Lincoln: It's good to be back, J.D.

Nico: Lets get you guys unpacked and then head out on my rescue after you guys rest up. After we pick up Maria, William, Liam and Carmen from the airport.

We went and picked them up.

Maria: Good idea. We had a long flight.

Me: Yeah. Lincoln you missed an awesome wedding.

Lincoln: You'll have to show it to me later.

We went back home and got everyone unpacked and settled in and rested up.

Later it was time for another rescue as Nico, The Ripping Friends, Princess Frosta, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Maria, Kaalia of The Vast, me, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Girl Jordan, Earth, Vinyl Scratch, Beast Wars Inferno, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily are heading to a mysterious crystal castle located in the mountains of Colorado and it just suddenly appeared out of nowhere.

Me: I hope this Crystal Castle is amazing.

Nico: Yeah I have a feeling it will be cool.

Qin: Same here.

Nico: Thanks for coming with me, Frosta.

Frosta: Anytime Nico. It's gonna be awesome going with you on a rescue.

Qin: It always is fun.

Nico: Remember when we first met?

Frosta: I sure do and that was when you guys all came and battled Hordak.

Qin: That was so much fun.

Camie: What was that like?

Me: It was awesome Camie. I unlocked my Super Angel 25,000,000 transformation during that one.

I went over what happened with the events of Chapter 1215 and it was awesome. When I was done everyone was amazed!

Camie: Wow! That is cool!

Ibara: Wow! I'm glad you guys destroyed HOrdak.

Nico: We sure did.

Lincoln: Yeah that was awesome.

Nico: And before that, Steve thought he was going to Hogwarts!

Me: I remember that! Those fucking Drug Dealers got what was coming to them too.

Eli: That was crazy! I can't believe that Steve got cocaine from them.

Qin: Yeah no kidding!

Camie: Steve was that gullible huh?

Laney: Yeah he sure was.

Varie: No kidding there.

Lana: But it's good that we stopped those drug dealers.

Maria: That was nuts.

Nico: No kidding there.

Laney: Yeah.

Me: But before that I was really busy saving people. I saved Cecilia from being stuck in a well with a broken leg, saved a baby from falling down a cliff and saved a bunch of elderly people from falling from a balcony that broke off.

Nico: I remember that. That was awesome.

Eli: You were in the right places at the right times bro.

Me: Yeah I sure was.

Camie: That was awesome!

Sirius: Yeah it sure was.

Nico: It's good to have you back, Maria

Maria: It's great to be back Nico. We had so much fun in Bora Bora.

Qin: Glad you guys had a great time.

Lincoln: We had a great time too.

Me: You sure did buddy. It's awesome to have the whole team back together.

Nico: Yep.

Eli: And now the AkaRed Ranger is with us too.

Lincoln: That's so awesome!

Sunset Shimmer: That is amazing that AkaRed is with us now.

Me: At least it's not Another AkaRed.

Lola: Yeah but it's awesome still.

Nico: Thank God the Poromon clones are somewhere else.

Lincoln: I heard all about that. So Poromon and the mascots missed us that badly huh?

Maria: Yeah they sure did.

Me: But I sent the clones to the Digital World.

Qin: It was a smart idea though.

Camie: Yeah it sure was.

Xenia: We're glad that went through instead of blasting them with bullets.

Qin: Yeah no kidding.

Nico: Poromon wanted to kill the ones who knew the way home before stranding the rest in a cornfield.

Me: Yikes.

Qin: Yeah. But thankfully it was best to send them to the Digital World.

Nico: Yeah no kidding.

Laney: Yeah.

Nico: Oh we're here.

We saw the Crystal Castle and it was a beautiful crystal castle made of many kinds of crystal and jewels and it sparkled like a million prisms and diamonds in the sunlight. And it was all the way up on top of Mount Lincoln near Alma, Colorado.

Me: Wow! That is a beautiful castle!

Qin: Wow!

Me: And it's located on top of Mount Lincoln in Mosquito Range.

Nico: It's beautiful!

Rarity: Oh this crystal castle is absolutely magnificent darlings.

Nico: I wonder who lives here.

Me: I hope nobody does.

We went into the castle and it was like something out of a beautiful picture. It was made entirely out of crystal and jewels. And it was so dazzling and beautiful.

Haruto: Wow! This is amazing!

Qin: It sure is.

Eli: This is amazing. It's so breathtaking.

Camie: The crystals are so translucent and beautiful that the sun is making rainbows everywhere.

Lily: It sure is magnificent.

Nicole: Boy I'll say. It's like something out of a movie.

Nico: Yeah. This would make an awesome vacation spot up here too.

Me: It sure would.

Nico: Anyone home? (Echoes)

Beast Wars Inferno: No one appears to be home royalty.

Nico: But you are right about one thing. This definitely would make an awesome crystal vacation home fit for a king and queen.

Twilight Sparkle: Just like my castle back home.

Himiko: Yeah no kidding. But whoever made this castle before sure has awesome taste.

Aylene C.: They sure do.

Littlefoot: I agree.

Me: But whoever made this castle is really amazing and artistic.

Rarity: And it's simply amazing darlings.

Camie: It sure is.

Sunny Starscout: It sure is incredible that someone made this castle.

Laney: Yeah.

Nicole: It's amazing.

Maria: I'm really glad to be home and with you guys again.

Me: We are too Maria.

Lincoln: Same here.

Rarity: But this castle is absolutely amazing darlings.

Qin: Boy it sure is. J.D. have you ever seen a castle like this here in your old home state?

Me: To be honest Qin no I didn't. But it's really amazing.

Eli: It sure is.

Maria: Did Horsea really miss me that much?

Me: She sure did. And so did Poromon and the mascots.

Nico: Yeah. Poromon made clones of himself to fill in the voids from you and Lincoln and his harem.

Maria: Oh I didn't know we would be missed that much.

Me: But we sent the clones to the Digital World.

Camie: It was really genius and peaceful.

Rarity: It sure was darlings.

Me: Yeah it was.

Nico: So, how does it feel to be married?

Maria: It's the best feeling ever Nico.

Qin: And we're so happy for you too Maria.

Me: I am too. Lincoln are you happy for Liam and Carmen too?

Lincoln: I sure am J.D. Liam is so lucky to have Carmen with him.

Maria: And I know he will make my sister happy.

Camie: We all do.

Izzy Moonbow: We sure do and it's going to be amazing!

Pipp Petals: Yeah and it's gonna be so awesome!

Laney: It sure is Pipp.

Nico: If you ask me, that wedding was overdue.

Maria: Maybe so. But the War was a great victory setter for it too.

Me: That's true. We did have Carly and Jack's wedding after saving the world after that massive asteroid.

Nico: That's true. We sure did. That was so awesome.

Qin: It was so fun.

Varie: It sure was.

Camie: Yep.

Me: It's always so fun to have weddings and big events like that after big major battles like that.

Nico: It sure is.

Laney: Yeah.

Nico: And those songs at the wedding were great!

Me: They sure were. Especially with me singing that song for Sailor

Moon.

Qin: Yeah that was so epic!

Maria: Yeah! I loved it how you destroyed clones of Sailor Moon's dangerous enemies.

Nico: That was so awesome!

Eli: Yeah it was!

Me: And its been spreading all over social media like wildfire.

Camie: It sure has.

Pipp Petals: Oh my glitter it's so awesome!

Varie: Yeah. Lincoln did you see it?

Lincoln: No.

I showed the video of the wedding and the action we did there and it was epic.

Lincoln: WHOA!

Starlight Glimmer: That is so awesome!

Xenia: It sure was.

Nico: Oh, and also confirmed to be backup core members are Celeste, Jazz Hooves, Hikari and Hisami, Isamu, Sanata, Aka Red, Dahlia, Leafa, Beatrice Moerushin'en, and Posey.

Me: Good idea!

Pipp Petals: Oh my Glitter! Jazz is going to love it.

Sunny Starscout: Same with Dahlia and Posey.

Hitch Trailblazer: I agree. They will love it.

Rarity: Yeah they will! And J.D. did Mac really go through a crazy sugar rush?

Me: Uch! You have no idea Rarity and we weren't even aware of this condition that Mac has.

Lucy Loud: Mac told me about it but I forgot to tell you about it.

Laney: Yeah even the tiniest bit of sugar causes Mac to go crazy.

Pinkie Pie: Boy that is what I call Sugar Bonkersville!

We laughed.

Me: That is funny. But it's crazy.

Nico: It sucks that Mac can't even enjoy chocolate without going crazy.

Me: I know. That sucks bad.

Qin: Yeah no kidding.

Me: But it was awesome that we also met the real AkaRed ranger too.

Lincoln: You guys met AkaRed!?

Me: We sure did Lincoln. Millions of footsoldiers from over 46+ Years came at us and AkaRed helped us and destroyed them.

Nico: That was so awesome.

Me: Yep. Darn shame there aren't anymore rangers like that for the other colors.

Eli: Yeah darn shame!

Me: Yeah what a ripoff. It would be so awesome to see that.

Nico: Don't forget he can turn into any Red Sentai Ranger.

Me: I know and that is so awesome.

Lincoln: Yeah it sure is.

Kaito: Now we have one ranger that can turn into the Red Rangers from over the course of 46+ Years.

Me: Yeah that is so cool!

Tsukasa: Just like a version of me.

Me: Yep.

Nico: What's taking the next Another Omnitrix Alien?

But then…

BOOM!

We felt a thunderous footfall!

Qin: Uh oh. I hope that's not a dinosaur.

BOOM!.

Eli: Anybody hear that? It's a um…

BOOM!

Eli: It's an impact tremor that's what it is. I'm fairly alarmed here.

Me: It's coming from outside.

We went outside and then a figure came out and it was 500 feet tall! It was a black version of ULTIMATE WAY BIG!

Me: Oh my fucking shit!

Nico: It's Another Ultimate Way Big!

Eli: That's the biggest one ever!

Me: Time for awesome action! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

I activated Goliath's Ridewatch and went to that ones size!

Me: YEAH!

Nico: WHOA! That is big!

Me: Nice view from up here.

Albedo turned into Negative Ultimate Way Big.

Negative Ultimate Way Big: You're another big one!

Nico: That's the biggest one ever!

Qin: No kidding!

Me: So who is our second Evolved Toku-Star friend?

Another Ultimate Way Big: (In a girls voice) (Japanese Accent) You do know me J.D.

Me: (Gasp) Yuna Kawasaki!

Nico: Wait! THE Yuna Kawasaki the famous basketball star!?

Me: The very same one and she is a great one too. She and I did awesome in basketball championships in school and we dominated the courts.

Nico: That is cool!

Laney: Wow!

Qin: Yeah it is!

Another Ultimate Way Big: But it's great to see you again J.D.

Me: It sure is Yuna. You are the biggest alien we faced from Swartz.

Kaito: (gets out Goseiger gear) Did Swartz promise you anything?

Zocks: (Gets out Shinkenger gear) Because we can grant it instead.

Another Ultimate Way Big: Just to be the greatest Basketball star ever.

Me: You already are a great basketball star. You have what it takes to be a female version of the great Michael Jordan.

Another Ultimate Way Big: I sure do and you always did tell me I have that kind of edge.

Me: And it's definitely true.

Another Ultimate Way Big: Yes it is and I see now that Swartz lied to me.

Me: Yeah. But we can gladly give you some more awesome basketball moves too.

Nico: That's right.

Another Ultimate Way Big: Yeah. Thanks guys.

Me: Sorry we have to fight like this. Also you are the biggest and tallest out of all the Another Omnitrix Aliens we faced.

Another Ultimate Way Big: No arguments there.

Me: Yep. Sorry we have to fight. Lets do it! (ACTIVATES MOONSTONE'S RIDEWATCH)

(SHE'S GOT THE POWER BY STAN BUSH PLAYS)

Me: (SINGING DIVINELY AS THE MOON SHINES BRIGHTLY ABOVE US)

Yeah, yeah!

A crash of thunder

A brilliant flash of light

A battle has begun

And only one will win the fight

Danger in the air

Destroying everything in sight

The time has come to right the wrong

With Prism Power might!

She's got the power

Oh, She's got the power

She's got the power

Yeah, She's got the power

A desperate struggle

The strongest takes it all

The battle rages on

Until the weakest finally fall

A vision fills her heart

And gives her strength that's pure and true

And when it seems that all is lost

She knows what she must do

She's got the power

Oh, She's got the power

She's got the power

Yeah, She's got the power

She's got the power

Oh, She's got the power

She's got the power

Yeah, She's got the power!

(P-p-power)

(She's got the power)

Yeah, yeah

(P-p-power)

(She's got the power)

Yeah…

She's got the power

Oh, She's got the power

She's got the power

Yeah, She's got the power

She's got the power

Oh, She's got the power

She's got the power

Oh, She's got the power!

She's got the power

Oh, She's got the power

She's got the power

Yeah, She's got the power

I fired waves of moonlight and smashed her down.

Me: Good thing I put force fields up all over the area just in case.

Beast Wars Inferno: This is gonna be a battle worthy of the Royalty! Inferno, TERRORIZE!

He transformed!

Kaito got a Megaforce Sword and Zocks got a Samurai Ranger Sword!

Qin: YEAH!

Nico: (gets out Duskmon's Ridewatch) Let's start things off!

Me: Go get her.

Nico activated it.

Nico: (Echoing) LUNAR PLASMA!

Nico fired a moon energy blade and smashed down Another Ultimate Way Big.

Me: Nice one Nico.

Qin: Yeah!

Another Ultimate Way Big got up.

Beast Wars Inferno: Time to burn!

He fired a blast of fire from his blaster.

Me: Whoa careful with that thing Inferno!

Another Ultimate Way Big ducked.

Me: Wow that is awesome. Time for this. This song cracks me up. (ACTIVATES THE EMPTY HEAD SOCIETY'S RIDEWATCH)

(I WROTE THIS BY PATRICK STAR PLAYS)

Me: (SINGING DIVINELY AS FUNNY FACES AND SANDWICHES

SWIRLED AROUND ME)

Twinkle, twinkle, Patrick Star

I made myself a sandwich

My mommy named it Fred

It tastes like beans and bacon

And smells like it's been dead

Writing stuff is hard so I use a pointy pencil

Pointy pointy pointy, pointy pointy point

P.U., what's that horrible smell?

Drum solo!

I have a head, that ends in a point

Pointy pointy pointy, pointy pointy point

This song is over, except for this line:

You win this round

Broccoli

I fired the sandwiches and smashed her down.

Nico: Okay that song is crazy and funny!

Sougo: (gets out Zyouhger Ridewatch) Our turn!

Geiz: (gets out Ninja Storm Ridewatch) Haven't done this for a week!

Sougo got ZyuohEagleArmor while Geiz got NinjaStormRedArmor.

Me: Yeah!

Another Ultimate Way Big: By the way I saw the Wedding of Maria, William, Liam and Carmen. Maria congratulations to you and your sister.

Maria: Thanks Yuna. That means a lot.

Qin: We had so much fun on that one.

Me: They more than earned that wedding after the big war we had last week.

Camie: Yep.

Another Ultimate Way Big: They sure did. And so did Lincoln with his vacation.

Me: Yep.

Sunny Starscout: Lets see what my Ridewatch can do. (Activates Malachite's Ridewatch)

She fired waves of water and smashed Another Ultimate Way Big down!

Me: YEAH!

Qin: That was great Sunny.

Frosta: Don't forget about me!

Frosta activated her Ridewatch for White Lightning!

(HAKUNA MATATA BY TIMON AND PUMBAA PLAYS)

Princess Frosta: (SINGING DIVINELY AS LIGHTNING AND BUG DISHES SWIRL AROUND HER)

Hakuna Matata!

What a wonderful phrase

Hakuna Matata!

Ain't no passing craze

It means no worries

For the rest of your days

It's our problem-free philosophy

Hakuna Matata!

Why, when he was a young warthog

When I was a young wart-hoooog!

Very nice!

Thanks!

He found his aroma lacked a certain appeal

He could clear the Savannah after every meal

I'm a sensitive soul, though I seem thick-skinned

And it hurt that my friends never stood downwind

And oh, the shame

(He was ashamed!)

Thought of changin' my name

(Oh, what's in a name?)

And I got downhearted

(How did you feel?)

Every time that I-

Pumbaa! Not in front of the kids!

Oh… sorry

Hakuna Matata!

What a wonderful phrase

Hakuna Matata!

Ain't no passing craze

It means no worries

For the rest of your days

Yeah, sing it, kid!

It's our problem-free philosophy

Hakuna Matata!

Hakuna Matata

Hakuna Matata

Hakuna Matata

Hakuna

It means no worries

For the rest of your days

It's our problem-free philosophy

Hakuna Matata

Lana caught some of the bug dishes and Frosta fired waves of lightning and ice and smashed Another Ultimate Way Big down.

Lana: (Eating Centipede Slaw and Potato Bug Salad) Mmm! This beats eating Oogie Boogie's bugs!

Me: (Laughs) Oh Lana.

Sougo: That still grosses me out that you eat bugs. And you actually ate Oogie Boogie's bugs?

Me: She ate all his bugs 3 times actually. But that's Lana for you. She loves eating bugs as much as Timon and Pumbaa does.

Nico: Yep.

Eli: That was awesome though.

Juran: I helped kill him the final time!

Me: You sure did Juran. That was awesome! And Lana ate his bugs for that very last time.

Juran: That is true.

Another Ultimate Way Big: But try this!

She fired a blast of energy from her arms at us. But then just as the blast was about to hit, a red energy blast hit it and turned it to stone!

Me: Uh oh! Shield your eyes everyone!

They protected themselves and then..

KRASMASH!

I punched the stone and smashed Another Ultimate Way Big down and she exploded with incredible power!

EXTREMELY MASSIVE FIERY EXPLOSION!

Me: HOLY FUCKING SHIT!

Nico: That was powerful!

Yuna was back to normal and she was a girl with red basketball clothes and black hair and red eyes and I caught the ridewatch and purified it.

Me: Got it. But where did that blast come from?

?: From me.

We saw a Mega Yveltal appear!

Nico: WHOA! A Mega Yveltal!

Qin: Wow!

Mega Yveltal: Awesome to see you again Nico and Qin.

Nico: Yvonne Eltala? Wow!

We reverted back and I shrunk down to my normal size and then Yvonne reverted back and she was a girl with red angel wings, red hair, green eyes and red clothes and had the kanji for Destruction in the middle of her forehead.

Yvonne Eltala: That was a great combo though.

Me: It sure was.

I went and picked up Yuna.

Yuna Kawasaki: (GROAN) What a headache.

Me: You're back to normal now. I hope I didn't hit you too hard.

Yuna Kawasaki: No you didn't.

Nico: You okay?

Yuna Kawasaki: Yeah I'll be okay. Just a really bad headache.

Nico: But that was really powerful though.

Me: It sure was.

Laney: But that was so awesome though.

Yvonne Eltala: It sure was. And that was a clever combo to hit her with the stone from that blast.

Qin: It was genius.

Me: Also what's your favorite memory of Nico?

Frosta: Aw J.D. I was going to ask that!

Me: Sorry Frosta. (LAUGHS)

Yvonne Eltala: I have a lot of them. But my favorites are in archaeology classes when me and Nico were digging up awesome artifacts. One time me and Nico were over in Southwestern Colorado and we found this.

She unsheathed a sword and the blade was made entirely out of Energon Crystal! Natural Energon and It was emitting a low hum and had intensely powerful radiation.

Me: Whoa! That's a Natural Energon sword!

Nico: Whoa! I remember that!

Inferno then started shorting out!

Beast Wars Inferno: What?

Me: It's the sword! Change back to beast mode.

He did so.

Me: That's amazing that you have an Energon Sword.

Nico: Yeah it sure is.

Qin: Yeah.

Nico and Yvonne hugged after she sheathed the sword.

Nico: I've really missed you.

Yvonne Eltala: Me too Nico. Me too.

Me: It's amazing that you found a Natural Raw Energon Sword like this. But you have to be careful with this. Raw Energon in its natural form is highly unstable. The slightest jostle or explosion can cause it to explode.

Yvonne Eltala: I know. But I had a scientist analyze it and it's stable thanks to his technology.

Me: That's amazing. But it still packs as much radiation as the energon fields still out here.

Nico: Yeah. But this was awesome that you have it.

Yuna Kawasaki: It sure is.

Nico: Yeah. Lets go home.

We went back home and we had the crystal castle beamed to the estate.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, and Tommy Himi are heading to the world of Devil May Cry, and not only is Lincoln going to rescue the six girls here, but we're also going to meet Dante, Lady, Trish, Nero, and Nicolette Goldstein, and destroy the ruthless and heartless Emperor of the Underworld, Mundus.

Lincoln: This is so awesome, we're here in the world of Devil May Cry, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also going to meet Dante, Lady, Trish, Nero, and Nicolette Goldstein, and destroy the ruthless and heartless demonic Emperor of the Underworld, Mundus.

Sherlock Hound: (British Accent) I always knew this day would finally come. At long last, Mundus will finally die for everything that he's done two millennia ago.

Noctis Lucius Caelum: Along with the murder of Eva, Sparda's wife.

Sparda: (Through the Red Jewel) Exactly, Your Majesty. I'll make sure Mundus suffers terribly for all of his crimes.

Me: His minions were killed, and yesterday, you guys killed his army, but he's bound to have more.

Nico: In the Underworld.

Eli: But, he's not leaving out of this alive.

Lincoln: You got that right, Eli. And thanks for joining us, Tommy.

Tommy Himi: You're welcome, Lincoln.

Suddenly, we saw Dante, Lady, Trish, and Nero fighting some of Mundus' army of demons, and we went to give them a hand as we fired powerful energy blasts at those demons and sent them to The Black Gates.

Dante (Devil May Cry): Well, well, Team Loud Phoenix Storm, so the word around town is true.

Lincoln: That's right, Dante, and you know why we're here: to kill Mundus.

Trish (Devil May Cry): Should've known it was a matter of time before he would show up again.

Lady (Devil May Cry): But, we'll send him straight to Hell where he rightfully belongs.

Nero (Devil May Cry): After all the trouble he's pulled, that's where he belongs.

Sherlock Hound: (British Accent) Actually, there's a much worse place where someone like Mundus truly belongs: The Black Gates for all the horrors he's inflicted on so many innocent humans for over two millennia.

Suddenly, Dante felt the dark power from Sherlock Hound, as a black and red energy aura flared up around him, and Dante saw the shadow of his father around Sherlock Hound.

Dante (Devil May Cry): So, the stories are indeed true, you've returned, Father. I had a feeling last year, but I wasn't so sure.

Trish (Devil May Cry): But, then, we saw the mess you made of Sayer, along with Beowulf, Phantom, and Griffon, and then, we were sure: you've indeed returned, Sparda.

Sparda: (Through the Red Jewel) Yes, I have, Trish.

Sparda explained everything, and this also matched up to the stories Dante and his gang heard, and they understood everything.

Dante (Devil May Cry): Well, now that we're acquainted with one another, what say we head down to The Underworld and give Old Three Eyes a little farewell gift?

Nico: (Smirks) Let's send that three-eyed freak's ass to The Black Gates for good.

Nero (Devil May Cry): Now, you guys are talking.

Sherlock Hound: (British Accent) Allow me.

Sherlock Hound unholstered his massive demonic greatsword from his wider and muscular back and he cut open a portal to The Underworld, which we entered, and it was really creepy.

Sherlock Hound: (British Accent) Stay close, everyone. Mundus has his minions running loose here and they all want our heads.

We proceeded through The Underworld and we also killed some of the demons there, until we arrived at the cathedral, the lair of Mundus.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of six girls calling for help, along with the sound of malevolent demonic laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Mundus, and he's going to kill them.

Lincoln: Let's get over there at once, guys, I found the six girls, but they've been cornered by Mundus, and he's going to kill them.

?: (Girl's voice) That ruthless, heartless three-eyed demon, let's get him!

Suddenly, we saw the Duel Monster, Divine Arsenal AA-ZEUS - Sky Thunder, appear before us.

Nico: Electrifying, that's Divine Arsenal AA-Zeus - Sky Thunder.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Sanda Sumdac, but we'll talk later, we've got an ancient ruthless demon emperor to kill.

We rushed over, and right before Mundus could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Mundus, and that allowed the six girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Mundus. When Mundus saw us, he was enraged, especially when he saw Dante and Trish here as well.

Mundus (Devil May Cry): (Echoing Voice) So, Team Loud Phoenix Storm has arrived, along with Dante and Trish. Now, it's time for me to end your lives now!

Mundus fired a laser blast at us, but Sherlock Hound's blood red eyes turned neon blood red, and he redirected the laser blast and it hit a nearby wall. This got to Mundus, but when he saw a familiar light in those eyes, he knew who it was: it was his former general turned archenemy, Sparda.

Mundus (Devil May Cry): (Echoing Voice) Those eyes, I know them all too well: Sparda!

Suddenly, something within Sherlock Hound's mind snapped as memories of Mundus' evil atrocities from two millennia ago, along with the bloody murder of Sparda's wife, Eva, rushed through his head, and he was filled with a demonic rage towards Mundus, his blood red eyes turned neon blood red and he was surrounded by a black and blood red energy aura with blood red nebulae, stars, demons, and demonic darkness surrounding him, he unholstered his massive Sparda's Demon Fang of The Demon Hound from his back, and as he approached Mundus, he left black and blood red energy, blood red nebulae, stars, demons, and demonic darkness with every step.

Sherlock Hound: (British Accent) Mundus, I will never ever forgive you for the bloody crimes that you and your hordes of demons have committed against mankind for over two millennia, the world you sought to conquer rightfully belongs to mankind, and not to someone like you. (SUDDENLY GETTING EXTREMELY FURIOUS) But, what you did in murdering Eva because you wanted nothing but revenge on Sparda for what he did in stopping you two millennia ago… , (Demonic Voice) YOU'VE CROSSED ONE TOO MANY LINES FOR THE LAST TIME, MUNDUS, AND NOW, I WILL SEE TO IT THAT WE FINISH WHAT WE STARTED TWO MILLENNIA AGO, AND THIS TIME, YOU WILL DIE HERE IN A POOL OF YOUR OWN BLOOD!

We gasped at the sheer extent of the demonic rage coming from Sherlock Hound.

Nero (Devil May Cry): What the hell was that?!

Nico: This sort of thing happens when we're about to transform.

Me: And because of seeing what Mundus has done for over two millennia, along with orchestrating the death of Eva, Sparda's wife, that's caused Sherlock Hound to snap.

Lincoln: And he's really let The Devil in him out. HE'S GOING TO EXPLODE! STAND YOUR GROUND!

We stood our ground, and Sherlock Hound screamed like a mad demon, as he was surrounded by a massive vortex of black and blood red energy with red nebulae, stars, and darkness surrounding the vortex, there were shadow demons running around the vortex, and inside the massive vortex was a blood red phoenix. Then, as the vortex faded, Sherlock Hound emerged, but he was changed forever.

We were amazed by Sherlock Hound's Super Angel Xelnaga Eternity Infinity transformation, but when Mundus saw it, he fired another beam of energy at him to kill him, but Sherlock Hound redirected it at Mundus, and it hit him, and it caused Mundus to transform into his true demon form.

We cheer wildly as we holster our weapons and power down, and Sherlock Hound's new body, clothes, weapons, jewelry, and massive midnight black angel wings are permanent.

Lincoln: And that is that for Mundus and his army of demons. (To Sanda Sumdac) And it's so good to see you again, Sanda Sumdac.

Sanda Sumdac reverted back to normal, and she's a beautiful girl with long flowing midnight black hair put in pigtails, turquoise eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful midnight black angel wings, and she reigned in the power of Divine Arsenal AA-ZEUS - Sky Thunder, and she's dressed in a sleeveless midnight black crop top, midnight black shorts, midnight black knee-high boots, and long sleeveless white trenchcoat with lightning bolts on the coattails, and Divine Arsenal AA-ZEUS - Sky Thunder on the back, and holstered on her back is a large Divine Arsenal AA-ZEUS - Sky Thunder-themed greatsword with Divine Arsenal AA-ZEUS - Sky Thunder etched on the 7'0" massive, wide, double-edged midnight black blade, midnight black wings for the crossguard, large turquoise gem embedded in the rainguard, longer midnight black handle, and a large turquoise gem surrounded by angel wings for the pommel.

Sanda Sumdac: You too, Lincoln, it's been a long time, and it's also good to see you again, Lana and Lisa.

Lana: You too, Sanda.

Lisa: Greetings, Sanda.

Lincoln went up to Sanda Sumdac and they hugged, and Sanda Sumdac is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then, and so has Lana and Lisa.

Asuka Matoi: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Nico: Wow, Lincoln, you, Lana, and Lisa know her?

Lincoln: Indeed we do, Nico, this is Sanda Sumdac, she's my Guardian Angel from Japan and my classmate in Math, she moved to Michigan when she was eight years old, and she's also a capable mechanic that has knowledge of Cybertronian anatomy because like her cousin, Sari Sumdac, Sanda is part Cybertronian. We would often build works of art using scraps of metal, and worked alongside Lana and Lisa in making a massive work of art. We once went to a lake where Sanda kissed me on the lips, and she hates Lori with a burning passion.

We were amazed.

Nico: Whoa, so Sari's not the only part Cybertronian?! That's so awesome!

Sari Sumdac: That's right, and sorry to disappoint, but Sanda's not a Goth, even though she looks like one.

Lincoln: Yeah, sorry about that, Lucy.

Lucy: I already knew that long ago.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Sanda Sumdac's neck with turquoise gems on the gold thunderbolt links and black crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Sanda Sumdac: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're part of my harem and one of my many future wives, Sanda.

Sanda Sumdac had a smile on her face and tears in her eyes, as

Lincoln wrapped his abnormally massive and powerful muscular arms around Sanda Sumdac's waist and Sanda Sumdac wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Raf, Urie, Dolce, Miki, Cabiria, and Kabale from Angel's Friends.

Lincoln: Oh wow, it's Raf, Urie, Dolce, Miki, Cabiria, and Kabale from Angel's Friends.

Nico: Oh, cool, angels and demons.

Lincoln: Yep, and Dante, don't you even dare try to shoot them or your father's going to have a few words with you. Are you girls okay?

Raf: Yes, we're okay, thanks to you.

Then, when Raf and the other five girls saw who it was that saved them from Mundus, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Raf: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the seven clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with

equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Raf: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Raf, Urie, Dolce, Miki, Cabiria, and Kabale with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone what happened, and they were also glad to meet Dante and his gang, and they were shocked when they found out the villains we went after was Mundus, the ruthless and heartless demon emperor of The Underworld.

But, when Lincoln showed what we did to him, along with Sherlock Hound transforming into his new Super Angel Xelnaga Eternity Infinity form, and he and Dante ended Mundus and sent him straight to The Black Gates, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Sanda Sumdac have a lot of catching up to do, now that she's back in town.

Maria: I knew the target was going to be Mundus, after what happened yesterday.

Sherlock Hound: (British Accent) We knew it all along, but it was indeed a long time coming, and now, Mundus is finally gone for good.

Sparda: (Through the Red Jewel) Yes, that's right, Sherlock Hound. But, we'll also one day run into Vergil, but we'll be in for a big fight.

Dante (Devil May Cry): If Vergil does show up, we'll be ready, and you sure haven't lost your touch.

Sparda: (Through the Red Jewel) Heh, don't count your old man out, Dante, I can still fight.

Lincoln: We saw what he did when he took control, and it was really bloody and messy.

Nico: Yeah, and we know what happens to those who cross your father, Dante.

Me: And it always ends badly.

---

After getting rid of Mundus and his army of demons and this time for good, we were training intensely in the gym, this time, doing 900,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sanda Sumdac saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sanda Sumdac: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sanda, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sanda Sumdac: That's incredible.

Nico: It sure is. So, Sanda, what's the story on why you hate Lori with a burning passion?

Sanda Sumdac: You're not going to like it one bit. One day, Lincoln, Lana, Lisa, and I were working on creating a statue out of scraps of metal Lana found, and we were doing it outside The Loud House, but then, we heard the sound of a banshee screeching in the air, and we knew who would make that screech: it was Lori, and when we saw her eyes turn red with hatred and her teeth turn into sharp fangs, we knew Lori's on a rampage again. But, Lori did something we'd never forgive her for: she'd melted our statue with a flamethrower, along with the scraps of metal, and she was laughing cruelly at us. This made me so mad, I turned into my Cybertronian form and I fired blasts at her, and she was sent screaming and running while I chased after her. Lincoln, Lana, and Lisa then told Mr. and Mrs. Loud of what Lori did, and she was in big trouble when she got back, as soon as I was done with chasing her and hunting her down like a dog. Lincoln had enough of this, and when I saw his massive white angel wings spread out, I got out of the way, and he fired blasts of lightning from his massive white angel wings and he imprisoned Lori in a lightning prison, and he brought her to the house, and she was grounded for twelve weeks, and Lincoln threw her in the basement.

We cheered wildly.

Sari Sumdac: I can't believe you wrecked their project, Lori! If I'd found out about that long ago, I'd have kicked your butt all the way to China for that little stunt!

Nico: Ooh boy.

Lincoln: Easy, Sari. Lori learned her lesson eventually, and I forgave her, but Lana and Lisa didn't. Lisa swore revenge on Lori, and Lana swore if Lori did this again, she'd sic her pets on her.

Luna: Yeah, Lana was ready to rumble if Lori did this again, but I kept an eye on Lisa, since I knew of her siding with Lori to hurt my little bro.

Me: Thank goodness Dark Lori got The Black Gates, along with The Dark Louds.

Eli: Bunch of monsters.

We got a shower afterwards, and then, Lincoln, Wallflower Blush, and Juniper Montage are heading to Gelato Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

Wallflower Blush was dressed in a green two-piece bikini with flowers, sandals, her jewelry, and she had her weapons holstered in case of trouble, and Juniper Montage was dressed in a juniper two-piece bikini with flowers, sandals, her jewelry, and she had her weapons holstered in case of trouble.

Wallflower Blush: Wow, so we're here in Gelato Beach.

Lincoln: Yep, consider this our first beach date now that I'm back from vacation, girls.

Wallflower Blush and Juniper Montage had a blush on their face, but many of us knew she also had feelings for Lincoln, just like with Vinyl Scratch and Octavia Melody, and he also had the very same feelings for Wallflower Blush and Juniper Montage. They dived right into the waters and they were swimming in the clear waters and they also saw the sea creatures and plants that live there, and they had a game of volleyball and Wallflower Blush and Juniper Montage had a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift up a 900,000,000,000,000-lb barbell he summoned. Then, they also had some lunch on the sand, and then, Lincoln made a clone and they went up to Wallflower Blush and Juniper Montage, and they wrap them in their abnormally massive and powerful muscular arms and they wrapped their left arms around the thick muscular necks of Lincoln and his clone and they placed their right hands on the massive, wide, and muscular left pecs of Lincoln and his clone, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face and massive and muscular upper body.

Suddenly, two Elemental Thunderbird Necklace of Eternal Love appeared around Wallflower Blush and Juniper Montage's necks with colored gems on the gold thunderbolt links and colored crystal links from their brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklace of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

When they saw it, they knew it meant they were now part of Lincoln's harem and two of his many future wives, Wallflower Blush and Juniper Montage had a smile on their faces and tears in their eyes, as Lincoln wraps his abnormally massive and powerful muscular arms around them and they wrapped their arms around Lincoln's thick muscular neck, and they passionately kissed again on the lips, and we cheered for them. We even had smiles on our faces and tears in our eyes too, including Lincoln's harem.

Sunset Shimmer: I'm so proud of them.

Starlight Glimmer: Me too.

Vinyl Scratch: So awesome.

Nico: The same thing happened with you and Octavia Melody, Vinyl Scratch, and now, Wallflower Blush and Juniper Montage also had the same feelings for Lincoln, and now, they're part of his harem and two of his many future wives.

Luna: Dang, dude, it's like you've been born a ladies' man.

Eli: Just like bro, Clyde, and Nico.

Nico: True, we do have that golden charm and charisma, along with our kind and tough personalities.

Me: You got that right, Nico.

* * *

Later we were flying over the jungles of Mexico.

Erika: We're gonna meet more Digidestined, right?

Nico: Yep. We're going to meet Rosa of Mexico's Digidestined.

Ken Ichijouji: It'll be good to see her again.

Matt (Digimon): It sure will be awesome.

Me: It's awesome that we're meeting Digidestined from all over the world.

Nico: Yep.

We arrived at Chichen Itza Temple on the Yucatan Peninsula.

Me: Chichen Itza. Been a long time since I was here.

Qin: Wow.

We then saw Rosa and her partner Digimon, Gotsumon fighting treasure thieves.

Me: Whoa I've been after those guys for years.

Nico: Lets get them.

We went and kicked them down and tied them up.

Rosa: (Spanish Accent) Nico! Awesome to see you again amigo.

Nico: Buenos dias Rosa.

Me: Awesome to meet you and your Gotsumon.

Rosa's Gotsumon: Same here J.D.

Apple Fritter: It's nice to meet you two.

Rosa: Pleasure to meet you too.

Me: You two did a great job stopping these guys.

Nico: Yeah. We've been after them for a long time and you did us a favor.

Qin: I agree.

Rosa: I'm glad we were able to help.

Ken Ichijouji: We're glad you did and it's awesome to see you Rosa.

Rosa: Same here Ken and Matt you're looking good.

Matt (Digimon): Thanks Rosa.

Me: Nico what Digimon did Rosa, Matt and Ken fight here in Mexico?

Nico: We fought a Minotarumon and Dokugumon.

Qin: Wow!

Me: That is awesome.

Fellbat: By any chance, did you guys see a bunch of Poromon during your previous visit to the Digital World.

Rosa: No why?

Me: Long story on that.

Qin: Yeah.

Me: But it's best if you didn't hear about it.

Camie: Yeah.

Rosa: But I would be honored to join you all.

Me: We were just about to ask that.

Eli: We sure were.

Chromia: You won't regret joining the team.

Nico: Nope. Now lets head home and get ready for our next mission guys.

Rosa: Awesome!

We went back home.

---

We arrived back home.

Cybertron Ransack: We're back in business!

Me: Yes we are Ransack.

Lori Jimenez: Yeah!

Nico: Now you guys will love our next mission. We're going to help Tenchi Masaki and his harem battle one of their enemies.

Qin: Awesome! It'll be cool to help them out and find out more about the planet Jurai.

Nico: It sure will be cool.

Varie: Looking forward to this one.

Camie: Yep.

Me: This is gonna be so awesome.

Then Captain Cold, Dr. Viktor, Demyx, Heat Wave, Dai Gui, Vulture, Living Laser, Puff, Beautiful Gorgeous, Aquaduct, Zs'Skayr, Captain Frightbeard, Steelbeak, Evil Yamato Man, Evil Aqua Man, Dark Phoenix, Quakemon, Camie Chameleon, Rock, Evil Rainbow Man, Evil Crash Man, and Evil Ice Man appeared.

Captain Cold: Can me, Dr. Viktor, Heat Wave, Dai Gui, Vulture, Living Laser, Puff, Beautiful Gorgeous, Aquaduct, and Zs'Skayr go with you guys?

Steelbeak: Me, Captain Frightbeard, Evil Yamato Man, Evil Aqua Man, Dark Phoenix, Quakemon, Camie Chameleon, Rock, Evil Rainbow Man, Evil Crash Man, and Evil Ice Man can go as well.

Nico: You all sure can come with.

Dark Phoenix: It was so awesome watching the wedding.

Carmen: It sure was. And everyone had an awesome time there.

Qin: We sure did and the songs there were so awesome.

Lincoln: Sorry we didn't see it. But it was awesome to hear about it.

Rock: Ah that's all right. But we're glad you guys had fun.

Blitzwing: Nico, which Gene Slammer do you think you'll meet next?

Nico: Well I'm planning to do one for a hybrid of some of Samus's enemies like Mother Brain, Rundas, Ghor, Gandrayda, Dark Samus and Ravenbeak.

We gasped!

Me: Whoa! That one is gonna be interesting.

Qin: There's only one person I know that fits that. Danica Metrois.

Nico: Yep.

Me: What can you tell us about her?

Nico: You will love her story.

Danica is Nico's friend from Astronomy Class and no she is not a gene-slammer. She is a hybrid of 6 Alien Creatures. She was diagnosed with a terminal and fatal disease and the only way to save her life is to use genetic material blood samples of 6 alien creatures from those of Mother Brain, Rundas, Ghor, Gandrayda, Dark Samus and Ravenbeak. The experiment worked and saved her life. But there was an incredible and powerful side effect that made her into an awesome hero. She turned into a hybrid creature of seven species:

1/7 human, 1/7 Mother Brain, 1/7 Rundas's kind, 1/7 Ghor's kind, 1/7 Gandrayda's kind, 1/7 Dark Samus's kind and 1/7 Chozo or Ravenbeak's kind.

She got all of their incredible powers: Mother Brain's Superpowered Intelligence and Psychic Powers and all her powers like in Super

Metroid and beyond, Rundas's ice powers and ice beam powers, Ghor's Plasma Beam, Mechanical expertise and skills, Gandrayda's shapeshifting, lightning powers and Wave Beam, Dark Samus's Phazon Powers and all her powers from Metroid Prime 2 and 3 and Ravenbeak's Wings and powers.

She is Nico's awesome friend and she loves him like a brother and she loves me for real. She is an amazing and powerful force of good.

Me: Whoa! That is incredible!

Qin: Yep.

Me: A hybrid of 6 of Samus Aran's most dangerous enemies from over the course of 35 Years is awesome.

Samus: I'm really excited about this one.

Janeen Aran: But it's amazing that she has all those powers in her.

Ghor: It sure is most amazing.

Rundas: I agree there.

Gandrayda: Then we definitely know that you will have me, Sammy, Ghor, Rundas and Janeen go with you on that.

Me: Yep.

Heat Wave: Let's get going.

Dark Phoenix: With pleasure.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: it was none other than Razul, the evil undead fire Kyrii sorcerer, and he's heading here to cause havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone coming after us today?

Lincoln: You guessed it, Nico, and our friends from Neopia aren't going to like this one bit: the dark energy signal I sensed belongs to Razul, the evil undead fire Kyrii sorcerer, and he's heading here to cause havoc.

Our friends from Neopia gasped in shock.

Roberta: Razul's a dangerous sorcerer with power over not only fire, but he can also inflict curses on his enemies as well.

Tormund Ellis: He was imprisoned by Sakhmet long ago. Desperate for power, he was wiling to curse his own city and his own son, Jazan, to live again after his death. This guy is a danger to everyone in Neopia.

Sheena Kagari: He needs to be stopped and extinguished for good.

Lincoln: That's exactly what we're going to do to that evil undead Kyrii sorcerer, Sheena.

Nico: A battle between the magic of good and the dark sorcery of evil, now that should be something to see. Alright, gang, let's go, we're heading off to Japan to meet Tenchi Misaki and his awesome harem.

Lincoln: And we're also going to take down one of their enemies.

Me: Same here.

Nico: Me too.

Lincoln: And you better be ready, Razul, you shall receive no mercy for the crimes you've committed against your own city and your own son, along with the crimes you've committed against Neopia.

With that we were off to Japan.

We arrived at the Shinto Shrine that Tenchi and his wives all live at.

Skull Man: Here we are!

Me: Nice shrine.

Hitoshi: It reminds me of the shrine we have at Hibiki temple.

Qin: It's a nice place.

We went up the stairs and into the temple and we saw Tenchi training really hard in many styles with a spirit energy saber.

Me: Whoa look at him go.

Nico: Wow! He is really training hard.

Eli: That is true diligence right there.

Me: Yeah.

We went over to him.

Me: Hey Tenchi.

Tenchi: Hey guys! Awesome to see you all here.

Me: Same here.

Camie Chameleon: It's nice to meet you, Tenchi.

Vulture: Is it just you out here?

Tenchi: My grandfather is watching me train.

Katsuhito Masaki came out.

Katsuhito: Ah Team Loud Phoenix Storm it's an honor.

Me: Ah (Bows) Katsuhito Masaki it's an honor to meet you.

Nico: Same here. (Bows)

Katsuhito: It's an honor to have you all here with us.

Nico: Where are Ayeka and everyone.

Ayeka and the girls came out.

Ayeka: (British Accent) It's good to see you all here.

Me: You too Princess.

Ayeka: Same here.

Tarantulas: And cue the girls fighting over Tenchi.

Ryoko: And Tenchi is mine!

Ayeka: Leave Tenchi alone!

Ryoko: He's mine!

Ayeka: Tenchi and I were meant to be together!

I went over and broke them up.

Me: All right you two break it up! Girls fighting over Tenchi is not going to solve anything. I know you girls all love him but the least you girls can do is share him and love him equally like me, Nico, Lincoln, Clyde and Naruto can with all our future wives.

Naruto: That's right girls. Tenchi can love you girls equally like we can. Is that so wrong?

Sasami: Yeah sis. Naruto and J.D. raise a good point. It's time for you all to share.

Evil Rainbow Man: They're not this bad, are they?

Puff: Because if that's the cause, your life is really hectic.

Tenchi: It was at first. But I'm happy to have all six of them with me.

Waspinator: We're glad for you Tenchi.

Me: Me too.

Nico: Same here.

Tenchi: Do you go through something like that J.D.?

Me: No way. I love all my future wives and family to be so equally.

Nico: So do I.

Lincoln: Me too.

Clyde: Me too.

Naruto: And me too.

Me: I taught Naruto that there is no love in a loveless marriage if your marriages are arranged for you and that true love comes from what lives inside your heart. And how comes from how you truly feel and how you get to know them. And not how it is forced upon you.

Tenchi: That's a great lesson.

Ayeka: That is amazing.

Kiyone: It sure is.

Tenchi: Lets head into the temple and talk.

Blackarachnia: Do you guys like cabbage patch kids?

Sasami: I love the Cabbage Patch Kids!

Me: Boy we haven't met anyone that collects those. And I haven't seen the Cabbage Patch Kids dolls in like forever.

Qin: I know. I love collecting those.

Nico: Aww. So adorable.

Qin: Yeah.

We got to talking.

Me: First we just have one question for Ayeka. What is it like on the planet Jurai. We've been to many planets all over the universe but Jurai is not one of them unfortunately.

Ayeka: Jurai is a very interesting and amazing planet.

She told us all about Jurai and how it is a place where man and nature live together in harmony.

---

In the official continuity, the goddess Tsunami and her sisters Washu and Tokimi, the Chousin, searched for eons for a being superior to them. Tsunami descended to the third dimension to search for this kami (God).

150,000-years ago, the giant, sleeping humanoid form of Tsunami was found on the planet of Jurai by a man who would eventually become its first emperor. After waking up, Tsunami detected evidence of potential in this man. Tsunami theorized that his descendants would produce the kami the Chousin were looking for. Thus Tsunami made a pledge to the man of House Masaki to protect him and his descendants and bless them with great power - her descendants, the Royal Trees. The mighty power of Jurai made way for the planet and its rulers to become a galactic superpower.

**Jurai** (樹雷星, Juraisei) is ruled by a royal family, the **Imperial House of Jurai** (樹雷皇家, Juraiouke), all of whom take "Jurai" as part of their names after bonding with one of the Royal Trees, seeds of Tsunami's power which grow into sentient trees and bond to ships of the Juraian Fleet. Before founding and settling on Jurai the families were wandering space pirates and some of their traditions are still based on their pirating past. It can be presumed that the four houses of Jurai were likely originally the four most powerful families, or smaller guilds, in the original larger Jurai Pirate Guild. This resembles the construction of the new Pirate Nation formed in Paradise War, a strategy to unite the presently fractured pirate guilds that was devised by Jurai.

The First Emperor of Jurai, the discoverer of Tsunami, was from House Masaki but the house tends to be made of restless members who would rather roam on adventures than rule, in fact, although the first and most recent emperors come from the house, historically, their family has had the least amount of emperors of Jurai. Many members of the house have abdicated their royal titles or abandoned the planet completely.

House Kamaki used to be a more inconspicuous family until Seto was adopted and from force of her will gave them the impression of being the most politically powerful house on Jurai.

House Amaki tends to be overly ambitious and tends to act in its own self-interest, but the majority of past emperors have been from House Amaki, and they are very proud of the fact.

House Tatsuki tends to be the least forceful of the houses and features the second least emperors of Jurai. However, they tend to be the most approachable house and the most likely to marry into a foreign power's family, forming many political connections throughout the galaxy. House Tasuki also tends to have larger families and the majority of Juraian royalty is comprised of House Tatsuki (not counting all of the Masaki living on Earth).

If the four houses represented the most powerful pirate factions in the former Jurai Pirate Guild, then the citizens would be made of the smaller pirate factions that also formed the guild. One of these factions was most likely the Balta Guild, which split from Jurai to create their own kingdom. It can also be noted that a separate group remained, or reformed, a pirate guild that is not recognized as part of the Jurai Empire, they call themselves the Jurai Star Pirate Guild.

The current Emperor of Jurai is Azusa Masaki Jurai. Azusa Jurai's two wives are the 1st Empress, Funaho Jurai, an earthling (but also direct descendant of Masaki Jurai, who settled on Earth in the far past) and 2nd Empress Misaki Jurai of the House Kamiki, who is also the mother of Princess Ayeka Masaki Jurai and Princess Sasami. The first heir to the throne of Jurai is the son of Emperor Azusa and First Empress Funaho, Prince Yosho Masaki Jurai (a.k.a. Katsuhito Masaki).

Other notable members of the Jurai family are Second Empress Misaki's parents - Utsutsumi Kamiki Jurai, head of House Kamiki and his wife, Seto Kamiki Jurai, the infamous "Devil Princess of Jurai," an influential figure in galactic politics as well as matchmaker.

Seto is also the reason House Masaki are current rulers as she convinced Azusa, as a child, to return to Jurai. His mother, like so many members of the house, abdicated her royal position to marry a Galaxy Police Officer and had left the house without a head. House Amaki is currently a bitter rival of House Masaki. The intentions of House Tatsuki are still unknown.

The planet Jurai is home to a species of intelligent trees, Royal Trees of the Imperial House (皇家の樹, Oukenoki), descended from the goddess Tsunami. In fact, the name "Jurai" is a combination of the kanji 樹 tree and 雷 thunder. These trees are capable of bestowing great powers and long life to those Juraian royals who are partnered with them and are activated by special devices known as keys. These trees are also used to provide power to Juraian spaceships. All power supplied to the tree ships comes from Tsunami-no-ki, Tsunami's tree form. from a subspace network.

Inheritance to the throne is determined by the connection to a Royal Tree; the higher the Tree is in status, the higher someone in the line of succession. This is why Yosho is first-in-line, due to his connection to 1st-Generation Tree, Funaho. Tenchi's powers as a bearer of the Light Hawk Wings, which are usually generated by Royal Treeships, allow him to be second, as well as his status as Yosho's successor. This is why Seina Yamada is 3rd-in-line, as he found and bonded to a seed of a 1st Generation Tree seed via Idol. Assumingly, Sasami could surpass them all because she's connected to the original Tsunami-no-Ki, but she has not claimed inheritance on these grounds as of yet.

Other than strength and life derived from partnered trees, Juraians are also masters of body enhancementand Guardian engineering techniques that are unsurpassed in the known galaxy. Bio-enhancement is exactly what it sounds like, a biological enhancement of one's body. A Guardian is an outside augmentation, an energy shield that can be called up or constructs like Ayeka's Azaka and Kamidake that can be called on for extra offense or defense. When Yosho was young, he gifted Airi a Guardian in the form of a ring that she didn't even realize was protecting her until she was attacked. Even regular citizens are feared for their superhuman strength, ability to summon force fields and discharge energy blasts, as demonstrated in True Tenchi Muyo! Volume 1: Jurai, where a trained Galaxy Police officer was not considered a threat to even regular civilians, and in Volume 3: Washu, where a pirate spy, who had undergone decades of enhancement in the Shank Guild to be an ultimate fighter, still couldn't come close to the enhancement of a Juraian prince.

Juraians are also known for their *extremely* long life spans, a result of both their connections to the Royal Trees and bio-enhancements. In a Q&A session, series creator Masaki Kajishima confirmed that "normal" Juraians have the same lifespan as normal humans (presumably this means without bio-enhancement). Nobuyuki Masaki and others who have Juraian blood but are not bonded to a Royal Tree have expanded life spans thanks to the genetics of being the descendant of Yosho, who has both a connection to a first generation tree and extensive bio-enhancement. Yosho could also extend the life of his family through a connection to Funaho-no-Ki, but his first wife, Kasumi (who did have her life extended this way-until she decided to stop), convinced him not to do this with their children. As a reference, it was mentioned in GXP that the average body enhancement procedure (using Galaxy Federation techniques) increases the average Earthling's lifespan to be around 2,000 years. That is pertaining to the "initial" body enhancement procedure. There are many different types of body enhancements, some for battle, some for mental acuity or other specializations, but Juraian techniques are known to surpass anyone else's.

Prince Yosho and his grandson Tenchi, are first in line for the Juraian throne though Yosho fled his throne for a life on Earth. Ayeka is still Princess but she is second in line as she and Sasami come from a distant branch of the Imperial Family and can only assume the throne if Tenchi refuses and/or she finds a husband. The members of the Imperial Family wield the mighty power of Jurai through unknown means. The members of the royal family retain their ownership of powerful tree ships such as Ayeka's Ryu-Oh whose sap has the power to heal, though it is unknown if they have as many secrets to their power as in the official continuity. In this continuity, Kagato is also apart of the Juraian Royal Family but was banished to the darkest corner of the universe for being too power-hungry after being defeated by Yosho. He returned and took on the missing Yosho's guise to take hold of the throne. At the end of the series, after the defeat of Kagato, Ayeka and Sasami return to their place in the Imperial Family but leave their home to return to Tenchi on Earth. It is unknown who rules Jurai in their stead.

Besides Ayeka and Sasami being the princesses of the planet, there is not much known or said about Jurai except for flashbacks of the main antagonist, Yugi. Yugi was a Juraian child with extraordinary powers and the ability to create demons and have her will done. As an underdeveloped child, she caused chaos on the planet and the then empress Hinase was forced to seal her away on Earth, knowing completely well that she was terrified of the dark. Yugi was released sometime before the beginning of the series, and is now twisted and wants to create her own world on Earth and attempts to distract Tenchi (who has no relation to Jurai in this continuity), the latest Planet Guardian, in order to do this.

Jurai in *Ai Tenchi Muyo* seems to be functionally identical to that of *Tenchi Universe.* A picture of the Juraian globe is shown during a flashback and it looks nearly identical to the one seen in Tenchi Forever, with the two crossing rings. Before getting caught in a dimensional rift and being sent to the present day, the main character introduced in the series, Momo Kawanagare, is depicted as a Juraian princess from hundreds of years in Tenchi's past who is sent to settle on Earth for unknown reasons. Her royal parents are absent from her life and leave her in the care of a bodyguard from infanthood.

When she was done we were amazed and more.

Me: Wow!

Nico: That is amazing.

Fluttershy: Oh that sounds like my kind of amazing planet to live on.

Eli: We'll have to check it out ourselves someday.

Aqueduct: We never went there before.

Evil Ice Man: But we can still go in the future.

Nico: Maybe on one of my rescues or when we get a mission. Preferably my rescues.

Qin: That's a great idea.

Kiyome: You guys will love it.

Qin: It will be awesome to see in the future.

Camie: Yeah.

Optimus Primal: It will be interesting to see. Nico did the Saiyans ever go to Jurai?

Nico: They tried once or twice but the defenses of Jurai that protect it are far too strong.

Vegeta: That's right Bokrua. Jurai's defenses were far too strong for us to get passed.

Me: Wow. We'll have to be cautious and figure out a way around them.

Ayeka: It's a tough process though.

Mihoshi: It sure is.

Me: Well we love a really good challenge though.

Lusamine: And that Yugi girl?

Ayeka: How did you know Yugi?

Me: Tenchi told us a little about her. But we don't know the full extent of her history. But we think she will make a great addition to the Masters of Evil, Our Frenemies.

Ayeka: Well she is a girl that Tenchi helped. But you all have a right to know.

She went over Yugi's history.

---

**Yugi** (幽戯, *Yūgi* ?) is the main antagonist from the television series *Tenchi in Tokyo* . Her appearance is that of a young blonde girl with a red and black striped headdress and large spiked armor that hovers around her.

Throughout much of the series, her plans remain in shadow, and all the viewer sees of her much of the time is her watching a group of floating crystals which represent the Masaki Family, while commenting on the events of the episodes. She has three henchmen: Hotsuma, Tsugaru, and Matori, who do almost all of her work for her.

Yugi is actually from the planet Jurai. She was a mutant with amazing powers (similar but different to those used by the royal family), artificially created by the Jurai royal family as part of an experiment and was able to create anything with her mind. Yugi was a lonely young girl, and created large demonic friends to play with. While they played, however, they accidentally ravaged Jurai, proving to be an unstoppable destructive force. Finally, Empress Hinase, head of the Jurai royal family, led a force to confront her. They destroyed the creatures while Yugi pleaded for them not to kill her friends.

Finally, she was captured, and imprisoned in a stone tomb. As the doors closed, she cried and screamed that she was afraid of the dark. Empress Hinase pitied the innocent girl, but knew that this was the only choice she had.

The tomb was launched, set to drift in the most remote parts of space. Either by accident or by fate, the tomb somehow fell to Earth where it crashed in Japan, specifically in the area that would eventually become northern Okutama in modern day Tokyo. The tomb remained buried until an earthquake broke it open 3,500 years later. Yugi was released, but she was now a much different person than the innocent child from millennia before. Warped by her terrible experience, she had become dark and malevolent, deciding to use her powers to change the earth into a world of her own.

Her only opposition was Earth's planet guardian, a young boy named Tenchi. His weapon, and the one thing that could stop her, was a large sword created by a small cluster of crystals, which had been given one to each member of the new extended Masaki family. Once Tenchi moves to Tokyo, Yugi creates a new persona, a reflection or shadow of herself at his age, named Sakuya Kumashiro. Sakuya is her main tool as she splits up the girls so that the crystals will be scattered, weakening them and not allowing Tenchi to form the sword.

Her plan changed when she met Sasami. Yugi created another new persona, this one the same as the young girl she once was. This Yugi would play with Sasami, who was the only true friend she ever knew. When Yugi attacked the Masaki shrine, her other side went off playing with Sasami so she didn't have to see the slaughter, which led to Yugi not having the energy to win the battle.

As her plan nears its end, she meets with Sasami, and the two play once more. She asks Sasami to come with her to her home, but Sasami declines, telling Yugi that they're just little girls, and much too young to live on their own. Yugi becomes angry at this rejection, and disappears, a sight which frightens Sasami. Sasami tells her sister Ayeka what happened to her friend Yugi, and Ayeka recognizes the name as the name of the one who attacked the Masaki shrine.

Yugi's henchman Matori kidnaps Sasami and traps her in a large crystal just before her plan finally comes to fruition. The world freezes in time, and the only ones safe are the girls and Tenchi, whose crystals protected them. Tenchi goes to stop Yugi, but is suddenly placed in a dream world where he can live with Sakuya forever. Sakuya, however persuades Tenchi to go after Yugi, and he breaks free of the illusion. As he readies to confront Yugi, the others, including Sasami, are instantly transported to him.

Yugi tells Sasami that she is making a world just for them, and, her voice breaking, asks her to join her. Sasami remembers their first meeting, and asks how Yugi could have done such atrocities, rejecting her proposal. Matori tells her to kill them all, but is herself destroyed by the brokenhearted Yugi. In a fit of rage Yugi declares she doesn't need friends or anyone, and blocks out all of existence with the exception of Tenchi and the girls, who were protected by Ayeka's shield, before withdrawing into her inner sanctum.

Tenchi reunites the crystals and forms his sword, going after Yugi. A panicked Yugi screams that she doesn't want to be buried again and begins sending creatures to stop him, but Ryoko, Ayeka, Mihoshi, and Kiyone take out the guards, along with the other obstacles put in Tenchi's way. He makes it to the inner sanctum, finding himself in the room where Yugi spent much of the series. He finds a crying Yugi charging an attack, crying that she doesn't want to be alone, and that she doesn't want to be locked back up in the dark. Tenchi slices her attack in half, and Yugi begins screaming hysterically, which can be heard by all the others.

Suddenly, she is brought back to reality as Tenchi, who having dropped the sword, grabs her and slaps her. He gently lets her down, as her spiked armor falls from her. The two embrace and Yugi, crying, tells him of her fears of being alone. Tenchi tells her that all she needed was to come to the Masaki house, and she'd never worry about being alone again. As he comforts her, her world slips away, and all returns to normal.

Yugi chooses to be put into a sleep until she grows up and can control her powers better. She is put in the cave near the Masaki Shrine, and Sasami visits her every evening, telling her the events of the day. Ryoko hypothesises in the end that, since Sakuya was a reflection of Yugi, Yugi will grow up to be Sakuya, creating a bit more competition for Tenchi's affection.

When she was done we were shocked!

Me: Whoa! She has reality warping powers!?

Nico: That's incredible!

Camie: And she lived for over 3,500 years and looks like she's only six? That's amazing.

Qin: Yeah. Are the people of Jurai essentially immortal?

Sasami: Yes we are immortal.

Me: Wow! That's incredible.

Xenia: Yeah.

Nico: Yeah no kidding.

Me: But the M.O.E. don't have very many members that can warp reality like that. That's amazing.

Zs'Skayr: There is Dark's Celestialsapien form.

Evil Crash Man: And Albedo's as well.

Me: But they aren't permanently in person as they can revert back at will.

Evil Crash Man: Mmm. Fair point.

Me: But yeah. Having the power to warp reality like that is Nigh Omnipotent Power.

Qin: Yeah no kidding. That is amazing and we all have omnipotent power like that too.

Nico: Yeah. That is so cool.

Nauthilax: Where is she right next now?

Ayeka: I can lead you to her.

Eli: I sense powerful thought waves over to the west just one klik.

Krystal: (British Accent) I do too. It feel it as well.

Nico: Lets go.

We followed Ayeka and got to a tree and then we saw her bring out a capsule.

Me: That must be the capsule she was put in.

Ayeka: Yes.

She opened it and we saw a blond girl that looked like she was 6 years old.

Yugi: So you guys are Team Loud Phoenix Storm.

Me: That's us and you must be Yugi.

Yugi: It's amazing that you have so much power.

Me: Yeah.

Beautiful Gorgeous: Let's not make this complicated.

Rock: Just come along quietly.

Nico: Stand down. We haven't given her our proposition yet. Yugi, we have a proposition for you. Tenchi gave you friendship so I think you would be more suited for the Masters of Evil in our frenemies.

Yugi: What's in it for me?

Beautiful Gorgeous: You will have many friends and we can help you control your powers.

Yugi: That is tempting. All right I'll do it. On one condition.

Nico: Name it.

Yugi: That you give me a powerful archenemy that can do Reality Warping like me.

Nico: Deal. But that's not going to be easy to find one.

Me: We just got to know where to look for that.

Nico: Yeah.

Iron Bison: We'll worry about that some other time.

Me: Yeah.

Nico: But you'll be perfect for the M.O.E. Yugi. Tenchi are any of your enemies running around that need to be dealt with?

Tenchi: Now that you mention it yes. Mixiah Flan and Doll are running around and are causing trouble.

Me: What can you tell us about them?

Ayeka: It's not a good thing but I think they will make good candidates for the M.O.E.

She told us about them.

---

Doll, also known as Mexiah Furan, is an antagonist in Tenchi Muyo! War on Geminar. She is one of the three artificial humans created by the Senshi Civilization with the purpose to defeat Gaia.

As Mexiah Furan, she was voiced by Ayumi Tsunematsu in the Japanese version, and Jamie Marchi in the English dubbed version. As Doll, she was voiced by Mai Goto in the Japanese version, and Monica Rial in the English dubbed version.

After Gaia's defeat, it and Doll were sent underground with Doll's memory of the events erased. She was eventually unearthed and discovered by Naua as an infant with pink hair and was adopted as Mexiah Furan, who became Chiaia's older sister. As Mexiah, she is the martial arts instructor at Holy Land Academy who, unlike her serious sister, is shockingly affectionate toward Kenshi.

Also not only is she a Sacred Mechamaster, she is also a Sacred Mechaguardian. Doll has little regard for the importance of life, shown when she laughs while trying to kill Aura during an early encounter. Despite this, she has an attraction to Kenshi that she believes is a remnant of when Mexiah's personality was dominant. In the last episode, Doll realizes she loves Kenshi as much as her other half Mexiah and she tries to prevent Lord Babalun from harming him.

Thanks in part to her actions, Kenshi manages to disable Gaia and free her from it and Babalun. Once free she again assumes the form of Mexiah and she and her sister Chiaia are reunited.

---

When she was done we were shocked and amazed.

Me: Whoa! They will make awesome members of both the Redemption Squad and the M.O.E.

Qin: Yeah I agree there too.

Nico: Yeah. No kidding.

Living Laser: Where are they now?

Quakemon: Shouldn't be hard to find them.

Eli: I sense that they are coming this way. 50 klicks and closing.

Nico: They'll be here in a few minutes.

Qin: Yep. We got plenty of time.

Exhaust: Let's get ready.

Nico: Okay. Tarantulas, lets set up a shield web of your creation.

Tarantulas: Good idea Nico.

Nico: Quickstrike, Waspinator, you help me with this.

Quickstrike: Yeehaw! I'm gladly going to help you boss.

Waspinator: Waspinator ready.

They got to work and set up a web shield generator.

They set it up at 8 points of the temple.

Nico: Just about ready.

Dai Gui: Perfect.

Spiderman: I could've done that!

Evil Yamato Man: Now's not the time for debate.

Nico: Calm down guys.

We got to sitting down.

Nico: Tarantulas when they are less than 5 klicks away activate it.

Tarantulas: You got it.

Eli: They are here.

Anemone: Entrance time!

We waited and then we saw 2 figures.

Nico: Now!

Tarantulas activated the shield web and then it came on and then the 2 figures came out and it was DOLL AND MEXIAH FURAH!

Mexiah Furah: There is the temple.

Doll: Yep.

Then the spirits of W.I.T.C.H. and The Elements appeared and swirled around them and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard and we came out.

Nico: Hello ladies. Nice weather we're having. To kick your butts!

Qin: YEAH!

Frightbeard: Time to walk the plank!

Dr. Viktor: Big time!

Me: It's time to slag some butt!

Cheetor: Yeah!

Tigatron: Lets do it!

Nico: Yeah!

Mexiah Furah: You want to fight huh?

Me: Yeah we do! But you're going to the Masters of Evil Prison.

Nico: You got that right.

But then All the Digimon Archenemies appeared.

Nico: Whoa! All the Digimon this time.

Seadramon: Yeah no kidding.

Grumblemon: Good to have everyone back, huh?

Nico: It sure is.

Ranamon: Good to know.

Me: I think it's awesome being back in the fray.

Arbormon: You guys are back in business!

Me: You got that right.

Mercurymon: We heard you went to a castle.

Me: Yeah we sure did. It was a crystal castle located on top of Mount Lincoln in Colorado and it was incredible.

Nico: Yeah.

Duskmon: Nice job using my Ridewatch

Nico: Thanks. It was cool.

Qin: Yeah.

?: Boy that is so awesome.

A figure came out and it was BADONNA from Super Ninja Steel!

---

Badonna was once one of Sledge's Outlaws who became the secondary antagonist of Power Rangers Super Ninja Steel and served as Madame Odius' second in command.

At some time in the past, Sledge captured Badonna for Lord Arcanon but was not utilized against the Dino Charge Rangers and instead went to the main universe with him via the blackhole created by the Dark Energem.

Badonna accompanies Sledge, Wrench, the Ghost Monster, the Kuliner Monster and the Vivix onto the wrecked Warrior Dome and meets Madame Odius there. She then escapes thanks to Madame Odius when the former meets the latter when he escapes a black hole. It is unknown why but they may have been taken to be sold should they meet any trouble in order to pay them to stay safe, or in order for them to help clear up the wreck. However, she is freed by Odius when she offers information on why Sledge has agreed to repair the Warrior Dome and reveals that the meteor which crippled the ship of full of Ninja Super Steel. Joining the Galaxy Warriors cast in an unknown role, she later accompanies Odius and Smellephant to Earthto find and revive the Ninja Nexus Prism but soon retreats with Odius when the Ninja Steel Rangers get their powers back.

After Aaron Foster's drone damages the Tsunami Machine, Badonna comes to Earth to ask how Doomwaveis progressing and states that Odius does not like waiting.

After the death of Game Goblin, Badonna tells Odius the news that she has booked the Galactic Ninjas for the next episode of Galaxy Warriors. She then shows Cosmo Royale his reflection in a mirror, showing that he has turned green and grown dreadlocks due to playing Game Goblin too much.

Badonna is seen talking with Odius, who has Wolvermean and Speedwing's Ninja Medallions saying that, if she gets all four Ninja medallions, she'll be able to put her master plan into place to destroy the Rangers.

After Rygore's death, Badonna finds Madame Odius and brings her the owner of the fourth medallion, Venoma. She takes the medallion from Venoma and gives it to Odius, who then creates Foxatron, her own personal Megazord, using four Foxbots that came with Venoma. She goes to the Galaxy Warriors stage and says that the Rangers defeated Rygore, but the show isn't over yet. She then gigantifies Foxatron. There is a fierce battle but Foxatron runs out of power so they have to abandon the fight. Odius exits, with Badonna and Venoma coming to help her. Odius gets angry at Venoma, but she tells Odius she just needs to recharge the Medallions, which should only take a day. They then teleport back to the ship.

Badonna stops Wolvermean from getting his medallion back, telling him that it belongs to Odius now. She then helps Madame Odius and tells her about the scar she gained from the destruction of Foxatron.

Badonna informs Odius that Lord Draven has been defeated and her mistress Gigantifies him only for him to be defeated as well.

Badonna gives to Odius Venoma's medallion, which is the only medallion that survived Foxatron's destruction. Odius tells her that today is Valentine's Day and wants to use this day to destroy the Rangers and sends in Venoma for the job. However, Venoma is destroyed by the Ninja Blaze Megazord and thus ending the Galactic Ninjas.

When General Tynamon and Brax arrive, she hugs Brax and asks him about the 200 fan letters she sent. She then shows him the Upgraded Basherbots and is told Tom look after the guests by Odius. Tynamon tells her to get away from Brax but she tells him that she knows his secret. Her, Tynamon and Brax go to earth and introduce Brax to the Rangers, who pretends to be weak. When Brax is destroyed, she gigantifies him and sends down 4 Skullgators to aid him which allows him to escape.

Badonna helps Odius trick Sheriff Skyfire into believing the Rangers are the bad ones for "stealing" the Ninja Nexus Prism after he arrives to arrest Blammo. She even states that she was an eye-witness but this scheme ultimately falls through.

When Typeface escapes for the first time, she goes with him and battles the Rangers. She is able to overpower them but leaves when they turn the tables on her by setting her on fire with the Ninja Battle Morpher Hyper Arrow Blast.

Badonna is seen when General Tynamon brings back the Ninja Fusion Star which the Rangers dropped.

Badonna is seen with Odius when Tynamon explains his plan: to use the Ninja Fusion Star to create a Mega Monster by fusing six Skullgators. When she says that this plan won't work, Tynamon answers that she is only jealous. Odius is impressive but says that Badonna is right because the Ninja Power Stars respond only to a Ranger's voice. When Odius says that if Tynamon bring her the Power Satrs, she will not betray his little secret, but she says that his chances of success are weak.

Badonna is seen again when Tynamon arrives with Brax into Odius' throne, stating that she respects their deal but Odius answers that he is not in position to require anything and reveals his secret. Tynamon is a tiny monster in a robot body, which Badonna and Odius mock him for and she says that he is more tiny that she thought, ridiculing him. Odius orders Tynamon to kidnap and hypnotize Mick with her new weapon and promises to gigantify him if he succeeds. After Tynamon's death, Badonna is with Odius when she explains that she can launch the first phase of her final plan. But Badonna says that her ray gun can touch only one person and if she can broaden his scope, Odius answers that she can't but Mick can. In his brainwashed state, Mick tells them that he can build a satellite to diffuse the ray gun's power all over Earth. Badonna is happy and brings Mick along to build it.

In an effort to prove himself to Madame Odius, Brax asks her to fight the Rangers again with Badonna agreeing. To assist him, Odius also sends in Brax's friend Gorrox for her plan in order to enslave the human race. After Brax and Gorrox's deaths, she's seen sobbing and crying for her loss. But she forgets her grief after seeing Victor and Monty dressed in clown uniforms and mocks them with Cosmo. She tells Odius that the plan is ready to begin. Later, she welcomes her mistress with Mick in High School's Rangers, then Odius orders to her to send humans on the Warrior Dome Ship claiming that billions of humans help her to conquer the universe and Badonna agrees.

Badonna tells Odius that the mind controlling beam works perfectly and goes away, having been put in charge of sending the humans up to the ship. Shortly after, she is seen again surrounded with Basherbots and begins to teleport people on the Warrior Dome Ship, without noticing that Calvin is among the hypnotized humans, nor that Sarah and Hayley infiltrated the group pretending to be hypnotized, and that they teleported aboard the Ship to save him. Badonna is again revised, continuing to teleport people on the Warrior Dome Ship, but when she sees them running away in front of her and Basherbots, she realizes that they are no longer brainwashed and can only roar with fury. Shortly after, she is seen again with Cosmo on the Warrior Dome Ship, intercepting Victor and Monty. They are both furious that they released Odius' soldiers. Victor and Monty remember the explosive balls that Cosmo gave them, and tossed them on him and Badonna before teleporting away. Badonna can only scream before being killed with Cosmo, as well as a large part of the Galaxy Warriors, and then the Warrior Dome Ship is sent back to space again.

---

Me: Badonna! I remember you all too well. You were Madame Odius's Second in Command.

Qin: Yeah.

Badonna: Good memory on you.

Brody Romero: Sharp huh?

William: Weren't you also one of Sledge's outlaws?

Badonna: Yes. But he never did find use for me.

Me: I remember that. But he didn't treat you with use and all that crap.

Eli: But the M.O.E. Will.

Me: Yep.

Badonna: Yeah.

We got the usual battles underway.

Grumblemon was next.

Grumblemon: (to Earth) I can't believe Poromon made clones of himself! The Digital World's gonna have a field day!

Earth: You got that right. But they just missed Maria and the others so much.

Applejack: Yeah they were lonely without them.

Apple Bloom: It was awesome seeing clones of them though.

Mercurymon: So she is half Cybertronian too?

Davis: Yep.

Pinkie Pie: We all thought it was amazing!

Featherweight: It sure is. And her story is too.

---

Sanda Sumdac: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sanda, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sanda Sumdac: That's incredible.

Nico: It sure is. So, Sanda, what's the story on why you hate Lori with a burning passion?

Sanda Sumdac: You're not going to like it one bit. One day, Lincoln, Lana, Lisa, and I were working on creating a statue out of scraps of metal Lana found, and we were doing it outside The Loud House, but then, we heard the sound of a banshee screeching in the air, and we knew who would make that screech: it was Lori, and when we saw her eyes turn red with hatred and her teeth turn into sharp fangs, we knew Lori's on a rampage again. But, Lori did something we'd never forgive her for: she'd melted our statue with a flamethrower, along with the scraps of metal, and she was laughing cruelly at us. This made me so mad, I turned into my Cybertronian form and I fired blasts at her, and she was sent screaming and running while I chased after her. Lincoln, Lana, and Lisa then told Mr. and Mrs. Loud of what Lori did, and she was in big trouble when she got back, as soon as I was done with chasing her and hunting her down like a dog. Lincoln had enough of this, and when I saw his massive white angel wings spread out, I got out of the way, and he fired blasts of lightning from his massive white angel wings and he imprisoned Lori in a lightning prison, and he brought her to the house, and she was grounded for twelve weeks, and Lincoln threw her in the basement.

We cheered wildly.

Sari Sumdac: I can't believe you wrecked their project, Lori! If I'd found out about that long ago, I'd have kicked your butt all the way to China for that little stunt!

Nico: Ooh boy.

Lincoln: Easy, Sari. Lori learned her lesson eventually, and I forgave her, but Lana and Lisa didn't. Lisa swore revenge on Lori, and Lana swore if Lori did this again, she'd sic her pets on her.

Luna: Yeah, Lana was ready to rumble if Lori did this again, but I kept an eye on Lisa, since I knew of her siding with Lori to hurt my little bro.

Me: Thank goodness Dark Lori got The Black Gates, along with The Dark Louds.

Eli: Bunch of monsters.

Nico: Yeah, miserable freak. Awesome job, gang, but we're not done yet, there's still the matter of Razul, to deal with, and that undead Kyrii sorcerer should be arriving… right now!

?: I will reduce this miserable world into a pile of ashes!

Fyora: I knew there's no mistaking that voice from anywhere. You can come out now, Razul.

A figure dressed in black robes appeared from a tornado of dark magic and fire, and it was none other than Razul, the evil powerhungry undead fiery Kyrii sorcerer.

Fyora: Razul, I should've known you'd show up here. I thought we were rid of you long ago.

Razul: You can never kill me, Fyora, I will continue to rise from the dead, and now, I shall burn you all into ashes.

Razul fired blasts of fire at us, but we absorbed the flames and it made us even stronger than ever.

Sheena Kagari: Nice try, Razul, but your days of hurting the innocent people of Neopia end here and now.

Suddenly, Sheena Kagari's turquoise eyes turned neon turquoise, and she was surrounded by a purple energy aura with darkness, stars, magic, and magicians, she unholstered her massive Endymion, Mighty Master of Magic-themed greatsword from her back, and as she approached Razul, she left purple energy, darkness, stars, magic, and magicians with every step.

Sheena Kagari: Razul, I will never forgive you for the crimes you've committed against Neopia and for what you did in cursing the people of Qasala and your own son for your desire for power, you've hurt too many innocent people for the last time, and now, I'll make sure you never rise again.

Suddenly, Sheena Kagari was surrounded by a massive vortex of purple energy with darkness, stars, and magic surrounding the vortex, there's Endymion, Mighty Master of Magic flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Sheena Kagari emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sheena Kagari grew from 6'5" to 7'1" in height, she has the body of a goddess, she has dark purple highlights in the bangs of her long flowing hot pink hair, she has neon turquoise eyes and a purple energy aura with darkness, stars, magic, and magicians surrounding her, she has Endymion, Mighty Master of Magic with the Dark Kanji in his hands emblazoned on her forehead, she has on magician earrings with purple gems for eyes and holding the Dark and Eternity Kanjis in his hands, she also has Endymion, Mighty Master of Magic with purple gems for eyes and the Dark and Eternity Kanjis in his hands for the second pendant on the bottom of her purple magician-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Sheena Kagari has on a dark purple short-sleeved blouse, purple sleeveless midriff top, purple skirt, black pants with designs, purple sneakers, and long sleeveless white trenchcoat with darkness, stars, magic, and magicians on the coattails, and on the back is Endymion, Mighty Master of Magic with magic surrounding him. Suddenly, Sheena Kagari felt a sharp pain on her back, and then, her massive pink angel wings grew much bigger for her new body, and the large pink feathers have purple tips on the feathers. Sheena Kagari has on a Ring of The Phoenix with purple gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Sheena Kagari's massive Endymion, Mighty Master of Magic-themed sword and Endymion's staff began merging together and they were surrounded by a kaleidoscope of purple energy with stars, magic, darkness, and magicians, and when it emerged, it was transformed into Endymion, Mighty Master of Magic's Dark Mage's Staff of Dark Magical Justice, it's a brand-new Mage's Staff with a massive pink orb on top of four large purple raven heads on one end of the long midnight black shaft and on the other end of the black shaft are four smaller purple raven heads and on the bottom of the raven heads is a large pink crescent moon weight with a purple gem on it, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, new large gold Belt of Elemental Bravery with a gold raven head with purple gems for eyes and a large pink gem in her hands for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below Endymion, Mighty Master of Magic that said, "Sheena Kagari, Powerful and Talented Magician, Expert Cooker, Gene-Slammer of Endymion, Mighty Master of Magic, Loving Cousin of Akko Kagari, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Smasher of Icky Vicky, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Elder Scroll Spells, Chronicler of Tamriel's Empire, and Master of Darkness, Magic, and Magicians"

かがりシーナ、強力で才能のある魔法使い、料理の達人、エンディミオンのジーンスラマー、魔法のマイティ マスター、かがりアッコの愛するいとこ、愛する守護天使、リンカーン ラウドの将来の妻、いじめっ子の軽蔑者、イッキー ヴィッキーの粉砕者、悪のスレイヤー、混乱した、殺人的で、冷酷で、サディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、エルダー スクロール スペルのマスター、タムリエル帝国の年代記者、闇、魔法、魔術師のマスター

Sheena Kagari has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY MIGHTY MASTER OF MAGICAL ANGEL OF DIVINE DARK MAGIC JUSTICE AND DIVINE DARKNESS MAGICIAN LOVE!

We were amazed by Sheena Kagari's Super Angel Xelnaga Eternity

Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Razul saw it, he fell into a black rage and fired a blast of fire at her, but Sheena Kagari absorbed it and it made her even more powerful than ever, and she fired a powerful purple energy blast with darkness, magic, stars, and magicians at Razul, and it exploded with incredible power as it hit him and sent him flying into a wall, but he's not out yet.

Akko: Whoa, Sheena's transformed, awesome.

Nico: You said it, Akko, and it's about to get even more intense when Lincoln joins in the fight as well.

Me: And teaches Razul a lesson.

Lincoln: You said it. And Sheena, you look beautiful. How do you feel?

Sheena Kagari: (Divine Echoing Cosmic Voice of The Dark Mighty Master Magician and Divine Darkness Magic Love) **I feel incredible, Linky. Now, shall we deal with Razul once and for all?**

Lincoln: (Smiles) With pleasure, Sheena.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Sheena Kagari.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to put an end to this hot-headed evil sorcerer once and for all.**

Lincoln and Sheena Kagari went after Razul, who continued firing blasts of fire at them, but they've absorbed the blasts of fire and it made them even more powerful than ever, and they fired extremely powerful blasts of rainbow energy, purple energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Magicians at Razul, and they exploded with incredible power as they hit him. Then, Lincoln attacked him with his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds with powerful slashes and Sheena Kagari blasted him with her new Mage's Staff. Then, Lincoln grabbed Razul and he began sucking out Razul's fire powers, fire, and magic, and gained a massive power boost. Then, when he was done, Razul was reduced to nothing.

Then, as Razul's spirit appeared, Sheena Kagari and Lincoln fired powerful energy beams, which hits Razul, and they exploded with incredible power and sent him to The Black Gates forever. We cheered wildly for what Sheena Kagari and Lincoln did to Razul, as they holster their weapons and powered down, and Sheena Kagari's new body, clothes, weapons, jewelry, and massive pink angel wings are permanent.

Sheena Kagari: That'll teach that evil monster a lesson, and thanks for helping me destroy Razul for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sheena.

Suddenly, Sheena Kagari wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Sheena Kagari's face, they kissed passionately as Sheena Kagari's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Endymion, Mighty Master of Magic flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and magical forces behind them and we all cheered wildly.

Nico: Whew, that'll put an end to that hothead for good.

Lincoln: Yep, and that makes another enemy of Neopia down for the count.

Me: But, there's more of them out there, Linc, but we're ready for them.

Lincoln: Yeah. If they think they can cause havoc in Neopia without thinking about the consequences, they've obviously haven't met any of us.

Siyana: That's correct, Linky.

Ariadne: With many of Neopia's enemies still out there, we have to be ready for them.

Lincoln: Yeah, that's right, Ariadne. They're dangerous, not to mention powerful as well, but so are we, and we know a lot about them.

Nico: Hey, yeah, that's right.

Lola: We won't let those creeps hurt the Neopets.

Lana: They'll pay for their crimes in full. One day, we should also have adventures in Neopia as well.

Nico: Not a bad idea, Lana, and since Neopia's merged with our world, we'll be sure to explore all of the lands as well.

Tenchi: Thanks for helping me, guys.

Thundermon: No problem, Tenchi.

Me: It was the least we can do to help a friend.

MetalSeadramon: And you have a harem now.

BlackWarGreymon: You earned it

Me: You got that right. Now we have 7 members of the team that have awesome harems too.

Bart: Yep. And I'm the 7th member.

Qin: That's right! I remember.

Machinedramon: I'm just glad everyone's back together.

Puppetmon: Me too!

Me: We all are glad.

Ayeka: It's going to be an honor to be with you all.

Nico: Yeah. But great job today guys. We're back in business.

Me: Yeah we are!

Tenchi: (To the viewers) This was such an awesome and fun adventure! Hope you all loved this one as much as we did.

Qin: I know we did.

Me: Me too. And it's great to be back in business after a big war we had last week and a long vacation.

Laney: You got that right.

Nico: Yep. But great job today. Lets head home guys.

We went back home and got Tenchi and his future wives all settled in and enjoyed the rest of the day and went to sleep. Man this was an awesome day for all of us.

THE END

For Lincoln's rescue tomorrow, Lincoln and his group are going to Fairy World, and Lincoln and his group are going to get a treasure meant for Timmy Turner: it's called The Fairy World Compendium, it's an ancient spellbook said to have been made by the First Fairy King, and inside of its pages is a massive compendium of powerful spells and this book also holds detailed accounts of the beginning of Fairy World's history. And after acquiring The Fairy World Compendium, we're also going to destroy Imaginary Gary, who's come back from the dead, and he still wants revenge on us for killing him long ago. And they're going to meet Emily Monroe, she's Lincoln's Guardian Angel from Michigan and his classmate in Science, and she's also has a powerful reputation in the world of Disney: she's known as The Defender of The Disney Kingdom, and she knew the Disney Heroes and fought against the Disney Villains when she travelled to the world of Disney when she was eight years old. She was also the one who got Lincoln into watching the Disney cartoons when they were eight, and this one time, she took him, Luna, Leni, Laney, Lana, Lucy, and Lily to the world of Disney, and it was also where they met the legendary Disney Heroes and characters, and she also hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion. Get ready for a funny adventure that will make you laugh your socks off as we head to the planet Mars with Fred Randall and his crew to help them on their mission and we're going to battle and humiliate the Wet Bandits who have escaped from the Uranus Prison and are hiding out on Mars and we're going to humiliate them with EVERY TRICK They were hit with. So Megasonic1000 I'll need all the techniques of humiliations you can muster on them.

See you all tomorrow. And it's great to be back.

In the early morning hours at 2:53 AM, Lori had a dream, and she saw three figures who was hiding out and living in the streets of Austin, Texas. But, they were no ordinary three figures, their were Peach Blossom, Bluebell, and Atalanta/Attie, adopted daughters of Lori Loud-Santiago. Lori woke up from the dream, but he wasn't the only one, Roxanna Santiago-Loud, Lydia Santiago-Loud, Roman Santiago-Loud, Linda Santiago-Loud, Lexi Santiago-Loud, Rhonda Santiago-Loud, Libby Santiago-Loud, Lancer, Lincoln Loud, Nico, and I also had the same dream.

Lori: Let me guess, the same dream as me?

Lincoln: We sure did, sis.

Roxanna Santiago-Loud: And it also means that we found out where our adopted sisters are at.

Lydia Santiago-Loud: And they also called themselves the Hollow Shades Music Club.

Lexi Santiago-Loud: Kinda like the Cutie Mark Crusaders.

Lancer: But the question is, Where?

Me: they're at Austin, Texas.

Nico: Oh man, that's not good. It's the same place when we found Dazzle, Jing-A-Ling, and Ting-A-Ling, And it is not a safe place for little kids like them.

Lori: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lincoln: You got that right, sis.

Lori, Lincoln Loud, Roxanna Santiago-Loud, Lydia Santiago-Loud, Roman Santiago-Loud, Linda Santiago-Loud, Lexi Santiago-Loud, Rhonda Santiago-Loud, Libby Santiago-Loud, Lancer, Me, and Nico were heading to Austin, Texas. Then, Lincoln saw a 10-year-old girl who has short orange hair that is tied into a small ponytail, peach skin with white freckles on her checks, and yellow eyes. she wore a red shirt, blue overalls, and small yellow work boots. A 10-year-old girl who has long curly blue, violet, and purple hair, lilac skin, and magenta eyes. She wore an aquamarine striped tank top, white pants, and aquamarine closed toe sandals. And a 10-year-old girl who has raspberry hair that was shaved around the sides, green skin, and orange eyes. She wore a white sleeveless sports hoodie, black shorts, and purplish pink running shoes. Lori saw who they was, it was Peach Blossom, Bluebell and Atalanta/Attie.

Lincoln: Excuse me, are you the Hollow Shades Music Club?

Peach Blossom: Yes we are, And who are you?

Lori: I'm Lori Loud of Team Loud Phoenix Storm, and this is my little brother, Lincoln Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan.

Peach Blossom, Bluebell, and Atalanta/Attie were stunned.

Bluebell and Atalanta/Attie: The Legendary team themselves?

Lori: Yes.

Peach Blossom, Bluebell, and Atalanta/Attie ran up to Lori, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Roxanna Santiago-Loud, Lydia Santiago-Loud, Roman Santiago-Loud, Linda Santiago-Loud, Linda Santiago-Loud, Lexi Santiago-Loud, Rhonda Santiago-Loud, Libby Santiago-Loud, me, Nico, and Lincoln joined in on the hug.

Lori: And there's something you three should know, I adopted not only just you three, I'm also adopting Lancer.

Lancer: Adopted?!

Lori: Yes Lancer, Your adopted as well, I can use a boy in my family.

Lancer: Are you saying that because… you're our mother now?

Lori: (smiled) What else I won't I be, little lance?

That filled Lancer, Peach Blossom, Bluebell, and Atalanta/Attie with joy, as she picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lori: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lori told everyone what happened, and she then introduced Peach Blossom, Bluebell and Atalanta/Attie to the rest of her siblings, who are now their aunts. We were proud of what Lori did, and Lancer, Peach Blossom, Bluebell, and Atalanta/Attie now has a loving, strong, brave, and caring mother in their life. And when Bright Eyes Loud heard about Lancer getting adopted by Lori Loud, She blushes so hard and Suddenly, Bright Eyes Loud wrapped her arms around Lancer's neck, as her chest was pressed against Lancer's pecs and her stomach pressed against his abs, which'd brought an atomic red blush to Lancer's face, and he wrapped his arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lancer leans down to Bright Eyes Loud's face, they kissed passionately as Bright Eyes Loud's left arm was still wrapped around Lancer's neck, but she moved her right arm and her right hand onto Lancer's right pec, and when the Lori's Kids and Lincoln's kids see them, they all cheered wildly.

---

[The episode begins in the Fortress of Solitaire.]

One-Eyed Jack: [in Clyde's voice] "Well, Ace, we've narrowed down the suspects to… the Card Shark, Snake Eyes, and the Old Maid." [shows said cards] "But which one made off with the golden die?"

Ace Savvy: [in Lincoln's voice] "It's as clear as the mustache on your face, Jack. Only one of these villains could've done the deed. And that is…"

[It reveals that Lincoln and Clyde are reading the comic in Lincoln's living room, dressed up as Ace Savvy and One-Eyed Jack, respectively. Me, Laney, Nico, Nick, Lori J., Varie and Lily are with them. Laney is dressed up like Lady Solitaire.]

Lincoln: "My money's on the Card Shark."

Me: My money is on Old Maid.

Laney: I'm thinking it's the Card Shark.

Lori J.: Me too.

Nick: This is so cool.

Clyde: "Same. The guy never blinks, you just can't trust him. OK, let's see." [turns the page to show that it was indeed the Card Shark.]

Lincoln: "Boom!"

Clyde: "Nailed it! We just solved our fifth case in a row." [Me, Laney, Clyde and Lincoln fist bump] "We're on a hot streak."

Nico: Card Shark you have failed this city.

We laugh.

Lily: That is always a great line Nico.

Nico: Thanks Lily.

[Right then, the front door opens and a pretty sad Leni walks in.]

Lincoln: [concerned] "Hey, Leni. How was work?"

Leni: [on her knees hugging the newel] "Terrible!"

Me: (Concerned) Leni, what's wrong?

Lincoln: [he and Clyde rush over] "What happened? I thought things were going great at the store."

Leni: "They were… until this afternoon…"

Me: What happened?

[Flashback to Reininger's that afternoon. Leni is helping Girl Jordan at the check-out counter.]

Leni: "Your receipt's in the bag, along with some samples of our new scent: Sugar Cookie Sunshine."

[Girl Jordan beams at this and looks in her bag.]

Girl Jordan: Thanks Leni.

Leni: You're totes welcome Jordan.

[Leni notices a woman picking out a skirt and she walks over.]

Leni: "That skirt would look great on you. And it also makes a cute poncho."

Woman: [gasps with delight] "You just changed my life!"

Ms. Carmichael: [clears her throat] "Uh, Leni?"

Leni: "Hi, Mrs. Carmichael. How's the monthly inventory going?"

Ms. Carmichael: "Not great. Several scarves have gone missing. Can you come with me?"

Leni: "Are we going on a scavenger hunt?"

[End of flashback]

Leni: [tearing up] "There was no scavenger hunt. She thinks I stole the scarves!"

Lincoln: "What? Why would she think that?"

Laney: Yeah. I don't understand.

Leni: "They were all from my department, and they all went missing in the month that I've worked there, so she said she had to let me go. And I said, 'Go where?', and she said, 'That means you're fired!'" [wails screamingly]

Ed comforted her.

Ed: There there Leni. (Pats her back) There there.

Lincoln: [to Clyde] "That is so unfair. Leni would never steal anything."

Me: I agree. This is taking things way too far.

Laney: Yeah. Leni is not the kind of girl that would steal things like that.

Clyde: "This is worse than the time Crazy 8 was falsely accused of stacking the deck." [Lincoln gets an idea] "If only there was someone who could help clear Leni's name."

Ed (to a crying Leni): Leni, it's gonna be ok. I'm going to talk to the mall owner to straighten this whole mess out.

Leni (crying): Just don't beat her up, ok?

Ed (smiles): I won't. (Leni smiles back)

Ed leaves the house and he grins evilly.

Ed: But Edzilla will!

Me: I have a strong feeling that someone is out to ruin Leni's good name.

Nico: Yeah. I can feel it.

Nick: Whoever it is must have some kind of personal vendetta against Leni and whoever it is really hates her.

Laney: I don't think they would go that far.

Me: We'd better do some detective work and clear Leni's name as we figure this out.

Eddy was watching cartoons with Luan, Linka, and Double D when they heard Edzilla roar.

Eddy: That doesn't sound good.

Luan: That's Edzilla!

Linka: It's coming from the Mall.

Edd: Oh dear! Ed must've gone over there!

Me: Lets go guys!

We rushed over to the mall.

---

We arrived at the Mall and saw Edzilla smashing up the store.

Karai: (Japanese Accent) Ed! What ware you doing?!

Edzilla: MALL OWNER HURT LENI! NOW ED WILL SMASH MALL OWNER!

Xion: Ed, she's not worth it!

Edzilla: ED NO CARE! MALL OWNER WILL BE SMASHED!

Eddy: And then what, Lumpy? After you smash her, you'll go to jail for the rest of your life!

Double D: Ed, there are other ways we can solve this. But smashing the mall owner isn't one of them!

Me: That's right Ed. We'll find whoever did this to Leni and make sure that she suffers the consequences for their crimes.

Edzilla changed back.

Ed: You're right guys.

We went to Reininger's, where Leni worked. We saw the manager of the store.

Me: Excuse me? Are you Mrs. Carmichael, the manager of Reininger's?

Mrs. Carmichael: I am. J.D. Knudson and Team Loud Phoenix Storm. It's such an honor to see you all here.

Me: It's a pleasure to meet you as well. We have a couple of questions regarding an incident that happened here with Leni.

I pull out a clipboard.

Me: Can you tell us what went down just a couple of hours ago?

Mrs. Carmichael: Sure.

Mrs. Carmichael told us that she believes that Leni stole scarves from her department but that's all that she gave us.

Me: That is so strange.

Maria: Excuse me. You fired Leni because you thought that she stole several scarves. But she would never do that.

Me: I agree. Something is very fishy here. Mind if we take a look at the security cameras?

Mrs. Carmichael: Not at all J.D.

Jackie, Mandee, Fiona and Miguel arrived.

Miguel: Guys! We heard what happened to Leni.

Fiona: Yeah. We heard she was fired for stealing scarves. But I don't think she did it.

Jackie: Yeah Leni is not like that.

Mandee: I have a feeling someone is out to ruin her name.

Me: We think so too guys. Would you like to help us?

Jackie: Sure.

Mandee: Leni is our best friend at school.

Fiona: And our best friend at work so we're gonna help her.

We went to the security camera room and reviewed the footage from over the last 24 hours.

Kraven: (Russian Accent) So what exactly are we looking for?

Me: Any information that will tell us who or what is behind getting Leni fired.

Kraven: Who would have a grudge against Leni besides the Legion of Doom?

Me: That's what we intend to find out.

I scrolled through the footage and at 12:37 AM on the tape, I saw a strange figure in Leni's department. It was wearing a black shirt with black hair and blue jeans with sneakers.

Me: Wait. Look here guys.

We saw the figure.

The figure then swiped the scarves from Leni's department. We gasped.

Mandee: That is not Leni. She does not have black hair.

Me: Yeah. Your hunch was correct Nico. Someone stole the scarves from Leni's department and framed her for it.

Laney: She cost Leni her job.

Lori: Can you literally find out who it is?

Me: The image is too blurry to get a clear image of the face.

Lisa: Perhaps I can be of assistance.

Lisa pulled out her computer and downloaded the image to it.

Me: Okay. Nico, you take some of the group and go search. We'll let you know if we find anything.

Nico: You got it.

Mrs. Carmichael: When this is over, I owe Leni an apology.

They did so.

---

In the lobby of the mall, Nico, May, Lincoln, Laney, Lana, Lola, Luan, Eddy, Edd, Linka and Clyde were getting ready.

Nico: Let's split up and search for whoever framed Leni.

Lincoln: Okay. Me, Laney, Lana, Lola, and Clyde will search the east side of the mall.

Nico: And we'll take the west side.

Nico sent out his Raichu.

Nico: Raichu you come with us. Lets go.

They split up and searched.

---

Lisa had the image we found on the cameras enhanced and we got a much better description of the girl that framed Leni for stealing scarves. She had black hair and red eyes and a scar on her face in the shape of a ninja star.

Lisa: The image is all better.

Me: Lets see.

We looked at the image and Lori gasped.

Lori: I know that girl! That's Belle Muldoon.

Fiona: No way!

Miguel: Evil Belle is behind all this!?

Nick: Who was she?

Lori: She used to be one of Leni's best friends before Jackie and Mandee here. But something happened to her that literally made her bore a terrible vengeance against her.

Me: What happened Lori?

Lori: She got jealous of Leni being much prettier than she was. They literally got into a nasty fight and it ended up with Leni slashing her face, leaving a scar in the shape of a ninja star. Ever since then, Belle has literally hated Leni's guts with a terrible vengeance.

Fiona: I know Belle. She never talked to me that much, but she has a really rotten temper. One time, I saw a bunch of pictures in her house plastered over her wall and had them all covered in red paint with the words "Kill Leni." She hates Leni with a terrible vengeance and she even had dolls that looked Leni with their heads cut off.

Me: Geez! That is not just a terrible vengeance, that's a merciless vendetta. When did this happen?

Lori: It was 1 year before you moved here J.D.

Me: Oh man. This girl has some serious problems.

Lori: She literally does. She was expelled from school and she swore to get revenge on Leni no matter what.

Me: That is awful. This girl needs to go to prison or a psychiatric hospital.

Varie: She should never be allowed to walk the streets of Gotham Royal York ever again.

Aylene C.: She's far too dangerous.

Lori: I literally agree with you Aylene. Not just to everyone around her but also to herself. When I get my hands on her I'm literally going to turn her into a human pretzel!

Me: Oh she will pay for this. She'll pay with interest in not just blood, but also money and jail time. Or Mental Hospital time, whichever sounds appropriate.

My eyes glowed red with righteous fury.

I pulled out my radio and called Nico. I told him to regroup at Reininger's.

When we regrouped we told him what we found out.

Lana: So Scarred Belle is behind this!

Luan: I thought we had seen the last of her for trying to attack Leni.

Me: Now she's back for revenge. She must've been planning this for weeks after Leni ruined her life.

Fiona: We know Belle and she has a lot of problems up here. (Taps her head)

Laney: She needs to be stopped.

Me: I agree.

I concentrated and found her.

Me: She's this way.

We went to an employees only room and opened the door. We saw Belle Muldoon with the scarves.

Me: Belle Muldoon.

Belle: That's right. J.D. Knudson. It's such a pleasure to meet you.

Me: Skip the pleasantries Belle. You got Leni fired for your crime. All because you wanted revenge for what Leni did to you.

Belle: That's right! Leni ruined my life! She gave me this ugly scar and got me expelled.

Me: That scar looks cute on you Belle. But you brought all that on yourself because of your own petty jealousy.

Nico: Belle Muldoon, you have failed this city!

Edzilla: ED SMASH PUNY GIRL!

Lori: No Ed. She's mine.

Lori walked up to Belle and grabbed her by the shirt. Lori had a massive fire in her eyes as a Satanic Cultist Choir sang in the background and real fire blazed in the background. Her teeth were now razors and her eyes were now demonic and slitted.

Lori: You got Leni fired you shameless little (Censored)! For that I am literally going to turn you into a Human Pretzel!

The vicious sounds of punching, kicking, biting and screaming was heard as Lori ferociously and mercilessly pulverized Belle practically to within an inch of her miserable life.

Fiona: Let me join in!

Mandee: Save seconds for me!

Jackie: Count me in!

Mandee, Jackie and Fiona joined in the fray and they mercilessly pulverized her into pulp!

POW! BIFF! CRACK! CHOMP! CRUNCH! BAM! BLANG! BLAM! QUACK! HONK! ZONK! KROW! KATOW! THWACK!

We winced and covered our eyes as Lori, Mandee, Jackie and Fiona viciously and mercilessly thrashed and pulverized Belle to an incredible level. When it was done Belle was rushed to the hospital handcuffed to her hospital bed and wrapped in a full body cast.

Ed growled at Belle as she was carted off.

Leni (pets Ed's head): Hey, big guy. Sun's going real low. I'm right here. No one's going to hurt you.

---

[And so, Leni is at her job and was happy to be back. She then sees a woman near the jackets looking at a black top.]

Leni: "Cute top! And did you know that you can also wear it as a pencil skirt?"

[Ms. Carmichael appears]

Ms. Carmichael: "Oh, Leni, I can't apologize enough for accusing you of stealing those scarves. Is there any way I can make it up to you?"

Leni: [thinking] "Hmm… Are there any sweaters I can fold?" [Ms. Carmichael smiles, just then, we all arrive.] "Hey you guys! Thank you so much for getting my job back. I've been telling everyone at the mall what totes amazing detectives you are."

Me: Ah you're welcome Leni.

Fiona: It's great to have you back Leni.

Miguel: Same here.

Varie: What Belle did to you was wrong on so many levels and we had to help out.

Aylene C.: Yeah. And now she's paying for it. After she gets out of the hospital she's going to spend 60 years in the Antarctica Prison with Lenny Baxter as her cellmate.

We laughed.

Lola: Not only that but she has to pay $230,000,000,000,000.00 in restitution to you.

Me: The lesson here is, never challenge the ferocity of Lori, Fiona, Jackie and Mandee's wrath.

Lori: (Laughs) You literally got that right J.D.

Bobby: That's my awesome babe.

We laughed some more.

Kraven: (To the Viewers) Never mess with my comrades or there will be debts to pay in blood.

Me: True to that Comrade Sergei.

---

When I was done everyone that hadn't heard about it was shocked.

Qin: I can't believe that Belle Muldoon would frame Leni like that!

Me: And all because of her unbridled jealousy!

Varie: No kidding!

Nico: Edzilla was set to destroy the mall when he found out.

Me: Yeah he was. But we had to use our heads on that one instead of using action first.

Qin: Wow.

Camie: Fiona I'm just really glad that Belle is gone forever. Her parents made a monster.

Himiko: No kidding there.

Fiona: I am glad too.

Rin Nohara: At least Mrs. Carmichael patched things up with Leni.

Nico: Thanks to awesome detective work and Lisa's technological enhancements of the footage.

Lisa Loud: Indeed. I'm glad I was able to be of assistance.

Tsuyu: That is really awesome.

Sunny Starscout: Yeah it sure is. Also we talked to Jazz Hooves, Posey and Dahlia and they are honored to be part of the M.O.E. Battle roster.

Nico: That's great Sunny.

Razorclaw: We're happy for them.

Lola: Yeah we sure are.

Nico: And now, we have another harem on the team.

Me: Yep. Tenchi Masaki and his awesome harem.

Eli: You got that right.

Me: Yep.

Lincoln: I'm happy for Tenchi too.

Qin: We all are.

Xenia: Same here. And it'll be interesting to see the planet Jurai in the future.

Camie: It sure will be interesting.

Hitch Trailblazer: Yeah it sure will be cool.

Nico: I'm just glad to have everyone back together.

Me: We all are man.

Samus: Yeah me too. But I'm really excited to meet the next gene-slammer.

Me: Me too Samus. Even though she technically isn't a gene-slammer and is more of an artificial hybrid, Danica is going to be really awesome to meet.

Camie: You got that right. What was destroying her that they had to save her life with 6 of those species?

Nico: I can't remember actually. It's a very strange and very extremely rare disease that I never even heard about. It was called CJD?

Nicole: (GASP) Creutzfeldt-Jakob disease! That's a really rare and fatal brain disorder. I'm really amazed they were able to save her from that. That is incredible.

Lisa Loud: It sure is. I'm really impressed.

Nico: Yeah me too.

We got to work and cleaned up all the garbage in Maretime Bay and made it spotless.

Me: That's all the garbage.

Qin and Rarity were putting up the decorations.

Qin: There. Not a bad job.

Rarity: Oh it's beautiful darlings.

Razorclaw cut some old strings.

Razorclaw: There.

But then we saw a red earth pony causing trouble.

Sunny Starscout: Oh no not again.

Me: Who is that jerk?

Sunny Starscout: That's Sprout Cloverleaf and he is what we call the town nuisance.

She told us all about his history.

---

Sprout Cloverleaf is the main antagonist of the 2021 Netflix-exclusive animated movie My Little Pony: A New Generation and it's 2022 video game spinoff My Little Pony: A Maretime Bay Adventure.

He, alongside his close friend Hitch Trailblazer, served as the sheriff of Maretime Bay, serving and protecting the residents, but also keeping away both unicorns and pegasi from entering the city. He is also the son of Phyllis Cloverleaf, who is the founder of Canterlogic in Maretime Bay and the former childhood friend turned enemy of both Sunny Starscout and Hitch Trailblazer.

He was voiced by Ken Jeong, who also plays as Mr. Greene in Norm of the North, Leslie Chow in The Hangover, King Argotron in Role Models, Ben Chang in Community, and Neil Lyman in Furry Vengeance. His singing voice was provided by Alan Schmuckler. In A Maretime Bay Adventure, he was voiced by Josh Graham.

# My Little Pony: A New Generation

In his childhood, Sprout was first seen playing with carved figurines of the Mane Six with Sunny Starscout and Hitch Trailblazer. While he and Hitch were taught to fear and despise other pony races, Sunny believed in the possibility of friendship between the three pony races and dreamed of befriending a pegasus and a unicorn one day. He and Hitch later left Sunny's home.

As he grows up, Sprout becomes a deputy sheriff of Maretime Bay. One day, he was seen spying on Sunny to prevent her from reaching the Canterlogic Building. After her attempt was foiled thanks to Hitch and Sprout's interventions, Sunny eventually sneaks past them into the building. During the presentation, he and Hitch witness Sunny's attempt to convince other ponies that pegasi and unicorns can be friends.

Suddenly, when an unicorn named Izzy Moonbow comes to Maretime Bay, Sprout is seen being afraid of her along with the other earth ponies. After Sunny releases Izzy from a unicorn strapping device, Sprout cowardly gets himself trapped inside the device so he wouldn't come to the lighthouse with Hitch. When he and Hitch arrived to arrest Sunny, Sprout cowardly runs away when Izzy makes a distraction that allows her and Sunny to easily sneak away from them.

Later at the Maretime Bay police station, Hitch leaves Sprout in charge to keep the citizens safe while he goes after Sunny and Izzy. When a jealous Sprout complains about how Hitch became a loved and respected figure, his mother Phyllis embraces his new position as the temporary sheriff. Enjoying his position, Sprout convinces the earth ponies to use fear and paranoia for his self-purposes, with singing the song "Danger, Danger".

At the Canterlogic factory, Sprout, now called himself an "emperor", oversees the workers building a large machine so he could use it to carry out an ethnic cleansing against the pegasi and the unicorns. He also ordered them to continued with the project instead of letting them taking a break. Despite his mother's effort of having him take it easy, he is still determined to continue with the project.

In the afternoon, Sunny and Hitch returned but discover that Sprout taken over Maretime Bay and has prepared to wage a war on the other pony races. Sunny and Hitch try to reason with the earth ponies, as even Hitch now knows that he was wrong about unicorns and pegasi and tells them they can really be friends and says they're just as harmless as they are because they have no magic, much to Phyllis's surprise. But Sprout still didn't care that they're defenseless and still wants to attack them. He then uses his massive tank that can be used against the pegasi and unicorns called "Sprouticus Maximus" and chases Sunny and Hitch. Before the duo could warn everypony else, Sprouticus Maximus appears to endanger everypony present.

When Sunny and her friends try to unite the three crystals, Sprout tries to prevent them from succeeding at it by ramming his tank to the side of the lighthouse. When Phyllis tries to stop her son from descending into madness, but Sprout ambitiously and determinedly refused to until she jumps off in front of the machine, leading to him accidentally destroying the lighthouse in the process. However, Sprout is then seen listening to Sunny saying that the three pony races themselves can bring everything back by reuniting. He later witnesses Sunny turn into an Alicorn and the magic being brought back in Equestria.

At the end of the movie, Sprout asks his mother if he was a good sheriff, only for him to be tricked into seeing a flying dog. After she walks away as to avoid answering his question, he was last seen sulking in dismay.

## My Little Pony: Tell Your Tale

So far, Sprout has not appeared in the series. However, his crimes and actions would be remembered as a criminal and a tyrant after his true colors and intentions were revealed throughout the Maretime Bay, making him infamous and living in shame and disgrace as result of this. He also received a wanted poster in front of the Maretime Bay police station noticeboard.

## My Little Pony: A Maretime Bay Adventure

Sprout returns in the game. He gives Sunny the task of talking to witnesses to determine who vandalized the billboards in Maretime Bay. After talking to witnesses and getting descriptions that implicate Izzy and Zipp, Sunny finds three witnesses who give a description that matches Pipp, though it's revealed the pony was wearing fake wings and trying to frame her. It is discovered that Sprout was vandalizing the billboards and framing Sunny's friends because he's still uncomfortable with Pegasi and Unicorns living in Maretime Bay. In the end, Sprout is forgiven.

It should be noted that the events of this game do not appear to be canon, as Sprout is once again the deputy of Maretime Bay, despite Make Your Mark and Tell Your Tale showing that he was fired after the events of the movie.

---

When she was done we were shocked!

Me: Oh man!

Nico: Why that 2-faced egotistical son of a bitch!

Sunny Starscout: He's more like a nuisance than a bad guy. He just likes to be an idiot.

Nico: Oh. But he will be a good member of the M.O.E.

Me: And I got just the archenemy for him. But I'm going to give that radish-headed pony a piece of my mind.

I went over to him.

I went up to him.

Me: Are you Sprout Cloverfield?

Sprout: Who wants to know?

Me: J.D. Knudson, 2nd In Command of Team Loud Phoenix Storm that's who.

Sprout: So you have come up to me for?

Me: To teach you a lesson about messing with the friendships of Earth Ponies, Pegasi and Unicorns.

Sprout Cloverfield: (SCREAMS) Don't hurt me!

He ran away like a coward!

Me: GET BACK HERE MEAT!

Nico: AFTER HIM!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Albedo turned into Negative Fastttack.

Negative Fassttack: This should be useful for this chase.

Me: Yeah!

We flew after him!

Nico: Come back here you coward!

Sprout Cloverfield: You'll never take me alive!

Me: You aren't the only one that likes to run.

And then I ran fast and so did Rainbow Dash and then…

ZOOOOOOOOOMMMMM!

We did a wolf fire Sonic Rainbow and a Rainbow Sonic Rainboom and we caught up to him and dogpiled on him.

We got him.

Me: Take that!

He then faced us.

Razorclaw: Oh it's a fight you want. Well we will give you one. Razorclaw, TERRORIZE!

He transformed!

Nico: YEAH!

Maria: I bet you can't even fight.

Sprout: Oh no!?

He went at us like a rampaging bull as I pulled out a red cape and he charged and then…

KRABLANG!

He hit an anvil that I revealed from behind the cape.

Nico: (LAUGHS) THAT WAS FUNNY!

Me: Now watch this.

I pulled out my Wonder Ride Book.

Me: (Reads Verse) "And the brave heroes fought the foe diligently as he was hit with numerous records that popped out of nowhere."

ZOOM! BLAM BLAM BLAM BLAM BLAM BLAM BLAM!

Numerous records appeared and hit him out of nowhere and it hurt!

Nico: Nice one!

Nico pulled out his Wonder Ride Book.

Nico: (Reads Verse) "And then a lamp post hit him on his head.

KRABLANG!

It really hurt!

Sprout: Ow.

Eli pulled out his Wonder Ride Book.

Eli: (Reads Verse) "And then lightning struck the foe with intense electricity."

THUNDERCLAP!
ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPP!

He was burned to a crisp. Ouch.

Fiona: My turn!

Fiona pulled out her Wonder Ride Book.

Fiona: (Reads Verse) "And then he was trampled by a stampede of wild moose.

A herd of moose appeared out of nowhere and Sprout got trampled by them!

Nico: WHOA!

Me: I was expecting Hippos but moose are just as good.

Varie pulled out her Ride Book.

Varie: Watch this one. (Reads Verse) "And then everyone donned awesome egg bazookas and blasted him with Eggs all over."

Me: We'll show you who's chicken! Watch this!

We had them ready.

SPLAT! SPLAT SPLAT SPLAT SPLAT! SPLAT!

We clucked like chickens as Sprout was getting pelted and splattered with eggs!

SPLAT SPLAT SPLAT!

Camie pulled out her Wonder Ride Book.

Camie: (Reads Verse) "And then everyone donned marble blasters and fired marbles which caused the foe to slip and fall."

We fired marbles and then…

SLIP! CRASH!

Sprout fell to the ground with a big thud!

Kaito: (gets out Denziman gear) Let's get this party started!

Zocks: (gets out Battle Fever gear) Here's our invitation!

Kaito got a Denziman Sword and Zocks got a Battle Fever Sword!

Chloe Bourgeois got out her Wonder Ride Book.

Chloe Bourgeois: Watch this one. It's a gas! (Reads Verse) "And then the foe got a really nasty case of gas and farted uncontrollably as numerous whoopee cushions appeared on the ground and he stepped on them and they farted and exploded with ketchup and drenched him in sauce and farted too."

FART FART FART FART FART FART FART FART! KRAFART SPLAT KRAFART SPLAT!

Sprout was farting uncontrollably and getting drenched in ketchup and stepping on whoopee cushions and getting splattered in ketchup!

We laughed hysterically at that one!

Sprout Cloverfield: Okay that one was funny!

Sougo: (gets out Lupinranger Ridewatch) Here's an advanced notice: We're taking your treasure!

Sougo got LupinRedArmor.

Me: And we're going to kick your big ugly fucking ass!

Qin: YEAH! Oh here's a good one for Nico.

She pulled out her Wonder Ride Book.

Qin: (Reads Verse) "And then the foe got buried in a massive avalanche of cheddar cheese wheels and slices and wedges and they were not only tasty but a certain hero loved eating them."

Then just like that numerous cheese wheels, wedges and slices fell onto Sprout and he was covered in them.

Nico: (Eating cheese) MMM! That was a great one.

Sprout: That one was a cheesy one.

Nico: Yep.

Sougo threw a Phantom Thief Calling Card at Sprout.

Sprout: Huh? What's this?

Sougo: A little calling card for you.

Me: Shows that you got your ass kicked by us. With crazy silly shenanigans.

Then…

CLICK!

Vypra appeared and slapped the cuffs on him.

Vypra: And you are going to be under the servitude of the Masters of Evil. Those pranks were really funny guys.

Me: (LAUGHS) They sure were.

Fiona: But we're not done yet.

Sprout: I need a better life instead of trying to be a tyrant.

Me: Good.

Vypra teleported back to M.O.E. HQ.

Me: First lets get all of this cleaned up. That was a goofy battle.

Nico: It sure was.

We cleaned up everything and then a black figure zoomed passed us with incredible speed!

Me: WHOA! Did you see that!?

Nico: It's really fast!

Then it was revealed to be a black version of Fasttrack!

Me: Whoa! Another Fasttrack!

Nico: A fast one!

Me: Yep.

Another Fasttrack: (In a girls voice) That was so radical doing all that to Sprout.

Me: Stacey Vickingston!? Wow!

Nico: Wait THE Stacey Vickingston!? The famous X-Games Champion?

Another Fasttrack: Yep the very same.

Me: And she is a great skateboarder too.

Another Fasttrack: Yeah and I'm also a tomboy too.

Me: That's all right.

Lana: Welcome to my world.

Me: You're also the second fastest out of the Another Omnitrix Aliens we've encountered.

Another Fasttrack: Yeah I sure am.

Negative Fasttrack: Did Swartz promise you anything?

Another Fasttrack: Just to be the greatest Skateboarder ever.

Me: You already are the greatest in our books and Stacy Bolton and many of us can help you become the greatest.

Another Fasttrack: I can't argue with that. And I knew Swartz was lying to me.

Me: Well also Swartz is dead and Nico here killed him by making him eat his own heart.

Nico: Yep.

Another Fasttrack: Awesome!

Me: Yep. Sorry we have to fight.

Another Fasttrack: I know. But I saw your fight earlier and that was one of the goofiest and funniest ever.

Me: That was the goofiest battle we've ever done and it was cool.

Another Fasttrack: It sure was.

Me: Yep. Lets get it on! Lets start out with someone fast. (ACTIVATES REVERSE FLASH'S RIDEWATCH)

He activated it.

Me: Never in a million years Fiona.

Fiona: (ACTIVATES SNAKE'S RIDEWATCH)

(PROMISES PROMISES BY NAKED EYES PLAYS)

Fiona: (SINGING DIVINELY AS LIGHTNING SWIRLED AROUND HER)

Never had a doubt in the beginning

Never a doubt

Trusted you true in the beginning

I loved you right through

Arm in arm we laughed like kids

At all the silly things we did

You made me promises, promises

Knowing I'd believe

Promises, promises

You knew you'd never keep

Second time around, I'm still believing

The words that you said

You said you'd always be here

"In love forever" still repeats in my head

You can't finish what you start

If this is love it breaks my heart

You made me promises, promises

You knew you'd never keep

Promises, promises

Why do I believe?

Arm in arm we laughed like kids

At all the silly things we did

But you can't finish what you start

If this is love it breaks my heart

You made me promises, promises

You knew you'd never keep

Promises, promises

Why do I believe

All of your promises

You knew you'd never keep

Promises, promises

Why do I believe?

Promises

Promises

Promises

Promises

Promises

She danced and fired waves of lightning and electrocuted her all over.

Sunset Shimmer: Oh yeah! Time to burn! (ACTIVATES CAROLINA REAPERS RIDEWATCH)

(MY SONGS KNOW WHAT YOU DID IN THE DARK (LIGHT EM UP) BY FALL OUT BOY PLAYS)

Sunset Shimmer: (Singing Divinely as fire swirls around her.

Ooh oh oh oh, ooh oh oh oh

Be careful making wishes in the dark

Can't be sure when they've hit their mark

And besides in the meantime I'm just dreaming of tearing you apart

I'm in the details with the devil

So now the world can never get me on my level

I just got to get you out of the cage

I'm a young lovers rage

Gonna need a spark to ignite

My songs know what you did in the dark

So light em up up up, light em up up up,

light em up up up, I'm on fire

So light em up up up, light em up up up,

light em up up up, I'm on fire

Ooh oh oh oh (In the dark, in the dark)

Ooh oh oh oh (In the dark, in the dark)

All the writers keep writing what they write

Somewhere another pretty vein just dies

I've got the scars from tomorrow and I wish you could see

That you're the antidote to everything except for me

A constellation of tears on your lashes

Burn everything you love

Then burn the ashes

In the end everything collides

My childhood spat back the monster that you see

My songs know what you did in the dark

So light em up up up, light em up up up, light em up up up, I'm on fire

So light em up up up, light em up up up,

light em up up up, I'm on fire

Ooh oh oh oh (In the dark, in the dark)

Ooh oh oh oh (In the dark, in the dark)

My songs know what you did in the dark

My songs know what you did in the dark

So light em up up up, light em up up up,

light em up up up, I'm on fire

So light em up up up, light em up up up,

light em up up up, I'm on fire

Ooh oh oh oh (In the dark, in the dark)

Ooh oh oh oh (In the dark, in the dark)

She danced and fired massively powerful blasts of fire and smashed her down.

Nico: OH YEAH!

Another Fasttrack zoomed out of view.

Nico: Huh? Where'd she go?

Another Fasttrack then zoomed next to Nico and gave him a wet willy.

Nico: EW!

Me: Stacey has been known for being a great prankster too. But two can play that!

?: You're darn right!

Then a black wing angel flew out of nowhere and it was Danica Metrois!

Qin: Danica Metrois!

Samus: Wow!

Rundas: That is amazing!

Danica Metrois: Looks like the fun has just begun.

She landed.

Nico: Danica it's awesome to see you again.

Danica Metrois: You too Nico. Now let me work my magic. WAVEBUSTER!

She fired a blast of lightning and it hit Another Fasttrack and electrocuted her all over with intense lightning.

Gandrayda: Wow! That wass awesome!

Danica then turned into Another Nico and Another Fasttrack went at her and she jumped and fired Ice Beam Blasts and froze half of her to the street and then she fired plasma blasts and burned her all over.

Danica Metrois: That was awesome. Now for this one.

She fired a blue Phazon Beam and smashed down Another Fasttrack.

Me: WHOA!

Janeen: Wow that is so awesome!

Sunny Starscout: Wow! Her power is amazing!

Danica Metrois: And now for the finisher.

She put her fingers on her temples and then a third eye appeared in the middle of her forehead and she charged up rainbow energy and then fired a powerful hyper laser blast from her third eye and it hit Another Fasttrack and smashed her into a building and she was knocked down and back to normal and I caught the ridewatch and purified it.

Stacey was a girl that had blue hair and blue skater clothes and had roller skates on.

Nico: WHOA!

Samus: Holy mackerel! That was amazing!

Janeen: She really does have all the powers of enemies that you know over the course of 35+ Years!

Nico: Yeah!

I went over to Stacey and picked her up and healed her.

Stacey Vickingston: (GROANS) What a headache. I feel like I was run over by a bullet train.

Me: You got hit hard by Danica and she saved you.

She hugged me.

Danica Metrois: But that was cool though.

Nico: Yeah it was.

Fiona: What's your favorite memory of Nico?

Danica Metrois: I have a lot of them. But my favorite would have to be where me and Nico were in Astronomy Class and we found lots of stars and planets and showed them to NASA and we became famous for that.

Me: That is cool. And Danica you are one of the luckiest people ever to survive from CJD.

Nicole: Yeah no kidding there.

Danica Metrois: I know and I missed my brother Nico.

Nico: I missed you too sis. Take care of her J.D.

Me: I will.

Maria: Yeah. But this was awesome. And it's amazing you have all those powers.

Samus: I faced all of the enemies you are engrafted with for a long time. It's amazing you know all those powers.

Danica Metrois: I get that all the time. Thanks Samus.

Juran: Normally, the girls you rescue get added to your harem.

Nico: I know. But there are some histories with me that are different.

Qin: Yeah. But I think it's cool.

Nico: Yeah.

Danica Metrois: But it's an honor to be part of the team.

Sunny Starscout: We're honored to have you with us Danica.

Nico: Yep. I think our work here is done.

We went back home.

But, we also got word that Imaginary Gary has come back from the dead, and he still wants revenge on us for killing him long ago.

Lincoln: Whoa, we're here in Fairy World, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to acquire a treasure for Timmy called The Fairy World Compendium. But, we also got word that Imaginary Gary has come back from the dead, and he still wants revenge on us for killing him long ago.

Nico: I never thought we'd ever have to deal with him ever again, but we'll make sure that monster stays dead and gone.

Timmy Turner: And this time, for good.

Me: You said it.

Nicole: Yeah. Plus, I've heard about The Fairy World Compendium, it's an ancient spellbook that was said to have been made by the First Fairy King and inside of its pages is a massive compendium of powerful spells and this book also holds detailed accounts of the beginning of Fairy World's history.

Wanda: And it's been closely guarded ever since. Gary's trying to find it so he can get revenge, but only The Chosen One can use this ancient spellbook.

Lincoln: And that means only Timmy is the one to be entrusted with this ancient spellbook. Let's get The Fairy World Compendium, then we'll worry about Gary, and thanks for joining us, Fiona.

Fiona: You're welcome, Lincoln, and we haven't been to Fairy World in a long time.

Timmy: Now that Crocker and most of The Anti-Fairies are gone forever, and The Head Pixie are now in The Masters of Evil, things are now very peaceful.

We arrived at a cave entrance, and it's where the book was held, and on the wall, there's a tale that's been carved on the wall.

Wanda: And look, there's a story carved into this wall, and it details exactly why The Fairy World Compendium was hidden long ago: Having completed The Fairy World Compendium, The First Fairy King, knew of the risk that the villains would try to get their hands on this book to use it for evil and destroy Fairy World, so he'd hidden it in this location, and put up a powerful spell to protect it, and it can only be used by The Chosen One, the warrior who'd redeemed The Darkness and stopped many of Fairy World's many enemies.

Nicole: Which matches Timmy completely.

We then arrive at the podium and there in the shield of magic is a large purple spellbook with a gold crown and a wand: THE FAIRY WORLD COMPENDIUM, the ancient spellbook written by The First Fairy King eons ago.

Timmy Turner: Whoa, so that's The Fairy World Compendium.

Just then, the shield came down, and Timmy acquired the spellbook. Suddenly, Timmy Turner's sapphire blue eyes turned neon sapphire blue and he was surrounded by a pink energy aura with fairies, angels, magic, wolves, and elemental forces and he unholstered his massive Angel Mage's Staff of The Holy Trinity from his wider and more muscular back. Suddenly, Timmy Turner was surrounded by a massive vortex of pink energy with magic and elemental forces surrounding it, there's a fairy, angel, and wolf flying and running around the vortex, and in the vortex is a gold phoenix. Then, as the vortex faded, Timmy Turner emerged, but he was changed forever.

Timmy Turner grew from 7'0" to 7'5" in height, he has abnormally massive and powerful upper and lower body muscles and eight-pack abs and he now has eight large colored orbs orbiting around his legs, he has blue highlights in the bangs of his long chocolate brown hair that reached the bottom of his neck and a blue tip on one strand of his hair, he has neon sapphire blue eyes and a white energy aura with fairies, magic, angels, wolves, and elemental forces surrounding him, he has an angel and wolf holding the Element Kanji and was accompanied by two fairies emblazoned on his forehead, he has on wolf earrings with pink crystal gems for the eyes and with the Elemental, Magic, and Eternity Kanjis on its heads, he has on his large Crystal Necklace of The Buddha with pink gems on the gold sparkle links and pink and green crystals for the links and a blue fairy-shaped Element of Harmony and below the Element of Harmony is a wolf head with pink gems for eyes and the Elemental, Magic, and Eternity Kanji on its head for the pendant. Timmy Turner has on a long long-sleeved white coat with gold embroideries on the long sleeves, white shirt with blue jewel, long white long-sleeved jacket with gold embroideries and blue buttons, white gloves with silver claw rings, purple pants with blue flames, black boots, and on the back is a fairy crown with a fairy, angel, and wolf, and on the back of his neck is the constellation of Lupus the Wolf. Suddenly, Timmy felt a sharp pain on his wider and more muscular back, and then, his massive white angel wings with yellow tips on the large white feathers, grew much bigger for his new body, he has on a Ring of The Phoenix with large pink gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Corps ring on his left ring finger.

Suddenly, Timmy Turner's Angel Mage's Staff of The Holy Trinity and the other swords he'd gotten in the treasure battles began merging together, and they were surrounded by a kaleidoscope of pink energy, fairies, magic, angels, wolves, and elemental forces, and when it finally emerged, it was transformed into Lupus' Fairy Wolf Moon Mage's Staff of Elemental Magic Justice, it's a brand-new large Mage's Staff measuring at 8'1" in length with a massive pink orb perched on top of four large gold raven heads with blue gems for eyes below a large blue gem surrounded by a gold ring and a gold dragon coiled around one end of the long brown staff and and on the other end of the brown staff are four smaller purple raven heads below a blue gem and on the bottom of the raven heads is a large gold crescent moon weight with a pink gem on it, he has on his new large gold cuff Bracelets of the Champions of The Universe with pink gems on his wrists, large gold Belt of Elemental Bravery with a large gold wolf head with blue gems for eyes and a large pink gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Fairy World Compendium, Talisman Cards of The Universe, Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. We were amazed by Timmy Turner's Super Angel Xelnaga Eternity Infinity transformation, and when Trixie Tang saw what what happened to him, she had an atomic red blush on her face and hearts in her eyes.

Timmy Turner: (Divine Echoing Cosmic Voice of The Elemental

Magic Fairy Wolf Angel and Divine Elemental Magic Hope) Whoa, this is awesome!

Lincoln: And in the process, you've also transformed into your new Super Angel Xelnaga Eternity Infinity form, and you also got a new upgrade to your body, clothes, weapons, jewelry, and massive white angel wings, Timmy.

Nico: So awesome, and you also have the constellation of Lupus the Wolf on your neck, so cool.

Timmy Turner: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Angel and Divine Elemental Magic Hope) Yeah, I was born under Lupus the Wolf. Alright, now that I have The Fairy World Compendium, let's go put an end to Gary for good.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of six girls calling for help, along with the sound of maniacal laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Imaginary Gary, and he's going to kill them.

Lincoln: Let's get over there at once, guys, I found the six girls, but they've been cornered by Gary, and that maniacal imaginary friend is going to kill them.

?: (Girl's voice) That uncool, good-for-nothing jerk, let's get him!

Suddenly, we saw a beautiful girl with long flowing brown hair, blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful brown angel wings, she's dressed in a red sleeveless crop top, red skirt, yellow shoes, and long white sleeveless trenchcoat with a Hidden Mickey on the back, and in her right hand is a large greatsword with a Hidden Mickey etched on the 7'0" massive, wide, double-edged silver blade, large gold curved upward horns for the crossguard, large red gem embedded in the rainguard, longer black handle, and four gold

Hidden Mickey icons and a large red gem for the pommel.

Nico: Ooh, another non-Gene-Slammer, but with some Disney-themed clothing.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Emily Monroe, but we'll talk later, we've got a maniacal jerk of an imaginary friend to take care of.

We rushed over, and right before Gary could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Gary, and that allowed the six girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Gary. When Gary saw us, he was enraged, especially when he saw Timmy and his friends here as well, and when he saw Timmy now has The Fairy World Compendium, he was now even more enraged.

Gary: You! Give me that book right now, Timmy!

Timmy: (Divine Echoing Cosmic Voice of The Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf and Divine Elemental Magic Hope) **No, Gary, this book was meant for me, because only someone with a pure heart, and who's defended the world and Fairy World from its many threats can be entrusted with The Fairy World Compendium, and you're nothing but a greedy jerk who doesn't care about anyone except for yourself.**

Lincoln: You shouldn't have returned, Imaginary Gary, but now, we're going to make sure you never rise from the dead again, you uncool jerk!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Fiona (Loud House), Timmy's friends, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after Imaginary Gary, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Timmy fired powerful blasts of pink energy, elemental forces, magic, wolves, fairies, and angels at Imaginary Gary, and they exploded with incredible power as they hit him, and he also attacks him with his brand-new Mage's Staff, and a new levitating large orb appeared at his left side: The Eye of Lupus, a levitating large pink-colored steel orb, and it fired pink energy beams at that monster, and Timmy also summoned many more Eye of Lupus steel orbs, and he sent them flying at Gary with his brand-new Mage's Staff, and they ricocheted and hit Gary all over the place. Then, Lincoln swung his massive greatsword and he decapitated Gary, and he exploded with incredible power into rainbow flames, and when his spirit appeared, Timmy drew the Judgement Kanji on his forehead, and Imaginary Gary was sent to The Black Gates for good. We cheered wildly as we holster our weapons and powered down, and Timmy Turner's new body, clothes, weapons, jewelry, angel wings, and eight large colored orbs orbiting around his legs are permanent.

Then, Trixie Tang went up to Timmy Turner, and they shared a romantic and passionate kiss, and we saw the display of the elemental forces, along with seeing fairies and angels flying in the skies. We all cheered for them, and we also went up to him and hugged him.

Nico: Awesome job, Timmy. You not only got The Fairy World Compendium, but we finally got rid of Imaginary Gary for good, and now, we'll never have to deal with him ever again.

Timmy Turner: Thanks, Nico. That jerk's caused us nothing but trouble for the last time.

Lincoln: You got that right, Timmy, and we'll never have to deal with him again. (To Emily Monroe) And it's so good to see you again, Emily Monroe.

Emily Monroe: You too, Lincoln, it's been a long time, and it's also good to see you again, Luna, Leni, Laney, Lucy, Lana, Lily, Max Goof, Goofy, P.J., Bobby, Tank, Roxanne, and Baloo.

Luna, Leni, Laney, Lucy, Lana, and Lily: You too, Emily.

Max Goof: It's really been a long time since we last saw her.

Goofy: You're right, Maxie.

P.J.: She really grew from the eight-year-old girl who came here long ago.

Lincoln went up to Emily Monroe and they hugged, and Emily Monroe is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were eight, and as you can see, I really grew a lot since then, and so has Luna, Leni, Laney, Lucy, Lana, and Lily.

Emily Monroe: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and Luna, Leni, Laney, Lucy, Lana, and Lily grew into beautiful young women.

Nico: Whoa, Lincoln, you, Luna, Leni, Laney, Lucy, Lana, Lily, Max Goof, Goofy, P.J., Bobby, Tank, Roxanne, and Baloo know her?

Lincoln: Indeed we do, Nico, this is Emily Monroe, she's my Guardian Angel from Michigan and my classmate in Science, but you're also going to like this: she also has a powerful reputation in the world of Disney: she's known as The Defender of The Disney Kingdom, and she knew the legendary Disney Heroes and characters when she travelled to the world of Disney when she was eight, and she also fought against the Disney Villains.

Me: Wait, what?!

Nico: Whoa, now that's so awesome!

Lincoln: It also gets even more awesome: Emily was the one who got me into watching the Disney cartoons of every animation era when we were eight, and this one time, she took me, Luna, Leni, Laney, Lana, Lucy, and Lily to the world of Disney, and it's also where we met the Legendary Disney Heroes and characters.

Goofy: Gawrsh, I remembered that long ago. Take a look, I saved a picture.

Goofy took out the picture, and we saw Emily Monroe, along with Lincoln, Luna, Leni, Laney, Lana, Lucy, and Lily, and Mickey, Donald, Goofy, Minnie, Pluto, Daisy, Max Goof, and P.J.

Luna: I remembered that long ago, it was so awesome!

Nico: Wow, that's so awesome, so you guys met with the legendary Disney heroes long ago?

Lincoln: That's right, and that was really long ago, and it was awesome.

Max Goof: Yeah, and Emily also hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion, and it stemmed from a little incident from long ago.

Nico, Eli, and I gasped.

Eli: What did those five do?!

Goofy: I don't think you're going to like hearing it, Eli.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Emily Monroe's neck with red gems on the gold thunderbolt links and yellow crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Emily Monroe: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of my harem and one of my many future wives, Emily.

Emily Monroe had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Emily Monroe's waist and Emily Monroe wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Rachel Gardner from Angels of Death, Rongo from JUNGLE DE IKOU!, Aiura Mikoto from The Disastrous Life of Saiki K., Moka Aoshima, Yui Hanasaka, and Natsuki Momohara from One Room.

Lincoln: Oh wow, it's Rachel Gardner from Angels of Death, Rongo from JUNGLE DE IKOU!, Aiura Mikoto from The Disastrous Life of Saiki K., Moka Aoshima, Yui Hanasaka, and Natsuki Momohara from One Room.

Nico: Awesome.

Lincoln: Are you girls okay?

Rachel Gardner: Yes, we're okay, thanks to you.

Then, when Rachel Gardner and the other five girls saw who it was that saved them from Gary, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Rachel Gardner: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Rachel Gardner: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Rachel Gardner, Rongo, Aiura Mikoto, Moka Aoshima, Yui Hanasaka, and Natsuki Momohara with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone what happened, and they were also glad to know that Timmy had gotten The Fairy World Compendium and he also transformed, and they were shocked to find out that the villain we went after was Imaginary Gary, who's returned from the dead to get revenge on us for killing him long ago.

But, when Lincoln showed what we did to Gary, and sent him straight to The Black Gates, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Emily Monroe have a lot of catching up to do, now that she's back in town.

Maria: So, not only did Timmy get the legendary Fairy World Compendium and he transformed, but we also got rid of Gary and this time for good. Plus, I didn't know you, Luna, Laney, Leni, Lucy, Lana, and Lily travelled to the world of Disney.

Lincoln: We sure did, and Goofy kept the photo from that day long ago.

Mickey Mouse: That's amazing, and we also kept those memories from long ago.

Minnie Mouse: That's right, Mickey, and they were really cute when we first met them long ago, especially Lincoln when he was eight.

Daisy Duck: And I still remembered the hug we gave him, and it was really cute.

Daisy took out the picture of when she and Minnie hugged eight-year-old Lincoln, and it was so cute.

Eli: Now, that's really cool.

Daisy Duck: And I also got the photo from when Minnie kissed Lincoln on the cheek.

Daisy took out the photo of when Minnie kissed eight-year-old Lincoln on the cheek, and he had a red blush of shyness on his face.

Eli: Aw.

Me: Now, that's really sweet.

Mickey Mouse: I still remembered that day long ago as well, and Luna took a photo of it.

Luna: And I also kept it framed of that day, and it was still so cute.

Donald Duck: That's really sweet, and we also kept photos from that day long ago.

Goofy: Yep.

* * *

After finally getting rid of Imaginary Gary and this time for good, we were training intensely in the gym, this time, doing 900,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Emily Monroe saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Emily Monroe: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Emily, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Emily Monroe: That's incredible.

Nico: It sure is. So, Emily, what's the story on why you hate Lori, Lynn, Lola, Lisa, and Luan with a burning passion, and Max said that it stemmed from an incident from long ago?

Emily Monroe: You're not going to like it one bit, Nico. One day, I took Lincoln, Luna, Laney, Leni, Lucy, Lana, and Lily to the world of Disney for some fun with Mickey, Minnie, Donald, Daisy, Goofy, Pluto, and our friends. While we were in Mickey's home having a good time, we suddenly heard the sound of enraged screaming in the air along with explosions. We went outside, and we saw who it was that was causing this kind of chaos: it was Lori, Lynn, Lola, Lisa, and Luan, and they were really causing chaos here. As The Defender of The Disney Kingdom and Lincoln's Guardian Angel, I refused to let Lori, Lynn, Lola, Lisa, and Luan cause havoc here, so we went after them, and Leni, Luna, Laney, Lucy, Lana, and Lily attacked them, and Lincoln fired red energy blasts from his massive white angel wings and hands and he imprisoned them in rose red orbs. After we were done having fun, we went back home to The Loud House, and we then told Mr. and Mrs. Loud of what happened, and Lori, Lynn, Lola, Lisa, and Luan got grounded for five weeks, and were put in cages in their rooms.

We cheered wildly.

Nico: Whoa, Emily, you sure are known as The Defender of The

Disney Kingdom.

Lincoln: She sure is, and she's defended the world of Disney from the Disney villains, and from Lori, Lynn, Lola, Lisa, and Luan.

Mickey Mouse: And because of what you all did, we gave you guys medals in honor and recognition for what you all did to defend our world.

Mickey showed the picture of Lincoln, Leni, Luna, Laney, Lucy, Lana, Lily, and Emily Monroe getting medals for what they did in stopping Lori, Lynn, Lola, Lisa, and Luan's rampage, and we cheered.

Eli: Wow.

Nico: So awesome. And did those five have to clean up the mess they made?

Lincoln: They sure did, and we told them that if they want to earn our forgiveness, they were going to clean up the entire place.

Me: That'll serve them right for their little rampage.

We then got a shower afterwards, and then, we were off to meet Giorno Giovanna and his friends.

Nico: This is going to be awesome meeting Giorno Giovanna and his friends.

Lincoln: It sure is, Jolyne and the others told me that Giorno isn't like his twisted vampiric father, Dio Brando, and he hated him.

Jolyne Kujo: He sure did, Dio was a monster who wanted to cause death and destruction and rule the world. And when he and the others heard of what you did to the Passione criminal organization, after we got rid of Trish's murderous father, they sent me a message that they wanted to meet you in the future.

Lincoln: Namely after we got rid of The Doomsday 23 and The Church of Necrom's evil.

We arrived at the home of Giorno Giovanna, Bruno Bucciarati, Pannacotta Fugo, Leone Abbacchio, Narancia Ghirga, and Guido Mista, and when they saw us, they were honored to meet us.

Giorno Giovanna: It's an honor to meet you, Team Loud Phoenix Storm, and Lincoln, Colleen, thank you for getting rid of Dio Brando. I really hate the monster that I called my father, but I'm glad that I'm nothing like him.

Lincoln: You certainly are not, Giorno.

Me: Yeah, you were different from your father in every way.

Nico: And your monster father and his minions have gotten what they deserved: Lincoln attacked them and he drank their blood and absorbed them into his body, and he sent them to The Black Gates.

Bruno Bucciarati: They were nothing but scum and pure evil.

Me: To the core, but now, they're gone for good.

Giorno Giovanna: And there's also another reason why we've called you all here: we also want to join Team Loud Phoenix Storm.

Lincoln: Of course you guys can join. After everything we've heard about you all, you're more than good candidates of the team.

Nico: He's right, and you guys heard of what Lincoln did to The Passione criminal organization after we got rid of Trish Una's evil father.

Giorno Giovanna: We sure did, and we hated them with all our hearts, they were criminals.

Qin: They were evil criminals and they needed to be stopped for good.

We then recruited Giorno Giovanna and his friends into the team, and we moved them to Gotham Royal York.

Later the Mascots wanted to try their shot at busting big time criminal dirtbags.

Poromon: This is gonna be so awesome!

Tom Lair: It sure will be awesome.

Flannery: Look on the bright side, Mr. Lair. At least there's only 1 Poromon in your police car right now.

Tom Lair: (LAUGHS) That is true.

Sheila Loud: And it's gonna be so awesome having the Mascots help.

Me: Hope you don't mind me and Himiko tagging along.

Tom Lair: Not at all. We got big reports of criminals that are causing problems.

Me: Lets go get them.

Himiko: Yeah!

Nico: Happy hunting guys.

We were off.

Poromon: Which button makes this car go WHOOOO?!

Erika: Poromon, don't touch those buttons!

But it was too late. Seconds later, the police radio was blaring, reporting various crimes in progress. The windshield wipers started simultaneously with the car alarm and the trunk popped open.

Poromon: Yay! We made this car go WHOOOO!

Me: WHOA!

I put everything back.

Me: (LAUGHS) That was funny.

Nico: Yeah.

Me: But we got lots of crimes going on in the projects

Tom Lair: Lets go.

We responded and we arrived and then we saw a bunch of serial killers going after girls and then a bunch of rapists!

Me: Uh oh! Lets get these douchebags!

Nico: Yeah!

We got out and jumped the murderers and rapists and tied them up and cuffed them.

Qin: YEAH!

Scrapper: Okay. We should keep it up. As long as you guys don't mess around with anymore buttons!

Poromon: Sorry.

Me: But you guys did a great catch. You won't believe who you guys caught.

Himiko: Yeah.

We showed pictures of 3 men and a woman. The 3 men were

Gabriel Lousteau - Serial Killer wanted for the murders of 17 people in 3 states

Nathan Daniels - Violent Sex Offender and Murderer wanted for 20 murders in 4 states

Lance Ferrinata - Drug Dealer and human trafficker responsible for the trafficking of 500 children.

And the woman was Vicky Buevendina - Wanted for the murders and rapes of 30 people and the rapes of 65 men!

Nico: Whoa! We've been after these guys for years.

Tom Lair: Wow! You guys did great for your first catch.

Poromon: Thanks.

We tied them up and cuffed them.

Me: These guys are getting the Black Gates after their trials.

We got back in the car and caught bank robbers, terrorists, thugs and drug lords and more. We caught 2,232 criminals in one day and more.

We later came back.

G1 Firestar: Did you guys enjoy the police car ride?

Poromon: Yeah we did!

Nico: They did really good on their first police excursion.

Qin: They sure did.

Nico: Yep. 3,000 criminals.

Varie: They are going to the slammer forever.

Nico: That was really fun.

Danica Metrois: They sure had fun on that one.

Camie: Boy did they ever.

Himiko: Yep.

Nico: Now it's time to get ready for our next mission. You guys are going to like this one. We're going to meet Fred Randall and Julie Ford and Overbeck and we're going to the planet Mars.

Qin: Wow! From RocketMan! I love that movie!

Me: Me too Qin! That movie made me laugh so hard it was awesome.

Eli: Me too! I love that movie!

Nico: Yep. First we're going to watch the movie and then we'll head out to Mars and rendezvous with their shuttle.

Eli: Awesome!

Then Duskmon, Grumblemon, Ranamon, Arbormon, Mercurymon, BlackWarGreymon, Thundermon, MetalSeadramon, Machinedramon, Puppetmon, Myotismon, Piedmon, SkullMeramon, The Mamemon Brothers, Drimogemon, Harpymon, Sagittarimon, Snimon, Gazimon, Seadramon, Scorpiomon, Etemon, Baromon, Airdramon, Ookuwamon, Cerberusmon, Flymon, LadyDevimon, MegaSeadramon, Evil Shade Man, Kung Food, Evil Solar Man, Fracture, Frankenstein (Scooby Doo), Morrigan, Pisces Zodiarts, Cyborg Cat, Quillfire, and Lanhua appeared.

Duskmon: Can we watch the movie with you guys?

Nico: Sure.

We got to watching the movie and it was funny.

NASA is training for the first human mission to Mars by the spacecraft Aries. Due to a supposed glitch in the computer navigation system, NASA looks for the original programmer of the software to understand why it seems to be broken. Fred Z. Randall, the eccentric programmer who wrote the software, meets Paul Wick, the flight director of the Mars mission; William "Wild Bill" Overbeck, the commander of the Mars mission; and astronaut Gary Hackman, the computer specialist. Fred looks at the software and discovers that the problem is actually stemming from a mathematical error made by Gary. After a display of hard-headed stubbornness, Gary is hit in the head by a model of the Pilgrim 1 Mars lander, resulting in a skull fracture. NASA decides to replace him instead of delaying the mission; Fred is brought to NASA to see if he has what it takes to be an astronaut. He goes through a series of exercises, which sees Fred do well, even going as far to break every record that Bill had set. In the end, Fred gets the job.

While getting ready to board the Aries, Fred chickens out and refuses to go on the mission. Bud Nesbitt who Wick claims is the cause of the Apollo 13 accident, tells Fred about the three commemorative coins given to him by President Johnson. He gave one coin to Neil Armstrong, another to Jim Lovell, and finally shows Randall a gold coin reading "Bravery". "It hasn't done me much good," Bud says, "Maybe it'll mean something to you one day." Randall then quotes the Lion from The Wizard of Oz: "If I were king of the forest!"

Fred, along with Commander Overbeck, geologist Julie Ford, and Ulysses, a trained chimpanzee, will look for fossils on Mars. To save on resources, crew members are put into "hypersleep" for eight months while the ship floats towards Mars. Ulysses purposely takes Fred's "hypersleep chamber" for his own and Fred has to sleep in Ulysses' chimp-sized chamber. He sleeps for only 13 minutes and has to stay up alone for eight months. While looking at Mars weather data, Fred notices severe sandstorms that could endanger the crew. He contacts Bud in Houston and tells him about the storms that are forecast to hit the landing site. If the crew get caught in the storms, they could be lost forever. Bud tells Wick about the situation, but Wick ignores him. The crew makes it to Mars, after Overbeck tells off Fred for being awake the whole time and using all the food-except food that the former despises: (anchovy paste, creamed liver, and gefilte fish)-for painting. They land the Pilgrim on the Martian surface. As Overbeck prepares to be the first human to step on Mars, Fred slips from the ladder and accidentally lands first.

A day after the crew lands, the sandstorms arrive ahead of schedule. After almost losing Overbeck and Ulysses in the sandstorm, the crew lifts off from the Martian surface. Wick is replaced by Bud when it becomes clear that Wick does not trust his NASA crew. The ship has almost made it out of the sandstorm when rocks kicked up by the wind hit the lander. Pilgrim 1 loses power and begins to spin out of control. Fred has to rewire the entire system, reboot it and power everything back up in less than two minutes or they will crash. With less than 20 seconds, he has to complete the circuit. He frantically searches for something and finally shoves the commemorative coin into the slot, allowing the lander to regain power. The crew safely return to the Aries orbiting Mars. Fred asks

Julie to dance with him in zero gravity to "Blue Danube Waltz" while wearing a silver tux and a gold dress made from the space blankets that he cut up during his accident with the sleep pod.

As Fred gets ready for hypersleep one last time, Ulysses climbs into his hypersleep chamber once again, forcing Fred to stay up for another eight months on the journey back home.

In a post-credits scene, the crew's flag pole on Mars is shown missing its flag. It is revealed that Randall's American flag boxers, which were earlier used as a replacement for the original flag, have been stolen and worn by a Martian.

---

We were laughing our heads off hysterically and it was so funny!

We laughed all over the place!

Nico: (LAUGHS) That was funny!

Camie: YEAH IT WAS!

Grumblemon: I never get tired of that!

Himiko: And it was really funny when Fred farted in the spacesuit!

Stacy Bolton was looking at Stacey Vickingston with a jealous look.

Mixmaster: You okay, Stacy?

Stacy Bolton's face turned into Shredgirl's as she roared at Mixmaster.

Mixmaster: (scared) Yeah, that's a no!

Me: Stacy no! She is a friend.

Stacy Bolton: It's not that. It's just that I'm jealous that we have a champion of the X-Games with us.

Me: Stacy you already are a great champion skater.

Stacy Bolton: I know. But I never won in the X-Games before.

Me: You can always participate in them later on.

Stacey Vickingston: Besides, I'm retired from the X-Games and I want to help you guys fight crime.

Grumblemon: Me, Duskmon, Grumblemon, Ranamon, Arbormon, Mercurymon, BlackWarGreymon, Thundermon, MetalSeadramon, Machinedramon, and Puppetmon and all the Digimon are going with you guys.

Kung Food: So are me, Evil Shade Man, Evil Solar Man, Fracture, Frankenstein (Scooby Doo), Morrigan, Pisces Zodiarts, Cyborg Cat, Quillfire, and Lanhua

Nico: Awesome guys! And you guys are not gonna believe this.

Nico pulled out a newspaper and it showed THE WET BANDITS! They Escaped from Prison!

Me: The Wet Bandits Escaped!?

Eli: From the Uranus Prison!? How can that be!?

Laney: Yeah no one has EVER Escaped from our prisons.

Me: Got to give them credit though. They are the first ones ever to succeed in doing so.

Varie: Yeah.

Camie: Who are the Wet Bandits?

Me: 2 enemies that Megan and Kevin here hate.

I went over their history.

---

Harold "Harry" Lime and Marvin "Marv" Merchants, also known as The Wet Bandits, and later the Sticky Bandits, or simply known as Harry and Marv, are the main antagonists of the 1990 theatrical

Christmas comedy film Home Alone and its 1992 sequel Home Alone 2: Lost in New York.

They are a villainous duo of incompetent burglars who target rich and renovated houses, and later a store called Duncan's Toy Chest. Harry is the leader, and Marv is the follower, or else the comic relief. They are Kevin McCallister's archenemies.

Marv later returns without Harry as the central antagonist with his mother Molly and his wife Vera, of Home Alone's 2002 first direct-to-video sequel Home Alone 4: Taking Back The House. He was played by French Stewart, who also portrayed Richard Stahl.

Harry was portrayed by Joe Pesci (who also played Frankie Monaldi in Once Upon a Time in America, Mr. Big in Moonwalker, Tommy DeVito in Goodfellas, Nicky Santoro in Casino, and Ronald Grump in Sesame Street).

Marv was portrayed by Daniel Stern. *Home Alone*

In the first film, Harry and Marv target houses around the neighborhood that are vacant. Harry impersonates a police officer in order to discover which families will be leaving for Christmas. While robbing these houses, Marv tends to leave the water running and block the sinks, leading to the houses being flooded and the real law enforcement officers knowing which houses they've hit.

Harry disagrees with the practice, calling it "sick" and reminding Marv that they need to keep a low profile, though Marv insists that they need a "calling card". However, the McCallister household, which Harry referred to as the "Silver Tuna", is the largest property in the neighborhood, and their most anticipated target.

However, 8-year old child Kevin McCallister is home alone on Christmas Eve, having been accidentally left behind while the rest of his family went to Paris. Kevin manages to scare them off multiple times, but they eventually discover that he is alone and they have been tricked the entire time. Despite Marv's protests that they should not rob the house of a child that was left alone, Harry still persists with the robbery, declaring that the McCallister household to be the main reason he chose to rob the neighborhood in the first

place.

Kevin overhears Harry and Marv discussing plans for breaking into his home at night, and as a response, sets up numerous cartoon-like booby traps around the house. After Kevin shoots the both of them with a BB gun through the dog flap (Harry in the crotch, and Marv in the forehead when he peeps his head through the flap), they separately attempt to enter the house and get to him, falling into the traps Kevin planned out for them and suffering various comedic injuries like Marv losing his shoes and socks on the tar-covered basement stairs that also had a tack on it and the top of Harry's head getting burned by a blowtorch.

Eventually, they manage to ambush and capture Kevin in one of the houses they have already broken into earlier, and decide to inflict the same injuries they have sustained on him in retaliation, but not before Harry bites off Kevin's fingers one by one. Fortunately, before he can do so, he and Marv are knocked unconscious with a snow shovel by Kevin's elderly next-door neighbor, Old Man Marley, whom Kevin had befriended earlier after learning that the rumors about him being a murderer were false. Marley then takes Kevin back home safely while the police arrive and arrest Harry and Marv.

Harry glares at Kevin through the police car, and Kevin sarcastically smiles and waves as the Wet Bandits are driven away. When the McCallisters return home, Kevin decides not to tell them about his encounter with Harry and Marv; however, his father Peter finds Harry's gold tooth on the floor, which had been knocked out the night before, much to his confusion.

Harry and Marv return in the sequel, which takes place a year after the first film, breaking out of a prison in Chicago during a riot and traveling to New York City via a fish truck. After Marv renames them the Sticky Bandits, they immediately begin seeking a new target to rob, after which they plan to acquire fake passports and flee the United States. They eventually decide to rob Duncan's Toy Chest, a successful toy shop that intends to donate all of it's earnings to a children's hospital.

As fate would have it, Kevin has also made his way to New York, after accidentally boarding the wrong flight while the rest of his family went to Florida for Christmas. Upon encountering him, Harry and Marv pursue the boy in order to exact revenge for their previous encounter. They eventually succeed in capturing him after Kevin got caught for using a stolen credit card at the Plaza Hotel and is forced to flee, with Marv telling Kevin of their plan, who secretly uses his Talkboy to record it. Kevin manages to escape from the duo into Central Park, but they refrain from chasing after him, deciding that he won't be able to survive the park at night by himself. The Sticky Bandits later hide away inside the toy store to make sure it is left vacant by the staff and customers on the night of Christmas Eve, so that they can steal the money undeterred. Eventually, Kevin sets off the alarm by throwing a brick with a note for the store's owner, Mr. Duncan tied to it in one of the store's windows after taking pictures of them robbing the store, and the bandits are enraged of Kevin ruining their plan and were forced to stupidly pursue Kevin with the money across New York only to end up falling into every one of Kevin's new traps that he set for them at his uncle Rob's (whose family is still in France from the previous film) renovated house (like he did in his house in the first movie).

Eventually, they manage to capture Kevin again when he slips on some ice in the pavement after calling the police on a pay phone. Taking the chance to settle their score with Kevin, the bandits take him into Central Park, where Harry pulls a revolver from his jacket and prepares to kill Kevin. Thankfully, not only does the gun turn out to be jammed after being covered in varnish due to Kevin's booby traps, but the pigeon lady (whom Kevin has made friends with earlier, like Old Man Marley) intervenes and throws bird seed on the bandits; the varnish causes the bird seed to stick onto the Harry and Marv, resulting in the duo being incapacitated by a large flock of pigeons. Kevin then takes the chance to light up fireworks in order to mark the bandits' positions to catch the attention of the arriving police.

As the officers handcuff and arrest them after discovering the photos and the cassette tape that Kevin used as evidence, Marv stupidly confesses to his and Harry's crimes, such as robbing the store, breaking out of prison, and trying to kill Kevin. Harry angrily tries to kick Marv as the police take them away, and the bandits are soon sent back to prison. The police then return the money to the toy store and inform Mr. Duncan what had happened with Mr. Duncan informing that the money must be sent to the hospital for the sick children as the police tell Mr. Duncan that they'll have it sent immediately, and Mr. Duncan gladly accepts Kevin's note before a truckload of gifts were delivered to the Plaza Hotel to give Kevin as a reward for foiling the robbery on Christmas morning.

Harry does not appear in the third film and the fifth films, but Marv would go on to appear in the fourth film this time as the central antagonist. This time, he is joined by his wife Vera and his mother Molly. They plan to kidnap the prince of a visiting royal family and hold him for ransom. Marv explains that Harry's plans resulted in them being imprisoned twice, so Marv grew tired and decided to sever ties with Harry. They did not split up on good terms.

However, Kevin ends up crossing paths with Marv again as his dad, who divorced with his wife, is dating a rich woman named Natalie, whom the royal family are due to visit. Marv ends up arrested again at the end of the film along with his girlfriend and mother. The three are then taken into custody.

This time around, Marv is played by French Stewart, Molly is played by Barbara Babcook, and Vera is played by Missi Pyle.

Daniel Stern unofficially reprised the role of an older Marv in 2015, in which he feared retribution from a homicidal adult Kevin McCallister. He attempts to make contact with his former partner Harry, warning him that the "kid is back". The video cuts to black and Marv can be heard screaming, implying that Kevin tracked him down.

---

Camie: Geez! These guys are slippery. But it's amazing that Kevin was able to beat them twice in Chicago and New York City.

Me: And Chicago for a second time.

Laney: Yeah.

Bonecrusher: Nico, which Gene Slammer do you think you'll meet next time?

Nico: I'm hoping to meet a gene-slammer for Alchemy Beast - Moonface The Silver next.

Me: Ooh you want to do the Alchemy Beasts next.

Nico: Yep. But just one at a time.

Qin: Cool.

Sly Cooper: This will be cool to see.

Me: Yep.

Nico: Yeah.

Me: But Fred, Julie and Overbeck don't even know that Mars is now fully terraformed. Last time they were there it was a dead planet that was red as a rusty doornail. Now it's fully terraformed and like Earth.

Nico: Yeah lots of things have changed since then.

Stacy Bolton: (to Stacey Vickingston) Let's get one thing clear. There's only room for one Stacy who can skateboard. And that's me!

Arbormon: Someone's jealous.

Fracture: I knew this would happen.

Me: Now now girls. Stacey Vickingston uses skates and Stacy you can still use your skateboard.

Stacy Bolton: Oh. Good.

Stacey Vickingston: Yeah Stacy I'm not stealing your thunder.

Stacy Bolton: I know you won't.

Nico: All right lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed eighteen dark energy signals with his eyes and the Force, and he saw who the figures were: the eighteen figures were our old enemies, Stoica, Kazarina, Airzel, Gill (Bakugan), Blastaar, Mylene Farrow, Shadow Prove, Anubias, Centorrior, Druman, Tayghen, Hairadee, Doto Kazahana, Mizore Fuyukuma, Nadare Rouga, Fugai, Kamira, and Lincoln's old bloodthirsty murderous enemy, Dustin Keystone, they've come back from the dead, and they all want revenge on us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone coming after us today?

Lincoln: You guessed it, Nico, and we're so not going to like this one bit: the eighteen dark energy signals I sensed belong to our old enemies: Stoica, Kazarina, Airzel, Gill, Blastaar, Mylene Farrow, Shadow Prove, Anubias, Centorrior, Druman, Tayghen, Hairadee, Doto Kazahana, Mizore Fuyukuma, Nadare Rouga, Fugai, Kamira, and Dustin Keystone, they've come back from the dead, and they all want revenge on us.

We gasped in pure shock.

Dan Kuso: What, Stoica, Kazarina, Airzel, Gill, Mylene Farrow, Shadow Prove, Anubias, Centorrior, Druman, Tayghen, and Hairadee have returned?!

Iron Man: And Blastaar's also shown up?!

Me: Along with Doto Kazahana, Mizore Fuyukuma, Nadare Rouga, Fugai, and Kamira, who have also returned from the dead?!

Nico: And that asshole, Dustin Keystone, has come back as well?! Damn!

Lincoln: We got eighteen old enemies out for revenge on us: Stoica, Kazarina, Airzel, and Gill of The Twelve Orders, Blastaar, an old enemy of The Avengers, Mylene Farrow and Shadow Prove of The Vexos, Anubias, another Bakugan Brawler who was also betrayed by Barodius, Centorrior, Druman, Tayghen, and Hairadee, the servants of Naga, Doto Kazahana, Mizore Fuyukuma, Nadare Rouga, Fugai, and Kamira, who still harbor hatred for J.D. for what he did to them 150,000 years hence, and that murderous bloodthirsty asshole, Dustin Keystone, who still hates me and wants to kill me to slake his thirst for blood and revenge.

Eli: Sheesh. And did anyone bring Dustin Keystone back?

Lincoln: I saw who it was, and we're so not going to like it one bit: the person who freed Dustin from his sarcophagus was Barodius, who's also come back from the dead as well!

We gasped.

Me: Barodius is also back?! And he was the one who freed that asshole, Dustin Keystone, from his sarcophagus?!

Fabia: Doesn't he realize what'll happen if Dustin's released from his sarcophagus, since he still has the Hom Dai?

Lincoln: His desire for revenge has blinded him to the real danger: now that Dustin's been freed from his sarcophagus, the world's in big trouble. It was a mistake to give him The Hom Dai, but now, I'm going to fix this.

Suddenly, Lincoln was surrounded by a golden energy aura, and he said the incantation that was once used to remove Imhotep's immortality and powers, and he fired a powerful golden blast of energy and it heads for Dustin Keystone's location, and when it hit him, it removed the immortality and powers the Hom Dai granted him, rendering him mortal once again, and this time, he's going to be killed and this time for good.

Upon realizing who it was that removed the Hom Dai, Dustin Keystone's eyes turned red with insane hatred and rage.

Dustin Keystone: (ENRAGED AND INSANE SCREAMING) NO, NO, NOOOOOOO! MY IMMORTALITY, MY POWER! DAMN YOU, DAMN YOU, FUCK YOU, LINCOLN LOUD, I'LL KILL YOU, YOUR FAMILY, FRIENDS, AND EVERY LAST BITCH IN YOUR HAREM!

We heard the sound of Dustin's insane scream of rage and insane fury.

Me and Nico: Yeah, fuck you too, asshole!

Lincoln: Easy, guys, he'll get his just desserts soon enough. Plus, I think Stoica, Kazarina, Airzel, Gill, Blastaar, Mylene Farrow, Shadow Prove, Anubias, Centorrior, Druman, Tayghen, Hairadee, Doto Kazahana, Mizore Fuyukuma, Nadare Rouga, Fugai, and Kamira have potential to be members of The Masters of Evil.

Nico: That's a good idea, Lincoln, Stoica, Kazarina, Airzel, Gill, Blastaar, Mylene Farrow, Shadow Prove, Anubias, Centorrior, Druman, Tayghen, Hairadee, Doto Kazahana, Mizore Fuyukuma, Nadare Rouga, Fugai, and Kamira are going to be sent to The Masters of Evil.

Lincoln: And the only one getting The Black Gates is that asshole, Dustin Keystone, along with Barodius, when we get after him, preferably on your rescue, Nico.

Me: Now, that sounds like a plan.

Nico: You said it. So, who's up first?

Lincoln: It's Stoica, he's heading here to get revenge on us first.

Emily LeRou: Then, it's up to you and me to stop him, Linky.

Lincoln: That's right. Plus, I set up a line-up on who gets who.

Lincoln took out the list, and it was really organized.

We were impressed with the list.

Nico: Dang, you were prepared for that one, Linc, nice one.

Nicholette Torrington: Just like when The Church of Necrom and The Blood Dragons showed their ugly faces.

Lync Volan: That's right, and, Lincoln, you and Valerie Brinkley watch yourselves around Shadow Prove, he's a little crazy.

Volt Luster: And Mylene Farrow's a cold and heartless monster, so you and Lauren Delaney show her no mercy.

Lincoln: We will, and thanks for the warning, guys. We'll be prepared for them.

Nico: We all will. Alright, gang, let's go, we got word that The Wet Bandits have escaped from The Uranus Prison.

Me: And my guess is they are hiding somewhere on the planet Mars.

Lincoln: So, they've come back for Round 3, they're gluttons for hilarious punishment, alright. But, after we get through with The Wet Bandits, you're next, Stoica.

Drag Strip: Let's get going.

We went to the ship and we were off to Mars.

---

The U.S.S. Valorous Phoenix was flying through Space.

Nico: Captain's Log, Stardate 6899.1: We are en route to the planet Mars after we meet Fred Randoll and his friends and we're going to Mars to apprehend the Wet Bandits after dishing out an awesome humiliation session with them. It's going to be funny and awesome.

Thundermon: Wake me up when we're there.

Morrigan: Will do.

Nico: I can't wait to give those two funny dirtbags what for.

Me: Me too.

Laney: This is gonna be so awesome. It'll be like how we met Megan and Kevin before.

Camie: Wow. This is gonna be cool.

Tempest Shadow: The Wet Bandits aren't worth killing.

Me: Nah. But they are worthy of humiliations.

Nico: Yep they sure are and they are really funny too.

Camie: They sure are. I love the Home Alone movies and they always crack me up.

Nico: They sure do. So funny.

Eli: Yeah. Those traps that Kevin built were genius.

Machinedramon: So is that movie Kevin likes to watch.

Cyborg Cat: Angels with Filthy Souls, right?

Nico: Yep.

Me: Merry Christmas ya Filthy Animal.

We laughed hysterically.

Me: I like saying it like this. Merry Christmas ya fucking filthy animal.

We laughed more.

Nico: Keep the change ya fucking filthy animal!

We laughed more!

Camie: That is so funny!

Qin: Yeah!

Yagura: A shame we had to fight the main character of that movie.

Me: Yeah but it was for the best. That guy was a total douchebag asshole.

Nico: You got that right. He deserved it too. He was killing people all over the place.

Twilight Sparkle: Yeah no kidding. But he had it coming.

Camie: Yeah no kidding.

Varie: I hated that guy.

Laney: Me too. He gave cops everywhere a really bad name.

Lanhua: I think we're here.

Puppetmon: Already?!

Nico: No we're above the shuttle that Fred and crew are on.

Me: He's right.

Nico: See if you can open a channel to them.

Lola: Aye sir.

Lola opened a channel.

Lola: Open.

Nico: This is the starship U.S.S. Valorous Phoenix, captain Nicolas Chan, leader of Team Loud Phoenix Storm commanding.

Overbeck appeared on the screen.

Overbeck: It's an honor to meet you Nico. Captain Bill Overbeck.

Nico: Honor to meet you too Bill. Sorry we are over you guys. But if you would like we can bring you aboard and tell you about what has been happening on the planet Mars these last couple of years.

Overbeck: We would be honored to hear about it.

Nico: Great.

We got to bringing them aboard.

BlackWarGreymon: We should use colorful square on the Wet Bandits.

Quillfire: That will reach them to mess with the revolution!

Nico: Yeah!

Julie Ford: Wet Bandits?

Me: One of our enemies The Wet Bandits escaped from our prisons and we have reason to believe that they are hiding out on Mars.

Overbeck: But that's impossible! Mars is a dead planet. They would die there.

Me: Not anymore. Mars is no longer a dead planet. It went from this…

I showed a hologram of what it was like as a red dead world.

Me:… to this.

I showed a hologram of what it is like now as fully terraformed.

Overbeck: That can't be right! Terraforming is a technology that's 100 to 500 years away.

Nicole: That was my first reaction when we saw what Mars is like now.

Me: I think it's best if you see it all for yourselves.

Lisa Loud: And we have arrived at our destination.

Nico: On screen.

We saw the planet Mars on the screen and it was like Earth.

Julie Ford: Oh my god. It really is Like Earth now.

Fred Randoll: Wow.

Me: I know. We were shocked ourselves. We raced on Mars 3 years ago when it was a dead planet covered in red dust and now here it is 3 years later as a planet that us fully terraformed and filled with life.

Babs Seed: We're not even planning to kill those boobs anyway.

Me: No we aren't.

Nico: The Wet Bandits aren't even worth killing.

Camie: Yeah.

Fred Randoll: Good.

Nico: Lets engage the landing.

We got to landing.

We landed on the planet and Fred Randoll, Overbeck, Julie Ford and Ulysses the chimpanzee got space suits on.

Me: Guys Mars is now like Earth, It has the same atmospheric composition and gravity and even the air we breathe.

Overbeck: We just want to be sure.

Me: Okay.

We got out and saw Mars and the landscape was really beautiful and full of life.

Nico: Here we are.

Varie: Planet Mars.

Fred Randoll: Wow.

Julie Ford: This is incredible.

MetalSeadramon: Beautiful, isn't it?

Pisces Zodiarts: It's no longer red though.

Me: No. Mars went from a dead planet to a paradise world.

Julie Ford: Amazing.

Me: And it has the same atmospheric composition as Earth does.

I showed them the atmospheric levels: 78% Nitrogen, 21% Oxygen, 0.9% Argon and 0.1% Other Gases.

Fred Randoll: Wow.

They took off their helmets and breathed in the air of Mars and it was perfect.

Fred Randoll: Wow! It's amazing here.

Julie Ford: It sure is.

Overbeck: This is amazing.

Spring Man: Why can't all planets be like this?

Nico: That would be nice. But I'm afraid it's impossible. Because like all animals, even planets have to be specialized in elements and environments.

Me: That's right. I've not very good at statistics but out of all 2 trillion plus galaxies in the universe, they each harbor over 6 billion planets that are like Earth.

Nico: Wow! That's amazing!

Qin: Yeah. Lets see that's 1.2 sextillion planets like that.

Nico: Wow!

Danica Metrois: That is right Qin. And the number of galaxies that are out there is still growing.

Me: Yeah. There could be hundreds of trillions of galaxies out there.

Nico: Wow.

Me: Now we have to find the Wet Bandits. And then bring them back to prison. We can also have them set up for humiliations at Lynn's Table too.

Qin: Yeah. That will be awesome!

Nico: Yeah good idea.

Tayuya: Those two dumbasses have to be here somewhere.

Nico: Lets get looking.

Camie: How big is Mars?

Me: 2,106.1 miles in diameter. Mars is about 1/3 the size of the Earth.

Qin: Wow.

Eli: But I do sense them. Their ship is to the northwest about 45 klicks.

Me: Okay.

Nico: Lets go.

Evil Solar Man: What are we waiting for then?

Ranamon: We don't got time to waste!

Nico: Lets go.

We were off.

I put Fred, Julie and Overbeck in a gravity bubble with me and Fluttershy was holding Ulysses.

Qin: Wow. Mars is so beautiful from up here.

Sirius: It sure is.

Julie Ford: It's amazing that Mars went to this.

Nicole: I know Julie. I was shocked to see Mars like this too. We haven't even developed the technology to Terraform planets yet and whoever made Mars like this saved us 100 to 500 years to do so. And also saved us 50 to 100,000,000 years it would take to make the planet like this.

Overbeck: It saved us an amazing amount of time.

Nicole: No kidding there.

Fred Randoll: Hey Commander?

Overbeck: Yeah?

Fred Randoll: I seem to be experiencing these intense intestinal cramps.

Overbeck: I'm enjoying the view from up here.

Fred Randoll: But they hurt me so.

Overbeck: Keep it to yourself.

Fred Randoll: Ow ow ow ow ow.

But then…

LOUD FART!

Randoll farted and Overbeck and Julie groaned in disgust!

Nico: (LAUGHS)

Me: (LAUGHS) Sorry about that guys.

Fred Randoll: Wasn't me.

Overbeck: What do you mean it wasn't you!? WE'RE 35,000,000 MILES FROM THE NEAREST PERSON!

Eli: (LAUGHS) Just like in the movie!

Varie: (LAUGHS)

Nico: (LAUGHS) Yeah. Wait look!

We saw the ship of Marv and Harry.

Nico: Target sighted.

RD Lana: Entrance time!

Nico: Lets do it.

We went at the ship.

Harry: Fine kettle of fish you got us into Marv!

Marv: Hey I thought this was Earth!

Harry: This isn't Earth you moron it's Mars!

Marv: Well it looked like Earth though!

Harry: I don't know how they managed to turn Mars like this though.

But then…

BLAM!

Marv got hit in the head with a Brick from out of nowhere!

OUCH!

THAT'S GONNA LEAVE A MARK!

Harv: Oh not this again!

But then the spirits of all the Digimon appeared and orbited around them and then converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them and a phoenix cry was heard and then we came out.

Me: Hello Marv and Harry. Miss me?

Megan McCallister: Remember me and Kevin you douchebags?

Harry grumbled and then went at Megan and Kevin and then…

POW!

Megan punched Harry in the face and sent him crashing into Marv!

Cornelia: Nice one Megan.

Duskmon: Hello, boobs!

Evil Shade Man: How are you this fine day?

Nico: We were just in the neighborhood.

Blackarachnia: So we thought we'd drop in.

Me: Before we get down to the crazy shenanigans we have one thing we want to ask.

Marv: What's that?

Nico: How did you guys pull this off? A good escape from the Uranus Prison.

Harry: Well you do have a right to know. We used the Alcatraz Dummy escape trick and then blended in with the guards by stealing one of their uniforms and then we highjacked a ship.

Me: Whoa!

Nico: That is very crafty and genius.

Eli: You guys are the first to successfully pull that off.

Me: I commend you guys for pulling off a successful escape. But unfortunately we have to humiliate you.

I tied them up to posts.

Nico: Hope you like a good laugh.

Then Iron Lung, Steam Smythe, Bronze Kneecap, Brass Knuckles, Titanium Toenail, EvilSeed, Angel, See-More, Hydrax, White Lightning, Madame Snake, Suzaku, Bond Man, Libra Zodiarts, Bulldozer Org, Fairy Tail Angel, Evil Wood Man, Evil Mushroom Man, Beagle Boys, and Phantom Blot appeared.

Iron Lung: Awesome seeing you guys here.

Eli: Same here.

Iron Lung: You guys really serious about having the Wet Bandits for humiliations?

Maria: Damn right!

Steam Smythe: Just wanted to be sure.

Bronze Kneecap: That's gonna be fun.

Me: It ALWAYS is fun.

Titanium Toenail: (to Nico) We heard you fought Sprout.

Nico: We sure did and he was awesome.

Angel: He probably wasn't a challenge.

Me: Nah. But he was worthy of pulling off some awesome comedy gags on him.

Laney: It's true.

Laney showed them what we did on her phone and it was so funny!

They laughed seeing it!

Iron Lung: Oh that is hilarious!

Nico: Yeah it was!

Azald then appeared.

Nico: Azald. Boy you are just a glutton for punishment aren't you?

Azald: Yeah I do take a good beating.

Me: Yeah you sure do.

Azald: So this is the new Mars?

Me: Yep. Mars now fully terraformed and like Earth.

Nico: What do you think?

Azald: It's really awesome.

Nico: It sure is.. Harry and Marv you stay right there. We'll have fun with you 2 later.

We got the battles underway.

Liam: Nah he wasn't that hard at all.

Pinkie Pie: Besides that Party Pooper got an awesome humiliation.

Featherweight: It sure was awesome and funny.

Sprocket: It sure was funny too. The pranks they did with the Wonder Ride books were hilariously funny.

Iron Lung: I'm glad they were funny and Sprout will make a great member for the M.O.E. Lets do it!

Jack Atlas, Carly Atlas, Applejack, Apple Bloom, Earth Skylanders, Tempest Shadow and Itachi Uchiha VS Brass Knuckles - Meeting Emily Monroe and how she is the defender of Disney

---

Brass Knuckles was next.

Brass Knuckles: (to Jack) I heard you guys met Emily Monroe. Is she really the defender of Disney?

Jack Atlas: She sure is and she knows all of Disney and defended it all from the forces of evil and more.

Carly Atlas: She loves Disney more than anyone we know and more.

Applejack: Yeehaw! She sure does. And she is a great friend to all of Disney.

Apple Bloom: Lincoln is so lucky to have a guardian angel like her.

Flashwing: He sure is.

Tempest Shadow: We're so proud of him. And her story is really cool too.

---

Emily Monroe: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Emily, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Emily Monroe: That's incredible.

Nico: It sure is. So, Emily, what's the story on why you hate Lori, Lynn, Lola, Lisa, and Luan with a burning passion, and Max said that it stemmed from an incident from long ago?

Emily Monroe: You're not going to like it one bit, Nico. One day, I took Lincoln, Luna, Laney, Leni, Lucy, Lana, and Lily to the world of Disney for some fun with Mickey, Minnie, Donald, Daisy, Goofy, Pluto, and our friends. While we were in Mickey's home having a good time, we suddenly heard the sound of enraged screaming in the air along with explosions. We went outside, and we saw who it was that was causing this kind of chaos: it was Lori, Lynn, Lola, Lisa, and Luan, and they were really causing chaos here. As The Defender of The Disney Kingdom and Lincoln's Guardian Angel, I refused to let Lori, Lynn, Lola, Lisa, and Luan cause havoc here, so we went after them, and Leni, Luna, Laney, Lucy, Lana, and Lily attacked them, and Lincoln fired red energy blasts from his massive white angel wings and hands and he imprisoned them in rose red orbs. After we were done having fun, we went back home to The Loud House, and we then told Mr. and Mrs. Loud of what happened, and Lori, Lynn, Lola, Lisa, and Luan got grounded for five weeks, and were put in cages in their rooms.

We cheered wildly.

Nico: Whoa, Emily, you sure are known as The Defender of The Disney Kingdom.

Lincoln: She sure is, and she's defended the world of Disney from the Disney villains, and from Lori, Lynn, Lola, Lisa, and Luan.

Mickey Mouse: And because of what you all did, we gave you guys medals in honor and recognition for what you all did to defend our world.

Mickey showed the picture of Lincoln, Leni, Luna, Laney, Lucy, Lana, Lily, and Emily Monroe getting medals for what they did in stopping Lori, Lynn, Lola, Lisa, and Luan's rampage, and we cheered.

Eli: Wow.

Nico: So awesome. And did those five have to clean up the mess they made?

Lincoln: They sure did, and we told them that if they want to earn our forgiveness, they were going to clean up the entire place.

Me: That'll serve them right for their little rampage.

FLASHBACK ENDS

Brass Knuckles: My goodness! That's amazing that she and Lincoln stopped the Disney Villains and the mean Loud Sisters with the help of his nice sisters and Emily!

---

See-More was next.

Ash: Yeah before this, Mars was a red dead planet. Now it's fully terraformed.

Pikachu: Pika.
